

Goals & Objectives

Goals - The primary goal for the Policies & Procedures Manual is to create an “event friendly” atmosphere for the City of Boise.

Objectives - The specific objectives of the policy are as follows:

1. Provide logistical assistance to special events operation on City of Boise property, streets and right of ways;
2. Ensure that event applications are treated fairly and in an equitable manner;
3. Ensure all City interests are met to protect assets and citizens of Boise;
4. Ensure that all Federal, State and Municipal Laws, Regulations and statutes are observed;
5. To work closely with Boise Chamber of Commerce, Capital City Development Corporation, and the Downtown Boise Association in promoting Boise as the premiere place to hold special events;
6. To provide assistance to the special event operator that is eligible under the ‘Definition of Special Events’
7. To establish contracts for the use of City of Boise property, streets and roadways, between the special event operator and the City of Boise;
8. To recover all direct costs related to services provided by the City of Boise;
9. To seek advice through the Special Events Coordination Committee on special events applications, as required, and conduct a biennial review of the Special Events Policies & Procedures Manual.
