Note: The City of Boise does not have any General Obligation Debt Service, Redevelopment Debt Service or Redevelopment Program Direct Rates.

<sup>a</sup> Overlapping rates are those of local and county governments that apply to property owners within the City of Boise. Not all overlapping rates apply to all Boise Property owners; for example, although the county property tax rate applies to all the city property owners, the Joplin Cemetery rate applies only to the city property owners whose property is located within the district's geographical boundaries.
