- (1) Prior to 1996 taxes were levied for the prior year's operations. In April of 1996, the City accomplished a financial restructuring, subsequent to which, the City's tax was for the ensuing year's operations. As a result, although taxes were levied in 1996, they were assigned to FY 1997 operations.
- (2) Includes Foothills Levy
- (3) Ada County miscalculated the rate for the tax levy, therefore a special remittance was made to correct this error. This amount was added to the levy and to the amount collected for the year. The amount of the correction was \$767,146.
