| 2003 | 195,931    | 6,921,067                                 | 35,324                     | 34.3                    | 13.8   | 25,634                 | 4.5%              |
| 2004 | 200,062    | 7,481,118                                 | 37,394                     | 34.5                    | 13.8   | 25,572                 | 4.6%              |
| 2005 | 208,219    | 8,244,015                                 | 39,593                     | 34.7                    | 13.8   | 25,680                 | 3.6%              |

1 Information provided by Idaho Department of Commerce and Labor using Census information from 1990, 2000 and estimates for 2004 and 2005. The intervening years (96-99 and 01-03) are estimates based on the total change between the years identified by the Census Bureau. The actual estimates made in these years is not available any longer. From 04 forward the amounts will be based on the actual Census Bureau issued estimates.
