TEENSIDE NEEDS YOU!

TeenSide is an organization that engages youth in the community through volunteer, service learning, and recreational projects. Teens meet, develop, and construct their own projects, identifying needs in Boise and the surrounding area.

Adults mentor and lead students in project decisions. Students keep track of all volunteer hours spent planning and implementing projects.

Students learn valuable job skills and life skills, while hanging out with friends and building a connection with their community.

We meet the first Wednesday of every month at the Whitney Community Center, 1609 S. Owyhee St., to plan and design projects and events.
