DRAWING I

Drawing uses the simplest tools, pencil and paper, and is the most basic of the art forms. Yet it can also be the most intimidating. Improve both your drawing and your observation skills by learning about the fundamentals of line, shape, value, perspective, and proportion. This is a fun, low-pressure, relaxing class, no experience (or drawing ability!) is required.

DRAWING II

You may already be familiar with the basics covered in Drawing I, and would like to explore drawing methods & materials in more depth. In this class, we'll try additional techniques like washes with charcoal and ink, using a variety of pens and brushes for both line & wash. We'll also work with colored drawing mediums like pastels or colored pencils.
