### EVERYTHING "SCULPEY"

9-14 YRS

What can't you make with Sculpey? Explore the creative possibilities of polymer clay in this fun class! You will learn how to make a colorful face, flower, pattern canes, make and use molds, and combine Sculpey with gold leaf and other materials. Xerox transfers, rubber stamping, carving, and using everyday materials for textures will be covered. You will experiment with translucent, metallic, and flexible clays.
