

# City of Boise - Foothills Learning Center

## *Fall* Programs 2008

### SECOND SATURDAY SERIES

- From 10 am to 2 pm
- All ages welcome! Activities for adults and children alike.

#### September 13 - Woolly Wisdom: Trailing Sheep in the Foothills

For a few days every spring and fall the Foothills host some woolly visitors. Get the low down on "woolly wisdom"; the Western tradition of sheep trailing! Watch sheep up close, see a herding dog demonstration and experience activities like spinning and other wool crafts.

#### October 11 - The Foothills as Art

Come celebrate the installation and unveiling of Mark Baltes' sculpture *Aero Agoseris*! Be inspired and make some of art of your own. Wander the watercolors, gaze at the gouache, observe the oils, ponder the pastels, and participate in workshops by local artists. Let the Foothills inspire you. NO EXPERIENCE REQUIRED.

#### November 8 - Turn, Turn, Turn... Backyard and Worm Composting

Learn to turn kitchen and yard waste into brown gold aka compost! Treasure Valley soils can be enriched with compost and transformed into fertile ground for that garden you've always been planning! No garden space? No worries... consider composting your kitchen waste with red wiggler worms. Bugs, worms and dirt; a recipe for fun!

#### December 13 - I'm Dreaming of a Green Christmas

Get a jump on the holiday hustle. Learn about green decorating and gift ideas. Join us as we make wrapping paper, garlands (like grandma used to trim the tree with) and more. Reduce, Reuse, Recycle, Renew & Rejoice!

To get to the Foothills Learning Center, take 8<sup>th</sup> Street north through Boise's North End. From the end of the pavement go 1/3 mile farther. For information call 514-3755. No cost or registration is required.
