

2020 Neighborhood Association Annual Report

Neighborhood Association Details

The City of Boise encourages and supports the organization of registered Neighborhood Associations. Neighborhood Associations are required to submit an annual report by Sunday, January 31st, 2021 to retain 'active' status with the City of Boise.

Annual reports are used to document and celebrate 2020 neighborhood association efforts as well as help city staff and neighborhood associations plan for the upcoming year.

Once you begin the annual report, your answers will be automatically saved, but you will only be able to return to your answers if completing the report on the same computer.

The online submission process can be completed in three steps:
