34	High Property Taxes	10/26/2020 3:16 PM
35	We used to have several urban gardens and community gardens within walking distance. There is nothing available now. It is so sad in a time when people need community and healthy food that infill has removed those opportunities	10/25/2020 10:33 PM

#	RESPONSES	DATE
1	a few of those speed limit signs that tell you how fast you are driving. The ones that are permanent with the solar panel.	11/17/2020 9:08 AM
2	I would like to see more sidewalks, more crosswalks, and safer intersections for pedestrians (especially children walking to school and hikers crossing hill road).	11/16/2020 8:45 AM
3	Street safety for kids, bike riders and dog walkers.	11/15/2020 6:02 PM
4	preserve the affordability and small houses, stop the mcmansions from taking over.	11/13/2020 8:08 PM
5	To keep growing the neighborliness and kindness.	11/12/2020 7:23 PM
6	Save some open space and preserve some productivity of our fantastic soil. Maybe a community garden. We're going to need it. All these new homes have no yards.	11/12/2020 5:31 AM
7	Increased accessibility by integrated sidewalks with low/soft curb slopes and good drainage.	11/11/2020 9:58 AM
8	A relaxed and well connected community that emphasizes inclusivity, stewardship, and FUN!	11/10/2020 8:22 PM
9	Crosswalk or flashing light to cross Hill on Gérard	11/8/2020 12:06 PM
10	The development of State Street and the incorporation of more pedestrian businesses.	11/8/2020 11:17 AM
11	a corner market and cafe/coffee shop!	11/6/2020 2:29 PM
12	Speed bumps	11/6/2020 7:53 AM
13	Gardens!	11/5/2020 5:57 PM
14	Consistent sidewalks and a bike lane on 32nd st	11/4/2020 8:46 PM
15	I'd like to see a permanent pod of food trucks in the parking lot of Sunset Park.	11/4/2020 8:20 PM
16	I love living here and am happy with the neighborhood overall. I worry a bit about traffic/safe streets. It would be awesome to have a safe route for kids and families to get to Whitewater park. Right now it is difficult for cars and bike/pedestrian traffic to navigate 31st street. I also thought it was helpful when the intersection of Good and 32nd was a 4 way stop.	11/3/2020 3:48 PM
17	Pedestrian connectivity - sidewalks!!	11/2/2020 1:05 PM
18	Creating safe routes for access to the park and foothills. Sidewalks and crosswalks.	11/2/2020 12:16 PM
19	Pickleball courts at the park!	11/1/2020 6:03 PM
20	Sidewalks and traffic calming	10/30/2020 12:51 PM
21	Community center space	10/30/2020 5:02 AM
22	Extend dog park hours in winter, it's too cold in the morning. AND update Lowell Pool. We need a newer community pool with shade and room to sit in the grass.	10/29/2020 8:21 AM
23	"bump outs" and traffic calming infrastructure, plus cross walks / sidewalks on 32nd (so people and kids can walk to the park w/o being threatened by speeding cars)	10/28/2020 8:44 PM
24	Add a pedestrian-based neighborhood retail center with a few dining/coffee/shopping options	10/28/2020 2:51 PM
25	Bike lanes	10/28/2020 2:34 PM
26	Provide speed reduction, traffic calming, and more crosswalks on 28th St. Provide an opportunity for a coffee shop or community center to be part of the neighborhood, if possible. Thanks for asking for feedback!	10/28/2020 2:27 PM
27	The speed of traffic down 28th and the speed down sunset are going from bad to worse. Both streets are becoming cut-throughs, speed is going up, drivers aren't looking for pedestrians, and with the number of young families in the neighborhood this is becoming dangerous. The speed on 28th should be reduced, the speed on Sunset should be enforced, and a stop sign at 28th and Sunset with cross walks should be installed to protect pedestrians and discourage drivers cutting through to avoid either Hill or State streets (both of which are much better equipped to handle the traffic).	10/27/2020 9:04 PM
28	Make it easier for pedestrians and safer for kids... lower the speed limit on 28th, add a 4 way stop at Sunset, traffic calming on cut throughs (Taft and Smith).	10/27/2020 8:39 PM
29	Reduce speed on 28th St. to 25mph to match 32nd St, Harrison, 15th, 14th, and 9th. Use	10/27/2020 8:30 PM

Sunset Neighborhood Plan Survey: Vision

	traffic calming if possible.	
30	1) Reduce speed limit on 28th St to 25mph, install speed bumps, 4 way stop at Sunset, more cross walks. 2) Get some walkable restaurants, coffee shops, breweries...allow some houses to be used for commercial use	10/27/2020 8:17 PM
31	Small business development on 28th.	10/27/2020 3:07 PM
32	Smart growth. Increasingly, too many people will not be able to afford their homes, larger homes are replacing smaller, values are being driven up without control. Smart growth along corridors that appeal to surrounding homeowners, traffic calming, pedestrian only streets.	10/27/2020 9:47 AM
33	Side walks, more stop signs in critical areas, bike zones	10/27/2020 8:21 AM
34	Neighbors that invest in each other and their city by working for its good.	10/27/2020 6:54 AM
35	Leave it alone	10/27/2020 6:30 AM
36	Small-scale retail along 28th st. for coffee shops, etc.	10/26/2020 8:58 PM
37	I would love it if it was safer for kids riding their bikes around. Sometimes I see kids riding around and I worry about them. They're little and it can be hard to see them.	10/26/2020 8:54 PM
38	Safer options for car-free commuting--putting in bike lanes, sidewalks, more street lights.	10/26/2020 3:17 PM
39	community garden in an irrigated lot somewhere here in teh neighborhood	10/25/2020 10:34 PM
40	Safer neighborhood to include sidewalks and more stop signs. I have witnessed multiple wrecks (how does a wreck occur in a 25 mph zone?). I have been PASSED up while driving the speed limit. The speeding has to stop, especially since there are no sidewalks, so bikers and walkers on directly on the road.	10/25/2020 1:47 PM
41	More of a neighborhood style commercial area maybe near Albertson's with sidewalk cafes and businesses.	10/25/2020 12:40 PM
42	Make the boundaries of 28th, 36th State streets more pedestrian, bike, and neighborhood safe and friendly. Encourage neighborhood mixed-use business and retail along these streets, creating our own unique Hyde Park vibe. Create a north hills connective park pathway. Extend the greenbelt from Whitewater and Veterans Park to the North Hills. And create a large community treehouse in Sunset Park (see Pete's "Treehouse Masters")	10/24/2020 6:06 PM
43	The Park is underutilized during afternoon hours. I would like to see extended off leash dog hours in the afternoon. I have started a petition and have had multiple neighbors sign in support.	10/24/2020 3:16 PM
44	An area like hyde park with a C store, shops, and restaurants/cafes	10/24/2020 12:45 PM
45	Make 32nd more like Hyde Park with cafes/restaurants	10/24/2020 12:44 PM
46	Wish we had a community center, something like Hidden Springs or Avimor--with a small grocery store/cafe, community swimming pool, and meeting space.	10/24/2020 10:03 AM
47	Having a few local businesses and healthy restaurants, somewhere to grab coffee, tea, smoothies, etc.	10/24/2020 8:26 AM
48	A better mix of commercial and residential and safe routes to travel the neighborhood on foot and bike.	10/23/2020 8:41 PM
49	Looking into Form-Based Codes to preserve homes, walking/biking space, and encourage small local business owners to establish shops and/or pop-up events.	10/23/2020 7:47 PM
50	More stop signs at the north end of 32nd st and taft	10/22/2020 8:04 PM
51	Put sidewalks and crosswalks on 32nd street.	10/22/2020 1:45 PM
52	Sidewalks and a walkable cute shopping area like Hyde Park, not the strip malls on busy State Street. I think the vacant lot behind Albertson's on 36th could be a good place for a mixed use shopping, apartments, and townhouses kind of thing.	10/22/2020 9:42 AM
53	side walks on main streets - it's dangerous for the kids to walk to school	10/22/2020 9:15 AM
54	SIDEWALKS (as previously described)	10/22/2020 8:41 AM
55	None right now	10/21/2020 7:20 PM

Sunset Neighborhood Plan Survey: Vision

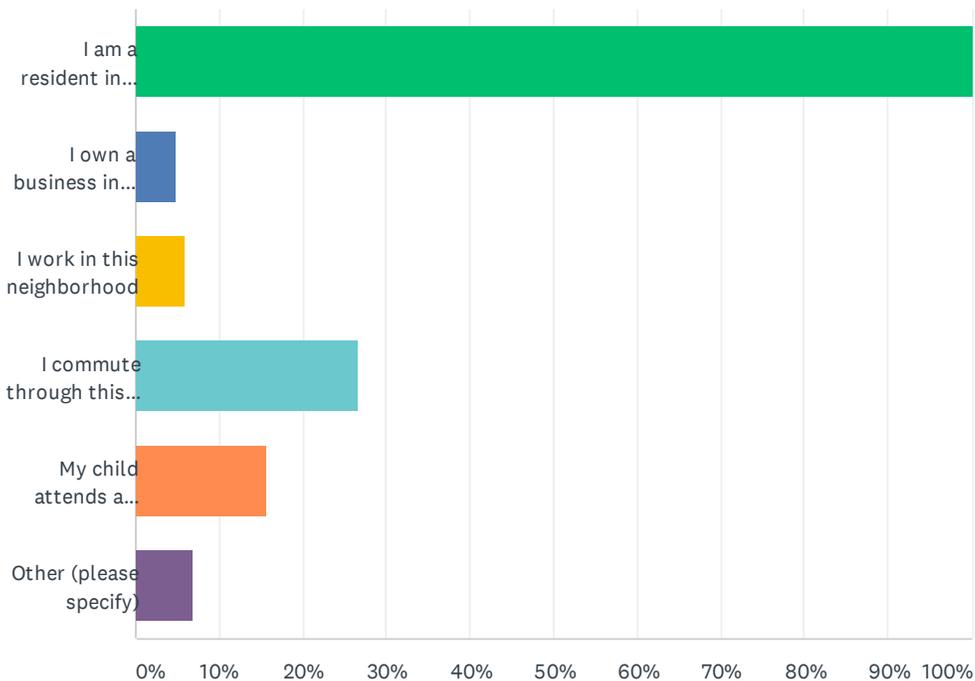

56	Consistent Sidewalks. Increase the family friendly orientation and curb appeal of the homes/neighborhood.	10/21/2020 1:15 PM
57	Allowing and encouraging small scale woodworking, metal craft, automotive, fiber arts and foods to be allowed in the neighborhood (with some noise controls)	10/21/2020 12:08 PM
58	A water park feature in Sunset Park, similar to Stephen C Guerber Park in Eagle.	10/21/2020 11:38 AM
59	Creating a Hyde Park type area.	10/21/2020 11:16 AM
60	Maintain affordability for Boiseans, control tear downs and extreme remodels, improve walkability by rezoning to add businesses on 28th and 36th.	10/21/2020 9:04 AM
61	More sidewalks! I love the neighborhood, but the seemingly random starting and ending of sidewalks really brings down the walkability of the neighborhood and keeps it from being more connected to downtown and through to the North End.	10/21/2020 7:53 AM
62	add local coffee shops	10/21/2020 7:02 AM
63	Batting cage in sunset park	10/20/2020 9:13 PM
64	Covered outdoor skate rink/skate park to sunset park for skating	10/20/2020 8:51 PM
65	Spiff up State Street through the Sunset section. Make places in Sunset where you can go for local food and coffee (i.e., not Jack in the Box or a gas station) wherever zoning permits.	10/20/2020 6:10 PM
66	develop a community garden or gathering space -like a mini Jump bldg or mini Fort Boise- offering classes or other helpful things for Sunset dwellers	10/20/2020 5:51 PM
67	Sorry, don't have one. Safety is a bit of a concern. I like the stop signs every few blocks that have made driving safety much better throughout the north end neighborhoods.	10/20/2020 5:13 PM
68	I think it would be nice to have a block party type get-together. Once a month in sunset park , so neighbors can meet and say hi. Like a potluck sort of thing	10/20/2020 4:38 PM
69	Needs more commercial space like Hyde Park. Nowhere to get food or drinks within the neighborhood.	10/20/2020 2:44 PM
70	safe ways to cross Hill Road to access trails	10/20/2020 1:01 PM
71	Lower property taxes!	10/20/2020 12:42 PM
72	Have a way for seniors to communicate if they could use help from their neighbors.	10/20/2020 11:36 AM
73	Create a more inviting neighborhood with sidewalks and make it safer and more convenient for families to get out into their neighborhood.	10/20/2020 9:47 AM
74	Coffee shop or restaurant to open where the garden center used to be on Hill Rd	10/20/2020 7:42 AM
75	make 32nd street pedestrian friendly	10/20/2020 7:26 AM
76	Community garden	10/19/2020 8:53 PM
77	Community development	10/19/2020 7:27 PM
78	Recreate the North End district, but with more income disparity - small historic homes that are affordable mixed with the larger family homes with porches, big trees, detached garages.	10/19/2020 7:01 PM
79	Clean up the State street area and make is more of a community gathering area	10/19/2020 6:45 PM
80	Hmmm. Nothing to mind.	10/19/2020 6:19 PM
81	We lack any shops / commerce. We at least need a walkable coffee shop.	10/19/2020 5:53 PM
82	a central meeting hub would be incredible, kind of like our version of Hyde Park	10/19/2020 5:25 PM
83	Sidewalks and traffic calming systems in place on 32nd.	10/19/2020 4:42 PM
84	Make Sunset a walkable family friendly neighborhood with sidewalks and well lit intersections and by doing whatever it takes to slow down or divert the commuters and speeders.	10/19/2020 3:32 PM
85	Build support from city leaders as well as ACHD leaders to install traffic calming like actually works all the time in all parts of our neighborhood.	10/19/2020 2:50 PM
86	Provide access to Hill Road from State elsewhere or over/under the neighborhood.	10/19/2020 1:57 PM

#	RESPONSES	DATE
1	I would like to see more people become active in the neighborhood association.	11/16/2020 8:46 AM
2	manage speeders especially on 32nd street, stop homeowners from tearing down city-owned trees, stop homeowners from using the easements for long-term "free" giveaway trash piles	11/13/2020 8:08 PM
3	I'd like to work on a neighborhood food project.	11/12/2020 7:24 PM
4	More stability. I barely have time to say hello to new neighbors, then their house is for sale again.	11/12/2020 5:32 AM
5	Not at this time.	11/11/2020 9:58 AM
6	I think keeping the neighborhood association active and vibrant is important. It's been good for the past 5 years	11/8/2020 11:18 AM
7	smaller block parties (i.e. really just your block or a couple of blocks). what about a neighborhood welcoming committee?	11/6/2020 2:30 PM
8	I know I sound like a broken record, but gardens bring people together. I've had several of my neighbors approach me and want me to teach them more about it. I think people will be especially interested after all this covid stuff, because of the self-sufficiency aspect.	11/5/2020 6:00 PM
9	This is our first year here and we would have gotten more involved with the meetings and community group if not for the pandemic. I think it's awesome these exist here and I hope/plan to still get involved when I feel more comfortable doing so.	11/4/2020 8:48 PM
10	I think the neighborhood association does a good job. I should participate more.	11/4/2020 8:21 PM
11	Safe streets to neighbors can walk down the road and say hello to one another! A parade of homes might be kind of fun too with all of the new houses/construction that has been going on (after COVID, of course!)	11/3/2020 3:49 PM
12	Weekly summer activities at the park and make the pool more accessible to people of all ages.	11/2/2020 1:06 PM
13	The neighborhood assn and meetings need a different approach to connect residents, foster engagement, feel inclusive, and build a thriving community. I think that is true in all neighborhoods, not just here. The ability to connect online is especially critical during the pandemic and also for the elderly. The city could sponsor a platform for neighborhoods to connect and stay abreast of activities that is consistent and not another social platform like Next Door neighbor.	11/2/2020 12:21 PM
14	Our street hosts a neighborhood bbq every summer. Thus Spring we held Covid concerts on our front porch and people would walk by and listen and enjoy the music at a distance. It would be so cool to have a Park Gathering for the Sunset neighborhood (Like Hyde Park Street Fair) but NOT a business venture- a community building venture.	11/1/2020 12:27 PM
15	Community social events	10/30/2020 5:03 AM
16	Have community events! I'm new here, but where I came from, my neighborhood would have a 4th of July parade. in the morning. The kids would decorate bikes, scooters, etc. and we could caravan around Sunset Park or through the neighborhood and then we could have popsicles and raffles at the park after. If possible we could have a police officer lead the parade or just have a car or motorcycle in the front and the back of the parade. My neighborhood would also bring in a BBQ food truck that people would buy their own lunch at. Maybe one of our residents has a food truck company. For Easter, our neighborhood would also have an egg hunt in the park for the kids and raffles. We also had a National Night Out to fight Crime and a Police Sgt would come talk to our residents about crime stats in the area and ways to keep our properties secure and protected from crime. Another idea I have is we could have a weekend day event for residents to showcase their local businesses. It would be a great way to meet each other, network, and find out how to shop local and support each other's businesses. Maybe also bring out a food truck and have some lawn games for families. Maybe some of our residents are musicians, have them play some music. We could also have a neighborhood contest for who has the best Christmas/Holiday lights/decorations display. We could even have a day where the residents go decorate the trees at Sunset Park. Do we have any firefighters in the neighborhood? Maybe have a small event where a firetruck with Santa could arrive at Sunset Park and then let kids meet Santa and take turns climbing into the firetruck. We could serve hot cocoa and cookies. Maybe have a some singers/carolers /string quartets in the neighborhood that would sing/play holiday songs. We could also have a resident decorating	10/29/2020 8:55 AM

contest for Halloween. And do a neighborhood Halloween scavenger hunt like Harrison Blvd did this year. Another idea for November would be to do a sort of fall carnival in the park. We could do a "Friendsgiving" and have residents bring a dish to share, potluck style. Maybe we have some fall yard games and maybe a neighborhood photographer could set up a photo area in the park and take fall photos for families to use for their Christmas/Holiday cards! I know some of these events may not be possible during COVID, but they are ideas for the future!

17	Maybe a neighborhood newsletter that has useful information about our neighborhood?	10/28/2020 8:48 PM
18	More walkable retail, coffeeshops for gathering	10/28/2020 2:51 PM
19	Have more community meetings and events. Maybe have an indoor space that could serve as a community center, neighborhood coffee shop, or market so it's easy to meet and engage with neighbors. An outdoor concert series in the park would be super fun, or maybe some neighborhood block parties where they close part of the street to have a community event.	10/28/2020 2:29 PM
20	Block party...post COVID. Neighborhood party in the park?	10/27/2020 9:07 PM
21	Block parties, as well as it would be great to have a coffee shop or Hyde park type vibe somewhere	10/27/2020 8:40 PM
22	Reducing speed and traffic in 28th St. would be a huge help! Also, having an small area zoned in a way that would allow a community meeting space or coffee shop would be amazing. Some more community events (post-covid) like block parties for residents and families would be really fun and connective. Otherwise, I think we have a really stellar neighborhood with lots of wonderful amenities.	10/27/2020 8:34 PM
23	Allow some houses to be rezoned for commercial use (perhaps near 28th and Sunset) so we can have some small business that are walkable. I would love to open a coffee shop there! Have another friend who lives in Sunset who wants to put a small brewery there and sandwich shop, we just need zoning to change since it currently only allows residential.	10/27/2020 8:20 PM
24	If we could have a restaurant and cafe or bodega instead of 3 nail salons on 28th, that would be a great way for neighbors to mingle!	10/27/2020 3:08 PM
25	Community/area social distancing gatherings (outdoor movie schedules, etc) assisted with block "captains" to assist the SNA, use of next-door app to notify of neighborhood events, local businesses visit certain areas (like a smaller farmers market),...	10/27/2020 9:50 AM
26	Yes improve safety with side walks, stop signs, more police patrols	10/27/2020 8:21 AM
27	1) improve walkability, 2) get people out in their front yards, 3) improve the neighborhood association communications (like, talk to new people at meetings instead of ignoring them, send an email out prior to meetings so we know what's on the agenda, have police come for 15 min with a crime/safety update). The summer soiree & clean up are great.	10/27/2020 6:56 AM
28	More spaces for the community to gather and interact. Parks and dog-walking are a good start but shops for eating and drinking would go a long way.	10/26/2020 8:59 PM
29	I feel like small locally owned businesses, like coffee shops or restaurants could improve community. Like if people had a place to gather and see one another at.	10/26/2020 8:56 PM
30	More parks or businesses where people can meet up.	10/26/2020 3:17 PM
31	Little libraries are cool, so is the walking path that is placed as a back way to Albertson's. I don't know how to enable more of these types of features in the neighborhood, but I do think a community garden would be a way to get more people talking and working with each other. It would be nice to see the boise parks department acquire one of the few remaining irrigated sunny lots in this area and appoint a facilitator that coordinated volunteer neighborhood workers and distributed excess produce to the St Mary's food bank. This could be a great method of engaging and fostering community and addressing social and health concerns so it would be worthwhile to foster a program like this across the city. Property values are based on the amenities within a community and gardens do not have to be a personal isolated thing.	10/25/2020 10:41 PM
32	Make it harder for builders to subdivide and build more homes when they who don't plan to live in the neighborhood for the long term.	10/25/2020 9:27 PM
33	Making it more pedestrian friendly, and having more community meeting places (i.e. purchase Vertical Church and turn it into an indoor/outdoor Community Center.	10/24/2020 6:10 PM
34	Gathering places and Neighborhood activities/events	10/24/2020 3:17 PM

36	Block parties, food truck events at sunset park	10/24/2020 12:45 PM
37	After Covid has passed, perhaps encourage block parties or outdoor movie showings. Maybe have a competition to bring art to the alleys--murals, etc. Or just more art pieces scattered around the neighbor hood. More music events. Slow/calm traffic down and/or build sidewalks on busy main thoroughfares (32nd, Irene, Bella, etc) to accommodate all the foot traffic. Everyone has to walk in the road way on most streets. Make Hill Road safer to cross, so trails in the Hillside to Hollow area can be accessed more easily.	10/24/2020 10:11 AM
38	We just moved here in June 2020, so I am not sure what has been done in the past. Neighborhood yard sales on the same day, summer/fall/holiday activities for families, meet up group for other activities of peoples interest?	10/24/2020 8:30 AM
39	The income disparity fees real here. For example on Sunset's Website, none of our African neighbors are represented. We should reach out to the lower income groups and understand their needs too.	10/23/2020 8:43 PM
40	Movies in the park; pop up food trucks and other small business or local entrepreneur	10/23/2020 7:49 PM
41	The grid pattern of the streets is not safe for children to play and does not create space for community to congregate like a cul-de-sac does. I have often wished there was a way to fix/change that like making most streets dead ends, with just 28th 32nd, and 36th as North South corridors, and Taft, Sunset, and Irene as East/West corridors.	10/22/2020 9:48 AM
42	Yes, add sidewalks. When I lived near Hyde Park, sidewalks are where we as neighbors would stop and chat while out on walks etc. It is unsafe to stop in Sunset neighborhood due to the passing cars on Taft and 32nd. So as a result, we merely pass each other with a smile and a wave.	10/22/2020 8:43 AM
43	I can't think of any right now.	10/21/2020 7:22 PM
44	More events especially at Sunset park and inside the church. Movie nights, etc.	10/21/2020 6:06 PM
45	Once covid ends, community yard sales or events like potlucks.	10/21/2020 1:17 PM
46	Community garage sale day	10/21/2020 12:10 PM
47	Food Truck Rallies in Sunset Park on a monthly basis. It would be fun to walk down, buy dinner and connect with neighbors while allowing kids to play. I would also love to have the leaf composting dumpster at Sunset Park. We have a lot of tress in our neighborhood.	10/21/2020 11:38 AM
48	Cleaning things up, addressing bad rental tenants, installing sidewalks and landscaping, improving livability and parks.	10/21/2020 11:17 AM
49	Placing some restrictions on teardowns and extreme remodels would help ensure people move hear because they are attracted to the neighborhood as a whole, not just the location. If they love the neighborhood, maybe they would stay and help build community instead of flipping their house a few years later.	10/21/2020 9:07 AM
50	It's hard right now with the pandemic, but getting more people involved in neighborhood planning and events would be great!	10/21/2020 7:53 AM
51	increase places to gather	10/21/2020 7:04 AM
52	Reddit group	10/20/2020 9:14 PM
53	Neighborhood book club	10/20/2020 8:54 PM
54	For myself, I just need to participate in offered gatherings.	10/20/2020 5:52 PM
55	Maybe a scheduled block party in the summer? (After we are done with this pandemic)	10/20/2020 5:16 PM
56	Limit the numbers of apartments and 2 houses on one lot being built. Its sad to see so many older homes torn down to make way for apartment buildings and skinny houses.	10/20/2020 4:42 PM
57	Commercial space to socialize. Rotating block parties.	10/20/2020 2:45 PM
58	Encourage neighborhood get-togethers once Covid is over.	10/20/2020 1:02 PM
59	Sidewalks?	10/20/2020 12:56 PM
60	No. I do not think we need to get formally organized, nor do I support an official neighborhood	10/20/2020 12:43 PM

61	I think the activities before Covid were doing good at trying to draw community together. Hopefully we can continue after Covid is managed better.	10/20/2020 11:38 AM

66	I've only been in sunset for a few months so I am still getting to know it	10/19/2020 7:28 PM
67	Not really. We do a fair amount of Sunset get-togethers already. There was a nice community garden - but it's now two skinny houses.	10/19/2020 7:04 PM
68	Neighborhood block / street party	10/19/2020 6:46 PM
69	Less skinny houses and huge houses that dont fit the historic feel of the area	10/19/2020 6:20 PM
70	continue building our neighborhood identity	10/19/2020 5:26 PM
71	Not sure, it definitely could feel more united.	10/19/2020 4:43 PM
72	Start with infrastructure. Speed bumps, Sidewalks, more lighting, more speed limit signs and deter commuters from cutting through. Make people feel more safe and community will follow.	10/19/2020 3:35 PM
73	Have neighborhood leaders actively engage with residents in areas where they don't know anyone. This can be a way to engage with isolated residents as well as build new relationships across the neighborhood.	10/19/2020 2:56 PM
74	More police patrols.	10/19/2020 1:58 PM
75	Put a stop sign on 32nd and Hansen or Bellamy. Traffic moves way too fast especially at night - somebody is going to get hurt or killed soon !!	10/19/2020 1:56 PM
76	Maybe have some events like art in the park in Sunset Park	10/19/2020 11:44 AM
