

Idaho Youth Adaptive Sports Clinic

June 12, 2021

IDAHO YOUTH ADAPTIVE SPORTS CLINIC

This year the Idaho Youth Adaptive Sports Camp is rolling into one fantastic day of sports, a great lunch, t-shirts for everyone, and friendship!

The clinic is open to youth and teens age 6-20 years who have a physical disability that limits mobility. Young athletes with a physical disability who use a wheelchair, AFO braces, walker or crutches are welcome to attend. Coaches will teach athletes the sports of wheelchair tennis, wheelchair basketball, adaptive cycling and more.

Please bring a face mask and join us for this event. Hopefully by next summer we can go back to a 4-day camp!
