Project Information

Project Name (if applicable):

Scope of Work:

Project Details

Attention Homeowner:

Per State of Idaho Statute, a license is not required for a homeowner performing plumbing work on their own residence. If you **hire a contractor** to perform any work, they will need to obtain their own permit for the work they are performing.

For more information on the State statute visit the following link: <https://dbs.idaho.gov/rules/current.html>

Agreements

Who is doing the work on this permit?:

Homeowner Licensed Contractor

By checking the box below, I agree that I have read and understand the requirements above. I am the property owner and will be performing all work related to this permit.:

If this permit application is associated with an active permit but you do not know the Permit Number (BLD00-00000 or GRD00-00000), please use our [Search page](#) to look up active permits by address or parcel.

The associated permit must be Issued before this permit application can be submitted. If you receive a message stating that the other permit has not yet been issued, you can save this application and submit at a later date.

Associated Records

Is there an active permit associated with this plumbing permit?: - Providing an associated permit number will link the two permits together for ease of tracking, fee payment, and project management.

Yes No

Associated Permit Number: - If you do not know the Permit Number (in the form of BLD00-00000 or GRD00-00000), please Search for the number prior to submitting. Please enter only 1 (one). Additional numbers can be added into the Scope of Work.

General Information

Account Number: - This number is often provided to contractors and subcontractors by larger companies (i.e. Micron, St. Luke's Medical, etc.) to assist in tracking their construction projects. If you do not have an account number, please leave this field blank.

Type of Use: - For Single Family homes and Duplexes, please select "Single Family Dwelling."

Commercial Daycare Education Hotel
 Industrial Medical Office/Hospital Motel
 Multiple Family Dwelling Office
 Public/Government Religious
 Single Family Dwelling
