

Memorial Park Amenity Preferences 2021 Neighborhood User Survey

163 Total Survey Responses

PARKS AND
RECREATION

Talking points:

1. Approximately 18% of all interviewees specifically expressed hesitation for park improvements based on concern about traffic on 5th and 6th streets and parking availability.
2. Nearly 50% of all interviewees prioritized preservation of the park's open space and shade; added improvements should preserve the existing green area as much as possible.
3. Top requested amenities: #1 Drinking Fountain, #2 No Changes, #3 Air/Repair Station.
