

Shelter Better Task Force: Meeting 7 (Week 6)
Siting and Workshop Recommendations

Preparation: There is no homework for this meeting. If you haven't had a chance to look at the case studies provided by the Idaho Policy Institute (distributed last week), please take a look.

Objectives: To begin workshopping recommendations the Task Force might make to decision-makers on the topic of emergency shelter in Boise.

Agenda:

- Update from the Task Force Chair on committee charge
- Results of "landscan" (analysis of various sites considered for emergency shelter)
- Task Force recommendations workshops (to be continued Monday in Meeting 8)
