1	I am opposed to such a large skate park at ivy wild. A large skate park draws a large crowd of people. As evidenced by the very large Rhodes skate park downtown, a large crowd becomes a problem for drugs and malfeasance. This is not a nimby issue. It is just good planning to spread out infrastructure that benefits boiseans. By doing so it also does not consolidate potential criminal activity into one area.	10/18/2021 7:22 AM
2	A zip line would be a better choice, like the one at Terry Day or Cottonwood park	10/14/2021 4:10 PM
3	No! Super excited and think this is a great addition to the park!	10/14/2021 1:20 PM
4	I think it is a great idea for locals to have some other ways to engage with thier outside environment, neighbors and something else for all ages to enjoy together. There could even me mimi neighborhood events or championships to promote communities coming together.	10/14/2021 11:31 AM
5	I think the project is a wonderful vision for both the sport itself, and the popularity skateboarding is gaining with today's youth. This gives kids a nice gathering place in the neighborhood. Esthetically, the project is a fine extension of Ivywild Park.	10/14/2021 10:54 AM
6	I feel it would be an asset to the area, for young people and families with youngsters. Skaters are not bad people.	10/14/2021 10:48 AM
7	No	10/13/2021 9:04 PM
8	I like the idea of a skate park. I love active kids. My concern is noise after-hours. I live very close and would like if there was a 'close' time around 10 pm when people go to bed. I also would like to ensure, somehow, litter or trash from people using park doesn't end up in the little canal there. I would like to ensure bright lights don't shine in yards during evening use.	10/13/2021 7:59 PM

14	I would enjoy another full on skate park nearer to the southeast end of boise. There is a large gathering of younger families in this area and the access to skate parks is low. We all love the new one in surprise valley but it does not offer the same experience as a full on skate park. Thank you.	10/13/2021 9:06 AM
15	More skate spots for jids	10/13/2021 9:06 AM
16	Money spent to improve outdoor access to activity is a wise use of funds as it allows people to stay emotionally and physically healthy during covid times which will be here a long long time!	10/13/2021 8:37 AM
17	This would give kids something to do in the area! A skate park would be a great addition to IvyWild!	10/13/2021 6:33 AM
18	You would be placing this proposed skate park right up against houses which would create extreme unnecessary noise to the residents.	10/12/2021 10:14 PM

20	I don't live adjacent to the park but do think it would be nice for skaters to have a place to go other than downtown.	10/12/2021 8:50 PM

29	That drawing looks curved and the postcard you sent has a basically rectangle design. If you do put it there you're going to have to keep the bathrooms open more by the pool. We play tennis there and the bathrooms are not open enough. Seems like there's more room over by the other bathrooms on the other side of the park. You're going to have kids peeing in the bushes because they don't want to walk that far.	10/11/2021 7:30 PM

44	Great location.	10/11/2021 11:00 AM
45	Parks are low on space as population grows. Adding noise near neighborhoods and within existing parks should not be an option. Instead, a new dedicated space in the city would better serve the more specialized interests aiming to use these scarce spaces.	10/11/2021 10:03 AM
46	Yes, would love this!	10/11/2021 9:34 AM
47	The skate park would bring in punks and lots of noise to our quiet neighborhood.	10/11/2021 9:16 AM
48	Wrong place, too close to houses, attracts wrong element late at night. Put this in Ann Morrison or some other place that is not at all in proximity to house where folks have to sleep.	10/11/2021 9:15 AM
49	To close to resident housing. We have a quiet neighborhood except for speeders down Leadville. We don't need additional traffic even foot traffic. You added bike lanes we don't need anything else.	10/11/2021 8:46 AM
50	On its face it seems like this would be a liability issue for the parks and rec department. Would these very simple skate obstacles keep skate boarders off the streets?	10/11/2021 8:32 AM

53	It's going to be well used so the bigger the better!	10/10/2021 7:52 PM
54	If it's going to be narrow maybe dedicate one end of it to a mini half pipe? Like 2-3' deep so it doesn't have to be too long. You could even extend a taller quarter pipe section off of one side of the half pipe to be used as a drop point to the other end of the park.	10/10/2021 7:52 PM
55	I'm not opposed to a skate spot in Ivywild Park, but I am opposed to the proposed location. The northwest corner of the park is a quiet tranquil area. I walk my dog there twice a day and it brings me a lot of peace. The addition of cement and noise would interfere with the tranquility. It would be better to put it by the playground, somewhere that is already noisy. Thank you for the opportunity to comment.	10/10/2021 7:19 PM
56	this would increase noise to the surrounding homes.	10/10/2021 5:24 PM

69	nope	10/9/2021 4:14 PM
70	I believe a skate park would be a great addition to Ivywild Park. It would particularly nice if there was seating to watch the "kids" skate.	10/9/2021 4:02 PM
71	This seems a small but reasonable step to provide young people and kids with a healthy outdoor activity.	10/9/2021 4:01 PM
72	The proposed addition would not contribute to the park's pleasant solitude and peacefulness, would do the opposite, might even be an annoyance to nearby neighborhoods.	10/9/2021 9:10 AM
73	The parking lot is very full everyday in the summer because of the swimming pool. Boarders and riders must be aware of that, could cause a conflict on Leadville.	10/8/2021 11:47 PM

children, disabled and elderly neighbors. I don't think encouraging skateboarding in the park is considerate to the safety of the neighbors and local community who regularly use the park. Unfortunately not every skateboarder is considerate of pedestrians. I fear this proposal would change the dynamic of the park and not for the better.

81	Thank you!	10/8/2021 12:23 PM
82	There are already plenty of activities to do at Ivy Wild. Skate parks tend to attract older skaters that keep the younger kids from participating. This leads to skating later into the night, more noise, more potential issues. Ivy Wild needs to stay quiet after dark as this area is right adjacent to a number of residences. Please put the skate park somewhere else besides Ivy Wild. Thank you.	10/8/2021 11:55 AM
83	I know building skateparks is time expensive, but adding a small bowl or a few other features to help create more flow, would be killer!	10/8/2021 11:42 AM
84	Is it possible that there are other viable locations for said skate spot even at Ivywild?	10/8/2021 5:49 AM
85	No skate park at Ivy Wild. Thank you.	10/7/2021 11:24 PM

94	I think a skate spot here would provide a good opportunity to a lot of people in the area. I worry a little bit about a skate spot changing the dynamic of the park, but I would rather youth (especially) be spending time skating in a public area like this than doing other less-desirable activities elsewhere. We have enjoyed using the bowl for other activities, but I think having a skate spot in the bowl will provide a fun place for new activities too.	10/7/2021 3:57 PM
95	Love the idea	10/7/2021 3:42 PM
96	A skate spot would be a great addition to the park, it's valuable to have a variety of recreation spaces for different activities and I'm not aware of another nearby skatepark.	10/7/2021 3:08 PM

102	Love it	10/6/2021 9:25 PM
103	Make the skatepark wider. Looks like only 1 kid can go at a time. And add a bowl.	10/6/2021 7:51 PM
104	The city should stress to the Boise Skate Association that safety reminders are needed for skateboarders using the Greenbelt. I was nearly clotheslined on my bike by a pair of skateboarders towing each other with a bungee cord; each swung to the opposite side of the path as I approached from the opposite direction. I've also seen bicyclists towing unstable skateboarders that look as though they could launch either their boards or themselves into oncoming bike traffic. The Skate Association needs to take an active role in preventing incidents such as these, upon approval of this project.	10/6/2021 6:08 PM

108	Who would be responsible for picking up litter that the kids will leave? How deal with the noise after hours? How is trolley bldg protected from vandalism, etc?	10/6/2021 11:51 AM
109	It would be right next to neighborhood homes. The swimming pool is busy , 2 baseball fields are busy, the tennis courts are busy, Sage I. school brings busloads of students to recreate. The playground equip is busy. Restrooms are too far away from said skatepark and they are old and not adequate. The people in the neighborhood walk the park and especially with their dogs. The noise would really be distracting to pets and their walkers. I think the park is at capacity for any additional sport use. Thank you!	10/6/2021 11:33 AM
110	I am VERY concerned that there will be people in the park after hours skateboarding. There is already very little patrolling of this area after hours and on weekends. If approved, the overhead lights next to this section should be shutoff on the parking lot to prevent skateboarders being there after hours.	10/6/2021 10:40 AM
111	I think that would be a great addition to the park and help keep kids out of trouble by doing something they enjoy and can gather with other kids. Hopefully it will stay safe for them and not attract trouble makers.	10/6/2021 9:44 AM
112	Roll forever :)	10/6/2021 9:07 AM
113	Please consider providing ADA-friendly activities at every city park; at the very least, swings for disabled children and adults. It would be so awesome for a few of the parks (if not all) to have dedicated play areas for those with disabilities. Should not take extra fundraising or special donations - we as a city should be able to do that. We should already have these types of areas in-place, without question.	10/6/2021 8:43 AM
114	There are several options for outdoor skateboarding or street skating type courses in the city, and it would be awesome to have more outdoor rink spaces for roller skaters. I would love having the option for roller skating at Ivywild Park!	10/5/2021 11:38 PM
115	It needs a half pipe.	10/5/2021 9:45 PM
116	My only concern is the proposed area is very close to where cars park. Someone loses control of a skateboard and it could do some damage. Will there be a net or wall to prevent that sort of thing?	10/5/2021 9:04 PM
117	Love the great work you guys do!	10/5/2021 7:21 PM

121	the park is a nice quiet place to spend time and hang out. a skate park would only attract people that are loud. i dont want my neighborhood overrun by teenage boys. please dont do this.	10/5/2021 5:10 PM
122	Do it! Our kids would love it!	10/5/2021 4:03 PM

131	Excited about this prospect. Don't skate but would like it for those who do. Other thought is to use some of the parking lot and not be so close to the canal. Seems like there's plenty of parking lot there.	10/5/2021 11:57 AM
132	The proposed location is surrounded by homes. The noise associated with a skate park would definitely be a problem. Please look for an open space.	10/5/2021 11:32 AM
133	Double the width of this skate feature. As is a very limited amount of people can use it	10/5/2021 10:34 AM
134	You picked a spot right next several residences. Why not use the south side of the pool outside the pool fence. There is parking and the pool is only open a short time in the summer.	10/5/2021 10:09 AM
135	I would prefer a Basketball Hoop or Pickleball lines on the Tennis Courts. I would not be happy about a skate spot.	10/5/2021 9:52 AM
136	The skate parks we have are drawing users that are camping in their vehicles, this occurs frequently at the Fort Boise and Rhodes skate parks. Myself and others I have spoke with are tired of seeing this. Please don't add another skate park but focus on a solution for the camping that is occurring on the ones we have.	10/5/2021 8:51 AM

142	I have lived at the end of Colorado Ave for 22 years. 2240 S Colorado Ave. I have seen it all, drugs, fights and being assaulted personally by a punk kid that has issues, I DO NOT approve of any of this...I was Born and raised here and the things that you guy are trying to get passed it ridiculous! I need to talk to whoever is behind this and need to talk to the police officers that I have called over the years and NOTHING has been done about this problem of kids after dark and kids driving cars through the park at night. There needs to be a freaking gate that need to be installed at the Leadville street entrance. Those kids do "Cookies"/"Doughnuts", whatever you want to call them till 4 AM. Sick of your guys plans to mess the neighborhood up more than it already is. There is a perfectly good skate park in downtown Boise that if they want to go skating that should be the hang out, not to mention fort Boise!! 144	Would love swings and more park like amenities at the park!	10/4/2021 8:49 PM
145	Adjacent to a residential area is an inappropriate location for a skateboard park. This park will take away from the property values of those living on S Colorado Ave due to increased noise, traffic patterns, predominantly increased foot traffic and skateboard traffic to access the park, and trash. The noise and trash that is likely to increase will quickly finds its way into neighborhoods. These park-associated quality of life related issues WILL occur with bringing in a skate park to Ivywild. The increased use use will be disruptive to neighboring residents along Leadville and Colorado Avenues. As of winter 2017, every time it snows even an inch there are vehicles spinning around in the parking lot at Ivywild Park into the early morning hours and the police do not respond. Any increased park-related noise that does not receive a reponse from police is detrimental to the quality of life and the property values of those who live near the proposed skate park location. Additionally, the increased traffic related to the park on Colorado Avenue will be a detriment to the quietness of the neighborhood, which is one of the big appeals of the locations. Lastly, there are other locations within Ivywild Park that are more suitable for this activity and they do not abutt against residential areas. Infrastructure wise, there is an irrigation ditch along the north side of the proposed location that creates a water hazard to users and the current location serves as storm water drainage and supports	10/4/2021 8:02 PM

approximately 12 mature oak and sweetgum trees that would need to be removed. This activity, again, will take away from the quality of life for residents and decrease property values.

149	1. Neighborhood housing within 20 feet of proposal, some who are seniors. Noise level and parking will only create problems for these homeowners. 2. This proposal would require the removal of numerous trees. 3. Numerous types of wildlife use the canal and trees. 4. This depression is part of the Boise river flood plan and would have to be adjudicated to be redesigned costing taxpayers money. This is a terrible idea for our neighborhood!	10/4/2021 6:50 PM
150	We go to Ivywild park on a daily basis to either walk the dog or spend time outdoors with our two twin boys, aged 12. They usually street skate around the park and I see a lot of other skateboarders in the area doing the same thing. A small skatepark would be extremely beneficial to this neighborhood and beyond. There are a lot of kids that would use it and it would help keep the youth out of trouble and these kids could make lifelong connections with other kids in the neighborhood, which is even more difficult to do since the start of the pandemic. We wholeheartedly support these skateparks throughout Boise. Thank you!	10/4/2021 6:07 PM

159	I feel skate parks/spots are more suitable and compatible to commercial locations. I do not feel that this skate spot would be of direct benefit to the majority of existing residents in the area.	10/4/2021 4:48 PM
160	Ivy Wild is a small neighborhood park and the location of this proposed skate park would border neighbors far too closely. The location would eliminate the flood plane option for this area. There is not nearly enough parking in the summer for both the pool and a skate park. I am concerned about the increased noise as well. I appreciate the interest in providing more activities for kids, but I do not feel that Ivy Wild Park is the appropriate location.	10/4/2021 4:45 PM

167	IF it absolutely needs to be at Ivywild Park, put in by the parking lot in the southeast corner off Ivywild by the playground. By placing it on Leadville there will be too much activity which will impact the road and increased loitering.	10/4/2021 11:14 AM
168	It would be a great addition!	10/4/2021 11:12 AM

174	This area provides needed ecological space for wildlife to utilize the lateral as habitat for life. A skate park this close to that water source would disturb their natural habitat.	10/4/2021 9:26 AM
175	Boise parks with little skate spots like this is perfect and makes the park space well rounded in meeting a range of interests and needs. I will donate to the fund raising effort and enlist others to do the same. Good luck. Ash Manitou Ave.	10/4/2021 8:53 AM

180	What a wonderful addition to IvyWild Park!y children often played soccer in the park and swam at IvyWild Pool. Too bad this wasn't around 15 years ago so my children could have used it! Love how Boise City continues to develop play spaces for the community!	10/3/2021 9:22 PM
181	Park additions like these are amazing.	10/3/2021 8:26 PM
182	I would like it to be located at a different location closer to the pavilion. The location proposed is very near the canal and limits the size and depth of the skate park. Additionally the canal is where ducks and other critters go for water and it would be disruptive at that location for the wildlife. The area near the pavilion is historically a poor area for grass growth and is at the outfield	10/3/2021 8:15 PM
183	make it bigger	10/3/2021 7:58 PM
184	Would it be possible to put the skate park in a part of the parking lot that isn't so close to residences?	10/3/2021 7:54 PM
185	These parks are so beneficial for everyone in the community. I was luckily enough to grow up around the corner from a small skatepark, and it changed my life. Small additions like these is a step in the right direction.	10/3/2021 7:49 PM

192	We think there is enough going on at Ivywild Park and living so close to it, we get all the noise from the Pool, the schools visiting the park, day camps and the sports being played there.	10/3/2021 4:26 PM
193	It would be sweet to have another skate spot to throw in the rotation. Not to ask too much, but Fort St. could use a remodel; but that's for another time (and survey) Appreciate y'all	10/3/2021 2:07 PM

the park to keep the noise down for neighbors. The proposed spot is also very near the walking paths and sidewalk. Again, very pro skate park at this location! Just hope consideration is given to the exact location. Thank you!

197	Let's make it bigger and more fun!	10/3/2021 12:12 PM
198	Love this idea!!!	10/3/2021 12:00 PM
199	I do not feel that the area is a good fit for a skate spot. Looking at the one that was developed in Meridian at Tully park, the area is now over congested and there is a rowdy crowd there. My fear is that the neighborhood is busy as is and adding this attraction will push the limits of the streets and not be an improvement to the neighborhood. Another park with better access roads would be my solution. What is the plan to patrol the are? The streets are already over congested and there is a speed problem in the area. Look at all the traffic incidents in the past year.	10/3/2021 11:49 AM
200	I'm a little worried about the noise for the neighbors right by that part of the park.	10/3/2021 11:33 AM
201	I think a skate spot would provide kids on this side of town a great outlet for physical activity in a safe space. I am originally from an area where skating is much more popular, and I think it has a positive impact on the community.	10/3/2021 11:11 AM
202	Great idea for this use of space. Others may mention they appreciate that area for dogs, but realistically dogs have plenty of space elsewhere in the park. I have noticed families of ducks nesting near that area so hopefully environmental impact is being considered, but overall I support this idea.	10/3/2021 10:54 AM
203	We think it is a great idea!	10/3/2021 10:46 AM

206	I think this is a great idea and a fun place for the kids to go. Rhodes skate park is always busy when I pass it.	10/3/2021 10:10 AM
207	I really like the idea. It'd be nice if it's good for roller skates/blades as well. I see kids skating around our neighborhoods, and I'd imagine they'd enjoy having a spot like that.	10/2/2021 11:15 PM
208	I think that spot is a currently Under utilize area so it would be good. I may not be in favor if the spot was moved and interfered with bigger grass areas in which children can run or families can have picnics.	10/2/2021 9:11 PM
209	Even a little bigger would be awesome! More flat concrete for roller skaters and roller bladers!	10/2/2021 8:22 PM

217	I live next door to this proposal and absolutely do not support it. I think this is a terrible idea. This proposal not only will increase the noise but the foot traffic in our cul-de-sac. Sure we hear kids at the pool but that is not year round nor is it bunch of teenage (mostly) boys. Ask yourself, would you really be okay with the sound of skateboards screeching over cement with teenagers being overly boisterous when all you want to do is enjoy your only day off in your backyard. There are plenty of places closer to the University where the houses are younger college kids and rentals. The proposed area is tiny and will sit between beautiful trees and a beautiful riparian canal that is home to all sorts of ducks and their ducklings in spring. Our little park is a great family/neighborhood park. Don't destroy that feeling by first, tearing up an already established beautiful area and then by targeting teenagers who will probably have no respect for us neighbors. Believe it or not this is a quite cul-de-sac. I beg you, don't take that	10/2/2021 3:14 PM

away from us. Whomever thought of this terrible project obviously didn't care all this activity would be right next to hard working individuals who come home from a hard days work and don't need the chatter of teenagers and skateboards out their kitchen window. It's bad enough we have to hear cars burning circles the parking lot when it barely snows. This project does not allow for the appropriate buffer. Also, this project will definitely decrease our home value. No one will want will want to live next door to this. Please reconsider! Sincerely, A very concerned neighbor

239	I recently moved back to Boise after living in California for seven years, where I had moved to take care of my terminally ill mother. I lived in Temecula, near the Ronald Reagan Sports Park. While I was there, the city installed two "pump parks" (I'm not sure what they are officially called) for use with scooters and bikes. These were a tremendous success. The park had huge grassy areas which required a lot of water, chemicals, and labor to keep them looking good. Yes, they were used for baseball and soccer, but they were used maybe 5-10% of the time. The pump parks, on the other hand, were used every minute the park was open. I have never seen so much joy and fun per square foot as I saw in the use of those pump parks. I would like to see Boise install similar features in Boise parks.	10/2/2021 10:16 AM

245	Do not allow the skate spot. Too close too the pool and tennis courts. Contest the small side streets and encourage skateboarders in the few parking spots there are now. Too Disruptive to dog walkers, walkers and all local residents that use the park. Park is perfect as is.	10/2/2021 9:52 AM
246	might consider something a little larger if space permits.	10/2/2021 9:50 AM
247	Kids need more than soccer fields...This is a good idea	10/2/2021 9:48 AM
248	I think this is a great idea! There are kids who already skate around the area so I know if would quickly be utilized.	10/2/2021 9:47 AM
249	Totally against. Too close to the pooe and tennis courts. No parking and will draw too many skateboarders too adtoo congestion on small side street. Will encourage more skateboarding on th streets in the parking lots etc. Nor needed.	10/2/2021 9:43 AM
250	It's already a family recreation area. The skate spot would provide recreation opportunities for more family members. Great proposal!	10/2/2021 9:41 AM
251	Thank you for this proposal. Our children struggle with finding places to skate board and rollerblade as our neighbors/HOA have made them feel very unwelcome doing so in our neighborhood.	10/2/2021 9:08 AM
252	This would be a great way to encourage outdoor activities in our community.	10/2/2021 8:48 AM
253	Having a designated spot for this activity in the neighbor will reduce conflicts when kids seek out areas to ride or skate.	10/2/2021 8:46 AM
254	As Boise grows small skatespots are beneficial to push users to safe places to skate and away from streets and businesses.	10/2/2021 8:43 AM
255	Good luck! Kids need more features like this. 😊	10/2/2021 8:35 AM

257	Open the concession stand at the pool again.	10/2/2021 8:20 AM
258	I would recommend adding some benches for people to sit and rest. Maybe a drinking fountain or water bottle refill station too.	10/2/2021 7:57 AM
259	A skate spot at a park south of downtown would be a nice addition	10/2/2021 6:35 AM
260	No skate parks in area, all require travel. Nice to have access without driving.	10/2/2021 6:18 AM
261	There is a nice tribute to the Interurban trolley in this area and I don't want to see it damaged by graffiti or by skateboard grinding. Skaters seem to damage surrounding areas outside their park features, so I prefer to stick with the skate facilities we already have at Rhodes Park.	10/2/2021 2:07 AM
262	I think this would be an amazing addition to our community	10/1/2021 10:49 PM

266	I think this would be a great addition.	10/1/2021 9:43 PM
267	Mini ramp that is about 3.5 feet high would be great! It would also be great for Boise to have an outdoor skate space like a outdoor rink that could be used for inline hockey, roller dance, jam skating, roller derby	10/1/2021 9:25 PM
268	Yes to all parks and all park expansions! With high density building we need more open and recreation space! Parks are the heart of Boise!	10/1/2021 9:18 PM
269	We're excited for it to happen! Thank you!	10/1/2021 9:03 PM
270	Placing this park at that location at ivywild would make things difficult as the ditch close by is a popular doggie swimming hole. Consider instead placing it on the left side of manitou park which has been empty space for at least five years.	10/1/2021 8:30 PM

286	I love the idea of a skate park in ivywild! There are a lot of people in the area who enjoy skating and there aren't many options close by. I would like to see the skate park be a little bigger with 1 or 2 more features. I live nearby and think this would be a wonderful addition to an already amazing park.	10/1/2021 6:30 PM
287	We would really love to have a skatepark nearby. This would be such a blessing!	10/1/2021 6:27 PM
288	Rollerskating has had a surge in popularity. It is a type of skating that is enjoyed by a broader spectrum of age and gender in comparison with skateboarding. While I think it is fantastic to spend resources on another skating park, I feel it would be a significant benefit to more people to add an area that is simply flat, open concrete in a round or oval shape creating somewhat of and outdoor rink. Currently there are NO designated areas where roller skating or blading is allowed. Myself and other roller skaters are routinely kicked off tennis courts and parking lots, even in public places like Julia Davis, Ann Morrison and BSU. There is one park area in Eagle that was specifically created for rollerskating, roller dance and roller derby games/practice. Something similar in Boise is desperately needed. 291	Will there be designated bike area or time, as well as scooter and skateboard? Sounds like there might be conflict there if all three participate at once.	10/1/2021 5:57 PM
292	No I don't need to talk to you people.	10/1/2021 5:32 PM
293	I am in favor of skateboarding areas created at all parks	10/1/2021 5:26 PM
294	Yes, no skate facilities in the east end.	10/1/2021 5:24 PM
295	Yeah, let's make it more skateboard focused. Scooters and bike can yield to the skate wave. If we can make it as big as possible, that would be excellent. Add features for intermediate skaters, nothing too gnarly but not too small; just something to build up skill and confidence. i.e. 4ft quarter pipes, 12-16inch heigh rails for board slides, curbs, manual boxes with angle iron to grind 50/50s, good design and flow to gain and keep speed, NO boomerang bullshit,	10/1/2021 5:22 PM

Ivywild Park Skate Spot Survey

maybe one quarter bowl for a turn around if it fits the design, kickers, one round rail and one flat top rail would be rad, a box to nose slide/ smith grind and/or Ollie up and 180 out, don't make it too tight and narrow because if skaters and scooter kids/bikers are there at the same time that's a collision waiting to happen. Add some benches, shade, drinking fountains, and restrooms near by if not already, please. And if you guys ever think about making another pump track in boise, be sure to use concrete, NOT asphalt, concrete is smoother and can better be skated. Please don't half-ass this, the neighborhood moral is vital to Boise's youth. Thank you for the option to comment, keep up the innovation and progress. Look forward to this new park

296	please don't put it there, the park is crowded enough already	10/1/2021 4:38 PM
297	Seems like a small skate spot. I'd support making it bigger.	10/1/2021 4:38 PM
298	By pool side of park would be better located	10/1/2021 3:58 PM
299	I think this would be a fun addition to the park and hope this passes the vote	10/1/2021 3:52 PM
300	This is a terrible idea! There are homes that are literally 10 feet away and the noise would not be acceptable. The canal hosts multiple forms of wildlife that would be impacted. That bowl is for flood control, not recreation. This is a neighborhood full of elderly retired people, this addition would not enhance our neighborhood and could quite possibly negatively impact property values. This is a terrible idea!!	10/1/2021 3:45 PM
301	When building the skate spot, Preserve the trees, where feasible. Preserve the historical site for Southeast Boise.	10/1/2021 3:35 PM
302	It's great to have a local association partner with the parks department to benefit the community.	10/1/2021 3:32 PM
303	I think this would be a great addition to this park. Skateboarding is an great option for people who don't care for team sports. It will help to keep our young people engaged in a healthy activity.	10/1/2021 3:30 PM
304	It is going to very noisy.	10/1/2021 3:24 PM
305	This is a great idea and addition to the community. We have the space and the kids. While smaller, it's right in our community and in a bit safer location than Rhodes Skate Park.	10/1/2021 3:24 PM
306	The proposed location is far enough away, that it should not have an impact on anything that I do.	10/1/2021 3:18 PM
307	I'd like to see an additional sidewalk put in between the proposed skatepark and the parking lot. I walk my dog coming off of Leadville (from Iowa) in the grass by the canal, but if the skatepark goes there, depending on size, I'd have to walk in the parking lot to get to the gravel track.	10/1/2021 3:16 PM
308	Great idea!	10/1/2021 3:01 PM
309	I think this is a great addition	10/1/2021 3:01 PM
310	I don't live nearby, so I'm not sure how this would effect noise for residents, but it seems small and designed for younger kids. I think it would be a healthy option of neighborhood children.	10/1/2021 2:57 PM
311	This is not a responsible use of city resources.	10/1/2021 2:54 PM
312	Put the red curb in the middle of the park	10/1/2021 2:45 PM
313	Please build a shaded structure so sports can be conducted during times of rain.	10/1/2021 2:30 PM
314	Too close to homes. Excessive noise with skate boards banging on the concrete and fixtures. Would incur 24 hour and late night use even if you had a curfew. Already enough activity at the park--tennis, pool, softball, picnics, playground areas. Thank you.	10/1/2021 2:28 PM
315	I don't like to see too many strangers gathering at the park and make noise. Ivywild Park has been peaceful and quiet place for the neighbors.	10/1/2021 2:07 PM
316	That it should be bigger! Skating is a fantastic sport and there should be ample space to do so	10/1/2021 2:06 PM
317	Thanks for seeking opinions.	10/1/2021 1:51 PM
318	probably a bit too small.	10/1/2021 1:48 PM

Ivywild Park Skate Spot Survey

319	Thank you for your continuous improvement	10/1/2021 1:47 PM
320	This should be considered at more parks throughout town. West Boise has no skateparks at all.	10/1/2021 1:40 PM
321	I have a 5 year old grandson that would love to ride his bike/scooter/skateboard here. He enjoyed the one at the new park in SE Boise so much. I feel more comfortable taking him to these smaller skate spot venues than the large downtown one.	10/1/2021 1:35 PM
322	Bigger!	10/1/2021 1:21 PM
323	Southeast Boise has needed this for over 20 years. It could help avoid loitering in business or school areas where kids skate now.	10/1/2021 1:19 PM
324	I think this will be loud for the surrounding homeowners and also disrupt a popular walking area for neighborhood dogs. It's too small of a space for anything additional to fit.	10/1/2021 1:01 PM
325	thank you	10/1/2021 12:50 PM
326	The location seems close to an adjacent house and may need to be depressed to provide some sound buffering rather than be at grade.	10/1/2021 12:41 PM
327	This would be a great opportunity for people of all ages to keep doing what they love, while staying closer to home.	10/1/2021 12:19 PM
328	I think it's a wonderful idea	10/1/2021 11:38 AM
329	This park is a lovely retreat for our nice surrounding residential areas. A skate park would allow for extra noise disruption at all hours, and add additional traffic, including skateboards and bikes, to our streets. There must be a better location, probably a more commercial setting would be wise. Bad idea, terrible proposal.	10/1/2021 11:29 AM
330	A lot of dogs at that park as well. Would be nice to have a fenced off dog section to off leash the dogs.	10/1/2021 11:25 AM
331	I think it's an AWESOME idea!!!	10/1/2021 11:25 AM
332	Glad Boise is investing in their parks. Good !	10/1/2021 11:19 AM
333	No	10/1/2021 11:14 AM
334	This park is used by many of the local residents to walk their dogs. A small fenced in area for a dog park section would be a much better use of this area.	10/1/2021 11:02 AM
335	NA	10/1/2021 10:49 AM
336	I like that it helps kids who are pretty far from Rhodes skate park, or the East end develop basic skate skills on this end of town. I think the world class skating available to kids in Boise is something the city should continue pushing as part of our local identity. This is coming from a middle aged woman who has zero interest in skating. And yet, I still think it is a great idea.	10/1/2021 10:46 AM
337	Worried that it's too small to be valuable to the target audience. Should use as much as the space as possible to make it as useful as possible and make sure it gets used.	10/1/2021 10:45 AM
338	This is a great proposal! Every park in Boise needs a skate spot. Thank you for this!!!	10/1/2021 10:20 AM
339	Affirmatively against proposal as a bad idea	10/1/2021 10:18 AM
340	Don't like the location. Couldn't it be over by the tennis courts and softball field? Too close to houses at the current proposed location.	10/1/2021 9:56 AM
341	Great idea for the kids who skate!	10/1/2021 8:18 AM
342	No	10/1/2021 7:59 AM
343	Convert some of the extensive mowed grass area into wildflowers.	10/1/2021 7:41 AM
344	It looks a little small, will it be large enough to be used? I think it is a good idea.	10/1/2021 6:11 AM
345	I believe anything that encourages young people to put down electronic devices and be active outdoors building healthy skills is a positive for the community. A skate area would be a great addition to the park offerings in this neighborhood.	9/30/2021 10:36 PM

Ivywild Park Skate Spot Survey

346	I like this idea	9/30/2021 8:50 PM
347	No	9/30/2021 8:50 PM
348	The park is big enough that a skate park could easily fit, and living in the area I know from experience there are plenty of people who love skateboarding in the area that would benefit from this addition.	9/30/2021 8:34 PM
349	The proposal of the Ivywild park is a fantastic addition to the area for not only aesthetics, but also for creating a welcoming atmosphere of community and a commitment for our youth.	9/30/2021 7:59 PM
350	Epic! Make it bigger :)	9/30/2021 7:57 PM
351	Yes!!!	9/30/2021 7:56 PM
352	Git er done!!!	9/30/2021 7:48 PM
353	No comment	9/30/2021 7:38 PM
354	seems like a great place to add a skate park.	9/30/2021 7:37 PM
355	Happy for Boise Skate to build it. Good addition to the park. Will they also provide perpetual upkeep and repair?	9/30/2021 7:24 PM
356	Consider same kind of skate park at Williams and Manitou Park also.	9/30/2021 7:09 PM
357	I think it would be a great use of a space that currently sees very little use. It would diversify the user base for the park and provide a community resource that would undoubtedly be loved by some.	9/30/2021 6:54 PM
358	Maybe make it larger!	9/30/2021 6:49 PM
359	I think this would be a great addition to our neighborhood.	9/30/2021 6:49 PM
360	do it! research suggests it's a no-brainer.	9/30/2021 6:45 PM
361	I believe all parks in Boise should have this addition made to appease most athletics	9/30/2021 6:43 PM
362	Good for kids. Do it.	9/30/2021 6:42 PM
363	I think this is a great idea for the young people of our community!	9/30/2021 6:36 PM
364	There are homes very close to the proposed skate park that would have to deal with noise, crowds, possibly unruly behavior. Also don't think it's a big enough skate park to make it worthwhile at Ivywild. There is already tennis, baseball, soccer, swimming & summer camp programs for kids in Ivywild, not to mention those of us who walk with our dogs & enjoy the peace.	9/30/2021 6:19 PM
365	It's a great idea for skaters :)	9/30/2021 6:18 PM
366	Love it- we need more recreational places for this side of town!	9/30/2021 6:14 PM
367	Lights would also be a nice addition around the skate spot if possible?	9/30/2021 6:09 PM
368	Nope, looks good! Maybe a trashcan in the area idk	9/30/2021 6:08 PM
369	Anything that can give kids constructive exercise and a safe place to hang out is a wonderful idea.	9/30/2021 6:08 PM
370	This is a nice quite park for the kids. Please don't ruin it.	9/30/2021 6:01 PM
371	Wonderful to have more facilities for our kids and teens....great idea	9/30/2021 5:59 PM
372	Do it!	9/30/2021 5:48 PM
373	no	9/30/2021 5:47 PM
374	No.	9/30/2021 5:28 PM
375	Always happy to support more amenities in our parks!	9/30/2021 5:25 PM
376	Thanks we need some new parks an rec areas	9/30/2021 5:17 PM
377	Getter done	9/30/2021 5:16 PM

Ivywild Park Skate Spot Survey

378	The park should resemble bowler more than the proposed straight line. It will be difficult for more than one or two people to use at a time given the proposed state	9/30/2021 5:08 PM
379	The first Q used "could" be located in NW corner- I said yes, thinking I was just voting to consider a skatepark in the are. Will this proposed location be too close to the Trolley Stop exhibit?	9/30/2021 5:01 PM
380	Let's do it	9/30/2021 4:58 PM
381	I think this is a great idea! Ivywild is a nice regional park and serves the local neighborhoods well. It will give skateboarders a chance to hone their skills while giving them a safe place to play.	9/30/2021 4:48 PM
382	No	9/30/2021 4:40 PM
383	Please have it installed-great idea!	9/30/2021 4:32 PM
384	This is a great idea, bigger would be even better!	9/30/2021 4:32 PM
385	This is 100% something that should happen! Could get behind some off-season designated off leash hours for dogs too.	9/30/2021 4:28 PM
386	Love seeing this, makes me happy that people still support the skate world!	9/30/2021 4:25 PM
387	Do it	9/30/2021 4:14 PM
388	Awesome idea. Thanks for supporting our kids and offering creative outside play spots. Ivywild is a nice and safe park and this would be another enhancement.	9/30/2021 4:02 PM
389	People don't stop at stop sign onto Gekeler so more pedestrian injuries. TOO much traffic but I know my vote won't count didn't on dog park and it won't here.	9/30/2021 3:59 PM
390	Do it!!!	9/30/2021 3:38 PM
391	Please move forward with this for the kids sake.	9/30/2021 3:37 PM
392	I think this would be a great addition to the neighborhood and would give kids in the neighborhood a place to go exercise and spend time with friends outside and closer to home than the nearest other skateparks.	9/30/2021 3:34 PM
393	No	9/30/2021 3:21 PM
394	I think it is a great idea! I wish it were a little bigger, it seems kind of narrow for skaters passing each other.	9/30/2021 3:16 PM
395	Great idea! Looks like the perfect spot for a skate amenity. Next time add a QR code to your postcard so people easily scan to get the the survey. Thanks!	9/30/2021 3:14 PM
396	Great idea!	9/30/2021 2:54 PM
397	We think it's a great addition!	9/30/2021 2:32 PM
398	It's a great idea.	9/30/2021 2:26 PM
399	This would be a great, safe opportunity for the kids to enjoy the this they love and not destroy public or private property	9/30/2021 2:13 PM
400	Please build this. We need it.	9/30/2021 2:13 PM
401	Great idea the kids need somewhere to skate and not destroy some companies property.....	9/30/2021 2:04 PM
402	I think it would be a great addition to the community	9/30/2021 2:03 PM
403	no sounds like a good idea	9/30/2021 1:53 PM
404	Will there be shade or trees planted?	9/30/2021 1:49 PM
405	It would be a great addition for the community	9/30/2021 1:02 PM
406	Make it as wide as possible to allow for as many kids to enjoy it as possible.	9/30/2021 12:54 PM
407	Maybe have rules or skate courtesy posted. Also maybe a bench? I have elementary aged boys and would love to be able to watch them. Thank you!	9/30/2021 12:41 PM

Ivywild Park Skate Spot Survey

408	No, I would not support the skate park	9/30/2021 12:31 PM
409	please do it!	9/30/2021 12:31 PM
410	Great idea. Hope it happens.	9/30/2021 12:31 PM
411	I feel like this would bring over kids/teenagers that don't live in the area, which has the potential to be unsafe for them and be an added nuisance for those living in the area.	9/30/2021 12:15 PM
412	IvyWild absolutely needs a skatepark!! We need a LOT MORE safe places where our kids are allowed/ able to skate. Other than Rhodes skatepark (underneath the Connector off Front Street which is NOT exactly the safest place for younger skaters due to the proximity to a homeless shelter) and Fort Boise Skate Park (both of which are too far for younger kids to get to on their skateboards/ rollerblades/ scooters) there are NO other designated areas for young kids to practice their skills. IvyWild is perfect bc it also provides other activities (lots of grass, basketball hoops, soccer, and obviously the Pool and splash pads) and fun things for the Rest of the family to do (instead of just sitting on a park bench or a curb under an overpass while making sure none of the potentially drunk/ drug addled and/ or potentially dangerous homeless people stay out of the skatepark where your young child(ren) are skating). Plus, it is the perfect location for east boise neighborhoods where there are many families with children who love to skate and it is close enough for younger skaters to get to safely on their own.	9/30/2021 12:12 PM
413	This space is next to an open irrigation ditch. What will the ramifications for those of us with water rights who pump from it,.? That easement is already poorly maintained. The noise is a big factor for those of us directly behind this park. Will there be a wall built to help mitigate that? Will this be bound by park closing hours and if so how will that be enforced? This is a very bad idea.	9/30/2021 12:07 PM
414	Neighborhood is mostly older and retired folks around the park. Skaters already trie to use the trolly display, bang there boards around, leave trash all over. Don't need any more traffic and noise.	9/30/2021 11:59 AM
415	Please make Ivywild an offleash dog park.	9/30/2021 11:34 AM
416	Nice size, even considering the drain is there	9/30/2021 11:07 AM
417	I love this idea! Thank you for the parks and rec department for coming up with creative ways for everyone to stay active!	9/30/2021 10:52 AM
418	no	9/30/2021 10:44 AM
419	No	9/30/2021 10:24 AM
420	Concerned it will attract unwanted loitering and other dubious characters in a family neighborhood. Consider Rhodes Park as an example.	9/30/2021 10:24 AM
421	Pedestrians continue to be at ever increasing high risk in our neighborhood due to lack of traffic control and bicycles using the sidewalk rather than our bike lane.	9/30/2021 10:12 AM
422	Great idea!	9/30/2021 9:45 AM
423	Please, no skate park. That is already very available at Ft. Boise, Rhodes, etc. No sharp noise to set off dogs. It would be a disaster for us that live nearby. I can't say it strong enough. NO NO!!!!!!!!!!!!!!!!!!!!	9/30/2021 9:35 AM
