Final Plat Mylar Application Submittal Requirements

Applicants have two years from the date of the Boise City Council's approval to obtain the City Clerk's and City Engineer's certification on a Final Plat. The City Engineer cannot sign the plat until all conditions of approval and fees have been satisfied. The applicant is responsible for providing documentation in **one submittal** that all of the following requirements have been completed or bonded for. View bonding requirements [here](#). In order to streamline the review process, we no longer accept each sign off separately. Packets will need to be provided to the assigned planner and Brittany Hill (blhill@cityofboise.org or 208-608-7195). Approvals from outside agencies shall be on agency letterhead.
