LESS WASTE THIS WINTER
COMPOSTING YOUR CHRISTMAS TREE IS EASY AS 1-2-3
1. Remove all decorations, tinsel, lights and tree stand.
2. The tree must easily fit inside the cart to empty properly at pickup.
3. If the tree is taller than four feet, cut into four-foot (or shorter) sections that weigh less than 60 pounds. Bundle and place either in or next to the compost cart.

WHAT’S YOUR NEW YEAR’S RECYCLING RESOLUTION?
Use the new orange bags to divert more plastics from our landfill. Plastic bags, wrappers, squeezable pouches, foam cartons, dairy tubs and more are accepted in your orange bags.
For a full list of what goes where, visit curbitboise.org.

2019 CURB IT RECYCLING CALENDAR

If the decal under your cart lid is purple, recycle on purple weeks, if orange, recycle on orange weeks. If your regular collection day falls on or after New Year’s Day, Memorial Day, July 4th, Labor Day, Thanksgiving or Christmas, collection will be one day later than usual. Visit curbitboise.org/recycling or call 208-345-1266 for collection information.
