*“There is no place like the City of Boise, anywhere! We have such a unique place to live, work and play, and our signature goal is fulfilling Mayor Lauren McLean’s vision of “creating a city for everyone.” At Parks and Recreation we keep a daily eye on how we can make our parks, trails, facilities and programs accessible to all residents. Regardless of where you choose to live, work or play in our community, it’s critical you have exceptional access to all the amazing things our city offers, and we will never grow weary making that happen! As always, thank you for supporting safe, affordable and accessible programming that benefits the entire community!”*

## OUTDOOR CON'T

### ROCK CLIMBING CAMP

**AGES 9-16** Full camp description on page 24.

### SAILING CAMP – Beginner

**AGES 12-17** No sailing experience is required for the beginning sailing classes!

### SAILING GIRLS ONLY – Beginner

**AGES 12-17** Come learn to sail with just the girls! No sailing experience necessary.

### SAILING CAMP – Intermediate

**AGES 12-17** This course is open to participants who have completed the Beginner Level course, have a comparable certificate of course completion, or demonstrate comparable sailing experience. We will build upon skills already learned to further develop understanding of sail controls, helming, sail trim, boating safety, racing rules, strategy and other US Sailing skills. This course has a strong emphasis on safety, peer learning and having fun!

### **NEW** SAILING CAMP – Racing/Advanced

**AGES 12-17** Racing Camp is for graduates

of the Intermediate Sailing Course, have comparable certificate of course completion, or demonstrate comparable sailing experience. Sailors attending race camp will continue to expand their skills on the water in addition to learning basic racing tactics including starts, mark rounding, right-of-way rules and boat speed techniques. Short course racing, distance racing and games will allow each student to advance skills with healthy competition and fun as a top priority. In addition, different boat types will be examined and discussed as well as post-graduation sailboat racing options in Idaho.

## YOUTH SAILING PROGRAM

Participants will learn to sail using classroom, land-based and on-the-water instruction from certified US Sailing Instructors. Campers will learn sailing terminology and elements, water safety, tacking, gybing and upwind/downwind sailing techniques. Participants **MUST** be able to swim 25 yards in open water while wearing a life jacket. A swim check will be conducted on the first day; participants unable to complete the 25-yard swim test will not be allowed to continue the program. Transportation to and from Spring Shores Marina is not included – participants need to provide their own transportation for the week. Students should be ready to participate by dressing for the weather, wearing a swimsuit, bringing a snack, lunch (cooler available), water bottle, sunscreen and closed-toed shoes that can get wet. (Aqua socks are a great option - for safety, NO flip-flops or open-toed sandals allowed). Hat, sunglasses, towel and change of clothes are highly recommended! Details will be emailed the week before camp. Camp brought to you through partnerships with Idaho Parks and Recreation, Ada County Parks & Waterways, Southern Idaho Sailing Outreach and Boise Parks and Recreation. For more information, please contact Clay Lee, 208-608-7684 or clee@cityofboise.org.

## SCIENCE

### JUNIOR BEEKEEPING CAMP

**AGES 10-14** Our BUGS beehives allow us to offer a true hands-on beekeeping experience unlike anything else! Campers will spend five days learning everything from the basics of pollination to how honeybees live. Once we have the basics down, we'll suit up to work directly with the bees and learn how to handle, harvest and process honey from our hives. Fresh garden snacks are also included each day. Camp themes repeat each week. Stages of the garden change throughout the summer.

### JUNIOR NATURALIST CAMP

**AGES 10-14** This intensive naturalist training lets younger students tour the natural world displayed in our local parks. We'll visit three locations to learn about the local environment and do hands-on sustainability projects that really make a difference. Drop off and pick up at Kathryn Albertson Park each day.

## SWIM LESSONS

### SWIM LESSONS

#### Youth Outdoor Pool Swimming Lessons

Classes are available at all outdoor pools through Boise Parks and Recreation's Aquatic Lesson Program. Each 2-week session consists of 6 to 8, 25-minute classes. Days may vary due to holidays and swim meets. Class sizes are limited, registration is on a first come, first served basis. Please use the descriptions below to place your child in the class that best matches their current skill level.

If you are not sure which lesson is best, please first read through the descriptions below. If you still have questions, call Fort Boise Community Center at 208-608-7680 to assist with lesson placement.

#### TIPS FOR BOOKING SWIM LESSONS:

- Please read the descriptions of each class below carefully before booking so you can find the best match for your child.
- If you plan to book more than one session, we recommend not booking more than two of the same level class. Choose one level up on the third session, unless your child is enrolled in the Preschool class, which requires an adult. Example: You could book Session # 1 for Adventurers, Session # 2 for Adventurers and then Session #3 for Explores. These are progressive classes.
- Know your child; will they need a break between sessions?

**RATIO = NUMBER OF TEACHERS TO STUDENTS. EXAMPLE: 1:6 RATIO = 1 TEACHER TO 6 STUDENTS**

#### PRESCHOOL (1:10 RATIO)

**AGES 2-4 + ADULT** Adult/child classes introduce children to basic skills, while becoming comfortable and emphasizing fun in the water. Children must be accompanied by an adult or guardian in the water at all times.

#### ADVENTURES (1:6 RATIO)

**AGES 4-10** Children starting this class should be comfortable getting their head wet and going under water. Skills learned include front float/glide independently, back float with assistance, proper kicking and alternating arm movements.

#### EXPLORERS (1:6 RATIO)

**AGES 4-10** Children are taught underwater exploration, rhythmic breathing and begin to swim short distances on their front and back.

#### PROPELLERS (1:8 RATIO)

**AGES 6-17** Children refine their front crawl and concentrate on proper breathing techniques. Children learn to swim the back crawl. Breaststroke and diving are introduced.

#### SWIMMERS (1:10 RATIO)

**AGES 6-17** Children continue to work with the front and back crawl and refine breaststroke by swimming longer distances. Diving technique is refined; elementary backstroke, scissor kick and dolphin kick are introduced.

#### SWIMMERS/COMPETITORS (1:10 RATIO)

**AGES 6-17** Combined swimmers and competitors class focuses on increasing endurance and refining techniques with all strokes.

#### COMPETITORS (1:10 RATIO)

**AGES 7-17** Children work on increased endurance for all strokes and learn proper turns for each stroke. Butterfly and sidestroke are introduced along with diving from a standing position.

#### ADAPTIVE SWIM LESSONS (BORAH POOL ONLY)

**AGES 5+ (NO AGE EXCEPTIONS)** Adaptive swimming lessons are offered to participants with disabilities who would like to develop swimming skills and water safety awareness. Lessons are under close supervision by the teachers but will not be 1:1. Previous swimming or water experience is not necessary. All lessons will take place at Borah Pool; an aquatic lift is available.

## SPECIAL HOURS

### Adult & Child Preschool Open Swim

Take advantage of a special time for preschoolers to enjoy swimming in the wading pool during morning hours. This session is available at regular admission prices and open to children **ages 6 and under** when accompanied by an adult. **SWIM LESSON REGISTRATION DOES NOT INCLUDE FREE ADMISSION TO THIS ACTIVITY.**

NATATORIUM & IVYWILD POOLS:

Monday-Friday, 10AM-12PM, June 12-August 4

Increased concerns with water borne illnesses and child safety have made it necessary for adults to become more vigilant in supervising children, taking children to the restroom more often and keeping children out of the pool for two weeks following stomach illnesses. We have stepped up enforcement of direct adult supervision (defined as always within reach of an adult's arms) of children under three years of age and/or children who are not potty-trained. Children meeting these conditions are also required to always be in an adult's arms when in our main pools.

Pickleball Lessons

### PICKLEBALL BOOTCAMP – Intermediate

This 3-hour camp focuses on balance, positioning, timing and court strategy. Must have previously taken an intermediate course to enroll in this class.

### PICKLEBALL LADDER LEAGUE (16+)

An organized league where players with similar skills compete against each other in a competitive, structured weekly format. Think of a pickleball “ladder” as a graphical representation of a player’s ranking (by skill and performance) over time. The ladder’s rungs represent a player’s current position (ranking) on the ladder relative to the other players. The top rung is the individual currently ranked the highest (the best winning percentage) and the bottom rung is the lowest-ranked individual or

team. The ultimate goal is to climb the ladder to the highest rung. Please see the online registration site for a complete description.

### PICKLEBALL LESSONS

Students may sign up for more than one session. Please bring your own paddle. Paddles may be available for use at the site.

**BEGINNER** – New to pickleball or never played and want a better understanding of the basics? Basic rules including scoring and strokes are introduced.

**INTERMEDIATE** – Players practice dinks, volleys, smashes, serving, ground strokes and foot work. Must have taken a beginner pickleball lesson.

## VOLUNTEER (ALL AGES)

### VOLUNTEER

Have a love of the outdoors and wondering what to do with your spare time? Boise Parks and Recreation's volunteer program will get you out communing with nature and meeting people with similar interests. Beginning in March, volunteers will head out in force to help care for our local parks and open spaces, and we'd like to invite you to be part of the effort.

#### OPPORTUNITIES

##### **POLLINATOR POSSE, Tuesday Mornings; 9-11AM**

Pollinator populations across the globe have declined drastically, with some species declining up to 90%. To help turn the tide, Boise Parks and Recreation is working to provide high quality, pollinator habitat by planting, monitoring and maintaining dedicated pollinator areas in Boise parks. We are looking for pollinator champions to join our Pollinator Posse and help care for these areas. Beginning March 28, there will be weekly work parties on Tuesday mornings. Participants will help prune, add ground cover to planting beds, remove weeds, plant new pollinator plants as needed and monitor for pollinator use.

##### **JULIA DAVIS PARK ROSE GARDEN, Friday Mornings; 8-11AM**

You don't need a green thumb to be a Julia Davis Rose Garden volunteer. Since 1935, the rose garden has attracted gardeners of varying expertise who share one thing in common – a passion for roses. The rose garden has always

been a labor of love by and for the people of Boise, and you can help continue that tradition by volunteering to care for the garden. Beginning April 2, weekly work sessions will be held Friday mornings. No knowledge of plant care is required. Our professional staff will provide direction and training for anyone interested in lending a hand.

##### **BOISE IN BLOOM, May 30 – June 3**

Have spring fever and want an opportunity to get outside? Join us May 17-21 and help make Boise beautiful by planting flowers in our local parks. We're looking for small teams of volunteers interested in helping plant on Tuesday-Friday that week, between the hours of 8AM-4PM.

##### **ADAPTIVE RECREATION**

If you are age 18 and older, the AdVenture program could use your help! When you see a ★ by the title of an Adaptive Recreation program (pages 70-75), it means that volunteers are needed. It's a great way to give back to the community and someone who needs a hand. Please contact Sonya Buchholz at 208-608-7681 or email sbuchholz@cityofboise.org.

#### SERVICE PROJECTS

Looking for a great way to engage in the community? Consider tackling a service project in a Boise park. Service projects are generally one-time projects that range from 3-5 hours. Common projects include park spruce-ups, tree mulching, site amenity painting and repair, trash pick-up, weed removal and tree wrapping.

#### COMMUNITY SCIENCE PROGRAMS

##### **CITY NATURE CHALLENGE, April 28-May 1**

Calling all nature enthusiasts! Join the effort to document the wonderful diversity of wild things in our parks and open spaces by participating in the 2023 City Nature Challenge. Between April 28-May 1, participants across the globe will document their community's biodiversity using the free iNaturalist app. In Boise, volunteers are encouraged to visit their favorite park, trail or open space to collect data.

## VOLUNTEER

Bee Watch

### DRAGONFLY MONITORING, May 17

Dragonflies are incredible acrobats, amazing predators and provide an important link between aquatic and terrestrial habitats. Participate in our dragonfly monitoring program and help document dragonflies in Boise parks. Volunteers adopt a pond to monitor for dragonfly activity from May-September. Data collected will help scientists better understand the diversity, abundance and migration patterns of dragonflies throughout Boise. Training and monitoring materials will be provided. Training is scheduled for Tuesday, May 17 from 10AM-12PM at the Boise Depot Meeting Station.

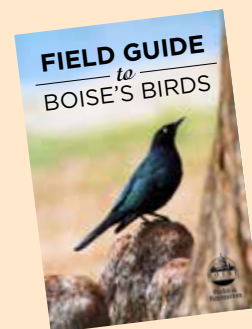

### BEE WATCH, April 11

Bee Watch is a community-based science project that uses volunteers to collect data about bees across a diverse range of habitat. In Boise, this includes parks, open spaces and pollinator gardens. Our current understanding

of the types of bees that utilize different habitats is limited. Volunteers can help establish baseline information on population diversity of these important insects. Participants will conduct surveys of bees at bee boxes and in the surrounding habitat at predetermined sites across Boise. Training is scheduled for April 11 from 10AM-NOON at Comba Park.

### PARKS, MONARCHS & MILKWEEDS, June 3

Due to a marked decrease in population, the monarch butterfly has garnered nationwide support with conservation efforts aimed at preserving habitat. This Boise Parks and Recreation citizen-science program engages volunteers in monitoring monarch activity in Boise parks. Beginning with a training on June 3, volunteers can adopt a milkweed patch to monitor for the season and submit data reports on what they observe.

### FIELD GUIDE To Boise's Birds

Birds are found in nearly every city setting, from urban micro parks to the sprawling foothills that border our northeastern edge. Birds visit backyard feeders, perch in low shrubs and on tall structures, swim in our river, lakes and ponds, nest in our trees and soar overhead. A variety of Boise's habitats attract and support hundreds of species, and we invite you to explore some of the area's most common birds. The Field Guide to Boise's Birds is available for free online. Printed versions can be purchased at the Boise Parks and Recreation Administration Office for \$8 plus tax.

### VOLUNTEER & CONTRIBUTE TO WILDLIFE CONSERVATION

#### Zoo Boise

At Zoo Boise, our mission is to connect our community with wildlife conservation worldwide. We are looking for passionate, conservation-driven volunteers to provide a fun and educational experience for our visitors. Volunteer opportunities include:

- Spending an afternoon driving the Conservation Cruise as a boat captain
- Raising funds for wildlife conservation at the Sloth Bear and Giraffe feeding stations as a Zoo Naturalist
- Welcoming, hosting and educating visitors as a Zoo Ambassador
- Sharing & teaching your pre-teen the value of volunteerism with the Zoo's family volunteer opportunities
- Assisting zookeeping staff with animal care duties

Visit [www.zooboise.org](http://www.zooboise.org) to find out about these and other Zoo Boise volunteer opportunities!

## WHO IS A RESIDENT?

Boise residents live within the city limits and pay Boise city taxes. The boundaries that the U.S. Post Office uses and those that determine the city limits are not the same. Even though you may have a Boise mailing address, you may not live within the Boise City limits. Questions about residency? Please call customer service staff at **208-608-7680** or **208-608-7600**.

## NON-RESIDENT POLICY

Boise residents directly contribute to the operations of Boise Parks and Recreation Department's programs and services by payment of their property taxes. The Fair-Share Policy (Non-resident Fee) allocates an additional fee to non-resident users so that they also contribute, on an equitable basis, to the overall financing of the department's operations.

## SCHOLARSHIP INFORMATION

- Partial scholarships are available for youth, seniors and adults with disabilities. Call **208-608-7680** for details or download an application form from [cityofboise.org/scholarships](http://cityofboise.org/scholarships).
- You can help ensure all young people in Boise have the same opportunity to participate by adding \$1, \$5, \$10 or more to your registration payment. Donations are tax deductible.
