95	Possibly add the bike trails in the multi sports field. There are already fields that can be utilized for sports if needed.	2/21/2024 4:56 PM
96	Adding in a pump track, but we need the soccer field and water play! Everyone wants trees, they can go to other trails for that. These upgrades should focus on the younger generations of our community!	2/21/2024 4:54 PM
97	Pickleball court, or multi-use court	2/21/2024 4:42 PM
98	Ensuring enough area be devoted to a water play feature. It would be a popular attraction,	2/21/2024 4:40 PM

105	No skatepark	2/21/2024 5:45 AM
106	Walking path	2/20/2024 9:07 PM

112	Find a place for biking too. But having access to a water area and multiple kinds of sports is so good for different activities	2/20/2024 3:06 PM
113	I would eliminate the large playing field and add a decent dog park or pickleball courts.	2/20/2024 2:20 PM

120	I would move the pollinator / natural plant area further from active people-use areas.	2/20/2024 10:56 AM
121	Don't need more skate park features, I would use that space for additional nature features (nice landscaping). My family walks this park weekly and would appreciate good walking paths over skating features.	2/20/2024 10:47 AM
122	Get rid of dog park and make full court basketball	2/20/2024 8:02 AM
123	Just make sure there is a dog area. One with a water feature for summer would be nice. Make sure dogs can be walked in the park Year Round. Thanks.	2/20/2024 7:27 AM
124	to add a covered picnic table area	2/20/2024 6:38 AM
125	Pickleball court	2/19/2024 10:15 PM
126	Add in a pickle ball court or multiple basketball courts	2/19/2024 10:10 PM
127	Dog park doesn't appear large enough to accommodate large and small dogs. Therefore, I'd install the basketball court in its place. Alternatively, the park perimeter walkway should allow year-round dog access for walking.	2/19/2024 8:46 PM
128	Looks great! Looking forward to having a dog park and spaces that aren't just for baseball.	2/19/2024 5:52 PM

28	I think it looked lovely! I'm not sure I would change anything. The bike paths would be wonderful!	2/25/2024 12:23 AM
29	More scooter friendly skate park	2/24/2024 5:15 PM
30	None	2/24/2024 5:10 PM
31	Pickleball courts!!!!!!!!!!!!!!!!!!!!	2/24/2024 4:44 PM

32	Turn the large bike trails area into a native vegetation area with paved walking paths through it.	2/24/2024 11:35 AM
33	One Change: Step back and take another broad look at the area available and reconsider the options. I vote for option 2 because of the bike opportunities and the basketball court moved away from the homes, but I have serious concerns about both plans and the process BPR is using to determine the needs and desires of the public. We should not be down to only two options and only one change comment at this early stage. I've heard that the current skate park features are outdated and dangerous but haven't heard anyone suggest the park needs additional space for new skate feature. What is an 'entry plaza' and does it have any actual value to the users? A water feature is not advisable in an area that is home to so many ducks and geese. How often would it be cleaned? Some want a dog park, some are adamantly opposed. Why add such a controversial feature? Has anyone looked at the area development to see what the future brings? Did anyone look at the features in Meridian Parks which surrounds McDevitt? Has anyone considered the lack of natural areas in NW Boise in comparison with most of Boise? Has anyone contacted the West Ada School District to inquire about their needs? BPR coordinates with the Boise School District, why not West Ada which serves Boise students?	2/24/2024 11:18 AM
34	Looking great	2/24/2024 8:23 AM
35	More trails	2/23/2024 10:14 PM
36	If you reduce something, increase trails.	2/23/2024 10:12 PM
37	Add small dog park	2/23/2024 8:54 PM
38	Add a water play feature	2/23/2024 8:38 PM
39	Add skate park	2/23/2024 4:32 PM
40	Plant more trees	2/23/2024 3:59 PM
41	I would add the splash pad/ water feature to option 2. Bike paths and the splash pad would appeal to a large age range of kid and teens. Please add a cross walk across McMillan for safer, easier access for those of us who live close by!!!	2/23/2024 3:50 PM
42	Add water play feature	2/23/2024 3:43 PM
43	More skateboarding!	2/23/2024 3:16 PM
44	Add the water feature in to option 2! And please add a cross walk across McMillan!! The park is close to my house but currently not easily walkable.	2/23/2024 1:10 PM
45	Water feature for kids instead of basketball court	2/23/2024 8:26 AM
46	Year round restroom building	2/23/2024 6:42 AM
47	An additional water feature	2/22/2024 10:38 PM
48	Add on to existing play structure.	2/22/2024 8:47 PM
49	Nothing. I think it's perfect.	2/22/2024 8:13 PM
50	Add kids play area water feature	2/22/2024 7:54 PM
51	I would add a roller hockey rink, instead of the basketball court.	2/22/2024 7:37 PM
52	Maybe add some disc golf baskets, like a small 6-9 hole course. It would be a relatively cheap way to utilize even more space in the park that requires very little maintenance and upkeep.	2/22/2024 5:43 PM
53	Dog park should be added	2/22/2024 4:31 PM
54	No trees inside the pump track. The trees could potentially drop leaves and sticks onto the track which could get annoying to clean.	2/22/2024 4:19 PM
55	If possible, include a volleyball court like option 1.	2/22/2024 3:55 PM
56	Expansion of skate park! And more dirt jumps!!!!	2/22/2024 3:33 PM
57	No change	2/22/2024 2:30 PM
58	More accessible restrooms throughout the park	2/22/2024 1:58 PM

59	I would take out the pollinator plants and the nature playground and add in the play water feature for kids. The summers are hot and the water feature is needed for families to cool off. There is not splash pad for kids in our area and we have to drive far to use one.	2/22/2024 1:54 PM
60	Add pickleball court, maybe adjacent to basketball courts	2/22/2024 1:23 PM
61	Do not let the previous park designer have any input.,	2/22/2024 1:19 PM
62	Update the skatepark (safety concerns there already)	2/22/2024 1:01 PM
63	Are there hookups for food trucks? I always think it's super cool to have food truck options at big parks like this.	2/22/2024 12:07 PM
64	More skatepark	2/22/2024 11:39 AM
65	Add a water play feature next to the playground	2/22/2024 11:36 AM
66	Would try to add a water play feature by the playground	2/22/2024 11:33 AM
67	More Pine trees!	2/22/2024 11:12 AM
68	That the path in the park be paved	2/22/2024 9:02 AM
69	Wish there was a way to add a splash pad like in option 1.	2/22/2024 8:59 AM
70	Bigger wheeled sports area. Extreme sports are ever growing and always gaining in popularity.	2/22/2024 8:59 AM
71	More bicycle trails, features.	2/22/2024 8:37 AM
72	Adaptive access	2/22/2024 8:31 AM
73	Nothing	2/22/2024 8:06 AM
74	Adding a dog area. I feel you really listened to the people and option 2 reflects that!	2/22/2024 7:46 AM
75	Additional trees and pollinator areas, are there restrooms there or planned, remove one the entrances to Eagle Rd, is there safety fence along Eagle Rd?	2/22/2024 7:40 AM
76	I would like the dog park to be part of Option 2 still. Otherwise, it's perfect!	2/22/2024 7:26 AM
77	Extra bowls	2/22/2024 7:22 AM
78	A second basketball court	2/22/2024 7:02 AM
79	Not take up so much space, so there is still an area of open fields that we can utilize to practice sports and play games. I would also not put so many trees right next to the houses blocking them. It makes it so the houses don't get any light.	2/22/2024 7:00 AM
80	Nothing, I like the bike path option	2/22/2024 6:50 AM
81	More pollinator gardens	2/22/2024 6:49 AM
82	Add water park or dog park -	2/22/2024 6:39 AM
83	Nothing	2/22/2024 6:17 AM
84	Add walking trails.	2/22/2024 5:21 AM
85	Add a fenced dog park	2/22/2024 3:35 AM
86	Add Dirt jumps for bikes	2/22/2024 12:10 AM
87	More trees!	2/22/2024 12:06 AM
88	Add an off leash dog park	2/22/2024 12:05 AM
89	Add dog park	2/21/2024 11:49 PM
90	i do not do landscaping, so y'all know best, but ponds	2/21/2024 11:46 PM
91	More skatepark features	2/21/2024 11:13 PM
92	I love the amount of bike amenities but something I hope to see are the bike repair kits that are stationed along the green belt. Due to the amount of cyclists I feel like this would be a good on-the-go option for our friends at the park.	2/21/2024 10:40 PM

93	Water play feature. It gets so hot in the summers now, shade and water are absolutely necessary, especially for people riding around on bikes and fields. Please consider shaded areas with misters at least. Most parks are needing retrofitted to deal with intense temperatures, save your design team the pain down the road and include it in the initial plan!	2/21/2024 10:20 PM
94	I think having more area to walk would be nice and peaceful, maybe there could also be a dog park/area in that option too?	2/21/2024 10:19 PM
95	Add water area	2/21/2024 10:18 PM
96	Include the water play feature from option 1	2/21/2024 10:15 PM
97	Add a water park feature somewhere.	2/21/2024 10:12 PM
98	None	2/21/2024 10:07 PM
99	Make the skatepark bigger.	2/21/2024 10:06 PM
100	More bike trails	2/21/2024 9:52 PM
101	more dedicated walking trails. love the bike paths!	2/21/2024 9:51 PM
102	Adding a splash pad area to option two (like what is shown on option 1) would make it the most ideal!	2/21/2024 9:47 PM
103	Somehow incorporating water play feature into the nature playground.	2/21/2024 9:44 PM
104	An updated skatepark. Every skater in boise agrees. An update to McMillan would be great.	2/21/2024 9:43 PM
105	Keep the proposed basketball court north of the existing playground and retain the proposed dog park in its location from Option 1.	2/21/2024 9:41 PM
106	The bike trails allow for walking too	2/21/2024 9:40 PM
107	Add water feature to playground	2/21/2024 9:25 PM
108	As the water play feature	2/21/2024 9:25 PM
109	Additional skatepark add on and update skatepark surface area. The wood ramps have held against the tests of time but they need to be concreted and built properly and expanded. The park does not offer the flow desired by skateboarders, bikes, rollerbladers, and scooters.	2/21/2024 9:23 PM
110	Make a pump track that isn't super tight	2/21/2024 9:20 PM
111	Reduce or strategically reorient ball fields to accommodate another field sport and reach a better compromise between options. The wheeled sport space is much needed, but the lack of variation in the ball fields between the 2 plans seems like an opportunity.	2/21/2024 9:15 PM
112	Instead of a nature play area, build out the playground even more (i.e. provide more modern play structures).	2/21/2024 9:14 PM
113	Add a disc golf course. Please.	2/21/2024 9:08 PM
114	Pull up bars/ bodyweight exercise area for teens/ older youth.	2/21/2024 9:05 PM
115	Add water feature	2/21/2024 9:03 PM
116	Expand wheel park area	2/21/2024 8:53 PM
117	Add a volleyball court	2/21/2024 8:53 PM
118	Placement of the basketball court	2/21/2024 8:48 PM
119	Shady places to sit, less janky skatepark. But LLOOOOOVVEE option 2 to make Boise a Biking mecca.	2/21/2024 8:39 PM
120	Additional basketball court	2/21/2024 8:35 PM
121	Add public restrooms	2/21/2024 8:27 PM
122	Add Pickleball	2/21/2024 8:19 PM
123	EVEN MOREEE TREES PLEASE THE MORE SHADE THE BETTER	2/21/2024 8:14 PM

125	A flat smooth concrete area for roller skating/derby.	2/21/2024 8:09 PM
126	Bigger natural playground so kids can explore safety	2/21/2024 8:07 PM
127	Tools to fix your bike like they do on the green belt.	2/21/2024 8:05 PM
128	Adding an outdoor roller skating rink would be a great plus!	2/21/2024 8:02 PM
129	Nothing, it has something to offer for everyone	2/21/2024 7:58 PM
130	Add some pickleball courts	2/21/2024 7:52 PM
131	Just have a better skatepark or at least improve it	2/21/2024 7:35 PM
132	I would like to see drought tolerant grass or clover instead of grass that requires more maintenance and water, especially since we live in a high desert climate.	2/21/2024 7:31 PM
133	More appreciation for wildlife	2/21/2024 7:27 PM
134	Update the existing skatepark with more built in features.	2/21/2024 7:26 PM
135	Add water play feature	2/21/2024 7:22 PM
136	Keep the water feature/playground combo from option 1	2/21/2024 7:20 PM
137	Bigger skate park	2/21/2024 7:18 PM
138	Cover for the skatepark or expand the skatepark so it's designed like star skatepark	2/21/2024 7:15 PM
139	More walking trail	2/21/2024 7:14 PM
140	Add water feature/play area that is included in option 1	2/21/2024 7:06 PM

145	Add a waterpark feature or add a volleyball court	2/21/2024 6:46 PM
146	Walking paths instead of bike paths. Or have it be for both	2/21/2024 6:43 PM
147	Nothing at this time	2/21/2024 6:42 PM
148	Add dirt jumps with different skill level lines.	2/21/2024 6:41 PM
149	Add something small for the dogs like a dog water fountain, or a dog training area!! Lots of people will still utilize the park for dog walking.	2/21/2024 6:39 PM
150	If there is room to add water play next to the nature play area.	2/21/2024 6:30 PM
151	Include a water play feature	2/21/2024 6:24 PM
152	Swings	2/21/2024 6:21 PM
153	More trees :)	2/21/2024 6:20 PM
154	Updates to the existing skatepark!	2/21/2024 6:18 PM
155	Make the trails handicap/power wheelchair accessible	2/21/2024 6:14 PM
156	Restrooms, better, more convenient accessible porta-potties	2/21/2024 6:08 PM
157	Move basketball court away from fishing pond.	2/21/2024 6:07 PM
158	I would love for you to consider adding terrain elevations, so the park isn't an open flat space. Much like Kleiner park, the knolls and hills there beautifully break things up and add areas of interest as well as separation. This re-design could be an excellent opportunity to create a feeling of seclusion (an oasis of sorts)...away from the traffic, noise, and chaos of the surrounding roads. I imagine sitting on a knoll in center field catching a kids baseball game.	2/21/2024 6:05 PM

Taking my grandkids to a playground that feels protected from the outside world. The current park is open and exposed and not what I think Idaho is all about. Let's make a park that represents southern Idaho's mountains, valleys, and waterways. Thank you for allowing (and considering) these suggestions. Cheers, Gregg-

159	Addition of walking path along entire perimeter with added dog waste stations.	2/21/2024 6:03 PM
160	Add a water play feature too.	2/21/2024 5:55 PM
161	Add disc golf course	2/21/2024 5:55 PM
162	Make the trails open to people walking and bikes.	2/21/2024 5:46 PM
163	Add fenced dog park area please.	2/21/2024 5:46 PM
164	Would love a fenced dog park! Though I'm not mad at having a basketball court.	2/21/2024 5:42 PM
165	Additional walking path around the outer edge.	2/21/2024 5:40 PM
166	Nothing - looks great!	2/21/2024 5:39 PM
167	6	2/21/2024 5:37 PM
168	Nothing	2/21/2024 5:36 PM
169	More skatepark features!! We live down the street, would love a place to hang and cruise with the kids, some trees and trails would be rad!! Thank you for doing this!!!	2/21/2024 5:36 PM
170	I would add a water/splash pad to the playground	2/21/2024 5:34 PM
171	I'm hoping for more trails and updated skate park. Picnic benches and trash cans would be great! This park has so much potential:)	2/21/2024 5:34 PM
172	Don't bother with a basketball court that won't be used. Find an additional add on that will be utilized for something different than what one hundred thousand other parks have. Please install interactive architectures for the wheeled activities.	2/21/2024 5:30 PM
173	Maybe a smaller field for soccer so we could have the best of both worlds	2/21/2024 5:27 PM
174	Larger natural play area (boulders, trees, logs, climbing areas). Great inspiration would be Westmoreland park and spring garden park, both in Portland, OR. Greenworkspc.com/ourwork/westmoreland-park-nature-based-play	2/21/2024 5:26 PM
175	Keep the dog park from option 1.	2/21/2024 5:21 PM
176	I don't see anything to change.	2/21/2024 5:19 PM
177	Add a small fenced dog park and reduce total biking space to really allow the entire community to enjoy! Absolutely love the proposals :)	2/21/2024 5:19 PM
178	I would add tennis or hand ball area	2/21/2024 5:17 PM
179	Add a restroom on the east side of the park	2/21/2024 5:14 PM
180	Please add more native plant/flower areas around the entire park to support all of our local pollinators! It would also be a smart move to include small placards with information on the different types of native species so park visitors can learn more about local flora that grows in the Treasure Valley.	2/21/2024 5:14 PM
181	Dog park to a water toy for kids	2/21/2024 5:12 PM
182	Bigger bike park!	2/21/2024 5:10 PM
183	Add in a water feature also	2/21/2024 5:04 PM
184	Add a splash pad	2/21/2024 5:02 PM
185	Switch basket ball to a volley ball court	2/21/2024 5:01 PM
186	More trees and plants along the bike trail	2/21/2024 4:59 PM
187	Less of a skatepark. It doesn't seem to me it's utilized that much. My kids grew up at the park playing bball etc. We even have a tree we planted. Spent many hours of fun and hard work at	2/21/2024 4:59 PM

that park and have been friends with the family for years. I think something different in a park would be a welcome change

188	Add water feature	2/21/2024 4:56 PM
189	Add a fun water feature & maybe some picnic tables under shade	2/21/2024 4:56 PM
190	More pollinator gardens!	2/21/2024 4:55 PM
191	Include water play area	2/21/2024 4:54 PM
192	More shelters	2/21/2024 4:50 PM
193	Add splash pad	2/21/2024 4:50 PM
194	Dog park addition	2/21/2024 4:48 PM
195	Add in a restroom with family rooms for parent's who need to change babies. Add in accessibility ramps and parking. Possibly suggest that a local school or organization have a hand in a small native flower garden(can be raised beds or built on mounds in the natural trail area).	2/21/2024 4:47 PM
196	Larger dog park area	2/21/2024 4:44 PM
197	Bigger bike park and bigger skatepark.	2/21/2024 4:44 PM
198	More natural/pollinator plantings	2/21/2024 4:44 PM
199	Nothing, I think we need more parks with bike parks and areas for people to ride around for fun. I like the overall design of option 2	2/21/2024 4:43 PM
200	Nothing! Looks great	2/21/2024 4:42 PM
201	Add a water feature	2/21/2024 4:41 PM
202	One line of bike jumps that loops around the bike trail area.	2/21/2024 4:41 PM
203	More bike trails and jumps.	2/21/2024 4:10 PM
204	No recommended changes.	2/21/2024 10:51 AM
205	Add tennis courts please. (Bird houses would be cool too.)	2/21/2024 8:44 AM
206	Add a volleyball court and a basketball court. Or on option 1 - change the multi use field to the bike park/trail	2/21/2024 6:16 AM
207	Nothing	2/21/2024 5:33 AM
208	Water playground	2/21/2024 5:30 AM
209	Nothing	2/21/2024 3:12 AM
210	More trails	2/21/2024 12:41 AM
211	More native landscaping.	2/21/2024 12:31 AM
212	Nothing	2/20/2024 11:31 PM
213	Add a water feature as well as the pump track and trails!	2/20/2024 10:27 PM
214	Pickleball Courts instead of Basketball Court	2/20/2024 10:19 PM
215	Add some sort of water feature.	2/20/2024 9:31 PM
216	Get rid of skatepark. They are dangerous, all kids don't wear helmets, and the wrong crowd hangs out at them. Plant lots of trees please.	2/20/2024 8:46 PM
217	Bigger bike jumps for the more advanced riders	2/20/2024 8:33 PM
218	I love the idea of the bike tracks over a field. But option 2 should definitely have a water feature. Those are a big draw for me and the nieces in the summer. I like that the polinator garden is not right at the entrance, but you get to walk to it Thanks	2/20/2024 6:53 PM
219	Add lights so people can use the park year around after school/work.	2/20/2024 6:27 PM

Charles F. McDevitt Youth Sports Complex Master Plan Update Follow-Up Survey

220	More bike pump tracks or bmx track	2/20/2024 6:01 PM
221	No skate park	2/20/2024 5:39 PM
222	Add dog area	2/20/2024 5:27 PM
223	Add a dog park.	2/20/2024 5:04 PM
224	Add additional bike paths	2/20/2024 4:36 PM
225	Additional walking trails, not just bike trails	2/20/2024 4:20 PM
226	Would add water park play and natural playground. Maybe a dog park.	2/20/2024 3:41 PM
227	I would add a sandbox near the nature playground. Discovery park in Meridian has a great one.	2/20/2024 3:22 PM
228	More native plants throughout the park.	2/20/2024 3:06 PM
229	Add a water feature.	2/20/2024 2:06 PM
230	Add in a small dog park	2/20/2024 2:01 PM
231	Add disc golf	2/20/2024 2:00 PM
232	More water play	2/20/2024 1:35 PM
233	Add a play water feature for kids as well as natural playground expansion	2/20/2024 1:00 PM
234	Not put the basketball court that close to the fishing	2/20/2024 12:43 PM
235	Get rid of the basketball court and add the kids water feature by the playground with new nature feature (similar to Option 1).	2/20/2024 12:33 PM
236	Update existing playgrounds	2/20/2024 12:04 PM
237	Basketball courts are easy to find anywhere... is it a full sized court? I think a splash pad would be great and used more than basketball (though my kids are older and play basketball weekly.. I just don't know that it would be used more than a splash pad) in winter, both would be out of operation.	2/20/2024 11:54 AM
238	Add 9 hole disc golf course throughout	2/19/2024 7:23 PM
239	Add pickleball courts next to the basketball court or west of the bike pump park. Pickleball sport has become incredibly popular and would be a great asset to this park.	2/19/2024 6:26 PM
240	Maximize pump track and bike trails since there's a huge demand for these in nearby neighborhoods. All the kids near Hobble Creek park would go ride their bikes in a dirt ditch near the YMCA and make little jumps and trails. Time and again, the YMCA shut it down. There's a huge need for it. Great for fitness and outdoor fun.	2/19/2024 4:30 PM

places for kids (and adults) to bike. So many of the surface roads have zero bike lanes and people speed in subdivisions. The nearest bike trails are towards Eagle in the foothills so this location is excellent. Bikes are also universal in which you don't need to be in a sport to participate therefore giving true equity for kids. I do appreciate the baseball fields as it is a need but having bike trails helps all kids and adults. Option 2 would be a huge improvement for this community.

324	Remove the wooden ramps at the existing skate park. The current ramp angles are hard to ride. Use that extra space to increase the size of the pump track and new make the skate park bigger. The more space the better	2/15/2024 3:11 PM
325	There are dozens of water features all over the valley. A pump track is used by people of all ages and abilities.	2/15/2024 2:43 PM
326	Remove some of the existing baseball fields to make room for multi- use fields. For sports such as football or soccer.	2/15/2024 2:41 PM
327	Bike trails should be dirt jump lines not just flat trails. Dog park instead of BB court.	2/15/2024 2:29 PM

336	Take out the pollinated area and add either: 1. A fenced dog area somewhere closer to the basketball courts or playground (or even that same planned area for the pollinated area) 2. Sand volleyball court	2/15/2024 9:35 AM
337	Please make the (5) Bike Trails a combo Bike/Walking Trails. Specify days or times when biking or walking activities take precedence (e.g. odd numbered days for bikers and even numbered days for walkers). Also, in the off-trail areas of the new (5) Bike Trails, please incorporate (6) Natural/Pollinator Planted Area.	2/15/2024 9:15 AM
338	I liked features from both Options. Does the park have a restroom facilities? A water play feature would be nice for young children.	2/15/2024 9:13 AM
339	Add in the small water play feature if funding allows.	2/15/2024 6:10 AM
340	request more walking/running paths or trails	2/14/2024 11:53 PM

352	Have a dog fenced area too.	2/14/2024 5:40 PM
353	Get rid of the nature playground and put the basketball and volleyball court in that place and put the Dog park where you have the basketball court in option 2.	2/14/2024 5:21 PM
354	nothing	2/14/2024 5:01 PM
355	The bike track is the main attraction i like in option two, Followed by the basketball court. I would be willing to sacrifice anything else in order to have a fenced off dog area as well.	2/14/2024 4:53 PM
356	Area to picnic	2/14/2024 4:52 PM
357	Besides bike paths I would make the bike path wider to accommodate walkers.	2/14/2024 4:52 PM
358	Nothing. I think it's the best long term use of the space.	2/14/2024 4:51 PM
359	Another basketball court one for adults and one for kids, like Reid Merrill Park, and if possible more pollinator garden spaces. The rest looks great!	2/14/2024 4:33 PM
360	No changes necessary	2/14/2024 4:31 PM
361	I would move the basketball court north to the open area east of the new dirt tracks and north of the playground. Near the pond where folks fish won't make for a happy blending between the two. They're vastly different noise levels, and I can see a lot of balls going into the pond, or folks fishing being very disturbed by the noise level of a good ball game that close. I also think keeping those active activities closer together is smarter. You're likely to have families using multiple spaces and moms don't want kids that spread out or that close to the water - even if the court is fenced they have to walk near the water to get there and it's a fun temptation on a hot day for little kids. I love the addition of the trees and pollinator gardens near the business and residential area on the east side of the park. It will provide morning shade for those living nearby, and bring in bees that will be beneficial for their gardens and flowering plants - it's in the perfect location to provide maximum enjoyment.	2/14/2024 4:23 PM
362	A pedestrian bridge going over Eagle road to avoid kids getting hit. Or a lighted crosswalk over there	2/14/2024 4:22 PM
363	Don't designate trails as "bike" trails. They should be "shared use" - bikes, walking, handicap.	2/14/2024 4:21 PM
364	Shaded areas like a shade structure, pergola, bathrooms	2/14/2024 4:20 PM
365	Include a fenced dog park area.	2/14/2024 4:17 PM
366	Honestly, I think it does a fantastic job of using the space and providing unique facilities that are only found 7 miles north at Eagle Bike Park or way out at the Boise Bike Park. It would be great to also have a splash pad next to the nature playground, but obviously cost-prohibitive. This is a better design to engage the whole family (5 kids, 1 year to 12 years old) while the older ones are exercising on the pump track.	2/14/2024 4:17 PM
367	Please open up the section between the concrete roll in and the back quarterpipe to make the area more useable. Re-use the small ramps in the middle for the expansion. Thanks for doing this!	2/14/2024 4:14 PM
