ABOUT TROY LUCICH

Lucich played his last game of men's softball for Speed Shop, playing alongside his ride or die friends in the final game of the State Championship in August, 1998. Troy's motto "Big Game" and number 11 were placed on the uniforms of his team's jerseys for years afterward. Although they barely lost the championship game, Big Game was never forgotten, nor was the spirit of a 31-year-young man who loved softball, race cars, and friends. As we commemorate 25 years of remembering, please join us for the Troy Lucich Polar Bear Tournament.
