

## Part II – Assured Water Supply Application B

Applicants seeking AWS for Development within a DWP's Service Area

FOR CITY OF BOISE USE ONLY		
City of Boise Planning and Development Services 150 North Capital Blvd. Boise, ID 83702	Date Received:	
Application No.		

This Assured Water Supply Application B is intended for developers, owners, and individuals (Applicants) seeking an AWS Certification for a proposed development or redevelopment within a DWP's Service Area, if choosing to utilize water service from the DWP. The applicant must coordinate with the DWP regarding the water service and must obtain a "will serve" letter or an Approved Water Service plan from the DWP. Additionally, the Applicant may be required to coordinate with the DWP to answer some of the questions throughout this application.

The Applicant shall include the "will serve" letter or an Approved Water Service plan as an attachment to AWS Application B. Additionally, the DWPs existing AWS Certification must demonstrate with reasonable likelihood that an AWS is available for the development or redevelopment referenced in this application.

AWS Application B must be submitted to PDS with or prior to any submittal of an application for administrative approval or any public hearing before Planning and Zoning Commission or City Council, as it may be relevant to the application type. Note that the DWP may also request a copy of the AWS Application B.

**Please contact the City of Boise ((208) 608-7100) for additional support with this application including pre-application support and submittal details.**
