## BLAZE'S FIRE SAFETY RULES

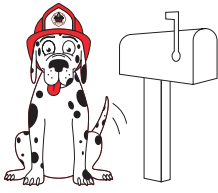

- 1.** Make sure your home has working smoke alarms.

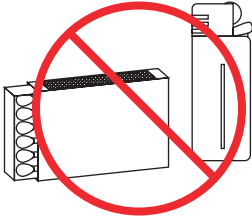

- 2.** Know two ways out of every room.

- 3.** If you see smoke, crawl low to get out safely.

- 4.** Go outside to your special family meeting place and don't go back inside.

- 5.** Matches and lighters are tools for grown-ups, not toys. If you find them, tell a grown-up.

# HOME FIRE ESCAPE PLAN

Knowing what to do **BEFORE** a fire occurs can save your life! Develop a **HOME FIRE ESCAPE PLAN** together with your family.

Use the grid below to draw a floor plan of your house and find **TWO EXITS** from each room. Windows can be used as an emergency exit, too! Remember to include a **MEETING PLACE** at a safe distance outside your home. This may be a mailbox, streetlight, or neighbor's home.
