Incident

Date & Time Occurred 09/24/2024 21:25 to 09/24/2024 21:26 Date & Time Reported 09/24/2024 21:28 Location of Occurrence 6919 W FAIRVIEW AVE, BOISE, 83704 Location 24 - Specialty Store
ParcelNo:

Charges

Chg#	Offense/Charge	Law Section	Severity
1	ASSAULT WITH THE INTENT TO COMMIT A SERIOUS FELONY	18-909	FELONY
2	FLEEING OR ATTEMPTING TO ELUDE AN OFFICER (FELONY)	49-1404(2)	FELONY
3	ROBBERY	18-6501	FELONY

Probable Cause

On the above listed date and time, Officers responded to Adam & Eve located at 6919 W Fairview Ave in Boise, Idaho for an armed robbery that had just occurred. Officers responded to the scene and spoke to employees [REDACTED] - [REDACTED] who advised that a male suspect wearing a black jacket with the hood pulled over his head, black sweatpants, blue medical gloves on his hands, and a black bandana over his face walked into the store while brandishing and gripping a silver pistol in the front of his waistband. They advised that the man pulled out the silver pistol, pointed it in the direction of both of them, instructed them to put their phones away, and to access the cash register. They advised that they complied with the suspects commands, the suspect put the gun away, and Erika gave him approximately \$400 in cash before the suspect left the store Westbound through the parking lot.

Officers also spoke to Subway employee [REDACTED] located at 6931 W Fairview Ave who advised that she saw a man wearing dark clothing walk Westbound in front of her store in the parking lot and then Southbound on N McKinney Ln before Officers arrived on scene.

Officers recognized that the suspect described matched the description of suspect Adam Cook who was involved in a string of recent armed robberies in the area and located a 2017 grey Jeep Renegade bearing Idaho plate [REDACTED] that was known to be related to Adam near Fairview Ave / Cole Rd. Officers attempted to conduct a traffic stop on the suspect vehicle before it fled at a high rate of speed.

Adam and Eve [REDACTED] later responded to the scene and advised to Officers that there was a \$425.20 negative discrepancy when she balanced the cash drawer in the register.

INITIAL RESPONSE/CONTACT:

DIGITAL EVIDENCE UPLOADED TO EVIDENCE.COM

On 09/24/24 at approximately 2128 hours, I was working a uniformed detail in a fully marked patrol car when I responded in an emergency fashion to Adam & Eve located at 6919 W Fairview Ave for an armed robbery. I arrived on scene and spoke to employee [REDACTED] who advised that she was working when she observed a male subject wearing a black jacket with the hood up over his head, black sweats, blue medical gloves on his hands, and a black bandana around his face walk into the front entrance of the store while brandishing and gripping a silver pistol that was inside the front of his waistband. She advised that she put her hands up and the subject pulled out the pistol and pointed it towards her and her co-worker [REDACTED] while instructing them to keep their phones away and to access the cash register. She told me that the man said something to the effect of "lets make this easy" and put the gun away while [REDACTED] retrieved all of the cash from the register and gave it to the male suspect. She advised that the male suspect left the store through the same front entrance that he entered from, and went Westbound through the parking lot.

I also contacted Subway employee [REDACTED] located at 6931 W Fairview Ave who advised that prior to Officers arrival, she observed a male subject wearing dark clothing walking in a "brisk" manner Westbound through the parking lot from the area of Adam & Eve before walking Southbound on Mckinney St. [REDACTED] [REDACTED] and [REDACTED] filled out written statement forms (see attached).

I later contacted Adam and Eve [REDACTED] who was able to access security camera footage that showed the suspect entering the store at approximately 2125 hours and leaving the store at approximately 2126 hours. [REDACTED] confirmed that the camera's reflected the accurate time, and she uploaded this camera footage to Evidence.com after I sent her a community request to submit the video evidence. [REDACTED] also confirmed that there was a \$425.20 negative discrepancy when she balanced the cash drawer. [REDACTED] was provided with the case number prior to leaving the scene.

[REDACTED] were offered victim witness, but denied needing or wanting their services at the time of this report.

I later assisted detectives with serving a search warrant on Adam's residence located at [REDACTED] N Cole Rd [REDACTED].

CONCLUSION:

Route to Persons Crimes.

Narrative

INITIAL RESPONSE/CONTACT:

On 9/24/2024 I was working as a patrol supervision 2210. At approximately 2128 hrs an Armed Robbery call at was dispatched. I was at City Hall West monitoring the call. Based on bulletins put out earlier a possible suspect was identified as Adam L Cook, with an address of [REDACTED] N Cole Rd, Boise ID. He allegedly drove a 2017 Jeep Renegade [REDACTED]. Officers coordinated an area search and located the vehicle in the apartment complex. The suspect was followed to the Walgreens at Cole and Fairview. Officers were setting up to contact the suspect when the suspect fled the scene. A pursuit was initiated. I continued to monitor. Officer lost the suspect vehicle two time before updating the suspect was driving west bound on Emerald from Milwaukee. As I started to head to my patrol vehicle, the update was the suspect was still westbound on Emerald crossing Maple Grove.

I drove out the back lot and onto Mark Stall Pl. I stopped at Mark Stall Pl and Emerald. I could see a vehicle approaching from the east (driving west) on Emerald. Patrol Officers were approximately 100 plus yards behind the suspect. I activated my Emergency Lights. The suspect vehicle did not slow or give any indication of stopping. As he drove by me I pulled out onto Emerald. The suspect turned north bound onto Mitchell St. I followed and attempted to get into position to conduct a PIT maneuver on the suspect vehicle. The vehicle accelerated too rapidly before I could get into position.

We continued northbound on Mitchell St. The suspect was driving between 60 and 80 mph. He slowed down to approximately 50 mph as we approached the intersection of W Irving St. The suspect drove through the stop signed intersection without stopping. There was a vehicle stopped at the stop sign on Mitchell facing northbound. The suspect vehicle immediately sped back up and continued northbound on Mitchell St. As we approached Fairview Ave, the suspect slowed but continued and drove through the intersection against a red light. There were no vehicles in the intersection as I cleared it and continued pursuing the suspect.

We continued northbound on Mitchell St at speeds up to 80 mph. There were a few vehicles on the roadway. All the vehicles immediately yielded to my Emergency lights. As we approached Ustick Rd, the suspect activated his right turn signal indicating he was going to turn right onto Ustick Rd. There was a vehicle stopped in the right hand portion of the north bound lane. The suspect went around the stopped vehicle and turned right (eastbound) onto Ustick Rd. As the suspect slowed, I was able to get into a position to attempt a PIT. I contacted the suspect vehicle's driver side rear quarter panel area and attempted to turn into the his vehicle. Due to the suspect turning right, I was unsuccessful in causing his vehicle to spin. The suspect vehicle made a wide turn and I was able to disengage and pull up along the passengers side of his vehicle. As we accelerated out of the turn, I was able to conduct the PIT approximately 40 yards from the intersection. I estimated my speed at 40 mph.

3. Address 6919 W FAIRVIEW AVE , BOISE		4. Phone	
5. Date Occurred 09/24/2024	6. Time Occured 21:25	7. Route To County Prosecutor	8. Division PATROL

The maneuver caused the suspect vehicle to spin in a clockwise direction. As I drove through the maneuver, I observed the suspect vehicle spin 180 degrees towards the south side curb of Ustick Rd. I continued east bound on Ustick about 30 yards and began to turn 90 degrees to block westbound traffic. As I was doing this I could hear Officer D Martinez update the suspect had spun 360 degrees and was continuing eastbound on Ustick Rd. I observed the suspect drive eastbound Ustick Rd past me in the westbound lanes. I turned east bound and continued to pursue the suspect.

We continued straight on Ustick Rd east bound past Cole Rd. The suspect purposefully drove into the west bound lane while traveling east bound. I continued in east bound in the east bound lanes. Traffic was light and all traffic was yielding to my Emergency lights. The suspects speed continued between 80 and 90 mph. I believed we reached over 100 mph shortly past Cole Rd. Past Cold Rd the suspect braked hard and attempted to turn south bound onto McKinney St. Due to his speed, the suspect drove slightly past the turn and into the yard located at [REDACTED] N McKinney St. I was unable to stop and went past Mckinney and made a U-turn back onto north bound Mckinney. As I made the U-turn I believed the suspects vehicle may have collided with a tree while trying to negotiate the turn. As I pulled onto Mckinny I saw the suspects vehicle traveling south bound on McKinney.

I traveled south and witnessed the suspect vehicle turn east onto W Pomona St then south bound possible onto Venus. As I turned onto Venus Pl, I verified to Lt Weir he requested to terminate the pursuit. He confirmed and I stopped to the corner of Venus Pl and the 90 degree turn in the road. I made a U-turn and met with Officer D Martinez. He quickly look at my patrol vehicle to access any damage. We both then drove back to the corner of McKinney and Ustick Rd.

I parked my vehicle in front of [REDACTED] N McKinney Rd. I didn't have any Emergency lights on. Officer Martinez parked behind me and had this rear facing Emergency light activated. I check with the home owner of the residence and verified the suspects vehicle did not stick his tree or any of his vehicle. The suspects vehicle drove through the yard, on the grass and avoided all obstacles.

I was then flagged down by a bystander who was on the south side of Ustick Rd. He informed me he saw someone run from Redway Rd onto Ustick, then turn around and head back onto Redway Rd. I alerted Officer D Martinez and we responded on foot to Redway Rd. Dispatch put out a caller had called in and stated a possible suspect vehicle was seen parked somewhere on Redway Rd. A night Officer put out he just saw a possible suspect run into the backyard of [REDACTED] Redway Rd. We responded to that Officer and confirmed the information. Officer D Martinez the gathered a few other responding Officers and re-deployed back onto McKenney Rd to form a perimeter. A perimeter was established and Sgt Miller took over the scene.

I responded to [REDACTED] N Redway Ct along with Officer Featherly. We located the suspects vehicle in the

Narrative	

INITIAL RESPONSE/CONTACT:

On 09/24/2024, at approximately 2128 hours, I heard dispatch broadcast an emergency tone for an armed robbery at the Adam & Eve Store located at 6919 W. Fairview Ave. Dispatch advised that a white male adult brandished a firearm at the employee and stole money from the register. The suspect was described as wearing a black hoodie sweatshirt, blue gloves and his face was partially covered with a mask. Employees further stated the suspect appeared to be wearing grey sweatpants.

Earlier in the shift, Officers were made aware of a potential suspect by the name of, Adam Lee Cook. We were told that Cook may have committed additional robberies in the Treasure Valley with a firearm as the clothing description appeared consistent. I drove to the area of the call and turned north on Eldorado from Fairview with the intention of conducting an area search for the suspect. I had also received information that the suspect may be driving a dark colored Jeep. I drove west on Poplar and crossed over Cole Road and began searching side streets. I then drove to the intersection of Willshire Dr and N. Cole Rd and parked.

While parked, I heard other officers on the radio state that they believed the suspect may be driving through the parking lot of 1800 N. Cole (Springs of Royal Oaks Apartment Complex) towards Cole Rd. I could see the entry/exit of the apartment complex from my position. I watched as a dark colored Jeep pulled out of the parking lot and began to drive south on Cole Rd. The plate of the Jeep was also given over the air. I waited till the Jeep drove passed and went to get in behind it. However, Sergeant Scally was right behind the suspect vehicle so I filed in after him. The suspect then made a right hand turn into the parking lot of the drug store on the northwest corner (CVS). Sergeant Scally activated his overhead emergency and initiated a traffic stop while another unit attempted to block off the exit from the parking lot onto Cole Road. The suspect stopped and was told to keep his hands out of the window where we could see them. I noticed the driver was a white male and his left arm was covered in tattoos. The suspect continued to reach back into his vehicle after being told several times to keep his hands out of the window. During the stop, the suspect said something to the effect of, fuck this and took off in his vehicle towards the exit onto Cole Road. Officers began to pursue the suspect south on Cole Road. The suspect then turned west on Emerald at a high rate of speed. I estimated that the suspect was traveling 80mph or more on W. emerald. I lost sight of the suspect vehicle after he made it to Milwaukee St. I then heard other officers west of my location on emerald say that the suspect continued west on Emerald.

I heard officers in pursuit of the suspect north on Mitchell to W.Ustick Rd. The suspect then turned east on Mitchell while still driving at a high rate of speed to get away from officers. I learned that the suspect had ran from his vehicle near Redway and Pamona St.

Narrative

INITIAL RESPONSE/CONTACT:

This narrative is for PC purposes only. A more detailed narrative of the incident will be completed tomorrow.

On September 24, 2024 at approximately 2128hrs, an armed robbery occurred at 6919 W. Fairview. After a vehicle pursuit occurred the suspect identified as Adam Cook was seen running behind a residence at [REDACTED] N. Redway. A police drone was able to locate Cook hiding under a tarp in a small shed in the back yard of the residence. Cook came out from under the tarp and drone operators put out over the radio that they could see a handgun tucked into his waistband in the small of his back. Officers then a short time later began challenging Cook and stated over the radio that he had pointed a gun in the direction of officers. Multiple officers began going into the garage of the residence to challenge the suspect from the back garage door. Officers Gutierrez and Coils were at the back garage door looking out into the back yard. I could hear the officers giving multiple commands to Cook. As I got approximately 2 feet behind the officers in the door shots began to be fired. I did not witness the suspect get shot. I could not see him from where I was located inside the garage. I then ran upstairs to a bedroom in the house to see if I could get a better vantage of the suspect in the back yard. Officer Jayne and Officer Carter were already in the bedroom. I then went back downstairs and retrieved a shield. I then went back to the garage door with the shield to provide cover. Cook was laying on his back with his head towards us and I could see that he had been shot multiple times. Cook stated he couldn't crawl to us, and no officers could see where the gun was. Due to this Cook was given commands to crawl to us. He didn't try to crawl so Officer Yanna deployed a single 40mm round and struck Cook in the upper body. Cook still didn't crawl to us and we couldn't clear the area around him where the gun could have possibly been. Officer C. Bonus then used his patrol K9 which went on bite and dragged cook approximately 8 feet to us. Officers were then able to clear cook and see that he didn't have any weapons. Cook was placed in handcuffs and life saving measures were started. Ada County Paramedics arrived on scene and took over life saving measures.

Route to Ada County Prosecutors.

Narrative

On 092424, about 2144 hours, I was working as a solo patrol unit (2211). I overheard dispatch broadcast an armed robbery at Adam and Eve, 6916 W Fairview Ave in Boise. Initial officers were on scene and indicated they possibly located the suspect vehicle in the area of W Fairview Ave and N Cole Rd in the parking lot of CVS, 7402 W Fairview Ave. I overheard as officers indicated the suspect vehicle had fled from them southbound on N Cole Rd.

I was in the back parking lot of City Hall West, 333 N Mark Stall Pl. I attached to the call and drove in their direction. As I was in the parking lot, I overheard officers say their pursuit of the suspect vehicle had turned westbound onto W Emerald St from N Cole Rd. With that information, I decided to turn eastbound on W Emerald St from N Mark Stall Pl. I continued until N Maple Grove Rd when I overheard officers say they could not see the suspect vehicle. I saw the vehicle continue westbound from N Maple Grove Rd and made a u-turn to get directly behind the vehicle.

I initiated a pursuit of the vehicle with my overhead lights and siren activated. I attempted to catch up to the suspect vehicle as it continued westbound on W Emerald St approaching N Mark Stall Pl. Another patrol car, later determined to be Sergeant E. Urian, pulled out and directly behind the suspect vehicle from N Mark Stall Pl. We continued our pursuit westbound on W Emerald St with Sergeant Urian in the #1 position and myself in the #2 position.

The suspect vehicle turned northbound onto N Mitchell St and we followed in pursuit. The speeds northbound on N Mitchell St were around 70 mph and all other traffic was yielding to our lights and sirens. The pursuit continued northbound on N Mitchell St through the intersection of W Fairview Ave at speeds around 82 mph. Vehicles were yielding to our overhead lights and siren. The pursuit continued northbound on N Mitchell St at W Sunflower Ln at around 80 mph. The suspect vehicle turned eastbound on W Ustick Rd from N Mitchell St where Sergeant Urian attempted a PIT maneuver in the right hand turn. The suspect vehicle was not immobilized and was able to continue driving eastbound on W Ustick Rd. Sergeant Urian attempted another PIT maneuver again on W Ustick Rd and the intersection of N Linda Vista Ave. That PIT maneuver was successful and the suspect vehicle spun toward the south curbline of W Ustick Rd. The driver of the suspect vehicle was able to overcorrect his steering and spin his vehicle back facing eastbound on W Ustick Rd, where he fled again.

Sergeant Urian was able to re-engage in the pursuit as the #1 position with me still in the #2 position. The suspect continued eastbound on W Ustick Rd approaching N Maple Grove Rd at around 80 mph. At this time, the suspect began driving eastbound in the westbound lanes of W

Ustick Rd approaching the intersection of N Cole Rd at around 90 mph. The decision was made to terminate the pursuit due to the suspects dangerous driving. As we were terminating the pursuit, it was seen that the suspect vehicle turned southbound onto N McKinney St. The suspect vehicle ran up onto the front lawn of [REDACTED] N McKinney St and back onto the roadway southbound on N McKinney St. Sergeant Urian and I were on N McKinney St when we terminated the pursuit. We turned onto N Venus Pl and came to a stop. I got out of my vehicle and briefly spoke with Sergeant Urian and it was determined to return to the intersection of W Ustick Rd and N McKinney St to ascertain if any injuries or property damage was sustained during the time the suspect vehicle left the roadway.

We drove back and spoke with the residents at [REDACTED] N McKinney St. While speaking with the residents I could see two tire tracks in the lawn going southbound from W Ustick Rd.

I was alerted by Sergeant Urian that he was told by a passerby that the suspect was possibly seen on N Redway Rd, the road immediately to the east of N McKinney St. We ran over to the area and while there additional officers arrived. I stated I would head back to N McKinney St with some of the responding officers to assume containment on the west of the area the suspect was last seen. Myself, along with several other officers took cover behind a vehicle parked in front of [REDACTED] N McKinney St and maintained our perimeter position until shots were fired. Once the shooting scene was stabilized we checked door to door with residents along N McKinney St ensuring there were no injured bystanders or additional property damage requiring immediate attention. Once it was determined there were no additional injured people, I cleared the scene and returned to the station.

5. Date Occurred 09/24/2024	6. Time Occured 21:25	7. Route To County Prosecutor	8. Division PATROL

Narrative	

On September 24, 2024, at approximately 9:30 pm, I responded to the business of Adam and Eve 6919 W Fairview Ave for a report of an armed robbery. The initial details of the call were identical to other recent armed robberies. Investigative information prior to the call stated the suspect, Adam Cook, was driving a black Jeep Renegade bearing Idaho license plate [REDACTED] and was possibly residing at [REDACTED] N Cole Rd, [REDACTED].

Due to the time delay, I drove to the residence and parked on W Popular St. Ofc Cooper, and I drove a few yards into the parking complex before parking and walking up to the residence. As Ofc Cooper and I were standing on the north-west corner of building L, Ofc Cooper and I observed the suspect's vehicle drive right in front of us. The vehicle drove around the entirety of the lot and exited onto S Cole Rd. The vehicle drove southbound and briefly stopped in the CVS parking lot before fleeing from officers shortly after. I walked back to the apartment and held the scene before being relieved by Ofc Arend.

Nothing further at this time. Route with original report.

Narrative

INITIAL RESPONSE/CONTACT: On 09/24/2024 at approximately 2127 hours I responded to a call for an armed robbery at 6919 W. Fairview Ave., Boise. I arrived on scene to assist other officers. Once the scene was secure, I left and responded to the area search to locate the suspect vehicle, a gray Jeep Renegade SUV. As I turned southbound onto Mitchell Street from Fairview Avenue I could see the suspect vehicle headed towards me at a high rate of speed. I slowed my patrol vehicle and observed the gray Jeep headed directly towards me without reducing its speed. I quickly turned my patrol car to the right and stopped along the curb. The gray Jeep passed me headed northbound on Mitchell at a high rate of speed with multiple patrol vehicles following. The pursuit was terminated shortly after.

I preformed an area check in the area where the suspect/vehicle were last seen. I located the gray Jeep with license plate [REDACTED] in the driveway at [REDACTED] Redway Ct., Boise. I contacted resident, [REDACTED] [REDACTED], who stated that she lives at the residence alone, and was in the back of the house watching TV and did not hear or see anything. I reviewed [REDACTED] Ring doorbell video footage but it did not pickup any movement as the Jeep was left near the end of the driveway and was too far away for the camera to pickup any movement.

I spoke to the residence at [REDACTED] Redway Ct., [REDACTED], who explained that they had heard a vehicle drive onto the cul-de-sac loudly. [REDACTED] said that the gray Jeep that was parked in the driveway at [REDACTED] was odd and did not belong to the home. Due to the circumstances [REDACTED] called police and was speaking to dispatch when I arrived.

I moved to the corner of W. Pomona Street and N. McKinney Street to a perimeter location while other officers made contact with the suspect.

I performed welfare checks at residences post incident. I contacted [REDACTED] and [REDACTED] at [REDACTED] N. McKinney Street who stated that they were okay. I contacted [REDACTED] and [REDACTED] N. McKinney Street who stated that they were okay.

Narrative	

On 09/24/2024 at approximately 2130 hours, I was in full police uniform and driving a marked police patrol vehicle. I was working as a two man patrol unit with Officer Krueger. We responded to a radio call regarding an armed robbery.

Once a pursuit was initiated with the suspect vehicle, we attempted to set up a spike strip tire deflation device on Emerald Rd west of N Mitchell st, but the pursuit changed directions.

Our next assignment was on an exterior perimeter where we remained at W Pomona Rd and N Pauley Dr. While remaining at this position, I did hear several gunshots to the north east of our position.

We were later tasked with holding another perimeter spot at N McKinney St and W Ustick rd once the perimeter was consolidated.

I did not have any contact with the suspect and did not respond to the scene of the officer involved shooting.

This concludes my involvement.

Narrative

On September 24, 2024 at approximately 2145hrs, I assisted in an armed robbery at 6919 W. Fairview Avenue. Between 2145 and 2241, I was at a perimeter spot at the intersection of Mckinney and San Fernando.

After the Officer involved shooting occurred, I was tasked with checking the residence of [REDACTED] McKinney for anyone that may have been struck by a bullet. I spoke to [REDACTED] who advised that he lives at the house with his grandmother. [REDACTED] and I went to check on his grandmother, [REDACTED], who was asleep and uninjured.

This concluded my involvement in this incident.

Narrative	

INITIAL RESPONSE/CONTACT:

On 9/24/2024 I responded to an armed robbery call that had transpired into a pursuit and then the suspect fleeing the vehicle and hiding in the backyard of [REDACTED] Redway Rd. Boise, ID. I responded to the area and was tasked with holding a couple outer perimeter spots. I was at W San Fernando Dr. just East of N Eldorado St. holding my spot when I heard numerous gunshots. I held my position until I was then tasked with blocking N McKinney St. at W San Fernando Dr. until I was then relieved of that spot and left the scene.

This concludes my involvement.

Narrative

On 09-24-2024, at approximately 2130 hours, Officer Ramsey and I (Officer Krueger) were working uniformed patrol and driving a marked police vehicle. We were working as a two man patrol unit in the same vehicle. We responded to a radio call regarding an armed robbery that just occurred.

A vehicle pursuit was initiated with the suspect vehicle, we realized that the path of the suspect vehicle was headed in our direction and attempted to set up a spike strip tire deflation device on Emerald Rd west of N Mitchell St, The suspect vehicle changed directions and did not pass us.

Our next assignment was on an exterior perimeter where we remained at W Pomona Rd and N Pauley Dr. While remaining at this position, I heard several gunshots to the north of our position.

We were later tasked with holding another perimeter spot at the intersection of N McKinney St and W Ustick Rd.

Neither Officer Ramsey or I had any contact with the suspect. Neither if us responded to the scene of the officer involved shooting.

We remained at the McKinney location until we were relieved.

Narrative	

On September 24, 2024 at 2129 hours, I was working uniform patrol for the Boise Police Department. I responded to an armed robbery at Adam and Eve located at 6919 W Fairview Ave. Boise, ID.

Officers arrived to the scene prior to my arrival. Due to this I started on an area check for the suspect description that was provided by the first arriving officers.

When the suspect vehicle was located, I responded to the area where the traffic stop was conducted however prior to my arrival the suspect had fled officers in his vehicle.

Once the vehicle pursuit was over, I responded to the suspects house located at [REDACTED] N Cole Rd apt [REDACTED] I stayed at the residence and kept it secure until I was relieved of my duties.

This ends my involvement in this incident.

Narrative

INITIAL RESPONSE/CONTACT: On 9/24/2024, I was reading a BOLO regarding a probable serial armed robbery suspect that had robbed several businesses and was armed with a handgun. The BOLO listed the probable suspect as Adam Lee Cook and was known to drive a black or dark gray Jeep SUV or possibly a black Volkswagen, belonging to his girlfriend. His listed address is [REDACTED] N Cole Apt [REDACTED] which also happens to be close to the area where several of the armed robberies occurred. At 2128 hours, Dispatch toned out a Code 3 armed robbery that occurred at 6919 Fairview Ave, which is close to the suspect's residence. I quickly read the call and had K9 Ofc Johnson and 2 assist units respond to the [REDACTED] N Cole address, with the expectation that Cook would arrive at the apartment. I then contacted Dispatch and emailed them the BOLO and asked them to put the BOLO into the call so that officers had the vehicle and suspect descriptions.

Officers responded to the victim address on Fairview Ave and I drove North of the [REDACTED] N Cole address while Ofc Johnson and Sgt Scally coordinated the response at the apartment complex. A short time later, an officer advised that the possible suspect vehicle had just driven thru the apartment complex parking lot and was now driving Westbound out of the apartment complex and onto Cole Rd. I then drove South on Cole and saw that the probable suspect vehicle had not entered Cole Rd yet. I saw that he was signaling to turn Southbound onto Cole and I drove past him, towards the intersection.

I could see in my rear view mirror that there was another BPD Unit behind me and the suspect vehicle was behind him. I then heard confirmation over the radio that the license plate in the BOLO matched the vehicle that was behind us. I advised the marked unit behind me that the suspect was behind him and an officer advised that they had the suspect vehicle and that it was pulling into the CVS parking lot. I then drove Westbound on Fairview Ave and pulled into the parking lot, taking a position Southwest of the traffic stop. The suspect vehicle was facing Eastbound at the Cole Rd exit. Two BPD Units were conducting a felony stop from the Northwest and another marked unit had pulled in front of the suspect vehicle head-on, facing West. The suspect vehicles windows were down and the driver matched the photo in the BOLO of Adam Cook.

Officers were giving him commands and after some time, the suspect drove around the patrol car that was parked in front of him and drove away Southbound on Cole at a high rate of speed. I then broadcast that he had fled and numerous BPD Units pursued him Southbound on Cole. I requested that they PIT the suspect vehicle as quickly as possible. Pursuing units advised that he had gone Westbound on Emerald and speeds were 50-60 MPH. Pursuing officers lost sight of him and Sgt Urian advised that he was now pursuing him Northbound on Mitchell, approaching Fairview. I requested that Units PIT the suspect vehicle if speeds were below 40 and Sgt Urian attempted a PIT but it was unsuccessful.

Officers advised that the suspect was driving into oncoming traffic and Sgt Miller authorized extreme

measures. Sgt Urian attempted another PIT on Usitck, which rotated the suspect vehicle 180 degrees but did not disable it. Pursuing officers advised that the speeds were now at 80-90 MPH and I requested that they terminate the pursuit. Sgt Urian confirmed that I wanted the pursuit discontinued and I responded that I did want it discontinued, and that we knew who the suspect was.

I then directed Sgt Miller to set up containment in the area to check for the suspect and had Sgt Scally coordinate resources at the suspect residence. A short time later, Sgt Urian advised that the suspect vehicle had been located on Redway Court and was unoccupied. At the same time, a citizen had called into Dispatch and advised that a male matching Cook's description had just fled from the vehicle. Ofc Yanna then broadcasted that he saw the suspect run into a back yard in the 3100 Blk of Redway and had a handgun tucked into his waistband. Sgt Miller coordinated the inner perimeter and I had AFC Adams coordinate an outer perimeter. I then initially set up at the Maverick on the Southeast corner of Cole/Ustick and then set up a formal Command Post in the parking lot on the Southwest corner of Cole Ustick.

Believing that the suspect was in a small area with several back yards, we requested drones and I made an SOU Tactical Consult to activate SOU. While coordinating their response, officers advised that they could hear branches moving in one of the back yards and that a motion light had come on. Drones were then sent to the back yard where they discovered Cook under a blue tarp. Officers advised that he then attacked the drone with a piece of wood, disabling it. He then tried to flee from the back yard and hid behind a shed.

A short time later, officers advised that Cook had pointed a gun at them. Officers continued to give updates on Cook's position and a short time later, I heard numerous gun shots from my position at the Command Post. Officers advised that shots had been fired and that Cook was down, however he was not complying with commands. Sgt Miller advised that they were utilizing 40mm less than lethal options due to being unable to clear Cook's hands. Eventually, a K9 was utilized to move him to safety, where Cook was placed into custody and treated for his injuries.

Narrative

On 9/24/2024 at approximately 2128 hours I was working as a patrol unit (Designator 2325) when I was dispatched to an Armed Robbery in progress located at the Adam and Eve store on 6919 W Fairview Ave. Upon arrival the suspect had already fled the scene. I spoke with store employee [REDACTED], the following is her statement in summary:

A male wearing a black hoodie, and what she believes were black sweat pants, blue gloves, and a black mask, with blue eyes. I quickly recognized this description as being similar to one of the suspects who has been brought up as briefing, I also noticed a Subway 2 doors west which had been closed with an employee counting the register, this is similar to the stores targeted by the suspect in prior robberies. [REDACTED] stated that the subject entered the building and pulled a silver handgun out of his front waistband stating "Let's go to the register and get the money... Let's just make this easy and quick... Put your phones away" [REDACTED] noted that while walking to the register he concealed the firearm once again. [REDACTED] pulled approximately \$400 out of the register and the subject fled the building first eastbound, then turned back and fled westbound down Fairview.

This concluded [REDACTED] statement.

Officer's then gave out radio traffic that the subject was located at the CVS northwest of our location, the suspect reportedly began fleeing. I entered my vehicle and began pursuing, I was paralleled to the street the pursuit was continuing on and stopped when the pursuit was terminated.

Narrative

INITIAL RESPONSE/CONTACT/STATEMENTS:

On Sept 24, 2024 around 2125hrs myself and trainee, Westad responded to a radio call regarding an armed robbery just occurred at 6919 W. Fairview Ave, (Adam & Eve) in the city of Boise. We were wearing a full Boise Police uniform and driving a marked patrol vehicle.

Upon our arrival to the location, the calling party said the suspect had left the location on foot, last seen walking W/B on Fairview. After waiting for additional units to arrive to the location it was determined that we would conduct a K-9 track for the possible route of the armed robbery suspect. As we were beginning to track S/B towards N. Raymond St unknown BPD Officers updated over the radio that they may have located a possible vehicle related to the robbery suspect near Cole / Fairview. A short time later Officers beginning saying the suspect was driving in a possible black, Jeep, Renegade.

A short time later Officers stated they were in pursuit of the suspect vehicle driving S/B Cole from Fairview. Westad and I began driving W/B Fairview incase the suspect turned N/B to heads back up towards his apartment complex. The suspect then negotiated a right turn from W/B Emerald to N/B Mitchell. We negotiated a left turn to head S/B Mitchell towards the suspect. I could see the suspect's head lights driving towards us going approximately 60mph on Mitchell which has a posted street sign of 30mph. There were several marked police vehicles behind the suspect's vehicle and their red / blue lights & sirens were activated, but the suspect's vehicle was not slowing down or stopping. The suspect drove past us and continued up Mitchell St, towards Ustick continuing speeds of 60 + mph.

The pursuit was canceled and we began an area search for the possible vehicle. We were advised that the possible suspect vehicle was located at [REDACTED] Redway Rd in the city of Boise. This was only a few blocks away from where the pursuit was terminated.

Westad and myself drove to the residence and located the damaged Jeep Renegade. It was determined nobody was inside.

Westad and I were able to speak with the home owner, [REDACTED] who said she did not know who owned the Jeep and did not see what time it was parked. I was able to review her Ring doorbell camera footage, but it did not capture the vehicle parking in her driveway, nor anybody exiting the vehicle. BPD Officer Featherly stayed with the vehicle while we responded near an updated location where the suspect might be off Pomona & Redway Rd.

CONCLUSION:

Narrative

INITIAL RESPONSE/CONTACT:

Tuesday, September 24th, 2024 around 2128 hours. The following is a summary of events.

On the above date and time, I was working my assigned shift with my trainee, Officer Vaughn. Officer Vaughn and I self-dispatched to assist on an armed robbery call for service at 6919 W. Fairview Ave. Based on dispatch notes and law enforcement intel received earlier in the day, it was believed that the robbery suspect lived at [REDACTED] N. Cole Rd. Apt [REDACTED]. The suspect was believed to be Adam Cook and detectives believed that he was the possible suspect in three other armed robberies in the Treasure Valley. There were two vehicles associated to Cook, a 2017 Jeep Renegade and a 2017 Volkswagen Jetta. For this reason, Officer Vaughn and I responded to the apartment complex. As we approached the apartment on foot, officers in the apartment complex observed a Jeep Renegade enter the complex. The vehicle circled the complex and went back on Cole Rd. where officers conducted a traffic stop on it in the CVS Pharmacy parking lot. Officer Vaughn and I went back to our patrol vehicle to assist on the traffic stop when it was broadcast over the radio that the suspect fled the traffic stop in his vehicle. Officers initiated a vehicle pursuit due to the severity of the crime and we joined in on the pursuit. Eventually at Mitchell and Fairview we removed ourselves from the vehicle pursuit as there were several officers that caught up and were more directly involved. As the pursuit continued we tried to place ourselves in a position to intercept the path of travel to deploy stop sticks. The pursuit was terminated prior to ability to perform that task.

Eventually dispatch broadcasted they had a calling party report that in the area of [REDACTED] N. Redway Ct. a vehicle came screeching in and then shut off the lights. Shortly after this a unit advised that they observed a male jumping into backyard at [REDACTED] N. Redway Rd. Officer Vaughn and I responded to the area and set up a perimeter position at the corner of San Fernando Dr. and McKinney St. While on our perimeter assignment, I heard drone pilots advising over the radio that they had a visual on the suspect who was armed with a handgun in his waistband. I also overheard what sounded like officers trying to give the suspect commands after the suspect swatted a drone and then ran. I then heard several shots fired to the east of our position. Officers advised that there were shots fired and the suspect was down.

Following the officer involved shooting, Officer Vaughn, Officer Machain, and I made contact with [REDACTED] McKinney St. The residents were safe and not injured from the shooting. Officer Machain and I cleared the exterior of the house and we did not observe any bullet holes on the outside of the residence.

Officer Vaughn and I then met with the owners of [REDACTED] N. Redway Rd. where we transported [REDACTED]) to the command post to be interviewed by detectives.

Narrative**ORIGIN:**

On 9-24-2024 at approximately 2128 hours I responded to an armed robbery that had occurred at 6919 W. Fairview Ave in Boise. At this time, I was in full Boise PD uniform and driving a marked patrol vehicle.

INVESTIGATION:

As I was driving to the above listed location investigative information that was learned prior to the call indicated that a possible suspect was Adam Cook and he was driving a black Jeep Renegade bearing Idaho license plate [REDACTED]. Cook was residing at [REDACTED] N. Cole Rd # [REDACTED] in Boise. I relocated to that location and met up with Officer J. Claiborn. Together we entered a short way into the apartment complex in his marked patrol vehicle and then exited and continued towards apartment # [REDACTED] on foot.

As we approached # [REDACTED] I observed a black Jeep Renegade occupied by a lone male driver wearing a white t-shirt enter the complex and slowly drive through the complex. This information was put out over the radio as I attempted to keep eyes on the vehicle. The male driver continued driving around the apartment complex eventually pulling towards the exit back at Cole Rd. I used the flashlight on my department issued patrol rifle to illuminate the license plate on the vehicle in hopes to verify if the vehicle was in fact the one associated with Adam Cook. I was not able to see the entire plate other than it being a 1A plate. This information was relayed to other Officers over the radio as the male driver exited southbound on Cole Rd. I continued to move towards the complex's exit with Cole Rd as other Officers responded to the vehicles location.

I observed multiple Officers attempt to conduct a high-risk traffic stop of the male when he pulled into the CVS pharmacy located on the northwest corner of Cole Rd. and Fairview Ave. I heard over the radio that the license plate on the vehicle was that of Adam Cook. Being that Officer Claiborn and I were on foot and not near a patrol car we ran towards the traffic stop location to assist those Officers. As I arrived at that location I heard commands being given over a patrol vehicles loud speaker and then Cook rapidly accelerate from the stop fleeing back into Cole Rd southbound at a high rate of speed.

Officer Claiborn and I made our way back to the apartment complex and secured the area until I was cleared from the location later.

CONCLUSION:

Route with main report.

Narrative

INITIAL RESPONSE/CONTACT:

On 9/24/2024, at approximately 2129 hours, I was dispatched to assist on a Armed Robbery Just Occurred call for service. Based on dispatch notes and law enforcement intel received earlier in the day, it was believed that the robbery suspect lived at [REDACTED] N. Cole Rd. Apt [REDACTED]. The suspect was believed to be Adam Cook and detectives believed that he was the possible suspect in three other armed robberies in the Treasure Valley. Upon arrival to the area, Officers were trying to locate the suspect that had fled the scene. I responded to the apartment complex that the suspect was known to reside. While at a perimeter position, officers were advised that the suspect vehicle had been located. I responded to the area that suspect vehicle was located. The suspect began to flee the area and I engaged in a pursuit of the vehicle with other officers at that time. The pursuit was terminated due to suspect vehicle's high rate of speed and traveling into oncoming traffic.

I began traveling back to the suspect residence. After I arrived at the suspect's apartment complex, dispatch advised that a caller had located suspect vehicle near [REDACTED] N Redway Rd. Residents of [REDACTED] N Redway Rd also confirmed movement in their backyard. I responded to the area and set up at a perimeter spot in front of [REDACTED] N McKinney St.

While on the perimeter location, I heard shots being fired from the East of my location. We were advised the suspect was shot and down. Once we were advised that medics were bringing the suspect out, we began checking houses on McKinney South of Ustick due to that area being directly behind the house where the suspect was located. I spoke to residents at [REDACTED] N McKinney St, Boise, ID 83704. [REDACTED] owner of the residence, answered the door. [REDACTED] stated he and his wife, [REDACTED] were okay. [REDACTED] stated that he and his wife were the only residents of the house. [REDACTED] gave officers consent to check the residence and the backyard for any signs of damage. After the residence and backyard were checked, we exited the residence.

I then assisted in escorting the family of [REDACTED] N Redway Rd, [REDACTED] to a nearby location to be interviewed by detectives. I waited with [REDACTED] until detectives arrived and conducted their interviews.

Narrative

On 09/24/2024 I responded to the report of an armed robbery just occurred at 6919 W Fairview Ave, Adam and Eve. Initially, I responded to the call location to assist with a K9 track. While getting set up for the track, Sgt. Scally advised that he had located the vehicle in the parking lot of CVS. The driver matched that of a bulletin that had been sent out earlier in our shift for officer awareness.

The vehicle fled the scene and officer's began to pursue him. I paralleled the pursuit on Fairview, turning south on Milwaukee to Emerald. I then paralleled the pursuit north on Maple Grove from Emerald to Ustick. Once on Ustick heading eastbound the pursuit was terminated and I discontinued attempting to parallel it. Units advised that the vehicle was last seen southbound on McKinney from Ustick. Officers began to saturate the neighborhood in order to set up a perimeter. I was stopped in the area of Grandee and Settlers when we were advised by another calling party that a vehicle had come "screeching in" and was left there. An additional officer advised that he saw a male in the back yard of [REDACTED] N Redway. I responded to [REDACTED] N. McKinney Street where I positioned my fully marked patrol vehicle with its lights on to set up containment to the west of the male subjects last known location. I positioned my patrol vehicle with the lights on to illuminate both [REDACTED] and [REDACTED]. An arrest team was set up at this perimeter spot. While on the perimeter spot we were advised that they had located the suspect in the shed of one of the yards. While on the perimeter I heard shots fired. The arrest team that I was part of maintained our

position until the suspect was taken into custody.

Once the suspect was in custody I made contact with the residents of [REDACTED] N. McKinney to check their welfare. [REDACTED] advised that they were fine and an initial check of the exterior of the house did not reveal anything concerning.

Later it was requested that I responded to the suspect vehicle location at [REDACTED] N Redway Ct. I made contact with the resident of [REDACTED] N Redway Ct, [REDACTED] [REDACTED] had a camera near her front door that points at her driveway. While watching footage at approximately 2147 hours you can see headlights turn onto the street and then the headlights turn right into what appears to be her neighbors driveway at [REDACTED] While watching the video I did not see anything further and [REDACTED] did not have any further information. [REDACTED] sent Det. Hartje the video footage.

I made contact with the resident of [REDACTED] N Redway where the vehicle was still parked in the driveway. [REDACTED] advised that she did not hear or see anything until police showed up at her residence to check the vehicle. [REDACTED] has a Ring doorbell which she allowed me to view. The footage does not show any other activity until law enforcement arrive at [REDACTED] house.

I stood by at this location until I was relieved.

Narrative

On 09/25/24, at approximately 2130 hours, I responded to an armed robbery at 6919 W Fairview Ave.

I responded to the 1800 block of north Cole Rd to set up containment on a possible suspects apartment.

While on scene I was advised officers had located the suspects vehicle near Cole and Fairview.

I responded to the area, while enroute officer initiated a vehicle pursuit with the suspect vehicle.

I was involved in the vehicle pursuit until near the intersection of N Mitchell and W Fairview Avenue. My FTO Officer Lee instructed me to discontinue and parallel the pursuit with the intention of deploying stop sticks along the path of the suspects vehicle. Shortly after the pursuit was terminated by Lt. Weir.

After the pursuit was terminated Ada County Dispatch received calls about the suspect being in the area of Redway and Pamona near where the pursuit was terminated.

We responded to the area and held a perimeter position on McKinney Street directly to the West of where the suspect was ultimately located. We held that position through the duration of this incident and had no first hand contact with the suspect.

This report is a summary of my involvement, a more detailed report will follow.

Narrative

On 09/24/2024 I was working as a uniformed patrol officer, driving a marked car and wearing a standard police uniform.

On this date and time I was working as an FTO with Officer Loomis as my trainee.

We responded to the area of 6919 W Fairview Avenue in reference to an armed robbery.

We were requested to go to an apartment complex in the 1800 block of North Cole Road as a possible suspect address based on prior intelligence of a possible suspect location.

Shortly after being on scene Officers advised over the radio they had located the suspect vehicle. Shortly after a vehicle pursuit was initiated, myself and Officer Loomis were involved in the pursuit starting near cole and fairview. During the pursuit the suspect turned Westbound on Emerald and continued on this path until reaching N Mitchell Street. During the pursuit I looked over at Officer Loomis's speedometer and noted the speeds between sixty to seventy miles per hour. We stayed involved in the pursuit until the intersection of Fairview and Mitchell. At this time units that were directly in the pursuit were a few miles ahead of us. Based on the speeds I believed a more reasonable option would be to parallel the pursuit and try to deploy stop sticks. Shortly after this the pursuit was terminated.

The suspect was later located in the backyard of [REDACTED] Redway Road in Boise. We responded and held a perimeter position to the West of this location on McKinney Street. Shortly after numerous gunshots were heard. We held our position until being tasked with doing a crime scene log.

We didn't have any first hand contact with the suspect regarding this case.

This report is a summary of my involvement for exact details see obv.

Narrative

*****FOR ARRAIGNMENT PURPOSES ONLY*****

Boise Police investigators have been investigating two armed robberies that occurred in Boise in the past ten days. During this same period of time, Nampa Police were investigating an armed robbery that occurred in Nampa. All three robberies appear to have been committed by the same person. This belief is based on video evidence at all three locations that show the suspect's clothing, physical appearance and firearm. While working together with Nampa Police, I learned they had video evidence, that shows the suspect leave the scene of a robbery and enter a vehicle, then drive away. Nampa Police were also able to capture a license plate in this video recording. The vehicle is a 2017 gray Jeep Renegade with an Idaho license plate of [REDACTED]. This Jeep is registered to Adam Lee Cook with an address of [REDACTED] N. Cole [REDACTED] in Boise. It is important to note, after one of the robberies in Boise, the suspect fled into the large apartment complex located at 1800 N. Cole Road.

After learning Nampa Police had identified Adam Cook as a possible suspect and he lived at [REDACTED] N. Cole, I had this information given to all Boise Police officers. Officers were notified of Adam Cook's identity and that he was a possible suspect in several armed robberies. They were provided with his picture, a picture of a similar vehicle, his license plate and his address. This information was sent out for officer safety and so officers knew where to begin their investigation, in the event there was another robbery.

On 9/24/2024 at 2128 hours, Boise Police patrol officers were dispatched to an armed robbery at 6919 W. Fairview in Boise. The calling party reported a man had pointed a gun at her while demanding money from the cash register. While some officers responded to the location of the robbery, Sgt. Scally and other officers went to [REDACTED] N. Cole in the hopes that Cook would return home. Based on information from the calling party, Scally believed it was likely this suspect was the same person who had committed the previous robberies. A short time later officers found Cook's gray Jeep with the above listed license plates arrive at the 1800 N. Cole. The vehicle and license plate matched the information that had been provided to them. Ultimately officers initiated a traffic stop, Cook did not comply and fled. Officers pursued the vehicle for an unknown amount of time before discontinuing. Ultimately Cook was located in the area, hiding in the backyard of a residence where he had no legal standing and did not know the occupants of the home. While attempting to take him into custody, there was an officer involved shooting, which resulted in Cook being transported to St. Alphonsus Hospital, where he remains in an unknown condition.

Based on this investigation there is probable cause to believe Adam Cook committed the armed robbery at 6919 W. Fairview, in Boise on 9/24/24. This is an ongoing investigation where more charges will likely be requested.

Narrative

On 09/24/2024 I responded to a report of an armed robbery that occurred at 6919 W Fairview Ave, Adam and Eve. I was working as a uniformed police officer for the City of Boise in a marked patrol vehicle.

Before my scheduled shift began, I heard over the radio that an armed robbery occurred and the suspect was at large. After completing my pre-shift preparations, I quickly entered service. Before leaving the station, I heard over the radio that the suspect vehicle had been located in a CVS parking lot. I then heard that the vehicle fled from Officers and that a pursuit was initiated. I then heard that the pursuit was heading Westbound on W Emerald St.

I left the station and began driving code three (lights and sirens) to the pursuit. I was traveling northbound on N Mark Stall Pl approaching W Emerald St when I saw the pursuit continue Westbound on W Emerald St. To my recollection, two police vehicles were traveling westbound on W Emerald St before I approached the intersection. I then approached the intersection and noticed two or three more police vehicles traveling westbound on W Emerald St. I yielded to the vehicles before turning left onto W Emerald St. The incident commander stated that the five vehicles westbound should continue pursuit and the rest should spread out for interception. At this point, I did not have a visual of the suspect vehicle and believed that there were already five vehicles ahead of me so I did not follow the path of the pursuit. The pursuit turned right onto N Mitchell St and I continued Westbound on W Emerald St. I then attempted to parallel the pursuit on N Five Mile Rd. Shortly thereafter, the pursuit was terminated.

I then heard over the radio that Officer Yanna had seen the suspect on foot westbound near the area of W Ustick Rd and Redway Rd. I responded to the area of W Ustick Rd and McKinney St. I then joined officers west of the suspect's location. We formed an arrest team to the west on McKinney St. At this point, I had not seen or heard the suspect. I then heard on the radio that additional officers were needed to the south, I then left the arrest team to assist other officers to the south. I joined the south perimeter arrest team on Pomona Rd and Venus Pl. I then heard over the radio that the suspect had hit the drone with his hand and that he was moving west. Our arrest team then re-positioned slightly more west. I then heard over the radio that the suspect had a gun and was not obeying verbal commands by officers. I heard multiple gunshots come from the area of W Ustick Rd and Redway Rd.

I was later assigned to put police caution tape around the front yard of [REDACTED] Redway Rd. I was then assigned to escort the family of [REDACTED] Redway Rd to the command post at [REDACTED] N Cole Rd. I approached the front door of the house to retrieve the residents. I did not enter the home or the

Narrative

On 9/24/2024, I was working patrol in the City of Boise. I was dispatched to an Armed Robbery at Adam and Eve, located at 6919 Fairview Ave. Boise. Call notes indicated that a person robbed the store at gun point, he was wearing a black hoodie, black mask and blue gloves. Call notes indicated that the suspect fled on foot heading west on W. Fairview.

I arrived on scene and I was assigned to a K9 track team. As we stated the K9 track, I heard over the radio that other officers had located a suspect vehicle and attempted to conduct a traffic stop. I heard over the radio that the suspect vehicle was fleeing from the traffic stop south on N. Cole Rd.

This concludes my involvement with this portion of the case.

Narrative

On 9/24/2024, at approximately 22:00hrs, while operating as marked Boise Police unit 3915, I responded outside the address of [REDACTED] N Mckinney St to assist in taking a position on a containment team during a search for an armed robbery suspect. The suspect was seen by another officer in the area of N Redway Rd. I stood by with the containment team, equipped with a shield, until the suspect was located in the backyard of [REDACTED] N Redway Rd and ultimately taken into custody.

After the scene was stabilized, I proceeded to assist officers in clearing nearby houses to ensure the residents were uninjured after the OIS. Houses included [REDACTED] N Mckinney St and [REDACTED] W Ustick Rd. After clearing the two houses, nearby officers advised me that all the houses on the street had been cleared south until [REDACTED] N Mckinney St.

<u>Narrative</u>	

On 9-24-24, at approximately 2156 hours, I responded to the area of W Ustick Road and N Redway Road to assist with a vehicle pursuit involving an armed robbery suspect. While I was en route to the scene, an update was broadcast via police radio that a citizen, [REDACTED], was calling in from [REDACTED] N Redway Court. [REDACTED] stated that a vehicle pulled into the driveway of a nearby residence ([REDACTED] N Redway Court) at a high rate of speed and the vehicle was stationary with the lights off.

I arrived on scene and went with Sergeant Urian #703 and Officers Machain #950 and Westad #1113 to clear the suspect's vehicle and hold that scene. We located the gray 2017 Jeep Renegade (ID// [REDACTED] in the driveway of [REDACTED] N Redway Court. The vehicle was unoccupied. I saw blue rubber gloves and a blue bandana sitting on the driver's seat in plain view. Based on my prior knowledge of previous robberies, I knew that the rubber gloves and bandana were consistent with previous armed robberies in the area. I broadcast the information to other officers on the radio call that I saw the gloves and bandana, but I did not see a gun and that the suspect was possibly still armed with the gun that was used in the robberies. Officers Machain and Westad checked the welfare of the resident to ensure the suspect did not enter the residence.

I stayed with the vehicle while other officers searched for and located the suspect. After the suspect was taken into custody, I took photos of the area and the vehicle. Detective Hartje arrived on scene. We eventually searched the vehicle. I located a blue hat, sunglasses, and an unknown amount of money on the front passenger's side floorboard. I took photos of the items. Detective Hartje collected the gloves, bandana, hat, sunglasses, and money from the vehicle.

I conducted a witness check and spoke with [REDACTED] and her husband, [REDACTED] and [REDACTED] were housesitting at [REDACTED] N Redway Court. [REDACTED] essentially gave me the following statement. Near the time of the 911 call made by [REDACTED] (approximately 2150 hours), [REDACTED] and [REDACTED] were sitting in the living room watching tv. They heard the sound of a vehicle engine and the sound of tires squealing. They believed the vehicle was coming toward the residence. They had heard the sound of sirens before hearing the vehicle entered the cul de sac. They moved away from the wall because they thought the vehicle was going to collide with the residence. [REDACTED] called 911 and [REDACTED] looked out the window. He saw police vehicles driving through the area. After the police cars drove through the area, [REDACTED] saw the vehicle parked in the driveway of [REDACTED] N Redway Court. It drew their attention because there normally isn't a vehicle in the driveway at that residence. The vehicle was parked in the driveway without any lights on. [REDACTED] did not see anyone exit the vehicle and did not hear any vehicle doors close.

I spoke with [REDACTED] and essentially took the following statement from her. [REDACTED] and [REDACTED] were sitting on the couch and were watching tv in the living room of [REDACTED] N Redway Court. [REDACTED] heard the sound of sirens, then she heard the sound of a "car racing". [REDACTED] stood up from the couch and could see the light from a vehicle's headlights. [REDACTED] thought the car was going to hit the house. [REDACTED] called 911. [REDACTED] and [REDACTED] went into one of the bedrooms with a front facing window and looked out the window. They saw a vehicle in the driveway of [REDACTED] N Redway Court. [REDACTED] never heard anyone exit the vehicle or a door close. [REDACTED] told me that she did not see anyone on foot in the area.

While detectives were searching the area for evidence, they located what appeared to be a black handgun holster in the backyard of [REDACTED] N Redway Road. I stood by with Detective Hartje while he collected the holster for evidence.

I impounded the vehicle with an evidence hold. The vehicle was transported to the Boise Police Department Evidence Lot. The vehicle was placed into a secured indoor garage bay. I took photos of the exterior of the vehicle and secured the vehicle in the garage bay.

I uploaded the photos that I took during the incident onto evidence.com.

Narrative	

On 9/25/24 at approximately 0500 hrs I responded to St. Als Hospital in Room 3438 in the South Tower. My assignment was to watch the suspect, Adam Cook who was being treated for his injuries. I watched Cook from 0500hr to approximately 0700 hrs which was when Cook was transported to the OR room #1 for surgery. At 0720 hrs Officer Salvas relieved me in the OR. I did not exchange any words to Cook. It should be noted he was unconscious the entire time I was in his presence, therefore I did not activate my OBV.

Narrative

On 9/25/24 at approx 1600 hours, I was asked to return to the area of the pursuit from the night before to use my drone to check along the side of the road to see if the suspect had thrown a gun or anything other evidence out the window during the pursuit. I parked at Mitchell and Emerald and checked both sides of Emerald from Mark Stall Plc to Mitchell then up Mitchell to Fairview. I did not locate a firearm or anything out of the ordinary.

I also went to N Redway Ct and N Redway Rd and checked rooftops and rain gutters for the items. I checked all the houses in the cul de sac and then made my way north checking the houses on both sides of the street to the location where the suspect was found in the shed. I did not locate anything.

Narrative	

On Wednesday, September 25, 2024, I assisted with the investigation by helping search for the outstanding firearm once possessed by Suspect COOK, Adam. I searched along W. Emerald from N. Mark Stall to N. Mitchell, and N. Mitchell from W. Emerald to W. Fairview and I was unable to locate any evidence pertinent to the investigation.

Along with fellow officers, I responded to Redway Ct., where COOK's vehicle was abandoned and [REDACTED] N. Redway Rd., where COOK was ultimately apprehended. I searched the property and surrounding areas and was unable to locate the firearm.

I conducted no further investigation.

Narrative

INITIAL RESPONSE/CONTACT:

On 9/24/2024 at approximately 21:28 hours officers were dispatched to an armed robbery that had occurred at a business located at 6919 W. Fairview Ave. Information was provided that a male suspect had entered the business with a gun and had robbed the store. The suspect then fled out of the front doors of the business and headed westbound. Officers then started an area search for the suspect and located an associated vehicle which was a gray in color Jeep Renegade bearing Idaho license plate, [REDACTED] near 1800 N. Cole Rd. A felony stop was then attempted and the vehicle willfully fled from officers. A pursuit was then initiated given the violent felony crime the suspect had just committed coupled with the information that he was involved in several other armed robberies that had occurred in Boise and Nampa.

I was the Sgt. for the bench night shift team, and our team quickly left the police station to assist with the call. As I exited the back parking lot of MSP I could hear radio traffic indicating that the suspect was traveling at a high rate of speed westbound on Emerald from Cole. I then proceeded eastbound on Emerald from Maple Grove towards the direction of the pursuit. Just past the intersection I observed the Jeep traveling westbound towards my location at an estimated speed of 90mph. After quickly passing me the Jeep continued to proceed westbound through Maple Grove. I then completed a quick U-turn and attempted to catch up to the vehicle as it continued westbound towards Mitchell St. There were several officers to the west of my location, and I then started to give updates on the radio of the direction and speeds of the suspect as we were now in direct pursuit of the Jeep. The Jeep then made a right turn (north) onto Mitchell and proceeded northbound again at a high rate of speed. At this point in time I was the fourth officer in pursuit of the Jeep, and I attempted to give radio updates on the direction of the pursuit. Given the capabilities of my patrol vehicle I quickly fell behind as the pursuit continued northbound on Mitchell towards Ustick. As the Jeep approached the intersection of Mitchell and Ustick officers relayed over the radio that a PIT maneuver had been attempted, but the suspect was able to regain control of the Jeep and continued to drive eastbound on Ustick at a high rate of speed.

At this point in time the suspect posed an immediate threat to the public, and officers involved in the incident. We were also aware that the suspect was armed with a gun, had committed a violent felony with the firearm, and had committed several other robberies during the week. Also given the reckless driving pattern of the suspect his continued flight needed to be stopped immediately. With these given facts and wanting to bring this pursuit to a quick and decisive end I authorized officers to utilize extreme measures. After relaying this information over the radio it was updated that the Jeep was still driving eastbound on Ustick almost to the intersection of Cole at relayed speeds of almost 100mph. As the investigation into the robbery continued officers were able to identify Adam Cook as the suspect and he was also associated with the Jeep we were pursuing. LT. Wier then discontinued the pursuit as the Jeep continued

eastbound on Ustick through the intersection of Cole, and officers were able to relay that the Jeep was last seen driving southbound on McKinney from Ustick. With this provided information I then started to direct officers to set up a perimeter around the associated area to see if we could locate the Jeep. As the perimeter was being formulated dispatch received a call that the Jeep was seen parked near [REDACTED] N. Redway Ct. and a subject was seen running from the vehicle. Moments later Officer Yana provided information that he observed Cook jump the fence into the backyard of [REDACTED] N. Redway Rd, and a motion light in the backyard also quickly turned on and off. Officer Yana also stated over the radio that Cook had a firearm in the waistband of the clothing he was wearing. I then directed officers to set an inner perimeter containing the Redway Rd. address along with a larger outer perimeter. I then responded to the scene and took over tactical command of the incident.

Once on scene I parked my patrol vehicle near the front driveway of [REDACTED] N. Redway Rd. I then directed officers to formulate an arrest/emergency reaction team incase Cook attempted to break into a house or move his way out of the perimeter. After this team was formulated I could see that a family was inside of the [REDACTED] N. Redway Rd. address so I then instructed Cpl. Gutierrez to make contact with the family to ensure they have all their exterior doors and windows locked since Cook was last observed jumping into their backyard. I could also see that the residence appeared to be two-storied which would give officers a better view into the back yard, and also increase our tactical advantage on Cook if he was still in the backyard. Once inside Cpl. Gutierrez relayed that there were two separate sheds in the backyard located on the southwest side of the property, and the smaller shed had an open door. As the call progressed several drone pilots responded to the area and started to systematically search the neighborhood and surrounding areas for Cook. I also at this time tasked AFC Gilliam with formulating another arrest/emergency reaction team to the south and west of our location incase Cook had made it out of the backyard prior to containment being set. I also tasked dispatch with sending out a "code red" for the surrounding neighborhood instructing people to stay inside and to call 911 if they see the suspect. By this time several minutes had elapsed and none of the drones had located Cook. This indicated to me that Cook was possibly laying in wait to ambush officers or he had already forced entry into another residence that we were unaware of. I then had Officer Coils and a team of officers make contact with the southern neighbor of the [REDACTED] address, and they were willing to leave the residence for the time being. They also gave officers consent to enter their backyard if needed, and they indicated that they had not seen Cook. Once the house was safely evacuated I advised officers to hold their positions while a tactical consult was conducted by Lt. Wier. Information was also provided that a probable cause search had been conducted of Cook's Jeep and no firearm had been located.

While the tactical consult was being conducted a drone had located Cook in the smaller backyard shed of the [REDACTED] N. Redway Rd. address. Cook then attempted to flee on foot westbound through the backyard, and information was provided that Cook had the gun in the back part of his waistband. Instead of climbing over the western backyard fence Cook ran behind the large shed located in the backyard. As this was occurring information was quickly provided over the radio that Cook had pointed his firearm at

officers. By this time we had tight containment on the property and two separate arrest teams were established. Cpl. Gutierrez and the team of officers inside of the residence had attempted verbal contact with Cook but it was unsuccessful. I then had K-9 Officer C. Bonas and several other officers quickly move to Cpl. Gutierrez's location inside of the residence while contact was being attempted with Cook. Moments later I heard several gunshots, and information was then relayed over the radio that shots had been fired. Information was also relayed that Cook had been shot and that he was currently down.

I then entered the residence to asses what tools and instruments the arrest team would need. The arrest team was located inside of the garage which had a garage door that opened into the backyard. I then requested that an officer retrieve a shield from my patrol vehicle, and also that an officer with a 40mm less lethal munitions launcher respond to our location. The drone pilot then advised that the suspect was laying on his back on the ground and his hands appeared to be clear. The drone pilot was unable to sufficiently clear the area surrounding Cook for any weapons nor could they tell if Cook had any weapons concealed on his person. Cpl. Gutierrez continued during this time to give Cook verbal commands to crawl towards our location at the garage door and Cook refused to comply with the commands that were given to him. At this point in time I was extremely fearful that Cook was still armed or had a weapon in close proximity to his person. I also observed that Cook was approximately 30 feet away from our location at the garage door and there was no cover or concealment that would be provided for officers to cover that distance. Cook was still refusing to crawl to our location, and I did not want to approach him without some form of positive control of his person. I then informed officers that we would utilize the 40mm less lethal munitions launcher in combination with K-9 Officer C. Bonas's patrol dog to make positive contact with Cook, and once the K-9 had apprehended Cook we would drag him back to our location near the garage door. These steps were taken given the violent spree of felony crimes Cook had just committed with a firearm coupled with his verbal non-compliance.

Officer Yana then utilized one 40mm less lethal munitions round that had no effect on Cook. Shortly after the round was deployed K-9 Officer Bonas was able to deploy his patrol K-9 for a successful apprehension, and Cook was dragged away from the immediate area he had been located. Officers were then able to quickly move up and place Cook into custody and the K-9 was removed from the apprehension by K-9 Officer Bonas. Once Cook was in custody officers immediately started to provide medical aid to Cook and paramedics were then advised that the scene was safe for them. As paramedics arrived on scene they started to provide medical aid to Cook, and I then directed a team of officers to check the residence's to the west for any gunshot damage. I also instructed an officer to ride in the ambulance with Cook.

Myself and AFC Gilliam then started CITF protocols and this ended my involvement in the case.

INITIAL CONTACT/RESPONSE:

On September 25th, 2024 at approximately 1700 hours, I was requested to assist in the completion of an article search for a firearm regarding this investigation. I was assigned to conduct a search with Ofc. Crist on the roadway and adjacent to the roadway on Ustick road between McKinney street and Milwaukee street. Ofc. Crist and I completed this search and did not locate anything of evidentiary value.

In continued efforts to locate a firearm, Ofc. Crist and I searched the backyard of [REDACTED] and [REDACTED] McKinney street. Additionally, we searched the backyard of [REDACTED] and [REDACTED] N Redway road. I also visually evaluated the backyard of [REDACTED] W. Ustick Road from the backyard of [REDACTED] Redway road. In these searches, I did not locate anything of evidentiary value.

Narrative	

INITIAL RESPONSE/CONTACT:

On 09/25/2024 at approximately 1600 hours, I was contacted by Lt. Weir and asked to coordinate a team of officers to assist in searching for a possible discarded firearm. I worked with Ofc. Pfau, Ofc. Feldner, Ofc. J. Palic, Ofc. Burch, Cpl. Crist, Ofc. Pap, and Ofc. Creager in an effort to locate a firearm. initially all officers search different areas of the pursuit path of the suspect. Refer to each officers reports for the areas they searched.

I search on N Mitchell St. from W Emerald St. to W Ustick St. I was not able to locate a firearm.

After the believed path of the pursuit was searched, I redirected units back to the area of [REDACTED] Redway Rd. and the area of Redway Ct. where the suspect vehicle had been located. I assisted in searching both areas. I also helped search the back yard of [REDACTED] N Redway Rd. and [REDACTED] N McKinney St. I was not able to locate the firearm at any of these locations.

Narrative	

CSI DUTIES:

On 10/01/2024, I was contacted by Det Hartje informing me the call for service CSO Sherner was assigned to was possibly related to this incident. The call for service was a found handgun outside of Northwest Animal Hospital, 7107 W Fairview Ave. I contacted CSO Sherner via phone, who informed me the items on scene included a firearm and articles of clothing. I then went en route to assist CSO Sherner. While en route, I contact Lt Weir via phone to inform him of the call. Lt Weir then responded to the scene.

While on scene, I assisted CSO Sherner and Lt Weir in providing supplies for the collection of multiple evidentiary items. Additionally, I ran the serial number for the firearm (K327518) in NCIC and ITS. No results were found.

This concludes my involvement in this investigation. See CSO Sherner's supplement for further.

Narrative

INITIAL RESPONSE/CONTACT:

On 10/1/2024, I self assigned to a found property call at the NW Animal Hospital at 7071 W. Fairview Ave.

Upon arrival at 2048 hours, I met with the reporting party, [REDACTED] who is an employee at the hospital in the back parking lot. In summary, [REDACTED] stated she was leaving for work when she observed a pile of clothing in the corner flowerbed near a fence and electrical box. She thought the clothes might have been an employee's and nudged them with her foot to see if there was a distinguishable logo on the clothes. She then observed a handgun in the clothing and called 911.

Johnson called her boss at the hospital and she stated there were no cameras on the outside of the building. She stated no other employee had spoken to her about the clothing, and that other employees would not have to pass the clothing to enter or exit the building.

Lt. Weir and CSO Hartje arrived on scene.

I took overview photos of the scene from the animal hospital sign and nearby street signs of Fairview and El Dorado. I took photos from Fairview along El Dorado to the pile of clothing and gun, which was in the corner of an electrical box and fence. Lt. Weir cleared the gun, removed the magazine, and gave it to me. Lt. Weir also collected a sweatshirt, sweatpants, balaclava, [REDACTED] and [REDACTED] from the scene. The [REDACTED] box was under the clothing, and the bottle was nearby in the dirt, closer to the fence. I took photos of the [REDACTED] box and bottle.

On the other side of the electrical box, I observed and photographed a clean red bottle cap on the concrete base of the box, a silver bottle cap seal nearby the sidewalk, a belt nearby in the dirt by the fence, a brown paper bag nearby in the dirt, and a second red bottle cap under the landscape netting. CSO Hartje collected the red cap on the concrete and gave it to me. I collected the bottle cap seal, second red bottle cap, and belt.

I transported all items to Ada County Property. I took additional overview photos of the gun, magazine, bullets, sweatshirt, sweatpants, balaclava, and belt. I took close up photos of an unknown orange

substance near the trigger of the gun, as well as an unidentifiable stain on the sweatshirt. I also photographed the sweatpants which had a pant leg turned inside out, and I took additional photos of the sweat pants after I put the pant leg right side out. I did not find anything in the pockets of the sweatshirt or pants.

CSO Hartje ran the firearm in NCIC with no results. I searched for the firearm in ITS with no results. I completed an ATF trace form.

Narrative	

Prior Knowledge:

On 09/15/24 at 19:31, an unknown suspect entered Jersey Mike's at 7166 W. Fairview Ave. Boise, Idaho, and proceeded to point a firearm at an employee while demanding money. It was reported the suspect departed the business with \$500. It was later discovered the unknown suspect had stolen the employee's vehicle after departing the business and driven it to the area of N. Maple Grove Rd. and W. Northview St. Boise, Idaho.

09/19/24 at 20:20, an unknown suspect wearing a black hooded sweatshirt and blue bandana with a gun placed in their waistband entered the Boba Stop at 622 12th Ave. S. Nampa, Idaho and demanded money from an employee. It was reported the suspect departed the business with an unknown amount of money.

On 09/21/24 at 21:28, an unknown suspect entered Subway at 6892 W. Overland Rd. Boise, Idaho, and proceeded to brandish a firearm while demanding money from an employee. It was reported the suspect departed the business with \$568.51.

Investigators believed the same individual was responsible for the three robberies. The Nampa Police Department would later tentatively identify a Adam Cook as a suspect and provided an associated vehicle. The vehicle was identified as a gray, 2017 Jeep Renegade displaying Idaho license plates [REDACTED] On 09/24/24, a law enforcement sensitive e-mail was sent by the Crime Analysis Unit to members of the Boise Police Department which documented this information.

Initial Response:

On 09/24/24 at 23:20, I became aware of an armed robbery that occurred at Adam and Eve, located at 6919 W. Fairview Ave. Boise, Idaho. During the investigation, a subsequent vehicle pursuit and officer-involved shooting occurred. Detective Sgt. J. Kendall tasked me with assisting Detective C. Wirshing in investigating the armed robbery, eluding, and the suspect's residence. Detective Wirshing later asked me to respond to [REDACTED] Redway Ct. Boise, Idaho, to process the vehicle the suspect was operating while eluding law enforcement. I learned that law enforcement made multiple unsuccessful attempts to execute the pursuit intervention technique during the vehicle pursuit.

[REDACTED] Redway Ct. Boise, Idaho:

Upon arriving at the location, I met and spoke with Officer J. Featherly. Officer Featherly indicated the vehicle was parked on the driveway. The vehicle was identified as a gray Jeep Renegade, displaying Idaho license plates [REDACTED] A records check identified the registered owner as Adam Cook, with a listed address of [REDACTED] Boise, Idaho.

Jeep Renegade [REDACTED]

Supplemental Report**

RD: 43

DR# 2024-414665

1. Incident Topic ASSAULT WITH THE INTENT TO COMMIT A SERIOUS FELONY FLEEING OR ATTEMPTING TO ELUDE AN OFFICER (FELONY) ROBBERY		2. Subject/Victim's Name [REDACTED]	
3. Address 6919 W FAIRVIEW AVE , BOISE		4. Phone	
5. Date Occurred 09/24/2024	6. Time Occured 21:25	7. Route To County Prosecutor	8. Division PERSONS

While viewing the vehicle's exterior, I saw moderate damage on the driver and passenger sides, consistent with attempts to execute the pursuit intervention technique. The front driver-side tire was deflated, and the window was rolled down.

While viewing the vehicle's interior, I saw a blue cloth bandanna (AH1) and a blue exam glove (AH5) placed on the driver's seat. I was previously aware of an armed robbery that occurred in Nampa, Idaho, on 09/19/24. The Nampa Police Department documented this incident, case number N24-54338. I reviewed video footage of the armed robbery, in which the suspect is seen wearing a blue cloth bandana and gloves. Investigators would later tentatively identify the suspect as Cook.

The vehicle was registered to Cook, who had been tentatively identified as a suspect in an armed robbery that occurred in Nampa. The vehicle had been located shortly after an armed robbery occurred in Boise and subsequently eluded law enforcement. Both AH1 and AH5 were in plain view and believed to be evidence of the armed robbery that occurred in Nampa. Understanding the vehicle would be towed to a secure Boise Police Department property, without the ability to secure the front driver-side window, a search of the vehicle was conducted to preserve any inculpatory or exculpatory evidence. During the search, the following items were located and seized:

AH1: blue cloth bandanna located on the driver seat.

AH2: blue and gray Hurley hat located on the passenger floorboard.

AH3: open box of blue Equate nitrile exam gloves located on the passenger floorboard.

AH4: black sunglasses located on the passenger floorboard.

AH5: (2) blue exam gloves located on the driver seat and driver floorboard.

AH8: twenty-eight USD (one twenty-dollar bill and eight one-dollar bills) located underneath the passenger seat.

The listed items were later transported and stored at the Boise Police Department, Criminal Investigation Division's secure property room, locker number two. The items were transported to the Ada County Sheriff's Office Property and Evidence on 09/25/24.

Area Canvass:

[REDACTED] Redway Ct. Boise, Idaho:

The residence has a video doorbell. The surveillance video was reviewed, and it was determined that it had not captured anything of evidentiary value. The property, specifically the front yard and trash/recycle cans, were searched, and nothing of evidentiary value was located.

1. Incident Topic ASSAULT WITH THE INTENT TO COMMIT A SERIOUS FELONY FLEEING OR ATTEMPTING TO ELUDE AN OFFICER (FELONY) ROBBERY		2. Subject/Victim's Name [REDACTED]	
3. Address 6919 W FAIRVIEW AVE , BOISE		4. Phone	
5. Date Occurred 09/24/2024	6. Time Occured 21:25	7. Route To County Prosecutor	8. Division PERSONS

The residence has a video doorbell. The surveillance video was reviewed and it was determined that it had captured the Jeep Renegade driving in the area. The video begins at 21:45:49 and lasts four minutes and twenty seconds. At 21:48:45, the vehicle is seen driving northbound on N. Redway Rd. before turning eastbound onto Redway Ct. The vehicle is driving at such a high speed that the tires can be heard squealing as it negotiates the turning movement. At 21:48:50, the vehicle is seen turning southbound onto the driveway of [REDACTED] Redway Ct., where it is no longer in camera view. The vehicle is driving so at such a high speed that the tires can be heard squealing as it negotiates the turning movement. Between 21:48:50 and 21:50:25, vehicle doors are heard opening/closing, and property is heard being moved. After 21:50:25, nothing else is seen or heard. I uploaded this video to www.evidence.com.

[REDACTED] Redway Ct. Boise, Idaho:

The residents of [REDACTED] Redway Ct. had called emergency services about the vehicle shortly after it had parked on the driveway of [REDACTED] Redway Ct. Officer J. Featherly spoke with the residents and informed me they had not observed anyone near the vehicle. See Officer Featherly's supplemental report for additional information.

[REDACTED] Redway Ct. Boise, Idaho:

The residence has a video doorbell and exterior cameras. I left my business card and later received a phone call from [REDACTED] who identified his address as [REDACTED] Redway Ct. [REDACTED] explained that he had reviewed his surveillance videos and determined they hadn't captured anything related to the law enforcement presence in the area.

Additional Evidentiary Items:

While conducting the area canvass, I was notified by Critical Incident Task Force investigators that the following items of evidentiary value had been located:

AH6: Fairfield by Marriott, black cloth beanie located in the front yard of [REDACTED] N. Redway Rd. See photos uploaded to www.evidence.com.

AH7: Uncle Mike's Sidekick, black fabric holster located in the front yard of [REDACTED] N. Redway Rd. See photos uploaded to www.evidence.com.

[REDACTED] Boise, Idaho:

I later responded to [REDACTED] Boise, Idaho, to assist Detective Wirshing in executing a search warrant. The apartment was occupied by [REDACTED] During the search warrant, [REDACTED] consented to a search of a secure storage shed located near her apartment as well as her vehicle. The secure

Probable Cause

On the above listed date and time, Officers responded to Adam & Eve located at 6919 W Fairview Ave in Boise, Idaho for an armed robbery that had just occurred. Officers responded to the scene and spoke to employees [REDACTED] who advised that a male suspect wearing a black jacket with the hood pulled over his head, black sweatpants, blue medical gloves on his hands, and a black bandana over his face walked into the store while brandishing and gripping a silver pistol in the front of his waistband. They advised that the man pulled out the silver pistol, pointed it in the direction of both of them, instructed them to put their phones away, and to access the cash register. They advised that they complied with the suspects commands, the suspect put the gun away, and [REDACTED] gave him approximately \$400 in cash before the suspect left the store Westbound through the parking lot.

Officers also spoke to Subway employee [REDACTED] located at 6931 W Fairview Ave who advised that she saw a man wearing dark clothing walk Westbound in front of her store in the parking lot and then Southbound on N McKinney Ln before Officers arrived on scene.

Officers recognized that the suspect described matched the description of suspect Adam Cook who was involved in a string of recent armed robberies in the area and located a 2017 grey Jeep Renegade bearing Idaho plate [REDACTED] that was known to be related to Adam near Fairview Ave / Cole Rd. Officers attempted to conduct a traffic stop on the suspect vehicle before it fled at a high rate of speed.

Adam and Eve manager [REDACTED] later responded to the scene and advised to Officers that there was a \$425.20 negative discrepancy when she balanced the cash drawer in the register.

Narrative

INITIAL RESPONSE/CONTACT: On 10/5/2024 I was assigned to guard suspect Adam L Cook at St. Alphonsus hospital Rm # 5213. Shortly after 7 am I was advised by hospital staff, Adam Cook would be released from the hospital.

I notified Sgt Phan and Lt. Brady of Cook's up coming release. I contacted Ada County records and confirmed Adam L Cook [REDACTED] had a current active felony warrant for robbery.

at 1105 Adam Cook was released from hospital care. I advised Adam Cook he was under arrest for a felony warrant of Robbery. Ada County deputies arrived at the hospital and assisted with putting on ankle cuffs and a belly chain handcuffs on Cook.

Cook was transported to Ada County by deputies. Once we arrived I was given a paper copy of the warrant. I advised Adam L. Cook of his warrant was for (3) counts of robbery and (1) count of Use of a

Narrative

On 9/25/2024, Detective C Wirshing asked that I call [REDACTED] and inquire about Adam L Cook's phone number.

I called [REDACTED], introduced myself, and I asked about a phone number for Adam. I learned that approximately three - four weeks ago, Adam and [REDACTED] had gotten into an argument and he threw his phone and shattered it. She told me that his phone was currently not working and they were waiting on the insurance company for him to get a new phone. However, [REDACTED] did provide me with his phone number, [REDACTED] (T-Mobile).

I asked [REDACTED] how she communicated with Adam if he did not have a phone. She told me that the two of them would communicate via Facebook Messenger. I learned that Adam would access Facebook Messenger with the use of her laptop while he was at home. However, she did not know how he would access the application when he was out of the house. She hoped that when Adam was not at the house, that he would likely be with someone that could provide him with access to Facebook Messenger. [REDACTED] provided me with a link to Adam's personal Facebook profile, [REDACTED]. [REDACTED] She did tell me that on the night of the incident she had messaged Adam on Facebook Messenger. She asked him where he was and then told him that the police were outside of their residence. [REDACTED] told me that Adam never responded.

I asked [REDACTED] if Adam had any email addresses. She provided me with the following:

AREA CANVAS - VIDEO:

Big O Tires - 7199 W Fairview Ave Boise, Idaho:

On 10/2/2024 I met with [REDACTED] at Big O Tires. The business is located on the south side of W Fairview Ave and neighbors Northwest Animal Hospital to the west. Northwest Animal Hospital is the property where the clothing and firearm that are believed to be related to this incident were located on 10/1/2024. [REDACTED] provided me with exterior video footage from the night of the incident. I reviewed the video footage for anything that may be related to the investigation. Unfortunately there cameras do not capture any of the Northwest Animal Hospital property and I was unable to see the suspect or the suspect's vehicle. traveling on W Fairview Ave or within the Big O Tire / Albertsons' parking lot.

It should be noted that the time of the video footage is not accurate. The time on the footage is off by 15 minutes. To confirm this, I looked at the live footage time and compared it to the time on my department issued Apple iPhone.

Actual time: 0907 Hours.

Time on footage: 0852 Hours.

The video footage was provided to me on a thumb drive. The footage was downloaded to Evidence.com and the USB thumb drive was booked into evidence at the CID Property Room (Item# MC2).

Standard Restaurant Supply - 6910 W Fairview Ave Boise, Idaho:

On 10/2/2024 I met with [REDACTED] at Standard Restaurant Supply. The business is located across W Fairview Ave from the Adam and Eve store. There are several surveillance cameras located on the exterior of the building, one of which captures the south side of W Fairview, including the majority of the shopping plaza where Adam and Eve is located (The Orchards Center at Fairview). [REDACTED] provided me video footage from the date/time of the incident that appears to capture the robbery suspect arriving and fleeing the area.

It should be noted that the time of the video footage is not accurate. The time on the footage is off by 47 minutes. To confirm this, I looked at the live footage time and compared it to the time on my department issued Apple iPhone.

Actual time: 0930 Hours.

Time on footage: 0843 Hours.

2034 Hours (Actual - 2121 Hours):

An individual, who appears to be the suspect, is captured walking east on the south side of W Fairview Ave. The individual is first captured walking east from the general area of TT Auto Stales (7051 W Fairview Ave Boise). The individual walks east across N McKinney St and proceeds to walk south on east side of N McKinney St. The individual continues south until he is not longer seen on the footage and he is obstructed by some trees located on the west side of the shopping plaza.

2036 Hours (Actual - 2123 Hours):

The individual reappears in the footage and walks into the shopping plaza parking lot from the southwest corner of the property. The individual steps on to the shopping plaza sidewalk and walks east in front of the Subway, Freedom Title Loans, and the Adam and Eve store fronts. The person steps off the sidewalk, walks in a north east direction through the parking lot and continues walking until he leaves the footage.

2038 Hours (Actual - 2125 Hours):

DR# 2024-414665

1. Incident Topic ASSAULT WITH THE INTENT TO COMMIT A SERIOUS FELONY FLEEING OR ATTEMPTING TO ELUDE AN OFFICER (FELONY) ROBBERY		2. Subject/Victim's Name [REDACTED]	
3. Address 6919 W FAIRVIEW AVE , BOISE		4. Phone [REDACTED]	
5. Date Occurred 09/24/2024	6. Time Occured 21:25	7. Route To County Prosecutor	8. Division PERSONS

The individual reappears on the footage, walking south west through the shopping plaza parking lot. The person steps on to the sidewalk located in front of the Adam and Eve store front and appears to enter the store through the front door. This matches the time timestamp captured on the video surveillance from the Adam and Eve store.

At this same time, an unknown person who appears to be wearing a backpack is captured walking east through Mr. Bail business complex, toward the Orchards Center at Fairview shopping complex. This individual is likely the unknown female documented within the Freedom Title Loans' video, see below.

2039 Hours (Actual - 2126 Hours):

The individual exits the Adam and Eve store and initially walks to the east. However, the person quickly turns around and walks west in front of the Adam and Eve, Freedom Title Loans and Subway store fronts. Once the suspect passes the Subway store front, he runs southwest through the parking lot, and appears to continue south on N McKinney St. Seconds later, a dark object can be seen moving west across N McKinney St.

Just prior to the suspect exiting the Adam and Eve store, the unknown female wearing the backpack walks east bound in front of the store. The female continues east out of the footage, but is then captured walking back west behind the suspect as he approaches N McKinney St. The female hangs out on the property of the shopping plaza until being allowed inside of the Subway by [REDACTED]

2044 Hours (Actual - 2131 Hours):

Boise Police patrol vehicles are observed arriving on scene.

The video footage was provided to me on a thumb drive. The footage was downloaded to Evidence.com and the USB thumb drive was booked into evidence at the CID Property Room (Item# MC1).

Freedom Title Loans - 6927 W Fairview Ave Boise, Idaho:

On 10/2/2024 I spoke on the phone with the [REDACTED] of Freedom Title Loans, [REDACTED]. Freedom Title Loans is located in the same building as Adam and Eve and the two businesses share a wall. [REDACTED] confirmed that the business does have exterior video surveillance. On 10/3/2024, [REDACTED] called me and told me that a USB thumb drive was at the business that contained the footage I had requested.

Based on the above documented video footage, I know that the time stamps on the Freedom Title Loans is also not accurate. I called [REDACTED] and attempted to confirm the exact difference in time. I was

unsuccessful in doing this because she was unable to confirm the time on the live footage. However, she did know that they have been having issues with their security system and that the time was not accurate. [REDACTED] provided me with footage from two different cameras. Once camera is located outside and just above their front door. The other camera is located inside of the business and captures the parking lot / sidewalk located in front of their store through the large glass windows.

9:07:23 PM:

The suspect is captured walking in front of the store, east bound on the sidewalk. Based on the footage from Standard Restaurant Supply, the suspect is about to commit the robbery. The suspect is wearing a black long-sleeved hoody/shirt, black colored pants, and dark colored shoes with distinct white stripes on the sides. The suspect is not wearing a mask at this time. It appears that the suspect is a light skinned male with dark colored facial hair. As the male passes by the camera, it appears that he is wearing a white colored shirt underneath his dark colored long-sleeve shirt/sweatshirt. The white t-shirt can be seen at the back of his neck, and hanging out at the bottom of his dark colored long-sleeve shirt/sweatshirt.

This clothing matches the clothing that the suspect was wearing at the time of the Adam and Eve robbery.

9:10:08 PM:

An unknown female wearing a black colored baseball hat, brown colored top, black backpack, black pants, and brown boots follows the suspect's path, east bound on the sidewalk.

9:10:42 PM:

The suspect is captured walking in front of the store, now west bound on the sidewalk. Based on the footage from Standard Restaurant Supply, the suspect likely just committed the robbery at Adam and Eve and is fleeing the scene. Due to the lighting, the suspect's face/head cannot be seen. The suspect's left hand appears to be concealed within the front left pocket of his pants. As he walks through the footage, a blue colored item/object can be seen near his front left pocket. At the time of the robbery it was reported that the suspect was wearing blue colored medical gloves.

9:10:58 PM:

The unknown female wearing a black colored baseball hat, brown colored top, black backpack, black pants, and brown boots follows the suspect's path, west bound on the sidewalk.

9:11:20 PM:

The unknown female wearing a black colored baseball hat, brown colored top, black backpack, black pants, and brown boots walks back east bound on the sidewalk.

9:12:38 PM:

The unknown female wearing a black colored baseball hat, brown colored top, black backpack, black pants, and brown boots walks back east bound on the sidewalk.

9:13:20 PM:

An unknown elderly male wearing a blue colored button-up shirt, black colored pants, and black colored shoes walks west on the sidewalk.

9:14:57 PM:

[REDACTED], a Subway employee opens the Subway door and allows the previously mentioned female wearing the brown colored top into Subway.

9:15:40 PM:

A Boise Police patrol vehicle arrives on scene. After several officers arrive on scene, they make contact with [REDACTED] and the unknown female wearing the brown colored top.

The video footage was provided to me on a thumb drive. The footage was downloaded to Evidence.com and the USB thumb drive was booked into evidence at the CID Property Room (Item# MC3).

Unknown Female - Potential Witness:

Due to the above mentioned unknown female likely being a witness to the robbery, I attempted to identify her and hoped to interview her about what she may have seen or heard at the time of the incident.

I contacted [REDACTED] (Subway employee) on the phone and inquired about the unknown female. [REDACTED] told me that she did not know who the female was. At the approximate time of the robbery, [REDACTED] had seen the female hanging out at the nearby dumpster and she appeared to be in distress. This is why [REDACTED] opened her door and allowed the female inside. [REDACTED] explained that the female was clearly under the influence of illegal drugs and had two black eyes. The unidentified female had told her that her boyfriend had just battered her and that she had been walking for quite sometime. At some point after the police had arrived, the female left the area.

I reviewed Officer T Gilliam's OBV and confirmed that officers had made contact with [REDACTED] and the unknown female when they initially arrived on scene. However, the female left prior to her being interviewed and she was never identified.

At this time (10/7/2024) the identity of this potential witness is unknown.

Narrative

On 9/26/2024, I was operating in my capacity as a member of the 4900 team with a unit designator of 4915. At 1400 hours, Lt Weir tasked me to respond to the area where the suspect's vehicle related to this crime was located. He asked that I join a team that was searching the area for the gun used in this crime.

I began my search at the CVS at Cole Rd/Fairview Rd and traced the route of the vehicle pursuit. I visually searched the roadside from that location, south on Cole Rd to Emerald St, then west on Emerald St to Mitchell St, then north on Mitchell St to approximately Northview St. At that location, I was met by AFC Gilliam who advised that the search team who had started at the scene of the OIS and worked their way back towards the CVS, retracing the route of the vehicle pursuit in the opposite direction as my team, had already reached Northview St.

Both search teams then grouped together and decided to return to the area where the suspect's vehicle was located and search the area between there and the OIS scene. I visually searched the area where the vehicle had been located with the aid of a metal detector. After not finding the gun in that location, the team responded to [REDACTED] N Redway Rd, the scene of the OIS. We spoke with the homeowner there and received consent to search his backyard for the firearm. Officers extensively searched that backyard and many of the surrounding yards. However, the handgun was not located.

While speaking with the homeowner at [REDACTED] N Redway Rd, he advised that the security camera on his shed in his back yard had captured the suspect, identified as Adam Cook, making entry into his back yard. I asked to view that video and he was able to send it to my department issued cell phone. The video starts with the Cook in a seated position (the security camera is motion activated and it apparently took a few seconds for the camera to recognize the motion of Cook jumping over the fence and falling to the ground), facing the fence that he had reportedly just jumped over while evading Officer Yanna. Cook's back is to the camera at the beginning of the video as he faces the fence and Officer Yanna's approximate position. Cook's weight is shifted onto his left hip pocket and his right arm appears to be raised. He is also leaning back and his weight is supported by his left hand which is planted on the ground.

After spending approximately one second on the ground in that position (again, the video starts with him already in that position so there is no way to know how long he was in that position prior to the video starting), Cook rolls over into a kneeling position, now facing away from the fence, and supports his weight on his hands while on the balls of his feet as he prepares to continue running away from Officer Yanna. When Cook's right hand comes into view and hits the ground, there appears to be an unknown object in his right hand.

Narrative	

On 09/25/2024 AFC Gilliam requested that assist in conducting a search for the gun from this incident. I used my marked patrol vehicle and started at the CVS parking lot at Fairview and Cole road. From there I proceeded south on Cole, stopping to check landscaping that was near the roadway. From Cole I drove west on Emerald, stopping to check landscaping and the two canals that Emerald crosses over. I continued west on Emerald to Mitchell where I began to travel northbound on Mitchell. I continued checking the area until W Rifleman Street where I discontinued my search. At no point did I locate the gun during my search of the pursuit route.

I then responded to Redway Ct. where the suspect vehicle had been located as well as [REDACTED] N. Redway Road where Cook was apprehended. I search the area of both locations and properties and was unable to locate the firearm.

The concludes my involvement in this incident.

Narrative

INITIAL RESPONSE/CONTACT:

On 10/08/2024 I received a firearm trace summary from The Bureau of Alcohol, Tobacco, Firearms and Explosives national tracing center. As part of Boise Police policy, when a firearm is recovered in an investigation such as this, it is seized and the serial number is sent to the ATF so they can determine who is the original purchaser of the gun. The information from the ATF identified the seized gun as a .45 caliber, Kimber model STAINLESS TLE/RL II. The serial number is K327518. The ATF document also stated the gun was originally purchased by [REDACTED], on 03/08/2011. As a detective, part of my job is to contact the original purchaser and ask if they know where the gun is located now. Often these guns have legally changed ownership. These guns also have also often been stolen, but the owner does not know and has not yet reported the gun as stolen.

I attempted to call [REDACTED] but his phone went directly to voicemail. On 10/08/2024 Detective Canfield and I went to the [REDACTED] residence, located at [REDACTED]. We met with both [REDACTED] and his [REDACTED] after being invited into their home. I told [REDACTED] that I was there because Boise Police had recovered a stainless steel Kimber 1911 that was registered to him. He immediately said "Adam stole my gun?" I had not mentioned Adam's name and was surprised by his statement. [REDACTED] immediately left the front room and went into his bedroom. He came back out and confirmed his Kimber 1911 handgun was not in his drawer, where he always keeps it. [REDACTED] then asked if this was the gun Adam used to commit the robbery. It was clear that [REDACTED] and [REDACTED] are known to Adam Cook, but I did not yet know the relationship.

1. Incident Topic ASSAULT WITH THE INTENT TO COMMIT A SERIOUS FELONY FLEEING OR ATTEMPTING TO ELUDE AN OFFICER (FELONY) ROBBERY		2. Subject/Victim's Name [REDACTED]	
3. Address 6919 W FAIRVIEW AVE , BOISE		4. Phone [REDACTED]	
5. Date Occurred 09/24/2024	6. Time Occured 21:25	7. Route To County Prosecutor	8. Division PERSONS

[REDACTED] explained that [REDACTED] is Adam Cook's girlfriend and mother of his child. This child was currently in the care of [REDACTED] since they watch him while she is at work. This child is approximately 1 year old. [REDACTED] and [REDACTED] confirmed that Adam would come to their home to drop the child off and he confirmed that [REDACTED] has their door code. It is important to note, there is nothing to suggest [REDACTED] is in anyway involved in the theft of this gun or any of the robberies.

[REDACTED] told me that he has a gun safe, but he keeps this particular firearm in his dresser drawer. He explained that there were two clips (magazines) with the gun. One was gone, the other had been left behind in his drawer. He further explained the gun was in a nylon holster, that is also missing. He claimed his .38 caliber gun is still in the drawer and was not taken. When I asked [REDACTED] if he wanted to be a victim of the gun theft, he adamantly said, "Yes, that's bullshit." [REDACTED] indicated to me that this gun was taken without his permission and he does not know how Adam knew a gun would be in his drawer or how Adam got to the gun. [REDACTED] believes Adam must have taken the gun when he was in their home spending time together. He believes it is possible that Adam came inside from the backyard to use the bathroom, and stole the gun.

[REDACTED] claims that he believes he last saw the gun in the drawer one month ago. He again told me the gun was in his dresser drawer in his bedroom. He does not know of anything else missing in their home. [REDACTED] still has the box and paperwork from the original purchase gun purchase. He provided the paperwork, which was photographed and documented by Detective Canfield. [REDACTED] also provided the magazine that was left behind. This is the matching magazine from the stolen firearm. [REDACTED] claimed this magazine was loaded with the same type of ammunition that was loaded in his gun, when it was stolen. Both [REDACTED] and [REDACTED] told me, they did not give this gun to Adam.

[REDACTED] told me they have cameras on the exterior of his residence that alert him when someone comes to his residence. He also claims the backdoor has a triple lock, that can not be bypassed. He has no damaged windows or doors that would suggest someone broke into the home. [REDACTED] strongly believes the gun was taken when Cook was invited into his home.

On 10/09/2024 I again met with [REDACTED] at his home. I took a property invoice to him for the property I took the previous day. I also wanted to show him a picture of the nylon holster that was seized outside of Cook's Jeep after he fled from the police. [REDACTED] looked at the full page color photograph of the black nylon holster and confirmed that this holster appeared the same as the one that was stolen from his home, when the gun was taken.

CONCLUSION & REQUEST FOR CHARGES:

Based on the entirety of this investigation, it is clear Adam Cook took [REDACTED] .45 caliber

Narrative	

10/8/2024 - KIMBER 1911 RELATED EVIDENCE:

On 10/8/2024 I assisted Detective C Wirshing while he spoke with [REDACTED] at their residence, [REDACTED]. During the interview, [REDACTED] discovered that his Kimber 1911 .45 semiautomatic pistol was missing from his bedroom. [REDACTED] provided the original box that once contained the firearm and a second magazine that was still in his possession.

Kimber Box:

The black colored Kimber box had a sticker containing the following information:

Serial: K327518 - Matches the serial number found on the recovered Kimber 1911.

Status: New

Calib: 45ACP

Action: Semi

Barrel: ACIMX

Choke: NIB/11

Within the box was the Kimber operation manual and other documents related to Kimber firearms.

This item was not seized as evidence and was returned to [REDACTED]. Photographs of the box were uploaded to Evidence.com.

Silver colored Kimber 45 ACP magazine:

The magazine contained seven .45 caliber cartridges. The cartridges had the following head stamps.

T W 5 - Four cartridges - Matches two of the cartridges found within the recovered Kimber 1911.

6 W CC 1 - One cartridge.

E C S 4 3 - One cartridge - Matches four of the cartridges found within the recovered Kimber 1911.

5 F C 3 - One cartridge.

The magazine and the cartridges were booked into evidence at the CID Property Room under the following item numbers, MC4, MC4.a, MC4.b, MC4.c, and MC4.d. Photographs of the magazine and the cartridges were uploaded to Evidence.com.

Surveillance Video:

Saint Mark's Catholic School at 7503 W. Northview St. Boise, Idaho:

- On 10/01/24, I arrived at St. Marks Catholic School to obtain surveillance video which had previously been viewed and determined to hold evidentiary value. I met with the [REDACTED] and provided her with a USB which she transferred the video surveillance onto and returned to me. I later provided the USB to Detective C. Wirshing.

Cole Professional Campus at 2304 N. Cole Rd. Boise, Idaho:

- On 10/01/24, I met and spoke with [REDACTED], who is employed at the Cole Professional Campus. [REDACTED] reviewed surveillance video on the evening of 09/15/24, which captured Adam Cook walking south on N. Cole Rd. Cook is seen crossing the street to the east side of N. Cole Rd. before continuing to walk south and is no longer in camera view. I sent [REDACTED] a community request through www.evidence.com and he later uploaded a single video file.

TT Auto Sales LLC at 7051 W. Fairview Ave. Boise, Idaho:

- On 10/02/24 I met and spoke with [REDACTED], who confirmed they had several surveillance cameras affixed to the exterior of the building. Upson attempted to review the surveillance videos on 09/24/24 between 2045 and 2145 but had difficulty doing so. [REDACTED] explained the owner would be able to access the surveillance videos and provide them to me when he returned to the business. [REDACTED] provided me the owner's e-mail address: [REDACTED] I sent the email address a community request through www.evidence.com which [REDACTED] said he would ensure the owner uploaded.

Idaho Disability Determination Unit at 1505 N. McKinney St. Boise, Idaho:

- On 10/02/24 I determined the listed address [REDACTED]

Narrative

INITIAL RESPONSE/CONTACT: On 10/1/2024, CSO Hartje contacted me by phone and advised that she was to notify me if the suspected gun from the armed robbery was located. She stated that CSO Sherner was currently on a call at the NW Animal Hospital at 7107 Fairview Ave with a found gun and clothing that was suspected to be related to the armed robbery from the Adam and Eve on 9/24/24. As I drove to the scene, I noted that the Adam and Eve is in the 6900 Block of Fairview and that the location of the found firearm was approximately 2 blocks to the West of their location. Due to the related OIS, I asked CSO Hartje to request that CSO Sherner not move any of the items until it was approved by CID.

I then contacted Lt Linn and asked if he wanted BPD to collect the clothing and firearm or if he wanted Meridian Police to do it for any CITF needs. He advised that he would make notifications and get back to me. I then arrived on scene and spoke with the CP and both CSO's on scene. The witness stated that she worked at the animal clinic and as she was leaving work and getting into her car, she saw a jacket on the ground. She stated that she thought the jacket possibly belonged to one of her coworkers and moved it with her foot. She stated that as she moved the clothing with her foot, she saw a handgun was wrapped up in it and called Dispatch. I asked her if the Animal Clinic had surveillance cameras and [REDACTED] CSO Sherner got all of her information and Lt Linn advised that she could leave. We then released her from the scene.

Lt Linn also advised that we could collect the items and requested that we have them processed for touch DNA and fingerprints. I looked at the clothing, which was in a flower bed next to an electrical panel in the back parking lot of the Animal Clinic. The location of the items was in the back employee parking lot closest to El Dorado. I then double gloved my hands and picked up the handgun. It was a silver Kimber 1911 and I recalled that while working the initial armed robbery call, I was told that the gun was a silver/black 1911-style handgun. I then removed the magazine, which had rounds in it. I then racked the slide and locked it open, noting that there was not a round in the chamber. I then placed the cleared gun into a gun box that CSO Sherner had opened. She then took custody of the gun and loaded magazine. I then picked up the clothing, noting that the jacket was a black hoodie with a large white logo on it, along with a black pair of sweat pants. It should be noted that one of the pant legs from the sweats was turned inside out. Right next to the clothing was a black balaclava. I picked up all items and placed them in separate bags that CSO Sherner held and took custody of.

As I picked up the last item, I noticed a small, white and red box that was packaging for [REDACTED]. The box appeared to be new and did not show any discoloration or deterioration from being out in the elements. I found it odd that it was under the pile of clothing and appeared to be new. Given the condition of the box and that citric acid is used for cleaning, I suspected that it may have been used by the suspect to attempt to eliminate evidence on the gun. CSO Hartje then Googled [REDACTED] and told me that a search item in Google was for using [REDACTED] to eliminate fingerprints. I then

collected the box and gave it to CSO Shermer. Next to the fence line and to the North of the electrical panel, I saw a small dark bottle that I suspected was the empty bottle of [REDACTED]

After CSO Shermer photographed it, I used my pen to lift the bottle off the ground and saw that it was an empty bottle of [REDACTED] and that it had very faint dust on it. Given that the armed robbery was last week and that it did not appear that it had rained since then, it appeared to me that the bottle could have been there from the robbery on 9/24. There was a red bottle cap that looked as if it was the cap to the bottle on the East side of the concrete footing for the electrical panel. It too, looked new and did not show any signs of being out in the elements for very long. While CSO Shermer was photographing the bottle, she moved a piece of landscaping fabric with her foot, and I saw a second red bottle cap, which was under the fabric.

It appeared as if that cap was identical to the other cap but appeared to be dirtier. Given that the suspect from the Adam and Eve robbery is also suspected of robbing the Jersey Mike's shop on 9/15/24, it is possible that the second cap was from that robbery and the suspect dumped the clothing and gun at the same location and used another [REDACTED] immediately after that robbery. We collected the second cap but did not locate the matching bottle or the packaging. As she was collecting the caps, I saw a small, white piece of plastic that appeared to be the safety seal from the bottle. It also looked new and had ants around it. CSO Shermer photographed and collected it as well. I then continued to look around the immediate area and located a black, cloth belt with a black buckle on it, a few feet to the North of the two bottle caps. The belt was dusty and was laying in the bark next to the fence line. CSO Shermer also photographed and collected it as well.

Given the amount of evidence located in the area, I contacted Lt Linn and asked him if he wanted me to continue collecting the evidence or if he wanted to send detectives out, as I believe that the items are related to the armed robberies. Lt Linn advised that he wanted me to collect the items. At the time of this supplement, all items have been turned over to CSO Shermer and instructed to have BPD Crime Lab process them for prints and touch DNA.

As I was clearing the scene, I drove through a parking lot that is one block South of Fairview and immediately to the East of where the items were found. As I drove through the parking lot, I noticed that it was not well lit and was a direct pass thru to the back part of the business complex where Adam and Eve is located. This looked like it could have been the egress route of the suspect from the armed robbery to the location where the clothes and gun were located. There is a small two story business park to the South of the parking lot off El Dorado that I drove through, but given how dark it was, I did not look for additional cameras.

Narrative

On 09/24/24, I was working as the Bench Area Supervisor. I responded to an Armed Robbery Just Occurred at the "Adam & Eve" business on Fairview Ave. Boise and other Valley cities had recent robberies involving what appeared to be the same suspect. Earlier in the shift, an awareness bulletin was distributed via department email advising personnel of a possible suspect in the robberies. The bulletin identified Adam Cook as a potential suspect. Included in that bulletin was a possible address of [REDACTED], a girlfriend and two vehicles. One of the vehicles was a Gray 2017 Jeep Renegade, Idaho Lic # [REDACTED]. The second vehicle was a Black 2017 Volkswagon Jetta, Idaho Lic # [REDACTED].

I responded to the Cole Rd address and took over supervision of a team to check the complex for the vehicles and see if the current robbery suspect showed up there. Officer Claiborn, Cooper, Major and C. Johnson prepared to check the parking lot. While doing so, information from officers on the scene was broadcasted that the current robbery suspect matched the description (masked and purple gloves) of the previous robberies.

Officer Claiborn and Cooper drove a patrol vehicle into the parking lot and got out on foot. Officer Major went in on foot as well. A short time later, they advised over the radio that a Jeep Renegade was driving through the parking lot slowly. It should be noted that 1800 N Cole Rd is down the street from the Adam & Eve. Officers advised the vehicle circled the parking lot and headed out back towards Cole Rd.

I located the vehicle as it was turning S/B onto Cole Rd. I pulled behind it and observed the license plate ([REDACTED]) matched the Renegade plate in the bulletin. Seconds after I pulled in behind the vehicle, it turned into the nearby CVS store lot on the N/W corner of Cole Rd / Fairview Ave. I followed. The vehicle drove a short distance through the parking lot and started to exit back out onto Cole Rd. Based on the above information I believed the vehicle was being driven by the robbery suspect. Therefore, I initiated a traffic stop. At the same time, another officer pulled into the driveway from Cole Rd and ended up in front of the vehicle.

The suspect vehicle stopped. I gave the male driver orders to place his hands outside the window. The male complied but put his hands back inside the window a couple of times. As we were setting up a react team to take the driver into custody, he yelled out something to the effect of "fuck this" and drove past the vehicle stopped in front of him and fled S/B Cole Rd.

I followed out, however other responding units out on Cole Rd already became involved in a pursuit of the suspect vehicle. I drove Code 3, tailing the pursuit and began monitoring radio

traffic and looking for an opportunity to change direction for intercepts. It was broadcasted that the vehicle had turned N/B on Mitchell from Emerald. At that point, I turned N/B on Maple Grove to parallel. The pursuit continued N/B Mitchell. I heard Sgt. Urian broadcast that he attempted a PIT Maneuver but was unsuccessful and the suspect vehicle continued E/B Ustick Rd at a high rate of speed. The pursuit continued E/B Ustick Rd and was discontinued by Lt. Weir for safety reasons.

The suspect vehicle was quickly located abandoned in a neighborhood. While personnel were working that containment, I responded back to the 1800 N Cole Rd location and maintained a perimeter with assisting units.

We maintained watch of the apartment, noting a female inside with a younger female. I coordinated with Detective Wirshing by telephone. I provided him some photographs of the location for a search warrant. Once Detective Wirshing and Harje arrived they made contact with the suspect's girlfriend who allowed us inside.

Officer McKeever and I conducted a search of the nearby dumpster, dumpsters and other locations along the path the suspect vehicle took inside the apartment complex, looking for evidence. None was located.

This ended my involvement in the incident.

ADAM COOK BUCCAL SWAB (DNA) COLLECTION AT ADA COUNTY JAIL:

On November 4th, 2024 I obtained a detention warrant to collect a DNA sample from Adam Cook. On November 5th, 2024 I went to the Ada County Jail and executed the detention warrant, while Cook was in custody. I was accompanied by Teri Jones, who is legal council for Cook. I obtained a cheek swab from the inside of Cook's left and right side of his mouth. This contact was audio recorded and uploaded to evidence.com.

Narrative

On 11/21/2024 I was assigned by Det. Wirshing to review digital correspondence involving Adam Cook.

I was familiar with parts of the case as I was involved in the original incident on 09/24/2024.

I located Adam Cook's information in Telmate, I compared Adams date of birth to the repot which matches. Adam's inmate [REDACTED]

It should be noted not all of Cook's calls are documented and these are summaries of points discussed in conversations not exact transcriptions.

I began by monitoring Cooks communications around the 24th of October.

During a conversation on 10/24/2024 to [REDACTED] Adam and [REDACTED] are discussing him being bit by a K9 and dragged eight feet. Adam than says that he's not disputing the fact that he ran and hid. Adam says that he was scared, and was asking the police why we were chasing him. Adam talks about the police were telling him they were going to kill him. They discuss what is and isn't in the discovery.

During a conversation on 10/27/2024 to the phone number [REDACTED]. Adam discusses being shot by the police, the female voice asks why he was shot. Adam states it was because they thought he had gun. Adam discusses his robbery charges. Adam says he didn't do this shit and he's taking it to trial. Adam discusses that he drove through the area of one of the robberies and believes his criminal history is part of the reason he was charged. Adam says he kept telling "them" he didn't have any weapons and police were telling him they were going to kill him. Adam again states that he didn't do "this".

During a conversation on 10/30/2024 to [REDACTED] appears to be reading a news article related to the armed robbery. Adam talks about the charges he has and not an eluding charge. [REDACTED] tells Adam that one of the robberies was in Nampa and two on Fairview. [REDACTED] says one of those happened the night of. Adam than says a subway, jersey

mikes, and the one in Nampa, but not the Adam and Eve one. They discuss how Adam hasn't been charged for the robbery at Adam and Eve. [REDACTED] and Cook discuss the Nampa robbery and that a Jeep Renegade was seen in the area. Cook talks about how they got a partial read off of an traffic camera (LPR) that could have been mine but it was six or seven blocks away.

During a call on 11/01/2024 to [REDACTED] Cook talks again about the night of Adam and Eve and how he hasn't been charged for that robbery. Cook talks about how his Jeep is in the area because that's near where he lives. Cook states that "they" (police) tried to pull him over. Adam claims that when he was pulled over "dude said they were gonna fucking kill me, so I fucking took off". Cook than says he never had a weapon, Cook talks about popping a tire on a curb and at that point he took off running. Cook continues to talk about when he fled from the vehicle, Cook claims an Officer alleged that he had a gun in his waist band. Cook states ain't no fucking way I had a gun in my waistband. Cook explains he had on gym shorts and the gun wouldn't have stayed in the waistband. Cook says he said he didn't have any weapons, cook than alleges the drone above him had a taser on it so he hit it with a stick. Cook says he told police he would come out if we didn't shoot him and when he came out, they opened fire on me. Cook talks about getting hit by a ltl round. Cook continues to talk about the treatment he got after the shooting.

During a call on 11/05/2024 to [REDACTED]. Cook is discussing the photographs he received in discovery saying he can't tell the size of the person in the photos.

During a call on 11/15/2024 to [REDACTED] Cooks asks what if they can pin this shit on me? [REDACTED] asks Cook did you do it or not? To which he responds no.

During a call on 11/17/24 Cook discusses getting pulled over. He states that he was going to pull over but "these guys" (officers) ran across the street with rifles already out from their apartment. [REDACTED] states that we've been watching the apartment for weeks. Cook states that he reached into the jeep to turn it off and he said he was going to fucking kill me. Cook stated after that statement was made he put the vehicle in drive.

During a call on 11/25/2024 to [REDACTED] [REDACTED] she tells Cook to stop getting in trouble which he replies with I didn't do anything this time.

During a call on 11/25/2024 to [REDACTED], Cook describes getting shot again. Cook explains the discrepancies between the number of shots the officers state they fired and the number of wounds he received.

Many of cook's calls are general communication and nothing noteworthy.

ISP Forensic DNA Report Synopsis:

On 12/23/2024 I accessed the forensic DNA report that was generated by the Idaho State Police forensic services. This report has been attached to the "Support Docs" portion of this report. This report documents that Adam Cook's DNA was located on three tested locations of the stolen firearm that was recovered near the robbery that occurred at the Adam & Eve store on 9/24/2024. This report also documents Adam Cook's DNA was located on the balaclava (face mask) that was found with afore mentioned firearm.

It should be noted that a known sample of Adam Cook's DNA was submitted to the Idaho State Lab for analysis purposes. This was obtained by me after being granted a detention warrant to obtain a swab from the inside of Cook's mouth. See the attached report that was generated by Morgan Kephart, who is a forensic scientist with the Idaho State Police.

Laboratory Case Number: M2024-4215	Report No.: 5

Idaho State Police
DNA Restitution

THIS IS NOT AN INVOICE

This is a request for restitution that may be granted by the court. If you are the subject associated with this report, this is not a bill, we are merely requesting that the court assign restitution if they deem it is appropriate.

As provided in Idaho Code 19-5506(7), the Idaho State Police requests restitution from the defendant(s), **ADAM LEE COOK** in the amount of **\$2,000** in association with Laboratory Case No. **M2024-4215**. This amount is based upon the number of DNA analyses performed at a cost of \$500 each, not to exceed \$2,000. The amount requested reflects a portion of the costs incurred to the laboratory during the analysis.

Item	Cost
Item 1.1	\$500
Item 1.2	\$500
Item 1.3	\$500
Item 2.1.1	\$500
Item 3.1	----
Item 6	----

Please present this restitution request form and a copy of the laboratory report to the court at the time of sentencing.

I declare under penalty of perjury pursuant to the law of the State of Idaho that the foregoing is true and correct.

Morgan Kephart / Forensic Scientist

Please make checks payable to: Idaho State Police
Forensic Services
700 South Stratford
Meridian, Idaho 83642-6202

(Notice to subject of this report – restitution is paid through the court and they, in turn, will direct payment to Idaho State Police. Personal checks or money orders received by Idaho State Police will be returned.)

Thank you for your cooperation in this matter.

If you have any questions about the restitution, please contact:
Rylene Nowlin (Meridian Laboratory Manager)

Narrative	

INITIAL RESPONSE/CONTACT:

On 1/24/25, I test fired the following firearm(s) for entry into the NIBIN system. The test fire was conducted in the Boise PD NIBIN test facility.

Evidence item: KS1

Make: Kimber

Model: Stainless TLE/RL II

SN: K327518

Caliber: 45

Type: Pistol

Ammunition used in test fire: Lawman 45 Auto 230gr FMJ

After I finished the test fire, the firearm(s), any related magazine and ammunition were booked back into the Ada County Property and Evidence Unit. The test fired cartridges cases were given to BPD Crime Lab for NIBIN Entry.

CONCLUSION:

Narrative	

PHONE CALL FROM ADA COUNTY JAIL: Adam Cook - [REDACTED]:

On 04/02/2025 at 1430 hours, Adam Cook made a phone call to [REDACTED]. This phone number is registered to [REDACTED] is Cook's [REDACTED]. Cook has spoken with [REDACTED] on a regular basis since he has been incarcerated in the Ada County Jail. All phone calls made from inmates are recorded and accessible to law enforcement (except those made to attorneys). I knew prior to this conversation, Adam Cook has a scheduled court appearance on 4/4/2025 to change his plea from not guilty, to guilty in reference to this investigation. This phone call is 5 minutes and 58 seconds in length and was made at 1430 hours.

[REDACTED] asked Cook if he is ready for Friday. He responds by telling her, "No." He explains that he feels like he is backed into a corner because if he does not take the deal, he will go to trial and be found guilty of eluding the police. He claims that it does not matter if he beats all of the robbery charges. He explains that "they" are going to max him out on that and give him the "persistent," because he didn't take the deal. He goes on to say that the persistent will add another 5 mandatory minimum. He claims that if he were to take this case to trial, he will be sentenced to a minimum of "10 fixed." He then makes a statement about this being "Regardless of anything [REDACTED] is saying." Cook says "Whatever they have with [REDACTED] I don't think it's significant cause they still haven't given it to us and I think it's just a scare tactic." [REDACTED] sounds shocked that this information has not been given to him in his discovery yet. He then claims "they are just threatening." He again states that he knows he will lose the eluding charge in trial. It should be noted, I do not know who [REDACTED] is or what his significance to any of these investigation is.

Cook tells [REDACTED] that if he takes this deal he expects to be sentenced to 3-4 fixed and may get a rider.

Narrative	

INITIAL RESPONSE/CONTACT:

On April 8, 2025 Jose Garcia, who is an Intelligence Officer with the National Gang Unit, which is a part of the Federal Bureau of Prisons provided Boise Police investigators with information related to Adam Cook's federal prison record and documentation about his conduct while in the custody of the Bureau of Prisons. This included information about his misconduct while in the prison system, as well as his violations while being supervised in the community after his release.

The document that was provided states Cook amassed approximately 30 violations while being incarcerated. These violations included: three assaults on other inmates, possession of a homemade knife, stealing, drug use, possession or drugs and alcohol, possessing tobacco, misusing medication, possessing unauthorized items, and more. While in community supervision, The Bureau of Prisons documents Cook testing positive for methamphetamine, heroin and marijuana. They also document Cook admitting working for the gangs Severely Violent Criminals and Aryan Knight's, while on supervision. His work included delivering large sums of money for them. Cook admitted knowing the gangs are involved in the distribution of controlled substances.

All of this information is further detailed in the attached document titled "federal prison record." This file is a series of emails with attachments from Jose Garcia. Please review this attachment for further information.

Narrative

INITIAL RESPONSE/CONTACT:

At the request of the Ada County Prosecutor's Office, I reviewed multiple recent phone calls, video visits and text messages sent to and from Adam Cook, while he has been incarcerated in the Ada County Jail. Inmates are able to make phone calls send and receive text messages, and have video visits with people who are not in custody. All of this communication is available to law enforcement, which is recorded and accessed via intelmate.net.

[REDACTED]:

Based on my initial investigation and review of Cook's communications, I know Adam and [REDACTED] are/were in a dating relationship. They lived together at the time of his arrest and have a child in common. This child is approximately 20 months old. I am unsure of the length of their relationship, but I know they were dating when [REDACTED] was pregnant with their son, while Adam was incarcerated in a federal prison. Since his incarceration in Ada County, the vast majority of Cook's communication has been with [REDACTED]. [REDACTED] spends a significant amount of money on phone calls and buying Adam packages that he routinely requests from her. The packages he typically requests range in price from \$40-\$100. [REDACTED] is living as a single mother of two children, working multiple jobs so she can provide for her family, while Adam is in jail. Since his incarceration, [REDACTED] has recently had to move away from her apartment, and is now sharing a home with her two children and another couple.

The conversations between [REDACTED] and Adam are typical for those involved in a romantic relationship. Conversations about their child, bills, his criminal case, the past, their future, his medical condition and discussions about a book they are both reading, were common place. Throughout his time in the Ada County Jail, [REDACTED] and Adam would communicate multiple times every week on video visits, texts and phone calls. Their communication almost always ends with "I love you," and Adam calling [REDACTED] "Baby."

[REDACTED]

Throughout his time in the Ada County Jail, Adam would occasionally communicate with [REDACTED] on video chats, phone calls and text messages. Based on their communication, it appears [REDACTED] and Adam were in a dating relationship prior to him meeting [REDACTED]. Initially these calls were only made occasionally and had little substance. Ultimately these calls turned more romantic and have now resulted in the two of them starting a relationship. They now talk about their future together, their former sex life together, and Adam asks her to purchase the packages that [REDACTED] once bought for him. He has also asked her to buy packages for his cellmates, but it is unclear if this ever happened.

On 5/30/2025 at 12:56, Adam has a phone call with [REDACTED] he tells her that he has signed a settlement in a lawsuit against the Boise Police for 15 million dollars, plus attorney's fees and hospital

bills. He goes on to tell [REDACTED] about his plans to buy a property with multiple houses for their families to live on together. Immediately following this call, he calls [REDACTED] and has a regular conversation as if everything is ok, ending the conversation with "I love you."

On 5/30/2025 at 13:29 Adam tells [REDACTED] that [REDACTED] has to move out of their apartment, because she spent all of the money he had saved. He claimed [REDACTED] had spent 6,500 dollars of his money since he has been incarcerated and can no longer afford the rent. On a following phone call, Adam asked [REDACTED] to go onto [REDACTED] Facebook page to take the pictures she has posted of him and his baby, so she could provide them to the court, to show that he is a good father. On 6/04/2025, [REDACTED] tells Adam that she was not able to find any pictures on her page of [REDACTED] and the child. Ultimately [REDACTED] communicated with [REDACTED] through Facebook and told her, she and Adam were in a relationship. Based on the communication I read and heard, it would appear that [REDACTED] did not know. It also appears that [REDACTED] and Adam have not communicated since [REDACTED] messaged [REDACTED]

CONCLUSION:

It is important to note that Adam's current relationship with [REDACTED] has resulted in communication with [REDACTED] coming to a complete stop. From the communication I have heard and read, [REDACTED] was being very supportive of Adam during his incarceration. She appeared to be working hard to take care of their family and continued to provide for Adam while he was in jail. For an unknown reason Adam began a separate relationship with [REDACTED] at the same time as his relationship with [REDACTED] however this relationship appears to have gotten much more serious, after he told her he was receiving a \$15,000,000 settlement. I confirmed with the city of Boise, this is not true. At this point in time, Adam has filed a tort claim and is no where near getting a settlement, let alone a settlement of that magnitude. Adam has told her that he will buy her a house and take care of her when he gets his money, sometime between September and January. Along with these statements, he has asked her to buy him things while he is in the jail and ultimately when he gets to prison.

The Ada County Prosecutor's Office felt it was important to document Adam Cook's current relationship status, since it would appear that the most stable form of support in his life, is no longer communicating with him. His newest relationship with [REDACTED] is now based on numerous lies, one of which that he has fabricated about his large financial settlement.

Laboratory Case Number: M2024-4215	Report No.: 5

Idaho State Police
DNA Restitution

THIS IS NOT AN INVOICE

This is a request for restitution that may be granted by the court. If you are the subject associated with this report, this is not a bill, we are merely requesting that the court assign restitution if they deem it is appropriate.

As provided in Idaho Code 19-5506(7), the Idaho State Police requests restitution from the defendant(s), **ADAM LEE COOK** in the amount of **\$2,000** in association with Laboratory Case No. **M2024-4215**. This amount is based upon the number of DNA analyses performed at a cost of \$500 each, not to exceed \$2,000. The amount requested reflects a portion of the costs incurred to the laboratory during the analysis.

Item	Cost
Item 1.1	\$500
Item 1.2	\$500
Item 1.3	\$500
Item 2.1.1	\$500
Item 3.1	----
Item 6	----

Please present this restitution request form and a copy of the laboratory report to the court at the time of sentencing.

I declare under penalty of perjury pursuant to the law of the State of Idaho that the foregoing is true and correct.

Morgan Kephart / Forensic Scientist

Please make checks payable to: Idaho State Police
Forensic Services
700 South Stratford
Meridian, Idaho 83642-6202

(Notice to subject of this report – restitution is paid through the court and they, in turn, will direct payment to Idaho State Police. Personal checks or money orders received by Idaho State Police will be returned.)

Thank you for your cooperation in this matter.

If you have any questions about the restitution, please contact:
Rylene Nowlin (Meridian Laboratory Manager)

On 09/25/2024, I was working my assignment of uniformed patrol in a marked Boise Police Department vehicle. Ofc. Jayne was my assigned FTO. I responded to the area of [REDACTED] N Redway Road in Boise to assist officers in containing a suspect, identified as Adam Cook, who was reported to be involved in an armed robbery at the Adam and Eve located at 6919 W Fairview Ave in Boise. Radio traffic identified Adam was possibly in the area after fleeing from Officers in his vehicle. It was reported that Adam pointed a firearm at two employees at Adam and Eve. Adam was described as wearing a black hooded sweatshirt, blue gloves, and black sweat pants. It was believed that Adam was hiding in the backyard of [REDACTED] N Redway Road due to a light that was activated by motion as well as the owner of the residence reporting that he observed a male in a white shirt with similar features to Adam enter his backyard. From radio traffic and call notes, I believed that Adam was armed and currently dangerous.

When I arrived on scene, I initially assisted in containment on the West side of the residence but later moved to assist CPL Gutierrez in clearing the residence at [REDACTED] N Redway Road with Ofc. Jayne. I entered the residence and met with CPL Gutierrez. CPL Gutierrez, Ofc. Jayne, and I cleared the garage and locked the back door of the garage to ensure the residence was secure.

I then moved to the upstairs of the residence with Ofc. Jayne and CPL Gutierrez where we discussed how to maintain security of the house and maintain a visual on the backyard of the residence. We moved downstairs to the basement level of the residence where we could observe the backyard. The backyard had a small shed located in the southwest corner of the yard. I observed the door to the shed was wide open but did not have a clear visual of the inside of the shed.

Officers inside the residence requested a drone fly low enough to clear the inside of the shed. A small drone arrived and got a visual of the inside of the shed. I observed the drone flying about shoulder height and it was relayed over the radio that there was a tarp and there was possible movement under the tarp. I then observed Adam who was wearing a white shirt and dark shorts exit the shed with an object in his hand and strike the drone with an object which disabled the drone. Officers gave commands to Adam and attempted to obtain compliance. I activated my weapon mounted light as the backyard was not well lit. I observed Adam swing his left arm in my direction. I was unable to clearly identify the object in his hand due to the speed of his arm movement as well as the poor lighting conditions due to the time of the night. I took cover adjacent to the window and lost visual of Adam because I believed he was armed with a firearm.

I moved to the front door of the residence and exited the home to take a position behind a patrol vehicle with Ofc. Jayne. I observed that the front door of the residence was still open and I informed Ofc. Jayne that I was going to return to the door to secure it. As I approached the door, I met with CPL Gutierrez who proceeded into the garage. I followed CPL Gutierrez into the garage with Ofc. Jayne. CPL Gutierrez opened the rear door of the garage and I moved to support him and Ofc. Jayne. CPL Gutierrez commanded Adam to not move. CPL Gutierrez stated, "he just pointed a gun at me" and I relayed that information over the radio. I attempted to obtain a better visual on the suspect from a window on the East

side of the garage but could not observe the suspect. Ofc. Jayne then proceeded downstairs and I stayed in the garage with CPL Gutierrez. CPL Gutierrez was giving commands to Adam which he ignored. I heard Adam yell "Fuck off". I could not get into an advantageous position next to CPL Gutierrez without compromising his view of the suspect.

I utilized my radio and called for a K9 officer to come to the garage and multiple other officers entered the garage. As officers were moving into position, CPL Gutierrez discharged his patrol rifle. I took a knee behind a freezer adjacent to the rear door for additional cover. I did not have a view of the suspect. Officers gave commands to Adam who continued to not cooperate or obey commands. I requested a shield and one was brought into the garage and took a position next to CPL Gutierrez. An arrest team was created and I was designated to assist with rendering medical aid to the suspect. Adam was still uncooperative and a 40mm was deployed. A Police K-9 was also deployed.

Officers then advanced on Adam and took him into custody. I identified a large wound on Adam's neck and applied gauze and pressure to the wound until I was relieved by paramedics. I used a set of trauma shears to remove Adam's shorts to identify any additional wounds that required immediate treatment. I assisted paramedics in moving Adam to a stretcher and he was moved to an ambulance.

I captured this contact on my AXON on-body video camera.

Narrative	

Origin:

On 09/24/2024 at approximately 2158 hours Officer Bienz and I responded lights and sirens to a vehicle pursuit following the aftermath of an Armed Robbery call.

Investigation:

Officer Bienz and I did not have any direct involvement in the pursuit.

Once Officers terminated the pursuit and lost sight of the suspect's (identified as Adam Lee Cook) vehicle. Officer Bienz and I aided in setting up an area perimeter. I was initially staged at the intersection of N Cole Rd. and N Grandee St.

We later moved positions to aid in a Welfare Check on the residence of [REDACTED] N Redway Ct. Officer Bienz and I held a perimeter behind the residence in case Adam fled on foot into the residence. Residence of [REDACTED] N Redway Ct. was clear.

After the Welfare Check was complete. I heard on the radio that Adam was seen running on foot. Officer Bienz and I moved to the corner of W Pomona Rd. and N McKinney St. where we joined a secondary reaction team. I heard the shots fired.

After Adam was in custody Officer Biez and I checked the residence of [REDACTED] N McKinney St. to ensure that the homeowners were ok. [REDACTED] (DOB: [REDACTED], Phone: [REDACTED]) and [REDACTED] (DOB: [REDACTED], Phone: [REDACTED]) answered the door and advised us that they were ok.

Officer Bienz and I cleared from the scene but returned later to assist in transporting Officer Bonas' K9 vehicle to Meridian Police Department. Once that assignment was completed Officer Bienz and I cleared.

This concludes my involvement in the investigation.

Narrative**INITIAL RESPONSE/CONTACT:**

2333-0000

On 09/24/2024, I was on patrol, in uniform, displaying a badge and riding in a marked patrol vehicle. I was on patrol in a training car with BPD Ofc Featherly (1126). We responded Code 3 (lights and sirens) to assist with the apprehension of an armed robbery suspect as numerous BPD units were actively in pursuit of his vehicle. Ofc Featherly and I attempted to parallel the vehicle rather than engage in the pursuit but before we were able to, the vehicle pursuit was terminated. A short time later the suspect was located in the area of N Mckinney St and West Ustick Rd.

Ofc Featherly and I took a position at the intersection of N McKinney St and Pomona St. We ultimately joined a react team with AFC Gilliam at the same location to cover the South perimeter. Ultimately, additional units to the North of us located the suspect and an OIS occurred. After the scene was made safe, I and other officers checked houses North of W Pomona St on N McKinney St and verified that no persons were hit or injured in the crossfire range of the OIS. No other injured persons or property damage was located. After completing that task, Ofc Featherly and I responded to the crime scene with red crime scene tape and assisted in taping off the crime scene. Ofc Featherly then took over the crime scene log from Ofc McKeever at 2333 hrs. Eventually Ofc Lee and Ofc Loomis responded and took over the crime scene log at 0000 hrs. We then cleared the scene.

Later in the night Sgt T Miller requested an officer return to the crime scene to relieve the unit with the crime scene log. Ofc Featherly and I returned to the crime scene and took over the log at approximately 0318 hrs and we remained until 0423 hrs. I then assisted Meridian Detectives in removing crime scene tape and securing the residence before leaving the call location. Prior to leaving the location I notified Sgt T Miller that we were leaving the crime scene. Prior to leaving the scene, I also contacted AWC J Martinez and notified him that the family/owners of the residence were able to be contacted and informed that their home was released to them.

Upon returning to the station I submitted the crime scene log to BPD records.

This report is a summary of my actions on this call. For exact details of this call see my attached OBV.

CONCLUSION: Route with original report.

Narrative

On 9/24/2024, around 2156 hours, Officer Kennedy and I began responding to Franklin and Cole road in Boise, Ada County, Idaho to position ourselves for possible traffic pursuit interception and intervention (e.g. stop sticks, pursuit intervention technique, other actions) due to an on-going traffic pursuit stemming from an armed robbery at Adam and Eve, an adult shop, at 6919 W Fairview Avenue in Boise.

Citizens began reporting a vehicle matching the description of the vehicle being pursued being ditched in the area of 3100-2910 Redway. Officer Kennedy and I took a perimeter position at N Cole Road and Grandee Street - observing N Cole Road for the suspect running from the area on foot, or vehicles behaving suspiciously. An Officer radioed observing the suspect in the backyard of [REDACTED] Redway. Officer Kennedy and I were reassigned to holding the backyard of [REDACTED] Redway Court, but were released by units after welfare checking the resident.

An Officer broadcast the suspect was running from the backyard of [REDACTED] Redway. Officer Kennedy and I responded to the corner of W Pomona Street and N McKinney street, and joined a team of Officers at the corner. I noted Officers typically assigned to Boise Special Operations Unit wearing helmets and vests with ballistic protection plates responding to the area of the suspect ([REDACTED] N McKinney Street / [REDACTED] Redway Road). From the information broadcast via the radio, the suspect was armed with a handgun, had pointed the gun at two employees at Adam and Eve, feloniously eluded Officers, was non-compliant with Officers, knocked a drone which located him out of the air, continuously attempted to flee law enforcement, and pointed a gun at Officers.

Despite my desire to join an arrest or action team at the immediate area of the suspect, I know from my training and experience, and from radio broadcast that full arrest and action teams were already on scene, including tactical Officers who are typically assigned to the Boise Special Operations Unit. I informed Officer Reando, who was leading the team of Officers I was with, I would be the driver in case of Officers needing emergency medical evacuation if events required it. While standing with the team of Officers I was with, I heard a series of gunshots. I do not remember the exact number. I advised Ada County Dispatch of "shots fired" on both a side channel and the primary radio channel. From my training and experience, I know Officers interacting with a non-compliant suspect may not be able to broadcast radio traffic due to needing their hands to perform other duties.

Following the arrest of the suspect, Officer Kennedy and I were reassigned to verifying the welfare of residents along N McKenney Street. All residents we spoke with were not struck during the gunfight. Eventually, Officer Kennedy and I were reassigned to transport Officer Johnson's marked Police Interceptor (containing his police canine) to Meridian Police Department, due to Officer Johnson being assigned as an escort Officer. Officer Kennedy and I returned to the area, verified with Officer Adams our services were no longer needed, and proceeded to respond to other calls for service.

Narrative

The following is a summary of the events that occurred on 09/24/24 at approximately 2143 hours.

While operating as marked Bosie Patrol Unit 3911, Ofc Gomez and I assisted with an armed robbery call near the intersection of Cole/El Dorado. I was acting as a Field Training Officer at the time and Ofc Gomez was my trainee. We were alerted of the armed robbery call while preparing for our shift which didn't officially start for several more minutes. Our watch commander advised our team that we were not holding a briefing and instructed us to hit the field immediately. As Ofc Gomez and I were walking to our car I heard radio traffic stating that officers had stopped the robbery suspect vehicle. They updated that the vehicle was fleeing south on Cole from Fairview and that officers were in pursuit. We entered our patrol car and exited the back parking lot. We began driving east on Emerald toward the locations being given for the pursuit. We were advised that the suspect vehicle was heading our direction and that the pursuing officer lost visual contact with the suspect. A few moments later we observed the suspect vehicle drive by us heading westbound on emerald. We conducted a u turn and joined several other units who began pursuing the vehicle.

We participated in the pursuit until it was eventually discontinued near Ustick/Cole. We discontinued by turning off our overhead lights and turning 90 degrees south onto Ash Park Ln. After an appropriate pause we responded to area check the neighborhoods south of Ustick/Cole. Information was passed over the radio that the suspect vehicle was seen near Redway Rd/Redway Ct. We responded to the area to assist with setting up a perimeter but were advised by Ofc Yanna that he saw a male matching the suspect description running and jumping the fence to the back yard of [REDACTED] N Redway Rd. I responded to that location as we were less than a minute away. I joined Ofc Yanna, Ofc Coils, and Sgt Miller at the driveway of that residence setting a containmnet/react team. Ofc Gomez was grabbed by a different Sgt and tasked with joining a containment team to the west. I held that position and didn't move. From that spot at the end of the driveway of [REDACTED] N Redway Rd we were advised over the radio by drone operators that they could see the suspect moving from under a tarp in the backyard of that address. I heard police commands being given from another side of the house but could not see what was occurring. I then heard multiple gunshots. I could not see who was shooting form my vantage point. I was advised over the area that shots had been fired. The suspect was taken into custody and medics brought him out of the yard into the ambulance. I was tasked with riding in the ambulance with the suspect to St Al's.

Ofc Gomez followed the ambulance in our patrol car. I did not hear the suspect mention anything about the robbery or shooting in the ambulance. He complained to the medics that they were hurting him and cussed at them several times. Once he was given pain medications he did not make any other statements. I stood by with the suspect at St Al's until I was relieved by Ofc Williams. I had no further involvement with this incident.

CONCLUSION:

Route with report.

Narrative

On the night of 09/24/2024, I was operating as a fully uniformed patrol officer for the Boise Police Department under designator (3914). I am currently assigned to the night shift patrol team which generally operates from 2145 hours to 0745 hours, Saturday through Tuesday. At 2144 hours, I self-assigned to reported "Armed Robbery" at the Adam and Eve retail store, which is located at 6919 West Fairview Ave, Boise 83704. The incident was reported by store employees who also advised the suspect was armed with a firearm.

Upon assigning to the call, Boise Police Officers were in a vehicle pursuit with the suspect on West Emerald Street. I did not engage in the direct pursuit, and instead attempted to respond to what was believed to be an associated address of the suspect at [REDACTED] North Cole Road. Prior to my arrival to the associated address the pursuit had been discontinued. Upon my arrival to the associated address, dispatch advised they had received reports that the suspect vehicle had been observed near the residence of [REDACTED] North Redway Road. Shortly thereafter, Officer L. Yanna (Designator: 3252) advised via radio he had observed an individual matching the robbery suspect description, jump an exterior fence into the backyard of [REDACTED] North Redway Road.

I and several other officers responded to this residence to assist in setting a perimeter around it. Upon my arrival to the residence I deployed my department issued rifle and was initially assigned to the arrest/ reaction team. This team was established on road in front of the [REDACTED] residence.

I was later assigned to enter the [REDACTED] residence with Officer L. Gutierrez (Designator: 2221) and obtain an over watch position of the backyard where the suspect was believed to be. Officer L. Gutierrez and I entered the residence and obtained a position inside a second story bedroom located at the rear of the residence. Through an exterior window I was able to view a portion of the backyard which included two detached sheds. One of the sheds did not have an exterior door and I could only see approximately one foot inside it.

I maintained over watch of these two sheds while Officer L. Gutierrez exited the bedroom and contacted the occupants inside the residence. Officer J. Jayne and Officer I. Riehle (Designator: 2112), were positioned on the first floor of the residence.

A BPD drone later flew near the open door of the shed and its operator reported seeing the suspect wrapped in a tarp inside the shed. From my vantage point I initially was not able to see the suspect inside the shed. Shortly after this information was relayed, I observed the suspect briefly exit the she and strike the drone with an unknown object, effectively shattering the drone. Officer L. Gutierrez gave verbal commands to the suspect to stop and not to move. The suspect quickly positioned himself towards a nearby fence located directly south of the shed, and I lost visual of him. Due to the suspects path of travel and course of movement, I believed he had jumped the fence running southbound.

I briefly left my over watch position attempting to reposition in a different area of the residence so I could obtain visual of the suspect, however was unsuccessful and quickly returned to my over watch position. During this time Officer L. Gutierrez remained at the same over watch position. Prior to me returning to the over watch position and

while away from the window, I heard officers put out radio traffic reporting that the suspect had pointed a firearm at them.

Officer L. Gutierrez left the over watch position and repositioned himself to the first floor inside the garage. I remained at the second story over watch position.

While at this position, I again obtained visual of the suspect who was now tucked behind an additional shed located directly in front of the shed he had initially came out of. I observed the suspect on several occasions poke his head out from around the shed looking in the direction of where Officer L. Gutierrez was. I was not able to see from the neck down of the suspect.

At this time, I heard Officer L. Gutierrez give the suspect verbal commands to not move and to show his hands. I also heard the suspect respond back to these commands stating, "fuck you", "why are you after me", and "what am I being arrested for". It should be noted that I was not able to clearly hear all the dialog made between Officer L. Gutierrez and the suspect.

During this time Officer J. Jayne entered the room where I was located and took over my position at the window. I was then positioned directly behind Officer J. Jayne. Shortly after this, I briefly observed the suspect come out from behind the shed, however quickly lost visual of the suspect due to Officer J. Jayne being positioned in front of me. I observed Officer J. Jayne fire his rifle in the direction of the suspect. I placed my hand on Officer Jayne's left shoulder and verbally confirmed he was ok. It was at this time I observed the suspect lying on the ground, screaming, and bleeding.

Officer J. Jayne returned to the first floor and contacted the arrest team. I remained at the over watch position maintaining lethal coverage of the suspect. I observed Officer L. Yanna conduct a compliance check on the suspect using his 40mm launcher (less-lethal). Prior to taking the arrest team into custody, K9 Officer C. Bonas (Designator: 2K95) utilized his K9 to drag the suspect away from the shed towards the arrest team. The arrest team approached the suspect, took him into custody, and rendered him first aid.

I later contacted the occupants of the [REDACTED] residence who were sheltered inside a second story bathroom. I guided these occupants out of the residence. I was then requested by Sergeant T. Miller (Designator: 3910) and AFC T. Gilliam (Designator: 2650) to meet with them in the backyard of the residence for investigative purposes. It was at this time I turned off my OBV. I was then instructed to return to the Boise Police Station.

Narrative	

On 09/24/24, at approximately 2150 hours, I responded to the area of the 3000 block of McKinney Street to hold a perimeter position.

When I arrived it was advised that the suspect was in a backyard of a residence to the east of my location.

I heard over the radio that they had located the suspect of the armed robbery in a shed of the backyard. Myself and other officers held our perimeter position. While holding the position we heard gun shots being fired. After the shots were fired we continued to hold the perimeter position.

We conducted a brief door to door sweep of residence on McKinney Street to check the welfare of residents and found no one had been harmed.

After conducting the neighborhood canvas, I was assigned to the crime scene to run the crime log.

This report is a summary of my involvement, more in depth report to come.

Narrative**INITIAL RESPONSE/CONTACT:**

Tuesday, September 24th, 2024 around 2128 hours. The following is a summary of events.

On the above date and time, I was working my assigned shift with my trainee, Officer Vaughn. Officer Vaughn and I self-dispatched to assist on an armed robbery call for service at 6919 W. Fairview Ave. Based on dispatch notes and law enforcement intel received earlier in the day, it was believed that the robbery suspect lived at [REDACTED] N. Cole Rd. [REDACTED]. The suspect was believed to be Adam Cook and detectives believed that he was the possible suspect in three other armed robberies in the Treasure Valley. There were two vehicles associated to Cook, a 2017 Jeep Renegade and a 2017 Volkswagen Jetta. For this reason, Officer Vaughn and I responded to the apartment complex. As we approached the apartment on foot, officers in the apartment complex observed a Jeep Renegade enter the complex. The vehicle circled the complex and went back on Cole Rd. where officers conducted a traffic stop on it in the CVS Pharmacy parking lot. Officer Vaughn and I went back to our patrol vehicle to assist on the traffic stop when it was broadcast over the radio that the suspect fled the traffic stop in his vehicle. Officers initiated a vehicle pursuit due to the severity of the crime and we joined in on the pursuit. Eventually at Mitchell and Fairview we removed ourselves from the vehicle pursuit as there were several officers that caught up and were more directly involved. As the pursuit continued we tried to place ourselves in a position to intercept the path of travel to deploy stop sticks. The pursuit was terminated prior to ability to perform that task.

Eventually dispatch broadcasted they had a calling party report that in the area of [REDACTED] N. Redway Ct. a vehicle came screeching in and then shut off the lights. Shortly after this a unit advised that they observed a male jumping into backyard at [REDACTED] N. Redway Rd. Officer Vaughn and I responded to the area and set up a perimeter position at the corner of San Fernando Dr. and McKinney St. While on our perimeter assignment, I heard drone pilots advising over the radio that they had a visual on the suspect who was armed with a handgun in his waistband. I also overheard what sounded like officers trying to give the suspect commands after the suspect swatted a drone and then ran. I then heard several shots fired to the east of our position. Officers advised that there were shots fired and the suspect was down.

Following the officer involved shooting, Officer Vaughn, Officer Machain, and I made contact with [REDACTED] McKinney St. The residents were safe and not injured from the shooting. Officer Machain and I cleared the exterior of the house and we did not observe any bullet holes on the outside of the residence.

Officer Vaughn and I then met with the owners of [REDACTED] N. Redway Rd. where we transported [REDACTED] and [REDACTED] (4yo) to the command post to be interviewed by detectives.

This is a summary of my involvement in this case. Refer to OBV for further details.

Narrative

On 09/24/24 at 2128hrs, I was inside the Boise Police Department station preparing to start work at 2145hrs when I heard over the radio dispatch advising of an armed robbery call at the Adam and Eve business located at 9619 W. Fairview Avenue, Boise. Dispatch advised that a white male adult entered the business with a gun and robbed the business by taking money from the register.

As I was still getting changed into my uniform I heard over the radio that officers had located the suspects' vehicle and that they were in active pursuit of the vehicle. I finished getting changed and quickly exited the station and began driving code 3 (lights and siren) to the immediate area of the pursuit with the intention to hopefully deploy spike stripes at an intersection to puncture the tires of the suspect vehicle.

While still driving to the immediate area, I heard over the radio that an officer, possibly SGT Urian, had initiated a PIT maneuver on the suspects vehicle, but the suspect was still able to drive away. Officer's continued pursuing the vehicle until speeds were deemed to be excessive and the pursuit was canceled.

The suspect vehicle was then located on McKinny Street, south of Ustick Road. Officer Yanna then advised that he observed a male adult wearing a white shirt and black pants jump over a fence and into the yard of a residence on Redway Road. This residence was determined to be [REDACTED] Redway Road, and was one street east of where the suspects vehicle was located.

A perimeter was established around the residence to prevent the suspect from further fleeing on foot. An arrest team was created, of which I was a member of by providing lethal coverage. Assignment were made, assigning different officer's tasks of non-lethal, officer for handcuffing, lethal coverage, and an officer to provide verbal commands.

Once the perimeter had been established, officers who were drone pilots started deploying their drones searching the immediate area, to include the back yard that the suspect was observed jumping into by climbing the fence. Contact with the owner of that residence was made, and officers also occupied the residence to gain line of sight to the back yard from the second-floor window. Officer Filice and I also made contact with the occupants of [REDACTED] Redway Road, due to the back yard of that residence adjoining the back yard of the residence that the suspect was seen entering. I spoke with the owners of [REDACTED] Redway and provided a brief explanation of the situation and expressing that my preference would be for them to evacuate for their own safety. The family consisting of two adults and two children took my advice and evacuated from their residence. Officer Filice obtained their names and cell phone numbers for later contact- See Officer Filice's supplement.

After the evacuation of [REDACTED] Redway Road, Officer Filice and I rejoined the arrest team. Drone pilots continued to search the immediate area for the suspect. I heard Officer Pap over the radio advise that he observed a tarp move that was situated in a shed within a back yard. This was the same backyard that the suspect was last seen entering. Drone pilots then observed that the suspect was seen with a gun in

the rear of his waistband. Information from drone pilots also advised that the suspect had struck one of the drones, knocking it out of the air. I then heard over the radio that the suspect was trying to run from the rear yard. Another officer, possibly Officer Jayne advised over the radio that the suspect had pointed a firearm at them.

At this time, while still positioned in the roadway outside of [REDACTED] Redway Road, I heard Officer Gutierrez giving commands to the suspect to "drop the gun," and "show me your hands." I also heard the suspect yell back at Officer Gutierrez, but I was unable to identify what he said.

The decision was made for a patrol K9 to go to Officer Gutierrez's location to provide support. Officer Filice and I accompanied the K9 Officer, who was Officer Bonas. Officer's Filice, Bonas, and I entered the residence and went through a door leading into the garage. Once inside of the garage, I observed Officer Gutierrez standing at an open door which provided access to the backyard. Upon approaching Officer Gutierrez and once standing in close proximity to him, he fired his rifle multiple times. Looking over Officer Gutierrez's right shoulder I observed a white male adult laying on his back with his head facing towards me. I observed an area on his stomach and lower chest bleeding through the white colored t-shirt. After engaging the suspect with gunfire, I heard Officer Gutierrez gave the suspect further commands. See Officer Gutierrez's supplement.

Officer Gutierrez and I stepped through the doorway of the garage and into the backyard. We were then joined by other officers to include Officer Major who had a shield, K9 Officer Bonas, Officer Filice, and Officer Yanna with less lethal option. I was able to observe the suspects hands, and believed that they were free of any objects. However, in very close proximity to where the suspect was laying I could see multiple dark colored objects that I was unable to identify due to those items laying in the grass. The suspect was told to crawl towards officers, to which he responded by saying that he couldn't.

Officer Yanna deployed his 40mm less lethal, striking the suspect. The suspect flinched his upper body when struck. K9 Officer Bonas then deployed his K9, which bit the suspect in the left side of his neck. The suspect was then pulled by the K9 handler using the leash attached to the dog. The suspect was pulled a short distance away from the immediate area where he was laying, and away from any weapons that could have potentially been within arm's reach.

After being pulled the short distance, officers approached the suspect and placed him into handcuffs. Once in handcuffs and searched by Officer Gutierrez, I began providing medical aid to the suspect. Using a pocket knife clipped to my pants, I began to cut the suspects t-shirt from his body. Upon doing so, I observed multiple gunshot wounds to his upper body, to include to his lower stomach area, chest, and upper right arm. I also observed a significant wound to the area of the suspects left neck. I used the t-shirt that I cut from the suspect to wipe blood from the area of his chest, to allow the adhesive from the chest seal to hold. Once wiping that area, another officer applied the chest seal onto the gunshot wound and I ensured that it was secured by pressing down on it and freeing as much air between the adhesive and skin. At this time, paramedics arrived on scene. I assisted a paramedic in applying dressing to the suspect neck by applying pressure to the wound itself and wrapping the bandage across the suspects

body, under his right armpit, diagonally across his upper back and returning back to the wound itself. After assisting in dressing the neck wound, I moved away from the suspects immediate area as additional paramedics were arriving on scene. The suspect was transported to a local hospital by ambulance.

This concludes my involvement in this case.

It should be noted that due to leaving the Boise Police station as quickly as possible due to this incident being in progress, I forgot to get my body worn camera from the docking station where it is stored. Due to not being in possession of my body worn camera, I do not have video of this incident.

Narrative**INITIAL RESPONSE/CONTACT:**

On 9/24/24 I was working as a Boise Police Neighborhood Contact Officer in a low profile capacity (plain clothes and unmarked police vehicle). On this date at around 2200hrs I had logged off via my cell phone application and noticed the armed robbery call. I then observed that officers where in pursuit of the suspect and had eventually believed that the suspect was in the backyard/storage unit of [REDACTED] Redway.

I then went en route to the area of McKinney and Ustick. As I was getting close to the area I was notified that SOU was getting activated so I diverted and went to the command post to get further orders. While at the command post I heard officers on the radio advising that the suspect was moving from under the tarp in a shed. I then left the command post and went to McKinney and Ustick. At this location I was preparing to deploy with a take down team that was just south of Ustick on McKinney. At this time it was around 2240hrs. I then heard multiple gun shots directly to the east of my location followed by yelling and commands from officers that was audible over the police radio.

Later I went to [REDACTED] Redway to see what I could do to assist with the scene. I was later advised that I would be escorting Ofc Jayne to Meridian Police Dept for CITF purposes. At around 1130hrs I drove Ofc Jayne to Meridian PD. Upon arrival at this location Ofc Jayne and I were escorted to a interview room and stayed at the police department until Ofc Jayne was released at around 0115hrs. I then drove Ofc Jayne back to Boise Police Headquarters and dropped him off.

Narrative	

On 9/24/24 at approximately 2130 hours, I went en route to assist in an area search for an armed Suspect.

The area searched was being conducted in the vicinity of Mckinney and Pomona rd. I joined Officer Gilliam's emergency react team at the intersection of Pomona and Redwood. The Suspect Adam Cooks, location was observed by overhead drones. I as well as other Boise Police Officers moved to the intersection of W San Fernando Dr. and Mckinney St to contain Adam. As I was moving into location I heard over the radio that Adam pointed his firearm at police and was refusing to give up. I heard a series of shots. I was informed over the radio that Adam had been shot. After Adam was taken into custody I assisted other Boise Police Officers in canvassing the neighborhood and ensuring no civilians were injured during the event.

Narrative	

INITIAL RESPONSE/CONTACT:

On 09/24/2024 I was a uniformed Boise Police Officer, in a marked patrol vehicle. I responded to a request for an assist referencing a perimeter position for an armed robbery suspect. Units had located a suspect in an armed robbery just occurred and were setting up a perimeter on the location where the suspect was believed to be located. I initially was positioned at the intersection of Ustick and Cole. A while later, I was requested to move to Newman and Redway. I maintained a perimeter spot until I was cleared by supervisors.

I had no further actions on this call.

Narrative

On 9/25/2024 at about 2150 hours, I responded to the report of an armed robbery investigation. The suspect, Adam Cook was related to multiple armed robberies in the Treasure Valley and fled from Officers in a vehicle leading to a pursuit. A citizen reported that the suspect vehicle parked nearby [REDACTED] N Redway Rd. Officers established a perimeter and I responded to Ustick Rd and Redway Rd to assist with drone operations. Officer Pap was on scene flying a [REDACTED] Drone 16. I asked Officer Pap if he had any other drones and he did not. I then responded to the Boise Police Department to get more equipment. After loading equipment, I responded back to the scene. I immediately unloaded equipment and Officer Pap deployed and interior drone, [REDACTED] I then took over being his visual observer and radio so that he could focus on flying the drone. During this time I was watching the output of the drone on cell phone. Officer Pap checked a shed in the backyard of [REDACTED] N Redway Rd. In the shed, I observed a blue tarp that appeared to have someone underneath it. I updated units that we believed we had a visual on the suspect and described his location. The tarp continued moving sporadically as resources were put place at that location. I continued observing and saw the suspect peek his head from behind the tarp. The suspect then got up to his feet while holding onto the tarp, which obscured our view of his hands and body. The suspect then grabbed a stick like object from inside the shed and ran towards the drone. The suspect swung the stick and knocked the drone out of the air, disabling it. I then went over to the Ada County Drone Pilots and ensured they had a visual on the suspect as they were conducting over-watch of the scene. They confirmed the suspect was still in the backyard at [REDACTED] N Redway Rd and appeared to be trying to hop a fence. A short time later I heard multiple gunshots. I was watching the Ada County drone feed and saw that the suspect was shot and down on the ground on his back with his legs towards the shed. I could see the damaged [REDACTED] on the ground near his legs. This drone was left at the scene for the investigation. Initially I did not see the suspect moving and a short time later he began moving and appeared to be talking. I could see that the suspect had multiple gunshot wounds and did not appear to have anything in his hands. I discontinued watching at that time as other Officers were in verbal contact with the suspect.

I had no further involvement in the investigation.

Conclusion: Route with narrative.

Narrative	

On 09/24/2024 I was working uniformed patrol, wearing a standard police uniform and driving a marked patrol.

Myself and my trainee, Officer Loomis responded to the 3000 block of Mckinney Street to hold a perimeter position reference a previous armed robbery.

When we arrived it was learned the suspect was in a backyard directly to the East of our position. I heard drone operators advise that their was a firearm in the suspects waist band and that he was hiding in a shed.

Based on our location at the time we moved our position to the North to avoid a cross fire issue. Shortly after we heard multiple gunshots coming from the area of the backyard. We held our perimeter positions and didn't go to the actual residence of the incident ([REDACTED] N Redway Rd) until after the suspect was transported.

Once on scene we took control of the crime log until relieved by Officer Reando at approximately 0330 hours.

This concludes my involvement in this case.

For exact details see obv.

Narrative	

On 09/24/2024 at approximately 2200 hours, I was assigned to a perimeter team located outside of the address of [REDACTED] N McKinney St.

After hearing that a critical incident occurred, I went to the house located at [REDACTED] N McKinney and ensured that the residents were not injured. I spoke with [REDACTED] inside who informed me that no one was injured. I check their backyard and found no signs of damage to their property.

I then was given a crime scene log and held the crime scene. I held this until Officer Riehle relieved me for a few minutes to eat, as I had not gotten an opportunity. I relieved Officer Riehle for a little while longer until I checked in with Sergeant Miller, and was relieved by Officer Reando.

Narrative**INITIAL RESPONSE/CONTACT:**

On the evening of 09/24/2024, I responded to a reported armed robbery located at 6919 W Fairview Ave. Boise, ID. I was acting as AFC for the Valley Swing Shift team (2650). I arrived on scene as the supervisor to help coordinate with the initial scene of the armed robbery.

A few minutes later, I heard radio traffic of units actively pursuing the suspect vehicle to the armed robbery west on W Emerald St. I began actively paralleling the suspects path on W Fairview Ave. I heard the suspect vehicle had turned north onto N Mitchell St. approaching W Fairview Ave. As the suspect vehicle was still closer to W Emerald St. I attempted to slow traffic on W Fairview Ave down but ultimately turned south on N Mitchell St. hoping the suspect would turn onto a side street. I also knew multiple other marked patrol vehicles were directly behind me to also help slow down traffic.

I observed the suspect vehicle travel past me going north and through W Fairview Ave. When safe to do so, I turned around and began heading west on W Fairview Ave and north to W Ustick Rd incase the suspect vehicle started coming my direction. Moments later, the pursuit was discontinued while the suspect vehicle was believed to be near W Ustick Rd. and N Cole Rd.

After the suspect was believed to have been located by Ofc. Yanna (refer to his report) a perimeter was established, and I was assigned by Sgt. T. Miller to be in charge of a react team near the intersection of Redway Rd and Pomona Rd. After establishing a react team to the south, Sgt. Miller requested my react team to move closer to [REDACTED] Redway Rd but be west of the location. While establishing a plan to move to this location, it was put over the radio the suspect was possibly running and attempting to flee west. Myself and officers on my react team moved north almost directly west of [REDACTED] Redway Rd on McKinney St where we met with Ofc. Castillo. After quickly being briefed on the suspects location by Ofc. Castillo, and reestablishing assignments, I heard several gunshots.

CITF:

After the gunshots were heard and the suspect was taken into custody, I assigned several officers to contact all residences on McKinney St on the east side to confirm they were okay, obtain their identifying information, and search for evidence such as broken windows from gunfire etc.

After making those assignments, I was assigned to conduct the CITF Safety Debriefs with the involved officers on scene. Sgt. Miller and I conducted these together speaking with Cpl. Gutierrez, Ofc. Jayne, Ofc. Yanna, and K9 Ofc. C. Bonas.

I also did a scene walkthrough of the garage and partial backyard with CITF investigators. I later did the sketch as part of the CITF packet. The sketch has been uploaded to the documents.

Narrative	

On 9/24/2024, I was working patrol in the City of Boise. I was dispatched to an Armed Robbery at Adam and Eve, located at 6919 Fairview Ave. Boise. Call notes indicated that a person robbed the store at gun point, he was wearing a black hoodie, black mask and blue gloves. Call notes indicated that the suspect fled on foot heading west on W. Fairview.

I arrived on scene and I was assigned to a K9 track team. As we stated the K9 track, I heard over the radio that other officers had located a suspect vehicle and attempted to conduct a traffic stop. I heard over the radio that the suspect vehicle was fleeing from the traffic stop south on N. Cole Rd. I drove code 3 lights an sires towards the pursuit. I heard that the pursuit went west on Emerald and then turn north on N. Mitchell. I paralleled the pursuit heading north on N. Maple Grove. The suspect vehicle went east on W. Ustick. I observed the suspect pass N. Maple Grove. Shortly after that the watch commander terminated the pursuit due to safety concerns. I turned off my light and sirens.

I continued to conduct and an area check for the suspect vehicle. As I was doing an area check, dispatch stated over the radio that a vehicle matching the description of the suspect car was just called in. Dispatch noted that the car was near Redway and Pomona. Officers went to that location and found the vehicle. They stated that the subject was fleeing into a back yard of a home.

Area containment was set up and I was assigned to a perimeter position as the intersection of N. Cole Rd. and W. Ustick. This is the position I stayed at until I was cleared by supervisors from the call.

Later, I was asked by Sgt. Martinez to go to the hospital to stay with the suspect. At that time the suspect was in the emergency room in room 20. While at the ER, I observed and photographed the suspect's injuries.

- One gunshot would to the right shoulder. The gun shot appeared to have an entry and exit would.
- Two gunshot wounds to the left hip area. Both had exit wounds on the back left side of his body.
- K9 bite to his throat and neck area.
- Three wounds on the left side of his torso. Unknown cause of the trauma.
- X-ray showed that the suspect had a broken right arm, just above the elbow.

All photographs were uploaded to evidence.com VIA Axon Capture.

The suspect was moved to the ICU in RM S3438.

I remained at the hospital until relieved at 0500 hours on 9/25/2024.

This concludes my involvement with this case. Route with original report.

Narrative	

INITIAL RESPONSE/CONTACT:

On 09/25/2024 Myself and other officers were tasked with searching multiple yards and streets for article namely a firearm that was used in the commission of the crime. The last residence I searched was the back yard of [REDACTED] N Redway Rd.

In the back yard I located a 40mm round approximately 20 feet to the north from the two south sheds in the yard. I took a photo of the spent round and later booked it in the Ada County Property Room as evidence.

No other items were located.

Narrative	

INITIAL RESPONSE/CONTACT/STATEMENTS:

Trainee Westad and I responded near the intersection of Pomana / Redway to assist other units with the south most perimeter spot. It was believed the suspect might be in the backyard of a residence off Redway, possibly [REDACTED] N. Redway Rd.

A short time later BPD Officers began giving updates over the radio that they could see the suspect moving in the backyard of [REDACTED] N. Redway Rd. Officers said they could see the suspect has a gun in his waistband, behind his back, and he is trying to get over a fence. Myself and several other Officers moved to the middle of the block on Mckinney Ln in hopes of contacting the suspect if he jumped the fence.

While waiting, Officers on Redway Rd updated over the radio the suspect just pointed a gun at them and is ignoring commands, telling Offices to fuck-off. A short time later I heard several gun shots, approximately 10 in total.

Once the suspect was taken into custody myself and Officer Castillo / trainee Vaughun checked the residence of [REDACTED] Mckinney Ln. I did not locate any debris, bullet holes, casings, or damage to the residence. Both occupants in the residence said they were as sleep at the time and were uninjured.

I was later tasked with transporting Officer Gutierrez to Meridian Police station for his involvement in the OIS.

Narrative

On September 24, 2024 at approximately 2145hrs, I assisted in an armed robbery at 6919 W. Fairview Avenue. Between 2145 and 2241, I was at a perimeter spot at the intersection of McKinney and San Fernando.

After the Officer involved shooting occurred, I was tasked with checking the residence of [REDACTED] McKinney for anyone that may have been struck by a bullet. I spoke to [REDACTED] who advised that he lives at the house with his grandmother. [REDACTED] and I went to check on his grandmother, [REDACTED], who was asleep and uninjured.

This concluded my involvement in this incident.

Narrative**SOURCE:**

On 9/24/24 at approx. 2133 hours Officer Creager and I were working as a training unit, detail 2222. We assigned to an armed robbery at 6819 W Fairview Ave. We arrived at approx. 2137 hours.

INVESTIGATION:

Upon arrival there were already numerous Officers on scene. I had a drone with me so I was going to fly and start searching the area when we were advised that other Officers found the suspect vehicle and were in pursuit. They were just down the street. Officer Creager was driving and I had a drone ready to go in my lap in case the suspect fled on foot. We were able to catch the pursuit since it was coming towards us. See Officer Creager's supplement for the short pursuit route. During the pursuit, the suspect vehicle was going into oncoming traffic so the pursuit was cancelled and we made a right turn on the next street. A few minutes later, we were advised Officers located the abandoned car and saw the suspect running and went over a fence into a back yard at [REDACTED] N Redway Rd.

Officer Creager and I arrived within a few minutes and I launched the drone. I focused on the yard they saw him go into and worked out from there. While I was searching, drone operators from Meridian and Ada County arrived and started assisting. I checked the yard at [REDACTED] N Redway Rd and did not see anything. There were a few spots that I could not quite get to that would need to be hard searched. While flying, I was asked to check a shed one house north [REDACTED] N Redway. I had already checked the backyard and there was a larger shed that had the doors closed. There was a smaller shed that had a door open directly behind it to the west. Both sheds were located on the south side of the yard. With the [REDACTED] drone I was flying at the time, I was not able to get low enough to see into the smaller shed due to the larger shed being in the way. I could only see about a quarter of it. After a few minutes of trying and looking, Officer Poole arrived with a smaller interior drone. We had several drones up for over watch so I was able to land and fly the smaller drone right to the front of the shed.

As I approached the front of the smaller shed with the door open, I saw a blue tarp on the floor against the back wall. As I came down in altitude, the bottom of the tarp moved a little. I felt I was too far away for this movement to be caused by the prop wash of my drone so I held still and waited. The tarp did not move. I moved closer to see if it would move again and it did not. At this point I was approx. 1-2 feet outside of the shed. I hovered there for about a minute when the tarp started moving. I could tell there was a male holding it and he peaked his head out over the top. He was holding the tarp with one hand and was reaching around with the other. I could not see what he was reaching for because of the tarp. After about 30 seconds or less he dropped the tarp and I could see that he had grabbed a piece of wood from a stack in the shed. He ran at the drone and smacked it down with the stick. This caused enough damage to the drone that my headset went blank and the screen told me I had too much damage too fly. I could no longer see anything. The male appeared to be wearing a white T-Shirt and dark shorts. It appeared he may have had something wrapped around one of his legs. Officer

Poole was holding my phone and watching the same thing I was seeing. He was trying to broadcast that we were seeing the suspect but there was too much radio traffic at the time. The over watch drones saw him come out of the shed and were able to announce that he was there. At that point, there were several drones up and I stood by in case we needed another drone up for over watch due to a battery change. I did not fly anymore after that.

Narrative	

On 9/25/24 at approx 1600 hours, I was asked to return to the area of the pursuit from the night before to use my drone to check along the side of the road to see if the suspect had thrown a gun or anything other evidence out the window during the pursuit. I parked at Mitchell and Emerald and checked both sides of Emerald from Mark Stall Plc to Mitchell then up Mitchell to Fairview. I did not locate a firearm or anything out of the ordinary.

I also went to N Redway Ct and N Redway Rd and checked rooftops and rain gutters for the items. I checked all the houses in the cul de sac and then made my way north checking the houses on both sides of the street to the location where the suspect was found in the shed. I did not locate anything.

ICS 214

Activity Log

Purpose. The Activity Log (ICS 214) records details of notable activities at any ICS level, including single resources, equipment, Task Forces, etc. These logs provide basic incident activity documentation, and a reference for any after-action report.

Preparation. An ICS 214 can be initiated and maintained by personnel in various ICS positions as it is needed or appropriate. Personnel should document how relevant incident activities are occurring and progressing, or any notable events or communications.

Distribution. Completed ICS 214s are submitted to supervisors, who forward them to the Documentation Unit. All completed original forms must be given to the Documentation Unit, which maintains a file of all ICS 214s. It is recommended that individuals retain a copy for their own records.

Notes:

- The ICS 214 can be printed as a two-sided form.
- Use additional copies as continuation sheets as needed, and indicate pagination as used.

Block Number	Block Title	Instructions
1	Incident Name	Enter the name assigned to the incident.
2	Operational Period • Date and Time From • Date and Time To	Enter the start date (month/day/year) and time (using the 24-hour clock) and end date and time for the operational period to which the form applies.
3	Name	Enter the title of the organizational unit or resource designator (e.g., Facilities Unit, Safety Officer, Strike Team).
4	ICS Position	Enter the name and ICS position of the individual in charge of the Unit.
5	Home Agency (and Unit)	Enter the home agency of the individual completing the ICS 214. Enter a unit designator if utilized by the jurisdiction or discipline.
6	Resources Assigned	Enter the following information for resources assigned:
	• Name	Use this section to enter the resource's name. For all individuals, use at least the first initial and last name. Cell phone number for the individual can be added as an option.
	• ICS Position	Use this section to enter the resource's ICS position (e.g., Finance Section Chief).
7	• Home Agency (and Unit)	Use this section to enter the resource's home agency and/or unit (e.g., Des Moines Public Works Department, Water Management Unit).
	Activity Log • Date/Time • Notable Activities	• Enter the time (24-hour clock) and briefly describe individual notable activities. Note the date as well if the operational period covers more than one day. • Activities described may include notable occurrences or events such as task assignments, task completions, injuries, difficulties encountered, etc. • This block can also be used to track personal work habits by adding columns such as "Action Required," "Delegated To," "Status," etc.
	Prepared by • Name • Position/Title • Signature • Date/Time	Enter the name, ICS position/title, and signature of the person preparing the form. Enter date (month/day/year) and time prepared (24-hour clock).

5. Date Occurred 09/24/2024	6. Time Occured 21:27	7. Route To File	8. Division PATROL

Narrative	

On 9/25/24 at approx 1600 hours, I was asked to assist with checking locations for the firearm used and other evidence. While in the backyard of [REDACTED] N Redway with several other Officers, I located the front mounted lights for the [REDACTED] drone that the uspect had knocked out of the air with a large stick. The bracket was broken and one light was on the ground by itself. Officer Crist located the broken bracket with the other light in the same area (between the two sheds in the backyard). I later booked the lights as evidence in this case.

Narrative	

On Wednesday, September 25, 2024, I assisted with the investigation by helping search for the outstanding firearm once possessed by Suspect COOK, Adam. I searched along W. Emerald from N. Mark Stall to N. Mitchell, and N. Mitchell from W. Emerald to W. Fairview and I was unable to locate any evidence pertinent to the investigation.

Along with fellow officers, I responded to Redway Ct., where COOK's vehicle was abandoned and [REDACTED] N. Redway Rd., where COOK was ultimately apprehended. I searched the property and surrounding areas and was unable to locate the firearm.

I conducted no further investigation.

Narrative	

On 9/24/2024, at approximately 22:00hrs, while operating as marked Boise Police unit 3915, I responded outside the address of [REDACTED] N Mckinney St to assist in taking a position on a containment team during a search for an armed robbery suspect. The suspect was seen by another officer in the area of N Redway Rd. I stood by with the containment team, equipped with a shield, until the suspect was located in the backyard of [REDACTED] N Redway Rd and ultimately taken into custody.

After the scene was stabilized, I proceeded to assist officers in clearing nearby houses to ensure the residents were uninjured after the OIS. Houses included [REDACTED] N Mckinney St and [REDACTED] W Ustick Rd. After clearing the two houses, nearby officers advised me that all the houses on the street had been cleared south until [REDACTED] N Mckinney St.

Narrative

INITIAL RESPONSE/CONTACT:

On 09/24/24, at 2146 hours, I responded to assist officers in a vehicle pursuit with an armed robbery suspect (DR #2024-414665). While in route, the suspect fled the vehicle on foot and I responded to the area of N McKinney Street and W Pomona Street to assist with the perimeter.

When I arrived, I was eventually assigned to be a part of a reactionary team if the suspect were to flee southbound to our perimeter location. While there, officers advised via the radio, they located the suspect in the backyard of [REDACTED] Redway Road. Officers eventually contacted the suspect. Shortly after, I heard multiple gunshots. Shortly after, it was advised via radio, officers took the suspect into custody.

I then began to assist with welfare checks at the residences in the area. I contacted [REDACTED], who resides at [REDACTED] N McKinney Street. He told me he resides at the location with his wife and both of them were ok. He told me he did not witness any part of the incident and only heard the gunshots.

I then assisted by taking over the crime scene log at 2333 hours. Officer Loomis took over the crime scene log at 0000 hours.

I was later called back to the scene to continue the crime scene log at 0318 hours. The crime scene was shut down at 0423 hours.

This concluded my participation in the incident.

My On Body Video was activated during the incident.

Narrative**INITIAL RESPONSE/CONTACT:**

On September 24, 2024 at approximately 2128hrs, an armed robbery occurred at 6919 W. Fairview. The subject walked into the store and pointed a handgun at employees demanding cash. The subject was last seen on foot heading West bound on Fairview. A subject fitting the same description had committed two other armed robberies in the last 1-2 weeks, both times showing a gun during the robbery. Information had been obtained that the suspect was a male identified as Adam Cook who lives in an apartment complex at [REDACTED] N. Cole rd. The two vehicles associated with Cook were a grey Jeep Renegade and a black passenger car.

Officers went to the business that was robbed to obtain more information, and multiple officers went to the apartment complex at [REDACTED] N. Cole Rd. I responded to the apartment complex. Multiple officers were on foot walking towards Cook's apartment building. While walking, officers saw a dark colored Jeep Renegade drive through the parking lot and then go back out onto Cole rd. The vehicle pulled into a parking lot at the NW corner of Cole/Fairview. An officer followed the vehicle into the parking lot and was able to confirm that the license plate was the same one associated to Cook. There was also a male in the drivers seat that fit his description.

I got back into my patrol vehicle and began driving South bound on Cole road towards Fairview. As I approached the intersection I saw the Jeep pull out of the parking lot at a high rate of speed with a patrol vehicle following it with its overhead emergency lights on. I also began pursuing the vehicle South bound on Cole road. The vehicle then turned West bound on Emerald and accelerated up to approximately 80 miles per hour eluding officers. The vehicle continued West bound on Emerald to Mitchell where it turned North bound and continued driving at an extremely high rate of speed. 2 other patrol vehicles stated they were now behind the suspect vehicle and were North bound Mitchell approaching Ustick. Sgt. Urian performed a PIT maneuver on the vehicle at the intersection but the vehicle was able to continue driving East bound on Ustick. Radio traffic stated the vehicle was going approximately 90mph and was going into on coming traffic. Supervisors stated over the radio to discontinue the pursuit.

The vehicle was last seen going South bound into a neighborhood South of Ustick between Cole rd and Curtis. Officers began to canvas the area searching for it, when a citizen called in a speeding vehicle in the same area that had its lights shut off. They stated the vehicle was now parked and gave the intersection where it was located. An officer saw a male fitting the description North of where the vehicle had last been seen. That subject then ran and went into the back yard of [REDACTED] N. Redway. A perimeter was set up and the area was locked down. Multiple police drones were deployed and began searching the back yards of possible homes the suspect could be hiding in.

A police drone was able to locate Cook hiding under a tarp in a small shed in the back yard of the residence. Cook came out from under the tarp and drone operators put out over the radio that they could

see a handgun tucked into his waistband in the small of his back. Officers then a short time later began challenging Cook and stated over the radio that he had pointed a gun in the direction of officers. Multiple officers began going into the garage of the residence to challenge the suspect from the back garage door.

Officers Gutierrez and Coils were at the back garage door looking out into the back yard. I could hear the officers giving multiple commands to Cook. As I got approximately 2 feet behind the officers at the back garage door, shots began to be fired. I did not witness the suspect get shot. I could not see him from where I was located inside the garage. I then ran upstairs to a bedroom in the house to see if I could get a better vantage of the suspect in the back yard. Officer Jayne and Officer Carter were already in the bedroom.

I then went back downstairs and retrieved a shield. I then went back to the garage door with the shield to provide cover. Cook was laying on his back with his head towards us and I could see that he had been shot multiple times. Cook stated he couldn't crawl to us, and no officers could see where the gun was. Due to this Cook was given commands to crawl to us. He didn't try to crawl so Officer Yanna deployed a single 40mm round and struck Cook in the upper body. Cook still didn't crawl to us and we couldn't clear the area around him where the gun could have possibly been. Officer C. Bonus then used his patrol K9 which went on bite and dragged cook approximately 8 feet to us. Officers were then able to clear cook and see that he didn't have any weapons on his person.

Cook was placed in handcuffs and life saving measures were started by officers. Ada County Paramedics arrived on scene and took over life saving measures. Cook was transported by ambulance to a local hospital.

This concluded my involvement in this incident.

Route to Ada County Prosecutors.

Narrative

On 09/24/2024 I responded to a report of an armed robbery that occurred at 6919 W Fairview Ave, Adam and Eve. I was working as a uniformed police officer for the City of Boise in a marked patrol vehicle.

Before my scheduled shift began, I heard over the radio that an armed robbery occurred and the suspect was at large. After completing my pre-shift preparations, I quickly entered service. Before leaving the station, I heard over the radio that the suspect vehicle had been located in a CVS parking lot. I then heard that the vehicle fled from Officers and that a pursuit was initiated. I then heard that the pursuit was heading Westbound on W Emerald St.

I left the station and began driving code three (lights and sirens) to the pursuit. I was traveling northbound on N Mark Stall Pl approaching W Emerald St when I saw the pursuit continue Westbound on W Emerald St. To my recollection, two police vehicles were traveling westbound on W Emerald St before I approached the intersection. I then approached the intersection and noticed two or three more police vehicles traveling westbound on W Emerald St. I yielded to the vehicles before turning left onto W Emerald St. The incident commander stated that the five vehicles westbound should continue pursuit and the rest should spread out for interception. At this point, I did not have a visual of the suspect vehicle and believed that there were already five vehicles ahead of me so I did not follow the path of the pursuit. The pursuit turned right onto N Mitchell St and I continued Westbound on W Emerald St. I then attempted to parallel the pursuit on N Five Mile Rd. Shortly thereafter, the pursuit was terminated.

I then heard over the radio that Officer Yanna had seen the suspect on foot westbound near the area of W Ustick Rd and Redway Rd. I responded to the area of W Ustick Rd and McKinney St. I then joined officers west of the suspect's location. We formed an arrest team to the west on McKinney St. At this point, I had not seen or heard the suspect. I then heard on the radio that additional officers were needed to the south, I then left the arrest team to assist other officers to the south. I joined the south perimeter arrest team on Pomona Rd and Venus Pl. I then heard over the radio that the suspect had hit the drone with his hand and that he was moving west. Our arrest team then re-positioned slightly more west. I then heard over the radio that the suspect had a gun and was not obeying verbal commands by officers. I heard multiple gunshots come from the area of W Ustick Rd and Redway Rd.

I was later assigned to put police caution tape around the front yard of [REDACTED] Redway Rd. I was then assigned to escort the family of [REDACTED] Redway Rd to the command post at [REDACTED] N Cole Rd. I approached the front door of the house to retrieve the residents. I did not enter the home or the backyard. I then transported one male and one dog to [REDACTED] N Cole Rd.

I did not see, hear, or have any interaction with the suspect at any point during this incident.

Narrative

The following is a summary of the events that occurred. During this incident I was AFC for the valley nights team (3250).

On 09/24/2024, At approximately 2150 hours, I heard sporadic radio traffic concerning an armed robbery suspect having been located in a vehicle. During this time I was still gathering my gear to leave the station. Shortly after I heard a vehicle pursuit was initiated with the suspect vehicle. I was not involved directly with the pursuit of the suspect vehicle. The pursuit was later terminated by a BPD supervisor.

I then heard additional radio traffic that the suspect vehicle had been seen parked by a resident in the area of Cole /Ustick. Multiple Units from BPD, ACSO, GCPD, and MPD responded to the area. I assumed the role of setting up an outer containment/perimeter as the suspect was believed to be on foot. After the containment was in place I later heard radio traffic that the suspect was possibly in a shed in a backyard. I began to float from my containment location toward the scene where the suspect was believed to be. While en route I heard additional radio traffic that the suspect was running and was seen with a firearm tucked into his rear waistband. I also heard an unknown unit state the suspect pointed a firearm at Officers,

Shortly after, I heard multiple gunshots while arriving to the intersection of Redway/Pomona. I was approximately 100 yards, or more, away from the actual scene of the Officer involved shooting. I responded on foot to the scene of the OIS and joined Officer Sandoval as he held an inner perimeter location just outside [REDACTED] N Redway.

Once the suspect was taken into custody I was into the scene to see if any Officers needed assistance with any tasks. I was not involved with rendering aid to the suspect who I briefly saw lying on the ground being medically treated for his injuries. I left the scene of the OIS and then took on additional administrative tasks just outside the scene in the roadway such as coordinating crime scene tape set up. I also delegated transportation of sequestered personnel and their vehicles as well as relieving swing shift units with night team Officers.

I was relieved from the scene by Sgt. Miller. Refer to my body camera for further detail. I had no further involvement with this incident.

Narrative**INITIAL RESPONSE/CONTACT:**

On 9/24/2024 at approximately 21:28 hours officers were dispatched to an armed robbery that had occurred at a business located at 6919 W. Fairview Ave. Information was provided that a male suspect had entered the business with a gun and had robbed the store. The suspect then fled out of the front doors of the business and headed westbound. Officers then started an area search for the suspect and located an associated vehicle which was a gray in color Jeep Renegade bearing Idaho license plate, [REDACTED], near [REDACTED] N. Cole Rd. A felony stop was then attempted and the vehicle willfully fled from officers. A pursuit was then initiated given the violent felony crime the suspect had just committed coupled with the information that he was involved in several other armed robberies that had occurred in Boise and Nampa.

I was the Sgt. for the bench night shift team, and our team quickly left the police station to assist with the call. As I exited the back parking lot of MSP I could hear radio traffic indicating that the suspect was traveling at a high rate of speed westbound on Emerald from Cole. I then proceeded eastbound on Emerald from Maple Grove towards the direction of the pursuit. Just past the intersection I observed the Jeep traveling westbound towards my location at an estimated speed of 90mph. After quickly passing me the Jeep continued to proceed westbound through Maple Grove. I then completed a quick U-turn and attempted to catch up to the vehicle as it continued westbound towards Mitchell St. There were several officers to the west of my location, and I then started to give updates on the radio of the direction and speeds of the suspect as we were now in direct pursuit of the Jeep. The Jeep then made a right turn (north) onto Mitchell and proceeded northbound again at a high rate of speed. At this point in time I was the fourth officer in pursuit of the Jeep, and I attempted to give radio updates on the direction of the pursuit. Given the capabilities of my patrol vehicle I quickly fell behind as the pursuit continued northbound on Mitchell towards Ustick. As the Jeep approached the intersection of Mitchell and Ustick officers relayed over the radio that a PIT maneuver had been attempted, but the suspect was able to regain control of the Jeep and continued to drive eastbound on Ustick at a high rate of speed.

At this point in time the suspect posed an immediate threat to the public, and officers involved in the incident. We were also aware that the suspect was armed with a gun, had committed a violent felony with the firearm, and had committed several other robberies during the week. Also given the reckless driving pattern of the suspect his continued flight needed to be stopped immediately. With these given facts and wanting to bring this pursuit to a quick and decisive end I authorized officers to utilize extreme measures. After relaying this information over the radio it was updated that the Jeep was still driving eastbound on Ustick almost to the intersection of Cole at relayed speeds of almost 100mph. As the investigation into the robbery continued officers were able to identify Adam Cook as the suspect and he was also associated with the Jeep we were pursuing. LT. Wier then discontinued the pursuit as the Jeep continued eastbound on Ustick through the intersection of Cole, and officers were able to relay that the Jeep was last seen driving southbound on McKinney from Ustick. With this provided information I then started to direct officers to set up a perimeter around the associated area to see if we could locate the Jeep. As the

5. Date Occurred 09/24/2024	6. Time Occured 21:27	7. Route To File	8. Division PATROL

perimeter was being formulated dispatch received a call that the Jeep was seen parked near [REDACTED] N. Redway Ct. and a subject was seen running from the vehicle. Moments later Officer Yana provided information that he observed Cook jump the fence into the backyard of [REDACTED] N. Redway Rd, and a motion light in the backyard also quickly turned on and off. Officer Yana also stated over the radio that Cook had a firearm in the waistband of the clothing he was wearing. I then directed officers to set an inner perimeter containing the Redway Rd. address along with a larger outer perimeter. I then responded to the scene and took over tactical command of the incident.

Once on scene I parked my patrol vehicle near the front driveway of [REDACTED] N. Redway Rd. I then directed officers to formulate an arrest/emergency reaction team incase Cook attempted to break into a house or move his way out of the perimeter. After this team was formulated I could see that a family was inside of the [REDACTED] N. Redway Rd. address so I then instructed Cpl. Gutierrez to make contact with the family to ensure they have all their exterior doors and windows locked since Cook was last observed jumping into their backyard. I could also see that the residence appeared to be two-storied which would give officers a better view into the back yard, and also increase our tactical advantage on Cook if he was still in the backyard. Once inside Cpl. Gutierrez relayed that there were two separate sheds in the backyard located on the southwest side of the property, and the smaller shed had an open door. As the call progressed several drone pilots responded to the area and started to systematically search the neighborhood and surrounding areas for Cook. I also at this time tasked AFC Gilliam with formulating another arrest/emergency reaction team to the south and west of our location incase Cook had made it out of the backyard prior to containment being set. I also tasked dispatch with sending out a "code red" for the surrounding neighborhood instructing people to stay inside and to call 911 if they see the suspect. By this time several minutes had elapsed and none of the drones had located Cook. This indicated to me that Cook was possibly laying in wait to ambush officers or he had already forced entry into another residence that we were unaware of. I then had Officer Coils and a team of officers make contact with the southern neighbor of the [REDACTED] address, and they were willing to leave the residence for the time being. They also gave officers consent to enter their backyard if needed, and they indicated that they had not seen Cook. Once the house was safely evacuated I advised officers to hold their positions while a tactical consult was conducted by Lt. Wier. Information was also provided that a probable cause search had been conducted of Cook's Jeep and no firearm had been located.

While the tactical consult was being conducted a drone had located Cook in the smaller backyard shed of the [REDACTED] N. Redway Rd. address. Cook then attempted to flee on foot westbound through the backyard, and information was provided that Cook had the gun in the back part of his waistband. Instead of climbing over the western backyard fence Cook ran behind the large shed located in the backyard. As this was occurring information was quickly provided over the radio that Cook had pointed his firearm at officers. By this time we had tight containment on the property and two separate arrest teams were established. Cpl. Gutierrez and the team of officers inside of the residence had attempted verbal contact with Cook but it was unsuccessful. I then had K-9 Officer C. Bonas and several other officers quickly move to Cpl. Gutierrez's location inside of the residence while contact was being attempted with Cook. Moments later I heard several gunshots, and information was then relayed over the radio that shots had been fired. Information was also relayed that Cook had been shot and that he was currently down.

I then entered the residence to asses what tools and instruments the arrest team would need. The arrest team was located inside of the garage which had a garage door that opened into the backyard. I then requested that an officer retrieve a shield from my patrol vehicle, and also that an officer with a 40mm less lethal munitions launcher respond to our location. The drone pilot then advised that the suspect was laying on his back on the ground and his hands appeared to be clear. The drone pilot was unable to sufficiently clear the area surrounding Cook for any weapons nor could they tell if Cook had any weapons concealed on his person. Cpl. Gutierrez continued during this time to give Cook verbal commands to crawl towards our location at the garage door and Cook refused to comply with the commands that were given to him. At this point in time I was extremely fearful that Cook was still armed or had a weapon in close proximity to his person. I also observed that Cook was approximately 30 feet away from our location at the garage door and there was no cover or concealment that would be provided for officers to cover that distance. Cook was still refusing to crawl to our location, and I did not want to approach him without some form of positive control of his person. I then informed officers that we would utilize the 40mm less lethal munitions launcher in combination with K-9 Officer C. Bonas's patrol dog to make positive contact with Cook, and once the K-9 had apprehended Cook we would drag him back to our location near the garage door. These steps were taken given the violent spree of felony crimes Cook had just committed with a firearm coupled with his verbal non-compliance.

Officer Yana then utilized one 40mm less lethal munitions round that had no effect on Cook. Shortly after the round was deployed K-9 Officer Bonas was able to deploy his patrol K-9 for a successful apprehension, and Cook was dragged away from the immediate area he had been located. Officers were then able to quickly move up and place Cook into custody and the K-9 was removed from the apprehension by K-9 Officer Bonas. Once Cook was in custody officers immediately started to provide medical aid to Cook and paramedics were then advised that the scene was safe for them. As paramedics arrived on scene they started to provide medical aid to Cook, and I then directed a team of officers to check the residence's to the west for any gunshot damage. I also instructed an officer to ride in the ambulance with Cook.

Myself and AFC Gilliam then started CITF protocols and this ended my involvement in the case.

Narrative

On 9/24/2024 at approximately 2144 hours, I was on duty as a Police Officer for the City of Boise as call taker 3911 when I assisted at a robbery suspect vehicle pursuit. The suspect was involved in an armed robbery and they were eluding Boise Patrol units. I joined in the vehicle pursuit when the suspect vehicle passed me at the intersection of Emerald and Maple Grove. I continued in the vehicle pursuit until a supervisor terminated the vehicle pursuit near the intersection of Cole and Ustick. I disengaged in the vehicle pursuit and turned away from the suspects last known direction of travel.

I was later informed that the suspect was seen leaving his vehicle and ran toward the backyard of [REDACTED] N. Redway Road. I arrived on scene ([REDACTED] N. Redway Road) and assisted in keeping a perimeter on the area. I ended up on a react team near [REDACTED] N. McKinley St. While on the react team, I heard Officers giving the suspect verbal commands and heard the suspect yelling. I later heard multiple gunshots near the vicinity of where the suspect was located at. Once the suspect was placed in custody, I assisted in checking surrounding residences to see if there were any injured persons. No injured persons were located in the residences that were cleared.

I was tasked with following the ambulance to St. Alphonsus Hospital. Once I arrived at the hospital, I was tasked as securirty detail for the suspect (Adam Cook). I stayed as security watch until I was relieved by Police Officer Williams. The hospital staff gave me the suspect's clothes and belongings that he was wearing when he arrived at the hospital. The suspect's belongings were placed in a bag. I gave the suspect's belongings to the assigned Meridian Police detective who arrived at the hospital. I left the scene and cleared from the call.

Narrative

INITIAL RESPONSE/CONTACT:

On 9/24/2024, at approximately 2129 hours, I was dispatched to assist on a Armed Robbery Just Occurred call for service. Based on dispatch notes and law enforcement intel received earlier in the day, it was believed that the robbery suspect lived at [REDACTED] N. Cole Rd. [REDACTED]. The suspect was believed to be Adam Cook and detectives believed that he was the possible suspect in three other armed robberies in the Treasure Valley. Upon arrival to the area, Officers were trying to locate the suspect that had fled the scene. I responded to the apartment complex that the suspect was known to reside. While at a perimeter position, officers were advised that the suspect vehicle had been located. I responded to the area that suspect vehicle was located. The suspect began to flee the area and I engaged in a pursuit of the vehicle with other officers at that time. The pursuit was terminated due to suspect vehicle's high rate of speed and traveling into oncoming traffic.

I began traveling back to the suspect residence. After I arrived at the suspect's apartment complex, dispatch advised that a caller had located suspect vehicle near [REDACTED] N Redway Rd. Residents of [REDACTED] N Redway Rd also confirmed movement in their backyard. I responded to the area and set up at a perimeter spot in front of [REDACTED] N McKinney St.

While on the perimeter location, I heard shots being fired from the East of my location. We were advised the suspect was shot and down. Once we were advised that medics were bringing the suspect out, we began checking houses on McKinney South of Ustick due to that area being directly behind the house where the suspect was located. I spoke to residents at [REDACTED] N McKinney St, Boise, ID 83704. [REDACTED] owner of the residence, answered the door. [REDACTED] stated he and his wife, [REDACTED] were okay. [REDACTED] stated that he and his wife were the only residents of the house. [REDACTED] gave officers consent to check the residence and the backyard for any signs of damage. After the residence and backyard were checked, we exited the residence.

I then assisted in escorting the family of [REDACTED] N Redway Rd, [REDACTED] and [REDACTED], to a nearby location to be interviewed by detectives. I waited with [REDACTED] and their son, [REDACTED] until detectives arrived and conducted their interviews.

Narrative

On 09/24/2024 at approximately 2127 hours, I assigned myself to a Armed Robbery that occurred at Adam and Eve located at 6919 W Fairview Ave in the city of Boise. The reporting party who was an employee with the business stated a white male wearing a black hoodie, black mask, blue gloves and grey sweatpants pointed a gun and took money out of the register.

I attempted to locate the male in the nearby area of the business when K9 asked for units at the business to assist with a K9 track. Once on scene at the business, officer broadcasted that the suspects vehicle, who had been identified as Adam Lee Cook from multiple recent armed robbery was located (2024-414117, 2024-414486). Shortly after, it was broadcasted the vehicle had pulled into the CVS parking lot before fleeing from officers southbound on Cole Rd.

I was able to locate the Jeep Renegade bearing the Idaho registration of [REDACTED] vehicle fleeing and joined the pursuit with both lights and sirens behind multiple officers (approx. 5th.) During the pursuit, I traveled with due regard on South on Cole Rd from Fairview at approximately 60 mph, west on Emerald St to Mitchell at approximately 65 mph, north on Mitchell to Ustick at approximately 70 mph, and east on Ustick at approximately 50 mph before being terminated. The pursuit continued until the speeds were deemed to dangerous for us to continue. I discontinued my involvement and made my first available right possible on Milwaukee St.

Shortly after discontinuing and setting up a perimeter around the last known area as well as his last known address, officers were informed the suspect had returned to the area of [REDACTED] Redway Rd in the city of Boise. Once in the area, I provided scene security for Officer Pap who operated his drone from the intersection of Redway Rd and Ustick Rd.

This ends my involvement with the case

Narrative	

Initial Call:

On 09/25/2024, I was on duty in full police uniform, driving a fully marked Boise Police Department vehicle. At approximately 2128 hours, BPD units were dispatched to a call of an armed robbery at 6919 W Fairview Avenue, Adam and Eve. A vehicle pursuit was initiated by BPD units with the suspect vehicle, and the suspect was last seen entering the backyard of [REDACTED] N Redway Road.

My response:

On 09/24/2024, at approximately 2144 hours, Officer Coils and I responded to the area where BPD units were in an active pursuit of the suspect vehicle. The pursuit was terminated due to the speeds and safety to the public. The suspect vehicle was located on McKinny Street, just south of Ustick Road. Officer Coils then responded to [REDACTED] N Redway Road where the suspect was last seen by Officer Yanna entering the backyard of the residence by jumping over the wooden fence. Containment was set up in the surrounding area to prevent the suspects further escape. An arrest team was formulated, and I was tasked with being hands/handcuffing. While we were on scene, the residence of [REDACTED] Redway Road was seen opening the side door that leads to the backyard of their residence. It should be noted that the backyard of [REDACTED] Redway Road is located directly south of [REDACTED] Redway Road and shares a fence line. Officer Coils and I then went to [REDACTED] Redway road and contacted the occupants. The occupants consisted of one male adult, one female adult, and two small children. The male subject verbally identified himself to me as [REDACTED] with a cell phone number of [REDACTED]. The occupants of [REDACTED] Redway Road agreed to evacuate the residence for safety precautions.

Contact with the Suspect:

During a drone search of the backyard of [REDACTED] Redway Road, it was determined that the suspect was hiding in the backyard under a tarp near a shed. The shed was located on the south side of the backyard. The suspect disabled the drone that was in the backyard conducting a search. The suspect was seen by an additional drone that was overhead trying to flee the backyard by jumping over a fence. I heard over the police radio that the suspect had pointed a firearm at law enforcement. Due to the severity of the crime, the fact that the suspect was seen armed with a firearm, and the fact that he unlawfully went onto the property of [REDACTED] Redway Road; Officers entered [REDACTED] Redway Road and we were positioned in the garage of the residence to further contain the suspects movements. Officers had a visual on the suspect who was on the south side of the backyard. My role remained hands/handcuffing. An Officer Involved Shooting occurred and Officer's formulated a plan to approach the suspect. The suspect was non-compliant with commands and refused to crawl towards officers. Due to the subjects non-compliance, Officer Yanna deployed a 40mm less lethan round at the suspect. The suspect continued to refuse to obey lawful orders so Officer Bonas deployed his K-9 and had a positive bite on the suspect. While the K-9 had a positive bite, Officer approached the suspect, and I placed him in handcuffs. I searched the suspect for any weapons and did not locate any on his person. The suspect was moved to a recovery position shortly after I placed him in handcuffs. Officer Coils cut off the suspects shirt in order for us to render medical aid on his wounds. Ada County Paramedics arrived on scene and began medical treatment on the suspect. The suspect was moved onto a gurney and placed in the back of an ambulance. Once

INITIAL RESPONSE/CONTACT:

On 09/26/2024 I was a uniformed patrol officer in a parked patrol vehicle. I responded to St. Alphonsus Regional Medical Center to stand guard on room S3438, where Adam Cook was being treated. Cook had an operation scheduled that day for his arm. I sat in on in Operating Room #2 for the operation. During the operation preparations, a bullet was located in the upper thigh on the back side of Cook's left leg. The bullet was removed by Dr. Squyer and placed into a biohazard container. A chain of custody form was filled out and I took possession of the bullet. I notified my command staff who provided me with the information to contact Meridian Detective Hansen. I was relieved from my watch duty around 1400 hours. I met Det. Hansen at St. Als where I provided him with the bullet and the chain of custody form.

Photos were taken of the bullet before it was removed, after it was removed, and of the chain of custody form.

Narrative	

INITIAL RESPONSE/CONTACT:

On 9/24/2024 I responded to an armed robbery call that had transpired into a pursuit and then the suspect fleeing the vehicle and hiding in the backyard of [REDACTED] Redway Rd. Boise, ID. I responded to the area and was tasked with holding a couple outer perimeter spots. I was at W San Fernando Dr. just East of N Eldorado St. holding my spot when I heard numerous gunshots. I held my position until I was then tasked with blocking N McKinney St. at W San Fernando Dr. until I was then relieved of that spot and left the scene.

This concludes my involvement.

CONCLUSION:

Narrative	

INITIAL RESPONSE/CONTACT:

On 09-24-24 at approximately 2030 hours, I was contacted by Violent Crimes Sgt Kendall reference an officer involved shooting incident. I was assigned to respond to the scene located at [REDACTED] Redway Ct in Boise, ID.

At approximately 2300 hours, I arrived on scene and met with BPD Sgt T. Miller and AFC Gilliam, who were in the process of sequestering officers involved in this incident. I assisted in this process which ultimately led to BPD Ofc's, Jayne (discharged his AR-15 at suspect), Guterrez (discharged his AR-15 at the suspect), Yanna (deployed one 40MM round at suspect), and K9 handler Bonas (deployment of K9). Cpl Guterrez informed us that he believed the suspect had shot at him before he fired his AR-15 at the suspect. Both Guterrez and Jayne described the suspect pointing a firearm at them prior to the use of deadly force.

Upon arrival, Ofc McKeever was documenting the crime scene log. Shortly after, Ofc Josh Featherly took over the crime scene log.

The first MPD Det. to arrive on scene was Det. Rackley. Once he was on scene, I requested Sgt Miller to escort Det. Rackley and I through the scene. At the conclusion of the walk through, I assisted other responding MPD Det's in searching for spent .223 shell casings at both Ofc Jayne and Cpl Gutierrez's previous locations in which they discharged their weapons. During our search of the scene and the immediate area, the suspect's firearm was not located. Arrangements were later made to conduct a more thorough search of neighborhood and path in which the suspect had fled from his vehicle and to this location. I left the scene prior to this being conducted.

PROPERTY/EVIDENCE:

At the request of BPD Lt. Linn, I obtained a copy of ACSO drone footage of this incident from Meridian Det. Hansen. MPD Det. Riggs delivered a thumb drive containing this content. This content was down loaded onto evidence.com and marked as having restricted access. The thumb drive was then booked into C.I.D. property as evidence under Item# 1CR.

Narrative	DRONE LIGHTS:

On 9/26/2024 I was contacted by Detective Day with the Ada County Sheriff's Office. He had been given two small items that appeared to be LED lights. These had been located and collected by the homeowner at [REDACTED] N. Redway Road, in Boise. The homeowner did not know what these items were and claimed they did not belong to him. It was believed these lights belonged to a Boise Police drone that was damaged during this incident. Detective Day gave me these lights so I could return them to the drone team. Ultimately Detective Burgard with the Boise Police Department, confirmed these items did come from a BPD drone. I photographed and booked these items into the property room.

<u>Narrative</u>	

AREA CANVAS:

On 9/25/2024, myself and several detectives from the Boise Police Department, Ada County Sheriff's Office, and the Meridian Police Department canvassed the neighborhood surrounding [REDACTED] N Redway Rd for the firearm that Adam L Cook had been in possession of during the commission of the robbery (24-414665). I specifically obtained consent to search the front and rear yards of the following residences. A firearm was not located.

[REDACTED] N Redway Rd Boise, Idaho - [REDACTED]

[REDACTED] N Redway Rd Boise, Idaho - [REDACTED]

I knocked on the front doors of [REDACTED] N Redway Rd and [REDACTED] Pomona St, but no one answered. I was able to clear both front yards and due the rear yards being surrounded by short fences, I was able to visually clear most of the rear yards of any firearms.

During the course of the area canvas, I observed surveillance cameras on the exterior of [REDACTED] Venus Pl Boise, Idaho. I attempted to contact the residents, but there was no answer at the door. I left my business card on the front door and on 9/27/2024, I spoke with the home owner, [REDACTED]. I learned that the [REDACTED], but he does have a Ring doorbell camera. [REDACTED] reviewed the footage and told me that on 9/24/2024 at 2148 hours, an unknown vehicle was captured on camera turning north on Redway Rd from Venus Pl. He said that due the video quality, the make/model of the vehicle could

INITIAL RESPONSE/CONTACT: I was called out by Sgt Kendal to assist with this Critical Incident Task Force (CITF) officer involved shooting investigation. I was advised Boise Police officers had been involved in a shooting, and Meridian Police was the lead CITF agency. I was assigned to be the BPD lead first contact detective.

I learned that Officers Luis Gutierrez and John Jayne had fired their weapons, Officer Colt Bonus had deployed his K9, Officer Luke Yanna used a 40mm less than lethal round. All four officer would be sequestered at the Meridian Police Department.

I responded to the front lobby of the Meridian Police department. There were several uniformed and plainclothes officers who are not part of the first contact team already in the lobby. MPD Detective Fawley was the lead first contact detective who formulated a plan to conduct the first contact.

I observed the first contact with Officer Gutierrez and Officer Jayne.

After all Officers had been photographed, I took custody of their body worn cameras. I placed each one in the dock to download. I waited until each camera was downloaded and emailed the video to MPD Sgt Figal with download rights. I later sent the videos to MPD Hansen with download rights.

I was assigned to set up the BPD command brief with MPD.

On 10/1/24 I sent in the interview with Officer Gutierrez, his council Guy Hallam and MPD Detective Ryan Rhodes. This interview was conducted at Hallam's office where it was recorded and documented by Detective Rhodes. See his supplement.

Narrative	

INITIAL RESPONSE/CONTACT:

On 9-24-24 at approximately 2128 Officers were dispatched to an armed robbery with a firearm at 6919 Fairview. It appeared that it could be the same robbery suspect as several previous robbery's with a suspect, Adam Cook. Cook lives at [REDACTED] N Cole [REDACTED]. I responded to the area of this apartment complex with several other officers. Shortly after I arrived an officer saw a possible suspect vehicle driving inside of the complex. The vehicle is a gray Jeep Renegade with Idaho plate [REDACTED]. The Officer that saw this vehicle put out on the radio that the vehicle was exiting the parking lot onto Cole Road. At this time I was driving south on Cole passing the exit to the complex and saw the vehicle about to exit onto Cole. I looked in my mirror and saw the vehicle pull out onto Cole southbound behind me. As I slowly rolled towards Fairview I saw the vehicle turn into the CVS parking lot. At the same time I was about to pass the next entrance to the parking lot and pulled in. Just as I did this the suspect turned left and we ended up nose to nose at the entrance I pulled into. I turned on my overhead emergency lights and began giving the suspect commands. The suspect driver appeared to match the description of Adam Cook. I noticed that the driver was sweating profusely. The driver was initially compliant and put his hands out the window like I told him to. Once I saw that several more Officers were parked behind the suspect I got my patrol K9, Rico, out of my car. I told the driver to comply with commands or he would be bit. About that time the driver put his right hand back inside the vehicle while staring at me. I told him to put his hands back out the window and his response was "fuck you!" and then took off South on Cole in his vehicle. I put Rico back in my car and began trying to catch up to the pursuit. I never did catch up to the pursuit from this point.

Once the pursuit was discontinued and the suspect was seen going into a backyard I was set on a perimeter position. Once the suspect was located by a drone inside of a shed I moved to the western perimeter. During this time it was put out over the radio that someone saw a handgun in the back of the suspects waistband and that he also had pointed a gun at Officer's. It was put out on the radio that the suspect had damaged the drone and taken it out of service. After I arrived at the western side I heard multiple gunshots. I could hear commands being given from my position on the western side from Officer's to the suspect after the shots were fired. Once the suspect was taken into custody I responded back over to the street in front of the residence.

I transported Officer C Bonas to Meridian PD as his escort Officer. No further actions.

Narrative

On 9/26/2024, I was operating in my capacity as a member of the 4900 team with a unit designator of 4915. At 1400 hours, Lt Weir tasked me to respond to the area where the suspect's vehicle related to this crime was located. He asked that I join a team that was searching the area for the gun used in this crime.

I began my search at the CVS at Cole Rd/Fairview Rd and traced the route of the vehicle pursuit. I visually searched the roadside from that location, south on Cole Rd to Emerald St, then west on Emerald St to Mitchell St, then north on Mitchell St to approximately Northview St. At that location, I was met by AFC Gilliam who advised that the search team who had started at the scene of the OIS and worked their way back towards the CVS, retracing the route of the vehicle pursuit in the opposite direction as my team, had already reached Northview St.

Both search teams then grouped together and decided to return to the area where the suspect's vehicle was located and search the area between there and the OIS scene. I visually searched the area where the vehicle had been located with the aid of a metal detector. After not finding the gun in that location, the team responded to [REDACTED] N Redway Rd, the scene of the OIS. We spoke with the homeowner there and received consent to search his backyard for the firearm. Officers extensively searched that backyard and many of the surrounding yards. However, the handgun was not located.

While speaking with the homeowner at [REDACTED] N Redway Rd, he advised that the security camera on his shed in his back yard had captured the suspect, identified as Adam Cook, making entry into his back yard. I asked to view that video and he was able to send it to my department issued cell phone. The video starts with the Cook in a seated position (the security camera is motion activated and it apparently took a few seconds for the camera to recognize the motion of Cook jumping over the fence and falling to the ground), facing the fence that he had reportedly just jumped over while evading Officer Yanna. Cook's back is to the camera at the beginning of the video as he faces the fence and Officer Yanna's approximate position. Cook's weight is shifted onto his left hip pocket and his right arm appears to be raised. He is also leaning back and his weight is supported by his left hand which is planted on the ground.

Narrative

INITIAL RESPONSE/CONTACT: On 9/24/24 I spoke with Det. Wirshing via phone reference a series of armed robberies he had been working for the last couple weeks prior to this date. Wirshing had been working with Nampa PD and developed a likely suspect in this case, along with a suspect vehicle. Due to the violent nature of these robberies, and the fact that he appeared to be committing them at a rapid pace, we were concerned that he could strike again. We decided to have an intel bulletin put out with suspect picture, his vehicle (which had been used in at least the Nampa robbery), and his home address at [REDACTED] N. Cole.

I asked our CAU/Intel unit to produce an internal intel bulletin with the following narrative included:

I had that flier put out around 1930 on the night of 9/24/24. Internal bulletin # of 2024 010-A. Later that night at about 2230 hrs I was contacted by Sgt. Scally. He stated that there had been another armed robbery. It was same suspect description, but this time was at an Adam and Eve adult shop, which happened to be next door to a Subway restaurant, and again was within walking distance of our likely suspect, Adam Cook's residence, at [REDACTED] N. Cole.

Sgt. Scally stated that they had observed our bulliten in briefing that night. Officers had set up on the address and waited for him to arrive. The suspect vehicle had pulled in to the lot. Officers attempted to stop the car, and do a felony stop on it. The male occupant (presumably Mr. Cook), disobeyed officers by failing to yield to them and submit to a detention. He fled the parking lot in his vehicle. Sgt. Scally stated officers pursued the vehicle, but had lost it in the area of Cole and Ustick. The care was found, but suspect was at large, and police believed him to possibly be in a back yard a few blocks from where they found the abandoned car.

5. Date Occurred 09/24/2024	6. Time Occured 21:27	7. Route To File	8. Division PERSONS

I then informed Sgt. Scally that I would send out a couple of detectives, Det. Roath and Det. Wirshing, to assist with the armed robbery, eluding, and multiple crime scenes. I then contacted Det. Roath. I asked him to go to the scene of the abandoned car and start assisting officers. I contacted Det. Wirshing and asked him to respond to the robbery location and the suspect home at [REDACTED] N. Cole to make contact with his girlfriend there.

At around 2200 hrs I as contacted by Det. Roath. He stated that he had just arrived in the area of the house where suspect was possibly in the back yard. He advised that patrol had just been involved in a shooting with the suspect. I then started making phone calls to my supervisor and other CITF agencies to invoke CITF protocol for this shooting. It was determined that Meridian Police would be the lead in the CITF activation.

I then made the following investigative assignments for the CITF:

- Det. Jagosh was called out to rep BPD at first contact - which was conducted at MPD.
- Det. Hartje was called out to respond to the hospital for evidence collection from the suspect, identified as Adam Cook.
- Det. Roath was assigned to assist MPD with the crime scene where the shooting occurred.
- Det. Wirshing was assigned to investigate the robbery, scene at [REDACTED] N. Cole, and the eluding. He was assisted by Det. Hartje after his hospital duties were complete.
- In speakin with MPD we determined that BPD would investigate as part of the robbery everything leading up to the suspect going over the fence into the backyard on Redway Rd. MPD would then be in charge of the CITF of all things happening from that point forward to include the shooting and UOF just after the shooting, 40mm deployment, and K9 deployment.

I responded to MPD where we determined the CITF command post would be. I conducted CITF supervisory duties there. Upon completion of those duties I responded to [REDACTED] N. Cole. I briefly spoke with Det. Hartje and was given a brief of the status of the robbery investigation, as Det. Wirshing was inside the apartment interviewing Adam's girlfriend, [REDACTED].

I then responded to [REDACTED] Redway Rd, to the OIS scene. I was given a brief walk through by MPD detectives. I observed in general the location both BPD officers had been in when they fired and observed the area where the suspect had been. I didn't conduct a search for evidence, but just made a general orientation of the crime scene. I didn't observe a gun in the area where the suspect had been. Crimescene detectives advised they had conducted extensive searches of the area at this point and had not located a gun.

The following morning and into the day of the 25th, myself and members of the CITF continued to work on the OIS. I went off duty that date about 1600 hours. At around 1615 hrs, I was contacted by AFC Officer Gilliam. He stated that he had heard that no gun had been found. He volunteered help from patrol to trace the route of the pursuit and also the yards from where Adam fled to the end point, in

attempt to locate the gun. I accepted his offer and asked that they do that.

I later heard that officers were unsuccessful in finding a gun in the above described search areas. They also, researched the back yard and adjoining yards of where the OIS occurred and found no weapon. I was advised of this about 2200 hrs on the 25th.

On 9/26/24, BPD VCU detectives, ACSO detectives, and MPD detectives, along with BPD bomb dog, and BPD lab (using a metal detector), and I, again searched the property where the OIS occurred and the adjoining properties. We didn't locate a gun.

This concluded my investigative efforts for this case. The rest of my involvement was of supervisor/administrative duties.

CONCLUSION:

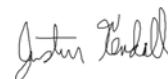

Route to MPD - Det. Hansen.

CRIME SCENE INVESTIGATION REPORT

Boise Police Department Crime Laboratory
333 North Mark Stall Place, Boise, ID 83704

Page 1 of 2

BPD CASE#: 24-414667

EXTERNAL AGENCY CASE#: N/A

Issue Date: October 16, 2024

Investigating Officer(s): Justin Kendall

External Agency:

Analyst Assigned: Mandy Leung, Criminalist II

On 9/26/24 at approximately 0930 hours, Boise Police Department (BPD) Violent Crimes Unit (VCU) Sergeant J. Kendall #623 requested the Boise Crime Lab to assist in the search for a firearm related to an officer involved shooting from two days prior. He requested the Lab to metal detect the backyard of the residence located at [REDACTED] North Redway Road in Boise, Idaho.

I arrived on scene at approximately 1019 hours and met with BPD VCU Detectives A. Hartje #947 and C. Wirshing #756, who directed me to enter the backyard through the side gate. I observed personnel and a K9 actively searching the backyard and met with Sergeant Kendall for an initial walkthrough. He advised that the suspect was standing between the two sheds in the southwest corner of the backyard and may have thrown a silver handgun towards the trees along the west fence. I observed that the fence was shared with the adjacent property, later found to be [REDACTED] North McKinney Street. The trees were on the [REDACTED] property, but the tops of the trees were accessible from [REDACTED]. Sergeant Kendall requested me to metal detect this row of trees and the perimeter of the backyard at [REDACTED].

I observed the backyard to be generally uncluttered. After taking initial overview photographs, I used the metal detector to search the tops of the trees along the west fence, the landscaping along the west fence, the area between the south fence and the sheds, the area between the sheds, the wood pile south of the residence, and the landscaping along the north fence, stopping at the patio; no firearm was located. See my scene sketch for a visual representation of the areas searched.

Sergeant Kendall requested me to metal detect the same row of trees from the adjacent yard at [REDACTED] North McKinney Street. I observed the backyard to be uncluttered. After taking initial overview photographs, I used the metal detector to search the trees; no firearm was located.

This concluded my scene duties. I cleared the scene at approximately 1120 hours.

Narrative: CITF Summary of Investigation and Event

Date/Time: 09-24-2024 2128 hours (Initial call)

Shots Fired: 2241

Location: [REDACTED] Boise, Ada County, Idaho

Suspect: Adam L. Cook

Involved Officers: Boise Police Officer John Jayne, Boise Police Corporal Luis Gutierrez, Boise Police Officer Luke Yanna, and Boise Police K9 Officer Colt Bonas (K9 Dozer)

Lead Investigating Agency: Meridian Police Department

Associated DR's: MPD: 24-6783, BPD: 24-414667 (CITF), BPD: 24-414665 (Robbery), ACSO: 24-8520
GCPD: 24-6783

Summary of Event and Investigation

Background Information and Call into Dispatch/Incident:

Background Information:

On 09-15-2024, the Boise Police Department responded to Jersey Mikes (7166 W. Fairview Ave) in Boise, Ada County, Idaho for a reported robbery. An unknown male, wearing dark clothing, who had a firearm, robbed the Jersey Mikes, which was ultimately documented under Boise Police DR 24-414117. On 09-21-2024, the Boise Police Department responded to Subway (6892 W. Overland) in Boise, Ada County, Idaho for a reported robbery. An unknown male, wearing dark clothing, who had a firearm, robbed the Subway, which was ultimately documented under Boise Police DR 24-414486. It was later learned, the same male, with the same description, robbed a Boba Stop in Nampa, Canyon County, Idaho on 09-19-2024, which is documented under Nampa DR 24-54338.

Boise Police Detectives later learned Nampa PD had video footage of a vehicle leaving the Nampa robbery, which was later determined to be a gray colored 2017 Jeep Renegade with Idaho license plate [REDACTED]. The above vehicle returned registered to Adam Lee Cook (40YOA). Based on this

information, BPD put out an internal informational bulletin reference to Adam, advising Officers to be on the look out, as this was the likely suspect of all the above robberies. See attached bulletin.

Call Into Dispatch/Incident:

On 09-24-2024, at approximately 2127 hours, Ada County Dispatch received a call from [REDACTED], who was working at the Adam and Eve located at 6919 W. Fairview Ave in Boise, Ada county, Idaho. [REDACTED] and her coworker, [REDACTED], reported a man with a "gun," walked in and robbed [REDACTED] by taking money out of the register. The male was last seen traveling on foot, westbound on Fairview Ave, wearing a black hoodie, black mask, black sweats, and blue gloves. Officer immediately recognized this was the same description of the above other robberies. It was noted the male got approximately \$300 from the register. It was later noted the male used a silver gun during the robbery.

Multiple Officers responded to the area. Based on the above described bulletin, Officers also responded to [REDACTED] in Boise, Idaho due to that being where Adam Cook lives. Officers were able to locate the Jeep Renegade in the parking lot of the above address, which was mobile. Officers began to follow the vehicle as it exited [REDACTED] and pulled into CVS, located at 7402 W. Fairview Ave in Boise, Idaho. Sergeant Scally and multiple other Officers initiated a pursuit (lights and sirens) on the Jeep as it exited the CVS parking lot at a high rate of speed. The Jeep traveled westbound on Emerald from Cole Road. The Jeep was traveling in excess of 60mph at this point. The vehicle stopped near the intersection of Emerald and Milwaukee, however at this point Officers lost sight of the Jeep.

Officers later located the Jeep on Emerald traveling west bound through Maple Grove. Officers continued pursuing the Jeep, which was still traveling in excess of 60mph. The Jeep then turned north bound on Mitchell from Emerald. The Jeep continued north bound on Mitchell through Fairview, now traveling at speeds in excess of 80mph. At Ustick and Mitchell, Sergeant Urian attempted a PITT Maneuver, which was unsuccessful. The Jeep continued in excess of 80mph east bound on Ustick and was driving into on-coming traffic. The Jeep continued running from multiple Officers in excess of 90mph. Due to the high speeds of the Jeep, the pursuit was ultimately terminated on Ustick near Mckinnley. The Jeep continued running south bound Mckinnley.

A short time later, Dispatch received a call from [REDACTED] advising the Jeep came "screeching" into the driveway of [REDACTED], turned the lights off, however the vehicle was still running. Officers began setting up a perimeter of the area. Officer later found the vehicle to be abandoned.

As the perimeter was being set, Officer Luke Yana (BPD) later located the male suspect who was jumping over the fence into the backyard of [REDACTED] N. Redway Road. On the first shed, south east corner of the back yard, was a Simply Safe Camera. The video recording of Adam jumping over the fence was later obtained by the Ada County Sheriff's Office. I later received the video and added it into the case file.

5. Date Occurred 09/24/2024	6. Time Occured 21:28	7. Route To File	8. Division CID

A closer perimeter was set and drones were deployed in attempts to locate where the male, later identified as Adam Cook, was hiding. Boise Police deployed a drone and ultimately found Adam hiding behind a tarp in the shed located in the south west corner of the backyard. Note: This drone was not recording when it was deployed, however was being lived streamed. A short time later, Adam utilized a stick and hit the drone out of the air. Adam attempted to flee the backyard, however was unsuccessful due to the perimeter that was set by Boise Police. Ada County Sheriff later deployed two drones over the top of the back yard, which both recorded the rest of the events.

Corporal Gutierrez ultimately opened the man door leading from the garage into the backyard. Corporal Gutierrez began giving Adam commands to come out with his hands up. Adam refused commands. Adam peered around shed on the south east corner and appeared to be pointing something and Corporal Gutierrez, which he thought to be a gun. Corporal Gutierrez told Adam a K9 would be utilized if he did not comply. Adam responded by saying something along the lines of, "I'll shoot that dog to." Corporal Gutierrez continued giving commands, at which point Adam stated, "fuck you." Officer Jayne took a position of advantage in the upstairs bedroom with a clear line of sight towards the shed.

K9 Officer Bonas later arrived on scene. As Officer Bonas was getting ready to deploy his K9, Adam stepped out from behind the above shed and took a shooting stance at Corporal Gutierrez, meaning he had both arms extended away from his body and his feet were approximately should width apart. Adam was holding an object in the shooting stance, which was later determined to be a stick. Corporal Gutierrez discharged six rounds from his duty rifle. At the same time, Officer Jayne discharged six rounds from his duty rifle. Adam immediately fell to the ground.

Multiple commands were given to Adam to show his hands. Officers were unable to see whether or not Adam had a gun on him or around him. Officer Yana deployed the 40mm less lethal bean bag round (1 round) at Adam. Adam stated he was unable to move. Officer Bonas later deployed his K9, who ultimately dragged Adam away from where Officers believed the gun to be. Officers immediately started performing life saving measures and requested medics to respond, who ultimately took over and transported Adam to St. Al's in Boise, Idaho.

Adam spent approximately 11 days in the hospital recovering before he was released into the custody of the Ada County Jail on 10-05-2024.

Note: Dispatch audio and drone footage were later received and added into the case file.

Crime Scene:

Detective Fuller (MPD) was assigned as the lead crime scene Detective. Detective Rackley (MPD), CSO Gossage (MPD), and Evidence Technician Moeller (MPD) assisted Detective Fuller. The scene was processed for evidence.

Ultimately, six spend casings were found around the man door of the garage (south west corner of the residence) from where Officer Gutierrez fired his duty rifle. Five spent casings were located in the upstairs bedroom of the residence (south west corner of the house), where Officer Jayne discharged his duty rifle. A spent 40mm casing was located near the man door (leading from the garage to the backyard-south west corner) where Officer Yana discharged the 40mm less lethal bean bag round. A total of three projectiles were located and seize as evidence. One projectile was in a power pole and was not accessible.

Two sticks were seized, one of which contained blood on it and was believed to be the stick Adam pointed at Officers during the incident. Multiple Detectives completed a canvas and located a black revolver holster (across the street from where the vehicle was located-unknown if involved) and a black beany-a couple doors down from the incident location (unknown if related).

On 09-25-2024, multiple BPD Officers went out to the above location and conducted a further search for the firearm used during the robbery. I was later notified the spent 40mm projectile was found in the backyard of the above residence. The projectile was seized and later booked into evidence. I was told two drone lights (in a mixture of solar lights) were located near the two sheds (previously knocked out of the air by Adam). The two drone lights were seized and booked into evidence.

On 09-27-2024, Detective Fuller responded to [REDACTED], where a fourth round was located in an old vehicle near the drivers side fender.

See Detective/Officer reports for further.

First Contact/Officer Evidence Collection:

Detective Corporal Wear was assigned as lead for first contact. Detective Fawley (MPD), Detective Riggs (MPD), Detective Buie (ACSO), Detective Pacheco (ACSO), Detective Rosen (GCPD) and Detective Jagosh (BPD) assisted Corporal Wear. Photographs were taken of BPD Officers Jayne, Gutierrez, Yanna, and K9 Officer Bonas. A round count was conducted along with two rifles and magazines being collected. The 40mm launcher was also collected as evidence. Body worn camera was collected and taken to respective agencies for download. See Detective reports for further.

Note: Body camera footage was later received and added to evidence.com.

Medical/Hospital Evidence Collection:

Detective Corporal Erickson (MPD) responded to the hospital, photographed, and collected Adam's clothing, blue latex gloves, \$397.00, and Adam's wallet with his ID. All items were later booked into evidence. See his report for further.

Detective Ryan Rhoades (MPD) applied for and was granted a search warrant for Adam's blood samples taken during intake to the hospital. Detective Rhoades later served the search warrant, obtained the blood samples, and booked them into evidence. See Detective Rhoades's supplement for further.

The blood samples were later sent to the Idaho State Police Laboratory. On 11-01-2024, Evidence Technician Willis (MPD) placed the lab results into the case file. I reviewed the lab results and documented the following in summary:

Tamara Salazar (Forensic Scientist-ISP) documented the following conclusions: The blood tested showed, "Ketamine 444.70 ng/mL, THC 35.28 ng/mL, Carboxy THC, Hydroxy-THC 10.42 ng/ML. Tamara documented preliminary testing indicated the presence of norketamine, however no further testing was done due to presence of other compounds.

On 09-26-2024, at approximately 1401 hours, I received a call from Officer Thompson, who had collected a spent .223 round recovered from Adam Cook's surgery on today's date. I responded to St. Al's Hospital and collected the round from Officer Thompson. I later booked it into evidence.

Detective Ryan Rhoades later applied for and was granted a search warrant for Adam's medical records. See Detective Rhoades report for further.

Interview with Adam Cook:

On 09-27-2024, at approximately 1308 hours, myself and Detective Chris Worshing (BPD) met with Adam Cook at St. Al's Hospital. I recorded the conversation and documented the following in summary:

Detective Worshing advised Adam why he was there and told Adam why I was there reference to the incident in the back yard with Police. Adam stated, "They shot the fuck out of me, I didn't have a gun or nothing." Detective Worshing asked Adam if he knew he was under arrest, which he stated he did. Detective Worshing told Adam he wanted to make sure he understood his rights before we went any further. Adam stated, "I want an attorney."

Detective Worshing told Adam he wanted to talk with him first, then he would read Adam his rights. Detective Worshing told Adam he has been in contact with Adam's family, and he would be willing to help a phone call take place, if Adam was in communication with Detective Worshing. Detective Worshing told Adam he wouldn't be able to help if he threw us out of the room, even though that was within his rights. Detective Worshing continued telling Adam what he wanted to know reference the gun and the robberies, however clarified he was not asking him any questions at this point. Detective Worshing told Adam the reason he needed to know where the gun was is due to Officers saying, in their reports, Adam had a gun on him. Detective Worshing told Adam he doesn't believe Adam had a gun during the incident with Police. Detective Worshing again told Adam he wanted to know where the gun was and he didn't believe Adam pointed a gun at Officers.

Adam stated, "it isn't a real gun." Adam went on to explain it was a fake gun and he had gotten rid of it next to the Adam and Eve Store. Detective Worshing told Adam he was simply advising him of what he wanted to talk about and asked Adam if he would be willing to answer some questions. Adam stated, "maybe." A short time later, Adam asked Detective Worshing if he didn't talk to him, there wouldn't be any chance for him to talk with his family. Detective Worshing read Adam his Miranda Rights and asked him if he understood, which he stated he did. Detective Worshing asked Adam if he was willing to speak with him further, which Adam stated he would hear Detective Worshing out at this point.

Detective Worshing asked Adam where the gun was. Adam stated it is in a trash can and confirmed it was a fake gun. Detective Worshing asked Adam why he decided to throw the gun away this time, which he stated, "cause I was done." Adam stated he used a "different plastic one" in the other robberies. Adam then stated he "stole" the plastic guns two+ years ago from Walmart. Adam stated he thought there was another plastic gun in his vehicle, which was later confirmed to be incorrect. Adam explained the plastic gun he thought was in his vehicle, is the one where he cut off the orange tip on the front of the gun. Adam went on to explain he also threw away his clothing worn during the robbery in the dumpster near Adam and Eve. Adam stated he threw his clothes away so "no one didn't see me." Adam explained he walked from his residence to Adam and Eve and did not drive. Adam stated he was wearing gym shorts and a white t-shirt under his other clothing. Adam confirmed this was "planned" for him to get rid of this stuff after the robbery.

Detective Worshing asked Adam about the robbery at Jersey Mikes and why that robbery was different than this one. Adam stated, "I need an attorney." Detective Worshing told Adam their conversation was done. Detective Worshing told Adam since he invoked to an attorney he wouldn't be able to let him call his family. Adam got visibly upset and stated, "you just lied to me the whole time, its cool." Detective Worshing told Adam he was legally bound and is no longer able to speak with him. Adam stated he felt Detective Worshing was trying to "trap" him into things that he didn't do. Detective Worshing continued to tell Adam about wanting to find the gun. Adam again stated it was a plastic gun. Detective Worshing told Adam he would leave his business card for him or his attorney to reach out.

Note: I did not ask any questions during the interview.

See full audio recording for further.

Clothing and Firearm used during the Robbery:

On 10-1-2024, at approximately 2128 hours, I was notified by Detective Worshing (BPD) a citizen called in from the Veterinarian Clinic (approximately 1000 feet away from the Adam and Eve), who reported finding dark clothing and the silver "Kimber" handgun (stashed) that was later determined to be used during the above robbery.

Officer Interviews:

Detective Washburn (MPD) and Detective Hartje (BPD) conducted the interview with Officer Yana on 09-27-2024. Detective Churchfield (MPD), Detective Riggs (MPD) and Detective Wirshing (BPD) conducted the interview with K9 Officer Bonas on 09-27-2024. Myself, Detective Corporal Isaiah Wear (MPD), and Detective Jason Schofner (BPD) conducted the interview Officer Jayne on 10-01-2024. Detective Rhoades (MPD) and Detective Jagosh (BPD) conducted the interview with Corporal Gutierrez on 10-01-2024. the following information is documented in summary:

Corporal Gutierrez's interview:

During the interview, Corporal Gutierrez talked about making contact with Adam in the backyard of the above residence. After a short time, Corporal Gutierrez described how Adam came out from behind the shed and extended his arm at him, as if he was pointing a gun at him. Corporal Gutierrez shared being "scared" after this and attempted to give Adam further commands. Adam responded by saying, "fuck you." Corporal Gutierrez continued to give Adam commands, which he did not comply with. Corporal Gutierrez stated he told Adam a Police Dog would be sent, to which Adam responded by saying something along the lines of, "you send that dog over here, I'm gonna shoot it to."

As Corporal Gutierrez continued providing Adam with commands, Adam came out from behind the shed and took a shooting stance at Corporal Gutierrez. Corporal Gutierrez stated Adam had both arms extended away from his body, pointed right at him. Due to all events that had transpired, Corporal Gutierrez felt in fear for his life and discharged his duty rifle. See Detective Rhoades's report for further details.

Officer Jayne's Interview:

During the interview, Officer Jayne described being in the upstairs bedroom, overlooking the backyard. After multiple commands being given, Adam continued to not comply with lawful orders. Officer Jayne describes Adam coming out from behind the shed, in an aggressive manner, and appeared to be aggressing Corporal Gutierrez. Based on all of the above described events, Officer Jayne believed Corporal Gutierrez's life was in danger, at which point he fired his duty rifle. See Detective Hansen's report for further details.

Officer Yana's Interview:

During the interview, Officer Yana described hearing Officers discharge their firearm at Adam. Officer Yana responded to the backyard, at which point he was instructed by Sergeant Miller to utilize the 40mm less lethal. Officer Yana described giving Adam multiple commands to Adam, which he did not comply. Officer Yana described seeing multiple little lights around Adam, and Adam was still moving around on the ground. Officer Yana knew, based on Officer statements, Adam had been armed with a gun. Due to

Adam not following commands, Officer Yana discharged the 40mm, striking Adam. See Detective Washburn's report for further details.

K9 Officer Bonas's Interview:

During the interview, Officer Bonas described knowing Adam had already pointed a firearm at Officers prior to his arrival. Officer Bonas described taking position next to Corporal Gutierrez and shots being fired. Officer Bonas advised he did not know who had shot Adam at the time nor what events transpired. Officer Bonas described multiple commands being given to Adam once he was on the ground, which he did not comply with. After Officer Yana utilized the 40mm, which was unsuccessful, Officer Boans deployed his K9 in order to move Adam away from where they believed the gun to be. After K9-Dozer was able to pull Adam away from where the gun was believed to be, Officer Bonas immediately called K9-Dozer off Adam. See Detective Churchfield's report for further.

Conclusion:

All Officers involved indicated Adam's continued flight and actions posed an extreme threat to safety of nearby citizens and Officers. When Adam was ultimately surrounded and provided multiple commands, he took a shooting stance after telling Officer Gutierrez, "I'll shoot that dog to" and "fuck you." Due to the robbery, eluding, and statements and actions made by Adam, lethal force was unavoidable as described by all Officers. Ultimately, Adam was taken into custody, life saving measures were performed, and he was transported to the hospital. Adam was later booked into the Ada County Jail on multiple felony charges.

Narrative	

On 9-24-2024 at approximately 2313 hours, I was contacted by Meridian CID Sgt. Figal in regards to an officer involved shooting that occurred in Boise. Sgt. Figal requested that I respond to the area of Ustick Rd. and Cole Rd., where the incident took place. Upon arrival, I was directed by Boise Police units to the residence located at [REDACTED] N. Redway Rd.

Det. Rackley who arrived prior to me, advised me that the suspect, had fled from his vehicle a couple of blocks to the south, and had ran to the [REDACTED] address. The supect jumped over a fence into the back yard of the residence and attempted to conceal himself in a small shed. Boise Police Officers were able to contain the suspect in the yard and flew a small drone towards the suspect who was in the shed. According to the information I received, the suspect was able to knock the drone out of the air with a piece of wood. The suspect then addressed the Boise Police Officers in a shooting stance, and shots were fired from two Boise Police Officers.

I was told that one of the officers involved was in the doorway leading from the garage into the back yard, and the second officer involved was located in the upstairs bedroom of the residence shooting, from an open window. In addition I was informed their was one 40mm round fired, and a K-9 was deployed.

I entered the scene through the garage and as I walked towards the door into the back yard, I observed what appeared to be six fired .223 shell casings on the floor. I entered the back yard and observed on the south end of the yard was a large shed, and a smaller shed. Between the garage door and the large shell I located one empty 40mm shell casing. In front of the large shed I observed blood on the grass, as well as what appeared to be packaging from medical supplies, a black medical bag, and a bloody shirt. I noticed what appeared to be a blood smear on the grass that led from the big shed to the small shed, where there was a pool of what appeared to be coagulated blood. I observed in front of the small shed there was a small drone laying on the ground, and multiple holes in the door and side wall of the metal shed. Through my training and experience, I identified the holes in the shed as being consistent with bullet holes.

I went into the upstairs room where the second officer was positioned. The window was open and I observed a window screen laying on the grass below. I was unable to find any empty shell casings in the bedroom. I returned to the area of grass below the open window and began searching for shell casings. All total I identified five spent .223 shell casings in the grass.

Upon the arrival of Meridian Evidence Tech Moeller was briefed about the items that had been located. Moeller and Meridian Community Service Officer Gossage, began photographing the scene and placing placards near the found Items. I continued to search for projectiles, and was informed that he total number of rounds fired were six from the garage door, six from the upstairs window, and one from a 40mm.

Durring my search for projectiles, I located one bullet that appeared to be a .223 caliber, laying on a small wood deck in the back yard of the residence directly to the south of the incident. It appeared that the bullet went through two fences before coming to rest on the deck. I located another projectile in a electrical pole, however the projectile was too deep into the pole to recover without causing excessive damage to the pole. While documenting the bullet holes in the shed, Sgt. Price located a piece of firewood that appeared to have a bullet hole in one side. After CSO Gossage documented and photographed the wood, I inspected the piece of wood and observed there was no exit hole. I was able to remove a piece of the wood and expose the projectile. CSO Gossage photographed the exposed projectile and later the projectile was collected as evidence.

Once the shell casing were collected in the grass below the window, I attempted to locate the unaccounted for shell casing, using a metal detector. I was unable to locate the casing.

I was advised that there may be a firearm that was discarded by the suspect somewhere between where the incident occurred and where the suspect had abandoned his vehicle. With the use of flashlights, myself and other detectives walked the most logical route from the vehicle to the incident scene in search of the missing firearm. The search was unsuccessful. Once Evidence Tech Moeller and CSO Gossage were finished processing the crime scene, the residence was secured by a Boise Police Officer, after which time I cleared from the area.

Once it was light outside, myself, Sgt. Price, and Det. Washburn returned to the scene in search of a firearm that was said to be in the possession of the suspect when he entered the back yard where the incident took place. We walked the route the suspect was believed to have traveled on foot from his vehicle to the scene, searching all the front yards, landscaping, trashcans, and places a firearm could be discarded. We were unable to locate the firearm. We then conducted the same search on the route that the suspect drove into the neighborhood to where he abandoned his vehicle. Again we were unable to locate the firearm.

On 9-27-2024 I was advised that the resident of [REDACTED] N. McKinney St. had located what he believed to be a bullet hole in the vinyl fence that runs along the south side of his back yard. Upon arrival at this address, I observed that the property was one house to the west and one house to the south of the [REDACTED] Redway.

1. Incident Topic AGGRAVATED ASSAULT CITF ASSIST AGENCY		2. Subject/Victim's Name	
3. Address [---PRIVATE---] , BOISE		4. Phone	
5. Date Occurred 09/24/2024	6. Time Occured 21:28	7. Route To File	8. Division CID

I observed that the hole in the fence exited into the property to the south, identified as [REDACTED] N. McKinney St. It appeared the hole in the vinyl fence lined up with a hole in the fence at the east end of the property. I made contact with the resident of [REDACTED] N. McKinney, who allowed Detectives to enter the back yard. I observed where the hole in the fence there was an old pickup parked near the fence. I observed that at the same location of the hole in the fence there was a hole in the drivers side front fender of the old truck. I lifted the hood of the old truck and what appeared to be a bullet was located sitting on top of the fender under the fuse box. I photo graphed the bullet in place, then removed the bullet. I again photographed the bullet after which time I placed the bullet in an evidence envelope. I transported the bullet back to the Meridian Police Evidence room where I booked the bullet into the evidence room.

I attached the photos I took to this supplement, as well as a photo of the area that was searched in regards to the firearm.

Nothing further.

Narrative	

On 09/24/24 at approximately 2306 hours I was notified of an officer involved shooting (OIS) in which multiple Boise Police Department officers had engaged an armed robbery suspect and fired multiple rounds at him following a vehicle pursuit and a foot pursuit. I was asked to respond to the area of W. Ustick Rd. and N. Cole Rd. within the City of Boise to assist in investigating the OIS scene. Upon entering the area, I was further advised that the scene was located at [REDACTED] N. Redway Rd. This address is a gray, two-story house with an attached two-car garage which is on the south side of the home. Once on scene, I met with Det. Roath and Sgt. Miller from BPD who subsequently gave me a briefing on the shooting as they understood it.

During the briefing, I was advised that a known suspect, Adam Cook, committed an armed robbery at 6919 Fairview Ave. in Boise. Cook was located by BPD patrol officers who attempted to make a traffic stop however the vehicle failed to yield and a pursuit ensued. The suspect traveled into a residential neighborhood, and abandoned the vehicle in the neighborhood and then fled on foot. I was further advised that the suspect was observed going over the 6' tall wooden fence attached to the residence located at [REDACTED] N. Redway Rd. and subsequently entered the backyard. It was told at that point, multiple BPD officers established, a perimeter on the residence and then began to clear the backyard with a drone which was later knocked out of the air by the suspect. Ultimately, it was determined Cook was hiding amongst two sheds in the backyard.

Ultimately Det. Roath explained that in this OIS involve shooting there were two Boise PD officers who engaged Cook with their patrol rifles. The first officer, Ofc. Gutierrez fired his patrol rifle from the pedestrian door that exits out the back of the garage and faces southwest. The second BPD officer, Ofc. Jayne engaged the suspect with lethal force was positioned in the upstairs bedroom in the southwest corner of the home which led to spent casings being located on the ground outside of the window.

While I was investigating the scene, I was advised that the detectives who had made first contact with the involved (shooting) officers had relayed that each officer had six rounds missing from their rifle magazine. The fact that six rounds were missing from magazine indicated I should be looking for six casings at each location.

While canvassing the scene, I located six .223 casings in the garage immediately adjacent to the pedestrian door that enters into the backyard. Approximately 4' west and 3' south outside of the pedestrian door from the garage there was a 40 mm less than a lethal projectile casing lying in the grass. While in the backyard searching the area immediately below the above-mentioned bedroom window five .223 casings were located below the window. This area was later searched with two different types of metal detectors by Det. Fuller which did not yield any additional casings being located.

1. Incident Topic AGGRAVATED ASSAULT CITF ASSIST AGENCY		2. Subject/Victim's Name 	
3. Address [---PRIVATE---] , BOISE		4. Phone 	
5. Date Occurred 09/24/2024	6. Time Occured 21:28	7. Route To File	8. Division CID

On the ground between the southernmost corner of the garage and the largest shed was an area of grass that had blotches of blood on it, a tactical medical bag, and various medical supplies and wrappers that were discarded while officers treated Cook's wounds. Additionally, there was a bloody piece of white clothing which had been removed from the victim. Lastly, there was a blood trail that led from the area described above to the area between the two sheds which is where Cook was when he was shot according to the initial safety brief given by the involved officers.

Just outside of the doorway of the small shed was a [REDACTED] drone which according to initial reports had been knocked out of the air by Cook. Upon visually examining the drone, it did not appear to be broken nor did it appear to be missing any obvious attachments. I later collected the drone as evidence and while doing so, I notice the drone appeared to be completely intact.

Also located while searching for evidence in the backyards was a fired .223 projectile that was lying on a piece of firewood inside of the metal shed which was the smaller of the two sheds and is located in the southwest corner of the yard. The location of the round aligned with a bullet hole in the north side of the shed. A different bullet hole was found in the fence south of the metal shed which prompted investigators on scene to search the backyard of [REDACTED] N. Redway Rd. which led to a .223 round being located lying on the deck in the northwest corner of the yard.

While processing the backyard, I noted there was what appeared to be a motion activated camera/light mounted on the larger of the two sheds which was closest to the street. The camera in question was facing east towards the wooden fence Cook scaled and towards N. Redway Rd. While I was on scene, I was told that the homeowners were at the command post and that they had already provided law enforcement with a copy of the security video.

While on scene, I assisted Evidence Technician Moller by collecting the following items as evidence, all listed .223 casings, the 40mm casing, the medical bag, the drone, and the two projectiles that were described above. Additionally, I collected two sticks that were lying on the ground between the two sheds as it is believed Cooke utilized one of the sticks to make it appear as though it was a firearm.

One of the sticks was approximately 11" in length and the other stick was approximately 19" in length. Both sticks appeared to be between a half inch and an inch in diameter.

While processing the scene, I did not locate a discarded handgun or other items associated with a semi-auto handgun.

For additional information about the scene including bullet strike locations refer to the

supplemental report completed by other detectives who assisted in processing the scene.

On 9/26/24 at approximately 0930 hours, myself, Det. Hansen and detectives from the Boise police department responded to [REDACTED] N. Redway Rd. to search the yard during daylight house to ensure no evidence was missed. While we were on scene, a crime scene technician from BPD searched the backyard and the surrounding bushes with a metal detector. Ultimately no additional evidence was located.

After searching the [REDACTED] N. Redway Rd., we conducted a consent search of [REDACTED] N. McKinney St. for evidence however no evidence was located.

Narrative

On 09/24/2024, at approximately 2347 hours, Sergeant Price contacted me and advised that the Critical Incident Task Force (CITF) team had been activated due to an officer involved shooting in Boise, Idaho. Price asked that Community Service Officer, Kayla Gossage and I respond to the Meridian Police Department to obtain the evidence trailer and respond to the scene at [REDACTED] N Redway Road Boise, Idaho.

At approximately 0100, Harris and I arrived and logged into the scene, where we were met by Detective Rackley

to be briefed. Rackley said Boise Police responded to an armed robbery at a local business in Boise, Idaho. The suspect, later identified as Adam Cook, fled the scene and was later located by Boise Police. Officers initiated a traffic stop, however Cook failed to stop and a pursuit ensued. Cooks vehicle was located in subdivision near west Ustick road and North Cole road, where he abandoned his vehicle and was seen jumping fences. Officers set a perimeter and located Cooks via drone in the backyard of [REDACTED] N. Redway Road, Boise, Idaho.

Rackley said Cooks was observed hiding between the two sheds in the south west corner of the back yard. Two officers from Boise Police entered the residence with one officer at the west faced, back door of the garage while the other officer was positioned upstairs in the south west master bedroom. Once officers made contact, both officers shot 6 rounds each from their department issued rifles, towards the south west corner of the back yard. As commands were made, a less lethal 40mm round was shot. Rackley advised a K9 was deployed and once apprehended medical aid was given to Cooks. Cooks was then transferred to St. Alphonsus Regional Medical Center in Boise, Idaho.

Once briefed, Rackley escorted Gossage and I through the scene. As we entered the garage, walking west, towards the back door of the garage, I observed (ITEMS 1-6) 223 RMF FC SPENT SHELL CASINGS. As we walked out the door, to my left, facing southwest, I observed (ITEM 7) 40MM LESS LETHAL SPENT CASING. Rackley advised below the master bedroom window that was to my right, (ITEM 8-12) 223 RFM FC SPENT CASINGS were located directly below the window. Facing the southwest corner of the yard, I observed two sheds. The shed closest to the house, I observed (ITEM 13) MEDICAL KIT along with packing, wrapping, scissors and used gauze. Within the same vicinity, I observed (ITEM 14) SUSPECTED BLOODY WHITE T-SHIRT. As we walked towards the southwest corner towards the tin shed, I observed a (ITEM 15) APPROXIMATELY 11" STICK adjacent to a pool of red substance, which was suspected to be blood based on my training and experience. Near the entrance to the tin shed a (ITEM 16) APPROXIMATELY 19" STICK was located adjacent to (ITEM 17) DJI DRONE.

Once all of the items were photographed, Detective Rackley assisted with gathering the items and bringing them to me, where I then packaged them. Rackley, stated items (ITEMS 18 &19) 223 PROJECTILE were located by Detective Fuller and Gossage, where I packaged them into evidence. See Gossage and Fuller's supplements for further detail.

At approximately 0430 hours, I brought all the evidence back to the Meridian Police Department where I then booked them into evidence.

Nothing further.

Narrative**Initial:**

On 9/24/2024 at approximately 2319 hours, I was contacted by Sgt. Figal and advised that there was an officer involved shooting in Boise, ID. Sgt. Figal requested I respond to St. Alphonsus Medical Center at 1055 N Curtis Rd., Boise, ID.

St. Alphonsus Medical Center emergency room:

On 9/24/2024 at approximately 2350 hours, I arrived at St. Alphonsus Medical Center emergency room. I was advised that the suspect was Adam Cook (DOB [REDACTED]), he was shot an unknown amount of times, he was currently intebated, and unconscious. Cook was moved to room #20 of the St. Alphonsus emergency room where I met with Ofc. Sandoval and Ofc. Gomez with Boise Police Department and advised that they had escorted the ambulance to St. Alphonsus emergency room. Ofc. Gomez and Ofc. Sandoval gave me a bag of Cooks belongings at approximately 2356 hours that were removed from Cook by medical personnel.

While Cook was being treated by medical personnel I noticed several injuries. Cook had three confirmed gun shot wounds- two in the left hip and one in the right upper shoulder. Cook also had severe trauma to the left side of his neck from a K9 bite, three open wounds to the left side of his chest and abdomen, and a broken humerus just above the elbow on his right arm. Boise Police Ofc. P. Williams took photographs of Cook's injuries and sent them to me (see attached photographs).

Evidence:

On 9/25/2024 at approximately 0259 hours, I was advised that I could leave the hospital and that Boise Police Department officers were going to be standing by with Cook. At this time, I took the bag of Cook's belongings that were given to me by Ofc. Gomez and Ofc. Sandolval and booked them into Meridian Police Department temporary evidence storage.

On 9/25/2024 at approximately 0800 hours, I took photographs of the evidence collected and turned them over to Evidence Technician Megan Moeller to be booked into Meridian police Department evidence. The following was in the evidence that I collected from the hospital: plaid boxers with blood on them, navy blue athletic shorts with blood on them, shoes, and socks. There was a wallet, a set of keys, two blue latex gloves, and \$397 in cash that were all located in the navy blue athletic shorts pockets. The wallet contained Adam Cook's Idaho driver's license, Adam Cook's social security card, and various debit/credit cards and business cards (see attached photographs of the evidence).

Conclusion:

Narrative	Critical Incident Task Force (CITF) Activation

On 9/24/2024, at approximately 2306 hours, while off duty, I received a phone call from Sgt. Figal advising there was a CITF activation. A brief synopsis of information provided to me advised Boise Police Officers had been involved in a shooting with a robbery suspect. Sgt. Figal requested I respond to the Meridian Police Department for my assignment with the First Contact Team.

First Contact Team

Upon arrival to the Meridian Police Department, I learned the following Detectives had been assigned to the First Contact Team: Detective Fawley (MPD), Detective Riggs (MPD), Detective Buie (ACSO), Detective Pacheco (ACSO), Detective Rosen (GCPD) and Detective Jagosh (BPD).

Involved Officers

The Officers, and their individual roles pertinent to this Use Of Force (UOF), were identified as follows:

- Boise Police Officer J. Jayne- rifle
- Boise Police Officer L. Gutierrez- rifle
- Boise Police Officer L. Yanna- 40mm launcher

Assignment-First Contact with Officer Gutierrez

Having met with all responding team members for first contact, Detectives divided into groups to initiate first contact with the involved Officers. Detective Buie and I met with Officer L. Gutierrez in a soft interview room located in the Meridian Police Department's lobby.

Upon meeting with Officer Gutierrez, I proceeded to photograph his person while he remained in uniform, wearing his duty issued gear with his AR-15 rifle slung, as he advised this was the deployed equipment donned on scene.

Once the photographs were complete, Detective Buie explained we would be collecting his [Officer Gutierrez's] firearms to conduct a round count. Officer Gutierrez stated he estimated to have fired six (6) rounds. Detective Buie and I proceeded to collect Officer Gutierrez's rifle (with one magazine inserted into the magazine well). Officer Gutierrez advised he did not have any other AR-15 magazines (spares) on his person. When asked, Officer Gutierrez informed us he loads his rifle magazines with twenty eight (28) rounds of ammunition and he had one (1) round chambered.

In addition to the rifle, Detective Buie and I collected Officer Gutierrez's duty pistol with one (1) inserted extended magazine and two (2) spare extended magazines from his duty belt. Officer Gutierrez advised he did not fire his pistol during this incident, he only utilized his duty rifle. Additionally, when asked, Officer Gutierrez informed us he loads his pistol magazines to a twenty-two (22) round capacity for carry. Furthermore, I inquired with Officer Gutierrez as to whether or not he carried a backup firearm, to which he responded in the negative.

With the firearms and magazines collected, Detective Buie and I proceeded to transport the aforementioned equipment outside the soft interview room to a nearby office where we conducted a "round count". During this time, I photographed the firearms, magazines and ammunition. The results for the round count were as follows:

- LWRC International M61C black/ green (AR-15), .556mm NATO with serial #24-35666
- One (1) AR-15 thirty (30) round capacity magazine containing twenty-two (22) rounds of ammunition
- One (1) round of ammunition extracted from the AR-15's chamber
- Total rounds of ammunition from Officer Gutierrez's AR-15: twenty-three (23)
- Round count result, after loaded with a twenty-eight (28) rounds, and one (1) chambered: six (6) fired/ expended rounds

Admin

3. Address [---PRIVATE---] , BOISE		4. Phone 	
5. Date Occurred 09/24/2024	6. Time Occured 21:28	7. Route To File	8. Division CID

- Glock 17 Gen 5 (pistol), black, with serial #BTNE859
- One (1) extended Glock magazine inserted into the Glock pistol magazine well, holding twenty-two (22) rounds of 9mm ammunition
- One (1) extracted 9mm ammunition round from the Glock chamber
- Two (2) spare extended Glock magazines, each holding twenty-two (22) rounds of ammunition for a total of forty-four (44) rounds of 9mm ammunition in the spare magazines.
- Round count result, after loaded with a twenty-two (22) round magazine, one (1) round in the chamber, and two (2) spare magazines loaded with twenty-two rounds of 9mm ammunition: zero (0) pistol rounds fired/ expended

Once the round count was complete, Detective Buie and I returned to meet with Officer Gutierrez. At this time, we returned his Glock pistol, and magazines to his possession. I retained his AR-15 and magazine with ammunition for evidentiary submittal. Prior to leaving Officer Gutierrez, I requested he assist me in setting the electronic rifle accessories to their off positions.

Evidence Processing

After all assigned First Contact Detectives had completed their assignments, Detectives assist in transporting the two (2) AR-15's, magazines, and ammunition, as well as the 40mm launcher to the Evidence Room. After placing the retained items in the Evidence Processing Room, Detective Fawley secured the door.

Crime Scene Area Canvas

On 9/25/2024, around 1530 hours, I assisted Detectives from both the Meridian Police Department and Boise Police Department with an area canvas in search for a firearm believed to have potentially been discarded by the suspect during the early morning hours this date. The area canvassed was relevant to the area where the suspect's vehicle had been abandoned to the area where he was contacted/ located by the Boise Police. During this effort to search for a firearm, clothing or any other leads, I checked the following addresses:

- [REDACTED] N. Redway Ct.- Resident provided consent to search front and backyards, no evidence located at the time.
- [REDACTED] N. Redway Rd.- No answer by resident, search front yard area.
- [REDACTED] N. Redway Rd.- Resident provided consent to BPD to search backyard, no evidence located in front or backyards.
- [REDACTED] N. Redway Rd.- Resident provided consent to search their exterior yards, no evidence located in front or backyards.

Narrative

On 9/24/2024 at about 2335 hours, I received a phone call from Detective Sgt. Figal (MPD) regarding a Critical Incident Task Force (CITF) activation. He advised me the Meridian Police Department was the lead investigating agency in an Officer Involved Shooting (OIS) and he assigned me to the First Contact Team. He further advised me to meet the team at the Meridian Police Station.

I arrived at the Meridian Police Station at about 0010 hours. Detective Fawley (MPD) was assigned as the First Contact Lead. I attended a limited knowledge briefing with the other First Contact Detectives and learned Officers Luis Gutierrez (BPD), John Jayne (BPD), Luke Yanna (BPD), and Colt Bonas (BPD) were involved officers. Each of the involved officers were at the Meridian Police Department in separate rooms with an escort. I assisted Detective Ryan Pacheco (ACSO) and we were assigned to contact Officers Jayne and Yanna.

We contacted Officer Yanna in the Crime Prevention Office. Detective Pacheco photographed Officer Yanna's person, his uniform, and duty gear as it was worn during the OIS. Officer Yanna provided us with his issued 40mm launcher (involved), Serial number FW21152, as well as his issued handgun and extra magazines. Once we obtained these items, we photographed them and completed a round count outside his presence in a controlled environment. Officer Yanna was issued a 9mm Glock with 17 round magazines. I counted 17 rounds in the magazine that loaded in the gun as well as a single round in the chamber. I counted 17 rounds in one of the magazines and 16 rounds in the other. Officer Yanna explained that the magazine with 16 rounds was short one round because it was in the chamber of his duty weapon. I reloaded the rounds in each of the magazines and the weapon. Officer Yanna's Glock was ultimately returned to him because it was not utilized in the OIS.

We photographed Officer Yanna's issued 40mm launcher. It had a three round capacity nylon saddle on the collapsible butt stock and there were three non-lethal foam projectiles loaded in the saddle. The launcher's breech was open and Officer Yanna indicated he fire one projectile during the incident. I placed the 40mm launcher in a firearm evidence box and secured it with zip ties. The launcher did not fit well in the box due to its wide shape. I utilized packing tape to help keep the box secured and closed. It was later booked in the Meridian Police Department's Evidence Room.

Following our contact with Officer Yanna, we contacted Officer John Jayne in Interview Room A. Detective Pacheco photographed Officer Jayne's person, uniform, and gear as it was worn during the OIS. Officer Jayne provided me with his issued 5.56 NATO LWRC International M6IC rifle (involved), Serial number 25-29040, along with two, 30 round magazines. One magazine was in the weapon and the second was in Officer Jayne's back pocket. Officer Jayne told to me he completed a tactical reload after he initially fired his weapon. The magazine loaded in the gun was

a fresh magazine with no fired rounds. The magazine in his pocket was the magazine used when he fired his weapon. There was a round still in the chamber and was originally from the magazine in his pocket.

Detective Pacheco was provided Officer Jayne's issued handgun and magazines (uninvolved). Review Detective Pacheco's report for further information regarding the round count for the handgun. Ultimately, Officer Jayne's handgun and magazines were returned to him. Once we obtained these items, we photographed them and completed a round count outside Officer Jayne's presence in a controlled environment

I was tasked with completing a round count of Officer Jayne's rifle. I removed the one round from the chamber that belonged to the magazine in Officer Jayne's pocket and set it aside. I counted 23 rounds in the magazine that was utilized during the shooting. I counted the rounds in the fresh magazine loaded in the weapon and found it had 30 rounds. See Detective Hansen's report regarding his interview with Officer Jayne and his weapon load-out for additional details. Detective Pacheco and I photographed our findings and I packaged the rifle in a gun box. I reloaded each of the two magazines with 30 rounds and 24 rounds respectively and placed both magazines into a large evidence envelope. The rifle and magazines were later booked in the Meridian Police Department's Evidence Room.

Nothing further, end of report.

Narrative

9/24/24 2311 hours: CITF Activation

Sgt. C. Figal called and requested I respond to the Meridian Police Department to assist with the First Contact investigation. He informed me involved officers would be responding to the police department, rather than the [REDACTED] normally used for this purpose. He was uncertain how many officers were involved.

Upon arrival I identified areas where officers could be sequestered awaiting processing, which included two soft interview rooms, the conference room, the Crime Prevention Office and Code Enforcement Supervisor's Office.

Once the First Contact Team was assembled we briefed and created teams of two investigators to photograph and process other relevant evidence. Appropriate packaging materials were gathered.

Investigators:

BPD Det. P. Jagosh
ACSO Det. M. Buie
ACSO Det. R. Pacheco
GCPD Det. A. Rosen
MPD Cpl. I. Wear
MPD Det. M. Riggs
MPD Det. C. Fawley

K-9 Officer Colt Bonas (Fawley and Rosen)

Garden City Detective Aaron Rosen and I worked together. We processed K-9 Officer Colt Bonas in the Code Enforcement Supervisor's Office. I photographed Off. Bonas as he was dressed at the time of the shooting. He was not aware of any trace evidence or bio-hazardous material in his uniform or person. I later attached the photos to this supplement.

Photos: Colt Bonas First Contact Photos

Det. Rosen inspected Off. Bonus' duty weapon, a Glock 17, serial number BYWV258. It was well oiled and did not appear to have been fired. There was one round in the chamber and a magazine inserted. This magazine contained 17 rounds, which is the recommended capacity. Off. Bonus also carried two spare magazines on his duty belt, each containing 17 rounds. His duty weapon and magazines were returned to him.

Det. Jagosh collected the Body Worn Camera (BWC) for transport to the Boise Police Department.

Officer Ian Riehle (Witness Officer)

(Fawley and Rosen)

Off. Riehle was sequestered in the media room off the main lobby. I photographed Riehle as he was dressed at the time of the shooting. He first stated he was not aware of any trace evidence or bio-hazardous material on his uniform or person. I later attached the photos to this supplement.

Photos: Riehle First Contact Photos

Det. Rosen inspected Off. Riehle's duty weapon, a Glock 47, serial number CBHZ906 out of his presence. It did not appear to have been fired recently. The weapon contained one round in the chamber and a magazine with 17 rounds inserted into the weapon. He carried two magazines on his person. All magazines contained 17 rounds, which is the recommended capacity. The weapon was returned to Off. Riehle.

Det. Jagosh collected the Body Worn Camera (BWC) for transport to the Boise Police Department.

**Officer Luke Yanna
(Pacheco and Riggs)**

Officer Yana was photographed as he was dressed at the time of the shooting. He provided a 40mm launcher that he had deployed on the suspect. A round count of his duty weapon was done out of his presence. The Glock 17, contained one round in the chamber and 17 rounds in the magazine in the weapon. Off. Yanna carried two additional magazines on his person. One contained 17 rounds and the other 16. Officer Yanna explained he had inserted the magazine with 16 rounds when it contained 17 rounds and charged the weapon. He then inserted a full magazine. The weapon was returned to Off. Yanna.

The 40mm launcher was collected and later stored in the secure evidence lab. There were three additional rounds attached.

Det. Jagosh collected the Body Worn Camera (BWC) for transport to the Boise Police Department.

**Office John Jayne
(Pacheco and Riggs)**

Det Pacheco photographed Off. Jayne as he was dressed at the time of the shooting.

A round count of the duty weapon assigned to Off. Jayne out of his presence. The weapon was later returned to Off. Payne as it was determined to not be involved in the incident.

Det. Riggs conducted a round count of the rifle used by Off. Jayne out of his presence. He removed one round from the chamber. He counted 30 rounds stored in the magazine loaded in the rifle. Officer Jayne indicated he completed a tactical reload after he initially fired his weapon. Det. Riggs then counted 23 rounds in the second magazine that was utilized during the shooting. They photographed their findings and packaged the rifle in a gun box. The rifle was stored in the secure evidence lab.

5. Date Occurred 09/24/2024	6. Time Occurred 21:28	7. Route To File	8. Division CID

Det. Jagosh collected the Body Worn Camera (BWC) for transport to the Boise Police Department.

**Officer L. Gutierrez
(Wear and Buie)**

Det. Wear photographed Off. Gutierrez as he was dressed at the time of the shooting. When informed they would be collecting weapons Off. Gutierrez said estimated he fired six times. The rifle had one magazine inserted. Off. Gutierrez stated he loads his rifle with 28 rounds in the magazine and one in the chamber. During their inspection of the rifle they found the magazine (30 round) contained 22 rounds and there was one round in the chamber. The rifle was collected and stored in the secure evidence lab.

Det. Wear and Det. Buie collected Off. Gutierrez' duty pistol and inspected it and conducted a round count out of Off. Gutierrez' presence. The pistol contained one round in the chamber and 22 in the inserted magazine (22 round magazine). Each of the two extra magazines carried by Off. Gutierrez also contained 22 rounds. As the weapon and magazines were at capacity the weapon was returned.

Det. Jagosh collected the Body Worn Camera (BWC) for transport to the Boise Police Department

Upon conclusion of the First Contact investigation I secured the 2 rifles and 40 mm launcher in the secure evidence lab and returned the key to its lockbox.

Crime Scene Investigation

At the conclusion of the First Contact Investigation I went to the scene at [REDACTED] N Redway Rd to assist with the investigation there. I acted in a support role by assisting with identifying and documenting trajectory, locating rounds and photographing the scene.

Nothing further at this time.

Narrative	

On 09/25/24, at 0001 hours, I received a phone call from MPD Evidence Technician M. Moeller who informed me the Ada County Critical Incident Task Force had been activated following an officer-involved shooting involving Boise Police Department officers within the Boise city limits. I responded to the Meridian Police Department where I met with Evidence Tech. Moeller, and together we responded to the incident scene, [REDACTED] N Redway Rd in Boise, ID. We checked into the scene at approximately 0100 hours.

Following arrival to the scene, Evidence Tech. Moeller and I made contact with MPD Detective C. Rackley who briefed us on the events leading to the incident. In summary, we were advised in the late hours of 09/24/24, BPD officers responded to the report of an armed robbery at Adam & Eve (adult shop located at 6919 Fairview Ave, Boise) in which the suspect had fled the scene. Following the robbery, the male suspect, later identified as Adam Cook, was ultimately determined to be hiding in a metal shed in the southwest corner of the backyard of [REDACTED] N Redway Road. Officers staged at the garage man-door leading to the backyard as well as a second story bedroom window overlooking the backyard. A drone was utilized during the incident, which was knocked to the ground with a stick by Cook. Cook, who reportedly had a handgun during the robbery, eventually postured towards officers as though he were pointing a firearm, prompting officers to fire their duty weapons at Cook, striking him. It was later concluded Cook was likely posturing with a stick, as a firearm was not located on his person or at the scene.

My role in the investigative efforts of the critical incident was to photograph the scene. Detectives on scene prior to Evidence Tech. Moeller and my arrival located ammunition casings in both the garage and the backyard, and marked their locations with strips of tented paper. These can be observed in the initial walk-through photos. Below is a summary of my observations. I have attached photographs from the scene and included an attached document mapping evidence locations and providing further context to images depicting presumed bullet holes.

The scene was a two-story northeast facing residence (house number [REDACTED] located on N Redway Rd, south of W. Ustick Rd. There was a residence each to the north ([REDACTED] N Redway Rd) and south ([REDACTED] N Redwood Rd) of the primary scene residence. Two additional residences ([REDACTED] and [REDACTED] N McKinney St) were located to the west of the scene residence and shared the back fence.

Inside of the attached garage, located on the south side of the residence, I observed six (6) .223 caliber shell casings on the garage floor around the threshold of the rear man door. These shell casings were ultimately marked and collected as ITEMS 1 through 6. Upon exiting through the man door into the backyard, and facing north, I observed the window screen from the second story bedroom laying roughly in the center of the yard. Five (5) .223 caliber shell casings (ITEMS 8-12) were located in the grass between the window screen and the house, below the bedroom window. I was advised no shell casings were located inside of the second story bedroom, and I

observed none when photographing the room.

Upon facing south from the man door, I observed a 40mm shell casing (ITEM 7) laying in the grass several feet southwest of the doorway. Continuing on towards the southwest side of the backyard, I observed two sheds. The sheds were adjacent to the wooden fence separating the property from the neighboring residence, [REDACTED] N Redway Rd. The smaller of the two sheds was located in the southwest corner of the backyard, and approximately 10 feet east of it was a larger shed. In the grass on the north side of the larger shed was emergency medical aid items to include a medical kit bag, scissors, packaging, nitrile gloves, blood-soaked gauze (collectively ITEM 13) and Cook's white blood-soaked shirt (ITEM 14).

I noticed the grass leading from the smaller shed to the area of used medical aid supplies was disturbed and smashed as though something large was drug through it. Through the disturbed grass was a trail of presumed blood; Evidence Tech. Moeller marked this trail with orange flags. I was informed by Det. Rackley that Cook was pulled by a police K-9 from the small shed to the north side of the large shed, where medical aid was ultimately rendered.

The smaller metal shed faced northeast, and the door was opened. On the ground, approximately a foot outside of the entrance was a DJI Drone (ITEM 17) alongside an approximately 19-inch stick (ITEM 16). North of the entrance was another stick, approximately 11 inches in length (ITEM 15). These sticks were collected as they were believed to be used to knock down the drone, and when Cook was posturing as though he were pointing a firearm towards officers. Upon searching inside of the smaller metal shed, I observed a pile of logs and sticks along the south wall, and I found it probable this was where Cook located the sticks he utilized during the incident.

Detective J. Fuller located what he identified as two bullet holes on the east entry wall of the shed. Using light and string to map trajectory, it was determined one projectile traveled through the door frame, approximately 2 feet from the ground, continued through the door (open and resting against the interior wall), and into a small log in the wood pile inside of the shed. Det. Fuller extracted the metal projectile and it was collected as ITEM 18.

Trajectory mapping of the additional hole through the entry wall suggested a separate projectile traveled through the entry wall approximately four feet from the ground, through the door, through the south wall, and into a utility pole a few feet south of the small shed. Det. Fuller located a metal projectile in the pole, but found it to be lodged too deep to extract and recover without potentially compromising the pole's structural integrity.

Four additional holes were located in the south wall of the small shed, also believed to likely be bullet holes. Three holes were located in the adjacent wooden fence, which lined up with the estimated pathway of projectiles through shed's south wall (see photos and attached document).

Due to a combination of the lack of natural lighting and excessive knots and nail holes in the wood, locating presumed bullet holes in the fence proved to be challenging.

Det. Fuller, Evidence Tech. Moeller, and I entered the backyard of the neighboring residence, [REDACTED] N Redway Rd. In the northwest corner of the property was a wooden gazebo. The structure was built on a wooden deck, and had wooden north and west walls, while the east and south sides were open. A presumed bullet hole was located in the fence, to the north of the gazebo, and another hole was located in the aligning north wall of the gazebo. Inside of the gazebo, below the hole appeared to be fresh splintered wood scattered across a pet bed. Laying on the deck, along the west side of the gazebo, lay a metal projectile (ITEM 19).

We located the presumed exit points of the three holes initially observed on the north side of the fence. Two presumed bullet holes were located in the western wooden fence, behind the gazebo, and were believed to be continuations of the pathway taken by two of the projectiles (see photos and attached document). Det. Fuller peered over the fence into the backyard of [REDACTED] N McKinney St, and advised the fence was densely lined with plants. Refer to Det. Fuller's supplemental report regarding the location of a projectile at a later time.

Evidence Tech. Moeller and I exited the scene upon scene break-down, around 0400-0430 hours. No further.

20	1			SEIZED				5 VIALS BLOOD/BIO FROM ADAM COOK (ALIAS "TACCA PEROVSKIA DOE")		\$0.00
	1.00									\$0.00

Narrative	

On September 26, 2024 I was requested to assist on this incident by Sgt Figal by writing a search warrant for blood samples for Adam Cook, which had been taken upon his admission to St Al's on September 24th. I reviewed the incident with CITF Lead Investigator (MPD) Det Hansen, and received a physical description of the three vials of Cook's blood, which St Al's Lab Personnel advised was in their possession, and would be retained until a search warrant was obtained.

Upon completion of the Search Warrant Affidavit, I submitted the affidavit to the Ada County Prosecuting Attorney's Office via their staff email for these types of requests.

October 2, 2024

I was granted a search warrant for the biological/blood samples for Adam Cook. The samples are retained at St Alphonsus Hospital in Boise.

I responded to St Alphonsus, to the St Alphonsus Laboratory, and provided them with a copy of the Search Warrant. I was provided with 5 vials of blood, originally listed under the alias "Tacca Perovskia Doe", confirmed to have been collected by Saint Alphonsus staff from Adam Cook.

Upon my return to MPD, I booked in the vials of blood into MPD Evidence, and requested it be sent to the State Lab for toxicology testing.

October 9, 2024

I filled out a return of service on the warrant, which I emailed to the Ada County Prosecutor's Office, with the attached photos for the vials of blood/biological material.

Narrative	

On 9/24/2024 at 2355 hours, I was contacted by Sgt. Figal and asked if I could assist with this incident. I responded to the [REDACTED] N. Redway Rd., Boise to help with the crime scene.

Once on scene, myself and other detectives walked to [REDACTED] Redway Ct., Boise, which is where the vehicle Adam Cook abandoned. Myself and other detectives were walking from this location to [REDACTED] N. Redway Rd., looking for a firearm. While walking on the south side of [REDACTED] N. Redway Rd., I noticed something small and black that looked to be out of place, and was sticking out from behind a white vinyl fence. I walked to the fence the item was a plastic buckle that was attached to a black holster. The holster looked to be clean and in non-weathered. The holster was only 90 feet from where Cook abandoned the vehicle, and did not contain a firearm. A Boise Police Department detective was notified and he came and seized the holster.

We continued to walk back to [REDACTED] N. Redway Rd., and while walking by [REDACTED] N. Redway Rd., I saw something dark laying in the grass on the south side of the driveway. This item was a dark colored beanie. A Boise Police Department Detective came and collected this item as well.

I was tasked with assisting Boise Police Detectives with going to the suspects apartment and talking with Cook's girlfriend, [REDACTED]. [REDACTED] was extremely friendly and cooperative. I assisted with searching a storage closet and did not locate any evidence.

Nothing further.

Narrative	Supplemental: Hospital

09-26-2024:

On 09-26-2024, at approximately 1401 hours, I received a phone call from Officer Thompson of the Boise Police Department. Officer Thompson advised she had taken custody of a spent .223 round recovered during Adam Cook's surgery on today's date.

I responded to St. Al's in Boise, Idaho (1055 N. Curtis) and took possession of the above item at approximately 1419 hours. I later booked it into evidence. I added the chain of custody form into the case file.

Conclusion:

Nothing further reference this supplement.

Narrative	

On 09/24/2024 at approximately 2206 Boise Police Department requested a drone unit to assist them with finding an Armed Robbery suspect in the area of W Ustick Rd and N McKinney St Boise ID. Boise Units advised they believed the suspect, later identified as Adam Cook, was in the backyard of [REDACTED] Redway Rd Boise, Idaho.

Upon arrival, I flew my department drone over the area and provided overwatch for the scene until the conclusion of the incident. I later uploaded my drone footage to evidence.com

Supplemental: Interview with Adam Cook

Interview with Adam Cook:

On 09-27-2024, at approximately 1308 hours, myself and Detective Chris Worshing (BPD) met with Adam Cook at St. Al's Hospital. I recorded the conversation and documented the following in summary:

Detective Worshing advised Adam why he was there and told Adam why I was there reference to the incident in the back yard with Police. Adam stated, "They shot the fuck out of me, I didn't have a gun or nothing." Detective Worshing asked Adam if he knew he was under arrest, which he stated he did. Detective Worshing told Adam he wanted to make sure he understood his rights before we went any further. Adam stated, "I want an attorney."

Detective Worshing told Adam he wanted to talk with him first, then he would read Adam his rights. Detective Worshing told Adam he has been in contact with Adam's family, and he would be willing to help a phone call take place, if Adam was in communication with Detective Worshing. Detective Worshing told Adam he wouldn't be able to help if he threw us out of the room, even though that was within his rights. Detective Worshing continued telling Adam what he wanted to know reference the gun and the robberies, however clarified he was not asking him any questions at this point. Detective Worshing told Adam the reason he needed to know where the gun was is due to Officers saying, in their reports, Adam had a gun on him. Detective Worshing told Adam he doesn't believe Adam had a gun during the incident with Police. Detective Worshing again told Adam he wanted to know where the gun was and he didn't believe Adam pointed a gun at Officers.

Adam stated, "it isn't a real gun." Adam went on to explain it was a fake gun and he had gotten rid of it next to the Adam and Eve Store. Detective Worshing told Adam he was simply advising him of what he wanted to talk about and asked Adam if he would be willing to answer some questions. Adam stated, "maybe." A short time later, Adam asked Detective Worshing if he didn't talk to him, there wouldn't be any chance for him to talk with his family. Detective Worshing read Adam his Miranda Rights and asked him if he understood, which he stated he did. Detective Worshing asked Adam if he was willing to speak with him further, which Adam stated he would hear Detective Worshing out at this point.

Detective Worshing asked Adam where the gun was. Adam stated it is in a trash can and confirmed it was a fake gun. Detective Worshing asked Adam why he decided to throw the gun away this time, which he stated, "cause I was done." Adam stated he used a "different plastic one" in the other robberies. Adam then stated he "stole" the plastic guns two+ years ago from Walmart. Adam stated he thought there was another plastic gun in his vehicle, which was later confirmed to be incorrect. Adam explained the plastic gun he thought was in his vehicle, is the one where he cut off the orange tip on the front of the

gun. Adam went on to explain he also threw away his clothing worn during the robbery in the dumpster near Adam and Eve. Adam stated he threw his clothes away so "no one didn't see me." Adam explained he walked from his residence to Adam and Eve and did not drive. Adam stated he was wearing gym shorts and a white t-shirt under his other clothing. Adam confirmed this was "planned" for him to get rid of this stuff after the robbery.

Detective Worshing asked Adam about the robbery at Jersey Mikes and why that robbery was different than this one. Adam stated, "I need an attorney." Detective Worshing told Adam their conversation was done. Detective Worshing told Adam since he invoked to an attorney he wouldn't be able to let him call his family. Adam got visibly upset and stated, "you just lied to me the whole time, its cool." Detective Worshing told Adam he was legally bound and is no longer able to speak with him. Adam stated he felt Detective Worshing was trying to "trap" him into things that he didn't do. Detective Worshing continued to tell Adam about wanting to find the gun. Adam again stated it was a plastic gun. Detective Worshing told Adam he would leave his business card for him or his attorney to reach out.

Note: I did not ask any questions during the interview.

Narrative

Interview with Officer Luke Yanna

9/27/24

On 9/27/24 at approximately 1400 hours I conducted an interview with Officer Luke Yanna. Present during the interview was Detective Hartje with Boise Police, Guy Hallam, counsel for Officer Luke Yanna and Luke Yanna. Officer Yanna was involved in a use of force following an officer involved shooting at [REDACTED] N Redway Road in Boise. I informed Officer Yanna the interview was being recorded and that this is a criminal investigation. I also informed Officer Yanna he was not compelled to make any statements to me. Officer Yanna agreed to speak with me. The interview took place at the office of Guy Hallam, located at 1516 W Hays Street in Boise.

Background Information:

Officer Yanna's full name is Luke Conrad Yanna. He is 27 year old. He is the rank of Officer. His badge number is 1090. His radio designator on the night of the incident was 3252. Officer Yanna has been employed as a police officer with the Boise Police Department for just over one year. He started with the Boise Police Department on July 17th 2023. Officer Yanna did not have any prior experience prior to starting with the Boise Police Department. Officer Yanna was working [REDACTED], [REDACTED]. Officer Yanna has specialized training on the 40 MM less lethal impact munition, which was the weapon Officer Yanna used during this incident. Officer Yanna stated the 40 MM is a single shot device that holds 3 extra rounds on the weapon itself, totaling 4 rounds. Officer Yanna did not use his department issued handgun in this incident. However, he carries a Glock 17 handgun with 3 total magazines. Officer Yanna was wearing a long sleeve navy blue 5.11 collared shirt, 5.11 pants with an exterior carrier with a patch on the front as well as a patch on the back that says police. Officer Yanna had no prior calls for service prior to this call.

Knowledge of Incident:

Officer Yanna logged into his patrol vehicle and checked his work email. In his email Officer Yanna saw a BOLO for a suspect involved in 3 prior armed robberies with a known suspect and vehicle description. Officer Yanna then proceeded to get dressed in his uniform in the locker room. While getting dressed Officer Yanna was informed the Adam and Eve store was just robbed. Officer Yanna heads to his vehicle and receives a text from his supervisor, Sgt Martinez, informing him several patrol units are tied up with the armed robbery and requested Officer Yanna just hit the field. Officer Yanna heard on the radio that someone had located the suspect vehicle from the armed robbery at Adam and Eve. Officer Yanna then heard a pursuit ensue. Officer Yanna heard the pursuit was headed West bound on Emerald, heading towards the police department. Officer Yanna heard units in the pursuit update that the suspect was traveling 60mph West bound on Emerald.

Officer Yanna heads Eastbound on Emerald. As Officer Yanna crosses Maple Grove he witnesses a car coming at him at a fast rate of speed. As the vehicle gets closer Officer Yanna recognizes the vehicle as matching the description of the vehicle in the BOLO reference the Armed Robbery. Officer Yanna also saw officers following the vehicle in the distance with lights and sirens. Officer Yanna conducts a U turn as the suspect vehicle passes him. Officer Yanna is now second in the pursuit. He

provided one update on the air as the pursuit approaches Mitchell/Emerald another unit gets in front of him and Officer Yanna is now 3rd in the pursuit. They were all now traveling North bound on Mitchell with speeds of 60-65 MPH. Officer Yanna witnesses the suspect vehicle blow through a stop sign as well as a red light, he believed the light at Fairview/Mitchell was red as the suspect vehicle went through the intersection. The suspect makes an East bound turn onto Ustick, at which point the suspect vehicle begins to swerve into oncoming traffic going 90 plus MPH. Officer Yanna is still 3rd car in the pursuit as Officers in the lead initiate a PIT maneuver on East Bound Ustick. The suspect vehicle spins around and is able to continue East Bound. Officer Yanna was still 3rd in the pursuit at this point and witnesses the suspect vehicle again drive into oncoming traffic at 95 mph. The suspect vehicle turns South into a neighborhood. Soon after that, it was announced on the radio that they knew the identity of the suspect and knew where he lived and instructed units to terminate the pursuit.

Officer Yanna witnessed the suspect vehicle enter the subdivision headed south. Officer Yanna headed North and pulled over on the East side of the road with his lights turned off. He was in front of the [REDACTED] N Redway Road address. As he is parked on the East side of the road with his headlights turned off, he is trying to get his in car mobile computer running because he did not have time to do so prior. He successfully got the computer started. As Officer Yanna is looking at his computer he sees a white male in a white t shirt and dark colored basketball shorts coming from Northbound, running Southbound across the front yard of the residence and begins playing with the latch on a gate and enters the backyard and closes the gate. Yanna stated the suspect matched the description of the BOLO about the armed robbery suspect. Officer Yanna gets on the radio and advises he is at [REDACTED] he couldn't remember the road name, and he just saw the suspect run into the backyard of the residence. Numerous Officers respond. Officers Yanna stated Sgt. Miller parked his patrol vehicle right in front of the gate where the suspect was seen entering the yard.

Officer Yanna stated they set up a team of officers including Colt Bonas and his K9, 3 Officers with rifles and Officer Yanna had the 40MM as well as numerous other officers. Officer Yanna stated he could visually see a family inside the house of the yard the suspect ran into. He could also see the house just to the South, which shares a fence line with the house the suspect ran into, someone kept opening the back door. That residence was evacuated. Officer Yanna stated officers contacted the family members of the house the suspect was seen entering their backyard. Officers got permission to enter the house and garage.

Officer Yanna stated Meridian and Ada County drone operators responded and began flying drones over the backyard area. Dispatch had also gotten a call from a home owner a few blocks away that advised a Jeep Renegade, which was the suspect vehicle, was parked in their driveway. Officers responded and looked in the vehicle and did not see a firearm. Officer Yanna stated at this point it was believed the suspect was still armed with the handgun used in the armed robberies. Officer Yanna stated after some time either the drone or officers in the backyard advised they saw the suspect in the backyard near a shed, hiding under a tarp. Officer Yanna stated he believed it was a drone operator that broadcast the suspect had a handgun in the back of his waistband. Officer Yanna then stated that he heard twice on the radio the suspect pointed the gun at officers. Officer Yanna stated at this point Officers are confident the suspect is still armed and has made threats at Officers by pointing the gun at them.

Officers Yanna stated he was still positioned in the front yard during all of this. Officer Yanna stated he started hearing yelling in the backyard, which he assumed were commands being given. Officer Yanna then heard 8 to 10 shots from what he believed to be 2 different weapons. Officer Yanna stated shortly after shots were fired, officers were requesting a 40MM

less lethal weapon as well as a shield. Officer Yanna had both of those tools with him. Officer Yanna responded to the garage and heard officers giving the suspect commands to crawl away. Officer Yanna couldn't remember the exact commands being given at that point. Officer Yanna stated Sgt. Miller was making a plan to make contact with the suspect. Sgt Miller instructed that officers would deploy the 40MM on the suspect, then deploy the dog and drag the suspect back towards them. Officer Yanna stepped into the back yard from the garage with the 40MM. As he stepped into the yard he could see the suspect laying on his back with his head towards him. Officer Yanna noticed the suspect was laying in long grass but could see his shirt was soaked in blood. Officer Yanna stated officers were giving the suspect commands and he was not listening to those commands. The suspect was still making movements. Around the suspect were 3-4 small lights. Officer Yanna stated he didn't know if those lights were from the suspect gun or cell phone or something else. Officer Yanna stated they believed the suspect was armed but did not know where the gun was. Officer Yanna stated the suspect kept moving his arms and he could not see what was in the tall grass near the suspect. Officer Yanna stated after a few minutes it appeared the suspect was losing consciousness and was drooping his head from one side to the other and was still not following commands. Officer Yanna stated he then deployed the 40MM, striking the suspect in the top left shoulder. Officer Yanna stated the suspect had a delayed reaction and said something similar to "You shot me again". Officer Yanna reloaded the 40MM as he was instructed to take cover in the garage because the suspect was still moving.

Officer Yanna stated next thing he knew the dog was sent on the suspect and he and another officer followed to assist in getting the suspect in handcuffs. Officer Yanna grabbed an arm as another officer grabbed the other arm and placed him in handcuffs. A sweep of the suspects waistband area was conducted, then he was rolled onto his back. Officer Yanna stated the dog let go after they got the suspect in handcuffs. Officer Yanna stated he carries chest seals and gauze in his pockets. Officer Yanna stated he applied 2 chest seals on wounds, which at that point medics arrived and took over medical care and eventually transported the suspect to the hospital. I then asked Officer Yanna to talk about the verbal commands he heard while on scene. Officer Yanna stated while he was in the front yard he could hear officers yelling commands, however, could not hear what the commands were. Officer Yanna stated once he got into the garage he heard someone tell the suspect to crawl towards them. Officer Yanna stated he thinks he may have had auditory exclusion at one point, due to being focused on what he needed to do.

Crimes Committed:

I asked Officer Yanna to speak about the crimes that were committed prior to the use of force. Officer Yanna stated the BOLO stated the suspect was also the suspect in 3 other armed robberies and officers on scene of the most recent armed robbery earlier in the evening had stated the suspect pointed his gun at both employees, which amounted to 2 counts of aggravated assault. Officer Yanna stated the suspect also committed resisting and obstructing as well as felony eluding and excessive speeds during the eluding as well as driving into oncoming traffic. I asked Officer Yanna if he had any knowledge/contact of the suspect prior to this incident. Officer Yanna stated he did not.

Suspect Actions:

I asked Officer Yanna to explain the actions the suspect made that made him feel threatened for his safety as well as other officers/public safety. Officer Yanna stated starting with the BOLO it was stated the suspect was known to threaten people with a firearm. Officer Yanna stated the suspect also refused all commands from the very first contact with him during the

attempted traffic stop that turned into a pursuit as well as multiple commands in the backyard. Officer Yanna stated based on that behavior he knew the suspect was going to be a "No guy". Officer Yanna stated prior to the shooting when officers in the backyard were giving the suspect commands it was stated on the radio the suspect told them to "Fuck off" or something similar to that. Officer Yanna stated it was clear the suspect was not going to listen to commands. Officer Yanna explained the history of using a firearm in the commission of robberies, as well as the armed robbery tonight, combined with the fact the officers on scene did not locate the firearm in the recovered vehicle, all assumed the suspect still had the firearm on his person. Officer Yanna also expressed concerns for the family in the house where the suspect was hiding in their yard. Officer Yanna spoke about needing to be ready to react if the suspect attempted to make entry into the residence while the occupants were in the residence.

Officer Yanna also spoke about the suspect's disregard for public safety during the pursuit and driving into oncoming traffic. He also stated even once the suspect was shot he did not listen to commands. Officer Yanna then explained that the 2 Officers who were in the backyard who shot the suspect were senior officers/SOU operators and he trusted the suspect did something serious enough for them to react by shooting at him. Officer Yanna stated he trusted those officer's decision making and Officer Yanna went into the backyard trusting that something serious had happened. I then asked Officer Yanna to talk about any concerns he had for his life or anyone else's lives. Officer Yanna stated the suspect went to great lengths to evade police capture and was concerned about the actions the suspect might take to continue to evade capture. I then asked Officer Yanna how many rounds he shot with the 40MM. He confirmed he shot one round then reloaded, however, did not need that second round so after the scene was secure he unloaded that round. Officer Yanna did not do anything on accident or purpose to alter the crime scene.

I asked Officer Yanna about the lighting conditions. Officer Yanna stated it was pitch black except for lights provided by vehicles or drones and weapon mounted lights. I asked Officer Yanna if the suspect had a chance to give up at anytime during this incident. Officer Yanna stated the suspect could have given up several times. But also could have chosen not to commit armed robbery or aggravated assault to begin with. He stated the suspect could have given up when officers initiated the traffic stop earlier in the evening and anytime during the pursuit. The suspect also could have given up after the PIT maneuver. Officer Yanna stated the suspect could have given up once the pursuit was terminated as well. He also explained the suspect could have given up after he jumped the fence and lights were put in the yard and the suspect was surrounded. Officer Yanna also stated the suspect could have given up when officers were giving commands in the backyard and could hear the police K9 barking.

I then asked Officer Yanna to walk through the three prongs of Graham Vs Conner and talk about the elements that were met in all three. Officer Yanna explained the suspect had a violent history of recent armed robberies and aggravated assaults. The night of the incident the suspect again committed armed robbery and pointed the gun at 2 innocent people. Officer Yanna also stated based on what he heard on the radio the suspect also pointed a firearm at officers on scene. The suspect lacked regard for the lives of citizens during the pursuit. Officer Yanna also said once the suspect entered the backyard he was a threat to everyone in the house. Officer Yanna then spoke about the level of resistance by the suspect. He stated the suspect verbally told officer to "F off" which told officers he was not going to comply.

I then asked if there were any follow up questions from either Detective Archie or Hallam. Detective Hartje clarified Officer Yanna's radio designator, as 3252, which was not clarified at the beginning. Hartje then asked about the 40MM and the

ammunition used. Yanna stated the ammunition is all the same for the 40MM. He was then asked about any lights or optics on the 40MM weapon platform. Yanna stated the 40MM has a red dot as well as a stream light. Hartje then asked who was in charge once the suspect was contained in the back yard. Officer Yanna stated Sgt Miller was in charge. Hartje then asked about when Yanna exited the garage into the backyard and the movements the suspect was making with his hands. Officer Yanna stated the suspect was still moving his hands down by his sides and was kicking at one point. Officer Yanna was asked about what distance he was from the suspect when he entered the backyard. Officer Yanna was not sure on the distance. Officer Yanna was asked about the trained technique to use the 40MM. Officer Yanna explained it is similar to any other firearm as far as using it.

Guy Hallam then wanted to ask a few clarifying questions. Guy asked Officer Yanna about the threats the suspect made to officers and the public by pointing his gun at numerous people. Officer Yanna agreed the suspect posed a threat to everyone in the residential neighborhood by refusing to cooperate and refusing to give up his firearm. Officer Yanna was asked if at any point during the pursuit or at the scene in the backyard did the suspect comply or try to give himself up. Officer Yanna stated not at all. This ended the interview at approximately 1440 hours.

Supplemental: Officer John Jayne Interview 10-01-2024

On 10-01-2024, at approximately 1618 hours, myself, Detective Corporal Isaiah Wear (Meridian Police), and Detective Jason Schofner (Boise Police) interviewed Boise Police Officer John Jayne reference to an officer involved shooting that occurred on 09-24-2024 at [REDACTED] N. Redway Road in Boise, Ada County, Idaho. The interview took place at Joseph Mallet's office located at 3363 N. Lake Harbor in Boise, Idaho. Joseph Mallet was present as Officer Jayne's attorney. I advised the interview was being recorded, this was a criminal investigation, and Officer Jayne was not required to speak with us. Officer Jayne stated he understood and wished to speak with us voluntarily. All times in this report were according to my wrist watch. The interview was recorded using my digital recorder, to which I added the recording into the case file. Note: Prior to the interview, Officer Jayne reviewed his body worn camera footage. During the interview, Officer Jayne utilized a Google Earth image of the incident location, which I added into the case file for reference.

Background Information:

Officer Jayne's full legal name is John Lawrence Jayne the 3rd and he is 52 years old. Officer Jayne currently holds the rank of Officer (Patrol Officer) with the Boise Police Department and has a badge number of 954. Officer Jayne is currently assigned to [REDACTED]. Officer Jayne's radio designator is "2112" and he was assigned vehicle number "008" at the time of the incident.

Officer Jayne began his career with the Nashville Police Department in 2007. Officer Jayne worked with Nashville Police Department for approximately 10 years and was a TAC MED SWAT Team Member. Near the end of 2017, Officer Jayne moved to the Treasure Valley and was ultimately hired with the Boise Police Department in Summer of 2018. Officer Jayne has worked for the Boise Police Department for just over six years, with the last four years being on the Boise Police SWAT team, an FTO (Field Training Officer), and a Firearms Instructor. Officer Jayne is POST (Peace Officer Standards and Training) certified Police Officer in Idaho and currently holds and Advanced Certificate.

Officer Jayne's Weapon and Clothing during the incident:

Officer Jayne's weapon used during the incident was a department issued LWRC AR-15 semi-automatic rifle, .556 caliber. Officer Jayne has a department issued weapon mounted light and a department issued weapon mounted red dot sight. Officer Jayne carries his rifle with a 29 round magazine and one round in the chamber (total of 30 rounds). Officer Jayne carries a spare 30 round magazine on his

person. Officer Jayne carries department issued ammunition.

Officer Jayne carries a department issued Glock 17, 9mm, semi-automatic pistol. Officer Jayne has a department issued weapon mounted light along with a department issued weapon mounted red dot sight. Officer Jayne has a 16 round magazine inserted into the pistol with one round in the chamber (total of 17 rounds). Officer Jayne carries two spare 17 round magazines on his person. Officer Jayne carries department issued ammunition. This pistol was not utilized during the incident.

Officer Jayne was wearing his department issued polo shirt with Boise Police patches on both shoulders. Officer Jayne was wearing his department issued black cargo type pants and black boots. Officer Jayne was wearing his department issued outer vest carrier, that contained a Boise Police badge (front), his name plate (front), police patch (front) and a large "Boise Police" patch on the back. Officer Jayne was wearing his department issued duty belt along with clear glasses. Officer Jayne was clearly identified as a Boise Police Officer.

Note: Officer Jayne removed his glasses, vest, and duty belt while waiting for first contact at the Meridian Police Department. Officer Jayne put these items back on when it was time to take photographs.

Prior Duties and Knowledge of the Incident area:

Officer Jayne was training Officer Ian Riehle, who was in "phase 3," during his shift (FTO). Officer Jayne noted the day was normal like any others, with only one call standing out of significance. Officer Jayne described a head on collision that resulted in major injuries, to the point where they believed one citizen would not survive. Officer Jayne was later notified the citizen did survive and Officer Jayne and Officer Riehle were working on the collision report when the below incident started.

Officer Jayne was not aware of anything significant that stood out to him about the incident area as far as previous crimes of this nature. Officer Jayne did note during the interview the recent fatal shooting of Deputy Tobin Bolter in April of 2024, where he was one of the individuals a part of this incident who made contact with the suspect, who ultimately fired rounds at Officers, one of which hit the shield behind which he was standing. Officer Jayne noted another incident in 2016 with the same circumstances as described below, where Officer Kevin Holtry and Officer Chris Davis were shot by a suspect. Officer Jayne stated his experience with the incident in April of 2024 and a 60 minute briefing of the 2016 incident, are very similar in nature to what occurred as described below.

Officer Jayne's Statement of the Incident:

Officer Jayne stated where he came from in Nashville, Robbery was something that occurred everyday. Officer Jayne stated this does not happen as often in Boise, Idaho, so the fact there were multiple leading up to this incident, it stood out to him. Officer Jayne stated approximately 2-3 weeks ago, he remembered being in shift briefing and being advised of a robbery that occurred at "Jersey Mikes."

Officer Jayne remembered seeing a photograph of the suspect from video footage that depicted what he remembered to be as a "large black handgun." Officer Jayne stated the suspect was wearing a skeleton type mask. Officer Jayne stated approximately a week later, there was another bulletin released reference to a second robbery, which was later identified as likely the same suspect who committed both of them. Officer Jayne remembered the sweatshirt being inside out and a piece of white string on the shoulder area.

Officer Jayne advised while Officer Riehle was working on the above mentioned crash report, Officer Jayne began looking at his email and noted a third bulletin reference to the same above robberies. Officer Jayne remembered seeing a suspect had been developed, meaning his name, date of birth, and criminal history was added to the bulletin. Officer Jayne noted there was also a robbery in Nampa, sharing the same suspect description. During the Nampa incident, video footage had been collected where the suspect entered a vehicle, which is how they believed it to be Adam Cook. The bulletin stated Adam Cook was a possible suspect and should any robberies occur on this date, or others, this could be a potential location to investigate (█████ N. Cole in Boise, Idaho). Officer Jayne stated the bulletin advised Adam was armed (with a handgun) during the above three robberies and should be considered dangerous.

Approximately 45 minutes later, dispatch advised of a armed robbery that had just occurred at the Adam and Eve. Officer Jayne advised this location was not far from the above address advised in the bulletin. Officer Jayne remembered hearing in addition to the robbery, the suspect had pointed a gun at two Adam and Eve employees. Officer Jayne and Officer Riehle remained at the Boise Police Department as the events initially unfolded. Officer Jayne heard Sergeant Scott Scally advising he had the vehicle pulled over at what he remembered to be as the "CVS parking lot" near Cole Road. After Sergeant Scally asked for the radio to be cleared, the suspect drove off, initiating a pursuit. As this continued to develop, Officer Jayne confirmed with a supervisor the report Officer Riehle was currently working on could wait. Officer Jayne heard Lieutenant Terry Weir authorize the pursuit.

Officer Jayne later heard Sergeant Eric Urian had attempted to pit the vehicle in the pursuit, however it was unsuccessful. Officer Jayne remembered hearing speeds of the pursuit reaching 90mph, at which point the pursuit was discontinued for safety reasons. Officer Jayne later heard the suspect had fled into a backyard of █████ Redway Road in Boise, Idaho. Officer Jayne advised even though it was the end of his shift, he knew he had to respond to assist as he was part of the special operations unit (SOU/SWAT Team). Officer Jayne stated he reviewed the CAD notes, and didn't see it in there, however he remembered a citizen calling in saying there was a suspect who had just ran from the vehicle into the backyard.

At this point, Officer Jayne retrieved his equipment and ultimately he and Officer Riehle responded to the above location. At first, both Officer Jayne and Officer Riehle responded the wrong location, however after a phone call with Officer Luis Gutierrez, ultimately arrived at the correct location. Upon arrival, Officer Jayne and Officer Riehle met up with Officer Gutierrez and ultimately cleared the garage area.

RD: 700 DR# 2024-6783

1. Incident Topic AGGRAVATED ASSAULT CITF ASSIST AGENCY		2. Subject/Victim's Name	
3. Address [---PRIVATE---], BOISE		4. Phone	
5. Date Occurred 09/24/2024	6. Time Occured 21:28	7. Route To File	8. Division CID

Officer Jayne locked the door leading from the garage into the residence. Officer Gutierrez closed the window overlooking the backyard, and locked it. Officer Jayne stated he or Officer Riehle (unknown for sure who) turned on the light to the garage in order to deter a suspect from coming that direction, as suspects typically avoid lighted areas. Officer Jayne locked the man door leading from the garage into the residence.

Ultimately, Officer Gutierrez showed Officer Jayne around the residence and showed him where they thought the suspect was. Officer Jayne stated there two sheds in the backyard and pointed (on the map) to where they believed the suspect to be hiding (south west corner shed). Officer Jayne stated he remembered hearing one of the drone operators stating the "shed was 90% clear." Officer Jayne called Officer Matt Pap on the phone confirming and discussing if the sheds were clear. Officer Pap had planned on flying a drone to get a better view of the shed.

Officer Pap flies a drone up to a doorway of the south west corner shed and almost immediately, Officer Jayne heard Officer Pap say he could see movement under a tarp and believed the suspect to be in the shed. Within a few seconds, a person appears in the doorway of the shed and "smacks" the drone down. At this point, the suspect went eastbound through the yard, which Officer Jayne believed he was trying to flee. Officer Jayne stated he ran out to the front of the residence in order to stop the suspect from fleeing should he leave the backyard. The suspect ended up not leaving the backyard, which Officer Jayne returned back into the residence.

Officer Jayne was positioned behind Officer Gutierrez, near the man door leading from the garage into the backyard. Officer Riehle was covering the window (south side) looking into the backyard that was previously shut as mentioned above. Officer Gutierrez opened the door leading into the backyard and addresses the suspect at gun point. Officer Gutierrez tells the suspect to drop the gun, in general to, "give up," and shortly after, Officer Gutierrez made a fast abrupt motion, getting to cover inside the garage, and stated the suspect had just pointed a gun at him. Initially, Officer Jayne believed Officer Riehle had stated the suspect also pointed a gun at him, however after review of his body cam, he realized Officer Riehle was relaying the information Officer Gutierrez provided, over the radio.

Officer Gutierrez initially gave authoritative commands to the suspect, however quickly changed and attempted to reason with the suspect for him to surrender. Officer Jayne stated he remembered hearing the suspect saying, "fuck you." Based on there now being 4 robberies, two aggravated assaults on the workers at Adam and Eve, and two aggravated assaults on two police officers, Officer Jayne felt this was going to be a lethal force encounter. Officer Jayne decided to move upstairs into a bedroom in order to get a better vantage point of the situation.

Officer Jayne switched positions with Officer Cody Carter, who was at the window. Officer Jayne pushed the window screen out, just in case he did have to shoot, it wasn't through the screen or any glass. Officer Jayne stated he could see the suspect with his back against the shed to the south east of the residence. Officer Jayne remembered Lieutenant Weir state over the radio something along the lines of,

"He does not leave that backyard." Officer Jayne stated the suspect kept looking at Officer Gutierrez as if he was trying to not be seen by Officer Gutierrez and/or plan his next steps. A short time later, the suspect began to move to the north west (away from the shed) in a "confronting way" towards Officer Gutierrez. Officer Jayne later confirmed the suspect was directing his attention towards Officer Gutierrez in a confrontational way, and was not attempting to flee or give up at this point. Based on all the above events, especially when the suspect pointed the gun at Officer Gutierrez, Officer Jayne believed the suspect was initiating an attack on Officer Gutierrez, at which point, Officer Jayne fired his rifle at the suspect. Officer Jayne believed he fired 4-5 rounds.

At this point, Officer Jayne saw the suspect fall to the ground and ultimately start screaming. The suspect yelled multiple times, "I don't have a gun." Officer Jayne ultimately went down to the garage area in order to take the suspect into custody and render aid. Officer Gutierrez asked the suspect to crawl towards them multiple times, however the suspect stated he wasn't able to. The suspect would calm down and continue screaming again. At this point, Officer Luke Yanna deployed the 40mm in the top left shoulder area of the suspect. Officer Jayne described the body position of the suspect to be laying on his back with his head towards the Officers. Due to the fact the suspect wouldn't crawl towards them, and the unknown location of where the gun was, Officer Colt Bonas deployed his K9 to pull the suspect away from the area where he had been. The K9 was able to pull the suspect to the east, where he was ultimately taken into custody.

Officer Jayne responded to the fence area on the south side of the house between the backyard and the driveway, in order to open it for Medics and other Officers. Officer Gutierrez was able to get the gate open prior to Officer Jayne. Officer Jayne remained in the back yard and ultimately turned his body worn camera off at the direction of Sergeant Tad Miller. Officer Jayne and Officer Gutierrez checked each other at the direction of Sergeant Miller to make sure they had not taken any rounds. Officer Jayne ultimately went to the front of the residence where Sergeant Miller and Officer Gillian (AFC-Acting Field Commander) conducted his debrief. Officer Jayne was ultimately transported by Officer Josh Kincaid to the Meridian Police Department for first contact.

Clarification from Joseph Mallet:

Officer Jayne clarified an armed robber is an extremely dangerous individual. Officer Jayne stated the action itself is where the suspect is telling someone to comply with their commands or else they will be killed by the fact they are presenting a firearm. Officer Jayne confirmed this was shown as the suspect had just committed this act by robbing and pointing a gun at two employees at the Adam and Eve.

Officer Jayne clarified the purpose of a bulletin being released, as it is typically for officer safety information. Officer Jayne further explained it often describes violent individuals who have made threats to die before going back to prison or them wanting to shoot it out with police. Officer Jayne stated the information in the bulletin about Adam Cook did heighten his awareness of the situation.

Officer Jayne clarified the statement made of Lieutenant Weir, reference the suspect was not to leave the backyard. Officer Jayne stated that statement was affirmation to what he perceived the situation to be, meaning the suspect was extremely dangerous, there was a major concern the suspect was going to shoot someone (citizen or officer), and if he escaped he would be a significant danger to the community as he had proven with the robbery and the pursuit speeds. Officer Jayne confirmed the suspect was attempting to escape and was doing so in a manner that puts lives at risk, making him a fleeing felon. Officer Jayne further explained the surrounding areas are full of residential houses and due to the time of this incident, most people would be home. Officer Jayne stated this was a major concern which prompted him to also make sure the suspect was not able to get into another residence and potentially take hostages.

Officer Jayne clarified the way the suspect responded to Officer Gutierrez's commands by saying "fuck you," and the tone of his voice (angry and offensive) when he said this, it was clear the suspect had no intention of giving up. Officer Jayne stated this also confirms the only other likelihood of something happening is a violent encounter with the suspect. Officer Jayne further described the suspect to be "peeking" round the shed as if he was attempting to see what was going on and to see where officers were. It was obvious to Officer Jayne the suspect was attempting to formulate some sort of plan, rather than just giving up. Officer Jayne advised if he wouldn't have shot the suspect, he believed the suspect would have been able to attack Officer Gutierrez.

Crimes Committed/Suspect Actions/Environment:

Officer Jayne advised the suspect was given many different verbal commands to drop the gun, to surrender, and attempts were made by Officer Gutierrez do de-escalate the situation in order for the suspect to surrender peacefully. Officer Jayne advised Officer Gutierrez maintained control of the commands to avoid the suspect being confused as often times happens if multiple Officers are shouting commands. The suspect failed to comply with all commands and knew he was being confronted by Law Enforcement.

Officer Jayne advised the suspect had committed four armed robberies, two aggravated assaults on the employees at Adam and Eve, two aggravated assaults on Officer Gutierrez and Officer Riehle, and felony eluding. Officer Jayne voiced concerns for himself, citizens who were at the above residence (family with two kids, mom and dad), and other Officer's safety based on the suspects actions. Officer Jayne described the confrontational stance the suspect made towards Officer Gutierrez provided him no other opportunity other than to discharge his rifle to prevent Officer Gutierrez from being shot. Officer Jayne also described his training and experience of rounds being shot into a residence, meaning rounds can travel from one side of the residence to another, potentially harming anyone in its path.

Officer Jayne stated himself, Officer Nohl Major, Officer Luke Yanna, Officer Riehle, K9 Officer Colt Bonas, Sergeant Tad Miller, Officer Anthony Coils, and Officer Cody Carter were on scene during the incident. Officer Jayne was not aware of any crimes of this nature in the area consistent with this

incident. Officer Jayne did not have any prior contacts with the suspect, and only knew of him reference to the robbery bulletins. Officer Jayne did not do anything to alter the crime scene. Officer Jayne stated the lighting was considered "dark conditions" and the weather was clear, however it did not have any effect on the incident itself.

Officer Jayne stated the suspect could have given up multiple times by pulling over when Sergeant Scally made the traffic stop, the suspect did not have to run from the police (pursuit), could have given up during the pit maneuver, not ran on foot, hid behind a tarp in the shed, didn't have to smack the drone down, and could have complied with commands.

Conclusion:

At approximately 1732 hours, I stopped the recording and concluded the interview.

Narrative	

**Supplemental: Interview with K-9 Officer Colt Bonas
9/27/24**

On 9/27/24 at approximately 1516 hours, Detective Marc Riggs (Meridian Police), Detective Chris Wirshing (Boise Police), and I interviewed Boise Police K-9 Officer Colt Bonas reference an Officer involved shooting which occurred on 9/24/24 in the backyard of the residence at [REDACTED] N Redway Rd in Boise, ID. The interview took place at Chad Johnson's office located at 1516 W Hayes St in Boise. Chad Johnson was present as Officer Bonas' attorney. I advised the interview was being recorded, this was a criminal investigation, and Officer Bonas was not required to make any statements. Officer Bonas said he understood and agreed to speak with us voluntarily. At the beginning of the interview I had advised the time was 1416 hours, although my wristwatch was off by one hour. Note: Prior to the interview, Officer Bonas reviewed his body worn camera footage.

Background Information:

Officer Bonas' full name is Colt Charles Bonas and he is 29 years old. Officer Bonas holds the rank of Police Officer and has a badge number of 985. Officer Bonas' radio designator is 2K95, and he was assigned vehicle number 195 at the time of the incident. Officer Bonas began his career with the Boise Police Department in July of 2019, he attended the Patrol Academy at the Boise Police Department, and has just over five years of experience. Officer Bonas has no prior law enforcement experience, although he does have prior military experience. Officer Bonas' current assignment is as a K-9 handler, his shift is [REDACTED]. Officer Bonas has experience with the less lethal 40mm, he completed the basic Patrol K-9 certification course, as well as the drug certification course with K-9 Dozer. Officer Bonas has additional K-9 training with the Idaho Police K-9 Association, along with a a company called Paraclete K-9, which taught e-power collar and dog behavior. Officer Bonas attended the Boise Police SWAT basic school, he trains with his K-9 on a weekly basis, and Boise Police obtained K-9 Dozer in February 2023.

Officer Bonas' Weapon and Clothing during the incident:

Officer Bonas was carrying his duty firearm which was a Glock Model 17 9mm with three

magazines full at 17 rounds, plus one round in the chamber. Officer Bonas was wearing his green Boise Police K-9 uniform with the official Boise Police Patches on both shoulders, the Boise Police badge star on the front chest and Boise Police K-9 unit on the back. Officer Bonas was wearing a helmet with Boise Police K-9 Unit displayed on one side, and it possibly displayed Police on the other. Officer Bonas was clearly identified as a Boise Police K-9 Officer.

Prior Duties and Knowledge of the Incident area:

Officer Bonas had training the day of the incident which started at 1600 hours, they debriefed some recent K-9 deployments, then they began training which included mock certification; they concluded around 2100 hours. After training Officer Bonas conducted follow up on a previously reported incident via phone call while he was parked in his patrol vehicle. Officer Bonas described the activity level that evening as there not being any hot calls going on, which was why he was conducting the follow up call, and he was available to assist if any priority calls came up.

Officer Bonas' Statement of the Incident:

Officer Bonas was on the follow up call earlier described, and he heard a tone go off for an Armed Robbery. Officer Bonas looked at the call and noticed the description of the suspect matched very closely to the description of a suspect in a BOLO (Be On The Lookout) which had been sent via email. The BOLO was for a subject identified as Adam Cook, the BOLO had his photograph, his description, along with the vehicle he was driving, where he and his girlfriend lived, and his criminal history. The BOLO advised Cook was a possible suspect in three armed robberies; the Jersey Mike's and the Subway in Boise, along with an incident in Nampa. Officer Bonas knew that for the three incidents, the subjects description matched pretty much the same. Officer Bonas saw this incident come up where the suspect had the same basic description; black hoodie, face covering, and gloves. Officer Bonas had previously responded to the Jersey Mike's incident to conduct a K-9 track, so he had seen a photo (of the suspect) from that. Officer Bonas thought it was coincidental that even though he didn't know what time Adam and Eve closed, it seemed to be the same MO where the previous incidents occurred just before the business closed.

Officer Bonas heard another BPD K-9 unit go enroute (to the Robbery at the Adam and Eve store) and he got off the phone with the subject he was talking with. Officer Bonas started heading toward the business and another Officer was talking about going to the address associated with Cook. Officer Bonas decided to head toward Cook's address and attempt to locate his vehicle; a

charcoal colored Jeep Patriot. Officer Bonas was contacted and directed to go to the area of where the robbery suspect was last seen, so a K-9 track could be attempted. Officer Bonas went to Adam and Eve, and with the assistance from other Officers, a track was conducted. The last known location for the suspect was heading westbound on Fairview Ave, then possibly southbound near the business. Upon the beginning of the K-9 tracking process, Officer Bonas heard radio traffic advising a vehicle matching the one in the BOLO, believed to possibly be occupied by the armed robbery suspect, was located at a CVS Pharmacy. An Officer ultimately advised over the radio it was the suspect, and he was fleeing.

Officer Bonas discontinued the K-9 track and went back to his patrol vehicle. Officer Bonas started toward the fleeing suspect, meanwhile going through in his mind what crime(s) had been committed; those crimes were identified as Armed Robbery, Burglary, and Resisting and Obstructing. A pursuit of the suspect had started and Officer Bonas knew they needed to get the suspect stopped and into custody in order to keep the public safe. Officer Bonas also took into consideration the three additional armed robberies the suspect was possibly linked to. Officer Bonas attempted to parallel the pursuit and catch up, so he could be there if the suspect fled on foot; Officer Bonas was concerned if the suspect was not taken into custody, there may be opportunity for him to take an innocent person into a hostage situation. The suspect vehicle turned from Emerald St onto Mitchell St northbound, Officer Bonas turned south on Mitchell St and saw the suspect driving down the middle of the road with Officers following. Officer Bonas pulled into a car lot in the area of Fairview Ave and Mitchell St in order to avoid crashing with the suspect, and the suspect passed by him. Officer Bonas followed the pursuit of the suspect, and he observed his driving pattern which was reckless, wrong side of the road, swerving in and out of traffic, and driving in excessive speeds. Officer Bonas determined the elements for Felony Eluding had been met at that point. Officer Bonas heard a supervisor advise that extreme measures were authorized. Officer Bonas looked at the totality of the circumstances, the crimes involved, and the level of threat the suspect posed to the public. Officer Bonas considered the possibility that the suspect could crash, and there could be a gunfight when he exited the vehicle. As the suspect drove into a neighborhood, Officer Bonas heard the pursuit get terminated, and Officers flooded the area in attempt to locate him. Officer Bonas understood a civillian had called in and advised a vehicle had crashed and someone ran from the scene. Officer Bonas heard another Officer advise the suspect jumped a fence at [REDACTED] Redway, and additional Officers including Officer Bonas responded to the location.

Officer Bonas arrived at the residence and turned on his overhead patrol vehicle lights, along with his spotlight. Containment on the area was held while additional resources responded. While holding containment, contingency plans were made if the suspect left the back yard. Sergeant Miller arrived and took command of scene tactics and plan. Drones were utilized, and occupants were observed in the residence in front of them, along with the residence to the south. A plan

was made to contact the occupants in the residence in front of them, and there was concern the suspect who was in the back yard could force entry into the home. Officers went to the residence and Officer Bonas held his position in the front. Officer Bonas considered the threat the suspect was to the public, including that he was an armed robbery suspect, and to his knowledge was currently armed with a handgun while in the backyard of innocent people's residence. While holding containment of the area, SOU (Special Operations Unit) was consulted about responding to the incident, and while waiting for a decision there was information from drone operators that there was movement underneath a tarp by a shed on the property. After that, there was additional information that the suspect swatted the drone down. Officer Bonas confirmed with another Officer (possibly Officer Poole) the location of the suspect because he wanted to know exactly where he was if he needed to approach him. Officer Bonas heard someone advise the suspect just pointed a gun at the residence, which added to the crimes the suspect had committed.

Officer Bonas heard an Officer call for a K-9 to come inside the residence, and he took the position. Officer Bonas went from the living area of the residence which was lit up with light, to the garage which was dark. Officer Bonas could not identify all the other Officer's inside the garage, other than Officer Guterrez who was standing lit up by a light at the man door from the garage to the back yard. Officer Bonas asked where the suspect was located and he considered his next move; how they were going to safely take the suspect into custody. Officer Bonas understood the suspect had pointed a gun at them, and he considered contingencies based on what he did; specifically his decision of when to utilize his K-9. Officer Bonas heard Officer Guterrez exclaim the suspect was right there, and he was unsure exactly what that meant or how far away he actually was. Officer Bonas had Dozer's head sticking outside the doorway, and firearm rounds went off. Officer Bonas could not tell who all fired their weapons, he heard multiple shots, and Officer Guterrez was the only Officer he knew for sure fired because he was right next to him. Due to the suspect just committing an armed robbery, Officer Bonas thought Officers were shot at. Officer Bonas could not see the suspect when shots were fired, and he first saw him when Officers went outside. Officers moved forward with firearms outside the door and Officer Bonas followed in behind them. Officer Bonas thought Officers had just exchanged gunfire with the suspect, and the suspect was either down and injured, or he was not hit and faking. Officer Bonas gave the command for the suspect to crawl toward him or he would get bit. Sergeant Miller directed Officers to get back behind cover and a custody plan was made; utilize 40mm first, then K-9 deployment if the 40mm failed. The 40mm was utilized and Officer Bonas understood it was ineffective / did not get the desired reaction; the suspect was still non compliant and actively resisting commands. Officer Bonas again considered the totality of the circumstances and ultimately decided deploy K-9 Dozer. Officer Bonas told the suspect to crawl to him or he would get bit, which he did not do. Officer Bonas did not hear the suspect say he couldn't crawl, he was dying, he was shot, or anything. Based on the distance the suspect was from the door Officer Bonas decided he would likely not be able to reach the suspect with the K-9

leash he had, and he decided to not get a longer one; Officer Bonas considered if the suspect was down bleeding out, they wanted to render aid as fast as possible, they also wanted to get him in custody as fast as possible so another shooting didn't occur if he was faking because there were still innocent people in the area.

Officer Bonas went to send K-9 Dozer, he fed leash out, and gave the command to bite. When Officer Bonas gave the command to bite, the suspect was lying on his back with his arms to his side toward his waistline area, and the grass looked to be 4-6 inches tall which was tall enough to conceal his hands where they couldn't be cleared of weapons. K-9 Dozer looked to be going to the suspect's arm, and when he did bite it appeared to Officer Bonas to be on the shoulder/pectorial area. When the bite took place, Officer Bonas started dragging the suspect toward him using the long line, in order to get him away from the firearm. As Officer Bonas was dragging the suspect, he called other Officers to assist him, and as he continued pulling he saw the suspect pushing K-9 Dozer in the face. Officer Bonas could tell the suspect's left hand was clear of weapons, he still couldn't see the right hand, so he ordered him to drop the firearm/asked where the firearm was. As Officer Bonas was saying that, he saw K-9 Dozer was on the suspect's cheek, and he knew he needed to get him off the bite right away. Officer Bonas began walking up the long line, he grabbed K-9 Dozer's flat collar, then he used his bite bar to get him off the bite. The reason Officer Bonas used the bite bar versus a verbal out was for a couple of reasons; one was as he was pulling and the suspect was pushing K-9 Dozer, if he gave the command to let go he feared if the suspect continued to push him in the face, K-9 Dozer was already in a sensitive area and may perceive he was actively trying to fight him so he may bite him again. The second reason was Officer Bonas still could not see if the suspect's right hand was clear of weapons, so as he moved up he wanted K-9 Dozer on the bite in case the lethal threat was exposed to them again; he could leave K-9 Dozer on the bite and create some distance. Officer Bonas also used the bite bar instead of a tactical out because he wanted to apply the least amount of pressure possible on his face. The bite bar induces a gag reflex on the K-9 so they want to immediately spit out whatever is in their mouth, and the tactical out applies more pressure. Officer Bonas ultimately determined the bite bar was the safest option for everyone.

After K-9 Dozer was off the bite, Officer Bonas was directed out of the immediate area so the suspect could be treated. Officer Bonas was then directed to put K-9 Dozer away, and stand by. Officer Bonas went back to add to the reason K-9 Dozer was utilized, which was there was only one shield on scene and it would have not provided sufficient cover for the number of Officers who would have been there. If the suspect was going to present lethal force again, Officer Dozer would rather K-9 Dozer get injured than Officers.

Crimes Committed/Suspect Actions/Enviornment

Officer Bonas remembered giving two loud verbal commands to the suspect, telling to crawl to him or he would get bit. Officer Bonas wanted the suspect to crawl away from the immediate lunge area where the firearm could be; once the suspect would have gotten to a certain point he would have been told to stop and put his hands on top of his head. Officer Bonas was aware of Officers Gutierrez, Officer Yanna, Officer Coyles, and Sgt. Miller being on scene during the incident.

Officer Bonas had not met the suspect in person prior to this incident, although as previously mentioned there was a BOLO regarding him and/or his prior actions. Regarding Officer Bonas' concern for his life, or other people's lives being in danger, during the pursuit there was thought there could be a crash, he didn't want the suspect to kill someone due to his driving, and there was the armed robberies he had committed. At the residence things calmed a little, then when it came over the radio the suspect had pointed a gun at them (Officers) Officer Bonas became fearful due to the suspect knowing they were there, he had an extremely violent criminal history, and he could start shooting rounds through the fence and through the houses. Officer Bonas was fearful for himself, along with the Officers and innocent people inside the residence. When shots were fired Officer Bonas was fearful due to his cover only being drywall, and because he was a K-9 handler he didn't have a firearm out. When K-9 Dozer was deployed Officer Bonas understood everyone was looking at him to get the suspect safely into custody, and to his knowledge the suspect was armed, he could be feigning injury, and laying in wait for Officers to move up so he could shoot. Officer Bonas thought the K-9 was the safest and quickest way to take the suspect into custody.

Officer Bonas remembered at least 3 shots being fired during the incident, approximately 3-5 shots. Officer Bonas denied altering the crime scene. Officer Bonas described the lighting as pretty dark, and the back yard was difficult to see in. There was a what looked like a rear house light pointing down at the area they were at, it was dark where the suspect was, and the house had a shadow casting onto the back yard possibly due to patrol vehicle lights being turned on when they arrived. Officer Bonas did not find that weather affected the incident.

Officer Bonas determined the suspect could have given up prior to the use of deadly force, and the use of K-9 Dozer. As they were moving up to take the suspect into custody, and he was told to drop the gun / say where the gun was, he could have responded that he didn't have a gun. Officer Bonas didn't hear anything from the suspect when he told him to call out or he was going to get bit. When Officer Bonas gave the command to bite, he heard the suspect make an aahhhh noise then say he didn't have a gun. Officer Bonas also determined the suspect could have

Narrative	

**Interview with Corporal Luis Gutierrez
October 1, 2024**

On October 1, 2024 at approximately 14:12 hours, Detective Paul Jagosh of the Boise Police Department and I interviewed Corporal Luis Gutierrez in reference to the Officer Involved Shooting that occurred on September 24, 2024. The interview took place at the law office of Attorney T. Guy Hallam Jr, located at 1516 W. Hays St. in Boise, Idaho. Corporal Gutierrez's attorney, Guy Hallam, was present during the entire interview. I advised the interview was being recorded, this was a criminal investigation, and Corporal Gutierrez was not required to speak with us. Corporal Gutierrez acknowledged he was aware he did not have to speak with us, however stated he wished to do so, and was doing so voluntarily. The interview was recorded using my digital recorder.

Body Camera Review:

Corporal Gutierrez and Mr. Hallam were provided Corporal Gutierrez's body camera footage prior to beginning the interview. Corporal Gutierrez confirmed he reviewed the video with Mr. Hallam, and the thumb drive containing the video was returned to me before the interview began. Neither Corporal Gutierrez, nor Mr. Hallam, had any questions, nor comments on the video.

Background Information:

Corporal Gutierrez' full legal name is Luis Gutierrez, and he is 48 years old. Corporal Gutierrez started with the Boise Police Department in December 2005. Corporal Gutierrez is currently the rank of Corporal, within the Patrol Division of the Boise Police Department, and has a Badge number of 721. Corporal Gutierrez' current shift is [REDACTED] Corporal Gutierrez was on his 2nd shift the week this incident occurred. Corporal Gutierrez' radio designator on the date of the incident was 2221. Corporal Gutierrez said he had been in assigned vehicle number 93.

Corporal Gutierrez has over 26 years of Law Enforcement experience. He started his career with the Ada County Sheriff's Office in July 1998, where he worked until December 2005. Corporal Gutierrez advised he is currently a Firearms Instructor, Basic BPD Patrol Academy Instructor, Less Lethal Instructor, and Chemical Munitions Instructor. Corporal Gutierrez also advised he currently serves on the BPD Special Operations Unit (SOU), and is a Sniper for the SOU.

Corporal Gutierrez advised he has attended multiple tactical training courses as specialized

training for the SOU.

Corporal Gutierrez' Weapon and Clothing used during the incident:

Corporal Gutierrez' weapon he used during the incident was a department issued LWRC (Land Warfare Rifle Company) M4 Carbine Rifle, chambered in .223 caliber. Corporal Gutierrez has qualified successfully with the above LWRC M4, and is current with his certification. The LWRC is equipped with a forward grip, sling keeper, Laser, flashlight, and Red Dot sight with iron back up sights (to the best of Corporal Gutierrez' recollection).

Corporal Gutierrez carries his LWRC with one round in the chamber, and 28 rounds in the 30 round capacity magazine inserted into the rifle (29 total rounds). Corporal Gutierrez was not carrying any additional magazines for the rifle at the time. Corporal Gutierrez carries department issued ammunition, which he believed the name of the manufacturer was Federal. Corporal Gutierrez advised he carries his rifle magazine in this manner (not at full capacity) as it is easier to seat the magazine on a closed bolt rifle, fewer feed issues with the magazine, for the longevity of the magazine spring, and the longevity of the magazine spine. Corporal Gutierrez advised both his firearm and ammunition used on the night of the incident are department issued.

Corporal Gutierrez additionally carries his issued duty pistol, which was found to have the magazine at full capacity (22 rounds), with one chambered round. Corporal Gutierrez also had 2 spare pistol magazines, each at full capacity (22 rounds each).

Corporal Gutierrez was wearing department issued duty pants, an external duty vest, department issued short sleeve soft uniform shirt with Boise Police patches on both shoulders, and a duty belt. Corporal Gutierrez described his shirt to have sewn on department patches on the shoulders. Corporal Gutierrez described his external vest to have a Boise Police Department soft badge, and his name on a Velcro strip, "POLICE" in a Velcro strip on the front, and a strip on the back with "POLICE" in large letters. Corporal Gutierrez was also wearing his radio and body camera. Corporal Gutierrez was wearing patrol style boots.

He advised the vehicle he was in was a marked Boise Police Department vehicle. Corporal Gutierrez responded to the incident with his overhead lights activated, however the vehicle was in front of the related address, and not in the immediate scene.

Prior Duties and Knowledge of the Incident area:

Corporal Gutierrez started his shift at 12:00 hours, and advised the call load was steady. Corporal

Gutierrez advised he had taken other calls, prior to being dispatched to this incident, and had just cleared from a battery report. Corporal Gutierrez said he had just cleared from interviewing the victim of the battery report at their work, and getting photos for that incident, when this incident began. Corporal Gutierrez advised he had been on the prior call for some time, and was nearing the end of his shift when this incident began.

Corporal Gutierrez' statement of the incident:

Corporal Gutierrez advised he had just cleared his prior call from follow-up with the victim. He was aware of the robbery call, but initially did not respond, due to the number of other officers assisting on the call. Corporal Gutierrez advised of hearing the radio traffic as to the nature of the incident, and some of the incident details about the suspect having "pointed a gun at both victims in the store". Corporal Gutierrez further advised upon hearing the description of the suspect, the description "matched a bulletin we had just received, that I had literally just read, probably minutes before that". Corporal Gutierrez advised he had not read the bulletin due to his prior call, but read it after clearing from the prior incident.

Corporal Gutierrez advised based on the description matching the suspect description from the bulletin, he knew the individual to be wanted for "multiple armed robberies, throughout the Valley". Corporal Gutierrez also advised "it appeared he was getting more and more brazen each time, and the frequency was starting to- becoming faster". Corporal Gutierrez advised the bulletin was for "officer safety reasons, because he was carrying a gun".

Corporal Gutierrez said although multiple officers responded to the Adam and Eve Store, several other responded to "the suspect's residence". He advised he was aware the suspect residence was approximately half a mile from the Adam and Eve Store. He said he started heading toward the call, even though he was supposed to be going off duty in a short amount of time. He believed the suspect may be apprehended before long, due to the number of officers on the call.

Corporal Gutierrez said he heard confirmation of who the suspect was, as well as the plan to intercept the suspect vehicle. He advised when he approached Chinden and Glenwood, he heard radio traffic of the suspect entering the apartment complex where his apartment was known to be located. Corporal Gutierrez said he heard the radio traffic of the suspect, Cook, not stopping in the complex and continuing back onto the roadway. Corporal Gutierrez further heard other officers attempt a traffic stop on Cook, and that he pulled into a CVS parking lot. Corporal Gutierrez said he thought "that would be the end of it".

Corporal Gutierrez said he then heard Cook had "taken off", and that a pursuit was started. Corporal Gutierrez advised what he recalled of the pursuit route, from the radio traffic he heard,

and that he attempted to get ahead of the pursuit and set up a spike strip. Corporal Gutierrez said he heard “extreme measures were authorized” over the radio, referring to a PIT being authorized on Cook’s vehicle. He advised he heard radio traffic advising of an attempted PIT, but that it was unsuccessful. He heard Cook’s continued direction of travel over radio traffic. Corporal Gutierrez advised of further radio traffic that Cook was “touching 90 miles an hour”. Corporal Gutierrez advised of Cook showing “his disregard for any of the innocent public of Boise”, and the he was “obviously not stopping for the police”. Corporal Gutierrez advised it showed Cook was “pretty committed”.

Corporal Gutierrez advised further of his and Cook’s routes. He advised he heard Lt Weir discontinue the pursuit over the radio, based on Cook being identified, and his current threat to the public. Corporal Gutierrez said he continued driving east, and heard that other units lost sight of him. Corporal Gutierrez advised a vehicle was called in for their speed into a subdivision, and had parked, so officers responded to the location.

Corporal Gutierrez said based on the information, he wanted to be in the area in case Cook fled the vehicle on foot. He said he then heard radio traffic that Cook was seen jumping a fence into the backyard of a residence. Corporal Gutierrez said he responded to the area, and heard radio traffic about a homeowner advising of their motion lights being tripped. He advised other units were setting up a perimeter at the location, and he responded to the address.

Corporal Gutierrez said based on his assignment to the SOU, he believed he would be utilized to set up, or take part in, a contact/arrest team for Cook. He advised he used his vehicle as a “southern perimeter” based on where he parked, with his overhead light activated.

Corporal Gutierrez said although Cook had been seen jumping into a backyard, he did not know where Cook currently was, and that he could be in any back yard in the area. Corporal Gutierrez noted that Cook was “armed” with a handgun, had “already pointed the gun a two people that night, and he’s done it previously”. He advised based on this knowledge, he cleared the immediate area along his route to the address other units had responded to, which he believed to be [REDACTED] Redway Rd.

Corporal Gutierrez advised when he arrived at the address, he observed several officers behind a patrol car, with spot lights lighting up the residence. He advised Sergeant Tadd Miller was the on scene supervisor. Sergeant Miller placed Corporal Gutierrez in charge of a React Team, and tasked him with securing the location. Corporal Gutierrez said he assigned Officer Coyles to lethal cover for Officer Yanna, who was assigned to less-lethal. Corporal Gutierrez said he assigned a new officer to be the “hands on” person for the arrest team (he did not know the officer’s name, but further described him), as well as giving Cook verbal commands. Corporal Gutierrez believed Officer Cam Johnson was on scene, either with his patrol K-9, or had his K-9

nearby.

Corporal Gutierrez advised after giving out the assignments, he was advised by Sergeant Miller that the family at the residence had not been evacuated, and was still in the home, upstairs. He advised based on the information, they formulated a team to go into the residence to secure the occupants. He advised as Cook's location was still not known for sure, they decided to secure the family in the residence, rather than move them and potentially further expose them to harm.

Corporal Gutierrez advised the React Team he had already made assignments with remained outside of the residence, and he gathered a new team to address the occupants of the residence. Corporal Gutierrez said he had Officer Carter (newer officer) go into the residence with him to notify the occupants, and secure the home.

Corporal Gutierrez described the home as a "split level" with some windows being at ground level with the back yard. He advised they began in the master bedroom, which had a good view of the backyard from the window. Corporal Gutierrez said it had a good view of the larger wooden shed and the smaller metal shed. Corporal Gutierrez said the homeowner told him the doors to the wooden shed were locked, however the doors to the metal shed could not be locked. Corporal Gutierrez noted the sheds could be a location Cook could hide behind, as well as some vegetation on the other side of the back lawn.

Corporal Gutierrez advised they made their way through the house securing doors and windows that were accessible to the back lawn, while Officer Carter remained in the master bedroom. Corporal Gutierrez noted a toddler in the next room, who was sleeping. Rather than wake him, they secured the room, and continued through the residence. Corporal Gutierrez also noted the mother of the boy was on the bathroom floor next to the boy's room. He advised she was very noticeably pregnant, and had a look of fear on her face, due to the circumstances.

Corporal Gutierrez advised of a sliding glass door in the kitchen, which was closed with a sheet as a curtain over it. Corporal Gutierrez said they moved to the lower level, and shut off lights. He advised they secured the lower level, and further observed the back yard, noting the sheds and vegetation he had prior concerns about.

Corporal Gutierrez said he advised over the radio of the areas of concern in the backyard, specifically the sheds and vegetation. He requested a drone to attempt to check the areas. Corporal Gutierrez advised once the home was secured, they held the area, since the last information they had was that the suspect had jumped the fence into the backyard and set off the motion lights. Corporal Gutierrez said it was confirmed with the homeowner that the motion lights had been activated in the backyard. Corporal Gutierrez said they awaited additional resources at that point. He said someone advised over the radio the potential for Cook to force entry into a residence and "take the family or the resident hostage because he was desperate".

Corporal Gutierrez again noted that Cook was “pretty desperate” and “armed”, and “could end up uh, you know, doing crazy things in his attempt to flee”.

Corporal Gutierrez advised he was contacted by phone by Officer Jayne, who is another member of the SOU team. He advised Officer Jayne asked if he was needed at the residence, which Corporal Gutierrez advised he could use him at the location. Corporal Gutierrez advised after clearing up the location with Officer Jayne, Officer Jayne responded to the residence with his trainee, Officer Riehle.

Corporal Gutierrez advised Officer Jayne of the home’s layout, and the backyard area. He advised they checked the back sliding glass door, as well as the garage area. Corporal Gutierrez advised they began communicating with the drone operator, Officer Papp, who Officer Jayne spoke with on the phone. He advised Officer Papp had stated he had cleared the back yard with the drone, however he had been at the wrong residence. He advised they further coordinated getting the drone to the location, while he and Officer Jayne stood in the living area of the residence.

Corporal Gutierrez advised during this time, he was contacted by Officer Coyles, who advised of a camera on the home, which appeared to cover the backyard. Corporal Gutierrez said he contacted the homeowner, who pulled the video from the camera. Corporal Gutierrez said the homeowner was able to pull up video of Cook entering the yard, and noted he was wearing a white t-shirt and blue shorts. Corporal Gutierrez said Cook was observed entering the shed on the video. He said he advised the information over the radio.

Corporal Gutierrez advised he could not recall if he heard radio traffic, or Officer Carter, but someone advised Cook was under a blue tarp in the shed. Corporal Gutierrez said he moved to the master bedroom window, to gain a better vantage point of the shed. Corporal Gutierrez said he advised he would hold the location, and requested a drone to help clear the area over the radio. He advised he then observed a drone, which he believed was operated by Officer Poole. Corporal Gutierrez said he coordinated with Officer Poole to use the drone to clear the shed. Corporal Gutierrez said he also coordinated a plan with Officer Jayne.

Corporal Gutierrez advised he felt they could “slow things down”, make a plan, and direct resources to address Cook, now that they had confirmed him to be in the back yard. He advised while this was occurring, “the suspect actually popped out, and he’s standing at the doorway to that shed”. He advised the drone was lighting the area at that point, and he could see there were no doors to the shed, “just like an open space to the front of that shed”. Corporal Gutierrez said it “wasn’t very long” and Cook “smashed the shit- the drone- into a million pieces”.

Corporal Gutierrez said Cook walked from the small shed to the big shed, and while doing so, turned his body to the right and started reaching behind his back. Corporal Gutierrez said he advised of Cook’s actions over the radio. He advised he believed Cook’s action to be “either

accessing his gun, or putting his gun away". Corporal Gutierrez thought of Cook's options for flight, and advised "that was still my number 1 priority, was to keep him out of the house, to keep the homeowners safe". Corporal Gutierrez advised he relocated to the garage. He advised Officer Jayne that they needed to "make sure this guy stays back there, and doesn't end up in the house". He further advised Officer Jayne "I'd rather get, you know, in a confrontation out- being outside, than him, you know, kicking his way in the garage door and us getting in a gunfight in these people's house".

Corporal Gutierrez said both Officer Jayne and Officer Riehle went with him into the garage. Corporal Gutierrez said he visually cleared the yard towards the shed Cook had gone to. He advised "it wasn't long I was standing there and I see the guy's arm come out, pointing right at me, and it scared the shit out of me". Corporal Gutierrez advised "if he had wanted to, he could've gotten a round off, and there's nothing I could have done about it". He further said "it would have been, at best, a tie...and umm, that really scared me". Corporal Gutierrez said he put the information of Cook's action out over the radio, advising "he's got a gun, he just pointed it right at me".

Corporal Gutierrez said he didn't know how much room Cook had behind the shed to maneuver, and wanted to check the area to make sure Cook was not circling the shed towards them. He advised he went down to a knee, and checked the area, before standing and again visually checking the area he had last seen Cook. Corporal Gutierrez said he began giving Cook verbal commands of "police, don't move", and Cook yelled "fuck you" in reply.

Corporal Gutierrez said based on Cook having "just pointed a gun at me", he was concerned Cook could "shoot me, or shoot Riehle, who was behind me". Corporal Gutierrez said he attempted to calm the situation, and attempted to verbally communicate with Cook. Corporal Gutierrez said he advised Cook "that he was under arrest", "that he needs to drop the gun", and he wasn't "doing any of those things". He advised he was hoping Cook would "realize that he's caught, and that he's just going to give up".

Corporal Gutierrez said when Cook was not complying, he attempted a "bluff", telling Cook "I'm gunna send my dog, and if the dog finds him it'll bite him". Corporal Gutierrez said Cook's reply was "clear as day to me", saying "you send that dog over here, I'm gunna shoot it too". Corporal Gutierrez advised his thought was "well shit, I hope we don't get a dog shot by sending it on somebody who's armed".

Corporal Gutierrez said he then told Cook "hey dude, just give it up, just drop the gun", "you don't need to do this", as well as downplaying the situation. He said he told Cook "you haven't done anything tonight", and Cook asked in reply "well why you chasing me". He replied to Cook "well that's just it, you ran so we're chasing you". He advised this was an attempt to get Cook to "give up", as well as repeatedly telling Cook to "drop the gun". Corporal Gutierrez said Cook

replied “fuck you”, and began saying “come here”. Corporal Gutierrez further stated “at some point he starts hitting the shed with the gun, and I can hear that sound, knocking”. He said he told Cook “so far nobody else is hurt, you can just give up”. Cook replied “fuck you”.

Corporal Gutierrez advised “the next thing I know, he comes out, he’s got both arms pointed right at me in, you know, a classic shooter’s stance at me”. Corporal Gutierrez said he then fired his rifle at Cook, believing he fired “5 to 6 rounds”. He advised Cook “fell down” after he fired at him.

Corporal Gutierrez said after he discharged his firearm at Cook, he began yelling commands for Cook to “drop the gun”, as he could “see something in his right hand moving around”. He advised Cook began “screaming and yelling”, and he was telling Cook “crawl to me so we can help you”. Cook yelled back that he “couldn’t move” in reply to Corporal Gutierrez. Corporal Gutierrez further advised “he never did comply”. Corporal Gutierrez went on to say “in all the times, you know, when we initially had the armed robbery, he could have given up, when they lit him up, he could have given up, and never did”. He further stated Cook had “many, many chances to comply and give up, and he never did”. Corporal Gutierrez said “at no point was he ever following directions or complying”.

Corporal Gutierrez advised Cook was laying on his back, with his feet away from Corporal Gutierrez, and his head towards them. He advised he heard others coming up behind him, advising “it was a good opportunity try to slow things down, now we wanted to gain some compliance, get him away from the gun”. Corporal Gutierrez advised Officer Yanna had a 40 mm Less Lethal, and was placed in the front of the officers. Sgt Miller was also present, and asked Officer Yanna to “engage (Cook) with the 40”. Corporal Gutierrez advised Officer Yanna made announcements, and then shot Cook with the 40 mm, striking Cook in the shoulder/arm area from what Corporal Gutierrez recalled. He said there was “no reactions” from Cook when the 40 mm was used.

Corporal Gutierrez advised they had moved a few feet into the back yard, but someone suggested moving back into the doorway area of the garage “if he does choose to roll over and start and start shooting...”. Corporal Gutierrez advised there was a decision made to utilize a Police K-9 to attempt to “drag him (Cook) away from the gun”. He advised Officer Bonas deployed his K-9, who bit Cook, and Officer Bonas began pulling him back to them. Corporal Gutierrez advised he did not initially know Officer Bonas had moved a distance to his left, as he was “so focused on the suspect”. Corporal Gutierrez said he was “waiting for him (Cook) to roll over and start shooting, cause at this point, why not”, referencing Cook’s desperation to elude capture. Corporal Gutierrez further advised Cook had “demonstrated clearly he wanted to hurt one of us, wanted us to hurt him... cause otherwise why do you run out, in a shooting stance, when the police are right there”.

Corporal Gutierrez said Officer Bonas notified others he needed an officer to him for cover, which

5. Date Occurred 09/24/2024	6. Time Occured 21:28	7. Route To File	8. Division CID

is when Corporal Gutierrez observed that Officer Bonas had moved away from him. Corporal Gutierrez shifted his position, and observed Cook “didn’t have anything in his hands at this point”. He advised other officers moved to Cook’s location, rolled him onto his stomach, and placed him in handcuffs. Corporal Gutierrez advised he went to the shed, to confirm there was nobody else inside.

Corporal Gutierrez said he returned to the other officers who were with Cook, and they “started treating him, getting him medical aid”. He knew Ada County Paramedics and Boise Fire personnel would need access and direction to Cook’s location, so he went to the gate for the back yard and opened it. He advised medical personnel came in and began tending to Cook.

Corporal Gutierrez said he forgot to mention “after he had pointed the gun at me the first time, and it scared the shit out of me, I just ducked back and told whoever was behind me ‘he just pointed a gun at me’”. He advised at that time, he continued to give commands, telling Cook to “drop the gun”. Corporal Gutierrez said when Cook emerged from behind the shed in the “shooting stance” and pointing at Corporal Gutierrez with his arms out “I swear I heard a gunshot”. He advised he didn’t know “if that was my first shot, or if it was him shooting, or possibly even Jayne, but I swear I could hear a gunshot before I’m actually pulling the trigger”. He went on to say it was “weird”, since he did not know if it was “mine, or the suspect’s, or Jayne’s”.

Corporal Gutierrez said when he was debriefed by a supervisor at the scene, he was asked “well, did he shoot at you”. Corporal Gutierrez said his immediate reply was “well, yeah, I think he did, I remember hearing a pop”. He advised he was later told to turn off his camera by Sergeant Miller, after Cook had been taken to the ambulance.

Corporal Gutierrez said he did not attempt to alter anything in the scene, and did not manipulate, nor remove any items from the scene. Corporal Gutierrez said he did open the side gate to the backyard. Corporal Gutierrez also advised he had gotten burned on his arm from “brass” (referring to a hot shell casing), and shook his arm due to it to get the brass off of him. Corporal Gutierrez advised the only other thing he did was “put my weapon back on safe, I didn’t ever take it off, I just kept it slung on me”. He said the laser was still on when CITF Investigators took the rifle for evidence.

Corporal Gutierrez said he recalled Officer Jayne, Officer Riehle, Officer Carter, and K-9 Officer Bonas being present on scene. Corporal Gutierrez further advised of Officer Noel Major and Officer Cam Johnson being present, but he could not recall everyone that was on scene. Corporal Gutierrez also advised he believed Officer Jayne had gone to the upstairs of the residence, and fired his weapon from the upstairs area. Corporal Gutierrez said Officer Jayne later told him he was unable to get around Corporal Gutierrez in the garage doorway, so he went upstairs to provide further cover. He advised Officer Jayne told him this after the shooting had

taken place, before their cameras were turned off. Officer Riehle remained with Corporal Gutierrez.

Crimes Committed:

Corporal Gutierrez said he believed, based on information from the radio traffic he heard, and his knowledge of the dispatched incident, they had probable cause to arrest Cook for aggravated assault (2 counts), felony eluding, armed robbery, aggravated assault on Law Enforcement, endangering the public/reckless driving, as well as prior armed robberies.

I also followed up with Corporal Gutierrez on the crimes he was aware of Cook committing. I asked about the aggravated assaults on the employees at Adam and Eve, and the severity of the crime. Corporal Gutierrez responded "it's a felony, it's you know, it's showing that- it's a trigger pull away from a homicide". Corporal Gutierrez advised Cook "could've killed those people just by pulling the trigger" and that he "had a gun pointed at their face". Corporal Gutierrez also spoke on the felony eluding, advising of Cook's "reckless disregard for the public, he was over-well over the speed limit" and that he was "putting the lives of the public in danger". He also added "the car's a, you know, a moving missile at that point".

I also asked Corporal Gutierrez about the armed robbery, both on the night of this incident, and the prior incident he was aware of. Corporal Gutierrez advised he was aware Cook had been armed with "a handgun", and that "he displayed it, had pointed it at the victims of those robberies as well". He advised he believed in one of the prior incidents, Cook had displayed the handgun to a victim, showing them he had the gun "in his waistband".

Officer Mindset and Location

Corporal Gutierrez advised he was not aware of other crimes in that general area occurring that night. Corporal Gutierrez advised he did not know Cook, to his knowledge, prior to this incident. Corporal Gutierrez advised he could not recall any other incidents where he and Cook would have had any interactions prior to this.

I asked Corporal Gutierrez about the things that made him feel threatened during this incident. Corporal Gutierrez advised he "knew he (Cook) was armed, and that he had already pointed a gun at two people that night". Corporal Gutierrez went on to say that Cook "was choosing to disregard any lawful orders that the police had given him at the scene where they first stopped him, you know the police lights and everything". He advised Cook was "showing that he was not

5. Date Occurred 09/24/2024	6. Time Occured 21:28	7. Route To File	8. Division CID

going to give up". Corporal Gutierrez then advised "specifically when he pointed it at me the first time, I mean, that scared the crap out of me, because I thought, you know, if he had pulled the trigger, there was nothing I could do about it at the time...I was got". Corporal Gutierrez also advised when he told Cook he was going to send his dog, and Cook advised "you send that dog back here, I'm gunna shoot it too". Corporal Gutierrez said the final thing that made him feel threatened was when Cook "came out in a shooting stance, which looked like something I would do, coming out moving laterally while putting both hands out in front of me". He said he did a self-check immediately following the shooting, to make sure he did not have any gunshot wounds, or rounds to equipment or his vest.

I asked Corporal Gutierrez about having any thoughts on his life, the life of other officers, or citizens at the scene during the incident. Corporal Gutierrez advised "definitely yeah, myself, uh you know it scared me, cause like I said a couple times if- if he'd have wanted to pull the trigger, and got lucky, there's nothing I could do about it at that point, he had me". Corporal Gutierrez also added "the whole point of me going down there was to prevent him from being able to harm that family". He went on to say "they were the ones I was concerned about the most". Corporal Gutierrez also advised of asking his chief to check on the family whose house they had been in. He advised the chief later advised him the family was okay and "grateful".

Corporal Gutierrez said he had second guessed himself afterward, wondering if there was more he could have done to prevent the incident. He advised he came to the conclusion Cook "unfortunately I guess he made the choices he made".

Corporal Gutierrez said the environment and conditions the night of this incident were dark, and there were no lights on. He further advised the only lights on in the back yard were from the drones, or from his weapon light. He did advise the limited amount of light made it more difficult to see things, but "in this case, I don't know that it would've changed anything for me". Corporal Gutierrez explained "the things I said and the things that he did would've been the same with or without light". He described the weather as warm, in the 70's, and did not affect the outcome of this incident.

Suspect Actions:

Corporal Gutierrez said Cook did not stop, did not give up, and refused to comply with any orders given throughout the incident.

I asked Corporal Gutierrez, after he arrived on scene, if there was any opportunity for Cook to have given up, or stopped this incident from occurring. Corporal Gutierrez replied "dozens, from the get go". Corporal Gutierrez advised Cook could have given up "when he saw that first police

car in the apartment complex, he could've just said 'hey, you got me' and surrendered to them". He also identified that Cook could have ended the situation during the traffic stop at CVS, and "any time after that, while he was being pursued, he could have given up". Corporal Gutierrez advised Cook could have given up after the PIT maneuver was performed.

Corporal Gutierrez said Cook also could have given up "from the first time I gave him commands in the backyard was when he smashed the drone, I yelled at him 'Police, don't move'". Corporal Gutierrez described Cook as being surprised at that time, and looking around for the source of the command. Corporal Gutierrez also advised "instead of coming out pointing it at me, he could have just given up" and "come out with his hands up" in compliance with the commands.

Corporal Gutierrez also said there were "multiple times" he told Cook to "drop the gun and just give up" Cook "could've". He said when he told Cook "I'm gunna send my dog", Cook could've given up, but "instead he said he's gunna shoot the dog". Corporal Gutierrez also advised "anytime before, when he started banging on the wall with his gun, to when he actually came out". Corporal Gutierrez added "I mean I expected him to just throw it and yell 'ok', and just walk out with his hands up", and "then he came out pointing at me".

Follow-up and Clarification

I asked Corporal Gutierrez clarification on Cook emerging from behind the shed the first time. He confirmed that Cook only had one arm raised straight out in front of him the first time, and it was not that time he believed Cook had shot at him. Corporal Gutierrez further advised "he just did it, I don't know why, just to scare me, just to show me that he had a gun, just I don't know". Corporal Gutierrez went on to say "I flinched, and ducked in, cause as quick as he was there, he was gone". Corporal Gutierrez said "I got scared, I mean literally got scared and ducked into the the door frame, and then popped back out". Corporal Gutierrez said he then attempted to "gain rapport with him" and "tried to get him to give up". He said "to me it was like 5 or 6 minutes that I was negotiating with him, but it turns out it wasn't that long".

I also asked Corporal Gutierrez for clarification on Cook having a "shooting stance". Corporal Gutierrez further described this, advising "his body was like directly toward me, squared up, both arms out in front of him, and it looked to me like he was holding onto something in front, whatever it was that he had just rapped on the side of the- the shed, right before coming out". He went on to say "it was almost like, it was to warn me and let me know 'hey I've got this in my hand, and I'm coming out with it'".

Corporal Gutierrez could not recall how many times Cook was given commands throughout the encounter, but advised "at least ten times I told him to drop the gun". He again advised he told Cook "I was gunna send my dog, anything I could do to get him to just give up". Corporal

Gutierrez characterized his voice as “loud”, and that he was “yelling as loud as I could, without sounding like I was, you know, stressed out or anything” when delivering the commands/warnings. Corporal Gutierrez said he used a “loud, commanding voice” to get Cook to “give up”.

Corporal Gutierrez again advised he believed he had fired 5-6 shots, and that he had been in the doorway of the garage.

Detective Jagosh asked Corporal Gutierrez further information about Cook banging the shed with the gun. Corporal Gutierrez advised “so after he pointed it at me the first time, and I ducked back and tell them ‘he just pointed a gun at me’” he began giving Cook commands. He said he told Cook to “just drop the gun”, and that he “doesn’t need to do this”, and just attempted to get Cook to give up. He said he told Cook “I’m gunna send my dog”, and Cook told him “if that dog comes back here, I’ll shoot it too”. Corporal Gutierrez said Cook was then “challenging me, like ‘come out here, come on’”. He believed Cook also said something like “let me go, or to ‘get back’”. Corporal Gutierrez said “when nothing changes he just rapped on the- the wall of the shed, the wooden shed that he was hiding behind”.

Detective Jagosh also asked when Corporal Gutierrez told Cook to drop his gun, and Cook did not reply that he did not have a gun, what it meant to Corporal Gutierrez’s understanding of the situation. He advised it meant “that he does have a gun, and that he is not wanting to get rid of it”. Corporal Gutierrez further advised “somebody who doesn’t have a gun would just say ‘I don’t have one’”.

Mr. Hallam then asked Corporal Gutierrez if Cook pointing the gun at him was “unexpected”. Corporal Gutierrez advised “100 percent, yeah, I- I knew he was armed, I knew that he was back there” but that he “certainly didn’t expect that my first, like confirmation of where he was was going to be him coming around the corner pointing a gun at me”. Mr. Hallam also confirmed that other officers were behind where Corporal Gutierrez was, when Cook made this overt action. Corporal Gutierrez “for sure Riehle and Jayne were, 100 percent, I know they were”. Mr. Hallam also asked about the family in the house being in the direction Cook “was pointing the gun”, to which Corporal Gutierrez replied “definitely”. Mr. Hallam also asked when Cook came out the second time pointing the gun, if there were still officers behind Corporal Gutierrez, to which he replied “definitely”. Mr. Hallam also confirmed the family was still in the house, above the officers, to which Corporal Gutierrez again replied “definitely”.

Mr. Hallam also asked if Cook ever gave any indication during this incident “that he was going to comply”, and Corporal Gutierrez replied “never”. Mr. Hallam also asked if Cook was compliant at any time before being placed in handcuffs, to which Corporal Gutierrez replied “never, not once, not even after he was shot”. Mr. Hallam asked Corporal Gutierrez if it was fair to say the entire

time Corporal Gutierrez was attempting to gain Cook's compliance, Cook was responding with threats towards Corporal Gutierrez and towards the dog, Corporal Gutierrez advised "yes".

I then asked Corporal Gutierrez about his contact with Cook, and his prior estimation that 5-6 minutes had elapsed during the time he was attempting to negotiate with Cook. I asked Corporal Gutierrez if he knew how long actually elapsed, and he advised "probably closer to like 2 or 3". I asked if it was a rapidly evolving situation, and Corporal Gutierrez advised "very, yeah, way faster, and like the- the blocks of time in between things was way way faster than what my mind uh remembered it". Corporal Gutierrez added "like from the time where he bangs on the- the wall, I thought there was like some period of time that goes by, but it was pretty much right after that is when he popped out".

As we had no additional follow-up questions, at approximately 15:33 hours, I stopped the recording, and concluded the interview.

Additional Follow-up Questions

I was advised on October 23, 2024 of an audio recording from Ada County Dispatch, in which Corporal Gutierrez was identified as stating "...he has a gun in his waistband behind his back..." over the radio. I contacted Mr. Hallam in reference to this audio recording, and requested a follow-up contact with Corporal Gutierrez. Mr. Hallam requested the recording, so I forwarded the 24 second clip to him via email. Mr. Hallam advised he would contact Corporal Gutierrez and let me know of a date for a follow-up interview.

Also of note, I advised Mr. Hallam that a phone interview had been approved, if he and Corporal Gutierrez would prefer to alleviate travel and schedule issues. Mr. Hallam later advised a phone interview would be preferable. I also contacted Sgt Kendall with Boise Police, to confirm if there would be a Boise Police Detective needed for any phone interview. Sgt Kendall advised Boise Police did not need to have a detective on the call, if Corporal Gutierrez and Mr. Hallam were willing to conduct it without a Boise Police representative on the call. Mr. Hallam later confirmed they would be fine to proceed with a call without a Boise Police representative.

On November 6, 2024 I received a call from Corporal Gutierrez on my desk phone at approximately 13:30 hours. I was advised Mr. Hallam was aware of the call but would not be on the call. I reminded Corporal Gutierrez the follow-up interview was being recorded, this was a criminal investigation, and Corporal Gutierrez was not required to speak with me. Corporal Gutierrez acknowledged he was aware he did not have to speak with me, however stated he wished to do so, and was doing so voluntarily. The interview was recorded using my digital recorder.

Sgt. Chris Figal	3128	11/12/2024 16:17	

**Meridian Police Department
Supplemental Report**

RD: 700 DR# 2024-6783

1. Incident Topic AGGRAVATED ASSAULT CITF ASSIST AGENCY		2. Subject/Victim's Name 	
3. Address [---PRIVATE---] , BOISE		4. Phone 	
5. Date Occurred 09/24/2024	6. Time Occured 21:28	7. Route To File	8. Division CID

I confirmed with Corporal Gutierrez that he had received a copy of the dispatch recording from Mr. Hallam, which he confirmed he had received and reviewed. Corporal Gutierrez confirmed that he was the one on the recording, and had advised Cook "has a gun in his waistband, behind his back". I referenced Corporal Gutierrez's prior interview with me, and page 6 of this report, which Corporal Gutierrez had also previously received and reviewed. In the selection, Corporal Gutierrez had addressed this potential situation. As recorded in this report, Corporal Gutierrez stated *"Cook walked from the small shed to the big shed, and while doing so, turned his body to the right and started reaching behind his back. Corporal Gutierrez said he advised of Cook's actions over the radio. He advised he believed Cook's action to be "either accessing his gun, or putting his gun away"."*

I confirmed that this was in reference to the time period the dispatch audio recording took place, which Corporal Gutierrez advised it was. I asked Corporal Gutierrez if he had observed Cook in possession of a weapon at that time, or if he had advised the information on the audio based on Cook's movements and motions. Corporal Gutierrez advised "based on his motions, I believed him to have a weapon, and since he was going out of my field of view, I was just putting that out to warn any officers that may have been to the south that if he jumps that fence, that he was just accessing or putting it away, cause I never did see what it was that he had in his hand". Corporal Gutierrez went on to say "I wanted them to be...careful because he was uh you know, potentially accessing something".

Corporal Gutierrez then advised he did not have time to put all of his thoughts and information of his observations over the radio, and that he was just "delivering a message that 'hey be careful because he could be armed'". Corporal Gutierrez confirmed that he had not actually observed a weapon at the time of the transmission, and that the radio traffic was based on Cook's actions and furtive movements. Corporal Gutierrez said he could not recall if he had seen any object in Cook's hand at that time, and that the statement was based on Cook's furtive movement. Corporal Gutierrez noted the movement, and said "you don't need to put your hand behind your back in your waistband like that if you're just walking from point A to B". Corporal Gutierrez confirmed that he made the statement over the radio to be brief with his radio traffic but convey the seriousness of the furtive movements he observed Cook making.

At that time, I had no further questions, and I advised Corporal Gutierrez to have Mr. Hallam contact me with any other questions or information. We ended the phone interview at approximately 13:35 hours, and I stopped the recording.

	4.00									\$0.00

Narrative	

On 11/07/2024, I spoke with Detective Wear about evidence that was still showing in his queue. Detective Wear was able to submit the firearms into evidence. I had recently spoke with IT about a potential glitch. In order to not duplicate items I rebooked the following:

JOHN JAYNE MAG-FULL
JOHN JAYNE PARTIAL MAG
223 ROUND GUTIERREZ
AR MAG WITH 22 ROUNDS GUTIERREZ

FORENSIC VOLATILES ANALYSIS REPORT

Case Agency(s): MERIDIAN POLICE DEPARTMENT	Agency Case No(s).: 24-6783	Laboratory Case No.: P2024-3144
Date(s) of Offense: 09/24/2024	Investigating Officer(s): Steven Hansen	Report No.: 1
Date Evidence Accepted: 10/04/2024	Analyst: Tamara Salazar	
Case Name(s): Suspect - ADAM LEE COOK		

EVIDENCE DESCRIPTION:

Item 1: Sealed Blood Collection Kit: containing 5 hospital tubes of various colored tops. Tube A, labeled "Doe, Tacca Perovskia", was analyzed.

CONCLUSIONS AND INTERPRETATIONS:

Item 1:

Ethyl Alcohol: **None Detected**

Tube(s) used for blood collection do not comply with IDAPA 11.03.01.

DISPOSITION OF EVIDENCE:

Toxicology has been requested on the above sample(s) and will be reported separately. The evidence will be returned to the submitting agency at the conclusion of all testing.

REMARKS:

The descriptions, conclusions and interpretations stated above apply to the sample(s) as received.

I declare under penalty of perjury pursuant to the law of the State of Idaho that the foregoing is true and correct.

*Toxicology Report Supplement***ROUTINE DRUG SCREEN:**

A targeted LCMS-MS screen was performed on the sample for the following compounds:

6-MAM, 7-aminoclonazepam, 7-aminoflunitrazepam, 9-Hydroxyrisperidone, 10-Hydroxycarbamazepine, Acetyl Fentanyl, Acetyl Norfentanyl, a-hydroxyalprazolam, alpha-hydroxymidazolam, alpha-PHP, alpha-PVP, Alprazolam, Amitriptyline/Maprotiline, Amphetamine, Benzoylcegonine, Bromazolam, Brompheniramine, Buprenorphine, Bupropion, Carbamazepine, Carisoprodol, Chlordiazepoxide, Chlorpheniramine, Chlorpromazine, Citalopram, Clomipramine, Clonazepam, Clonazepam, Clozapine, Cocaethylene, Cocaine, Codeine, Cyclobenzaprine, Desipramine, Dextromethorphan, Dextropropoxyphene, Diazepam, Dihydrocodeine, Diphenhydramine, Doxepin, Doxylamine, Duloxetine, EDDP, Estazolam, Etizolam, Fentanyl, Flualprazolam, Flunitrazepam, Fluorofentanyl, Fluoxetine, Flurazepam, Hydrocodone, Hydromorphone, Hydroxyzine, Imipramine, Ketamine, Lamotrigine, Levamisole, Levetiracetam, Lorazepam, MDA, MDEA, MDMA, Meperidine, Meprobamate, Methocarbamol, Methadone, Methamphetamine, Methylphenidate, Metoprolol, Midazolam, Mirtazapine, Mitragynine, Morphine, Norbuprenorphine, Nordiazepam, Norfentanyl, Norhydrocodone, Norketamine, Normeperidine, Noroxycodone, Nortriptyline, N,N-dimethyltryptamine (DMT), O-desmethyl-tramadol, O-desmethylvenlafaxine, Olanzapine, Oxazepam, Oxycodone, Oxymorphone, Paroxetine, Phenazepam, Phentermine, Phencyclidine, Phenytoin, Primidone, Promethazine, Pseudoephedrine, Quetiapine, Risperidone, Sertraline, Sufentanil, Tapentadol, Temazepam, Topiramate, Tramadol, Trazodone, Venlafaxine, Xylazine, Zaleplon, Zolpidem, Zopiclone, THC, Hydroxy-THC and Carboxy-THC.

COMMENTS:

1. Drugs are confirmed using GC/MS or LC-MS/MS.
2. Only drugs and concentrations listed on the laboratory report itself are appropriate to be used for interpretation purposes. Any drugs or values included in the notes but not included on the report are used by laboratory personnel to make determinations/reach conclusions within the confines of the methods.
3. A negative finding for a specific drug does not necessarily indicate that the specific drug was not present; only that it was not confirmed during our analysis. This may be due to several reasons including: the drug was not present in the sample, the drug is not included in our testing panel, or the drug was present at a response level that is below our reporting limit.
4. Due to the variable pharmacological factors which affect drug metabolism (drug dose, route of administration, and rates of metabolism and excretion), and the possibility of additive effects of drugs, determination of time since use and the level of impairment cannot be established solely based on drug concentrations, therapeutic ranges, or the presence of a drug in the sample alone. For DUI, the blood or urine results should be considered in conjunction with observations of impairment such as driving pattern, sobriety tests, and DRE evaluations.
5. All results are generated within the confines of the current toxicology methods. The current and archived methods are available on our website at: <https://isp.idaho.gov/forensics/analytical-methods/>
6. Quality data associated with this testing is stored in a central electronic file in the laboratory and uploaded to our website at the beginning of each month: <https://isp.idaho.gov/forensics/toxicology/>. This data is organized by analytical method number and worklist number, both of which can be found in the analytical case notes. If the batch data is needed before it has been uploaded at the beginning of the next month following the analysis, or you need assistance locating the data, please contact the lab.

EACH PERSON HANDLING EVIDENCE MUST KEEP THAT EVIDENCE IN THEIR PRESENCE AT ALL TIMES. EACH TIME THE EVIDENCE CHANGES HANDS, THE CHAIN OF EVIDENCE FORM MUST BE UPDATED.

Narrative	

On November 20, 2024 I completed an affidavit for a search warrant concerning the medical records for Adam Cook at Saint Alphonsus Medical Center to the Ada County Prosecuting Attorney's Office, via their email acposearchwarrants@adacounty.id.gov.

November 21, 2024

I was contacted by PA Whitney Faulkner, who conducted a telephonic meeting with Judge Kibodeaux and I. Judge Kibodeaux subsequently granted the application for the search warrant. I received an electronic copy of the signed search warrant from PA Faulkner. I served a copy of the search warrant (printed) on the Medical Records Division staff, and provided my business card and a copy of my Police ID.

November 27, 2024

As I had not received any correspondence, nor further information in compliance with the search warrant, I contact Saint Alphonsus Medical Center. I spoke with [REDACTED] in the Medical Records Division, who advised the request for the records was being processed. [REDACTED] explained a third party company (MRO) processes their medical records. [REDACTED] provided a phone number of [REDACTED] for MRO. She also provided their internal request ID number of [REDACTED], so the request for records could be expedited. I contacted MRO and spoke with [REDACTED] who advised she would place a note in the file to expedite the records request. It was confirmed that the records were being processed to be sent via email to my department email at rrhoades@meridiancity.org.

December 4, 2024

I received the medical records for Adam Cook via online document, in accordance with the search warrant I had served on Saint Alphonsus Medical Center on November 21st. I then downloaded the PDF file, and added it to this supplement as a PDF document.

I filled out a return of service on the search warrant, and submitted it to the Ada County Prosecuting Attorney's Office, via their email acposearchwarrants@adacounty.id.gov. The PDF document was 1,358 pages of information.

No further action at this time.

Narrative:

On 09/24/2024 at 22:03 hours, I responded to the area of W. Ustick Rd. and N. Redway Rd., Boise, Ada County, Idaho to assist the Boise Police Department on an armed robbery which just occurred.

I arrived on scene and deployed my agency issued UAS ([REDACTED] drone) to assist in the search of the suspect. During my aerial search, units were informed they had a possible sighting of the suspect in the backyard of [REDACTED] N. Redway Rd. I maneuvered my UAS to the southwest corner of the backyard and using my UAS's thermal capabilities, I observed a subject standing next to a shed. I began recording using the onboard recording capabilities of the UAS. I maintained a visual of the subject while providing updates to police units in the area. After several minutes watching the subject moving back and forth next to the shed, I then observed the subject quickly step away from the shed and take what appeared to me as a shooting stance. The subject planted both feet and extended both arms, pointing them in the direction of the house. I then heard several gunshots come from the backyard of [REDACTED] N. Redway Rd. As soon as I heard the gunshots, I observed the subject drop to the ground.

I descended my UAS and zoomed the camera in to obtain a better view of the subject. I checked both hands of the subject, not observing anything in his hands. I observed the subject continue to move his arms and head while laying on his back. A short time later, I observed a patrol K-9 approached the subject, grabbing him with his mouth and begin dragging him backwards towards the house. Several officers approached the subject and begin rendering aid.

Once paramedics arrived on scene and took over aid, I stopped recording and landed my UAS.

I later uploaded the UAS's video footage to ada.evidence.com titled Cook, Adam- Boise OIS.

No further action taken.

Narrative	

Narrative:

On September 24th, 2024, at approximately 2212 hours, I responded code 3, lights and siren, from Kuna, Ada County, Idaho to assist Boise Police with my Unmanned Aircraft Systems (UAS). I responded to the intersection of W Ustick Rd and N Redway Rd, Boise, Ada County, Idaho. Boise Police had requested UAS assistance in response to an armed robbery that had turned into a vehicle pursuit with the suspect, later identified as Adam Cook, fleeing on foot in this area. I arrived on scene at approximately 2226 hours and launched my issued UAS.

I began searching in the yard of the residence of [REDACTED] N Mckinney St, which was one street to the west of N Redway Rd. It was reported branches were being broken at the residence. As I was searching the area, I heard a Boise Police Officer say a UAS they had launched believed Adam was under a tarp in a shed at [REDACTED] N Redway Rd. I then heard a Boise Police Officer say Adam had knocked down their drone. I repositioned my UAS to get a visual of the [REDACTED] N Redway residence and began recording. As I got a visual on the residence, I could see a heat signature resembling a human walking around a shed on the south west corner of the residence. I switched between FLIR and my regular camera and confirmed it was a person. I observed Adam move around the shed in the back of the residence.

After observing Adam moving around the shed, I observed Adam step out from behind the shed and take a shooting stance in the direction of Officers. Adam extended both his arms, took what appeared to be an athletic stance, and pointed in towards the residence where Officers were. As I was observing this I heard the audible sounds of gunshots go off. I observed Adam go to the ground and could see his white shirt turning red from blood. I continued to monitor Adam as a patrol K-9 took control of Adam and pulled him back. Officers then took Adam into custody and began rendering aid. I kept visual of Adam until my battery on my UAS was at a level I needed to land.

I uploaded the UAS video of the incident to Evidence.com under this case number. In reviewing the UAS video, an item can be seen falling from Adam's hands as he goes down to the ground after being shot. It is unclear what exactly Adam had in his hands, but what looks like a stick could be seen in the ground by his arm.

Narrative	

Initial Information / Contact:

On 9/24/24 at 11:36 pm, I received a phone call from Sgt. Bill Weires regarding an officer involved shooting. Sgt. Weires asked me to respond to the Meridian Police Department to assist with the Critical Incident Task Force (CITF) investigation. The involved officers were with the Boise Police Department. The lead investigating agency was the Meridian Police Department. I was assigned to assist with First Contact duties.

At 12:00 am (9/25/24), I arrived at the Meridian Police Department. Detective Craig Fawley of the Meridian Police Department was the lead for First Contact.

Officer Luis Gutierrez, Boise Police Department:

On 9/25/24 at 12:35 am, Detective Isaiah Wear (MPD) and I met with Officer Luis Gutierrez in a soft interview room off the lobby of the Meridian Police Department. Boise Police Detective Paul Jagosh was also present.

Officer Gutierrez said he used his rifle during the shooting and did not fire his pistol. Gutierrez did not have any spare magazines for the rifle with him. I understood that Gutierrez had 28 rounds in the magazine of the rifle, and 1 round in the chamber, for a total of 29 rounds. His pistol was loaded with 22 rounds in the magazine, plus 1 round in the chamber, for a total of 23 rounds. Gutierrez carried two spare pistol magazines with 22 rounds each. He did not have a backup firearm. He did not have any biological matter on his uniform.

Detective Wear photographed Officer Guitierrez. Detective Paul Jagosh (BPD) collected the on-body video camera. We collected the rifle, pistol, and spare pistol magazines, and took those items to another room for photographs and round count. The rifle had 22 rounds in the magazine, and 1 round in the chamber, for a total of 23 rounds. Based on a load of 29 rounds, we concluded he fired 6 rounds. The pistol was a Glock, 9mm, with 22 rounds in the magazine and 1 round in the chamber, for a total of 23 rounds. The two spare magazines were loaded with 22 rounds each.

We returned the Glock to Officer Gutierrez, and the rifle was packaged as evidence.

No further.

Narrative

Narrative:

On 09/24/2024, at approximately 2339 hours, I was contacted by Sergeant Weires to respond to a Critical Incident Task Force (CITF) investigation regarding an officer involved shooting with the Boise Police Department at [REDACTED] N Redway Road, Boise, Ada County, Idaho. I was instructed to meet at the Meridian Police Department where I was given my assignment to try to locate witnesses to the shooting.

I met with [REDACTED], who was one of the homeowners of [REDACTED] N Redway Road. [REDACTED] was at the intersection of N Cole Road and W Ustick Road with a victim/witness coordinator with Boise Police, and her husband ([REDACTED]). Detective K. Day took [REDACTED] statement. I spoke with [REDACTED] and took her paraphrased statement. [REDACTED] stated she was shaken up from the incident and could not remember every detail of what happened, but said she would try her best to remember. The statement was captured on my On-Body Video

(OBV) and uploaded to evidence.com, see below for more details:

STATEMENT OF [REDACTED] (WITNESS):

[REDACTED] stated on 09/24/2024, sometime between 2100 hours and 2200 hours, she was at home with [REDACTED] and their [REDACTED] son. [REDACTED] said she was sewing in her kitchen and then went to her bedroom to get ready for bed. She heard leaves crunching in the backyard and told [REDACTED] to put a pin in their sliding glass door.

Shortly after that, [REDACTED] said she heard Boise Police Officers at their front door. [REDACTED] let the officers inside, and they went into a bedroom next to the one [REDACTED] was in. [REDACTED] stayed in her bedroom and did not go out to see the officers. [REDACTED] heard the Boise PD officers saying there was a suspect in her backyard, and he had a gun in his waistband. She then heard officers giving commands to the suspect saying, "Don't move, Boise Police." She said she could hear the suspect saying, "Fuck," and "Why are you arresting me." [REDACTED] said she believed the suspect was under the influence of a controlled substance based on the way he was yelling at the Boise Police Officers. [REDACTED] then heard gunshots and they hunkered down in their bathroom until officers told them it was safe to leave.

On 09/25/2024, at approximately 1400 hours, I drove to [REDACTED] N Redway Road to conduct witness checks with other detectives. I knocked on the door to [REDACTED] Redway Road. There was a male who was remodeling the house inside who gave me the homeowners phone number. The homeowner was [REDACTED]. I called [REDACTED] and took her paraphrased statement, see below for more details:

STATEMENT OF [REDACTED] (WITNESS):

Admin			
Officer(s) Reporting Daniel Hawksley	Ada No. 6444		
Approved Supervisor WILLIAM WEIRES	Ada No. 5176	Approved Date 10/01/2024 09:50

1. Incident Topic AGENCY ASSIST		2. Subject/Victim's Name	
3. Address [REDACTED] N REDWAY RD , BOISE		4. Phone	
5. Date Occurred 09/24/2024	6. Time Occured 22:03	7. Route To ADA FELONY PA, PERSON CRIMES	8. Division PERSON CRIMES

On 09/24/2024, sometime between 2100 hours and 2200 hours, [REDACTED] said she was at home with her husband and children. She said she heard police out front, and they told her family to leave, so they did. [REDACTED] said they left before the shooting took place. There was a ring doorbell camera on [REDACTED] front door. [REDACTED] said she checked the camera footage, and it did not capture the suspect.

After this, I knocked on the door to [REDACTED] N Redway Road. I spoke with the homeowner, [REDACTED] [REDACTED] said he was home at the time of the incident, and that his ring doorbell camera captured the suspect walking across his grass. [REDACTED] sent me the footage and I viewed it. The footage was in black and white. It showed that on 09/24/2024, at 2151 hours, a male matching the description of Adam Cook (suspect) walking across [REDACTED] front yard grass. The video is approximately 5 seconds and shows the male for about 2 seconds. The male was wearing a t-shirt and shorts but due to the black and white footage I was unable to determine what color the clothing was. After viewing the footage I took [REDACTED] paraphrased statement, see below for more details:

STATEMENT OF [REDACTED] (WITNESS):

On 09/24/2024, at approximately 2151 hours, [REDACTED] said he received a notification from his Ring app that someone walked across the front yard of his house. [REDACTED] went outside and several Boise Police Officers told him to stay inside. [REDACTED] stayed inside and shortly after heard gunshots. He hunkered down on the floor for approximately 30 minutes. [REDACTED] said he did not go outside to see what happened.

After speaking with [REDACTED] I knocked on the front door of [REDACTED] Redway Road. I spoke to the homeowner, [REDACTED]. [REDACTED] told me she was not home at the time of the incident and [REDACTED] surveillance cameras.

Narrative	

Narrative:

On 09/24/2024 I was contacted by Detective Sgt. Weires asking me to respond to an officer involved shooting. I was asked to respond to the Meridian Police Department to assist with the Critical Incident Task Force (CITF) investigation. The officers involved were with the Boise Police Department. The lead investigating agency was the Meridian Police Department. I was assigned to assist with First Contact duties. Meridian Detective Craig Fawley was the lead for First Contact. I was tacked up with Meridian Police Detective Marc Riggs.

Officer Luke Yanna, Boise Police Department:

At approximately 12:35am on 09/25/2024 we met with Officer Yanna in a soft room off the lobby of the Meridian Police Department.

Officer Yanna said that he only used his Less-then-Lethal, 40mm blue sponge foam round. He said he used one round and reloaded a fresh round. Yanna said he did not fire his pistol and his Glock pistol was loaded with 17 rounds in the magazine and 1 round chambered. He said he carried two spare pistol magazines with 17 rounds each. (One magazine would be short one round because the 17th round was chambered). He did not have a backup firearm.

I photographed Officer Yanna. Detective Paul Jagosh (BPD) collected the on-body video camera. We collected the 40mm LTL, pistol, and spare magazines and took those items to another room for photographs and round count.

He did not have any biological matter on his uniform. The 40mm LTL had nothing in the chamber and 3 blue cartridges were secured in the base of the unit. The pistol was a Glock, 9mm, with 17 rounds in the magazine and 1 round in the chamber, for a total of 18 rounds. One spare magazine held 17 rounds. The other spare magazine only held 16 rounds, the missing round was the one that Yanna used to chamber.

5. Date Occurred 09/24/2024	6. Time Occured 22:03	7. Route To ADA FELONY PA, PERSON CRIMES	8. Division PERSON CRIMES

We returned the Glock to Officer Yanna and the 4mm LTL was packaged as evidence.

Officer John Jayne, Boise Police Department:

At approximately 01:00 am we met with Officer Jayne in a soft room off the lobby of the Meridian Police Department.

Officer Jayne said that he used his rifle during the shooting and did not fire his pistol. He had one spare rifle magazine loaded with 30 rounds and his rifle was loaded with 29 rounds in the magazine and 1 in the chamber for a total of 60 rounds. His pistol had 17 rounds and he had two spare pistol magazines which he said each had 17 rounds. He did not have a backup firearm.

I photographed Officer Jayne. Detective Paul Jagosh (BPD) collected the on-body video camera. We collected the rifle and spare magazine, pistol, and both spare magazines, and took those items to another room for photographs and round count.

He did not have any biological matter on his uniform. The rifle magazine had 23 rounds and 1 in the chamber for a total of 24 rounds and the spare magazine held 30 rounds for a total of 54 rounds. We concluded he shot 6 rounds. The pistol was a Glock, 9mm with 17 rounds in the magazine. Both spare magazines held 17 rounds. No missing rounds.

We returned the Glock to Officer Jayne and rifle was packaged as evidence.

Narrative	

Narrative:

On 09/24/2024, I was working as a Detective assigned to Major Crimes with the Ada County Sheriff's Office (ACSO). On the same date at approximately 2337 hours, I was contacted by ACSO Detective Sergeant Weires regarding an officer involved shooting involving the Boise Police Department (BPD). This resulted in an activation of the Critical Incident Task Force (CITF), with the Meridian Police Department (MPD) being the lead agency.

This critical incident occurred at [REDACTED] N Redway Road, Boise, ID 83704. I initially responded to the command post, which was located at the MPD Training Center and was briefed on the incident. As part of this investigation, I was tasked with contacting the homeowner of the incident location, [REDACTED] and obtaining his statement. [REDACTED] and his family were removed from the residence during this investigation, and he was standing by with BPD Officers in a nearby commercial parking lot at the intersection of N Cole Road and W Ustick Road.

INTERVIEW WITH [REDACTED]

Upon arrival I contacted [REDACTED] and obtained his statement. My contact with [REDACTED] was captured on my on-body video (OBV) camera and was later uploaded to Evidence.com under this case number. The following is a synopsis of our conversation, refer to the video for specific details.

[REDACTED] resides at [REDACTED] N Redway Road with his wife, [REDACTED] and son, [REDACTED]. [REDACTED] described his evening leading up to this critical incident as being uneventful. I asked him for further details about the evening and he recalled eating dinner around 1800 hours. I asked [REDACTED] if he had anything to drink and he indicated drinking one "pumpkin beer" around 1700 hours but stated he was not feeling any effects of the alcohol. [REDACTED] suffers from [REDACTED] and receives a weekly injection for that but does not take any other medications.

█████ put █████ to bed around 2030 hours, before going downstairs to work in his recording studio. At approximately 2152 hours █████ and █████ received a motion notification from one of their Simplisafe cameras. █████ indicated this camera is located on the south side rear corner of the residence and shows the side gate near their garage. █████ did not initially see the notification and █████ informed him. He stated █████ was in their bedroom with the window open and could hear movement outside. █████ went to secure the sliding door in the downstairs area of the house.

█████ estimated that approximately 2 to 5 minutes after they saw the motion activation, BPD Officers came knocking on their front door. He stated the officers notified him that someone was seen going into in his back yard. █████ stated they were advised to remain inside, and the officers requested permission to check the yard, to which he agreed. █████ stated the officers returned to the front door a few minutes later and requested to come inside. During this time █████ son was asleep in his bed and █████ barricaded inside the upstairs bathroom with █████

█████ indicated that from the time officers entered his residence, there was a uniformed officer in the master bedroom the entire time. He stated there were multiple officers in and out of the residence, but there was always one stationed in the master bedroom. █████ heard discussion about the shed in his backyard and believed the officer in his bedroom was watching the suspect behind the shed. █████ advised the window in the master bedroom was open prior to this incident and he believed an officer opened the window screen as well.

From their position in the bathroom, █████ estimated it to be roughly 10' to the master bedroom where officers were located. He stated that typically if the bathroom door is open, he could see clearly into the room, but advised it was closed during this incident. █████ recalled hearing officers speaking with the suspect in the back yard prior to hearing gun shots. He stated the suspect was asking, "Why you guys after me?" and officers were telling him to "Put it down." █████ stated the officers could be heard on at least 3 occasions telling the suspect to "Put your gun down and come out with your hands up."

█████ heard approximately 3 to 4 gun shots. He believed they originated from the master bedroom but stated there may have also been shots from the ground level. Following the gun shots, █████ heard lots of noise and what he believed to be the suspect "screaming in pain." He also recalled hearing a dog barking during this time. Shortly after the shots were fired, █████ and █████

retrieved from his bed and were escorted away from the residence.

During my conversation with he sent me a copy of a video from his Simplisafe exterior back yard camera. This video depicted the suspect after he jumped the fence on the south side of the garage from the front yard and then runs out of screen into the back yard by the shed. In the video, a white male adult is seen coming over the fence and is wearing a white t-shirt dark colored shorts and dark shoes. The video is 13 seconds in length and there is no timestamp; however, based on the information provided by it was from 09/24/2024 at 2152 hours.

had several other videos from this incident, which he had not yet looked through. These videos were from his exterior Simplisafe camera and front door Ring camera. He briefly showed me the videos and I noted none of them appeared to capture the officer involved shooting. There were several short video clips that mostly contained audio and video of people coming and going from front access gate on the property. I advised to save any videos he had and that I would re-contact him the following afternoon to meet up and collect the remaining videos.

indicated they planned on going to stay the night with family in Meridian, ID. I provided him with my business card and advised him to re-contact me if he had any questions or concerns.

FOLLOW UP CONTACT WITH

On 09/25/2024 at approximately 1513 hours, I responded to N Redway Road, Boise, ID 83704 in order to conduct follow up related to this CITF investigation. Upon arrival I met with the homeowner, . During this meeting showed me with multiple videos from his home Ring doorbell camera and Simplisafe exterior backyard camera. Detective Hawksley sent a community request link via Evidence.com and he was able to upload the remaining videos he had from the incident. later re-contacted me and advised a worker located 2 LED lights during clean up of his back yard. The lights were believed to have come off a drone belonging to BPD. I seized the lights from and later turned them over to BPD Detective Wirshing.

AREA CANVASS

After meeting with Mitchell, Detective Hawksley and I conducted an area canvass of the surrounding properties. The purpose of this canvass was to check for any outstanding weapons or evidence related to this CITF as well as contacting neighbors in the area to determine if anyone witnessed the incident. The following is a list of the properties checked by myself and the subjects

I contacted:

[REDACTED] W Ustick Road (Exterior cameras – non-functioning)

I spoke with the resident at this location, [REDACTED] who resides there with his wife, [REDACTED]. [REDACTED] recalled the prior evening seeing multiple police vehicles in front of his residence on W Ustick Road with their lights on. He believed there was possibly a DUI investigation going on. [REDACTED] was unaware of any law enforcement presence at his next door neighbor's residence ([REDACTED] N Redway Road) until he heard a "boom boom." [REDACTED] recalled hearing approximately 6 gunshots and believed someone was shot. He stated someone could be heard yelling "You shot me. My fucking arm really hurts." [REDACTED] did not have any additional information to provide at this time.

[REDACTED] W Ustick Road (No cameras)

I spoke with [REDACTED] at this location, who stated she was not home at the time of this incident. [REDACTED] indicated she returned home around 2200 hours and was turned away by law enforcement. She had to wait in a nearby parking lot until it was safe to return home.

[REDACTED] W Ustick Road (No cameras)

I spoke with [REDACTED] who resides at this location with her wife, [REDACTED]. [REDACTED] was on the telephone at the time of this incident and did not hear anything. She recalled seeing flashing lights and hearing sirens in the area the prior evening, but she was unaware of what occurred until later reading about it on the news. [REDACTED] advised [REDACTED] heard the gunshots but did not see anything and indicated she was not currently home.

[REDACTED] N Redway Road (No cameras)

[REDACTED] was home at the time of this incident but stated he only saw flashing lights. [REDACTED] is hard of hearing and was watching television with his headphones on. He did not hear anything and never looked outside to see what was occurring.

[REDACTED] N Redway Road (No visible cameras)

No answer at the door.

CIRCUMSTANCES:

On September 24, 2024, at approximately 2130 hours, Boise Police Department Officers were dispatched to 6919 W Fairview Ave in Boise regarding an armed robbery that had just occurred. The suspect was believed to possibly be related to three other armed robberies that had recently occurred. Boise Police Department Officers located the vehicle and initiated a vehicle pursuit.

OFFICER ACTIONS:

I began driving towards the direction of the pursuit and was in the area of N Cole Rd and W Ustick Rd when Boise Police Department Officers stated on the radio that the vehicle had turned eastbound on W Ustick Rd towards my direction. As I drove that direction, I observed the red and blue police lights west of me in the distance. Boise Police Department officers had previously attempted the Pursuit Intervention Technique (PIT maneuver) but were unsuccessful.

Due to the fact that the suspect was possibly involved in four armed robberies and was feloniously evading, I believed he posed an extreme risk to the safety of the public. Based on the circumstances, I quickly decided to deploy spike strips to incapacitate the suspect vehicle. I quickly scanned for a location to place my vehicle and deploy spike strips. I parked in the driveway of Cedar Square Apartments (7865 W Ustick Rd. Boise, ID 83704).

I quickly grabbed the spike strips and observed the suspect vehicle driving eastbound at a high rate of speed on W Ustick Rd. I was holding the spike strips by the appropriate red strap handles in my right hand. The plastic handle with the reel was in my left hand. The vehicle appeared to be driving eastbound between the center lane and the westbound number one lane of traffic. I observed no other vehicles in the path between me and the suspect vehicle.

I deployed my spike strips by throwing them into the road with my right hand. I narrowly missed the front right side of the suspect vehicle and the spike strips appeared to either get struck by the front right bumper or tire of a Boise Police Department vehicle just as the spike strips struck the ground. The spike strips got pulled to my right with the vehicle and yanked the cord for the spike strips across my hand resulting in the cord breaking. It should be noted that I was not holding the cord at any time, but it was pulled across my hand as the spike strips were thrown then suddenly pulled by the vehicle.

I looked at my right hand after and observed lacerations / abrasions to my right pointer finger, right middle finger, and right ring finger all on the anterior side from the cord that had been pulled across my hand. The laceration to my right pointer finger appeared to be the deepest and there was an additional abrasion to the posterior side of my right ring finger. I collected the spike strips and notified Sergeant Faulkner as soon as feasible.

Due to the active pursuit and the quick decisions that had to be made in my attempt to incapacitate this dangerous vehicle, my On Body Video (OBV) camera was not activated. Due to the sudden need to deploy the spike strips quickly and the important radio traffic already ongoing, there was no time to notify

other officers involved and it was not broadcasted via the radio that I was throwing the spike strips.

I was later evaluated at Saint Alphonsus Medical Center (1055 N Curtis Rd. Boise, ID 83706) for my injuries and then released.

Sergeant Faulkner took photographs of my injuries which I later uploaded under this DR#.

DISPOSITION:

This report was taken to document my actions and injuries.

Narrative**INVESTIGATOR ASSIGNMENT**

On September 24th, 2024, around midnight I was notified by Sgt. Dozier of the activation of the Ada County Critical Incident Task Force (CITF) and that I was assigned to assist the first contact team at the Meridian Police Department.

I assisted Meridian Police Department Detective Fawley processing two officers, neither of which fired their duty weapons during the CIFT.

My assistance involved conducting a round count which was as follows:

Boise Police Department Officer C. Bonas

Officer Bonas carried a Glock 17 with a serial number of BYEVZ58 which was well oiled and appeared unfired.

I counted 17 rounds in the magazine loaded in his gun and 1 round in the chamber for a total of 18. The two additional magazines he carried on his duty belt were full of 17 rounds each.

Boise Police Department Officer I. Riehle

Officer Riehle carried a Glock 47 with a serial number of CBHZ706 which appeared to be in near new condition and looked unfired.

I counted 17 rounds in the magazine loaded in his gun and 1 round in the chamber for a total of 18. The two additional magazines he carried on his duty belt were full of 17 rounds each.

Detective Fawley took photos of the officers, their weapons, magazines and bullets and retained them for Meridian Police Department records.

DISPOSITION

Include in the case file and route to the primary investigating CITF agency.

Narrative

INITIAL INFORMATION:

On September 24, 2024, at approximately 2230 hours I received notification from Sgt Faulkner that an officer involved shooting had taken place in the city of Boise. At that time, I began looking for information regarding an activation of the CITF task force. I received nothing until approximately 2335 hours.

ASSIGNMENT:

At that time, I texted with Sgt Figal with the Meridian Police Department to determine what resources he needed as it was determined they would be the lead investigative agency.

He requested one officer to assist with the first contact. I sent Detective Rosen.

I responded to the command post and remained there until Detective Rosen finished his duties.

At that time, I confirmed that no other tasked needed be completed. I cleared the command post at that time.
