INITIAL RESPONSE/CONTACT:

On 11/13/2024, at approximately 1505 hours, I was conducting patrol in the area of W Howe Street / S Londoner Avenue at which time I observed a white Saturn bearing Idaho license plate [REDACTED]. Utilizing departments resources, I ran the white Saturn's license plate which returned expired (Expiration Date: 2024-05-31). I proceeded to conduct a traffic stop on the white Saturn for the aforementioned violation (expired registration) on S Division Avenue just north of W Howe Street.

I exited my patrol vehicle and approached the white Saturn at which time I made contact with a male (later identified as [REDACTED] who was seated in the driver's seat, as well as a female (later identified as [REDACTED] who was seated in the front passenger seat. Additionally, I observed a male (later identified as Suspect-Gabriel Pope) with a hooded sweatshirt covering his face and he appeared to be sleeping in the rear passenger side seat. I explained the reason for my traffic stop and asked if Gabriel was ok and [REDACTED] responded "he's just tired". I verbally obtained [REDACTED] information while Officer Sigler obtained [REDACTED] information. I asked [REDACTED] again if Gabriel was ok and he responded, "he's good". I then asked [REDACTED] who Gabriel was, and he responded, "I don't even know if that matters". Due to Gabriel presenting as though he were asleep, concealing his face with a hooded sweatshirt, coupled with [REDACTED] nervousness and response when asked who Gabriel my suspicion was alerted as due to training and experience, I know these are common tactics used by individuals to conceal their identity when they have outstanding warrants. Officer Sigler handed me the current registration for the vehicle at which time I proceeded back to my patrol vehicle to conduct a records check.

Officer Sigler approached me, and we discussed our shared suspicion regarding Gabriel due to the above mentioned reasons. Officer Sigler then advised he was going to re-approach the vehicle to identify Gabriel as he was not wearing his seatbelt. While performing a records check of [REDACTED] I observed Officer Sigler standing outside of the rear passenger side window attempting to identify Gabriel. Officer Sigler then waved for me to come to him at which time, I immediately exited my patrol vehicle and approached the white Saturn via the driver's side. As I made my approach, I heard Officer Sigler giving Gabriel commands to show him his hands. Officer Sigler then advised me he was going to pull Gabriel out of the vehicle. I stood outside of the rear driver's window and shined my flashlight on Gabriel so I could monitor his movements. I then instructed [REDACTED] to roll down his window for both he and [REDACTED] to put their hands on the dashboard. Officer Sigler explained to Gabriel he had a legal reason to identify him as he wasn't wearing his seatbelt

(violation of I.C 49-673). After continuing to dialogue with Gabriel, Officer Sigler was able to obtain identification verbally from Gabriel. Gabriel provided the name of Tyrel Stephens with a date of birth of [REDACTED]. Upon obtaining identification verbally we delayed having Gabriel exit the vehicle until a records check was conducted with the information provided. At this time, Officer Arroyo arrived at the scene. As we waited for a return from dispatch Gabriel proceeded to make furtive movements by digging his hands in and around his pockets. Officer's gave commands to Gabriel to show us his hands and to stop reaching. Due to Gabriel's further furtive movements of reaching and not showing officer's his hands, we instructed [REDACTED] to unlock the doors so we could remove Gabriel from the vehicle. [REDACTED] did not unlock the doors at which time I opened the driver's side door to unlock the Gabriel's door. At this time, Gabriel bladed his body towards Officer Sigler and straighten his legs while reaching his hand into his pocket. At this time Officer's believed Gabriel was arming himself with a weapon at which time I unholstered my duty firearm. I then instructed [REDACTED] and [REDACTED] to exit the vehicle to isolate the situation. Both [REDACTED] and [REDACTED] exited the vehicle at which time we redeployed back towards our patrol vehicle to create distance from Gabriel. I then heard Officer Sigler advise that Gabriel was stabbing himself.

Gabriel then exited the rear passenger side seat and fled on foot northbound on S Division Avenue. Officer Sigler and I initiated a foot pursuit of Gabriel. We lost visual of Gabriel in the lot of the business located at 517 W Highland Street which is on the southeast corner of W. Highland Street / S Division Avenue. Due to losing visual of Gabriel we discontinued our pursuit of Gabriel, broadcasted his last known location, and requested a perimeter. Additional resources arrived at which time a perimeter was established. While formulating a plan to search for Gabriel dispatch advised that a separate call came in at [REDACTED] regarding a male Black who was stabbed in the throat, had blood everywhere, and asked the calling party to not call the cops. Furthermore, Gabriel's [REDACTED] called into dispatch and advised [REDACTED] (Gabriel Pope) called her from a stranger's number and stated he stabbed himself in the neck, but he wouldn't provide a location. Officers responded to the area of [REDACTED] at which time they located Gabriel and a foot pursuit ensued. Shortly thereafter, shots fired was broadcasted over the radio. While responding to the help call for shots fired, Officers broadcasted they were code 4 at scene and had sufficient resources. Upon hearing that broadcast we returned to the scene of the initial traffic stop at which time we re-located [REDACTED] and [REDACTED]. We stood by with [REDACTED] and [REDACTED] until Detective Canfield responded to our location and conducted an interview with them. Upon completion of Detective Canfield's interviews both [REDACTED] and [REDACTED] were released from scene.

Narrative

The following is a summary of my contact, for the complete contact, see my OBV.
Digital evidence uploaded into evidence.com.

INITIAL RESPONSE/CONTACT:

On 11/13/2024 I was a uniformed Boise Police Officer, in a marked patrol vehicle. I was listening to radio traffic regarding a foot pursuit following a traffic stop in the area of Highland and Division, in Boise. Units on scene were asking for additional units to assist with area checks and setting up a perimeter. I self assigned to the call and went en route to the area of Warren and Londoner where I was requested to patrol to the south of the area and keep an eye out for a black male adult with a tan Carhart type jacket and jeans who was armed with a knife and a sledge hammer. The subject had a possible name of Tyrrell.

I was driving in the area when I read a call note stating a new male caller called in stating he was at [REDACTED] when a black male adult approached them stating he was stabbed in the throat with blood all over and asked him not to call the cops. The male advised that the subject was standing in the road talking to the calling party and his dad. I went en route to the area with emergency lights. I did not utilize my siren due to the male already running from police. I was south on Leadville Ave, and turned east on to W Pennsylvania St. I then turned north on to Division Ave and observed 2 white males on the sidewalk and a black male with a tan Carhart type jacket in the street talking to the men. The black male with the tan jacket matched the suspect description given earlier. The subject looked at my patrol vehicle and started running west toward Gallaher St. I did not observe anything in his hands at this time. I provided radio updates with the suspect location of travel. I rounded the corner to go west on Gallaher following the black male. I could not see where the black male went when a white male with a green reflective jacket on was flagging me down pointing to his fence. I stopped my patrol vehicle near trash cans near [REDACTED] where the white male stated that the black male with something in his hands had just jumped the fence into the backyard of his neighbor's house. He was pointing to the house next door ([REDACTED]). I observed another unit behind me go around the second corner to go south on Colorado. I remained at the driver's door of my patrol vehicle observing through the fence to see if I could see any

movement in the backyard. A short while later I heard two to three loud pops and radio traffic from AFC S. Martinez that shots were fired. I got back in my patrol vehicle and turned the corner to go south on Colorado where almost immediately I observed AFC Martinez standing on the sidewalk near the driveway of [REDACTED] with his firearm pointed at the same black male adult I just observed running from me. The black male was laying in the grass. I stopped my patrol vehicle, and drew my firearm as I exited the car. I pointed my firearm at the male who still had a knife in his right hand as he was laying in the grass in the yard of [REDACTED]. I stood near the mailboxes with my firearm pointed at the subject. AFC Martinez was giving radio traffic updates so I took over giving commands to the subject. I told the subject to drop the knife and move away from the knife. The subject was not complying with commands. AFC Martinez then took over commands again and I updated radio traffic advising that the subject was not complying with commands.

Ofc. Pfau arrived on scene and AFC Martinez and I held lethal cover while AFC Martinez and Ofc. Pfau moved up on the subject. Ofc. Pfau kicked the knife backwards towards the side walk, out of the subject's hand, and cleared his pockets which contained a wallet, a flashlight, and what appeared to be a headphones container. Ofc. Pfau then placed handcuffs on the subject and I requested medics come to the scene emergency response.

Several officers arrived on scene and assisted with further medical aid of the subject until medical personnel arrived. I observed what appeared to be two wounds to the subject's neck, one to the chest, and one to the groin area. I retrieved a cone from my patrol car and placed it where the knife was laying in the grass to ensure it did not get stepped on or disturbed.

AFC Martinez handed me the subject's wallet which did not contain any sort of identification, just a couple of gift cards. I then picked up the flashlight and head phones and placed all three items into a clear plastic bag to be placed with the rest of the subject's clothing and belongings.

I stood by on scene until I was relieved to assist in other areas. While standing by another officer pointed out there was a cartridge casing on the driveway, a cone was placed near the casing to prevent any further movement or contamination.

Once I was advised I was able to assist with other aspects of the call, Ofc. Crist and I began canvassing the area for any cameras and to see if we could locate the path the subject took where he may have left the sledge hammer.

I located one residence at [REDACTED] that had a camera on the front of the residence. The landlord lived in the attached unit and advised the residents of that unit weren't home. I asked if he could have them call in when they return to see if their camera caught anything and provided him the phone number for dispatch. He agreed to pass along the note to the residents when they returned.

I spoke with the resident at [REDACTED] where the subject jumped their fence. The resident at that address was [REDACTED]. [REDACTED] provided consent for us to look in the backyard. We did not locate anything of note, but [REDACTED] did advise that one of the fence posts was slightly broken but had been pushed back in. I took photos of the fence post for reference.

I then spoke with the neighbor at [REDACTED] [REDACTED] ([REDACTED]). [REDACTED] stated he was in front of his house raking leaves when some movement caught the corner of his eye and he saw a black male with blood on the front of him and a knife in his hand running towards him. [REDACTED] told him he doesn't belong around here, and the male proceeded to try to hop the fence but he caught the lever of the gate and the gate opened. [REDACTED] did not know where the male went after that. [REDACTED] stated he was the one that flagged me down initially to state the male jumped the fence.

Ofc. Crist and I continued to attempt to locate the sledge hammer and any other possible cameras in the area. We spoke to two males who were the two the subject stopped to talk to prior to my contact with the subject. The males stated they thought they saw the subject coming from the backyard area between [REDACTED] and [REDACTED]. Ofc. Crist and I checked [REDACTED] and [REDACTED] in the backyards but did not locate anything of substance. I advised Det. Shofner of these findings as well.

This concluded my duties on this scene and report.

Narrative

INITIAL RESPONSE/CONTACT:

On 11/13/2024 at approximately 1511 hours I responded to Officers Sigler's and Kiker's request for a code 1 during a traffic stop. I arrived at the location of the traffic stop which was just north of Division Ave and Howe St. I observed Officer Sigler standing near the rear passenger side seat speaking with another person and Officer Kiker standing by the drivers door of a white sedan. I approached Officer Sigler and heard him giving the rear passenger commands to "quit reaching" and to place his hands on the head rest of the seat in front of him. I observed the rear passenger place his hands on the head rest and then quickly put them back down towards his lap.

Officer Sigler continued giving commands then I saw Officer Sigler take a step back and draw his department issued handgun. I then drew my department issued handgun pointing it towards the trunk of the vehicle. Officer Sigler stated that the passenger was armed with a knife and was stabbing himself. I did see the rear passenger making quick movements with his body and arms but could not see the knife.

Officer Sigler gave commands to the driver and front passenger to exit the vehicle, which they did. The female attempted to re-enter the vehicle after Officer Sigler had stated the rear passenger was stabbing himself with a knife but was stopped by Officer Kiker and I. All officers began providing distance away from the vehicle as we backed up towards our patrol vehicles.

The rear passenger then exited the vehicle and began running north bound on Division Ave. Officer Sigler and Kiker gave chase and I stayed with the other occupants of the vehicle.

Both the male and female refused to provide information about the rear passenger but did provide me with "I know him by Steven" and his last name is "Sparks". The female spoke a little more freely and stated she didn't know the rear passenger very well but then told me he had PTSD from severe child abuse and his friend being shot in Texas by LE.

The female stated that she did not want her friend to get hurt and offered to speak with him to calm him down if located. She stated her name was [REDACTED] and could be reached at [REDACTED]. [REDACTED] also stated that her friend was "going to commit suicide by cop". I advised officers over the radio of my findings.

Dispatch received a call advising the suspect was seen about a quarter mile south of my location. Officers began responding to that area. Officers Sigler and Kiker returned to the traffic stop and I cleared the area and responded to the area where the suspect was seen. I then learned an officer involved shooting had occurred. I then placed yellow caution tape across the street and across yards blocking the scene.

Narrative

INITIAL RESPONSE/CONTACT:

On 11/13/24 at approx 1515 hours, Officer Loomis and I were dispatched to the area of Howe and Division in regards to a male who had fled from a traffic stop. We arrived at approx 1521 hours and took a perimeter spot at Londoner and Highland. I then launched a drone from there to start checking the area.

INVESTIGATION:

I searched the area where the subject was last seen with the drone but was unable to locate him. While checking, dispatch advised that a citizen was calling in from S Division Ave approx a quarter mile south of our location. They gave a description that matched our subject and stated something about him bleeding from the neck. Officers went to that location so we relocated as well to try and locate the subject. Prior to our arrival, Officers had located the subject and advised they had shots fired.

While on that scene, I was asked to take some aerial photos of the scene and check the area for a sledge hammer that the subject had been carrying. I took numerous still photos from above the scene and booked them into Evidence.com. I searched the area working north from the OIS scene towards the original traffic stop and later went to the area of the traffic stop and searched the area moving south. I was unable to locate anything prior to the wind becoming too strong and it getting too dark to be able to search with a drone.

CONCLUSION:

I took over scene photos and searched for the sledge hammer with a drone. I was unable to locate the sledge hammer and booked the photos into evidence.com.

Narrative

DIGITAL EVIDENCE UPLOADED INTO EVIDENCE.COM

On the above date and time I was working as a uniformed patrol officer in a marked patrol vehicle for the Boise Police Department. I was working with Officer J. Kiker as a two-officer patrol unit. We were conducting routine patrol in our area and observed a white 2007 Saturn Ion bearing Idaho license plate [REDACTED]. Using the mobile data terminal (MDT) in my patrol car to run the license plate, I observed that the registration had expired in May of 2024. Officer Kiker activated his overhead lights and we conducted a traffic stop on the vehicle at the intersection of S Division Ave and W Howe St.

When the vehicle came to a stop, I exited my patrol vehicle and approached the passenger side of the vehicle while Officer Kiker approached the driver's side. I observed that there was an occupant in the back seat on the passenger side and a female occupant in the front seat on the passenger side. While Officer Kiker informed the driver and front passenger of the reason for the stop, I observed that the subject in the back seat did not have his seatbelt on. I could see the subject's hands, but the subject had a hood pulled over his head and appeared as though he was asleep. Based on my training and experience, I know the often times subjects with warrants tend to ride in passenger seats and back seats of vehicles. Subjects that have warrants also do not like to correspond with police officers and will often times do whatever they can not to engage with police.

I continued speaking with the front passenger of the vehicle, who was identified by her Idaho driver's license as [REDACTED]. [REDACTED] showed me a registration for the Saturn that had a license plate of [REDACTED]. There was also a temporary registration matching that plate in the back window. I discussed with [REDACTED] that having the old plates on the vehicle is a reason to stop the vehicle and that she needs to take the old license plates off.

Officer Kiker and I proceeded back to the patrol car so that he could run records checks on the driver. Both of us observed that the back seat passenger was not wearing his seatbelt. While Officer Kiker continued with the records checks, I proceeded back to the passenger side of the car in an attempt to identify the back seat passenger due to him not wearing his seatbelt. As I approached I asked the driver of the vehicle, [REDACTED] to roll down the back window where the unidentified occupant was seated. [REDACTED] immediately became argumentative trying to tell me that there was no reason to roll the window down. I explained to [REDACTED] that the subject was not wearing his seatbelt which is a citable offense, therefore I need to know who to fill the citation out to. [REDACTED] rolled the back window down approximately 6 inches. At this point, the subject in the back seat had his right hand tucked underneath his jacket, which was different from the initial contact when it was visible. This concerned me due to the fact that if the subject did in fact have a warrant, he might have a weapon and not want to go back to jail. I instructed the subject in the back seat to show me his hands four times before he finally complied. Due to the peculiar behavior, I wanted to have the subject in the back seat exit the vehicle so that I could better control his movements. I was concerned that he may have a weapon on him and may have a warrant. I

instructed the subject to put both of his hands on the seat rest of the seat in front of him. I gave him the direction to do so three times and he failed to comply. I observed that the subject was ensuring that the back door was locked. He then attempted to tell me that he had not done anything wrong. I explained to him the reason for me needing to identify him due to him not wearing his seatbelt. He then told me that the seatbelt did not work. [REDACTED] then tried to interject saying that the subject not wearing a seatbelt would be [REDACTED] fault. I advised [REDACTED] that if the subject was a juvenile, that would be true, but since he was an adult, that is not the case. The subject in the back seat then tried to tell me that he was a juvenile. It was clear that the subject was not a juvenile and was in fact an adult. He was now using any excuse that he could not to be identified which furthered my suspicions of a warrant.

I advised the subject in the back seat that when he was hiding his hands from me as we talked it made me suspicious. I then advised him that I have every reason to have him exit the vehicle. I instructed the subject to keep his hands where I could see them. I then began to verbally identify him. He gave a name of Tyrell Stephens with a date of birth of [REDACTED] and told me his identification was out of Florida. I informed that subject that being born in 2000 means that he was not a minor like he was telling me moments earlier. As I had dispatch run the name given to me, the back window on the vehicle rolled up. Officer A. Arroyo arrived on scene at this point and positioned himself next to me. As I was waiting for the return, the subject in the back seat began reaching down in between the seat and the door and I could not see his right hand at all. Due to his odd behavior throughout the duration of the stop coupled with this action, I was now very concerned that he may be accessing a weapon. I hit the back window and told the subject to "stop fucking reaching" and told him "don't fucking reach". I gave him two more commands to not reach and told him that I can legally control his movements. I instructed him to place his hands on the back seat rest again, to which he complied. I instructed the driver to unlock the car. The subject in the back seat then stated "you're not getting me out of the car, homie", followed by "you're not getting me out of the car". He then began to push his body away from the door that I was standing at, began reaching into his pocket with his right hand as he was saying "you're not getting me out the car". At this point I was convinced that he was accessing a weapon. I un holstered my service weapon and pointed it at the subject. The subject accessed a folding pocket knife, pulled out the blade, held it to his throat and said "shoot me, bitch", multiple times. I kept my position close to the door and instructed [REDACTED] and [REDACTED] to get out of the vehicle. Once [REDACTED] and [REDACTED] exited the vehicle, we began creating distance from the vehicle to protect ourselves and attempt to deescalate the situation. The male subject then began to push the knife into his own neck. We had to continue to convince [REDACTED] to get away from the vehicle. Once we created distance from the vehicle, the male subject fled the vehicle on foot. I gave chase northbound on Division to east bound Hale, until the subject went into a parking lot at 517 W Highland St. It was a large lot with a lot of equipment and vehicles inside of the lot. I lost visual of the subject as he entered the lot.

Officer Kiker and I held our position on the perimeter to the north of the lot until dispatch received notification that the subject has been located elsewhere. Officer in that area advised that they had located that subject and shots had been fired. Officer Kiker and I went back to our patrol car and told [REDACTED] and [REDACTED] that they could leave. We proceeded to the scene of the shooting and once it was deemed that we were not needed, we went back and were able to locate [REDACTED] and [REDACTED] so that

It was later discovered by talking to [REDACTED] that the subject seated in the back seat was actually Gabriel Pope, DOB [REDACTED] I later observed on my MDT that Gabriel had a \$100,000 warrant out of Twin Falls, Idaho for possession of stolen property.

Narrative

ORIGIN:

On 11-13-2024 at approximately 1516 hours I responded to the area of Highland and Division in Boise to help other uniformed Boise PD Officers with setting up a perimeter for an armed male who had fled from a traffic stop.

INVESTIGATION:

Upon arrival I took up a position to cover an area of a commercial yard that was fenced off. While maintaining a perimeter spot a male called into dispatch. That male was identified as [REDACTED] [REDACTED] called from [REDACTED] and told dispatch that a male was standing in the roadway at his location with a wound to his neck. Based on the location and description multiple units including myself moved towards that location believing that the suspect had fled our perimeter.

As I arrived in the area it was put out over the radio that shots had been fired and the suspect was down. As units created a perimeter and provided live saving efforts, I spoke with [REDACTED] to get his statement.

[REDACTED] essentially told me the following. [REDACTED] stated that he was outside when a male came down Division asking for a ride or someone to take him to the hospital. [REDACTED] stated the male pulled down his collar and [REDACTED] could see a wound on his neck that was bleeding down his shirt. [REDACTED] stated that the male did not want the Police and wanted to call his mother. [REDACTED] stated he was able to move away a short distance and call 911. [REDACTED] stated that the male wanted him to call his mom. [REDACTED] stated that when Police arrived in the area the male ran around the corner going into several backyards and jumping over fences. [REDACTED] heard gunshots a short time after that.

As I was speaking with [REDACTED] his phone rang and he told me that it was the males [REDACTED] I answered and spoke with a female who identified herself as [REDACTED]. [REDACTED] was upset and not sure what was going on with [REDACTED] I explained that we had him and that someone would call her shortly.

CONCLUSION:

Probable Cause

PROBABLE CAUSE:

On 11/13/2024 at approximately 1505 hours, Officer T Sigler and Officer J Kiker were operating as a two-man unit and observed a white colored 2007 Saturn Ion (Idaho - [REDACTED]) traveling west on W Howe St, approaching S Division Ave. A records check of the vehicle's license plate revealed that the registration had expired on 5/31/2024. Due to the expired registration, Ofc Sigler and Ofc Kiker activated their emergency lights and conducted a traffic stop on the vehicle. The vehicle yielded and pulled over on S Division Ave, just north of W Howe St.

Upon approaching the vehicle, Ofc Sigler and Ofc Kiker observed the vehicle to be occupied by three adults. The driver of the vehicle verbally identified himself as [REDACTED]. The front passenger of the vehicle was identified with her Idaho driver's license as [REDACTED]. When contact was made the occupants, the male occupying the rear seat was slumped up against the right rear passenger door, not wearing a safety restraint, and it appeared that he was pretending to be asleep. Due to the rear occupant not wearing a safety restraint, Ofc Sigler attempted to verbally contact the male and obtain his identity to ultimately issue a citation. This contact was made through the partially ajar right rear passenger side window. Ofc Sigler verbally addressed the male seated within the rear seat multiple times before he acknowledged the contact. The male refused to comply with Ofc Sigler's commands to place his hands on the back of the front passenger headrest. The male stated, "no, I didn't do nothing." While communicating with the male and explaining to him as to why he had to identify himself, the male expressed that he was not wearing a safety restraint because it did not work. The male proceeded to verbally identify himself as "Tyrel Stephens", with a date of birth of [REDACTED]. When asked, the male informed Ofc Sigler that his identification was issued out of the state of Florida.

While attempting to conduct a records check on "Tyrel," the right rear passenger window closed and Ofc Sigler observed the male conceal his right hand down between the seat and the right rear passenger door. The male was ordered to place his hands on the seat and told to unlock the right rear passenger door so that he could be removed from the vehicle. In response, the male told Ofc Sigler, "you're not getting me out of the car homie" and "you're not getting me out of the car." The male proceeded to lean back and arm himself with a black colored pocket knife that had been concealed within his right front jean pocket. The male opened the blade of the knife and held it to the front of his own neck. The male told Ofc Sigler multiple times to "shoot him" as he was seated within the rear seat of the vehicle, still holding the blade of the knife to his own neck. [REDACTED] and [REDACTED] complied with officers and exited the vehicle while the male was still holding the knife and appeared to be stabbing himself. As officers backed away from the vehicle to put distance between themselves and the armed suspect, and were going to attempt to deescalate the tense situation, the male exited the vehicle and fled northbound on S Division St. Officers gave chase and ordered the male to stop multiple times. The male continued fleeing and ran onto the property of 517 W Highland St Boise, Idaho. While on the property, the male armed himself with what appeared to be a large sledgehammer or similar type tool. Officers lost sight of the suspect while he was walking south through the property.

While containment was being setup on 517 W Highland St, Ada County Dispatch received a phone call from [REDACTED]. [REDACTED] reported that a black male adult, wearing a tan jacket and jeans, was standing in the street in front of [REDACTED]. [REDACTED] stated that the male had been stabbed in the throat. The black male was bloody, asked about a ride to the hospital, and requested that the police were not called. As [REDACTED] was on the phone with Ada County Dispatch, the male fled the area on foot and jumped into a nearby fenced backyard.

Several officers responded to the area. As Corporal S Martinez was arriving in the general area of where the suspect was last seen fleeing, he observed a black male that matched the suspect's description exit the rear yard of [REDACTED]. Upon contact, Cpl Martinez observed the male to be armed with a knife in his right hand. Cpl Martinez identified himself as a Boise Police officer and lawfully ordered the male to stop multiple times. He was instructed to not move, and to get on the ground. Not only did the suspect refuse to comply with Cpl Martinez's commands, but he told Cpl Martinez "fuck you" several times. The male aggressed Cpl Martinez within the knife extended out in front of him with the blade pointing at Cpl Martinez. When the suspect came within 15' - 20' of Cpl Martinez and showed no signs of compliance, Cpl Martinez fired his department issued weapon at the suspect. The suspect fell to the ground, was ultimately disarmed of the knife by responding officers, and was taken into custody. At the time of this probable cause being written, the suspect is currently being treated at St Alphonus Hospital for his injuries.

The suspect was ultimately identified as Gabriel C Pope ([REDACTED]). The identification was made with the assistance of the Ada County Jail and Gabriel's tattoos. In addition to the tattoos, just before Gabriel was taken into custody, a female who identified herself as Gabriel's [REDACTED] ([REDACTED]) called Ada County Dispatch and advised that she had just received a call from Gabriel. He told her that he had stabbed himself in the neck, but refused to provide his location. A records check revealed that Gabriel had two outstanding confirmed felony arrest warrants through the Twin Falls County Sheriff's Office (theft by possession of stolen property).

During the course of the incident, Gabriel resisted and obstructed Ofc Sigler and Ofc Kiker's lawful commands to keep his hands where they could be seen, to exit the vehicle, and then again when he fled on foot and refused to stop. During the traffic stop, Gabriel knowingly provided Ofc Sigler with false information regarding his identity when he was being investigated for not wearing a safety restraint. In addition to resisting Ofc Sigler and Ofc Kiker's lawful commands, Gabriel resisted Cpl Martinez's lawful commands to stop, get on the ground, and not move. Gabriel told Cpl Martinez "fuck you" multiple times and attempted to commit violence on him by actively aggressing Cpl Martinez with a knife in his right hand and pointing it at him.

PROBABLE CAUSE OF THE STOP AND ARREST:

PROBABLE CAUSE:

On 11/13/2024 at approximately 1505 hours, Officer T Sigler and Officer J Kiker were operating as a two-man unit and observed a white colored 2007 Saturn Ion (Idaho - [REDACTED] traveling west on W Howe St, approaching S Division Ave. A records check of the vehicle's license plate revealed that the registration had expired on 5/31/2024. Due to the expired registration, Ofc Sigler and Ofc Kiker activated their emergency lights and conducted a traffic stop on the vehicle. The vehicle yielded and pulled over on S Division Ave, just north of W Howe St.

Upon approaching the vehicle, Ofc Sigler and Ofc Kiker observed the vehicle to be occupied by three adults. The driver of the vehicle verbally identified himself as [REDACTED]. The front passenger of the vehicle was identified with her Idaho driver's license as [REDACTED]. When contact was made the occupants, the male occupying the rear seat was slumped up against the right rear passenger door, not wearing a safety restraint, and it appeared that he was pretending to be asleep. Due to the rear occupant not wearing a safety restraint, Ofc Sigler attempted to verbally contact the male and obtain his identity to ultimately issue a citation. This contact was made through the partially ajar right rear passenger side window. Ofc Sigler verbally addressed the male seated within the rear seat multiple times before he acknowledged the contact. The male refused to comply with Ofc Sigler's commands to place his hands on the back of the front passenger headrest. The male stated, "no, I didn't do nothing." While communicating with the male and explaining to him as to why he had to identify himself, the male expressed that he was not wearing a safety restraint because it did not work. The male proceeded to verbally identify himself as "Tyrel Stephens", with a date of birth of [REDACTED]. When asked, the male informed Ofc Sigler that his identification was issued out of the state of Florida.

While attempting to conduct a records check on "Tyrel," the right rear passenger window closed and Ofc Sigler observed the male conceal his right hand down between the seat and the right rear passenger door. The male was ordered to place his hands on the seat and told to unlock the right rear passenger door so that he could be removed from the vehicle. In response, the male told Ofc Sigler, "you're not getting me out of the car homie" and "you're not getting me out of the car." The male proceeded to lean back and arm himself with a black colored pocket knife that had been concealed within his right front jean pocket. The male opened the blade of the knife and held it to the front of his own neck. The male told Ofc Sigler multiple times to "shoot him" as he was seated within the rear seat of the vehicle, still holding the blade of the knife to his own neck. [REDACTED] and [REDACTED] complied with officers and exited the vehicle while the male was still holding the knife and appeared to be stabbing himself. As officers backed away from the vehicle to put distance between themselves and the armed suspect, and were going to attempt to deescalate the tense situation, the male exited the vehicle and fled northbound on S Division St. Officers gave chase and ordered the male to stop multiple times. The male continued fleeing and ran onto the property of 517 W Highland St Boise, Idaho. While on the property, the male armed himself with what appeared to be a large sledgehammer or similar type tool. Officers lost sight of the suspect while he was walking south through the property.

While containment was being setup on 517 W Highland St, Ada County Dispatch received a phone call from [REDACTED] [REDACTED] [REDACTED] reported that a black male adult, wearing a tan jacket and jeans, was standing in the street in front of [REDACTED]. [REDACTED] stated that the male had been stabbed in the throat. The black male was bloody, asked about a ride to the hospital, and requested that the police were not called. As [REDACTED] was on the phone with Ada County Dispatch, the male fled the area on foot and jumped into a nearby fenced backyard.

Several officers responded to the area. As Corporal S Martinez was arriving in the general area of where the suspect was last seen fleeing, he observed a black male that matched the suspect's description exit the rear yard of [REDACTED] [REDACTED]. Upon contact, Cpl Martinez observed the male to be armed with a knife in his right hand. Cpl Martinez identified himself as a Boise Police officer and lawfully ordered the male to stop multiple times. He was instructed to not move, and to get on the ground. Not only did the suspect refuse to comply with Cpl Martinez's commands, but he told Cpl Martinez "fuck you" several times. The male aggressed Cpl Martinez within the knife extended out in front of him with the blade pointing at Cpl Martinez. When the suspect came within 15' - 20' of Cpl Martinez and showed no signs of compliance, Cpl Martinez fired his department issued weapon at the suspect. The suspect fell to the ground, was ultimately disarmed of the knife by responding officers, and was taken into custody. At the time of this probable cause being written, the suspect is currently being treated at St Alphonsus Hospital for his injuries.

Narrative

On Wednesday, November 13, 2024, I was working uniformed patrol in a marked police unit. At approximately 1525 hours, I began responding to the area of 517 W. Highland St. reference the report of an occupant of a vehicle, later identified as Suspect POPE, Gabriel who had fled the scene of a traffic stop. It was broadcasted that POPE was armed with a knife. POPE was described as a black male adult, wearing a tan colored Carhart jacket and jeans. While en route to the location, Ada County Dispatch advised a caller reported having contact with POPE at [REDACTED]. I responded Code 3 (lights and sirens) to the area, and I terminated my sirens as I got within a quarter mile of the address. I followed behind two patrol vehicles as we drove northbound on S. Division. I observed POPE, and two adult males standing in the street near the southwest corner of S. Division Ave. and W. Gallaher St. POPE began running in a westward direction on W. Gallaher St. and out of sight. I followed behind the two patrol vehicles as we quickly drove towards the intersection of S. Division Ave. and W. Gallaher St. As I neared the intersection, one of the two men pointed down the driveway of [REDACTED] and stated that POPE had fled into the rear yard of the residence. [REDACTED] is located within a small single-family, rectangular-shaped residential block comprised of approximately 15 residences. [REDACTED] is located on the north end of the block. S. Colorado Ave. borders the block to the west, S. Division Ave. borders the block to the east, and Pennsylvania St. borders the block to the south.

I observed one of the patrol vehicles continue westbound W. Gallaher St. to southbound S. Colorado Ave. With an officer on S. Colorado and an officer on W. Gallaher, I formed the opinion we had proper containment for the west and north portion of the neighborhood. Therefore, I quickly responded to the intersection of S. Division Ave. and Pennsylvania St. to maintain a visual containment of the south and east portion of the neighborhood. Within moments of arriving to the intersection I heard a succession of gunfire coming from the area of S. Colorado Ave. I quickly responded to the area and observed the two patrol vehicles parked to the front of [REDACTED]. I observed Officer Martinez and Officer Thompson with their handguns drawn and pointed towards POPE who was lying on the front lawn of the residence. Officer Thompson was standing on the east sidewalk of S. Colorado Ave., near the northwest corner of the front lawn, approximately 25 feet northwest of POPE. Officer Martinez was standing on east sidewalk of S. Colorado Ave., near the southwest corner of the front lawn, approximately eight feet southwest of POPE. POPE was lying on his back, with his feet pointed in a southwest direction towards Officer Martinez. POPE matched the description previously provided. Officer Martinez repeatedly commanded POPE to, "Let go of the knife." However, POPE failed to comply with the commands and continued to loosely hold the knife in his right hand. I observed blood on POPE's neck, shirt collar, and groin area. POPE repeatedly softly stated, "Help me."

Recognizing POPE was in need of immediate medical attention; however, still possessed a knife and possibly was concealing other unknown weapons; I formed a plan with Officer Martinez and Officer Thompson to safely take POPE into custody and begin rendering medical aid. Officer Martinez and Officer Thompson maintained lethal coverage as we approached POPE who remained on his back. I gained control of POPE's right wrist with my left hand and removed the black colored knife from his right hand with my right hand. I tossed the knife onto the grass behind me as I proceeded to conduct a search of his front pockets. I rolled POPE onto his stomach and observed blood pooling near the center portion

of his rear torso. I placed POPE in handcuffs (double-locked). After determining POPE was no longer in possession of any weapons, our attention was focused towards providing medical aid. I began stripping POPE of his clothing in an effort to reveal his wounds. I unzipped his thick Carhart-type hooded jacket, and ripped his t-shirt away from him, which exposed multiple wounds to his chest and neck area. As I continued to remove POPE's clothing, assisting officers arrived to the scene and began rendering medical aid. I removed POPE's boots and pants, exposing a wound to his groin area. Due to the bulk of POPE's jacket behind his back and his wrist remaining handcuffed behind his back, it reduced the ability to access and treat his wounds. Therefore, I removed my handcuffs from his wrists. Ada County Paramedics arrived shortly after, assumed medical care, and transported POPE to St. Aphonsus Medical Center.

I assisted no further with the investigation.

Narrative

On 11/13/2024. at approximately 1515 hours, I was dispatched to a call for code 3 response at Division Avenue and Howl St.

I arrived onto the scene and took a perimeter spot at Highland St. and Londoner Ave. I maintained the position until I heard officers identify the suspect at Colorado Ave. I drove to the location made contact with witness' [REDACTED] and [REDACTED] then took their statements.

STATEMENT OF [REDACTED] (WITNESS-1):

[REDACTED] stated that he was walking in the neighborhood on the west side of Colorado Ave. [REDACTED] saw a police vehicle pull up to the east side of Colorado Ave and step out of his car. [REDACTED] saw a male with a tan jacket in between two houses and raise his right hand and arm up toward the officer as if he was holding a weapon but [REDACTED] could not see what kind of weapon. [REDACTED] saw the officer take his gun out and point it at the male subject then heard the officer yell "drop the weapon" about a dozen times. [REDACTED] went behind a vehicle for cover and heard two gun shots.

-End of Statement-

STATEMENT OF [REDACTED] (WITNESS-2):

[REDACTED] said he walk walking in the neighborhood on Pennsylvania St. just west of Colorado Ave and saw several police vehicle turn north bound on Colorado Ave. [REDACTED] walked to and stood at the east corner of Pennsylvania St and Colorado Ave. [REDACTED] heard police yelling then heard five gun shots. [REDACTED] did not see the incident.

-End of Statement-

I maintained the outer perimeter then later contacted Meridian detectives while they retrieved the suspects phone from nearby residents. [REDACTED] and [REDACTED] had found the phone suspects phone and vape in their front yard at [REDACTED]. I took photos of the yard where the phone was found and of a drop of blood on the sidewalk likely belonging to the suspect. Meridian detectives were at the scene and took custody of the suspects phone from the finders. I provided Meridian Detective Ryan Rhoades the name and contact information of the two witness' I took statements from.

This concluded my involvement in the incident.

Narrative

INITIAL RESPONSE/CONTACT:

On 11/13/24, I responded to the area of Priest and Howe to hold a perimeter spot on a traffic stop with a fleeing suspect on foot. I remained in the area until I was cleared. I was then made aware of another incident involving the same suspect that fled the traffic stop near Colorado and Pennsylvania. I held an outer perimeter spot near Leadville and Pennsylvania until I was cleared by the Incident Commander, Cpl. Gutierrez.

I was later told by Sgt. Konvalinka to respond back and relieve patrol resources. I took over an outer perimeter spot at Colorado and Pennsylvania. I remained at this location until relieved by the incident Detective Shofner.

Narrative

INITIAL RESPONSE/CONTACT: On the listed date and time, I was working on a marked Police motorcycle. I heard a unit call for a code 3 assist near Division and Highland. I listened as units began putting information over the radio of a suspect whom had fled a traffic stop and was armed with a knife.

I attached myself to the call with dispatch and responded to the area. I arrived to the area of the initial traffic stop and took a position at Division and Howe, where a perimeter had been set up. Dispatch provided an update that the suspect was standing in the roadway (approximately 2000 block of Division) and possibly had stabbed himself with a knife. I began to respond to the updated area, when I heard units call "shots fired". I continued to respond and located Officer at [REDACTED]. EMS had been dispatched to Division and I observed them pass our location. I updated the address to dispatch and remained on scene as Officers rendered aid to the suspect.

After the suspect was transported to the hospital, I remained on scene and provided traffic control with no further incident.

Narrative

On 11/13/24 at approximately, 1505 Officer's Sigler and Kiker requested a code 3 assist for their traffic stop due to a subject threatening to kill himself and then fled the location of the stop.

While I was traveling to the location of the stop(Division and Howe) a perimeter was established to contain the subject. I arrived to the location and supplemented the search team. Shortly after my arrival information came out that the Subject escaped the perimeter and was located near [REDACTED]. Myself and the search team started driving to that location. En route to that location I heard an Officer state the subject was running at him with a knife and shots were fired.

I arrived to the location and observed Officer's and paramedics working on the Subject. The Subject was moved to the ambulance I rode with the Subject and assisted medics with treating the Subject by packing a gunshot wound to the subject's pelvis and applying pressures. We drove the Subject to Saint Alphonsus located on Curtis road.

At the hospital the Subject was identified as Gabriel Pope. I stayed with Gabriel until he was transported to the ICU. While the subject was in the operating room. bullet fragments were removed from his person. I collected those fragments from hospital staff. Officer Johnson arrived to the hospital to relieve me.

I transported the bullet fragments to Ada County Property were they were booked in as evidence.

I photographed the bullet fragments and chain of custody form that was given to me by hospital staff. Those photos have been uploaded to Axon evidence.

Narrative

On 11/13/2024 while working as a uniformed Police Officer in the City of Boise, I responded code three (lights and sirens) to assist officers on a traffic stop near South Division Avenue and West Howe Street Boise, Idaho. Radio traffic advised a subject was threatening to cut himself with a knife and fled the traffic stop on foot.

While responding to the above listed area, I learned a perimeter had been set and Officers had established a search team for the listed subject. Upon arriving to the area, I began conducting an area search. Shortly after arriving in the area, Officers advised via radio traffic that they had located the subject at [REDACTED]. I began responding to this location and while driving I heard via radio that the subject was running at Officers with a knife followed by shots fired.

Upon arriving to the scene, medics were getting the subject ready for transport. I was assigned to follow the ambulance to St Alphonsus Regional Medical Center located at 1055 N. Curtis Rd. Once at the hospital, I stood by with hospital personal while the subject was getting triaged. Officer E. Putnam then took over hospital security.

This is the extent of my involvement in this incident. Route with original report.

INITIAL RESPONSE/CONTACT:

Wednesday, November 13th, 2024 around 1515 hours. The following is a summary of events.

On the above date and time, I was working my assigned shift as a field training officer with my trainee, Officer Murillo. We were conducting routine patrol when we overheard unit 2214 advise he needed officers code 3. For this reason, we responded code 3, lights and sirens, to the area of Division St. and Highland St.

Upon our arrival we learned that the unit on the traffic stop had a passenger exit the vehicle after producing a knife and putting it to his neck. The subject then fled on foot. The suspect was described as a black male adult wearing a tan carhartt jacket and jeans. The suspect was last seen going onto the property of 517 Highland St. A perimeter was established and a plan was formulated to conduct a search for the suspect after drones were able to locate him.

At around 1537, dispatch advised that a calling party at [REDACTED] St. observed a black male adult that was stabbed in the throat, asking for a ride. Officers quickly broke down the perimeter at 517 Highland St. and headed that direction. While en route to the [REDACTED] St. address, I overheard an officer stated that the suspect was walking towards him with a knife. Eventually officers advised that shots were fired.

Upon our arrival to the area, Officer Murillo and I assisted officers in setting up an outer perimeter to the crime scene on Colorado Ave. Once this was complete, I attempted to make contact with residents at [REDACTED] and [REDACTED] Ave to ensure that no one inside was struck by officer's bullets. I was unable to contact anyone at the residence.

As I was leaving the scene, a female handed me a phone which had a male on the other line. The male identified himself as [REDACTED]. [REDACTED] stated that he was the resident that lived at [REDACTED] Ave and stated that he was not home. He also reported that his landlord lived at [REDACTED] and they were not home either. [REDACTED] also advised that he was in the area when he saw who he believed to be the suspect in our case. [REDACTED] stated that he observed a tall, white male adult with blonde hair standing in the middle of the road. [REDACTED] stated the male seemed confused and like he did not know what was going on. [REDACTED] reported that this was about 25 minutes prior to our conversation on the phone. Based on the physical descriptions of the two subjects, they did not match therefore I do not believe [REDACTED] observed the suspect in the officer involved shooting.

Narrative

On the above date and time, I was working as a uniformed police officer in Boise. I was patrolling in a marked police vehicle in my designated jurisdiction. I was working as a field training officer with Officer A. Richards. We responded to assist officers with a traffic stop they had conducted where a subject fled the vehicle armed. We got into the W. Highland St. and S. Division Ave. area and joined up with officers putting together an arrest team. I deployed my less-than-lethal 40mm launcher as another less-than-lethal option for the team. While the team was getting set to start the area search, dispatch received a call that the possible suspect was in the [REDACTED] area. Officers headed that way to verify if the suspect was at the location. While they were getting into the area, dispatch provided information that the description of the subject on S. Division Ave matched the suspect from the traffic stop. We then moved from our position at Highland and Division and headed towards the updated location.

While driving to the updated location, the team of officers that were initially sent to check the call located the subject, and an officer-involved shooting occurred. After the incident, we got on the scene and assisted with blocking the road and putting up crime scene tape to control traffic at the location. I then went with Officer Castillo and checked the addresses of [REDACTED] and [REDACTED], which were the houses in the backdrop of the shooting. We got no response at either house. Officer Castillo spoke with a woman who called the residents at those houses when we were leaving the scene, and we learned no one was currently at either address. Once the subject was transported and the scene was stabilized, we were released from the scene and cleared to return to handling calls for service.

I have nothing further at this time.

INITIAL RESPONSE/CONTACT:

On 11-13-2024, at approximately 1820 hours, I (Officer Krueger) was called by Sgt. Andreoli and requested to respond to the scene of this incident. My detail was to drive the marked police vehicle that was being driven by Officer Martinez during this incident to the Boise PD Station. I collected the vehicle and drove it to the BPD Station. I parked the vehicle in its' assigned parking space and concluded my involvement with this incident.

I did not take any police actions or have any contact with any outside personnel during this detail. I did not activate my body worn camera during this detail.

Narrative

On 11/13/2024 at 1505 hours I was working uniformed patrol riding in a marked City of Boise Police car as a two Officer unit with Officer Skaggs. We responded code 3 to assist Officers on a traffic stop near the intersection of S Division Ave and W Howe St. The information put out over the radio was that a unknown male ran from the traffic stop armed with a knife. Officer Skaggs and I arrived on scene and took a perimeter spot near the Crossfit gym at 509 W Highland St. While waiting on the perimeter, information of a call for service came out that a male covered in blood was at another location and had reportedly stabbed himself. This location was further South of our location and outside the initial perimeter on Division South of Boise Ave.

Based on this information, Ofc Skaggs and I responded to the area. While en route, I heard over the radio that there were shots fired and the suspect was down. Ofc Skaggs and I drove North onto Division from W Pennsylvania St and neighbors were waving down stating that the male ran West into the backyard of a residence. I believed that Officers who had shot were in that backyard so myself and other Officers went into that backyard looking to assist. We quickly learned that the suspect had continued to run West jumping another fence into the backyard of a residence off of S Colorado Ave. Once again believing Officers were in that backyard, I jumped that fence into the backyard of, what ended up being, [REDACTED]. Once I saw there were no Officers in that backyard as well I continued West along the North side of [REDACTED] through a side gate. The side gate was closed and latched. After opening the gate I witnessed Officers in the front yard of [REDACTED] conducting life saving measures on the suspect.

Officer Skaggs and I set up a perimeter with crime scene tape as medics arrived on scene. After doing so, I began a crime scene log documenting every Officer I could see that was within the crime scene perimeter and the time that they entered. Officer Skaggs and I would document this log over the next few hours as Officer left the scene and Detectives arrived. After Detectives concluded their investigation of the crime scene, we stopped the crime scene log and took down the evidence tape. See attached log for further.

Narrative

INFORMATION

I am a Lieutenant with the Boise Police Department assigned to the Community Outreach Division. On November 13, 2024, I was notified of an officer involved shooting, and was requested to respond to St. Alphonsus Hospital to oversee administrative duties related to the CITF investigation that would take place at the hospital.

Upon arrival I met with Officers Putnam and Gould, and we observed medical staff attend to the suspect in the trauma bay. After a short time, the suspect was moved to the operating room, at which time I assigned Officer Gould to guard duty on the suspect outside of the operating room.

Other administrative duties I oversaw were the collection of clothing from the suspect, which were collected by medical staff and turned over to CITF investigators from Garden City PD. I also arranged for additional security in the ER area of St. Alphonsus due to the possibility of family or friends of the suspect arriving at the hospital.

After briefing CITF investigators about the actions taken at the hospital and other administrative tasks I arranged for them to be escorted to the operating room by St. Alphonsus security. I cleared the scene as this concluded my duties.

Narrative

On 11/13/2024, I responded to the area of S Division Ave and W Howe Street to begin conducting an area check reference a traffic stop in which a suspect fled on foot. While conducting an area check dispatch advised that an additional calling party reported a male subject approached them stating that he was stabbed in the throat and asked them to not call police. The calling party reported that they were at [REDACTED] I began to responding to the area when officers on scene advised that shots had been fired. I proceeded to block the roadway at Division and Pennsylvania Street until relieved.

Later, I responded to St. Alphonsus Hospital to wait outside the Emergency room doors to make contact with the male subjects mother if she arrived. During the time that I was there, his mom never arrived on scene. I remained there until I was cleared.

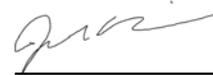

This concludes my involvement in this incident.

Narrative**ORIGIN:**

On 11-13-24, at approximately 1515 hours, I was driving in a marked patrol vehicle, with Officer Pollard, at the intersection of West Franklin Road and South Maple Grove Road, when I heard a call for code 3 assistance by Officer Sigler at the intersection of South Division Avenue and West Howe Street. I immediately became aware that Officer Sigler was on a traffic stop and a black male adult wearing a tan jacket and jeans had fled from the vehicle, armed with a knife, and was last seen running east bound (INC# 24-0358971)

INVESTIGATION:

I responded code three to the advised location and upon my arrival to the area, took up a perimeter position at 509 West Highland Street. At approximately 1539 hours, dispatch advised that a person matching the description of the suspect was reported to be at [REDACTED] bleeding from the neck.

Officer Pollard and I drove our patrol vehicle South on South Londoner Avenue to West Boise Avenue and turned south on South Leadville Avenue. It was approximately at this time I heard "shots fired" advised over the radio. We proceeded south until turning east on Pennsylvania Street and then North on South Division until we stopped just in front of [REDACTED]. I noticed a number of citizens standing in the area on the east side of the street pointing vigorously to the West and shouting, "He ran that way" and that they had heard shots from just over the fences on the West side of the street.

I ran to the rear of [REDACTED] and could not see anyone in the immediate area. Officer Pollard jumped one of the fences and asked me to retrieve our patrol vehicle and drive in around to the West side of the houses on South Colorado Avenue.

Upon arrival, I immediately assisted in setting up the inner perimeter red tape and noticed medics had already arrived on scene and officers were rendering aid to the suspect. Medic 21 transported the suspect to the hospital along with an escort officer.

I took up the role of acting and Incident/Crime Scene scribe and began noting the coming and going of all officers, detectives, and command staff on scene along with their arrival and departure times.

The scene was cleared at approximately 1847.

Narrative

On 11/14/2024, at 1400 hours, I responded to St Alphonus, 1055 N Curtis, Boise Idaho. I was assigned to watch over Gabriel Pope in room 3451. He was recovering after surgery.

When I arrived, I relieved Ofc Janicek, who had been guarding Pope before I got there. Ofc Janicek gave me a quick briefing, and left the area.

Pope was in a hospital bed in room 3451. He had various medical equipment attached to him. Pope was awake, and receiving treatment from hospital staff. Pope was talking, and complaining about one of the staff members to a different staff member.

I sat in the back of the room, to oversee Pope and to not interfere with the care being provided. Pope had been given pain killers, and was in and out of consciousness throughout the night.

When Pope was awake, he complained about being in pain. Pope stated he wanted to die continually, and had told me to shoot him, so he could die.

One of the staff ([REDACTED]) had told Pope he had worked in Twin Falls, and remember Pope from there. [REDACTED] asked Pope how many times he (Pope) had been in [REDACTED]. Pope responded with [REDACTED]

Pope would tell staff he had been shot five times. Pope asked why he was shot, and a staff member responded that he hadn't dropped the knife after being told to do so.

Pope received care from hospital staff throughout the night. Pope's dressings were evaluated, medications administered, and he received a breathing treatment. Pope also received an evening meal.

At 2215 hours, I was relieved by Ofc Pfau. I gave him a quick briefing of what had happened through the evening. I then left.

Narrative

On 11/13/24, at approximately 1600 hours, I was notified of an Officer Involved Shooting involving BPD Patrol Officers in the area of S Colorado Avenue and W Gallaher Street. I learned that the suspect, identified as Gabriel Pope, had been transported to Saint Alphonsus Hospital by Ada County Paramedics for further medical treatment.

I responded to St. Alphonsus and observed Pope receiving numerous medical personnel within a treatment room in the Emergency Room. Pope was then quickly taken to the Operating Room where he received treatment for an extended period of time.

Prior to leaving the Emergency Room I was provided with a white t-shirt that had been removed from Pope's person by medical personnel. I placed the t-shirt into an evidence bag and later provided it to Garden City PD Detective Brumbaugh.

Upon leaving the Operating Room at approximately 1800 hours Pope was still in surgery. Officer Putnam remained on scene after my departure.

INITIAL RESPONSE/CONTACT:

On 11-13-24 at approximately 1600 hours, the C.I.T.F. was activated due to an officer involved shooting in Boise. Further information showed that Cpl S. Martinez had deployed lethal force on an adult male subject who agressed him with a knife. Once activated, I responded to the Garden City Police Department since they were the lead agency on this case. Upon arrival, I was assigned to assist in first contact with Cpl Martinez and to retrieve his on body camera. Once that was obtained, I transported the camera to the Boise police department where the video content was downloaded onto evidence.com and this specific footage was shared with Garden City police. This concluded my involvement at this time.

Narrative

INITIAL RESPONSE/CONTACT:

On 11/13/2024 at approximately 1550 hours, Violent Crimes Unit Sgt. Kendall assigned me to respond to [REDACTED] in Boise, Idaho, the scene of an officer involved shooting. I was advised that Garden City Police Department would be lead on the CITF investigation.

Upon my arrival at approximately 1607 hours, I observed the scene to be taped off with yellow colored crime scene tape along the outer perimeter and red crime scene tape around the inner perimeter. At the time of my arrival, Ofc. Skaggs was maintaining the crime scene log.

Garden City Det. Canfield was in charge of processing the scene for evidence. I remained at the scene until all the evidence had been processed and the scene was opened back up (see Det. Canfield's supplement for further).

Detectives with Meridian Police Department assisted in an area canvas around the crime scene.

ASSIGNMENT:

On 11/13/2024 at approximately 1600 hours, I was notified of an officer involved shooting in the area of S Colorado Ave and W Gallaher St Boise, Idaho. I learned that the incident had actually started with a traffic stop that had been conducted at S Division Ave and W Howe St. I was tasked with responding to the original traffic stop location and interviewing the two other occupants of the stopped vehicle.

INVESTIGATION:

I contacted Officer T Sigler and learned that although the original traffic stop had been conducted at S Division Ave and W Howe St, the stopped vehicle and the remaining occupants were now located at S Leadville Ave and W Warren St Boise, Idaho. I was told that the other occupants were not under arrest and that they were waiting for my arrival.

I arrived on scene and observed Ofc Sigler and Officer J Kiker's patrol vehicle parked behind a white colored 2007 Saturn Ion bearing Idaho license plate, [REDACTED]. Attached to the interior of the rear window was a paper Idaho temporary license plate bearing [REDACTED]. Standing outside of the vehicle was a female that later verbally identified herself as [REDACTED]. Seated within the driver's seat of the Saturn was a black male who later verbally identified himself as [REDACTED]. Ofc Sigler informed me that [REDACTED] was waiting to speak with me and that [REDACTED] was waiting for [REDACTED].

WITNESS INTERVIEW - [REDACTED] [REDACTED]

I contacted [REDACTED] as he was seated in the driver's seat of the vehicle. I introduced myself and he verbally confirmed his identity. I told [REDACTED] that he was not in any trouble and that I wanted to learn about his friend's (Gabriel) mental state. [REDACTED] claimed to own a business called [REDACTED] [REDACTED] that focuses on mental health in jails and juvenile detention centers. He said that this was how he became friends with Gabriel and he proceeded to tell me about how poorly Idaho ranked in regards to mental health. [REDACTED] told me that Gabriel has a mental health issue, that he has prior suicide attempts, and that he has experienced a lot of trauma in his life. When I asked [REDACTED] to confirm Gabriel's name, he told me that he knows him as Gabe, his "homie," and a "bunch of aliases." When I asked [REDACTED] this question, it seemed to catch him off guard and it appeared as though he did not want to tell me Gabriel's full name. Without being prompted, [REDACTED] told me that he did not believe that Gabriel had any warrants, and he believed that the officers had traumatized Gabriel.

I asked [REDACTED] to tell me about what had just occurred. His initial response was, "you guys scared the shit out of my homie, that's basically what happened today." His "homie" then pulled his knife out and it seemed like he stabbed himself. [REDACTED] said that Gabriel held the knife to his own throat, but he did not know if he had actual slit it. [REDACTED] claimed that he was begging Gabriel not to do it and was trying to make sure that he did not kill himself.

I asked [REDACTED] some clarifying questions. At the time of the traffic stop, [REDACTED] confirmed that he had been driving. He told me that [REDACTED] was seated in the front passenger seat and Gabriel was seated in the rear seat. [REDACTED] informed me that the Saturn belonged to [REDACTED]. Just prior to them being pulled over, [REDACTED] had actually been driving, but her and [REDACTED] switched seats because she wanted to eat. I learned that [REDACTED] and Gabriel had just visited a nearby Taco Bell and ordered food. I asked [REDACTED] why they were pulled over. He told me that apparently they had fictitious license plates, but that was hard for him to believe considering the tags are all up to date. According to [REDACTED] at the time of the traffic stop, Gabriel was asleep. The officer wanted to "hit" Gabriel with a seatbelt citation because they were being "bullshit fagots." [REDACTED] insinuated that officers only wanted to identify Gabriel because he was a black man, and proceeded to tell me that we (officers) are "fucking pieces of shit like that." At this point, [REDACTED] provided several statistics related to the African American incarceration rates in Idaho.

[REDACTED] told me that while Gabriel was sleeping, the officer asked him to roll down the window. [REDACTED] offered to take the seatbelt citation because Gabriel's seatbelt was not functioning. He explained that the driver should be held responsible for the passengers and that he should have been ticketed. I learned that when Gabriel eventually woke up, he hid his arms by crossing them. The officers told Gabriel to place his hands where they could be seen. [REDACTED] explained that he had his hands on the steering wheel, [REDACTED] had her hands on the dashboard, and Gabriel moved his hands so that they could be seen. At that time, the officers pulled their guns and three officers were pointing their guns at them. Gabriel told the officers to "fucking shoot me" and then he pulled out a knife. [REDACTED] told me that Gabriel did not pull the knife on the officers, he pulled it on himself. [REDACTED] said that it appeared as though Gabriel had stabbed himself, but he could not see because he was being told to get out of the car and he did not want to get shot in the head. He confirmed that both he and [REDACTED] stepped out of the vehicle and Gabriel remained within the back seat. While alone in the vehicle, Gabriel had the knife to his throat and continued to tell the officers to shoot him. Once the officers backed up behind the vehicle, in a location where [REDACTED] felt the officers could have pulled their Tasers, Gabriel exited the vehicle and he "dipped." [REDACTED] did not know if Gabriel took the knife with him, or if he left behind. [REDACTED] told me that the officers pursued after Gabriel and that he was cheering Gabe on. He told me that he did not want Gabriel to get killed and he told me that officers kill unarmed black men. [REDACTED] described the knife that Gabriel was holding as being black or blue, and that it was a flip-open pocket knife.

I asked [REDACTED] how they ended up at S Leadville Ave and W Warren St if the traffic stop had occurred at W Howe St and S Division Ave. He told me that once they were free to leave, [REDACTED] volunteered to talk to with Gabriel so that he did not kill himself if/when he was found. It was at this point in the interview that I disclosed to [REDACTED] that Gabriel had been located and he had been transported to the hospital. I asked [REDACTED] if Gabriel was suicidal today. He said, yes and no, but Gabriel had not said anything about being suicidal. However, he did recall Gabriel stating "death before cuffs." I asked [REDACTED] why Gabriel would run, and he stated that we had scared the "shit" out of Gabriel. [REDACTED] said, "you guys kill people, lets be honest." Approximately two days ago, Gabriel had told him that if he had stage four cancer, he's "going out by death by cop." I asked if Gabriel had cancer and [REDACTED] told me no. He said that they were just conversing about cancer. [REDACTED] told me that yesterday (11/12/2024), Gabriel had sent him an Instagram video that read "What if one day you thought I'm just offline but actually I'm dead." This was sent to [REDACTED] via Instagram by "Gabriel Collin Pope." I took a photograph of this message. The

photograph was downloaded to Evidence.com. I also learned that approximately one year ago, Gabriel had previously stabbed himself in the neck.

WITNESS INTERVIEW - [REDACTED] [REDACTED]

[REDACTED] and I spoke outside of Ofc Sigler and Ofc Kiker's patrol vehicle. After introducing myself, I explained to [REDACTED] that she was not in any trouble. [REDACTED] verbally identified herself and provided me with all of her contact information. During the majority of my contact with [REDACTED] she was very anxious, paranoid about the cartels, and was adamant that her name not be disclosed in discovery. When I asked why she could not have her name disclosed in discovery, she told me, "stuff." At one point she started crying and she told me that she was scared.

[REDACTED] was very reluctant to give me any information, but she did tell me that all of this was because of Gabriel's mental health. She disclosed that Gabriel had been [REDACTED] his entire life. According to [REDACTED] Gabriel had been set up in life because his mother is an addict and she smoked during pregnancy. She told me that Gabriel and [REDACTED] have been in facilities their entire lives. Gabriel was scared of the police because he had previously seen one of his friends get shot in Texas. [REDACTED] claimed that she had not seen Gabriel or [REDACTED] in years. The last time she saw them, [REDACTED] was on the news. They are primarily from Twin Falls, Idaho, but they have also lived in other states.

I learned that [REDACTED] had picked up Gabriel today from the Holiday Inn Express located near downtown Boise. Prior to picking him up, she had not seen Gabriel in years. I asked [REDACTED] what she saw and heard once they had been pulled over. She told me that she needed to get the "fuck" out of that car because she knew what was going to happen. [REDACTED] explained that Gabriel was not cooperating, not listening, and not following orders for safety. Gabriel was not moving his hand at the beginning, and it was not until she told him to move his "fucking" hand that he did so. Next thing she knew, Gabriel was "freaking out" and it got chaotic real quick. Guns were drawn, hands were up, she said let me out, and Gabriel started stabbing himself. [REDACTED] thought Gabriel was going to bleed out in the vehicle, but the next thing she knew, he ran. She did not know where the knife went.

I asked if Gabriel appeared to be under the influence of any intoxicating substances. She claimed to not know, but she did say that he did not appear to be "high." According to her, it appeared that Gabriel had actually gotten some rest.

INVESTIGATION:

Gabriel and [REDACTED] both gave me verbal consent to search the rear seat of the vehicle for the knife that Gabriel had been holding to his neck. The rear seat was cluttered with clothing, bags, and blankets. I did not locate a knife, or any other weapons within the back seat. While searching, I did observe what appeared to be fresh blood on the backrest of the rear seat when Gabriel had been seated. I took photographs of the rear seat and the substance that appeared to be blood. These photographs were uploaded to Evidence.com.

Narrative

On 11/13/2024 at approximately 1515 hours I responded to assist an officer on a traffic stop requesting additional officers. Upon arrival I was set up on a perimeter position to the east of the traffic stop along Highland St. An additional caller came in stating that a subject was in their neighborhood south of our position, with wounds to their neck. This matched the description of our suspect. The perimeter was broken down as Officers began to respond to the new call location.

Upon arriving at the new location "Shot's fired" had already been stated over the radio. I did not hear the gun shots due to the siren of my vehicle and distance from the scene. I arrived on scene and assisted by escorting two suspected witnesses away from the scene, as well as placing crime scene tape along the south side of the neighborhood.

I had no further involvement.

INITIAL RESPONSE/CONTACT:

On 11/13/2024 at approximately 1531 hours, I was operating as 2310 acting as AFC for Swing Shift when I arrived near the intersection of Division and Highland St. where the suspect was last scene. While at this location I worked with officer to make assignments for a track team to search for the suspect.

Once radio traffic was broadcasted of the suspects current location near the intersection of Division Ave and Gallaher St. I responded to that location. Upon learning there was an officer involved shooting near the front of [REDACTED] I responded there and pulled into the driveway of that location to avoid being in the roadway so medics could still drive through. I observed several officers providing medical aid to the suspect. With medical aid already being provided, I requested responding units begin setting up a crime scene to include an inner and outer crime scene. As I was coordinating responding units, the suspect was put in an ambulance and transported to the hospital. I assigned Officer Putnam to ride in the ambulance with the suspect and medics.

After medics left the scene, I worked with Sgt. Phan in establishing a crime scene log and assigning units for scene security and traffic control.

Sgt. Andreoli and I began the safe debrief as part of the CITF protocol with Cpl. Martinez. I turned off my OBV during this contact with Cpl. Martinez. It was believed Officer Pfau and Officer M. Thompson may also have been involved witness officers or possibly used force as well. For those reasons I also did a safety debrief with them. It was later determined they would not be sequestered as part of the CITF.

I stayed on scene as my patrol vehicle was part of the active crime scene. I assisted with administrative responsibilities until relieved by Lt. Nicholls. I took no further action.

Narrative

On the above date and time, I responded to the above location reference an officer request for CODE 3 assist. Upon arrival, officers were setting up a perimeter to locate the suspect who fled. Upon my arrival, I met up with Officer Janicek who was flying a drone. Shortly there after, officers were notified that the suspect was at [REDACTED] [REDACTED]. As officers moved over to that area, shots fired was called over the radio.

Once I arrived at the new location, I had Officer Pollard start a crime scene log. I requested Officer Gould follow the ambulance to the hospital since Officer Putnam was riding inside of the bus. I advised Lt. Nicholls of these assignments and that I would head up to St. Al's hospital where the suspect was heading to.

Once at the hospital, I entered the trauma bay and stood by while medical treatment was being rendered to the suspect. They then moved the suspect up to the operating room. At the request of Lt. Brady, I stayed on scene in the event that the suspect's mother or other friends arrived. After about 2 hours, I cleared officers from the scene and notified St. Al's to contact dispatch if anyone showed up looking for the suspect. Officer Putnam stayed with the suspect.

I was requested to start a schedule for hospital duties. I sent out an email requesting for coverage guarding the suspect. I provided the schedule and list of names that had signed up to Lt. Weir.

This concluded my activities for this incident.

Narrative

On 11/13/24 at approximately 1515 hours, my training officer, Officer Castillo, and I, Officer Murillo, was assigned to work uniformed patrol in a marked police vehicle. I responded to the area of W Highland St and S Division Ave to assist officers with a suspect who ran from them with a knife during their traffic stop. Upon arrival I along with other officers at scene set up containment due to the suspect fleeing on foot. His last known location was inside of a business located at 517 W Highland St. I stood at the south east corner of Highland St and Division Ave for containment purposes. While at scene a separate call was broadcast for a possible suspect matching the description of the suspect who ran from officers during the initial traffic stop. The call was located at [REDACTED] Other officers responded to that location and advised they located a suspect who matched the description of who we were looking for from the initial traffic stop. I along with other officers began heading towards that direction. While en route an officer involved shooting was broadcasted.

On my arrival to [REDACTED] I learned the location of the officer involved shooting was on Colorado Ave. I responded to that location and assisted with setting up crime scene tape. Medics responded and transported the suspect. Once the scene was stabilized I was released from the scene.

VICTIM INTERVIEW - Corporal S Martinez:

On 11/18/2024 at approximately 1200 hours, I sat in during Cpl S Martinez's interview. The interview was conducted by Garden City Police Detective A Rosen and it took place at the law office of Birch, Hallam, Harstead & Johnson, 1516 W Hays St Boise, Idaho. Cpl Martinez was represented by his attorney, T Guy Hallam. I recorded the interview and it has since been uploaded to Evidence.com.

Near the end of Cpl Martinez's interview, I clarified two points of discussion. Cpl Martinez confirmed that even after Gabriel C Pope had been shot, he did not drop the knife that he had been holding. Officers had to physically remove the knife from Gabriel's hand. Cpl Martinez explained that Gabriel did not physically resist after he had been shot and it was unknown if Gabriel was physically capable of dropping the knife due to his injuries.

Cpl Martinez confirmed that when he made contact with Gabriel, he was driving a marked Boise Police Department patrol SUV. He could not recall if the red and blue lights on the SUV were activated upon contact.

INITIAL RESPONSE/CONTACT:

On 11/13/24 at approximately 1519 hours I responded to a request for a patrol K9 request on a traffic stop that was conducted by Officer Sigler and his trainee Officer Kiker near Howe/Division in Boise. In summary, the information provided over the radio to me was that an occupant of the traffic stop was not wearing his seatbelt, provided false information, and then pulled out a knife when police were requesting he exit the vehicle. Once police backed away from the vehicle and gave commands the subject then fled on foot and was suspected be contained within the Police containment that was setup around a landscape type of business' yard.

It was ultimately learned the suspect was outside of the containment as a caller near [REDACTED] advised the suspect was near that address. I responded with several other officers to this area. Prior to my arrival I heard other Officers advise they were in the area and the suspect began running and jumping fences. I then heard over the radio an Officer advise the suspect is coming at him with a knife, followed up with an Officer advising of shots fired and the suspect was down but still armed with the knife. I arrived moments after the Officer involved shooting and assisted with rendering aid by handing medical equipment off to Officers also rendering aid. I remained on scene and assisted as needed until I was cleared to leave by Sgt. Andreoli.

This supplement serves as a summary of my involvement in this incident. See on-body camera footage for video/audio of my encounters and for any details that may not have been captured within this supplement.

Narrative

On Wednesday, 11/13/2024, at 3:16pm, I responded to W Highland St and S Division Ave in reference to an aggravated assault suspect fleeing on foot from officers. The suspect was identified as Gabriel Pope, and was observed wielding a knife and a hammer while fleeing on foot from a traffic stop. When I arrived on scene I assisted with the perimeter with my field training officer, Ofc. Desmond Hooks and other officers.

At 3:37pm dispatch received a call describing a subject matching Pope's description. The caller provided a detailed description of Pope, stating that he was in the roadway in front of [REDACTED] Ofc Hooks and I began driving towards the updated location. As we approached the area, an officer notified dispatch that shots had been fired and the suspect was downed at [REDACTED]. We responded to this address and blocked the roadway with my patrol vehicle. Upon my arrival I observed EMS moving Pope into an ambulance. I began setting up crime scene tape for the outer crime scene perimeter.

Once the scene was secure, I was dismissed from the call and I went back in service to start handling other calls.

INITIAL RESPONSE/CONTACT:

On 11/13/24 at about 1500, I was the Acting Field Commander (AFC) for the valley overlap patrol team. Officer Arroyo was on a traffic stop and asked dispatch to send him assist units in a code 3 (emergency lights and siren) response near the intersection of W Howe St and S Division Ave. I was a few blocks away and responded to the scene.

When I arrived, Officer Arroyo was standing in front of his patrol car speaking with a black male adult and white female adult. I was informed that he had the scene of the original traffic stop under control and a suspect that had a knife had fled from Officer Sigler and Officer Kiker. After making sure that Officer Arroyo did not need any immediate assistance, I pulled my patrol car halfway between Officer Arroyo and the other officers that I could see to the north near W Highland St and S Division Ave. The suspect was described as a black adult male in a tan jacket with a knife. Officer Sigler said the suspect was last seen inside the fenced perimeter of the industrial complex that was the southeast corner of Highland and Division.

I could not see over the fence, so I climbed on top of my patrol car's front push-bumper. I looked to the east and I could see a subject matching the suspect's description walking south on the other side of the 6 foot tall wooden fence that ran north and south along the western edge of the property. I yelled at the suspect to stop and to show me his hands. The suspect ignored my commands and began jogging directly east away from my location. He was wearing a tan jacket. The suspect was also carrying a full sized sledge-hammer with an older wooden handle. I put this information out over the police radio.

Officers were gathering in the area to conduct a search for the armed, suicidal subject. A perimeter was set up including the use of BPD drones to attempt to contain the suspect. Corporal Orton was in charge of the search team. He had lethal, less-lethal, hands-on, K9, 40 mm and medical contingencies. I informed dispatch that I was assuming incident command for this situation. I elected to stay near Officer Arroyo and the original traffic stop. A short time later, I was contacted by the watch commander Lt Nicholls. He was establishing the command post off of Broadway and asked that I respond to his location.

Dispatch announced that another caller had just called in and said that they were talking with a black male adult who matched the suspect's description. This new location was over 8 blocks away. I asked the perimeter units and search team to hold what they had and I would have unassigned officers respond to that location to investigate. It wasn't until much later that I learned the caller told dispatch that the subject he was talking to asked him for a ride out of the area, had several severe knife wounds to his neck, was covered in blood and had asked the caller not to call the police. Although this information had been typed into the call notes, it was not communicated over the radio by dispatch.

Once this new information was relayed over the radio, officers converged in the area of Pennsylvania and

Division. Officers located the suspect in the area and shortly after a deadly force confrontation took place and an officer involved shooting occurred. The suspect was struck by gunfire and went to the ground. The suspect was disarmed and officers began providing first aid to the suspect. Paramedics were dispatched to the scene.

When I arrived to this second scene, Sgt Andreoli was already there and he was coordinating the medical care for the suspect. Once the scene was stabilized, I learned that Corporal Martinez said he fired 3 times. I could see the suspect was struck at least 3 times. He had knife wounds to his neck, one gunshot to his throat, one in his chest and one in his groin. Based on where Corporal Martinez was compared to where the suspect had been when he fired, I made sure the backdrop area was searched. There did not appear to be any signs of bullet holes in any of the walls of [REDACTED] or the home directly to the north.

Once medics arrived, the suspect was packaged and loaded into the ambulance. Officer Putnam was assigned to ride in the ambulance to the hospital with the suspect. Inner and outer perimeters were established with yellow and red crime scene tape. The crime scene was secured and not altered until relieved by CITF investigators. I then cleared the scene and took over supervisor responsibilities for the valley patrol division.

Narrative

INITIAL RESPONSE/CONTACT:

On 11/13/2024 I was on duty working at my office at the Boise police station. I heard a traffic stop on the radio in which officers called out they were in foot pursuit. I then began monitoring this call. The call evolved into a subject that had a knife and was potentially suicidal. Patrol was then setting a perimeter and additional officers were arriving in the area he was last seen.

Patrol received information that a subject had come out onto a street nearby with blood on him. Officers responded to that location. I then heard officers put out over the radio that shots had been fired.

At this point, I started activating CITF protocols. I first contacted Garden City Police Department as I knew they would be the next lead CITF agency. I then made contact with other CITF agency sergeants to advise them of the situation. It was determined that Garden City Police Department would be the CITF command post and also do first contact processing on involved officers.

After making these notifications, I later spoke with Sergeant Andriolli and AFC Gilliam, who had done the safety debrief from the shooting. They advised that Officer Martinez was the involved officer, he had fired three rounds from his pistol. There were no other involved officers or involved witnesses. Two other officers, Officer M. Thompson, and Officer Pfau arrived shortly thereafter the shooting, but were determined to be uninvolved witnesses and were asked to write a report.

I then made the following investigative assignments to VCU detectives:

- detectives Canfield and Shofner were assigned to the crime scene with Canfield doing interviews of witnesses. He ultimately also did a PC report to charge the suspect that night.
- Detective Roth was assigned to first contact, as was detective Hartje.
- Detective Brandon Joseph was assigned to hospital duties.

After making these assignments, I responded to the Garden City police department. I coordinated further investigative efforts with CITF supervisors. My duties in this investigation were that of the supervisory, administrative assignments.

The following Monday the 18th, I assigned Det. Canfield to sit in on the Officer Martinez's interview with GCPD detectives.

Pope-Hospital Discharge and Booked Into the Ada County Jail:

On 11/26/24 at approximately 1120 hours, I was contacted by Officer Del Toro who was working a special assignment guarding Gabriel Pope at St. Als. Officer Del Toro told me Pope was getting his discharge paperwork and was set to be released. I notified Boise Police command staff of this and arraigned to have Officer Claiborn assist Officer Del Toro in transporting Pope to the Ada County Jail.

I confirmed Pope's warrant for Assault on Certain Personnel, Resisting and Obstructing, False Information, and Use of a Deadly Weapon in the Commission of a Felony (CR01-24-38568) with a \$1,000,000 bond through Ada County Warrants. I was also informed of a Twin Falls warrant for Possession of Stolen property (CR42-24-11745) with a bond of \$100,000.

At approximately 1320 hours, Officer Claiborn transported Pope to the Ada County Jail and booked him on the warrants.

Narrative

On the listed date and time, I was assigned as the BPD Patrol Division Captain. I learned of an officer involved shooting via a text message, and I responded to the scene. When I arrived, I asked Sgt. Konvalinka to block off East/West traffic on Pennsylvania near Colorado.

I met with Lt. S. Nicholls and Sgt. J. Andreoli at the scene of the shooting, where I received post-shooting safety briefing information. Together, we determined that Cpl. S. Martinez was the single involved officer and would need to be sequestered, per the Critical Incident Task Force protocol.

I directed the red crime scene tape perimeter be expanded to encompass both sides of the street at the scene of the shooting. I did this to ensure that it was large enough to maintain the integrity of all the potential physical evidence. I did not touch, manipulate or alter any evidence and I did not speak with any witnesses. I did not make any audio or video recordings.

The remainder of my time on this incident was administrative in nature.

Narrative

On 11/13/24 I was working as the day shift watch commander under designator 1001. Just after 1500hrs I heard a radio call of a traffic stop being conducted near Division/Howe Boise, Idaho. FTO Sigler and his trainee Kiker had made the stop and subsequently called for assist units Code 3 (emergency lights and sirens). I further heard that one of the occupants had presented a knife, held it to their throat, and then fled on foot. I further heard that the suspect grabbed a sledge hammer and, along with the knife, held officers at bay before fleeing again.

I began driving to the call location to take over as incident commander. While responding, I heard AFC Gutierrez take over as incident command and, along with other officers, began forming a perimeter, start to organize a K9 track, as well as deploy drones. Other occupants of the traffic stop advised that the suspect was suicidal and would attempt to perform "suicide by cop". The suspect was believed to have provided a false name during his initial contact.

While officers were attempting to set up containment, dispatch advised of a citizen call involving a description of the suspect near ██████████ Boise, Idaho. The suspect had an apparent stab wound to the neck. Several officers arrived in the area and a short time later, I heard that shots were fired, the suspect was down and still had a knife. I put out a command text to the BPD Command group of the situation and drove that scene. Prior to my arrival, I learned that the suspect had been taken into custody and life saving measures were being preformed.

When I arrived on scene, officers had put up inner and outer crime scene tape, as well as set up traffic cones to mark potential evidence. I met with AFC Gilliam and Sgt. Andreoli at the scene to make sure post officer involved shooting protocol was being completed to include post-shooting safety briefing for the relevant scene information and the involved officers, as well as a scene diagram. I also met with Captain Jones at the scene. It was determined that Cpl. Martinez was the single involved officer and would need to be sequestered, per the Critical Incident Task Force protocol. I briefly spoke with Cpl Martinez and had him wait in a nearby patrol car until his escort officer could arrive on scene. Captain Jones directed the red crime scene tape perimeter be expanded to encompass both sides of the street at the scene of the shooting. I entered the inner crime scene multiple times for administrative duties and this was documented in the crime scene log. I did not touch, manipulate or alter any evidence and I did not speak with any witnesses. I did not make any audio or video recordings. It was determined to initially leave Cpl. Martinez's, Sgt. Andreoli's, Officer Pfau's, Officer M. Thompson's, and AFC Gilliam's patrol vehicles inside the inner perimeter until the Critical Incident Task Force, which was being led by the Garden City Police Department, determined they could be removed. At approximately 1740hrs, Sgt. Andreoli's, Officer Pfau's, Officer M. Thompson's, and AFC Gilliam's patrol vehicles could be removed from the scene. I personally moved M. Thompson's and Officer Pfau's vehicle from the inner perimeter.

The remainder of my time on this incident was administrative in nature. I left the scene at approximately 1755hrs.

Narrative

On the above date and time, I was contacted and responded to an officer involved shooting call located at [REDACTED]. At the request of Sgt. Kendall, I responded to the shooting scene to make sure the scene was handled and appropriate evidence preservation was taking place until it could be processed and/or collected. I worked inside the crime scene and walked in and oriented myself to the scene for future media and administrative review. I logged in the scene and logged out upon my completion of these tasks. INITIAL RESPONSE/CONTACT: I was in training at the Boise Police station when I was verbally notified about this call. I was able to monitor some of it through the Field Ops app on my department phone and when I saw information entered that shots were fired I notified Captain Jones before donning my uniform and responding to the scene. Once I arrived I visually checked in with Officer Skaggs who had the check in sheet.

On scene I received summarized information of what had happened from Lt. Nicholls and Sgt. Andreoli. I assisted in an administrative way with answering questions about process and communicating across divisions and with other agencies. I stayed on scene until relieved by Lt. Linn.

I then responded to the Command Post at the Garden City Police Department. While there I performed administrative duties including on behalf of the Internal Affairs division. I then left the Command Post shortly after. I was in uniform during my response to this but did not have any OBV as I was acting in an administrative role.

DETAILS:

1. On 11/13/2024 at approximately 1318 hours I was working in a uniformed patrol assignment wearing full BPD uniform and operating a marked BPD Police SUV. At this time I was in a meeting at 333 Mark Stall Place monitoring the radio when I heard an officer (2214) request a Code 3 Assist. This indicated that the officers involved, T. Sigler and J.Kiker were requesting an emergency response, (lights and siren) to their location. As I continued to monitor the radio traffic I learned that a suspect had fled on foot from a traffic stop. From what I gathered from the traffic, officers had chased the suspect to a commercial lot where he had armed himself with a sledgehammer. The suspect was also said to be armed with a knife. I quickly responded to my patrol vehicle and learned that this traffic stop had occurred near the intersection of Division and Howe. At this time the suspect had not yet been positively identified.
2. I began my response to this area and continued to monitor. It sounded as though officers had again lost sight of the suspect and officers began to set up a perimeter to contain him. The suspect was described as a black male wearing a tan jacket and blue jeans. Additional resources responded to the area including K9's and drones. Cpl. Orton was arranging a search team while Officer Cabigon began directing units to perimeter positions. While I was still en route, Cpl. Gutierrez had taken Incident Command of the situation and was on scene of the initial traffic stop.
3. I arrived on scene and responded to the congregating search team. I met with Cpl. Orton to identify needs. Orton was not certain that the southern perimeter was in place. I then left that location and began driving around the perimeter to ensure containment. I met with Cpl. Wills near the intersection of, I believe, S. Priest Avenue and W. Warren Street. Cpl. Wills advised that he knew the suspect had not fled east of that location, but was uncertain if the southern perimeter had been in place soon enough to contain the suspect.
4. I then began driving to the southeast of that location in the event that the suspect had escaped the perimeter. While driving, dispatch advised that a caller was on the phone advising that a male matching the suspect description was currently in the road near [REDACTED]. According to the calling party, the male was in the road talking to her dad and brother. I began responding to that location. Shortly after, officers were arriving on scene and radio traffic indicated that the suspect was again running from officers. Officers broadcast the suspect's general directions of travel as I was coming into the area. I slowed and began searching for the suspect and I continued driving. I then heard Officer S. Martinez advise that the suspect was advancing toward him with a knife. Radio traffic shortly after advised that shots had been fired and the suspect was down. The officers on scene, Martinez, Pfau, and M. Thompson had established a contact team and were moving up to take the suspect into custody. I arrived on scene less than a minute later and observe the officers still covering the suspect as Officer Pfau was attempting to handcuff the suspect. The knife had been removed from the immediate vicinity.
5. I ensured that no officers had been injured, then retreated back to my patrol car to retrieve my medical trauma kit. I delivered the kit to the scene and began to retrieve certain medical supplies. I could see that the suspect had what appeared to be a gunshot wound to the chest. Cpl. Orton and Officer Pfau had removed the suspects shirt and began to wipe the blood from his chest. I applied the first chest seal to the front of the suspect's chest. I then instructed the officers to roll him to his side to inspect his back for exit wounds. We discovered an exit wound in the suspects back. Orton again cleaned the wound area so the chest seal would adhere. The second chest seal was applied to the

suspect's back. It should be noted that I also observed bleeding from the suspect's groin area but did not have a chance to inspect this wound prior to medics arriving on scene. I did also observe two wounds on the suspect's neck. One, near the center of the neck appeared to be a laceration or knife wound which I believed to be self inflicted. I also observed what appeared to be another gun shot wound to the suspect's neck, right of the knife wound. I provided Cpl. Orton with an Israeli bandage to apply to attempt to stop the bleeding from the neck. I had opened one additional bandage that I provided to the medics to apply during transport.

6. Medics loaded the suspect up and transported him to St. Alphonus ER for a higher level of treatment. Officer Putnam was assigned to ride in the ambulance with the suspect.
7. At this time, I met with Officer Martinez. I removed Martinez from the scene and escorted him across the street. Officer Gilliam and I then conducted a Safety Brief of Martinez. This Safety Brief was relayed to investigating officers. I also initially sequestered Officer Thompson and Pfau based on their actions until I could verify if they would be needed by CITF Investigators. I later spoke with Sgt. Kendall and it was determined that they would not need to be sequestered.
8. I drafted a rough sketch of the scene for investigators and this information was turned over to Officer Gilliam to be forwarded to the CITF Team. I spoke with Detective Canfield and relayed the information I gained from the Safety Brief with Martinez in the event that the information was needed for charging documents. I remained on scene of the shooting until the CITF investigation was complete and helped coordinate the removal of patrol cars and equipment from the scene. This concludes my involvement in the incident.
9. I was later informed that the suspect was ultimately identified as Gabriel C Pope (DOB [REDACTED])

Narrative

Cpl. Steve Martinez was added as a victim of aggravated assault on law enforcement officer. Cpl. Martinez was on duty, in a marked patrol car, and wearing a standard BPD patrol uniform. He verbally challenged suspect to stop. Suspect was armed with a knife. He disregarded Cpl. Martinez's lawful orders, and walked aggressively towards Martinez, with the knife visibly in hand.

CONCLUSION:

Case routed to Garden City PD as part of CITF investigation.

Investigators Note

Throughout this document I reference various investigative reports and documents from which the information has been sourced. These sources will be cited, and the information will be summarized to avoid redundancy. Please refer to the original referenced reports for additional details.

CASE SUMMARY

Executive Brief

On November 13th, 2024, the Ada County Critical Incident Taskforce was activated for an officer involved shooting near [REDACTED] S. Colorado Avenue in Boise, Ada County, Idaho. The Boise Police Department was the only agency involved, and one suspect was shot thrice by a single officer. No others were involved. The suspect received medical aid on scene and was transported to the hospital for further treatment.

Traffic Stop

At 3:05 PM, Boise Police Department Officer Sigler, call sign 2214, conducted a traffic stop on a white 2007 Saturn Ion bearing Idaho Plate [REDACTED] that was fictitious. The plate returned to a white trailer with a VIN of [REDACTED]

Occupant Contact

Contact was made with the occupants of the vehicle and identification requested. The male sitting in the backseat refused to identify himself while reportedly not wearing a seatbelt. The subject continually made furtive movements and refused to show his hands. The male eventually provided the name of Tyrel Stephens. The name was confirmed by dispatch to be false. The male suspect failed to comply with officer commands and told the officer to 'shoot me'. Additional officers were requested to respond Code 3.

Foot Pursuit

The male suspect pulled a knife and stabbed himself in the neck before fleeing the scene on foot into and through a neighborhood. The suspect was spotted around 3:37 PM at [REDACTED] S. Division Avenue, Boise when residents called 911 about a bloody male with neck wounds asking to use the phone. The suspect fled the area prior to police arrival by running through the neighborhood, through backyards and over fences.

Suspect Confrontation and Shooting

At 3:40 PM and 42 seconds, Boise Police Department Corporal Martinez observed the suspect exiting a backyard gate at [REDACTED] S. Colorado Avenue in Boise, Idaho. The suspect matched the description broadcast over the radio. He was bloody and holding a knife.

Corporal Martinez was driving a marked Boise Police Department SUV, wearing a police uniform and commanded the suspect to stop after verbally identifying himself as the police. The suspect responded with 'fuck you' and walked toward Corporal Martinez while holding the knife outright away from his body by the handle, pointing the knife blade and tip at Corporal Martinez.

The suspect did not listen to commands, continued aggressively walking toward Corporal Martinez while pointing the knife and closing the distance between them.

Corporal Martinez fired his duty weapon three times, hitting the suspect with each round as the suspect continued to approach with the knife.

Medical Care

Shortly thereafter, medical treatment was rendered by arriving officers and emergency medical services transported the suspect to Saint Alphonsus Regional Medical Center Emergency Room where he was taken into surgery.

The suspect was identified as Gabriel Pope (22), from Twin Falls, Idaho who had two active warrants for his arrest.

Investigative Findings

After conducting a thorough investigation, I believe that Corporal Martinez's actions were justified as defined by applicable Idaho Law. I reached this conclusion after a comprehensive review of the evidence and in-depth interviews with those involved. This report will outline the basis for that opinion.

INITIAL NOTIFICATION AND BRIEFING

On November 13th, 2024, around 3:40 PM, Detective Corporal Canfield notified me that Officers with the Boise Police Department had been involved in a shooting. At that time, I responded to the Garden City Police Department for further instructions since we were scheduled to be the lead investigative agency.

I was assigned to the command post at the Garden City Police Department as the lead investigator and learned that Boise Police Department Corporal Martinez fired three (3) shots at Gabriel Pope who reportedly aggressively moved towards him with a knife.

ASSIGNMENTS

The following assignments were made:

First Contact

The first contact team was led by Ada County Sheriff's Office Detective Parsons.

Detective Parsons conducted a round count of Officer Martinez' duty gun which is a Glock 47 bearing Serial Number: CAWZ64 (Detective Parsons).

Three (3) rounds were missing and 15 were left in the gun – 1 in the chamber and 14 in the magazine. The two additional spare magazines were fully loaded with 17 rounds each.

Bodycam was collected and uploaded to evidence.com by Boise Police Department C. Roath¹.

Garden City Police Department Corporal Mann and Meridian Police Department Detective Fawley also assisted during first contact. Detective Fawley photographed Corporal Martinez and provided the pictures to Corporal Mann to add to the Garden City Police Department Records Management System. The firearm, magazines and bullets were collected and booked at the Garden City Police Department. (Corporal Mann).

Hospital

Garden City Police Department Detective Brumbaugh and Officer Anderson responded to St. Alphonsus Regional Medical Center to investigate and obtain evidence from the suspect.

Officer Anderson collected Gabriel's clothing and personal items from hospital staff which were later booked into evidence at the Garden City Police Department.

¹ Information gathered from evidence.com bodycam upload.

Scene

Garden City Police Department Detective's Canfield and Hughes responded to evaluate and process the scene and coordinate the area canvas. Garden City Police Department CSI Vargas processed the scene with the Garden City Police Department detectives.

Assisting with the area canvas was Detective Hawksley from Ada County Sheriff's Office, Meridian Police Department Detectives: Churchfield, Fuller, Rhoades, Stoffle and Wear.

TIMELINE OF EVENTS

TIME	LOCATION	DESCRIPTION
3:05 PM	Division Avenue / Howe Street	The traffic Stop occurred on the vehicle bearing fictitious Idaho plate [REDACTED]
3:10 PM	Traffic Stop	Boise Police Department Officer Sigler (call sign 2214) contacted the vehicle occupants and explained he needed to identify the subject in the back seat. The subject refused several commands to show and keep his hands in view.
3:11 PM	Traffic Stop	Officer Sigler called for an assist officer (Code 1) and 2224 , Officer Arroyo, responded.
3:12 PM	Traffic Stop	The unknown subject in the backseat (later identified as Gabriel Pope) was contacted by Officer Sigler and provided the false name of Tyrel Stephens which was relayed over the radio to dispatch to check for warrants.
3:14 PM	Traffic Stop	The subject in the back seat repeatedly reached and placed his hands out of view of the officers. Officer Sigler yelled for the subject to roll down the window and to stop reaching.
3:14:39 PM	Traffic Stop	The subject said to other vehicle occupants that the officers 'aren't taking me out of the car, homie'. (Detective Sergeant Dozier)
3:14:41 PM	Traffic Stop	Officer Sigler drew his duty weapon, aimed at the subject, and asked what he was doing. The subject replied: 'shoot me'.
3:14:52 PM	Traffic Stop	Officer Sigler requested additional units respond Code 3 (lights and siren).
3:14:54 PM	Traffic Stop	Officer Sigler told other officers on the scene: "He's got a knife. He's stabbing himself."
3:15:09 PM	Traffic Stop	All of the officers and the two other vehicle occupants were moved back and away from the vehicle to a position of safety, away from the man with the knife. While doing so, the subject exited the vehicle and ran, starting a foot pursuit. The subject was later lost inside an industrial business yard.
3:22 pm	Division Avenue / Howe Street ²	Officer Sigler advised over radio that the running male have been attempting suicide by cop.

² Location gathered from CAD logs, including AVL (GPS) data for 2214 at the time of the radio transmission.

3:37 PM	████ Division Avenue	A 911 call came in to dispatch from people at this location, reporting that a bloody male with wounds to his neck was asking to use the phone at that location.
3:40 PM	Division Avenue / Gallaher Street	The subject ran north on Division Ave and then ran west on Gallaher Street.
3:40:42 PM	████ S. Colorado Avenue	Corporal Martinez observed the subject leaving the backyard through a gate and told the subject: 'Boise Police. Stop right there. Do not move.' The subject replied: 'fuck you' and walked towards Corporal Martinez with a knife in his hand, arm outstretched, knife tip and blade pointed towards the officer.
3:40:50 PM	████ S. Colorado Avenue	Shots fired by Corporal Martinez.
3:41:48 PM	████ S. Colorado Avenue	The knife was removed from the suspect's hand and the process of providing medical aid began.
3:42 PM	████ S. Colorado Avenue	EMS called Code 3 (lights & sirens) to the scene.

The timeline was built using a combination of dispatch notes within the call log and Detective Sergeant Dozier's report.

ROUTE OF TRAVEL

During this investigation, I learned Gabriel's route of travel after fleeing the car stop was:

- Through random backyards over fences and away from streets³.
- He exited the property of █████ W. Boise Avenue, heading south across Boise Avenue as seen on security camera footage attached to the residence. (Detective Corporal Canfield)
- Ada County Sheriff's Office and Meridian Police Department investigators conducted an area canvas and located a drop of blood on an open gate at █████ W. Gallager Street. (Deputy Hawksley)
 - How Gabriel got from █████ W. Boise Avenue to █████ W. Gallager Street is not known.
- Gabriel made a phone call to his mom near █████ / █████ S. Division Avenue and residents called 911. Gabriel was seen fleeing north⁴ then west on Gallaher Street.
- Gabriel fled into the backyard of █████ W. Gallaher Street and then into an adjoining yard where he emerged from the backyard of █████ S. Colorado Avenue in Boise, Idaho.
- Gabriel crossed the property line diagonally between █████ and █████ S. Colorado Avenue which shared abutting front yards without a fence and walked toward Corporal Martinez where the shooting occurred.

MAPS

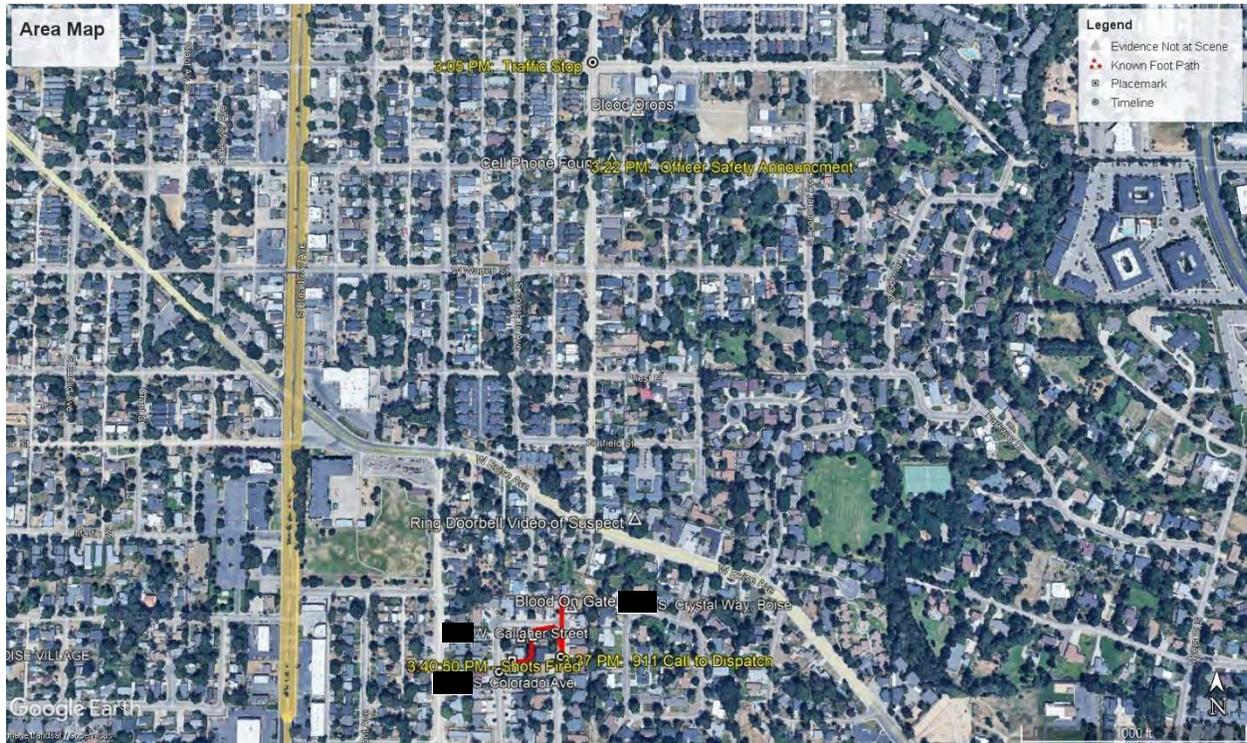

Image 1: Area map including traffic stop and shooting scene (image: Google Earth).

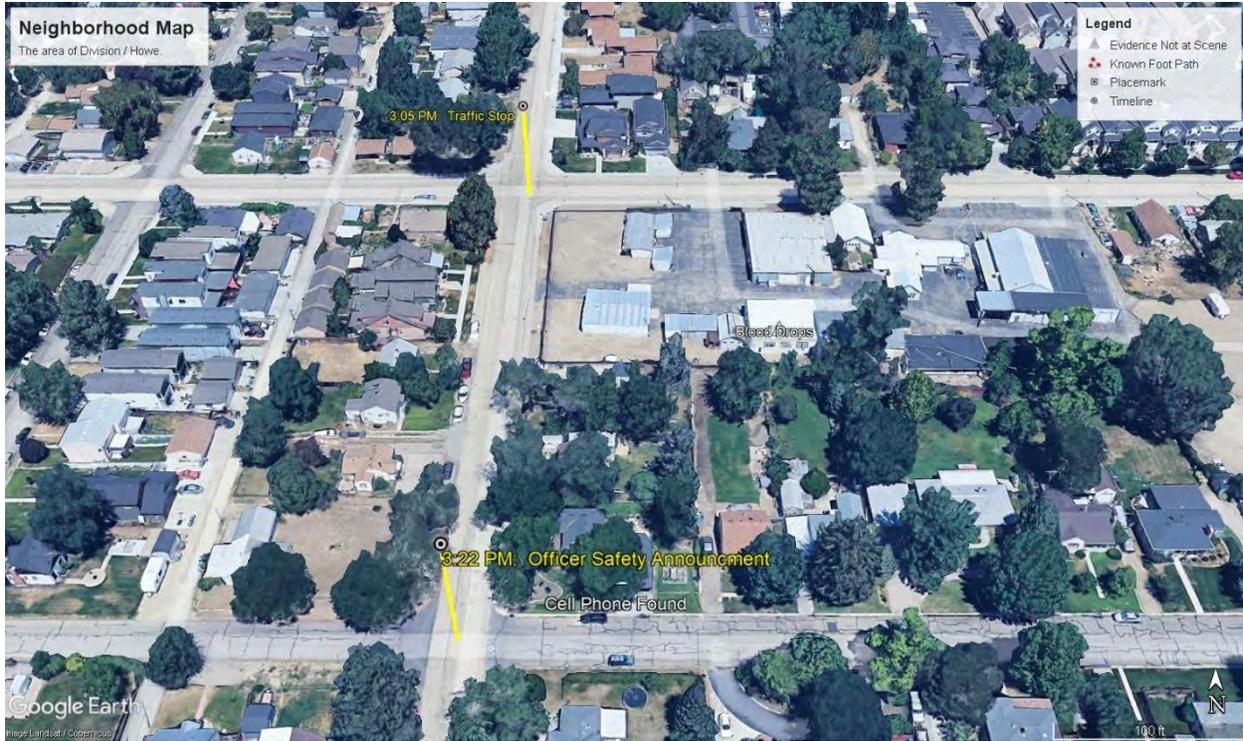

Image 2: Area map of the traffic stop and area where evidence was found (image: Google Earth)

Image 3: Area map of the neighborhood where the shooting occurred including evidence (image: Google Earth)

CRIME SCENE DESCRIPTION

The shooting was in the front yard grass area of [REDACTED] S. Colorado Avenue, Boise, Ada County, Idaho. The residence is a .172-acre lot zoned R-2 and the 1,945 square foot duplex appears to be built in 1977. (Ada County Assessor, 2024)

The cement walkway extended from the front door of the house to the sidewalk and bent southward at its junction with the sidewalk creating a triangular point of grass. This point was the origination point for crime scene measurements documented in the next section.

Image 4: Incident Location (image: Google Street View)

CRIME SCENE DOCUMENTATION

The following items of evidence were measured and collected. The triangular tip of the grass where the sidewalk met the walkway was the origin point for all measurements. (CSI Vargas)

EVIDENCE PLACARD #	ITEM DESCRIPTION	DISTANCE
1	Knife	16 feet, 1 inch
2	Shell Casing	3 feet, 3.5 inches
3	Shell Casing	15 feet, 10 inches
5	Boot Heel	7 feet
5	Top of Jeans	8 feet, .75 inches
6	Bottom of Jacket	14 feet

It was determined that it was 98 feet from the measurement origination point to the fence at the back yard where Gabriel emerged from [REDACTED] S. Colorado Avenue.

The items CSI Vargas collected on scene and later taken to, booked and photographed at the Garden City Police Department including the following.

EVIDENCE PLACARD #	SUBCATEGORY	ITEM DESCRIPTION
1		Black and silver folding knife - bloody
2		9mm Speer bullet casing
3		9mm Speer bullet casing
4	A	Western style wallet w/ cards inside
4	B	Flashlight
4	C	JBL headphone case
5	A	Belt with western style buckle – bloody
5	B	Ripped blue jeans – bloody
5	B1	Hotel room key
5	C	Ariat Boot – Left – bloody

10		Medical bag with supplies
11		Handcuffs
12		9mm Speer bullet casing
13	A	Cell phone in red and black case
13	B	2 Vape devices – grape watermelon / razz

Please note that in instances where items contained one or many items a numbered evidence placard was assigned, then a subcategory letter/number combination was assigned.

While on scene, CSI Vargas was given a cell phone and two vapes by Meridian Police Department Detective Rhoads who was given them by an uninvolved citizen who found them somewhere in the area. (CSI Vargas)

Crime Scene Maps

I used drone photo DJI_20241113161951_0004_V, Adobe Photoshop and referenced crime scene photos and Corporal Martinez bodycam video to create crime scene maps illustrating spatial relationships between Corporal Martinez, the evidence found and collected on scene, as well as the layout of evidence markers.

Using these resources in combination with Google Earth, I estimated the distance between Corporal Martinez and Gabriel to be approximately 12 – 14 feet and closing when shots were fired.

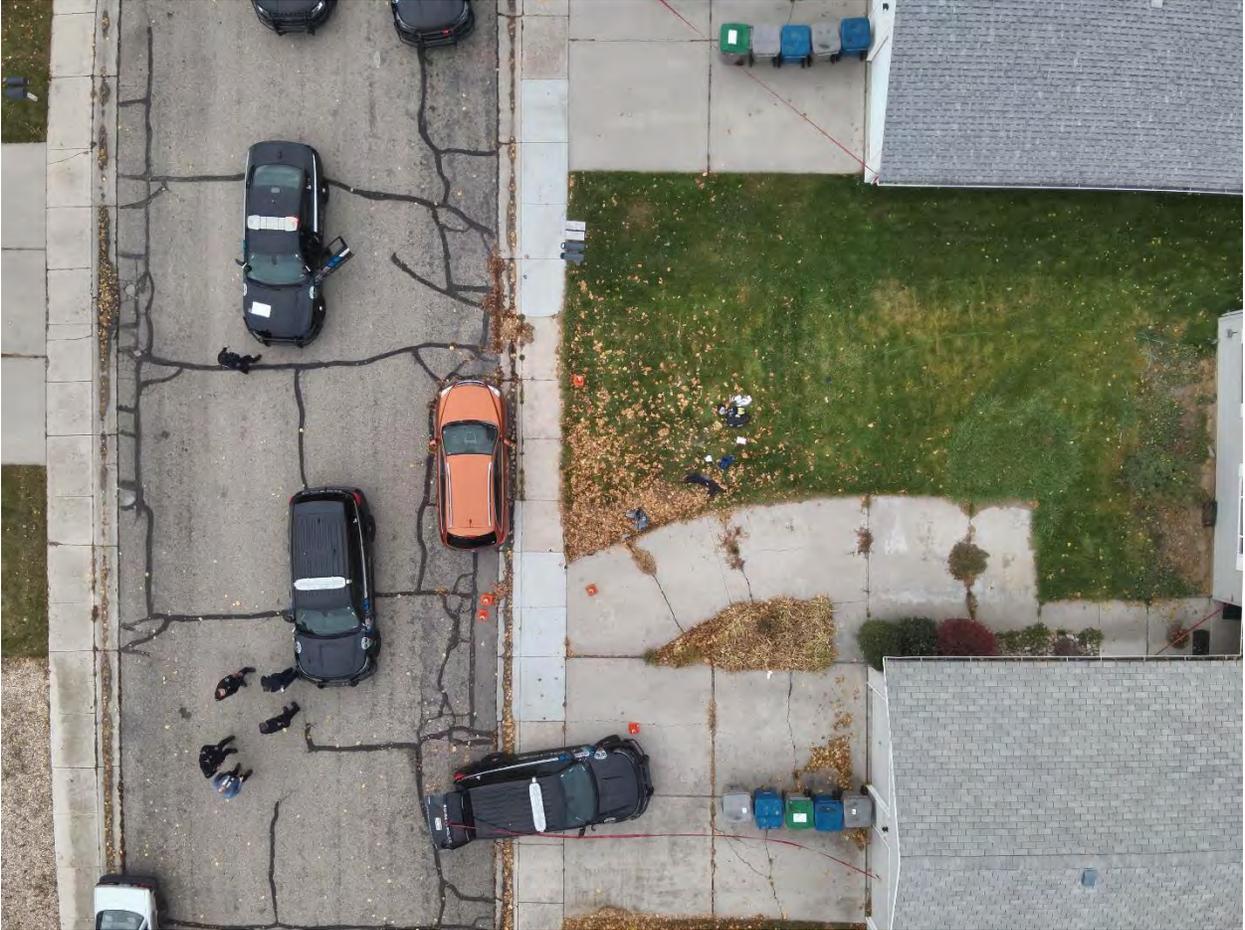

Image 5: Original BPD Drone photo of scene prior to evidence marker placement.

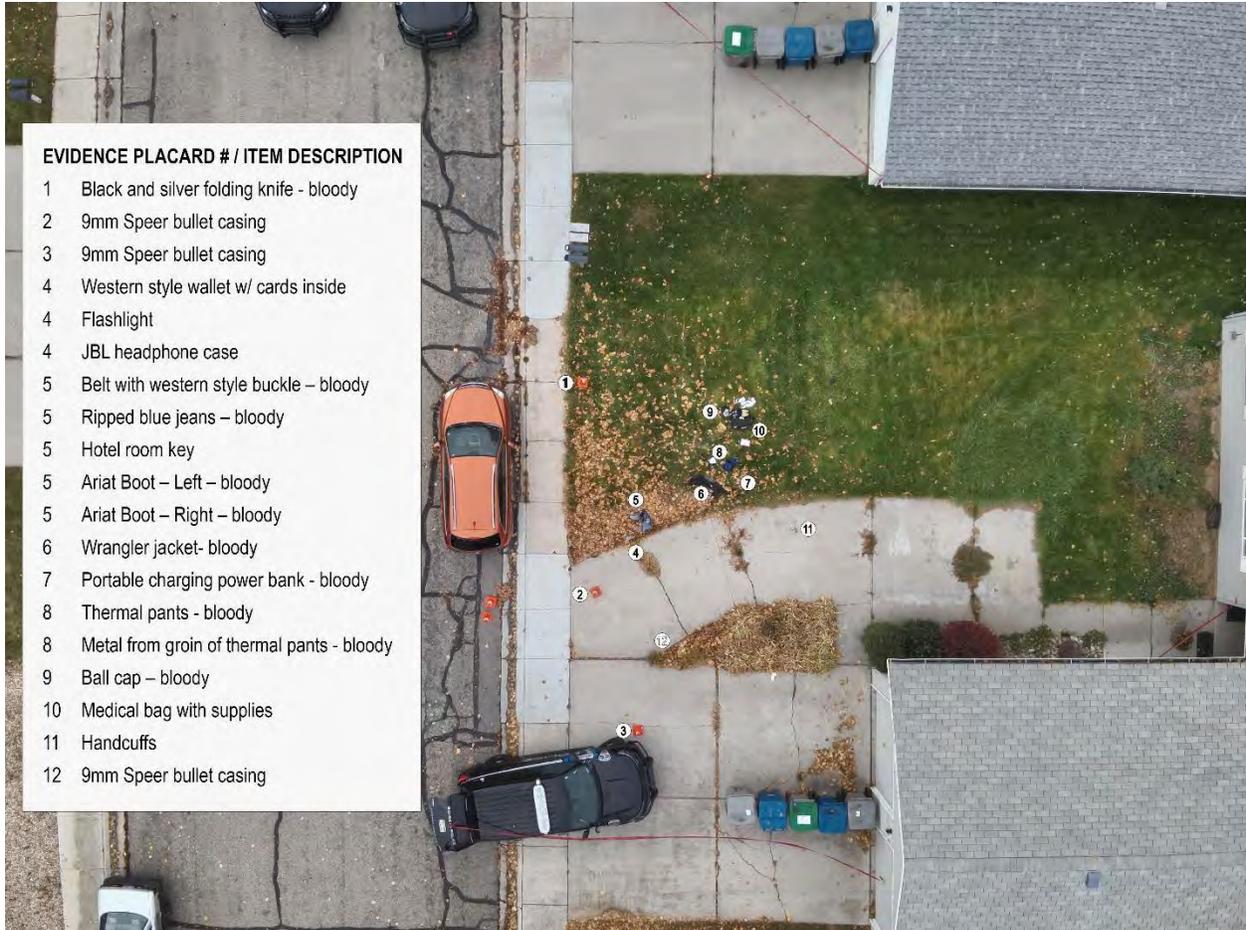

Image 6: Crime scene map depicting evidence marker placement.

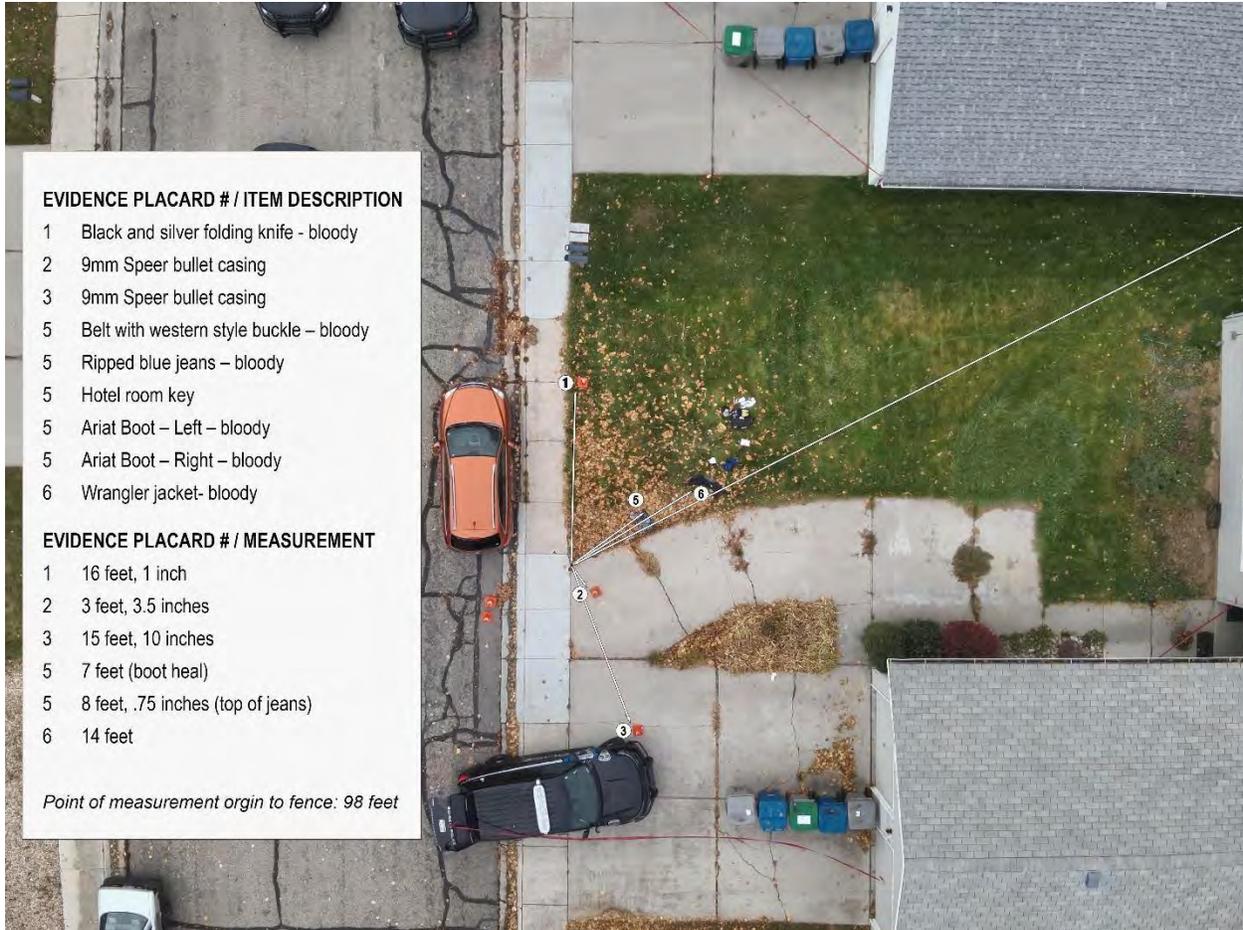

Image 7: Crime scene map with measurements only – other evidence placard markers hidden for illustrative purposes.

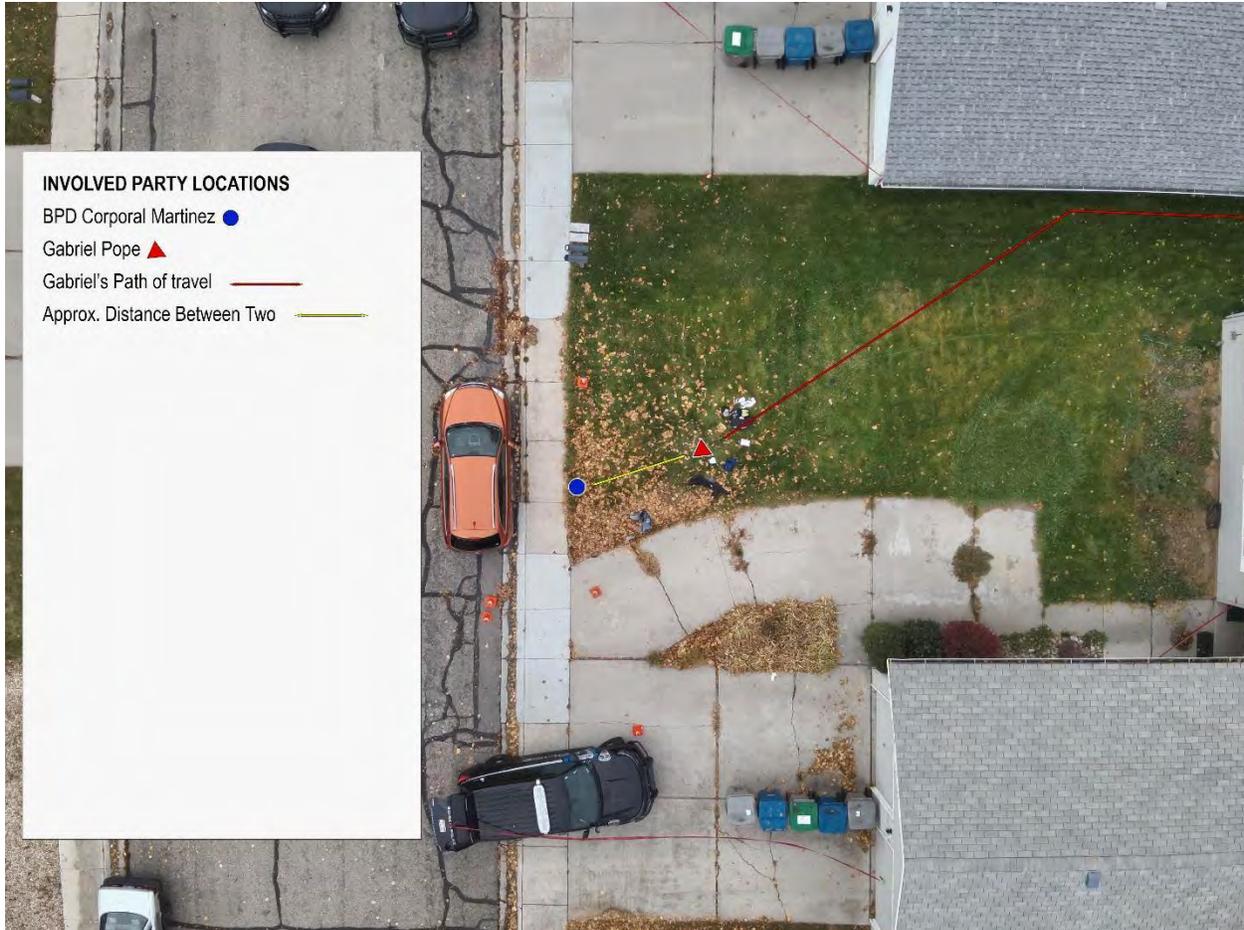

Image 8: Crime scene map with approximate location of Corporal Martinez and Gabriel Pope for illustrative purposes.

OTHER ITEMS

While photographing items of evidence, CSI Vargas noticed item 4A was a Famous Footwear credit card belonging to [REDACTED] and not a gift card as first believed. This and a Three (3) Pete's Perks 2024 Coupons in the name of [REDACTED] were booked individually as safe keeping in the event they needed to be returned to their owners in the future.

EVIDENCE

The following items of evidence were collected during the investigation and booked at the Garden City Police Department. Some duplications from other sections in this report may occur in this list.

HOSPITAL RESPONSE

While at St. Alphonsus Regional Medical Center, Garden City Police Department Officer Anderson collected the following items of evidence belonging to Gabriel:

- Gray, white and black colored boxer style underwear - blood stained
- Black, gray and white colored socks - blood stained
- Silvered colored cross necklace - bloody
- Silver colored stud earrings – one was bloody
- White shirt – blood soaked (collected from Boise Police Department Det. Joseph)

Officer Anderson noted bags (presumably containing one or more of these personal belongings) had incorrect name, age and DOB due to confidentiality reasons to protect the investigation.

These items were later booked into evidence at the Garden City Police Department. (Officer Anderson)

No interview was attempted with Gabriel at that time as he was undergoing surgery and then transferred to the intensive care unit.

Boise Police Department Officer Putnam was later called to the Saint Alphonsus Regional Medical Center and took bullet fragments into evidence removed from Gabriel's body during surgery. These were booked into the Boise Police Department as evidence. (Officer Putnam)

MEDICAL REPORTS

A warrant for Gabriel's medical records was served to Saint Alphonsus Regional Medical Center on December 17th, 2024. On January 9th, 2025, I received records via electronic download in PDF format. The PDF was copied onto a thumb drive and booked into evidence at the Garden City Police Department.

When reviewing the records, I found 1,363 pages covering his treatment at the hospital. Due to the scope of treatment see the medical records for full details. This is a summary of the injuries noted upon admission to the Emergency Room and initial hospital toxicology.

Page 58 of the PDF lists the clinical impression provided by the doctor:

Clinical Impression

1. Penetrating wound to the neck
2. Multiple gunshot wounds
3. Hemorrhagic shock
4. Acute hypoxic respiratory failure

Page 61 of the PDF contained the mechanism of injury as:

Mechanism Of Injury

Subjective: GSW X 3, stab wound to neck

Penetrating

Penetrating: Yes (GSW to chest, groin. Stab wound to L neck)

Injury Type: Gunshot Wound; Stab Wound

Page 177 of the PDF mentions a Toxicology screen being positive for amphetamine and THC.

UNINVOLVED WITNESS OFFICERS

Boise Police Department Officer Sigler

Officer Sigler initiated the traffic stop on the 2007 Saturn Ion at the intersection of S. Division Avenue and Howe Streets, in Boise, Idaho. When he approached the vehicle, he noticed the occupant in the backseat did not have his seatbelt on. Officer Sigler could see the subject's hands, but the subject was wearing a hoodie over his head and appeared asleep.

As Officer Sigler attempted to ascertain the sleeping man's name, he noticed the man had hidden his right hand under the jacket he was wearing, a position different that the first time he had seen the man. This caused Officer Sigler to have concern that the man was concealing a weapon. Officer Sigler also considered the subject in the backseat could have a warrant and possibly be attempting to avoid officer contact and not wanting to go to jail. Officer Sigler further considered the use of a weapon to avoid being arrested. Officer Sigler instructed the subject four (4) times to show his hands before compliance was gained.

Additional instructions to control the subject's movement were given and ignored and the subject then started providing excuses as to why he should not and did not need to comply with officer instructions. The subject provided a false name of Tyrel Stephens and a date of birth of [REDACTED] saying his identification was from Florida. This information was provided to dispatch for verification.

The subject reached his right hand below Officer Sigler's line of sight, between the seat and the door out of view. Officer Sigler provided forceful instructions not to reach for anything. The subject in the backseat then said, "you're not getting me out of the car, homie", then leaned away from the door after Officer Sigler instructed the driver to unlock the car.

Officer Sigler was convinced that the subject was trying to access a weapon and drew his duty weapon and pointed it at the man. At the same time, the man drew a folding knife and said, 'shoot me, bitch', repeatedly. Officer Sigler instructed the other occupants to exit the vehicle when the man in the backseat stabbed himself in the neck with the knife. Officers and other vehicle occupants moved to safety and the man with the knife fled on foot from the scene. (Officer Sigler)

Boise Police Department Officer Thompson

Officer Thompson arrived in the area to assist Officer Sigler after the request for Code 3 assistance. When arriving near [REDACTED] S. Division Avenue he observed a black male wearing a tan Carhart type jacket matching the suspect's description standing in the street talking to two (2) white men on the sidewalk.

The potential suspect in the street looked at the police vehicle and began running west toward Gallaher Street. Nothing was seen in his hands at this time by Officer Thompson. When Officer Thompson rounded the corner onto W. Gahaller Street, she could not see where the man fled, however a different man wearing a reflective green jacket was waiving at the officer pointing at his fence, indicating the suspect fled that way.

Officer Thompson stopped her patrol vehicle near [REDACTED] W. Gallaher Street and the green jacketed man said the suspect had jumped the fence into his neighbor's yard ([REDACTED] W. Gallaher Street). The citizen said the subject had something in his hands.

Shortly after, Officer Thompson saw Corporal Martinez's patrol vehicle round the corner onto S. Colorado Avenue. Officer Thompson heard two or three loud pops followed by radio traffic from Corporal Martinez saying shots were fired.

Officer Thompson drove to Corporal Martinezes' location at [REDACTED] S. Colorado Avenue and began giving commands to the suspect who had been shot. Officer Thompson and Corporal Martinez provided additional lethal coverage to the noncompliant suspect while additional officers arrived, disarmed him and began medical aid. (Officer Thompson)

Boise Police Department Officer Phau

Officer Phau observed the suspect run after seeing Officer Thompson arrive on S. Division Avenue and followed the other police units.

When he arrived at the intersection of S. Division Avenue and W. Gallaher Street, residents in the area said the subject fled down the driveway of [REDACTED] W. Gallaher Street.

Officer Phau then drove to the intersection of S. Division Avenue and W. Pennsylvania Street to maintain visual containment. Officer Phau heard successive gunfire from the area of Corporal Martinez. Officer Phau quickly moved to Corporal Martinezes' location and observed the subject lying on the grass and Corporal Martinez and Officer Thompson with their guns drawn, pointing at the subject with the knife on the lawn.

Officer Phau heard Corporal Martinez repeatedly say 'Let go of the knife'. The suspect failed to do so. Officer Phau could see blood on the subject's clothing and the man repeatedly saying 'Help me.'

Officer Phau removed the knife from the suspects right hand, tossing it into the grass behind and away from them. The suspect was searched and handcuffed and then medical aid was provided. (Officer Phau)

PEOPLE WITH KNOWLEDGE

██████████ was identified as Gabriel's mother. She provided background information on her son Gabriel including this information (Detective Sergeant Dozier):

- ██████████
██████████.
- Gabriel has a long history of mental illness, suicidal statements and attempts.
- ██████████
██████████
██████████
- ██████████

 - ██████████

CITIZEN WITNESSES

While there were no citizens present during the shooting aside from Gabriel, these citizens were contacted by officers during his flight from police:

██████████ lives at W. ██████ Gallaher Street in Boise and movement caught his eye while he was raking leaves in the yard. He saw a black male in a hooded sweatshirt with blood on the front and a knife in his hand running toward him. ██████ told the man he did not belong there, and the man tried to jump the fence, however the gate opened. ██████ did not know where he went after. (Officer Thompson)

██████████ was walking his neighborhood on the westside of Colorado Avenue, and saw police arrive on the opposite side of the street. ██████ saw a man in a tan jacket between two houses raise his right arm towards the officers as if he was holding a weapon. ██████ saw the officer draw his weapon and yell 'drop the weapon' 'about a dozen times', went behind a vehicle for cover and heard two gunshots. (Officer Loomis)

██████████ was walking on Pennsylvania Street, west of Colorado Avenue and saw several police vehicles turn onto Colorado Avenue. ██████ did not see the incident but heard police yelling then heard what they believed to be five gunshots. (Officer Loomis)

NEIGHBORHOOD CANVAS

The neighborhood canvas was conducted by the following officers:

- Ada County Sheriff's Office Deputy Hawksley
- Meridian Police Department Detective Churchfield
- Meridian Police Department Detective Fuller
- Meridian Police Department Detective Rhoades
- Meridian Police Department Detective Stoffle
- Meridian Police Department Detective Wear

Deputy Hawkesley noted nothing of obvious evidentiary value outside of the blood on the gate at [REDACTED] W. Gallaher Street, [previously described](#) within this report. This address was also reported to be [REDACTED] W. Gallaher Street. The adjoining property address through the gate was [REDACTED] S. Crystal Way, Boise. (Detective Rhoades).

Blood drops were located at a gated area of a business called The Live Edge, located at 515 W. Highland Street, Boise. [REDACTED] and did not capture video of the blood being deposited or who deposited it.

Detectives were directed to a nearby business named Ultimate Wood at 509 W. Highland in Boise where they spoke with [REDACTED] who said he would check their working cameras and let detectives know if anything was captured on video (Detective Churchfield). On December 13th, 2024, I called [REDACTED] to follow up about the surveillance video, however he did not answer. The mailbox was full, and I was unable to leave a message.

A cell phone was found at [REDACTED] S. Division, Boise and provided to Meridian Police Department Detective Rhoades by Boise Police Department Detective Shofner (Detective Rhoades). The phone was later given to Garden City Police Department personnel and booked into evidence at the Garden City Police Department.

Detective Rhoades went to [REDACTED] S. Division in Boise and found additional drops of blood in the area where the cell phone was found. Meridian Police Department Detective Stoffle took photos of the blood. (Detective Rhoades)

While searching north of [REDACTED] S. Division along the sidewalk, detectives found additional 'sparse/small drops of blood periodically on the sidewalk.' Which appeared the suspect may have traveled over that area. (Detective Corporal Wear)

Additional drops of blood were found by detectives along S. Division / W. Highland Street and east of the intersection on W. Highland Street then on to 517. W. Highland Steet at the Live Edge. (Detective Corporal Wear)

Nothing else of evidentiary value was found on the canvas.

ON-BODY VIDEO REVIEW:

While at the command post, I reviewed the bodycam footage of the shooting and found the following:

- Corporal Martinez arrived on the scene wearing his bodycam which was actively recording prior to his arrival.
- Once he stepped out of his marked Boise Police Department patrol vehicle, he was quickly confronted by the suspect who walked toward him from the back of the house ([REDACTED] Colorado) brandishing a knife.
- Corporal Martinez loudly told the suspect to stop moving, then broadcast on the radio the suspect was carrying a knife. He then told the suspect to drop the knife.
- The suspect continued to walk toward Corporal Martinez despite receiving commands to stop, saying repeatedly 'fuck you' to Corporal Martinez.
- While walking toward Corporal Martinez, the suspect held the knife by the handle at near shoulder height, parallel to the ground, at arm's length with the point towards the officer.
- Three (3) shots were fired by Officer Martinez at and into the suspect, who fell to the ground.
- Officer Martinez continued giving commands, and as other officers arrived on scene, aid was rendered to the suspect.
- Paramedics arrived shortly after.

BLOOD WARRANT AND TOXICOLOGY:

On November 15th, 2024, I requested and was granted a search warrant filed under seal for retrieval of Gabriel's blood from Saint Alphonsus Regional Medical Center. Later, November 15th, 2024, I served the hospital with the warrant and was provided with blood vials which were booked into evidence at the Garden City Police Department to be sent to the State Lab for toxicology testing. Toxicology results are still pending at the time of this report.

Criminal History: Family

I learned that on January 10th, 2024, Gabriel's [REDACTED] was sentenced to prison for aggravated assault on certain law enforcement personnel and grand theft.

Criminal History: Other contact with Law Enforcement

In January 2024, Boise Police Department issued an officer safety bulletin for both Gabriel and [REDACTED] after responding to several incidents where they threatened to commit suicide by cop⁵.

Open Source

An article from February 11th, 2022, in the Idaho State Journal (Journal Staff, 2022) discussed Gabriel Pope (then 19 y/o) fighting with police at the Portneuf Medical Center in Pocatello, Idaho when he regained consciousness after a seizure. He was arrested for a warrant and a battery charge.

A news article / video from July 25th, 2023, on KTVB Channel 7's (KTVB Staff, 2023) website discussed the foot pursuit where Gabriel Pope pulled a gun and ran from police before being arrested⁶.

SUSPECT INTERVIEW

On Thursday, November 14th, 2024, I received notification from Detective Sergeant Dozier that Gabriel had been extubated and was conscious and we headed to St. Alphonsus Regional Medical Center to interview Gabriel.

This is a summary of what I learned during the interview:

- I told Gabriel I needed to read him his Miranda Rights and unprompted, he recited them to me from memory then said, yeah, I know the Miranda Rights'.
 - I read Gabriel his Miranda Rights and he 'yes sir' in respond to his understanding of them.
- Gabriel said he was in the hospital because he 'got shot'.
- He asked for a glass of water and after we asked the hospital if he could have some, he guessed we were there to talk to him about the 'stolen ass guns' from Twin Falls, Idaho, which was why he was on the run. He elaborated by saying:
 - His [REDACTED] (23 years old) set him up with the guns, gave them to him.
 - She got them from a [REDACTED] (18 years old).
 - They are from Twin Falls.
 - Gabriel was given the guns and tried to sell them via Snapchat but he said he did not know the guns were stolen.
 - Gabriel said the person he met via Snapchat was an 'undercover cop' who tried to arrest him, but he 'took off running' and 'have been hiding since then.'
 - This occurred about two weeks prior to the shooting.
 - The guns were brought to his mom's hotel room, the Apollo Inn, Room 9, in Twin Falls, Idaho and he said she could verify he did not steal the guns.

⁵ Boise Police Department officer safety bulletin attached to case.

⁶ See Boise Police Department report 2022-220783 for further.

- Note: Detective Sergeant Dozier spoke with his mom who did not have information either supporting or refuting this.
- On the day of the shooting, Gabriel recalled:
 - He was a passenger in the back right seat when the car was pulled over.
 - Gabriel said the traffic stop occurred because the registration did not match the license plate.
 - 'The cop was trying to address me as a passenger and I said no, so I gave him a fake name. He pulled his gun out, so I ran.'
 - The others in the car were his [REDACTED] (unknown last). These two people were identified by Boise Police Department officers on the day of the incident.
 - The officer wanted to talk to Gabriel because he did not have his seatbelt on because he was sleeping in the back seat.
 - He said he was sleeping in a moving vehicle with the seatbelt off.
 - Gabriel stabbed himself in the throat with his right hand, while he was in the car, before he got out and ran.
 - Gabriel said he pulled the knife from his pocket then stabbed himself in the throat 'immediately'.
 - Gabriel said he stabbed himself in the throat and ran with the knife in his throat because he was afraid of going back to jail.
 - He was previously [REDACTED] in jail and did not want that to happen again.
 - He did not remember the route he ran, other than over fences.
 - He stopped running to use the phone and call for help, he said officers ended up catching him, so he ran again.
 - He called his mom and told her he was shot, and he needed her help. She did not know anyone in Boise and could not help him.
 - Gabriel had a good relationship with his mom and loved her more than anything, which is why he called her.
 - Her name is [REDACTED] and her number is [REDACTED]
 - He was confronted by another officer (Martinez) and Gabriel said, 'I'm not going to jail, fuck off. I was walking towards him, and he shot me three times.'
 - While Gabriel was saying this, he extended his right hand in the imitation of holding a knife towards me.
 - I asked him why he was shot at and Gabriel said it was because 'I had a knife in my hand, it was bloody'.
 - Gabriel said Officer Martiez told him to 'put the knife down, put the knife down' but he responded by saying, 'fuck no, I'm not putting the knife down, I'm not going to jail'.
 - Gabriel recalled thinking at the time that he was not going to stab Officer Martiez, but he was going to stab himself again to avoid going to jail.
 - Gabriel said he stabbed himself in the neck all the way to the 'hilt' and described using both hands to insert the knife in his neck, one gripping the knife, and the other to push the back of the knife inward to his neck.

Scene Description

Gabriel described the scene as follows:

- He was walking towards the street from the backyard when he saw Officer Martinez.
- Officer Martinez was standing near his police SUV, but Gabriel did not know how far apart they were.
- Officer Martinez was said to be wearing a police uniform, and the police vehicle was a Ford Escape SUV marked 'police' and looked 'like a cop car' because of the markings.
- Gabriel said, 'yeah', it was obvious to him Officer Martinez was a police officer, and he did not want to go back to jail and told him 'Fuck you' which he admitted was not a nice thing to say.
- Gabriel demonstrated holding the knife in a closed forward grip with his arm partially extended.
- While walking towards Officer Martinez and holding the knife, Gabriel said his plan was to stab himself again, then 'bulldoze' the officer to get past him and escape and get help.
- Gabriel said he understood how Officer Martinez could misinterpret his actions.
- Gabriel said if he was in the officer's position, he would rather be stabbed than shoot someone.

Other information

- Gabriel said he reported the [REDACTED] to local authorities when it occurred inside the Twin Falls County Jail intake bathroom. A report was made and the case dismissed because there were no cameras in the bathroom.
- He was released from Twin Falls County Jail because he's been 'doing good'.
- Gabriel said he was ready to die to avoid going to jail.
- He said if he could do things differently, he would not have taken any of the stolen guns and would not have run from police at the traffic stop leading up to the shooting.
- Gabriel said he should have questioned why someone would have given him the guns and said that [REDACTED] stole the guns from a red truck in Harmen Park in Twin Falls, Idaho.
- [REDACTED] is somewhere in Portland, Oregon but did not have his phone number. He and [REDACTED] are Facebook friends, however.

Drug Use

Gabriel admitted to the following:

- His preferred drugs are 'weed' and 'meth'.
- During the incident, he was 'high as a kite' on methamphetamine and said he ingested somewhere around 'an eightball' (around 3.5 grams).
- He used the meth approximately 3-hours prior to the shooting and was still going up on his high.
- He did not throw any drugs away during his flight from the police that someone would find.
- Gabriel preferred 'needles or smoking' but smoked it the day prior.
- When he used yesterday (November 13th, 2024), he felt 'high as fuck' and used it to stay awake.
- He did not smoke marijuana with the methamphetamine and had not smoked weed in days.

- I know from my training and experience as a Drug Recognition Expert (DRE) that sometimes drug users combine drugs, in this case, weed and meth, to alter the effects. Gabriel said he did not use the marijuana to smooth out the meth this time.
- Gabriel recalled the feelings of being scared and angry and then categorized his anger as a 'rage' at going to jail and the 'cops' because he did not want to go to jail.
- Gabriel said the drugs 'absolutely' impacted his ability to think clearly and looking back on the incident he thought his actions made him 'like an idiot' and agreed they were not the best choices.

OFFICER INTERVIEW

On Monday, November 18th, 2024, I interviewed Officer Martinez at his attorney's office: 1516 W. Hays Street in Boise, Idaho.

Those present at the interview:

- Detective Rosen – Garden City Police Department
- Detective M. Canfield – Boise Police Department
- Corporal Martinez – Boise Police Department
- G. Hallam – legal counsel for Corporal Martinez

This is what I learned:

- Corporal Steven Martinez (Badge #806) is 47 years old and has been working for the Boise Police Department since February of 2008. He has 21.5 years of law enforcement experience. Prior to working for the Boise Police Department, he worked for the Nampa Police Department for 5 years. He holds an Idaho POST Master certificate.
- Corporal Martieez is currently assigned to the patrol division, and his regular work shift is from [REDACTED]
- Corporal Martinez has specialized training in the following:
 - Special Weapons and Tactics (SWAT)
 - Interviews
 - Defensive Tactics
 - Shooting
 - Rifle
 - Field Training Officer
 - Peer Support
 - Drug Interdiction
- His duty weapon is a black Glock 17 chambered in 9mm which is equipped with a red dot and light.

- His usual loadout for the pistol magazines is 17 rounds and he will keep an additional round chambered.
 - The weapon is kept fully loaded this way to be ready to use, if it is needed in the course of his duties.
 - The pistol and ammunition are issued by the Boise Police Department.
- On the day of the incident, Corporal Martinez was dressed in full class A uniform which included a hard badge, on body video camera, shoulder patches marked with Boise Police Department. The uniform was dark blue and included an interior (under shirt) ballistic vest, police duty belt with handcuffs and taser, pants and boots.
 - He arrived in a Boise Police Department marked police SUV which clearly said POLICE on it.
- Prior to the incident, Corporal Martinez was at the Boise Police Department finishing reports preparing to go off shift when the initial call came out. He did not pay much attention to the initial call as he was concentrating on other work.
 - While monitoring the radio, he heard the first responding officer requesting a Code 3 assist (when officers respond with lights and sirens) to the traffic stop at Howe / Division. He noted the foot pursuit and that the suspect was armed with a knife and sledgehammer, while running through the neighborhood.
 - Corporal Martinez responded to the area to assist in the search due to the danger posed by the suspect to citizens in the area. He took up a roving perimeter search function.
- Corporal Martinez had previous experience on a hostage situation in the neighborhood with a suspect and a knife. This incident was at the front of Corporal Martinezes' mind when he heard of the foot pursuit.
- When Corporal Martinez heard the suspect was threatening citizens at [REDACTED] Division Ave, Boise, he was close and responded with another officer to the area.
 - He saw a male matching the description of the fleeing suspect run away from officers (north on Division, then west on Gallager) where the suspect ran into a backyard.
- Corporal Martinez continued driving west on Gallager then south on Colorado Avenue where he knew Gabriel would probably emerge from the backyards if he continued jumping fences.
- As Corporal Martinez was driving, he saw Gabriel exit the backyard of what he thought was [REDACTED] S. Colorado Avenue and stopped his police vehicle to confront him. Corporal Martinez noted he had some confusion about which street they were on and may have provided the wrong address.
- Using a loud, commanding tone of voice, Corporal Martinez directed Gabriel to 'stop', identifying himself as the police. Corporal Martinez also told him 'don't move' and 'get on the ground' a couple of times – estimating the number of times at around 7.

- **Investigators note:** Gabriel disregarded the lawful commands and continued walking towards Corporal Martinez with the knife as I'd seen on the on-body video camera.
- No other officers were present when the shooting occurred but arrived on scene shortly after.
- Corporal Martinez was aware of Gabriel committing the following crimes prior to contacting him: (M) resting and obstructing officers and (F) aggravated assault. Corporal Martinez also noted that Gabriel committed (F) aggravated assault w/ a deadly weapon on him, a law enforcement officer.
 - The corporal was not aware of other crimes in the area.
- Although Corporal Martinez did not realize it at the time, he later remembered taking reports about Gabriel Pope for past crimes in the area including gun and gang violence related reports. There were also reports for threatening his mother and problems at school.
 - Corporal Martinez did not know Gabriel from personal contact, only taking reports of his crimes from others.
 - Corporal Martinez noted that Gabriel displayed past violent behaviors including general criminal activities, stealing guns and running around a neighborhood while possessing a gun.
- Corporal Martinez felt threatened by the knife Gabriel was presenting while walking towards him. Corporal Martinez said he was afraid for his life as well as the life of other citizens in the area should Gabriel attempt to take a hostage or otherwise get past Corporal Martinez if he was not stopped.
- Corporal Martinez fired three times at Gabriel while aiming for center mass. He saw the shots strike Gabriel: 2 in the chest and 1 in the groin before Gabriel fell. Corporal Martinez said he was shooting to stop the threat to his life.
- Nothing was done by the corporal to deliberately alter the scene. Other officers moved the knife, handcuffed and provided aid to the suspect.
- The incident occurred during a 'beautiful fall day.' It was cloudy, fully lit and easy to see.
- Gabriel could have given up and surrendered numerous times prior to the shooting including:
 - At the initial car stop when his identity was requested.
 - Not running from the police or anytime while he was running.
 - When he stopped on Division prior to running again.
 - When he contacted Corporal Martinez on Colorado Avenue.
 - Gabriel could have followed the commands and surrendered.
 - Gabriel did not need to continue to walk towards Corporal Martinez.
 - He could have stopped and surrendered anytime between the car stop and the shooting.
- Corporal Martinez noted that after the shooting, despite commands to drop the knife, he continued to hold onto it. It was not known if he was unable or unwilling to let go of the knife, but other officers had to remove it from his hand prior to placing him in handcuffs.

CONCLUSION, DISPOSITION AND CASE ROUTING

Gabriel was arrested on charges including:

- (F) Aggravated Assault
- (F) Grand Theft
- (M) Providing False Information on Own Identity to Law Enforcement
- (M) Resisting Arrest or Obstructing Officers.

Through the course of this investigation, I found no criminal activity conducted by Corporal Martinez when he defended of himself by shooting Garbiel.

Add this report to the case file and route to the Ada County Prosecutor's Office for review.

Suspect: Pope, Gabriel Collin
 [REDACTED]

Involved Agencies: Boise Police Department

Involved Officers: Martinez, Steve #806

Initial Assignment:

On November 13, 2024, at approximately 1505 hours, Boise Police officers Kiker and Sigler conducted a traffic stop near Howe and Division in Boise. A subject in the vehicle, later identified as Gabriel Collin Pope, fled from the vehicle. A foot pursuit ensued, and a perimeter established. Information provided during the incident indicated that Gabriel was armed with a knife and had acquired a sledgehammer during the foot pursuit. It was further reported that he had been attempting to cut himself prior to the stop and that he had stabbed himself in the throat at some point.

At approximately 15:14 it was reported that shots had been fired [by officer(s)] and that Gabriel was struck.

The Ada County Critical Incident Task Force (CITF) was activated, and the Garden City Police Department was designated as the lead agency in the investigation into the shooting. Garden City Detective Rosen was assigned as the lead investigator, and I was assigned to assist.

Investigation:

Follow Up: Saint Alphonsus Regional Medical Center

Emergency Medical Services transported Gabriel to Saint Alphonsus Regional Medical Center ("St Als"), located at 1055 N Curtis Street, in Boise, for treatment. I was assigned to assist Officer Anderson there. Officer Anderson's supplement report should be seen for actions taken at the hospital.

Narrative

INITIAL REASON FOR CONTACT:

On November 13th, 2024, at approximately 1615 hours, I was tasked with assisting on a Critical Incident Task Force regarding a Boise Police Officer Incident. The incident stemmed from a traffic stop [REDACTED] S. Colorado Ave, Boise, Idaho (Ada County). I was tasked with conducting the initial contact team lead observation and evidence collection for Garden City Police.

Note: As initial contact team the sole purpose of this task is evidence collection from the involved officers. No investigator questions were asked during my involvement.

INITIAL CONTACT LEAD FOR GARDEN CITY POLICE:

Once Officer Martinez arrived at the Garden City Police Department along with his escort officer. Officer Martinez was moved into a Garden City Police Investigations office where overall photos were taken of Officer Martinez by Detective Fawley. During that time Officer Martinez's duty pistol (Glock 47/9mm/Serial: CAWZ464) and spare/backup magazines were also collected by Detective Parsons.

The duty pistol was found to have one (1) round (Speer Luger 9mm) loaded in the chamber and fourteen (14) rounds loaded in the magazine, seated in the magazine well. It should be noted that a normal loaded magazine, based on the Glock 47, holds seventeen (17) rounds total. Then a basic load amount for officers is seventeen (17) rounds loaded in the magazine and one (1) round loaded in the chamber. Officer Martinez was also found to have two (2) standard loaded spare/backup magazines for the Glock

47. Both spare/backup magazines were loaded with 17 rounds each.

Note: The round counts and photographs of the round counts were taken outside of the sight and sound of Officer Martinez. The photographs were again taken by Detective Fawley.

OFFICERS ACTIONS:

Detective Fawley provided me with all the photographs taken during the initial contact and round count. The photographs were downloaded into the Garden City Police case file.

Detective Parsons provided me with three evidence bags and one gun box which were packaged with the above-listed items. The items had been separated into the following bags.

- (1) Gun Box: Glock 47, 9mm, Serial: CAWZ464
- (2) (1) Speer 9mm Luger from Chamber
- (3) (1) Glock 47, 9mm, Magazine from magwell and (14) Speer 9mm rounds from Glock magazine from magwell
- (4) (2) Glock 47, 9mm, spare magazines with 17 round capacity, (17) Speer 9mm luger rounds from spare magazine, (17) Speer 9mm Luger rounds from spare magazine.

After retrieving the above items, they were sealed and booked into the Garden City Police Evidence room as evidence. Please see Detective Parsons and Detective Fawley's supplemental reports for further.

Telephone Interview:

Name: [REDACTED]

At about 2130 hours, I called and spoke with [REDACTED]). The telephone interview was captured on my OBV and added to the case file. [REDACTED] advised that she was Gabriel Pope's adoptive mother. [REDACTED] received information that the police shot Gabriel. [REDACTED] last spoke with Gabriel a week ago but said Gabriel has severe mental health issues and suicidal ideations. [REDACTED]

[REDACTED] was not surprised something like this happened. [REDACTED] does not believe Gabriel was trying to hurt any law enforcement officers but was just trying to kill himself. I asked [REDACTED] if she received any information about Gabriel hurting himself earlier in the day and [REDACTED] said, Gabriel's biological mother, [REDACTED] contacted her screaming and said she was on the phone with Gabriel possibly video chatting while he was stabbing himself in the neck causing it to bleed prior to law enforcement shooting him. [REDACTED] said she heard Gabriel gasping for breath and there was blood everywhere.

[REDACTED] said [REDACTED] and Gabriel would live with her off and on since they were twelve years of age but not the biological mother to Gabriel. [REDACTED] was unaware of where Gabriel was currently living due to him couch surfing a lot.

At approximately 2200 hours, I called and spoke with [REDACTED] again. The telephone interview was captured on my OBV and added to the case file. [REDACTED] told me Gabriel was wanted out of Twin Falls for selling a gun to an undercover officer. Gabriel was in Boise running from his warrant in Twin Falls.

██████ sent me a screenshot of the text communication between ██████ and ██████ that I added to the case file.

Name: ██████

At about 2145 hours, I called and left a message for ██████ to call me back in reference Gabriel.

At about 2208 hours, I spoke with ██████ who was emotional. The telephone interview was captured on my OBV and added to the case file. ██████ told me that she was on the phone with Gabriel who told her that he had cut his throat and needed to go to the hospital. ██████ said Gabriel was gasping for air and said he was covered in blood due to stabbing himself. Gabriel did not know where he was in Boise but needed a ride. Gabriel said he did not want law enforcement to take him at which time ██████ told him to let them and Gabriel hung up with her. Gabriel called ██████ at approximately 1530 hours from ██████.

After hanging up with Gabriel, ██████ called Ada County Dispatch to tell them about the conversation with Gabriel. I explained to ██████ that she was not able to see Gabriel at this time and that I was not able to provide the hospital that he was currently at.

Gabriel was not allowed to live with ██████ and was currently homeless. Gabriel would never tell ██████ where he was residing. Gabriel was not taking his medication due to it being in Twin Falls. ██████ confirmed the story about having the warrant out of Twin Falls for selling a gun to an undercover on Snapchat and that was why he was hiding out in Boise.

██████ was not sure if Gabriel was currently using drugs or if he was taking his mental health medications. ██████

Follow Up:

I contacted Lieutenant Wittmuss with Boise Police and advised him that I spoke with ██████ and to pass the information on to hospital staff.

Disposition:

Add to current case file.

Criminal Investigations Unit Supplemental Report

On Wednesday November 13, 2024 at approximately 1558 hours I was contacted by Detective Corporal Canfield in my office at the Garden City Police Department. Detective Corporal Canfield advised me that there had been an officer involved shooting incident and that we would be taking the lead for the Critical Incident Task Force investigation. Detective Sergeant Dozier informed us that the location of the incident was on Colorado Street in Boise, and that Detective Corporal Canfield, Detective Hughes, and I would be responding to the scene. After gathering my supplies I left the station at approximately 1620 hours. I arrived at [REDACTED] South Colorado Ave at approximately 1638 hours and met with Detective Corporal Canfield and Detective Hughes. I was briefed and shown around the scene observing a duplex type home with a Boise Police Patrol SUV parked partially in the driveway. There was clothing and debris strewn across the grass and front walkway as well as another Boise Police Patrol SUV parked in the

middle of the street in front of the house. Parked along the curb on front of the house was a small orange SUV type vehicle that was determined to not haven been involved in the incident. Due to the time and impending sunset I quickly began taking over all photographs of the scene as well as individual photos of each item that was potential evidence. While finishing the photo documentation Detective Corporal Canfield and Detective Hughes places numerical evidence placards next to all the items that would be documented and collected as evidence. Please see property invoices for the list of items collected. I took a second set of photographs with the numerical evidence placards next to the items. Prior to evidence collection Detective Corporal Canfield took measurements from the corner of the grass in the front yard to the following evidence items.

- #1: 16 ft 1 inch (knife)
- #2: 3 ft 3 1/2 inches (shell casing)
- #3: 15 ft 10 inches (shell casing)
- #5: 7 ft (boot heel), 8 ft 5 3/4 inches (top of jeans)
- #6: 14 ft (bottom of jacket)

We also measured from the fence at the back of the yard to the tip of the front yard grass which was 96 ft.

Once I had completed my photo documentation process I collected evidence envelopes, bags, and a knife box to start the collection process. While I numbered the proper packages Detective Corporal Canfield and Detective Hughes aided me in collecting the evidence items. We collected items one through eleven and secured them within the evidence vehicle. At that time we had not located the third spent bullet casing, and with the help of other Detectives on scene from assisting agencies I was able to locate it within the foliage in the driveway. The casing was marked item twelve, which I photographed, collected, and secured in the evidence vehicle. Due to the lack of light it was determined that the items collected would not be sealed on scene, but transported back to the Garden City Police Department to be photographed in better light. While still on scene I was asked by one of the assisting agency to open the wallet to see if there was any identification within it. I places an unused brown paper bag on the ground and placed the wallet on it while I searched the pockets within and did not locate any identification. I photographed the process. Detective Corporal Canfield and I collected all of the medical waste in a brown bag to be disposed of at the Garden City Police Department. While cleaning up we were approached by Meridian Police Department Detective Rhoades who handed us a clear plastic bag containing a cell phone and two vape devices. Detective Rhoades stated a citizen had located the items and had turned them over to him. I took custody of the items and secured them within my evidence vehicle. Prior to putting my camera away I took over all photos of the Boise Police Department Patrol SUV that was parked in the middle of the road and advised that it could be cleared from the scene.

Detective Corporal Canfield, Detective Hughes , and I completed a final inspection of the property where the two Detectives located what appeared to be a bullet impact on the neighboring house at [REDACTED] S Colorado Ave. I photographed the impact site and searches the surrounding grass area, but could not locate the projectile. I cleared the scene at approximately 1850 hours and returned to the Garden City Police Department at approximately 1908 hours. All evidence packages were placed into the evidence

room. Three of the items, Item 5B ripped blue jeans, item 6 wrangler jacket, and item 8 blue thermal pants, were placed into the evidence dryer due to being saturated in a substance that appeared to be blood. Item 1, a black and silver folding knife, was photographed and secured with a zip tie within the knife box that we placed it in upon collection which I then sealed with evidence tape and placed back in the evidence room. Item 13, cell phone in a red case and two vape devices, were separated into two evidence envelopes with the cell phone being placed in a faraday bag and large evidence envelope labeled Item 13A. The vape devices, which Detective Hughes placed in individual heat sealed packages, were labeled 13B and sealed in an evidence envelope. All items were secured in the Garden City Police Evidence room for the night to be further photo documented and sealed the next day.

On Thursday November 14, 2024 I photographed all evidence items that I had collected the night prior with the exception of the three items that had been placed in the dryer due to them needing more time to dry properly. While Photographing Item 4A I noticed that what I had believed to be a gift card was actually a Famous Footwear credit card belonging to a [REDACTED]. I packaged all items that I had initially labeled Item 4 separately as items 4A-4E to document rightful owners. The original plastic bag that the items were placed in was packaged with item 4C, and the original paper evidence bag was packaged with item 4A. I sealed all packages with evidence tape, and left them within the evidence room. I uploaded all my photos into a file within the secure server. Detective Corporal Canfield returned items 10 and 11 to the Boise Police Department.

On Monday November 18, 2024 Detective Sergeant Dozier assisted me in retrieving items 5B, 6, and 8 from the evidence dryer, placing them in their original packaging to be photographed. Detective Sergeant Dozier placed white butcher paper on a table within the multipurpose room within the Garden City Police Department. The first item we photographed was item 6, the wrangler jacket. I took over all photos front and back, and then we took photographs with a scale for size comparison of what appeared to be possibly 3 bullet impact locations on the jacket. Once we were done with that item it was placed back in its original package and set aside to be sealed. We changed the butcher paper, disposing of the previous piece used, and laid out item 8, the blue thermal pants. I took over all photos of the pants front and back, and located a piece of metal imbedded within the fabric of the groin area. Detective Sergeant Dozier removed the metal piece which I documented and packaged as item 8A. The pants were placed within their original package, set aside to be sealed, and I disposed of the butcher paper. Another fresh sheet of butcher paper was laid out on the table and we placed item 5B, the ripped blue jeans, on it where I took over all photos front and back. I then took photos of what appeared to be a bullet hole in the groin area on the pants with a scale for size comparison. During collection a hotel room key card fell out of the pocket; I photographed it and collected it as item 5B1. I returned the items to the evidence processing room where I sealed the packages and placed them within the evidence room. I uploaded my photos to the file I had previously made in the secured system.

On Wednesday November 20, 2024 while I was entering the evidence items into our records management system I discovered that when I had uploaded my photos twelve photos did not save into the file on the server. Due to the numerical location I believe the only photos that are missing are of the second documentation of the wallet and contents from November 14, 2024. Unfortunately I had already

Narrative

On November 13, 2024, at about 1541 hours, I was apprised of an Officer involved shooting that took place at 2054 S Colorado Ave. in the City of Boise, County of Ada. I was requested to accompany Det. Cpl. Canfield to the scene.

I arrived to the scene with Det. Cpl. Canfield. Upon my arrival I recognized [REDACTED] S. Colorado to be a duplex style residence. There was a Boise PD patrol unit in the driveway, another to the front of the residence in the street facing south and two additional in the street to the north of the residence facing south. I noticed belongings and medical equipment strewn about the grass area to the front of the residence.

One area of the grass had clothing piled up (to include blue jean style pants, belt and buckle, brown cowboy style boots and long john type underwear). It should be noted, the boots had an anti thief tag device still attached. The pants and long john underwear were bloody.

Another area of the grass had what appeared to be a medical bag from a patrol unit, with medical supplies and trash around it. There was also a grey ball-cap style hat located near this area.

I also observed a black pocket folding knife in the grass area. The knife blade was about 3-4 inches in length with a portion of it serrated. The knife was in the open locked position. The knife was covered in blood.

I was advised by Officers on scene that they had found 2 spent casings and could not find a possible third. The shell casings were protected underneath their own respective traffic cone. It should be noted, the third spent casing was found a time later in a planter located between the driveway and walkway.

I assisted with photographs, a brief area canvas, measurements and evidence collection

While conducting an area canvas, I spoke with the resident at [REDACTED] W. Gallaher St. He told me he believes the suspect entered his backyard and jumped the fence as one of the wooden slats had been pulled from the stud. He showed me the fence slat which he had already pushed back into place. He pulled the slat down and showed me how it was when he found it. I took digital photographs of the fence slat. I continued to conduct a canvas at this residence. I noticed a north facing gate that led into this back yard. There was a metal handle and latch on the door. I looked at the handle and noticed what appeared to be fresh blood. I know from the radio traffic of the original call that the suspect had cut himself and was bleeding. This led me to believe that the blood on this handle belonged to the suspect. I took digital photographs of the blood, handle and gate. These photographs were uploaded with this report.

SUPPLEMENTAL REPORT

On November 13, 2024, I was assigned to assist on a Critical Incident Task Force Investigation regarding a Boise Police incident that stemmed from a traffic stop. I was tasked with going to St Alphonsus Medical Center located at 1055 N Curtis Rd in Boise for follow up with Detective Brumbaugh. While at the hospital I collected the following items belonging to Gabriel Pope from the emergency room medical staff, the items were provided to me in plastic bags:

- Pair of blood-stained gray, white, and black colored underwear (boxers) and black, gray, and white colored socks also with blood stains.
- A silver colored cross necklace and silver colored stud earrings. The necklace had blood on it and one of the stud earrings appeared to have a small amount of blood on it.

At least one of the bags was labeled with a "Doe" last name and incorrect first and middle name, due to Gabriele Pope being a confidential patient. There was also an incorrect date of birth and age on the label due to confidentiality related to the investigation.

I also later collected the following item(s) belonging to Gabriel Pope from Detective B. Joseph with the Boise Police Department, while at St Alphonsus:

- A smaller brown colored paper bag containing blood-soaked/stained white shirt in a clear plastic bag.

While at the hospital I also obtained contact information for Gabrielle's family members and a friend.

The blood-stained and/or soaked items were placed into the blood dry cabinet located in the Garden City

CIU Supplemental Report:

Initial Call:

On November 13, 2024 at approximately 1545 hours, I was advised of an officer involved shooting in Boise. The command post was later established at the Garden City Police Station. While at the command post, Det. Hughes, Evidence Technician Vargas, and I were asked to process the scene (█████ Colorado St. Boise, ID).

█████ Colorado St. Boise, ID:

Upon arrival, my presence was logged into the crime scene by Boise Police Officer Skaggs. Boise Police Department, Detective Shofner briefed me on the scene. He already had cones placed over a bloody knife, and two shell casings (Note: It should be noted that the cones were protecting the evidence as the wind was prevalent. He stated they believed there was a third shell case that they were not able to locate at that point in time.

While on scene we located the following:

Area Canvass:

Ada County Sheriff's Office Detective Hawksley and Meridian Police Department Detective's Fuller and Rhoades conducted an area canvass. While conducting the area canvass a citizen brought them a cell phone and two vapes that they located. Please refer to their reports for further information regarding the cell phone and vapes. Evidence Technician Vargas gathered the cell phone and the vapes and booked them into evidence at the Garden City Police Department.

Follow Up: November 14, 2024 - [REDACTED] Boise Ave. Boise, ID:

On November 14, 2024, I was advised that Boise Police Officer D. Jones was on a prowler in the residence call at [REDACTED] W. Boise Ave. in Boise. I was advised that the calling party (later identified as [REDACTED], [REDACTED]) had video evidence from her Ring camera showing a male on her property holding a knife.

Sergeant Dozier and I made contact with [REDACTED] who was with BPD officers at her residence. I was given a still shot that was printed out of the suspect on [REDACTED] property the previous day (November 13, 2024) at approximately 1524 hours. The male in the picture matched the description of the suspect (Gabriel Pope) of the police involved shooting the day prior. The clothes he was wearing also matched the clothes that were collected at the scene of the shooting.

[REDACTED] sent the video to my email which I later downloaded into the case file. I have attached a still frame photo from the video and attached it below.

Follow Up – Interview: November 14, 2024 – Gabriel Pope:

On February 14, 2024, Detective Rosen, Sgt. Dozier, and I went to St. Alphonsus Hospital to interview Gabriel. Please refer to Det. Rosen's report for more information regarding the interview.

Evidence:

On November 14, 2024 at approximately 1430 hours, I returned the handcuffs found on scene that belonged to Off. Phuey and the medical bag that was located on scene as well to Det. Shofner. (Note: I spoke with Det. Rosen who approved of the items being returned.)

Disposition:

Please refer to Evidence Technician Vargas' report for further information.

Involved Officers: Martinez, Steve #806

INITIAL NOTIFICATION AND BRIEFING:

On November 13, 2024, at 1541 hours I was called by Corporal Canfield to notify me that Boise Police Department (BPD) personnel had been involved in an Officer Involved Shooting and the Critical Incident Task Force (CITF) would mostly be activated.

A short time later I was contacted by BPD violent crimes Sgt Kendall. He advised me of the following:

- BPD officers (later learned to be Officer Sigler) conducted a traffic stop in the area of Division and Howe in Boise, ID. The reason for the stop was unknown at that time.
- Officers attempted to identify a passenger of the vehicle, who gave a false name or refused to identify himself. The probable cause related to the forced identification of the passenger was not known at the time.
- The passenger presented a knife, proceeded to stab himself in the neck, and ran away from officers.
- A containment perimeter was set up.
- A short time later, dispatched received a phone call stating a subject was observed in the area of Gallaher St and Division Ave, with a stab wound to his neck and blood on his clothing. The subject

fit the description of the person who ran from the traffic stop.

- This location was outside the initial containment perimeter.
- Corporal Martinez was on an outer perimeter assignment and was close to that area. He responded to investigate.
- Upon arrival on Colorado Ave, Corporal Martinez observed the subject exiting the backyards of [REDACTED] and [REDACTED] Colorado Ave.
- Corporal Martinez issued commands for the subject to stop and lay down on the ground. The subject had a knife in his hand at the time.
- The subject refused to comply with commands and agressed Corporal Martinez.
- Corporal Martinez fired three rounds from his duty weapon (handgun) striking the subject an unknown number of times.
- Medical aid was rendered, and the subject was transported to St Alphonsus Regional Medical center, 1055 N Curtis Rd Boise, ID 83706.
- No other involved personnel were identified. Two uninvolved witness officers Officer Thompson and Officer Pfau) arrived shortly afterward and detained/rendered aid to the subject.

ASSIGNMENTS:

After receiving the briefing, I made the following assignments:

I remained in the command post at the Garden City Police Department until the assignments were completed.

Follow-up:

On November 14, 2024, I conducted an area canvas in the area of 510 W Boise Ave, Boise, ID 83706. The resident stated they had video from their home video system of what appeared to be the suspect walking through her yard. Corporal Canfield obtained the video and interviewed the resident.

I left a card at [REDACTED] Division Ave Boise, 83706 after seeing security cameras on the property. On November 18, 2024, I received a voicemail from the caretaker of the property. I attempted to contact the caretaker, but had to leave a voicemail. As of the writing of this supplemental report, I have not received any further communication.

After conducting the area canvas, I responded with Detective Rosen and Corporal Canfield to St Alphonsus Regional Medical Center where the suspect, Gabriel Pope had been extubated and was conscious.

I observed the interview, asking some brief follow-up questions of Gabriel. See Detective Rosen's supplemental report for further details.

PHONE CALL FROM SELF-REPORTED "STEPMOTHER" OF GABRIEL POPE:

On November 18, 2024, at approximately 1105 hours I received a phone call from the self-reported "stepmother" of Gabriel Pope. The person refused to further identify themselves and my conversation was initially met with hostility and profanity.

However, I explained I could not divulge any information that was not related to the Garden City case and only to his legitimate mother, by birth or documentation. I was then provided Gabriel's mother's information.

This concluded the conversation with the unknown stepmother.

PHONE CONTACT WITH [REDACTED]:

After speaking with the unknown caller, I called the phone number provided to me of [REDACTED]. Upon contacting [REDACTED] (sic), I explained the Garden City Police Department's involvement regarding the situation with Gabriel. [REDACTED] went on to provide the following information:

- [REDACTED]
- Gabriel had a long history of mental illness, suicidal statements, and attempts.
- [REDACTED]

- [REDACTED]
 - According to available internet sources this is prescribed to treat opioid and alcohol use disorders.
- [REDACTED]
 - [REDACTED]
- [REDACTED] listed other medications which I could not find information on. A prescription monitoring request through the State of Idaho only yielded two prescriptions, both for Norco and both over one year old.
- Gabriel had been taking his medication, but due to pending legal issues of Gabriel and also unrelated issues of family members, Gabriel was no longer allowed to stay at his mother's residence.
 - This meant Gabriel had to come by each day to get the medication from his mother because he had overdosed on the medication in the past.
 - [REDACTED]
 - [REDACTED]
 - When Gabriel learned he had charges coming stemming from selling stolen guns, he went into hiding. [REDACTED] did not know he was in the Boise area until he called her and told her the police were trying to find him and he cut his neck and needed help.
 - Gabriel left without his medication.
 - Gabriel had a history of using recreational drugs in order to self-medicate. She confirmed his previous drug of choice for this purpose was methamphetamine.
- Much of Gabriel's mental health stemmed from his early childhood. [REDACTED] *Note: this was determined to be previously investigated and adjudicated (CR-2011-32449).*
- Gabriel did not receive counseling or any mental health resources for this. [REDACTED] said he refused to participate in the CARES interview and his [REDACTED] was made to bear the responsibility of being the only disclosing victim in the case. Gabriel had remorse over this.

- Additionally, Gabriel had been subjected to friends who have died in his presence, a recent relationship issue where his girlfriend cheated on him, the passing of his grandmother unexpectedly, and other stressors in his life.
- [REDACTED] also said Gabriel's [REDACTED] was in prison for a very similar situation. [REDACTED] was found to be in possession of a stolen vehicle at the time. In the subsequent attempt to arrest [REDACTED] he barricaded himself in the storage closet of a hotel. He was subsequently brought into custody. [REDACTED] pointed out that [REDACTED] was "tased" during that incident and she did not understand why [REDACTED] had been shot rather than tased.
- [REDACTED] had not seen Gabriel for approximately three and a half (3 ½) weeks. Since he went into hiding due to the pending warrant for trying to sell stolen guns to an undercover police officer. This case apparently took place on or about October 29, 2024.
 - [REDACTED] added that Gabriel came to their residence (Apollo Inn 296 Addison Ave W Twin Falls, ID 83301, room #9) and asked to borrow the keys to his father's car to "put some of his stuff in." They allowed this to happen.
 - A short time later [REDACTED] learned the vehicle contained stolen guns and Gabriel was responsible for attempting to sell them from the vehicle.
 - [REDACTED] said Gabriel ran from the police when they attempted to apprehend him, and she had not seen him since.
- [REDACTED] had concerns about Gabriel because she said he was "a completely different person" when he was taking his medication. He was happy and interactive. He often played with his niece and nephew. However, this was not the case when he stopped taking his medication. The issues with Gabriel's mental health were only exacerbated by his methamphetamine use.
- She said she tried to track his location via a cell phone app called Life360. However, he turned off his phone and apparently threw away the physical phone.
- [REDACTED] said she spoke with Gabriel just prior to the shooting. He called from an unknown number (the citizen Gabriel borrowed the phone from). She said he "had blood covering him" but did not say if she saw this or was told this by Gabriel. He told her he stabbed himself and needed help. He did not want the police involved and wanted her to call a friend to come pick him up and take him to the hospital. [REDACTED] told him she did not know anyone in the Boise area. Gabriel hung up shortly afterward.
- [REDACTED] confirmed that Gabriel did not want to go back to jail. [REDACTED]. She could not recall which time or when he was in jail that this took place.
 - *Note: I did not find any report of this taking place in the Twin Falls County Jail. I do not have access to any records not filed with the court, however. The search was only completed*

Man arrested after standoff with police in Boise

The 20-year-old man from Twin Falls resisted arrest, led police on a foot chase and barricaded himself in a hotel before he was apprehended.

Author: KTVB Staff

Published: 4:37 PM MDT July 25, 2023

Updated: 10:40 PM MDT July 25, 2023

BOISE, Idaho — [REDACTED], a 20-year-old man from Twin Falls was arrested on Sunday, July 23 after allegedly stealing a car, leading officers on a foot chase and barricading himself in a hotel utility room.

According to the [Boise Police Department](#) (BPD), police were called to the block of 3300 S. Vista, near the Boise Airport, because a person was seen sitting in a car that had been reported stolen. BPD said that when they tried talking with the man, he pulled a gun and ran.

BPD said [REDACTED] dropped the gun as he again ran away from officers. They kept following him but he also pulled a knife on the officers and then ran into a hotel. Police followed him through the hotel and even tased him, but they said it was ineffective.

[REDACTED] eventually barricaded himself in a hotel utility room. BPD called the Special Operation Unit and Crisis Negotiation Team, and after several hours trying to negotiate with [REDACTED] they extracted him from the room, he was arrested and booked into Ada County Jail.

Police said [REDACTED] also had several outstanding warrants in Ada County and Twin Falls. He was charged with five counts of felony assault or battery upon certain personnel, enhancement, use of a deadly weapon in commission of a felony, resisting or obstructing officers, five counts of failure to appear, probation violation, petit theft and escape.

Police: Fugitive fights with officers at PMC after regaining consciousness from seizure

By Journal Staff

Feb 11, 2022

Gabriel Pope

POCATELLO — A fugitive caused a noticeable law enforcement presence at Portneuf Medical Center on Thursday afternoon when he regained consciousness after suffering a seizure and fought with several officers, authorities said.

Gabriel Pope, 19, of Twin Falls, was subdued by police, with assistance from PMC security, at PMC and then transported to Bannock County Jail where he was booked on charges related to the incident at the hospital as well as a warrant for a battery incident in Twin Falls, Pocatello police said.

Gabriel and his [REDACTED], who was also wanted in connection with the Twin Falls battery incident, were initially apprehended by Pocatello police at the Aid for Friends Homeless Shelter on Thursday afternoon.

While [REDACTED] was transported to Bannock County Jail, Gabriel had a seizure and was taken via ambulance from the homeless shelter to PMC, police said.

When Gabriel regained consciousness at the hospital, he fought with the police who were there, so several additional officers responded and were able to get him under control, police said. There were no injuries, police said.

Further details on the battery incident in Twin Falls were not immediately available.

Narrative:

On 11/14/2024, at approximately 1545 hours, I was assigned to assist in a CITF investigation involving the Boise Police Department. I drove to the Garden City Police Department and was assigned to canvass the scene for witnesses and evidence at [REDACTED], Boise, Ada County, Idaho.

Once at the scene, I met with other detectives and began canvassing the area. I saw a camera attached to the front window of [REDACTED]. I contacted the resident, and they stated the camera did not catch anything pertaining to the event.

I continued walking and saw a camera affixed above the front door of [REDACTED]. I knocked on the door and spoke to the resident. She looked through her camera and did not locate any video pertaining to the event.

After this, Meridian Police Department Detectives and I attempted to locate a possible path of travel POPE may have taken. We saw behind [REDACTED], was a path that led to addresses off [REDACTED]. At the end of this path was a gate. The gate was open. There was a red droplet that appeared to be blood. Based on this, we believed POPE came through the gate prior to reaching Colorado Avenue. I photographed the apparent blood. See below for more details.

After locating the apparent blood, we continued traveling north to try to determine POPE's direction of travel. I knocked on [REDACTED], Boise. There were cameras in the front and back of this residence. The homeowner checked the cameras and informed me it did not capture anything pertaining to this event.

I then walked north along S Division Avenue. I saw there was a camera at [REDACTED]. I knocked on the door but there was no answer. I left my business card.

Narrative

Narrative:

I am Detective C. Parsons with the Ada County Sheriff's Office. On 11/13/24, I was assigned to assist in the Critical Incident Task Force (CITF) regarding an officer involved shooting. The Boise Police Department (BPD) was the involved agency, and the Garden City Police Department (GCPD) was the lead agency for the CITF.

Initial Information:

I went to the GCPD, located at 301 E. 50th St. in Garden City, Idaho. When I arrived, I was briefed on the situation. On 11/13/24, at about 1505 hours, BPD Officers conducted a traffic stop on a vehicle near [REDACTED] in Boise. One of the passengers of the vehicle, later identified as 22-year-old Gabriel Pope, was asked to step out of the vehicle. Gabriel produced a knife, held it to his throat and fled on foot. Officers were conducting an area search for Gabriel. Officer Martinez located Gabriel nearby. Gabriel was reported to have come at Officer Martinez with a knife. In response, Officer Martinez shot Gabriel. Gabriel was transported to St. Alphonsus Hospital in Boise.

GCPD Detective Rosen was assigned as the lead Detective in the case. There was one involved officer, Steve Martinez, and no involved witnesses. The incident occurred in the area of [REDACTED] S. Colorado Ave. in Boise.

Agency Case Numbers:

- Garden City Police Department - GCPD24-5789
- Boise Police Department - BPD2024-417574
- Meridian Police Department - MPD24-007967

The following detectives were assigned to the case:

First Contact:

I was assigned to conduct First Contact interviews. First Contact is the process of identifying key information for the investigation by talking to the involved officers and witnesses. The goal is not to conduct a full interview or ask questions about the incident, but to gather basic information and evidence that cannot be collected or documented later. The only involved Officer was Steve Martinez of the Boise Police Department.

Steve Martinez - Involved Officer - Boise Police Department:

I spoke with Officer Martinez at about 1654 hours on 11/13/24. I spoke with him in the detective sergeant office. Officer Martinez did not have any injuries or biohazards on his uniform. The Meridian Police Department took overall photos of Officer Martinez. See their report for photos. Officer Martinez was carrying and used his pistol in the incident. I collected his pistol and spare magazines.

11/13/24: Initial Response

I received a text message at 1556 hours advising me of an officer involved shooting by Boise Police. I was assigned to respond to the Garden City Police Department at 301 E 50th St in Garden City as part of the First Contact Team.

The First Contact Team also included:
 Cpl. I. Wear (MPD)
 Cpl. J. Mann (GCPD)
 Det. Caleb Parsons (ACSO)

We were informed there was one involved officer. When Cpl. Steve Martinez arrived he was taken to an office away from the general meeting area of the command center.

I photographed Cpl Martinez as he was dressed and equipped at the time of the shooting.

Cpl. Wear and Det. Parsons conducted a round count out of Cpl. Martinez' presence. I photographed his duty weapon and the rounds during the round count. Refer to their reports for details.

I began the face sheet for the Meridian Police Department.

Nothing further at this time.

Narrative

On 11/13/24 I was directed to assist with this case and assigned to canvas the area where the incident occurred; upon arrival I understood a traffic stop had been conducted near W Highland St and S Division Ave in Boise, a suspect had fled the stop and at some point he had cut himself with a knife, before he was contacted by Law Enforcement and ultimately shot in the area of S Colorado.

Detective Stoffle and I went to W Gallaher St where we met . said he had already talked with Officers about what he saw, which was a white male "jackrabbiting" in the area, he was westbound on Gallaher carrying something in his hand, he turned southbound between residence and Gallaher, then he jumped the fence into his neighbors yard. said the male was wearing a brown Carhart jacket, a hat, blue jeans, he had a beard, and his estimated age was 32-35 years old.

Detective Stoffle and I then went to Gallaher St and talked with said Officers had already checked his backyard, and we welcome to check it again. We looked in

the backyard and found nothing of evidentiary value.

I left the area of Gallaher St and went to canvass the area of Division Ave from around Priest Pl, south to W Highland St. Corporal Wear met me in the area. We found some blood drops on the sidewalk which led us to the area of S Division Ave and W Highland St, specifically into the gated area of the business, The Live Edge at 515 W Highland St (see photo log). At the business we talked with [REDACTED], and he told us the surveillance camera's there were not recording, so they would not have captured anyone going through there. [REDACTED] directed us to a cabinet shop where there was a surveillance camera he thought did record.

On 11/14/24 Corporal Wear and I went to the business Unlimited Wood at 509 W Highland, and ultimately met with [REDACTED] who had access to their surveillance system. We left a business card with [REDACTED] and he said he would review video when he had time, then let us know if he found anything.

Narrative

NARRATIVE:

On the evening of 11/13/2024 I assisted with this critical incident investigation by canvassing the area of W Gallaher Street and Division Avenue. On Gallaher Street, Detective Churchfield and I met [REDACTED] who lives at [REDACTED]. [REDACTED] told us he had already been contacted by uniformed police officers. He said he was outside when he saw a male of about thirty-two to thirty-five years old run up the street and turn in between his house and this neighbor's house to the east at [REDACTED]. He said the male hopped over the fence. He described the male as wearing a Carhartt jacket, a beard, hat, and blue jeans. He said the male was white.

The fence that the male jumped over was actually [REDACTED] neighbor's part of the fence at [REDACTED]. We spoke with the resident, [REDACTED], who gave us permission to look in the backyard again. He said that other uniformed officers had checked the yard as well. We found nothing in the yard.

I later drove over to South Division Avenue to continue the canvass. While on Division Avenue, I learned that residents at [REDACTED] had found a cell phone. I went to the address, but two of the residents had already taken the phone and some vapes they had also discovered in the yard to other detectives canvassing a few blocks down the street. I met with [REDACTED] in front of [REDACTED]. He told me he was the one who found the phone. He pointed to the street between the rear of his car and the car parked behind his as the location of the phone. He said he saw it when he got home and parked.

I noticed that there were drops of blood on the sidewalk beside [REDACTED]' vehicle. I took photographs of the location and attached them to this narrative. Detective Rhoades took possession of the phone and vapes.

Narrative
Critical Incident Task Force (CITF) Activation

On 11/14/2024, at approximately 1557 hours, I received a CITF activation notification advising there had been an Officer Involved Shooting (OIS). Information available indicated the incident evolved from a traffic stop, and a foot pursuit. The suspect was armed with a knife, possibly a mallet or sledgehammer as well, and the incident may have been suicide by cop. The involved agency was identified as Boise Police Department, the lead investigative agency was identified as Garden City Police Department, and the Command Post/ First Contact was held at Garden City Police Department.

CITF Assignment

Shortly after being made aware of the CITF activation, Sgt. Figal requested I respond to the Garden City Police Department for my assignment with the First Contact Team.

Information Available from Command Post

Upon arrival to the Garden City Police Department, I learned of the following information and identified roles correlated to this incident/ investigation:

Involved Officer:

- S. Martinez (Boise Police Department)

Involved Witness Officers:

- None

Upon initiating contact with Officer Martinez, Detective Fawley began by photographing Officer Martinez's person, uniform and donned duty gear. Once the photographs were complete, Detective C. Roth took custody of Officer Martinez's Body Worn Camera (BWC) to be downloaded. At this time, Detective Parsons and I sought specific clarification to questions relevant to First Contact duties. Officer Martinez informed us of the following:

- Officer Martinez indicated the duty weapon utilized in the incident was his Glock pistol
- Officer Martinez carried his Glock with a full magazine and one round chambered
- Officer Martinez advised he maintained his Glock magazines at full capacity, and he carried two (2) spare magazines
- Officer Martinez did not carry a backup weapon, he did not use his Taser, or deploy any other weapon during this Use Of Force
- Officer Martinez advised he did not have any biohazard's on his uniform as a result of the interaction, and he denied having any related injuries from the encounter

After gathering the aforementioned information, Detective Parsons and I collected Officer Martinez's Glock pistol (with seated magazine), and two (2) spare magazines to conduct a round count. We proceeded to exit the office and closed the door. Detective Parsons and I conducted the round count in an adjacent office space away from Officer Martinez.

Round Count

Prior to conducting the round count, Detective Fawley photographed Officer Martinez's Glock and magazines. Once initial photographs were complete, Detective Parsons and I began to remove and count the ammunition rounds from the equipment. Detective Parsons counted the rounds from the Glock and seated Magazine, while I removed and counted the rounds from the two (2) spare magazines.

During the round count, I observed Officer Martinez's Glock to be a Model 47, 9MM pistol with serial number CAWZ464. The magazines were seventeen (17) round capacity (each). After I counted the rounds from each of the two (2) spare magazines, I observed the rounds removed from the Glock and previously seated magazine.

- Spare magazines- Two (2) spare magazines, seventeen (17) round capacity, each magazine held seventeen (17) counted rounds of ammunition, total count for two (2) spare magazines was thirty-four (34) - This round count showed both spare magazines were at full capacity
- Glock 47- I observed one (1) round of ammunition to be extracted from the Glock 47 barrel, after the seated magazine was removed. Furthermore, I observed fifteen (15) rounds of ammunition to have been removed from the magazine previously seated in the Glock's magwell. With Officer

Martinez's confirmation stating he carried his duty firearm with one (1) round chambered, and a full capacity magazine of seventeen (17) rounds of ammunition, for a total of eighteen (18) rounds, the remaining fifteen (15) rounds indicated three (3) rounds of ammunition to have been discharged during this incident

- Round count findings- three (3) presumptive discharged rounds of ammunition

Evidentiary Collection

At the conclusion of the round count, Detective Parsons and I packaged the Glock 47, magazines and ammunition into evidence packaging for evidentiary submittal. Once the items were placed into the packaging, we provided the items to Cpl. Mann for evidentiary submittal at the Garden City Police Department.

This concluded my involvement in First Contact's role this date.

Area Canvas

After completing my role with First Contact, I was assigned to the Area Canvas Team. I proceeded to meet with Detective Churchfield in the area of S. Division Ave. and Priest Pl. in Boise. Once on scene we began to walk northbound on S. Division Pl. until we met with Detective Rhoades and Detective Stoffle near [REDACTED] S. Division Pl. Along the sidewalk in front of this residence, Detectives observed blood drops on the sidewalk. I was informed a cell phone and vape had also been collected in this area.

With the above-mentioned information in mind, Detective Churchfield and I continued to walk northbound along the sidewalk. During this time, we located sparse/ small drops of blood periodically on the sidewalk. It appeared the suspect in this incident may have traveled this area. Once we arrived at the intersection of S. Division St. and W. Highland St., we turned to walk eastbound on W. Highland St., again finding additional droplets of blood. Upon coming to an open gated area at 517 W. Highland St. (The Live Edge), it appeared the suspect could have been in/ on this private property.

After making contact with an employee, (verbally identified as [REDACTED]), he granted us permission to enter the property. [REDACTED] informed us Police had spoken with him early this date inquiring about a sledgehammer having been discarded by the suspect. He also noted Police had flown a drone over the area early this afternoon. [REDACTED] stated he too attempted to assist by searching for the sledgehammer, but he was unable to locate it. While speaking with [REDACTED] we located one additional area with a small amount of what appeared to be blood droplets along the asphalt driveway/ parking lot just South of the entrance. During this continued search, [REDACTED] told us the video surveillance system on their business was live feed only, and not recorded. [REDACTED]

went on to tell us the neighboring business had recorded cameras.

With consent from the [REDACTED] Detective Churchfield and I continued to search for additional blood droplets, however; we were unable to locate any additional blood droplets this night. At this point, we reversed our route and followed the evidence back to the area where we initially met with the other Detectives, stopping to photograph some of the areas we located blood droplets.

The following day, 11/14/2024 within the late morning hours, Detective Churchfield and I met and spoke with an [REDACTED], an employee at Unlimited Wood (509 W. Highland St.). The purpose of this contact was to inquire about any potential video surveillance footage the business may have showing the suspect on their property. At this time, the business was unable to search for video footage but advised they would contact us in the event they were able to locate any related footage.

Narrative

On 11-13-2024 at approximately 1330 hours, I was informed there had been an officer involved shooting in Boise. I was requested to respond to the area of [REDACTED] Colorado Ave in Boise to assist with canvassing the neighborhood.

I contacted the occupant of the residence located at [REDACTED] identified as [REDACTED] [REDACTED] who said she was outside in her back yard when she heard someone yell, "right here, right here" after which time [REDACTED] said she heard three gunshots. [REDACTED] provided her phone number in the event she needed to be contacted in the future. [REDACTED] I asked [REDACTED] if her ring door bell had any video footage available, and I was informed that the ring door bell did not function.

I knocked on the door of [REDACTED], due to it having a camera directed towards where the Officer involved shooting took place, however there was no answer at the door.

Myself and other Detectives began retracing what was believed to be the route traveled by the suspect after fleeing from the initial traffic stop prior to the shooting. I located what appeared to be a drop of blood near a gate, which Det. Rhoades photographed. I was unable to locate any further biological evidence, or cameras on the route I traveled.

I had no further involvement with this investigation.
