Narrative

On 11/10/2024, at about 1455 hours, I responded to ■■■■ N. Hartman St. apt ■■■■ reference a suspicious circumstances call of a man with a knife inside his apartment who was possibly hurting his neighbor, who was inside his apartment.

The caller, ■■■■ stated she was in California and on face time with her ■■■■ Guadalupe Reyes. ■■■■ told dispatch she could see on face time that Guadalupe had a knife in his hand. The suspect, Guadalupe Reyes was described as a Hispanic male with a bald head. The neighbor, later identified as ■■■■ was laying on Guadalupe's bed, partially unconscious, and was possibly stabbed in the hand. ■■■■ stated she could hear the ■■■■ crying and wheezing.

My assignment was with the react team as hands. I was tasked with handcuffing the suspect upon contact. We took a position inside a vacant apartment just north of ■■■■ on the second level. We were inside the apartment north of ■■■■ for approximately one hour. During this time several knocks and announcements were made at the front door for the suspect to come out of the apartment with his hands up and surrender to police. Initially I could not hear movement or sounds coming from apartment ■■■■ At about 1657 hours I began to hear voices, loud pounding, and movement from inside apartment ■■■■

Suddenly the front door to apartment ■■■■ opened and a Hispanic male with a bald head, who was later identified as ■■■■ exited the apartment and stood on the landing outside the door. He had blood on his chest. Officers gave commands from inside the adjoining apartment where we were staged. ■■■■ complied with commands. He laid on his stomach with his hands interlaced behind his head. I moved up to ■■■■ and contacted him on the landing. I knelt and had a grasp on his hands facing north with my back toward the front door of ■■■■ Officers moved between me and the apartment door for coverage on the closed door as other officers and I were attempting to take ■■■■ into custody, thinking he was the suspect.

As I was about to take ■■■■ into custody, I heard approximately 5- 6 gun shots behind me. Thinking a suspect was shooting out the front door of ■■■■ behind me I stood up to draw my weapon and looked behind me. I ultimately did not draw my weapon.

Narrative

INITIAL RESPONSE/CONTACT:

On 11/10/24 at approximately 1503 hours, I responded to ■■■■ N Hartman St. Apt ■■■■ Boise, ID for a Suspicious Circumstance call for service. Numerous officers were already on scene by the time I arrived, and I was informed over the radio by command that this may be a hostage situation. I learned that suspect, Guadalupe Reyes, had stabbed another unknown male inside his apartment and both parties were still in the apartment.

I initially assisted Ofc. Moss as he looked for intel on the involved parties and listed address. I then assumed a position on the rear containment of the apartment, overlooking the rear window and back balcony. Ofc. Gross and I retrieved a ladder and pole from Boise Fire Department and leaned the ladder up onto the back balcony. We set this up for a secondary emergency entrance to the apartment in case we needed to make entry. I then returned to my rear containment position.

While on the back perimeter, I heard numerous hails coming from the patrol car PA system by multiple officers to have the suspect exit the residence with his hands empty and follow commands. They also told him to answer his phone so officers could speak to him to direct him out of the apartment safely. As I was standing on the back perimeter, I heard the front react team state over the radio they had contacted a male that exited the target residence and had laid down on the top of the stairs. Ofc. Gross and I left the rear containment position and moved to the front of the residence, and I began to ascend to the top of the stairs. As I turned the corner of the apartment and prior to initially moving up the stairs, I observed a shirtless male laying on the top platform of the stairs in front of the closed front door of the target address and the neighboring apartment where the react team of officers were. I observed Ofc. Floyd exits the neighboring apartment and stand at the feet of the shirtless male, in front of the suspect's front door. I told the officers to cover the suspect's front door and then observed Ofc. Strodbeck stand between the suspect's door and Ofc. Floyd to provide lethal coverage as other officers attempted to take the shirtless male into custody safely. As I began to ascend the stairs to the apartments, I observed the suspect's front door to be opened, Ofc. Strodbeck make announcements into the residence for any other people inside to make themselves known, a male enter the front entrance hallway within feet of Ofc. Strodbeck, and Ofc. Strodbeck discharge his rifle multiple times. I then observed the male that was in the suspect's front doorway fall to the ground and observed a kitchen knife on the ground next to him.

I then helped Ofc. Turner removes the shirtless male from the top of the stairs and passed him off to officers at the bottom of the stairs before returning to Ofc. Strodbeck. Ofc. Strodbeck, Ofc. Gross, and I all cleared the apartment for any other victims/suspects. We did not locate anyone else.

I then observed bullet exit holes in the walls and advised the rear containment team of their trajectory. After, I exited the apartment and driven to ACSO for further debrief.

CONCLUSION: Route with original report.

Narrative**SUPPLEMENTAL REPORT:****ORIGIN:**

On 11/10/2024 at approximately 1435 hours, I responded code 3 to [REDACTED] N Hartman St. Apartment [REDACTED] to the report of a suspicious circumstance.

INVESTIGATION:

Dispatch advised over the radio that the calling party reported her [REDACTED] was making threats to his neighbor and that he was going to kill him. Dispatch advised that the suspect was possibly armed with a knife. The calling party advised dispatch that the neighbor was currently unconscious on her [REDACTED] bed. The calling party was reporting this from another location and viewing her [REDACTED] apartment from a video call on a tablet.

Upon arrival officers located apartment [REDACTED] and formed an emergency react team and containment around the apartment. I was first assigned to the emergency react team on the east side of the apartment near the front door. I kept eyes on an east facing window. We held our positions for roughly two and half hours. During this roughly two-and-a-half-hour period, I observed police make continuous hailing into the apartment via a PA system, as well as verbally for anyone inside to come outside with their hands up and comply with commands.

I was then assigned to take a position with my patrol rifle in an apartment to the east on the second floor to provide lethal coverage of the suspects front door and east facing window. I was granted consent to enter apartment [REDACTED] by [REDACTED] [REDACTED]

At roughly 1704 hours, I observed a Hispanic male adult exit apartment [REDACTED] he had no shirt on and appeared to be the suspect. I observed the emergency react team give him commands to lay down. I observed him comply with these commands. I observed officers move up to take him into custody. I observed the suspects apartment door open again. I did not have clear view into the apartment as the react team was standing directly between me and the threshold of the door. I then observed several muzzle flashes and heard roughly 7-to-8-gun shots. I maintained coverage on the east facing window until the react team entered the apartment.

PHOTOGRAPHS UPLOADED TO EVIDENCE.COM

ORIGIN:

On 11/10/2024, at approximately 1457 hours, Officer Pollow #1029 and I responded to a radio call regarding a suspicious circumstance at the Central Point Apartments located at █████ N Hartman Street.

INVESTIGATION:

While enroute to the call, I learned that the calling party was in Escondido, CA but was on FaceTime with her █████. She relayed that there was a neighbor with her █████ inside his residence. Her █████ was armed with a knife and was stating he was going to kill the male. The █████ was later identified as Guadalupe Reyes. I conducted a records check and verified the calling party █████ and Guadalupe Reyes matched the information provided. █████ was not using an unregistered phone number and was using her own.

We arrived on scene. A react team and perimeter team was already set upon my arrival. I assisted with moving the react team away from exposure to the second floor apartment. Officer Floto provided lethal coverage from the east to the window and door of the target residence.

It was believed there was one suspect and one hostage inside the apartment. Lieutenant Mengel requested that I set up a secondary entry point to the second floor patio if the suspect were to barricade the front door. It was also set in place if the hostage were to escape from the back slider and could make their way to us. Fire arrived on scene, I borrowed an extension ladder from them and Officer Miller borrowed a pike pole. My react time was comprised of Officer Miller, Officer Hall, Officer Bonas, and myself. The ladder was placed on the railing of the back patio. If needed for emergency entry, I was going to be first up the ladder to provide coverage for the officers following behind. Window breaking contingencies were discussed with the team if the back slider was locked. Our primary goal was to save the hostage.

A tactical consult was conducted. I provided the team with the floor plan, photos of the structure, and a picture of the suspect.

Movement was seen out the rear slider of the residence where our team was set. I was unable to see who the person was. Officer Floto was relaying information that he saw movement at the front side window.

Sergeant Miles and his team were in the apartment next to the target address. His team had their own contingencies in place if an emergency entry would be needed. I saw Officer Strodbeck arrive on scene.

He requested I speak with him regarding the situation. I was speaking with him on the backside of the apartment building regarding possible SOU positions and what contingencies were already on in place. I heard officers challenging a subject that came out of the apartment. I asked Officer Miller to come with me to assist the officers in the front. When we rounded the corner, I could see the officers inside the apartment to the right with force options on the subject on the ground. Officers started to move out of the apartment to take the male into custody. They turned their back to the target residence front door. Officer Miller and I started yelling at the officers to cover the door. Officer Strodbeck went to cover the front door and then I heard multiple gunshots from a rifle. Officers started making their way down the stairwell, to avoid further injury, I moved to the bottom of the stairs. Officers were able to get the innocent down the stairs. The innocent was rescued to the bottom of the stairs.

I moved back up the stairs with Officer Miller. I saw the suspect on the ground with a knife next to him. Officers were taking control over the suspect. Officer Strodbeck, Officer Miller, and I moved in position to clear the inside of the apartment to ensure no other innocents were inside. I saw multiple bullet impacts on the left side of the hallway at the entry of the apartment. We moved inside to clear the inside of the apartment. No other innocents were located inside or anyone injured by the shots fired.

Sergeant Miles requested that I stay with Officer Strodbeck as his escort. Officer Strodbeck informed me that he had an injury to his finger. I took photographs of his pointer finger on his left hand. I walked him over to Boise Fire where his finger was cleaned and bandaged. I remained with Officer Strodbeck the entire time and transported him to Ada County for further investigation.

My on body video was on during the incident until I was tasked as Officer Strodbeck's escort officer.

INITIAL RESPONSE/CONTACT:

On November 10, 2024 at approximately 1500 hours, I responded to the area of ■■■■ N. Liberty St. in reference to a report of suspicious circumstances. While I was en route, officers who were already on scene updated to location of the incident to ■■■■ N. Hartman St. #■■■■

The dispatch call notes stated that the calling party (■■■■) was reporting that her ■■■■ (Guadalupe Reyes) was in his apartment and threatening one of his neighbors (unknown name). The notes then updated that Guadalupe was standing over the other male with a knife in his hand and threatening to kill the other male.

Upon arrival, I met with officers who were set up on the south west corner of building ■■■■. Officers advised me that the apartment of the incident was the upper unit on the southern most side of the building.

While officers were keeping containment and attempting to make contact at apartment ■■■■ I contacted the property supervisor, ■■■■ (unknown last) in an attempt to confirm who lived in apartment ■■■■ or which apartment Guadalupe Reyes lived in. ■■■■ stated he was not on scene and he provided me with the name and number for ■■■■ (unknown last), who is the on site maintenance staff. I contacted ■■■■ and he stated he was not on scene but would respond there. ■■■■ arrived on scene and met me at the office of the complex. ■■■■ provided me with master keys for apartment ■■■■ and ■■■■ ■■■■ then advised that the person on the lease for ■■■■ was a male named ■■■■ with a phone number of ■■■■. I contacted ■■■■ and confirmed that he was not in his apartment and that Guadalupe was staying the apartment.

I went back to the officers on the west side of building ■■■■ and gave the provided keys to Sgt. Miles. I was then requested to attempt to contact Guadalupe via telephone. I called Guadalupe 46 times between 1629 hours and 1654 hours. and also attempted 3 Facetime calls. Guadalupe answered a voice call one time and when I identified myself as "Kate with Boise Police", the male who answered hung up the phone.

I then went to the east side of the complex with Lt. Mengel and Ofc. Kane and stood by with Ofc. Kane as he attempted further calls to Guadalupe.

SOU units began to arrive on scene.

I then heard Sgt Miles stated that the suspect was exiting the apartment and was complying with commands. I then heard multiple gunshots coming from the direction of the target apartment and heard someone state on the radio that there were "shots fired".

I made my way to apartment [REDACTED] and observed officers taking a shirtless Hispanic male into custody. I looked up to the landing area of apartment [REDACTED] and observed officers rendering aid to a subject, later identified to me as Guadelupe. Officers pulled Guadelupe into apartment [REDACTED] and called for medics to come and render further aid.

I stood on the stairs and held the scene as Guadelupe was taken to an ambulance and officers were escorted from the scene.

I then took over the crime scene log from Ofc. Chambers at approximately 1730 hours.

At approximately 1911 hours, I was requested to attempt to contact [REDACTED] to request consent to search his apartment. [REDACTED] answered the call and stated he would give consent to search his apartment. Det. Bryant (ACSO) then took over the phone call with [REDACTED]

I continued the crime scene log until 2115 hours, when I was relieved by Det Bryant.

Narrative**INITIAL RESPONSE/CONTACT:**

On 11/10/2024 at approximately 1455 hours, I was dispatched to a code 3 suspicious circumstance at [REDACTED] N. Hartman St. in Boise, Idaho. Information was provided that led me to believe that the incident could be a hostage situation. Upon arrival, we learned that the original address provided was the main officer for the Central Point Apartments. Upon gathering further information from dispatch we were able to locate the address where the incident was occurring. The address was confirmed at [REDACTED] N. Hartman St. Apt. [REDACTED]

Upon contact with the apartment, I was tasked with rear containment on the second story apartment. From the rear I could see a large window next to a slider door that led to a balcony. I observed the blinds to be closed but could see lights on in the residence. I heard multiple announcements being given from the front of the apartment as well as from the rear. The announcements given from the rear were from a PA system on a patrol vehicle. While announcements were being given I observed the blinds on the rear slider door move in a way that appeared to be a person looking out. I provided this information to officers and hails continued.

I assisted officers with setting up a rear access point using a ladder provided by Boise Fire Department. While setting this up, I heard a banging noise coming from the window of the apartment. After setting up the ladder, I retreated back to my position as rear containment. More announcement were given from the PA system. I heard officers at the front of the residence state that they were making contacted with person at the front door. Shortly after this, I heard a short volley of gunfire.

I was then tasked with being the escort officer for Officer Floyd. I transported Officer Floyd to Ada County Sheriffs Office.

This concluded my involvement with the incident.

INITIAL RESPONSE/CONTACT: On 11/10/2024 at 15:44 hours I responded to assist with the suspicious circumstances call located at [REDACTED] N Liberty St, Boise ID 83702.

Upon arrival I was assigned to assist with the rear reaction team of the apartment listed. The apartment was on the second floor and required a ladder for emergency access to the rear balcony. I assisted Ofc. Gross with placement of the ladder and was assigned to breach the sliding glass door if activated.

While in my assigned role at approximately 17:05 hours I heard gunshots come from the apartment listed. I responded to the front reaction team to assist the front entry team to clear the apartment. Once the apartment was cleared from additional suspects I assisted medical with loading the suspect and equipment into the ambulance.

After the suspect was transported to St. Alphonsus Regional medical center I assisted Ofc. Floto with surveying the scene for stray rounds in the parking lot. Once that assignment was completed I maintained a perimeter for scene security on the east side of the parking lot. I was released from the scene at approximately 21:16 hours.

Narrative

On 11/10/24 I responded to [REDACTED] N Liberty in regards to a P3 Suspicious Circumstances call. The calling Party, [REDACTED] reported that she was on face time with [REDACTED], Guadalupe Reyes. She stated that her [REDACTED] appeared to be high on drugs, and stated that he was going to kill his neighbor. In the video he was armed with a knife, and [REDACTED] stated that she could hear what she believes to be his neighbor breathing heavy, and being harmed by Guadalupe in the background.

Multiple different means were attempted to try to find the apartment associated with Guadalupe, and eventually it was found that he resided at apartment [REDACTED]

Multiple units responded to the apartment and set up react teams. During this time I was in a marked patrol car blocking the West entrance of the apartment complex. While standing outside my vehicle I heard over the side channel that Officers were making contact with the neighbor, that was initially reported to have been injured. After that radio traffic I heard what sounded like approximately 7 gun shots followed by "shots fired" over the radio.

Once the scene was code 4 I escorted the fire engine closer to the apartment to render medical aid.

I set up red police tape on the inner perimeter of the crime scene. Officer Chambers was initially tasked with the crime scene log, which was later turned over to Officer Pollow due to us being requested to respond to St. Alphonsus Hospital to relive witness officers that were there with Guadalupe.

We entered the Trauma Bay and were informed that Guadalupe had been pronounced deceased. We stayed with Guadalupe's body until we were relieved by Det. Shofner.

This concluded my involvement with this incident.

Narrative

On 11/10/24, at approximately 1514 hours, I responded to assist units on scene at the Central Point Apartments, APT █████ (█████ N Hartman St, Boise). Upon arrival I took up a position on N Liberty at the west entrance of the complex to keep vehicles away from units on scene.

At approximately 1705 hours, I heard several gunshots coming from the direction of Officers and heard a unit advise on the radio shots had been fired.

I moved to the scene and assisted in setting up the crime scene and starting the crime scene log. I started the log at 1713 hours and later handed it off to Officer Pollow when I was re-assigned to go to St. Alphonsus Hospital and stand by with the involved subject

Upon arrival at St. Alphonsus Hospital I located the subject in the Trauma Bay. I was informed by BPD Officers Gardner and Goold who were already present the subject had already been declared deceased. I took possession of his property, which consisted of a pair of sweatpants and a set of keys in a plastic bag. I remained with the subject as his body was moved to another ER Room where I stood by until released by BPD Detective Shofner. The personal property remained with the subject.

I took no other action during this incident.

Narrative**INITIAL RESPONSE/CONTACT:**

Officers were dispatched Code 3 to a suspicious circumstances call at [REDACTED] N Liberty St, Apartment [REDACTED] Boise Idaho. [REDACTED] called stating her [REDACTED] Guadalupe Reyes was in an apartment and had been holding a knife and pointing it at a man lying on a bed.

Officer contained the apartment, and made necessary teams and a quick tactical plan to handle the situation. A react team was in place, along with rear containment. Multiple attempts were made to reach the subject by phone. Officers had spoke to him, but communications were cut off by suspect. Dispatch was providing information about [REDACTED] FaceTiming with (s) in the apartment, and officer's actions were heard by dispatch while [REDACTED] was on the FaceTime call with suspect (rock thrown against window). When communications were not established between the suspect and officers, I used the public address (PA) system in my car to give commands to the suspect. I continued to give commands until communications with subjects in the apartment were established over the phone, and when the react team made contact with [REDACTED]

VICTIM INTERVIEW:

[REDACTED] was brought out of the apartment and was seated on the sidewalk close to the parking lot. [REDACTED] had blood on his hands and some on his left shoulder. [REDACTED] was showing signs of being under the influence of alcohol(repeating himself, smelled of alcoholic beverage on him, unsure on his feet) and admitted to drinking three glasses of wine, and being in apartment [REDACTED] to get a shot of alcohol.

I moved [REDACTED] to my car, giving him a blanket as well. [REDACTED] kept asking if he was going to jail, and if he was, he needed to find someone to take care of his dogs. I had to tell him several times he was not. [REDACTED] said he had a drinking problem, and he was at apartment [REDACTED] because he knew the male there to have a drinking problem as well. [REDACTED] did not know what time he went to the apartment. When inside, [REDACTED] said (s) was treating him badly, and kept telling [REDACTED] it was his fault the police were there. [REDACTED] asked if he could take of his dog, (his apartment was [REDACTED] especially if his was going to jail as no one would care for them. He informed me he was gay, and his partner was in Belize. I asked if he was involved in a sexual experience with the subject in [REDACTED] and said no. [REDACTED] said he was only there for alcohol. [REDACTED] repeatedly asked what was going on. [REDACTED] said he didn't know the male who was in the apartment with him (Guadalupe) and was fearful that Guadalupe would kill him, telling me during our conversations that the subject had guns in the apartment. [REDACTED] told me he thought the subject had been firing in the apartment (this is when the suspect was shot by officers).

Narrative

INITIAL RESPONSE/CONTACT:

On the above date and time, I responded to the area of [REDACTED] N. Liberty St. in reference to a suspicious circumstance. Upon arrival I assisted in trying to locate the exact apartment ([REDACTED] Dispatch provided information from the calling party, [REDACTED] who was out of state. [REDACTED] reported her [REDACTED] Guadalupe Reyes, was inside the apartment. She also told dispatch Guadalupe was making threats to a neighbor.

I was tasked with going to [REDACTED] N. Maple Grove Rd. This address was a possible residence for Guadalupe. Upon arrival I met with- an unknown male who explained the location is a transition house for people with substance abuse. I learned Guadalupe had not been there since evening hours of 11-8-24. I radioed the information to officers and then drove back to the incident scene.

I was requested to make hails towards the apartment using a police vehicles public address speaker. It should also be noted I am a member of BPD's crisis negotiation team (CNT). I continuously told Guadalupe to exit the apartment and follow instructions of nearby officers. I also requested anyone else to come out of the apartment if possible.

Phone calls were attempted throughout this incident in hopes to speak with Guadalupe. Most were not answered but two were. On both there was an open line but no voice or sounds heard. I asked if the unknown person was alright and to speak with me. I overheard officers advising the apartment door had opened and they were making contact. A short time later I heard several gunshots. Shots fired was stated on the radio and I went to the stairs leading up to the apartment. I assisted officers and was assigned to be an escort officer for Officer S. Gardner.

I drove Officer Gardner to the Ada County Sheriffs Office for Critical Incident Task Force detectives.

Narrative

NARRATIVE:

On 11/10/2024, at approximately 1504 hours, I arrived in the area of the Central Point Apartments, located near [REDACTED] N Hartman St, Boise ID, regarding a suspicious circumstances call. Call notes indicated the reporting party, [REDACTED] was FaceTiming with her [REDACTED] Guadalupe Reyes, and that he was making threats to kill a neighbor who was inside his apartment. A knife was seen and the neighbor was seen on a bed unconscious. Later, [REDACTED] reported seeing her [REDACTED] standing over the neighbor with the knife. Information was limited as to the actual address for Guadalupe. The only thing that was known was that he was recently [REDACTED] for threatening suicide by self immolation. Eventually, Officers were able to determine the residence as being building [REDACTED] apartment [REDACTED] and set up containment.

I responded to the above apartment with my K-9 partner "Drago" and was assigned to an arrest team on the ground floor near the courtyard. The aforementioned apartment was located on the second floor of the complex and had an entrance that faced east up a flight of stairs facing the courtyard. I remained in my position for approximately two hours. During this time numerous hails were made via patrol car P.A.'s to the residence with no response. Attempts were made at contacting the suspect via telephone but were unsuccessful. A react team was subsequently placed in an unoccupied adjoining apartment on the second floor and Officers banged on the door and announced as well, also without response. I remained in my original position with Officers W Moss and Couchman as a secondary arrest team.

At approximately 1704 hours I heard over the radio that a subject was being contacted and was "proned" out by the react team near the adjoining apartment. Shortly there after I heard several gun shots and what sounded like a taser discharge. "Shots fired" was put out over the radio and I rushed to the bottom of the stairs with "Drago". While there I was told the victim in the incident, [REDACTED] was coming down the stairs and that the suspect was in custody. I put "Drago" in my patrol car and stood near Officer M Couchman while she spoke with the [REDACTED] though I was unable to hear the entirety of the interview.

I remained on scene until released by a supervisor.

Narrative

On 11-10-2024 at approximately 1444 hours officers were dispatched to a suspicious circumstances call at [REDACTED] N Hartman St in the City of Boise. I was the on-duty day watch commander at the time of this call. Lt Mengal was the swing shift watch commander and had just cleared briefing when this call came out.

Listening to the call notes and dispatch advising that this may be an armed subject I gathered my things at the police department and headed that way. I arrived just west of the apartment complex and met up with Lt Mengal who was already on scene. I assisted him with organizing officers on scene.

Lt. Mengal and I moved to the east end of the apartment complex to set up a command post as it was a better location for incoming units and less crowded with cars. We had teams set on the back and front of the residence and the area blocked off from citizens. I had Officers Pollow and Kane near us trying to attempt to call the suspect out of the residence via landline. Officers on scene were also attempting to hail the suspect out of the residence as well.

I heard over the radio that there was movement inside of the apartment and that one subject was exiting and being pronged out. Just after that was sent over the radio, I heard several shots being fired. I told Lt. Mengal that I was going to head up to the apartment complex.

When I got to the front I saw multiple officers on the landing of the apartment complex. They were escorting a male down the stairs in handcuffs. Officer Strodbeck walked down the stairs and advised that he was the one that shot. Sgt. Andreoli advised me that he would do the security check on him.

We let medics in and let them work on the suspect, while we located all the witnessing officers. After securing the scene I notified my chain of command about the officer involved shooting. I began assigning officers jobs, which included crime scene log, checking for fired rounds that went through the wall of the apartment complex, and officers to transport witnesses and some to follow the ambulance to the hospital. We gathered all the witnessing officers and had them all transported to the Ada County Sheriff's Office. Ada County was going to be the lead agency on the CTF.

After ensuring the scene was secure and all officers that were witnesses and involved were transported to Ada County, I briefed incoming detectives. I stood by for a while to ensure that proper personal was on scene to manage the crime scene.

I cleared the scene without any further action. Video footage from my body worn camera is uploaded.

Nothing further.

Narrative

The following is a summary based solely on my perception of the information provided, deducted, and obtained. The purpose of this supplemental report is to provide both active and additional information regarding the incident documented above.

All digital media associated with this incident has been uploaded to the Boise Police Department, Digital Evidence Cloud (Evidence.com).

It should be noted that this incident was both evolving and dynamic in nature, with updated information being relayed to Officers via multiple department sources and resources over the course of approximately two hours.

On 11-10-2024 at approximately 1448 hours, I responded Code-3 (lights and sirens) to a Suspicious Circumstances turned Hostage Situation, emergent call for service at the Central Point Apartments (█████ North Hartman Street #█████ Boise). Preliminary information articulated within the call indicated that the subject (later identified as Suspect Reyes, Guadalupe MHA/█████) was possibly under the influence of an intoxicating substance. The call further advised Suspect Reyes was in the company of a neighbor (later identified as Witness ██████ MHA/█████) and that he was holding a knife while sharing homicidal ideations with his ██████ (later identified as ██████ FHA) via cell phone.

Witness ██████ was described as unconscious on Suspect Reyes' bed and it was further stated that Suspect Reyes was telling him (Witness ██████ to leave or he would, "Kill" him.

The address originally listed within the call returned to an apparent community center. Officers began canvassing the entirety of the apartment complex in hopes of locating the target location before I requested a, "Ping" of the suspects phone. Of note, a ping is a term commonly used to describe or refer to a cell tower triangulation of a subjects cellular device. Upon completion of such, Law Enforcement will receive a Latitude/ Longitude for the device in question which can assist in identifying or confirming a specific location. In this event, the return indicated the following; 43.614258, -116.256219 within 961m pinging to 1097 North Curtis Road at the Saint Alphonsus Regional Medical Center (SARMC). The tower in which this data was obtained from was described as, "North tower hospital." This information afforded Officers the ability to confirm the suspect was likely within the area we were searching.

Information from the calling party from this point forward was fragmented as the phone call with Suspect Reyes and ██████ had ended. Of note, ██████ was actively residing in the State of California which required an agency assist with her presiding Law Enforcement jurisdiction to assist in the real time dissemination of information from a validated source.

Prior to the assisting agencies arrival, [REDACTED] was re-contacted and asked if there was a letter associated with the apartment number. It was relayed the letter [REDACTED] was the target location. Officers were able to deduce that apartment [REDACTED] was likely the incident location while further corroborating our beliefs with the assistance of the above indicated, "Ping."

With the assistance of additional Officers, I created an Emergency Reaction team consisting of lethal, less-than-lethal, arresting Officers, a Command Officer, a Communication Officer, a Medical Officer, and a ballistic shield Officer. Boise Police personnel consisting of the team dictated proceeded to make a physical approach on the residence.

I knocked loudly on the door while demanding the suspect inside come to the door and make themselves known to Officers. I received no acknowledgement and did not perceive any active stimulus from within the home.

A decision was then made to retreat from the threshold of the apartment to a position of tactical advantage while awaiting the collection of additional information as well as the placing of advanced resources (i.e. Crisis Negotiators, Drone, Command staff, structure containment, K-9, and neighbor follow-up to ascertain if anything had been heard and whom resides within the structure.

The placement of these resources was evolving and such, it was ordered that additional hails or calls be made to the structure in hopes of eliciting a response from the occupants. All attempts I made at verbally calling out to the home were met with negative results.

Officers were then advised that communication with the suspect was once again established. I requested my dispatcher clear the air (radio traffic) momentarily whilst I recovered small pebbles from the ground to throw at the homes window to further confirm Officers were in fact at the proper location.

On two occasions of throwing said rocks, an Ada County Dispatcher confirmed she could hear the noise caused. Additional hails towards the residence were made which the dispatcher further confirmed she could hear.

Officers continued to maintain their positions with the clear instruction that should we receive stimulus from within the residence requiring exigent entry for life/ safety, said entry would be made. Additional contingencies were put in place in the event the suspect produced himself and/ or a failed mechanical breach occurs in the entry way.

As plans were solidified, I requested a master key to the location to assist in guaranteeing access

to the home. Upon the arrival of said key, Officers upgraded their position of cover to an empty adjacent apartment complex. This was in-part for Officer safety while also allowing us to have a quicker response into the home if indicated without having to navigate up a small stairwell. Once within the adjoining apartment, I placed a ballistic blanket on the wall in hopes of adding an additional layer of protection should Suspect Reyes begin shooting through the wall.

Assisting Officers on the outer containment began making announcements into the target location which were loud, clear, and concise. Additionally, via my radio, I could interpret that Officers were attempting to contact the suspect via call and text.

Suspect history provided information that Suspect Reyes was recently under the care of a physician for mental health concerns. The information relayed was such that the suspect had an incident where he was going to expose his person to gasoline. As a result, I recovered a fire extinguisher as an additional contingency.

A Special Operations Unit (SOU) consult was made where a decision to assign an Officer specializing in the handling of dynamic incidents was assigned. Upon the arrival of said Officer (Officer Strodbeck) was placed within the Emergency Reaction Team.

Whilst the above was taking place, additional calls into the home via a Public Address (PA) system were made which resulted in positive stimulus from within the apartment. I could hear movement, which then escalated to the apparent slamming of doors or throwing of heavy items.

Shortly thereafter, I heard the front door of the target location open. Officers reacted quickly and began giving orders to the subject exiting. The subject was ordered onto the ground where he complied. Upon observing the subject (Witness [REDACTED] I initially believed he was the suspect. This was determined by similarities in their physical appearance from a still-frame photograph which was shared in the earlier portion of the investigation.

Officers began to bottle-neck within the second story platform in what I perceived as an attempt at securing the now open suspect location doorway, and the providing of arrest team security. At this point, Sergeant Miles ordered a selected group of Officers to move forward to prevent congestion within the stairwell. Upon such, I briefly transitioned from less-than-lethal (Taser) back to, "Hands" should the need for physical control arise.

Recognizing an additional resource would only make the job of Officers actively engaged with the subject on the ground more difficult, I fell back into the formation while awaiting an additional assignment.

As an Officer approached the doorway of the suspect residence, I transitioned into a lethal cover

position while I heard verbal commands given within the home. Of note, I was physically positioned within the adjoining apartment/ hallway. I did not have a direct view into the target location, nor could I observe Suspect Reyes. I then heard loud yelling before hearing the distinct sound of a discharged firearm. I perceived approximately 3 to 4 shots fire before being told, "Move!"

I fell back into the adjoining apartment with other Officers where I heard several commands to not move and show your hands before making an approach on the suspect residence. As I exited the adjoining apartment, I observed in Plainview on the floor- adjacent to the suspect proximal to his upper torso, a large blue in color knife. I was then relinquished control of a 40mm less-than-lethal platform from an Officer who self-assigned to the care of Suspect Reyes.

I then entered the suspect's apartment to assist with conducting a protective sweep of the home which was met with negative results.

Upon the arrival of the Boise City Fire Department and Ada County Paramedics, life-saving measures were continued on Suspect Reyes. Ada County Paramedics secured Suspect Reyes where I assisted in carrying his person down the staircase before Ada County Paramedics transported his person to SARMC for advanced life-saving measures.

I followed the ambulance to assist in traffic control and upon my arrival at SARMC, Suspect Reyes was placed within a Trauma Bay where he was under the care of a Trauma Surgeon, Doctor Carter. At approximately 1726 hours, Suspect Reyes was determined to have perished.

I was then sequestered at the Ada County Sheriff's Office where investigating detectives obtained a statement from me regarding the incident.

The above is a mere synopsis that of which has been condensed for the purpose of clarity, thus, the above may or may not reflect in, "Real Time." All statements made are summaries unless otherwise notated and or dictated via quotations. I reviewed fragmented portions of my body-worn camera prior to the authoring of this report. Narrative

INITIAL RESPONSE/CONTACT:

On 11/10/2024 at approximately 1444 hours, I was a uniformed Boise City Police Officer assigned to patrol and working in tandem with Officer J. Goold. We responded "code 3" to an emergency situation at [REDACTED] N. Liberty St # [REDACTED] in Boise for the report of a "suspicious situation." Call notes specified a female caller in California was on "SnapChat" with her [REDACTED] (later identified as Suspect Guadalupe Reyes) was in his apartment, likely high on methamphetamine, and standing over his neighbor with a knife. The information provided by Ada County Dispatch was vague but at the time I believed there was an assault, battery, or hostage situation occurring in the apartment.

The initial address provided by the calling party was incorrect and it took myself and other officers approximately five to 10 minutes to locate the correct address. Upon arrival I did not hear anything from inside the apartment. Officers and I attempted to hail the occupants by knocking on the front door numerous times but were unsuccessful in making any contact with the occupants.

At this same time, information was being relayed from Dispatch that the original calling party was still on video chat with Guadalupe and she could see the "neighbor" (later identified as [REDACTED] was inside Guadalupe's apartment. She advised [REDACTED] had a cut on his hand and was "wheezing." No description of the neighbor was provided by the calling party and their health/medical status was unknown to officers.

While at the scene I was provided a photo Suspect Guadalupe and saw him to be a Hispanic male adult with a medium skin stone, approximately 40-50 years old, with a shaved head or buzzed hair.

Officers and I set up an emergency reaction team at the front door and provided continuous hails via yelling and knocking at the door but there was no response from inside. This continued for approximately one hour. Eventually, we were provided with a master key for the vacant, adjacent apartment and moved our emergency reaction team inside.

While in the apartment numerous hails were made into apartment # [REDACTED] with no response. During this time I could hear numerous, intermittent, banging noises from inside apartment # [REDACTED]. At approximately 1703 hours, the door opened to apartment # [REDACTED] and a shirtless Hispanic male ([REDACTED]) exited the apartment and was ordered to the ground. [REDACTED] was a Hispanic male, approximately 40-50 years old, he had medium skin complexion, and shaved/buzzed hair. I saw [REDACTED] had a cut on his hand or chest but due to the lighting I could not tell it's severity or exact location.

I momentarily held lethal cover on [REDACTED] as Officers and I were unsure of his involvement. [REDACTED] appeared frantic, scared, and was pointing to the apartment. At one point I believe he said "he's going to kill me" however I was unsure due to the echoes and noise. Officers moved up to take [REDACTED] into

custody. Due to the tight quarters of the apartment's hallway and second story threshold I moved to the rear of the tactical column to provide more space for the arresting Officers.

I saw several Officers kneel to handcuff [REDACTED]. Moments later I heard Officers yelling commands towards apartment # [REDACTED] to "any one inside make yourself known." Immediately after I heard an Officer yell "stop." I heard numerous gunshot's from the second-story landing. I exited the adjacent apartment and saw numerous Officers entering apartment # [REDACTED]. On the ground, on the second-story landing, near the front door of apartment # [REDACTED] I saw Suspect Guadalupe. I saw Suspect Guadalupe was also a Hispanic male adult with a medium skin complexion, approximately 40-50 years old, and a shaved/buzzed hair cut. Suspect Guadalupe was wearing a black shirt and dark pants. I saw Suspect Guadalupe was unresponsive and had blood coming from his chest.

Officers removed [REDACTED] from the scene and immediately pulled Suspect Guadalupe into the adjacent apartment. Officers and I started life-saving measures. Suspect Guadalupe's shirt was cut from his person and I saw he had several gunshot wounds to his chest. Ada County Paramedics and Boise Fire arrived on scene and took over medical treatment. Soon after Suspect Guadalupe was moved to an ambulance.

I rode in the ambulance with Ada County Paramedics to St. Alphonsus and followed EMS staff and Suspect Guadalupe into the emergency room trauma bay. At approximately 1726 hours, the Trauma Surgeon on duty (I believe Dr. Carter but unsure) pronounced Suspect Guadalupe deceased. I remained in the room until I was relieved by Officers Massey and Chambers.

I was escorted to the Ada County Sheriff's Office by Officer Kane and was briefly interviewed by the detectives assigned to the CITF. This concluded my involvement with this incident.

The entirety of my involvement for this incident was captured on my on-body video. Please refer to my OBV for more details.

Narrative

The following is a supplemental report to Officer Johnson's original report.

On Sunday November 10, 2024 about 1456 hours, I responded to the Central Point Apartments located at N Hartman St. in Boise regarding a report of suspicious circumstances. Information initially provided did not have an exact address. While Officers responded, it was determined the address for the call was ■■■■ N Hartman St. apt. ■■■■

Dispatch advised, the calling party, ■■■■ said she was on "Facetime", video chat with ■■■■ Guadalupe Reyes. He was in the apartment with another subject and was making threats to kill the neighbor. There was also information that Reyes had stabbed the neighbors hand.

The apartment was on the second story of that building and had a sliding glass door and porch on the rear of the apartment. I took up a perimeter position at the rear of the apartment with other Officers and deployed an FN 303 less lethal launcher.

There were multiple Officers set up for containment at the front of the apartment complex.

While on the perimeter position, there were multiple attempts to contact Guadalupe via cell phone and via PA announcements from a patrol vehicle.

There was no response from Guadalupe.

About 1705 hours, Officers set up at the front of the apartment advised over the radio they had a subject exit apartment ■■■■ The subject was compliant and was directed to a prone position. Shortly after I heard several gunshot and saw the rear sliding glass door glass break. Officers relayed on the radio that shots were fired and medics were summoned to the scene.

Guadalupe was transported by paramedics to St. Alphonsus Medical Center.

I assisted in canvassing the area to the west of the rear of the apartment in an attempt to locate any possible rounds that may of exited the apartment. I was not able to locate any expelled rounds.

Nothing further.

Narrative

On 11/10/2024 during the afternoon hours, I was on routine patrol in a uniformed capacity, operating a fully marked police patrol unit. On this date, I was operating as Acting Field Commander (AFC) to the weekend dayshift patrol team (Bench / 1500 unit designators). At 1435 hours, a Suspicious Circumstances call (P2P Priority) at 333 N Mark Stall Pl was placed into holding. It should be noted that the correct address was eventually determined to be [REDACTED] N Hartman St. Due to call volume and staffing constraints, there were no officers available to immediately respond.

At 1445 hours, Dispatch requested that I review this call. I did so. Notes indicated that the calling party's [REDACTED] was believed to be under the influence and was making threats to kill his neighbor. Notes also indicated that this was occurring at an unknown address in Boise, thus its initial location being listed as BPD Headquarters. The calling party – Ms. [REDACTED] – identified her [REDACTED] as Guadalupe Reyes (HMA [REDACTED]). [REDACTED] was calling from California and has no connection to this area. During my review of the notes, I conducted local database searches with REYES' name and date of birth, along with his phone number. No matches were found. I requested that the next two Bench units be dispatched to this call. Following this, I utilized a nationwide police database to cross-check the information. I located a match for both REYES and his phone number; however, all results indicated that REYES resided in California. I was unable to locate anything suggesting a connection to Idaho. Without further leads, I ceased my search efforts.

At 1447 hours, I responded to an officer request for assistance at [REDACTED] involving an unrelated call for service.

At 1450 hours, Dispatch added notes to the call, advising that they contacted [REDACTED] after attempting to set himself on fire. [REDACTED] Dispatch did not verbalize this update over the radio.

At 1454 hours, Dispatch upgraded this call to a P3 (Highest Priority), broadcasting audible tones to signify the upgrade. In addition, Dispatch broadcasted an address - [REDACTED] N Liberty St – along with information indicating that REYES was “standing over [the victim] with [a] knife.” It was my impression that this was a potential hostage situation. I returned to my patrol unit and self-assigned to this call. I initiated a Code 3 (lights and sirens) response. Multiple additional officers also assigned – primarily comprised of swing shift officers, who had just cleared from briefing. While en route, I observed that I'd be either the third or fourth officer on scene. I relayed that I was en route with a ballistic shield. I requested that the first units on scene formulate a 'react team.'

I arrived at 1500 hours. I turned over the ballistic shield to Officer R Perales. The initial units indicated that they were unable to locate the address in the call and requested Dispatch's assistance in determining same. At this point, Sgt. L Miles was

assigned to the call and began to coordinate additional arriving units, assuming the role of incident commander. Dispatch provided information suggesting that the address of the target residence was [REDACTED] N Hartman St Apt [REDACTED] Sgt. Miles established a react team at this location.

Officers on the react team relayed that there was no stimulus from the residence, which caused us to question the accuracy of the address. I returned to my patrol unit and conducted numerous additional database checks related to this subject, to include searching by only first and last name. I was able to locate a result for a Guadalupe Reyes (HMA [REDACTED]), presumed to be the suspect's [REDACTED]. I observed an NCIC hit revealing the elder Reyes to be on federal probation out of Boise, with a local address of [REDACTED] N Maple Grove Rd. The NCIC hit listed his assigned agent as US Probation Officer Selvedin Mustafic, contact number [REDACTED]. I attempted to call Officer Mustafic twice, both of which went unanswered. I left Officer Mustafic a voicemail requesting callback.

Using police databases, I located a phone number for [REDACTED] and had Officer G Miller attempt to reach him. Two attempts went unanswered. I requested that an officer respond to [REDACTED] N Maple Grove Rd to attempt in-person contact. Officer J Kane responded and ultimately relayed that the subject was not present.

Noting the continued lack of stimulus from the suspected target residence, I assembled a group of three officers to start conducting an on-foot canvass throughout the rest of the apartment complex. Meanwhile, Sgt. Miles relayed a plan to attempt to verify the address, which involved striking a door or window with a rock to generate a loud noise, which would presumably be heard over the phone call between REYES and the calling party. Immediately thereafter, Dispatch relayed that [REDACTED] had heard the noise over the phone. We returned to the [REDACTED] N Hartman building and rejoined the remaining officers.

At this point, a react team had been assembled and was in place to respond if stimulus presented. I found myself without assignment. Utilizing my ancillary duty as a police drone operator, I retrieved and began setting up BPD Drone "[REDACTED]" a small, interior-rated drone that's commonly used for clearing residences and commercial buildings. After preparing the drone for deployment, I positioned myself to the southwest of the [REDACTED] building. Officer M Couchman and K9 Officer M Sealock were also standing by in this area. Sgt. Miles requested that we form a second react team in this location, in the event that REYES was able to evade the primary team (which was positioned in the adjacent upstairs apartment unit). Officer Sealock, Officer Couchman, and I established this team and positioned ourselves behind a patrol unit for cover.

After standing by for an extended period, we began to hear noises from the inside of the apartment, to include loud banging as if doors were being slammed or walls were being struck. In several instances, the bangs were forceful enough to both rattle the apartment's east-facing window and cause visible shaking of the vinyl siding on the south-facing exterior wall. On

several occasions, I observed movement in the blinds affixed to the interior of the east window, consistent with a subject briefly opening them to peak outside.

Throughout this time, fellow officers made repeated hails through the patrol car PA, along with repeated attempts to reach REYES by phone. At 1704, I heard officers from the primary react team issuing commands. An officer advised over the radio that the suspect was "proned out" in the threshold of the apartment doorway. Officer Sealock, Officer Couchman, and I maintained our position. Less than a minute later, I heard the sound of multiple loud pops, promptly followed by an officer advising "shots fired" over radio. Considering our positioning and to prevent the minimize the threat of crossfire, we held our positions for a few moments, waiting to hear if more shots were forthcoming. No further shots were heard.

Officer Sealock, Officer Couchman, and I advanced forward. I provided Officer Sealock and his K9 with lethal cover during the approach. I observed officers walking a shirtless male subject down the exterior stairwell extending from the second floor landing. I later learned this subject to be the victim, [REDACTED] [REDACTED]. Behind him, I observed a second subject, lying on the ground in the apartment door threshold. This was later confirmed to be REYES. After a cohort of officers escorted [REDACTED] [REDACTED] down the stairs, I proceeded upstairs to assist with REYES.

I observed that REYES was covered with blood. I observed multiple spent rifle shell casings on the second floor landing. Due to REYES' positioning (in the threshold), I suggested that we pull him into the adjacent (vacant) apartment. After moving him into this apartment and laying him on his back, I observed what appeared to be multiple gunshot wounds to REYES' chest, along with one to the bicep of his right arm. Officer J Goold initiated CPR and requested that I secure REYES' arms. As Officer Goold began compressions, I held REYES' hands against the ground, above his head. Medics arrived shortly thereafter and applied a series of chest seals. Shortly thereafter, medics moved REYES onto a plastic sheet and onto a gurney. I escorted the gurney to the ambulance as medics continued compressions. Officers Perales, Goold, and S Gardner were with me during this time. I requested that a unit ride with the ambulance – Officer Gardner volunteered. Officers Goold and Perales followed behind in patrol units.

Shortly after, I responded to Saint Alphonsus Regional Medical Center, as Officers Perales, Goold, and Gardner had been designated as witnesses. Officers T Massey and B Chambers responded to stand by with REYES, who at this point had been pronounced deceased.

I responded back to the original scene, at which point I assisted with crime scene security, guarding the west boundary of the outer crime scene. I coordinated with nightshift officers to transport spare patrol cars from the scene back to BPD Headquarters. At approximately 1945 hours, I cleared from the scene. Officer Couchman remained on scene to maintain

Narrative

INITIAL RESPONSE/CONTACT:

On 11-10-24 at approximately 1700 hours, I received a phone call from Lt. Poore regarding assistance in writing and obtaining a search warrant for an apartment located at ██████ N. Liberty St. Initially, I was informed that third party information was coming through dispatch that stated the calling party's ██████ was Face timing her while he was at this location and with an unknown adult male. The calling party, later identified as, ██████ had also informed dispatch that it appeared as if her ██████ later identified as Guadalupe Reyes, was holding the unknown male hostage while armed with a knife. The unknown male victim was later identified as, ██████ ██████

While enroute to the Boise Police station to begin a search warrant, I contacted Lt. Poore for an update and was informed that an officer involved shooting had just occurred which involved a male suspect being shot by police. I was informed that life saving measures were being conducted on the suspect and was also advised that the suspect was being transported to St. Alphonsus Hospital. Therefore, the C.I.T.F. (Critical Incident Tast Force) was activated. Arrangements were made that the Ada County Sheriff's Office would be lead on this critical incident and a command post was set up at Ada County Sheriff's Office.

While enroute to the command post, I was informed by Lt. Poore that after the safety debriefing at the scene, that 8 officers would be sent to Ada County Sheriff's Office to be sequestered due to their involvement. At this point, I began contacting members of the Violent Crime's Unit and made assignments. Moments later, I arrived at the command post.

After further review by Ada County Sgt Weires and other C.I.T.F. members, it was decided that three out of the initial eight officers met the criteria as being involved. Those officers consisted of the following:

- BPD Ofc Strodtbeck- Discharged his assigned AR-15.
- BPD Sgt Miles-Verbal commands
- BPD Ofc Floyd- Taser and 40MM deployment

The below assignments were made to meet with the assigned Ada County Detectives at each location:

Narrative**INITIAL RESPONSE/CONTACT:**

Sunday, November 10th, 2024 around 1641 hours. The following is a summary of events.

On the above date and time, I was activated as a member of the Boise Police Special Operations Unit (SOU). I was directed to respond to the station to grab the SOU truck and cameras for other responding members of the team. I arrived in the area of [REDACTED] N. Liberty St. Apt [REDACTED] I arrived in the area around 1708 after an officer involved shooting occurred. Upon my arrival to the scene, I was asked to assist with providing security at the perimeter of the crime scene. I then was asked to be an escort officer for Officer P. Turner. I transported Officer Turner to the Ada County Sheriffs Office where he met detectives. At around 1800 hours Officer Turner was cleared to return to the station. I transported him to the Boise Police Department.

This was the extent of my involvement in this case.

Narrative**INITIAL RESPONSE/CONTACT:**

On Sunday, November 10, 2024 at 1552 I arrived on scene at a suspicious circumstances call for service at ■■■■ N. Hartman St, Apt. ■■■■ I stopped at the command post and checked in with the incident commander, Lt. Mengel.

I was tasked first with establishing a perimeter with yellow caution tape to mark an area to keep others out of the area for safety and scene security.

Once the yellow caution tape was placed I took a position with an arrest team on the back side of the apartment. The apartment was an upstairs apartment on the south end of the building that had a small wooden balcony. While waiting with the arrest team I listened and numerous hails were made from near my position with a car's loud speaker requesting the occupant, Guadalupe Reyes, to surrender to police since he was considered under arrest. Also, officers were attempting to call the suspect using a cell phone number provided.

At around 1700 hours, I heard officers put out on the radio that someone had exited the apartment. A short time later, I heard several gunshots.

After the shooting, I was tasked with taking a team and searching to the west of the apartment, the direction shots had been fired, to ensure there was no property damage and nobody had been hit by a round. Officer Hall and Floto completed that task and I assisted in the parking lot.

I checked in with IC and was relieved to leave the scene.

Narrative

On 11/10/2024 while I was working uniformed patrol for Boise Police, I responded to [REDACTED] N Hartman Street Apt [REDACTED] to the report of high priority suspicious circumstances involving a male adult threatening another male adult with a knife in the residence.

Units responded and got containment on the residence. I took a position on the front of the residence, with eyes on the front window, while behind cover from a utility building. I was joined with a K9 unit and drone operator. I was temporarily relieved of that post to mark off the scene we were working with bright yellow tape to keep people out of the area. I also flagged medics down and staged them on Hartman St just to the East of where we were working. I then resumed the previously described security post.

A plan was established that the emergency react team would set up in the vacant upstairs apartment that shares a landing with the suspect residence so they could quickly react if needed. K9, the drone operator and I then formed a secondary react team from the ground level as a contingency. The primary react team was out of my sight due to the layout of the building. I saw numerous time the blinds to the front window move, however remain obstructing visibility to the inside of the residence.

After numerous hails and phone calls were made to order the suspect out of the residence with his hands up and for him to then comply with orders, I could hear the team giving reactionary orders as if they had contact with the subject. Subsequently I heard numerous gun shots and then Officers Miller and Gross left their positions on the rear side of the building and responded to the front of the residence. The K9 handler pushed up to the front of the residence with his K9 taking the same path and I followed as lethal coverage. Once I had visibility, I observed Officer Turner coming down the stairs to the apartment with a male subject and requested someone place handcuffs on the subject. I holstered my sidearm while numerous other Officers held lethal and placed wrist restraints on the subject and escorted him out of the area. Officer Turner searched the subject's right side and I conducted a pat search of the subjects left side. No weapons were found on the subject. This subject was later identified as [REDACTED]

[REDACTED] told me that he resides in Apartment [REDACTED] of the same building and was at the suspect's residence in Apartment [REDACTED] drinking with him. [REDACTED] stated he thought they were friends but the suspect became aggressive with him, blocking him from leaving by standing in front of the door and stating that it was his fault. [REDACTED] was crying and upset stating that he could not leave when we hailed him out of the apartment because he thought the suspect was going to hurt him. [REDACTED] was noticeably under the influence of alcohol and was likely less articulate because of that. [REDACTED] told me he did not need medics and was not hurt. [REDACTED] believed the blood on his shoulder/chest was the suspects but he was unsure of how it happened. [REDACTED] stated the altercation between the two of them did not become physical.

After getting a preliminary statement, I uncuffed [REDACTED] believing him to be a victim. I took photographs of [REDACTED] and noticed he was bleeding from his hand. [REDACTED] again stated he was fine and did not know what it was from. It was a small injury with dried blood on his pinky and ring finger of his left hand and there was fresh blood in a small area where his hands rested on the ground in cuffs where he sat. Photos were uploaded to evidence.com via the Axon App.

[REDACTED] was then provided a blanket and walked to the back of a marked patrol car where he sat in the backseat.

I remained on scene to control traffic on the west side of the scene until the scene was no longer held for evidence.

Narrative**Narrative:**

On 11/10/2024 at approximately 1439 hours, I responded to the report of suspicious circumstances located at [REDACTED] N. Liberty St., apartment [REDACTED], in Boise, Idaho. The reporting party [REDACTED] (unknown ID) was from California. [REDACTED] reported to dispatch she was on Facetime with her [REDACTED] identified as Guadalupe Reyes (DOB: [REDACTED] who lives at the incident address. [REDACTED] saw her [REDACTED] was inside his apartment with a neighbor. Her [REDACTED] threatened to kill the neighbor and was armed with a knife. I responded to the incident emergent with my lights and sirens.

On scene, other officers and I could not locate [REDACTED] N. Liberty St., apartment [REDACTED]. The address did not appear to exist. After a short time searching, we found the address [REDACTED] was to the apartment complex main office which was clearly unoccupied. After further inquiry from dispatch to [REDACTED] it was learned Guadalupe's apartment was # [REDACTED]. We located apartment # [REDACTED] but the address was [REDACTED] N. Hartman St., apartment # [REDACTED]. The apartment was one of four apartments in that specific section of the apartment buildings. There were two apartments on the main level with stairs up to a small landing and the two second story apartments. Apartment # [REDACTED] was the upper apartment on the left side (south).

Other officers and I knocked on the door of apartment # [REDACTED] multiple times and we announced we were the police. We did not hear any fighting or activity inside the apartment. Due to the circumstances and the knowledge we had at that time, the other officers and I were instructed to slow things down. We returned to the bottom of the stairs on the main level to gather more information.

At that time, we assembled an emergency react team. My assignment on the emergency react team was lethal cover with my duty pistol and a shield for cover. If we needed to enter the apartment out of exigency, I was going to enter the apartment first with my duty pistol and the shield after the front door was breached.

While the other officers and I were at the bottom of the stairs, dispatch continued to speak with [REDACTED] who was on and off of the phone with Guadalupe. At one point, Officer R. Perales threw some small rocks at the assumed bedroom window on the east side of the apartment and Officer R. Perales made several loud hails to Guadalupe. Dispatch told us she heard a noise through the phone when the small rocks were thrown and she could hear the hails through the phone. From what I understood, [REDACTED] was on the phone with Guadalupe and dispatch at that time and dispatch could hear Guadalupe's end of the phone call with [REDACTED].

[REDACTED] continued to provide additional information to dispatch and at one point mentioned she thought Guadalupe was hurting the neighbor. I remember [REDACTED] stated the neighbor had been stabbed in the hand and was "wheezing".

Officers obtained a photo of Guadalupe. The neighbor who lived on the main level apartment on the right (north), #■■■■ was removed from the apartment for safety and confirmed with the photo of Guadalupe that Guadalupe was the resident of apartment #■■■■

Officers contacted the apartment manager who responded to the incident location and gave officers keys to enter the apartment's at the complex. It was learned that the second story apartment next to apartment #■■■■ apartment #■■■■ was vacant, and the apartment below #■■■■ apartment #■■■■ was also vacant.

The other officers on the emergency react team and I moved up the stairs and into apartment #■■■■ which shared a wall with apartment #■■■■ While inside the apartment, I could not hear any activity inside apartment #■■■■ Multiple times, I went back to the front door of apartment #■■■■ with the shield and knocked on the front door forcefully with my asp. While doing so, I told Guadalupe we were the police, to come out of the apartment with his hands up, and that we were not leaving. Other officers did the same multiple times from the PA system at the back of the apartment.

While inside the other apartment, I began to hear noises inside apartment #■■■■ It sounded like doors shutting, walking, and talking. Officer R. Floto who watched the assumed front bedroom window saw the window move.

After some time of hearing movement inside the apartment, I heard the front door of apartment #■■■■ open and a Hispanic male walked onto the small landing outside both doors to the apartments on the second floor. At that time, I did not know if the Hispanic male was Guadalupe or the neighbor. I pointed my duty pistol at the Hispanic male and Officer S. Gardner pointed his duty rifle at the Hispanic male. The Hispanic male had no shirt on and I observed there was blood on the left side of his chest. As I instructed the Hispanic male to put his hands on his head and lay down on the ground, I heard the male state "help me". The Hispanic male appeared scared.

The Hispanic male eventually laid down on the small landing outside the apartments at the top of the stairs with his hands on top of his head. The Hispanic male's head was faced north in front of the apartment #■■■■ door and his feet were in front of apartment #■■■■ Due to the confined space, I maintained lethal cover on the Hispanic male with my duty pistol as other officers and I moved to secure the Hispanic male on the small landing. I slowly exited the apartment and grabbed onto the Hispanic male's interlaced fingers with my left hand. I squeezed on his interlaced fingers to maintain control of his hands with my duty pistol in my right hand. Other officers on the emergency react team exited the apartment with me to help.

As we began to secure the Hispanic male it was verbally mentioned by someone to continue cover on the front door of apartment #■■■■ as at the time, we didn't know if the Hispanic male was the neighbor or Guadalupe which meant there was still possibly an armed person inside apartment #■■■■

door of apartment # [REDACTED]. The landing was extremely small in size and made it difficult to both secure the Hispanic male and cover the front door of apartment # [REDACTED].

Only seconds after Officer B. Strodbeck placed himself between us and the front door of apartment # [REDACTED] I heard gunfire on the landing. I looked up and saw the front door of apartment # [REDACTED] open, another Hispanic male later identified as Guadalupe in the doorway, and Officer B. Strodbeck shooting Guadalupe in the doorway multiple times with his duty rifle.

I observed Guadalupe fall to the ground with apparent injuries. There was a significant amount of blood on the ground and Guadalupe had visible gunshot wounds to his person. When it was safe to do so, I put my duty pistol away while other officers secured apartment # [REDACTED] inside. I put gloves on, secured Guadalupe's hands the best I could, and helped drag Guadalupe into the other apartment. While I moved Guadalupe, I observed a large butcher like knife underneath Guadalupe. I had another officer secure Guadalupe's hands while I performed compression only CPR on Guadalupe. I performed compression only CPR on Guadalupe until emergency medical personnel arrived and took over life saving measures. At one point, I observed multiple bullet wounds to Guadalupe's chest and arms.

Once it was decided by emergency medical personnel to transport Guadalupe emergently to the hospital, I assisted carry Guadalupe down the stairs to the gurney at the bottom of the stairs.

Guadalupe was loaded into the ambulance. Officer S. Gardner stayed with Guadalupe in the ambulance while transported and I followed behind the ambulance to St. Alphonsus Regional Medical Center. At the hospital, I remained inside the trauma bay with Guadalupe until relieved by Officer T. Massey and Officer B. Chambers.

At that point, I was escorted by Officer D. Skube to the Ada County Sheriff's Office as part of the CITF where I was ultimately photographed and released.

INITIAL RESPONSE/CONTACT:

On 11/11/2024 I was working my scheduled shift as a police officer for the Boise Police Department. I was in uniform and in a marked patrol vehicle when I self-assigned to a citizen assist call that was holding in the queue. The notes in the call stated "***LL ONLY** PARTNER WAS SUBJ IN OIS LAST NIGHT. PROPERTY WAS TAKEN AND CP HAS QUESTIONS ABOUT ITS RETURN & MORE". I used my department issued phone to call the calling party, [REDACTED] at [REDACTED]. The following is a summary of what he told me.

[REDACTED] partner was the individual taken hostage during this incident. Officers on scene took his cell phone and credit cards, and he would like them back.

I told [REDACTED] that Boise Police was not the primary investigating agency, and he would need to contact that agency to see if they would release the items to him. I told him that if those items were evidence, they may not be returned for a significant amount of time. I suggested he call the credit card companies and request replacement cards as it may be a faster option. We also discussed that due to today being a holiday (Veteran's Day), then he may not be able to get through to anyone until the next business day.

INITIAL RESPONSE/CONTACT:

On 11/10/24 at around 1630hrs I was notified by a SOU Supervision of a pending activation. At 1641hrs I was officially activated to respond to the area of Irving and Hartman for a possible hostage situation at [REDACTED] N Liberty. While I was en route to the listed location I was listening to my Police Radio. At around 1705hrs I heard on my radio that a possible suspect was exiting the apartment and laying down on the ground. A few moments later I heard an officer come over the radio advising that shots had been fired and that medics are needed.

At around 1707hrs I arrived at Irving and Hartman to assist with the now confirmed officer involved shooting. While on scene myself and other arriving SOU operators provided security on the outer perimeter.

A short time later Sgt Andreoli contacted me and asked me to be a escort for Sgt Miles as it was determined that Sgt Miles was a witness to the events that occurred. At 1738hrs i drove Sgt Miles to the Ada County Sheriffs Office at 7200 Barrister. At this location Sgt Miles and I went to a office and stayed at this location until CITF personnel contacted him for photographs.

At around 1930hrs Sgt Miles was released to leave ACSO as the first contact investigation for him had been completed. I then drove Sgt Miles to the Boise Police Department and dropped him off.

Narrative

INITIAL RESPONSE/CONTACT:

I was contacted by Sgt Miller to respond to this incident as SOU was being activated. As I was arriving on scene I heard over the radio that a subject was coming out of the apartment. A short time later as I was walking up to the complex I heard multiple gunshots. Once I got to the scene of the shooting I heard Sgt Miles tell Officer's to bring the innocent downstairs. Officer's moved the suspect into the neighboring apartment and I went into the suspects apartment to assist with clearing it. On my way into the apartment I saw a pool of blood on the landing and a knife also laying on the floor with blood on it. After that I exited the apartment and went over to Hartman and stood by as there was a problem subject that I kept a watch on until he went back into his apartment. I stayed at this location until relieved by Sgt Snyder.

Narrative

INITIAL RESPONSE/CONTACT: I responded to this incident as the acting Patrol Captain and went to the Command Post at the Ada County Sheriff's Office. While responding and at the Command Post I fulfilled administrative functions mostly involving communication up and down the chain of command and also across divisions and with other agencies. I also assisted the Office of Internal Affairs with administrative duties.

Once done at the Command Post I responded to outside the outer perimeter of the scene to help find a location for the Chief to conduct a press conference. I did not enter the inner perimeter at all and left shortly after the Chief arrived. I did not have any OBV and was not in uniform for this incident.

CONCLUSION: Route to document administrative involvement.

NARRATIVE:

On 11/10/2024, I was working as a Detective assigned to Major Crimes with the Ada County Sheriff's Office (ACSO). On the same date at approximately 1712 hours, I received a call from Detective Sergeant Weires regarding an officer involved shooting involving the Boise Police Department (BPD). This resulted in an activation of the Critical Incident Task Force (CITF), with ACSO being the lead agency and myself being the lead detective. I responded to the ACSO emergency operations center and briefed with Sgt Weires and other assisting personnel.

CASE SUMMARY

On 11/10/2024 at approximately 1435 hours, ACSO dispatch received a transferred call from [REDACTED] via the Escondido Police Department (EPD – CA). [REDACTED] was in California and advised her [REDACTED] Guadalupe Reyes ([REDACTED] was at an unspecified location in Boise, ID. [REDACTED] advised dispatch that Guadalupe was inside his apartment, making threats to kill his neighbor and was possibly under the influence. Multiple BPD Officers were dispatched to this “suspicious circumstances” call that was believed to be taking place at the [REDACTED] N Liberty Street, Boise, ID 83704)

Upon arrival officers were initially unable to locate the apartment in question and determined the dispatched address was the apartment management office. It was discovered a short time later that the apartment in question was located at [REDACTED] N Hartman Street # [REDACTED] Boise, ID 83704. Additional information was relayed through dispatch that Guadalupe was recently released from [REDACTED] due to previous threats of suicide by pouring gasoline on himself and lighting himself on fire. [REDACTED] advised Guadalupe was holding his neighbor ([REDACTED] [REDACTED] hostage in the apartment and threatening to kill him. Guadalupe was seen by the RP on Face Time with a knife and told her he stabbed him.

The initial investigation revealed that while officers were outside the door to the suspect's

FIRST CONTACT

ACSO Detectives Buie, Parsons and Neumann were assigned to first contact with the involved officer and witnesses from this investigation. See their supplemental reports for further details.

CRIME SCENE

As part of this investigation, ACSO Detective Bryant was assigned to assist with processing the crime scene. The Crime scene included the apartments located at [REDACTED] N Hartman Street # [REDACTED] and # [REDACTED] as well as the surrounding areas immediately outside the apartments. Apartment # [REDACTED] was vacant, and Detective Bryant obtained a signed consent to search form from the manager, [REDACTED] to conduct a search of the apartment. Apartment # [REDACTED] where this incident was predominately associated with was determined to be leased to [REDACTED] [REDACTED] is the [REDACTED] of Guadalupe. Detective Bryant obtained verbal consent over the phone from [REDACTED] to search the apartment.

ACSO CSI Technicians Guess and Wheatley assisted Detective Bryant with processing the crime

N Curtis Road, Boise, ID 83706). Detective Hawksley advised that Guadalupe was pronounced deceased at the hospital on 11/10/2024 at 1727 hours. Detective Hawksley oversaw the removal of the body from the hospital when it was turned over to Ada County Coroner's Office (ACCO) Death Investigator Noah Webster. During this process, a wallet containing a California Driver's License belonging to Guadalupe was located in a pair of sweatpants that were previously removed from his person by medical staff.

Detective Hawksley attended the autopsy for Guadalupe on 11/12/2024 at ACCO. During the autopsy, he was advised by Dr Garth Warren that Guadalupe had 7 apparent gunshot entry wounds. Those wounds were described as 4 to the middle back, 1 on the right-side chest, 1 on the right bicep and 1 on the left bicep. Dr Warren indicated that all the bullets appeared to have exited, with exception of 2 fragments that were recovered. 1 from the upper right arm and 1 from the chest cavity.

CAD CALL, DISPATCH CALL AUDIO, RADIO BROADCAST AUDIO

On 11/10/2024, I obtained recordings from ACSO dispatch via email from ACSO Captain Walls of 2 calls received regarding this incident. I was additionally provided with multiple audio recordings of the dispatch radio traffic from this incident. Copies of the recordings were uploaded to Evidence.com. Included in the email was a copy of the CAD call for service (Incident # 24-0355355). The following are summaries of the information I obtained while reviewing the audio provided, refer to the recordings for specific details.

CAD CALL (INCIDENT #24-0355355)

I reviewed the CAD call from this incident and highlighted pertinent details, which are depicted in the below screenshots. Some of these details include the date, time, location, type of incident, calling party, suspect identity. The call details also include information provided by the calling party (██████████) that her ██████████ (Guadalupe Reyes) was threatening to kill his neighbor and was armed with a knife. See screenshots for further.

DISPATCH CALL AUDIO 1 & 2

During this investigation, Detective Parsons had contact with [REDACTED] on multiple occasions. He also reviewed the audio from her 2 calls to dispatch. See Detective Parson's supplemental report for specific details regarding the audio from the phone calls received by ACSO Dispatch from [REDACTED]

DISPATCH RADIO BROADCAST

There were 5 audio recordings received of the radio broadcasts from the initial dispatch of officers until after shots were fired. The first 4 audio recordings are shortened and reflect much of the information provided in the CAD Call. The last audio recording is a longer clip that encapsulates the entire incident radio traffic with no gaps. The following is a list of the 5 recordings and their lengths, refer to Evidence.com for the audio.

OFFICER INTERVIEWS

On 11/12/2024 and 11/13/2024, I completed the interviews with Officer Strodbeck, Sgt Miles, Officer Floyd. The interviews were conducted at the Mallet Law Offices (3363 N Lakeharbor Drive, Boise, ID 83703). Refer to my supplemental reports documenting the interview details.

ON BODY VIDEO (OBV)

As part of this investigation, I was provided access by BPD via Evidence.com to numerous OBV from the officers assigned to this incident. Many of the videos had no direct relevance to the officer involved shooting portion of the investigation. Three OBV's were deemed as being directly relevant due to their close proximity at the time of the shooting. These videos belonged to Sgt Miles, Officer Floyd, and Officer Goold. Please note that Officer Strodbeck was not wearing an OBV at the time of this incident. The following is a summary of my observations during the review of the 3 identified OBV's, refer to the videos on Evidence.com for specific details.

OFFICER FLOYD OBV

I reviewed Officer Floyd's OBV, which is time stamped "2024-11-10 15:00:02" and is 02:14:37 in duration. The video begins with Officer Floyd and other officers walking the premise of the [REDACTED]

██████████ and attempting to locate/identify the specific apartment associated with this suspicious circumstances call for service. Officer Floyd has a 40mm slung around his neck, which partially obstructs the camera view intermittently throughout the video.

15:05:54 - Officer Floyd arrives on foot at the suspect's apartment (██████ N Hartman Street # ██████). He is at the rear of a stack of officers attempting contact at the front door of the suspect's apartment, which is located upstairs. An unknown officer is heard giving verbal commands "Boise Police. Apartment ██████ open the door," while knocking on the door but there is no response. A few moments later all the officers retreat from the staircase and take positions on the ground level. Officers maintain a position on the ground level outside the suspect apartment for several minutes and can be heard coordinating resources.

15:37:17 - Officer Floyd and additional officers go back upstairs and briefly approach the door to the suspect's apartment to see if they can hear anything. Nothing is heard and they go back down after approximately 30 seconds. Officer Floyd and others discuss exigency and tactics for breaching the apartment.

15:53:01 - Officers return upstairs to the apartment door with a shield and ram to make additional announcements. After again not receiving an answer, they go back downstairs after approximately 1 minute.

16:07:52 – Officer Floyd and several other officers form a react team and go back upstairs, making entry into the adjacent apartment (██████ using keys provided by apartment management. Once in position in the neighboring apartment, Officer Floyd is seen in a stack of officers behind Officer Goold, who is knocking at the door of ██████ and making multiple announcements. Those announcements included "Boise Police" and advising Guadalupe that he was under arrest. Officer Floyd is seen staging inside apartment ██████ for several minutes, while announcements are turned over to an officer hailing from a vehicle PA system.

17:04:01 - An unknown officer announces, "door's open" and then verbal commands are heard for "hands up" and "get on the ground." The view of Officer Floyd's OBV is mostly obstructed during

this portion, but a male subject later determined to be [REDACTED] is briefly seen lying on the ground outside on the upstairs landing outside the apartments. Officers appear to believe [REDACTED] is the suspect at the time of initial contact and are referring to him as Guadalupe.

17:04:50 - Officer Floyd exits apartment [REDACTED] stepping over the proned out subject and takes a position in front of apartment [REDACTED]. Officer Floyd is initially facing the apartment door, but then SOU Officer Strodbeck takes that position and Officer Floyd turns outward towards the stairway and up against the metal railing on the upstairs landing. Officer Strodbeck can then be heard announcing "Boise Police, anyone inside call out to me and make yourself known."

17:05:04 - After the announcements are given, several gun shots are heard, followed by a male subject screaming and a taser deploying. Officer Floyd's OBV is obstructed for a few seconds and then Officer Strodbeck comes into view. Officer Floyd can be heard saying multiple times he is stuck before repositioning himself.

17:05:27 - At this point the view on Officer Floyd's OBV opens and the open doorway to apartment [REDACTED] can be seen. There is a set of feet belonging to Guadalupe that are visible and pointed inward from the exterior landing through the doorway and into the apartment. Officer Floyd now has his handgun out and pointed straight downward and the 40 mm can be seen slung on the left side of his body.

17:05:51 - Officer Strodbeck enters apartment [REDACTED] providing cover for officers. Officer Floyd and Officer Goold then put on gloves and Officer Floyd passes off his 40 mm. They go hands on with Guadalupe and Officer Floyd announces "He's got a knife. He's got a knife under him." They then move the suspect into apartment [REDACTED] at which time Officer Goold begins chest compressions and Officer Floyd cuts off the suspect's shirt.

17:07:36 - Medical personnel arrive in the apartment and begin to take over for Officers. After being relieved, Officer Floyd remains in apartment [REDACTED]. He then retrieves his 40 mm, which was lying on the floor and re-slings it. Officer Floyd then provides a safety debrief of the incident to a

OFFICER GOOLD OBV

I reviewed Officer Goold’s OBV, which is time stamped “2024-11-10 15:05:16” and is 02:26:59 in duration. The video begins with Officer Goold and other BPD Officers walking through the apartment complex and approaching the suspect’s residence. Officer Goold’s OBV reflects a similar vantage point and details to that of Officer Floyd, as they are in and around the same area throughout most of this incident.

Officer Goold is seen holding a ballistic shield during much of this video and the OBV point of view is sometimes blocked. Officer Goold utilizes the shield to provide cover for other officers when they go up and down the stairs multiple times attempting contact at the door to the suspect’s apartment. Once officers make entry to the neighboring apartment (█████) Officer Goold continues to hold a position with the shield at the doorway, providing cover for other officers. After several minutes of not hearing any movement in the suspect apartment, Officer Goold sets down the shield and takes a break further inside the apartment, while continuing to coordinate with other officers.

17:00:07 - Officer Goold points to the wall between the vacant apartment and suspect apartment. An unknown voice says that movement can be heard in the suspect’s apartment. Numerous announcements can be heard via an unknown officer on a loudspeaker during this time. Officer Strodbeck is seen inside the apartment and can be heard coordinating resources inside and outside the apartment while Officer Goold and others standby.

17:04:01 - Multiple voices are heard saying “door’s open.” Officer Goold takes a position inside the apartment and pulls out his handgun. He is facing eastbound towards the outside of the apartment. A male subject who officers believed to be the suspect (Guadalupe) but was later determined to be the victim (█████) is seen on the upstairs landing between the apartments. ██████ is wearing no shirt, dark pants, and shoes. Officer Goold and others can be heard repeatedly telling him to “get on the ground,” “lay on your belly” and “put your hands on your head.” Officer Goold refers to him as Guadalupe and advises other officers that, “he’s got blood on

his chest.” [REDACTED] cooperates with commands and Officer Goold and others formulate a plan to move up to the landing and take him into custody.

17:04:48 - Officer Goold is first to exit the apartment and maintains lethal cover with his handgun. Officer Goold and another officer go hands on with [REDACTED]. Two additional officers are partially seen, and it appears to be Officers Floyd and Officer Strodbeck stepping over them and taking positions in front of the suspect’s apartment. While Officer Goold was in a kneeling position dealing with [REDACTED] his OBV provided the best vantage point of the officer involved shooting. The door to the suspect’s apartment is initially closed but can be seen open after Officer Strodbeck takes a position in front of it.

17:05:00 - Officer Strodbeck is heard giving an announcement of “Boise Police. Anyone inside call out to me and make yourself known.”

17:05:03 - Officer Strodbeck is heard saying “don’t move.” He simultaneously appears to be falling backward towards the stairway and multiple gunshots are heard. Muzzle blast can be seen coming from Officer Strodbeck’s rifle and a taser is heard deploying. During this time, the male suspect (Guadalupe) is seen falling from inside the apartment and his body comes to rest on the landing outside. He is initially facing outward, but his body turns and upon landing his feet come to rest inside, with his body is in a fetal position curled up back towards the doorway. Guadalupe appears unresponsive and is wearing a black shirt and dark colored pants.

After the officer involved shooting, Officer Goold transitions from [REDACTED] to assisting Officers Strodbeck and Floyd. Officers briefly regroup and coordinate resources. Officer Strodbeck is seen stepping over Guadalupe and into the apartment. Officer Goold then coordinates with Officer Floyd to get gloves on before they move Guadalupe into the adjacent apartment to begin first aid measures.

17:06:30 - Officer Goold grabs hold of Guadalupe’s arms and Officer Floyd is heard saying that “he’s got a knife.” Guadalupe appears lifeless and unresponsive during this time. Upon moving his body, a pool of blood is seen on the ground underneath him, and a large kitchen knife is seen in the

pool of blood. Upon moving Guadalupe to the neighboring apartment, Officer Goold has someone hold the Guadalupe’s hands and immediately begins doing chest compressions. Officer Goold continues compressions until medics take over and he assists them in moving Guadalupe to a gurney outside.

17:13:45 - Officer Goold gets into his patrol vehicle and follows the ambulance to St Alphonsus Regional Medical Center (1055 N Curtis Road, Boise, ID 83706). The remainder of his OBV is of him in the trauma room observing medical staff working on Guadalupe. The video concludes at approximately 17:32:15, when the OBV is turned off by Deputy Goold.

SGT MILES OBV

I reviewed Sgt Miles’ OBV, which is time stamped “2024-11-10 15:03:28” and is 02:10:44 in duration. The video begins with Sgt Miles and additional BPD Officers walking through the courtyard of the apartment complex and attempting to locate the suspect’s apartment. Sgt Miles is heard early on expressing concerns over the radio that this may be a “swatting” call due to the out of state caller and limited information. Other officers on scene locate the suspect apartment ([REDACTED]) and Sgt Miles arrives on foot shortly afterwards.

15:06:10 – As officers are attempting contact at the door to the suspect’s apartment, Sgt Miles advises them to pull back and slow down unless there is stimulus from the apartment. Sgt Miles coordinates resources around the apartment and works with another officer to contact the downstairs apartment neighbors. He then moves away from the apartment and works with dispatch and other officers on scene to attempt to verify the call information. Sgt Miles requests dispatch have an EPD Officer meet with the reporting party to verify the status of the information being received.

15:31:50 - Sgt Miles gets a phone call from an EPD Officer and advises him of the investigation. Sgt Miles requested he contact [REDACTED] to confirm the details of their call for service. He additionally requested the officer send him a picture of Guadalupe. While awaiting re-contact from EPD, Sgt Miles coordinates resources on scene and works on formulating a plan of action to deal with

15:53:58 - Sgt Miles takes a position on the ground level and provides lethal cover with his handgun pointed at the door to apartment # [REDACTED] while the react team comes down the stairs after another attempt to contact the suspect.

16:01:20 - Sgt Miles meets with Officer Floto, who is positioned across the courtyard to the east with lethal rifle coverage to the front of apartments [REDACTED] and [REDACTED]. Sgt Miles notifies the occupant of apartment [REDACTED] of their activity and attempts contact at apartment [REDACTED] but received no answer. Sgt Miles then coordinates with a K9 and additional perimeter officers.

16:05:51 – Sgt Miles meets with Officer Pollow, who is on the phone with [REDACTED] (apartment leasee). [REDACTED] confirms Guadalupe should be the only person in the apartment. Officer Pollow also provides Sgt Miles with keys to the suspect apartment ([REDACTED] and adjacent apartment [REDACTED]).

16:07:51 - Sgt Miles is at the back of a stack of approximately 6 officers as they go upstairs and make entry to apartment [REDACTED]. CELL PHONE EXTRACTIONS

██████████ CELL PHONE

On 11/12/2024, Detective Hawksley and I responded to ██████ N Hartman Street # ██████, where we met with ██████ and his partner, ██████ ██████. A cell phone belonging to ██████ had previously been seized from the suspect's residence as evidence (Item #SG9) during the initial investigation. The cell phone had a cover with a wallet attached to it. I turned the wallet portion over to ██████ and requested his consent to search the device. ██████ agreed and signed a consent to search form, a copy of which is attached to this report.

On 11/13/2024, I retrieved ██████ cell phone from evidence and noted it to be an Apple iPhone 13, Model #MLML3LL/A, Serial #F64GWQG272. I then completed an extraction of the device utilizing Cellebrite digital forensics software. The data files were saved to a secure ACSO hard drive and a Cellebrite report was generated. After completing the extraction, I conducted a review of the contents of the device. During my review, I did not locate any information of evidentiary value to this case, and I noted there was no information to suggest a preexisting relationship between ██████ and Guadalupe.

On 11/15/2024, I met with ██████ and ██████ in the lobby of ACSO. During this meeting, I returned ██████ cell phone to him and briefly discussed the case. ██████ expressed having difficulty coping with his emotions following this incident and requested assistance. Due to the fact ██████ was a victim in a BPD investigation, I forwarded his information to BPD Victim Services.

GUADALUPE'S CELL PHONE

An additional cell phone (Item #SG8) was seized from the residence during this investigation and

was believed to belong to Guadalupe. Detective Parsons spoke with the suspect's [REDACTED] and obtained a passcode ([REDACTED]) for the device. On 11/14/2024, I removed the device from ACSO property and noted it to be an Apple iPhone 13, Model #ML9E3LL/A, Serial #F2YT042D9D.

I then completed an extraction of the device utilizing Cellebrite digital forensics software. The data files were saved to a secure ACSO hard drive and a Cellebrite report was generated. After completing the extraction, I returned the device to ACSO property on 11/15/2024. I later conducted a review of the contents of Guadalupe's cell phone. During my review of the device, I located call logs and messages reflecting his correspondence with [REDACTED] and others throughout the day of this incident. No additional noteworthy items related to this investigation were discovered during this review.

OBSERVATIONS

The following observations were made as a result of my review of the items previously discussed in this report as well as additional reports reviewed from other detectives and agencies involved in this incident.

- Guadalupe Reyes was inside his apartment possibly under the influence and was armed with a large kitchen knife.
- Guadalupe held [REDACTED] against his will inside the apartment and was threatening to kill him.
- Guadalupe has a history of previous self-harming behavior and recently threatened to light himself on fire.
- BPD Officers surrounded the apartment, made multiple announcements, loud hails and made telephone contact with him in attempt to get him to peacefully surrender.

- [REDACTED] eventually was able to exit the apartment; however, officers initially believed him to be Guadalupe and took him into custody outside the apartment.
- BPD Officer Strodbeck opened the door to Guadalupe’s apartment, believing there was likely a downed victim inside and gave a lawful announcement.
- Guadalupe ignored commands by Officer Strodbeck to “don’t move” and approached him armed with a large kitchen knife, causing Officer Strodbeck to fire multiple shots from his rifle at Guadalupe.
- Officer Strodbeck’s actions stopped Guadalupe, but not before he reached his location and his body came to rest on the ground at Officer Strodbeck’s feet.
- Both Officer Strodbeck and Officer Floyd expressed fear that they would be injured or killed if Officer Strodbeck did not use lethal force against Guadalupe at that time.
- Assisting Officers quickly began performing life saving measures on Guadalupe, but he ultimately succumbed to his injuries.

Based on the totality of the circumstances and my observations listed above, the force used in this incident appears to be lawful and justified. I do not believe there to be any probable cause to support criminal charges against the involved officers.

No further details.

Narrative

Narrative:

HOSPITAL SCENE:

On 11/10/2024, at about 1718 hours, I received a phone call from Sergeant Weires informing me there was a CITF activation and he wanted me to respond to St. Alphonsus, where the suspect (Guadalupe Reyes, later identified by his California Driver's License) was at.

I arrived at the hospital at 1750 hours, and went to ER Room #10 where REYES was located. Boise Police Officers Massey and Chambers were out front of the room, and the curtain was drawn blocking the view into the room. Officers Massey and Chambers informed me REYES had been pronounced deceased at 1727 hours. They also told me the hospital staff collected sweatpants he was wearing when he was brought in, as well as keys that were on his person. The hospital staff placed the clothing in a bag and put it into room #10.

I went inside room #10 and saw REYES was on a gurney in the center of the room. There were blankets covering REYES so I could not see his body. I noticed there was a tag attached to a bag that was underneath REYES' body that was numbered 16741. There was blood on the blankets and bag. I saw the bag of clothing by REYES' body.

I spoke with a nurse who informed me she was charting for REYES when he was brought into the trauma room. She stated she saw 9 wounds on REYES' body, and they did not recover any bullets. She also stated Doctor Sarah Carter was the doctor who pronounced REYES deceased.

I then went out and spoke with the crew of Medic #21, who were the medics that transported REYES to the hospital. They were Al Alvarez #770 and Shaylee Knowlton #798. They informed me they did not have any of REYES' clothing, and they did not recover any bullets or

other items that REYES may have had in his possession. Alvarez informed me he believed REYES' shirt had been cut off at the scene and left there.

At 1800 hours, Noah Webster (Medicolegal Death Investigator) arrived at the hospital. Natasha Wheatley (CSI Ada County Sheriff's Office) also arrived at the hospital. Investigator Webster removed the blankets from REYES and he and Wheatley took photographs. I could see REYES was lying supine on the gurney. I saw several wounds on REYES' chest and arms that appeared to be gun shot wounds. REYES' left bicep area had a large wound. There was also an incision on REYES' left rib cage that Investigator Webster believed was from a medical intervention.

Investigator Webster flipped REYES over to expose his back. There was a clear pad placed on his back that appeared to have been placed by medics or hospital staff. There was also what appeared to be injuries and blood in the center of REYES' back.

Investigator Webster went through the contents of REYES' sweatpants. He located a wallet, which had credit cards belonging to REYES. Also, REYES' California Driver's License was in the wallet.

At 1923 hours, Investigator Webster placed REYES in a bag. At 1925 hours, Investigator Webster placed REYES' right and left hands in bags. At 1927 hours, Investigator Webster sealed the body bag with a red body lock #107763. Investigator Webster took custody of REYES' clothing, wallets, and keys, and left the scene.

AUTOPSY:

On 11/12/2024, at 0700 hours, I arrived at the Ada County Coroner's Office to attend REYES' autopsy. At 0727 hours, REYES was brought into the autopsy room. At 0738 hours, the seal and

bag were broken, and the autopsy began. Dr. Garth Warren was the attending pathologist conducting the autopsy.

Dr. Warren informed me he found 7 entry wounds on REYES. There were four entry wounds in the middle of his back, one in the right side of his chest, one in his right bicep, and one in his left bicep. Each bullet exited the body, and Dr. Warren did not recover any projectiles. He did recover two bullet fragments. One from his right upper arm, and another from his chest cavity.

Forensic Technician Barton sealed the evidence collected and bagged each item individually. I then took custody of the evidence. The items I collected were the right handbag, left handbag, a string, DNA card, bullet fragment from the right upper arm, bullet fragment from the chest cavity, body bag lock, underwear, and pants. I transported these items to the Ada County Property Room and booked them into evidence.

Narrative

Narrative:

I am a Major Crimes Detective in the Criminal Investigation Division (CID) for the City of Star, at the Ada County Sheriff's Office. A collateral duty of mine is as a member of the Ada County Critical Incident Task Force (CITF).

On 10/10/2024 I received a phone call from Sergeant Weires. He informed me Boise Police Department (BPD) Officers had been involved in an Officer Involved Shooting (OIS) and asked if I could assist in the CITF investigation. He sent me the location of the OIS and I responded to an apartment complex, located at [REDACTED] N Liberty Street in Boise, Idaho.

When I arrived on scene I was directed to a building to the east of N Liberty Street. This was building "[REDACTED]", in the apartment complex. I later learned the actual address for the building was [REDACTED] N Hartman Street and the Liberty address was a general address for the apartment complex but the individual building within the complex had different addresses.

I checked in with the BPD Officers that was keeping track of the crime scene log and asked where the main scene was. She directed me to the east side of building [REDACTED] I noticed Crime

Scene Investigator (CSI) N. Wheatley and BPD Detective B. Joseph at the top of the landing to the upstairs apartments. The two upstairs apartments that shared the landing were designated as "█" and "█" █ was to the left (South) and █ was to the right (North), when facing the front doors which faced east.

The bottom of the stairs was taped off with red crime scene tape. I walked upstairs and met with Detective Joseph and CIS Wheatley. Detective Joseph briefed me on what he knew at that time. I was told the following in summary:

BPD had received a call for service earlier that day. The calling party was in California and was worried about a family member, in Boise. At some point there it was believed an adult male was threatening another adult male with a knife. At some point it was determined the location of the incident was in apartment █ at the apartment complex located at the Liberty Street address.

A response team was assembled and eventually moved into place in the adjacent apartment, █ which was vacant. At some point a male adult exited the target apartment, █ As the man was unknown to the response team, they directed the man to "prone out" (lay flat on the ground) on the landing. While individuals were taking the man into custody, another adult male aggressed members of the response team who had moved position to "cover" the front door. It was believed the man had a knife in his hand when he aggressed the response team and shots were fired by one member of the team. Additionally, a Taser was deployed by another member of the team, but it was believed this was an "accidental discharge" by the team member, and the Taser probes did not come into contact with anyone. The deployed Taser was found on the ground, below the landing.

When I arrived on scene, the front doors to █ and █ were open. I could see a pool of blood on the landing in front of █ Additionally, I could see what appeared to be a trail of blood, which appeared as if something had been drug from the pool of blood in front of █ across the landing and into █ I later learned, the second male was moved from the landing in front of █ to the inside of █ where life saving measures were started by law enforcement members.

While standing on the landing I could see several .223 caliber casings. The majority of the casings were on the landing but there were casings inside apartment █ and at least one casing inside apartment █ On the landing, in the pool of blood, in front of █ as knife. The knife had

a white blade, approximately 6-8 inches long and a green handle. I would describe the knife as a kitchen knife.

While I was being briefed on the scene, I was asked to find out who was actually on the lease agreement for apartment [REDACTED]. I was provided with a phone number for [REDACTED]. [REDACTED] is a maintenance supervisor for the apartment complex and lives on site. I spoke to [REDACTED] on the phone and explained I was trying to find out the name associated to the lease for apartment [REDACTED]. [REDACTED] told me he would contact his supervisor and have him call me.

A short time later I received a call from [REDACTED] is the Property Manager for the apartment complex. I introduced myself and explained why I was contacting him. [REDACTED] was at the office already due to the incident and was able to look up the lease agreement in their system. He told me apartment [REDACTED] was leased to [REDACTED] and provided a date of birth and phone number for [REDACTED]. [REDACTED] told me [REDACTED] had submitted a request to vacate and was supposed to be out of the apartment by the end of November. Additionally, [REDACTED] confirmed apartment [REDACTED] was vacant. I asked [REDACTED] if he could sign a consent to search form, giving law enforcement permission to search apartment [REDACTED]. [REDACTED] told me he could and agreed to meet me in the parking lot near building [REDACTED]. When I met with [REDACTED] he was on his phone with the property owner. [REDACTED] asked about the consent to search form so the property owner could hear me explain it. After explaining it, the property owner told [REDACTED] it was okay to sign the form. [REDACTED] signed the document. I have added a copy of that form to this report in the attachments. [REDACTED] also provided me a copy of the front page of the lease agreement for apartment [REDACTED] which listed [REDACTED] [REDACTED] as the resident and no one else. I have added a copy of the "Lease Contract" to this report in the attachments.

I asked [REDACTED] how he would like me to leave the apartments when we were done. [REDACTED] told me to lock the doors and give the keys to [REDACTED]. This concluded our conversation.

I attempted to contact [REDACTED] [REDACTED] with the phone number [REDACTED] provided me but it went strait to voicemail. I left a message with my contact information and requested a phone call.

A short time later, I overheard a BPD Officer speaking to someone on the phone and the conversation made it sound like she may have been speaking to [REDACTED]. I confirmed the Officer was speaking to [REDACTED] and asked if I could speak to him. She placed the call on

“speaker” and accompanied me to the inside of apartment [REDACTED] where we could speak to [REDACTED] privately. I recorded our conversation on a digital audio recorder and have added a copy of that recording to this report in the attachments. The following is a summary of our conversation. The information may not be listed in the order presented or exactly as stated but listed and documented for the ease and understanding of the reader. For specific details refer to the recording of the interview.

I introduced myself and explained why I was contacting him. [REDACTED] told me he hadn’t been living in the apartment for a couple of months and had asked Guadalupe Reyes to “watch” the apartment for him. [REDACTED] referred to Guadalupe as “Loupe.” When asked how he knew Guadalupe, [REDACTED] explained he had been married to Guadalupe’s [REDACTED] for several years but they were divorced now.

I asked [REDACTED] for consent to search apartment [REDACTED] [REDACTED] gave me verbal consent to search that apartment. That consent was captured on the audio recording attached to this report.

I asked [REDACTED] about his phone and explained I had tried calling him a few minutes earlier, but it went straight to voicemail. [REDACTED] explained if the incoming call is coming from a number that isn’t in his contact list, the call will automatically go to voicemail. I asked him how I would be able to contact him again in the future if I needed to. He told me, I could send him a text message to his phone, and he could add my number to his contact list. A short time after ending our conversation, I sent him a text message and he replied.

While I was speaking to [REDACTED] and [REDACTED] CSI Guess arrived and took over for CSI Wheatley so CSI Wheatley could go to the hospital to take photos of the suspect in the case. I notified CSI Guess we had consent to enter and search apartments [REDACTED] and [REDACTED] CSI Guess started the scene processing. CSI Wheatley arrived back at the scene a short time later and assisted with the scene processing. I also assisted with the scene processing.

Both apartments were the same layout. The front door leads down a short hall into the living room. In the hall, prior to the living room was a small closet with an “accordion” style door.

From the living room, the dining room is to the side and leads into the kitchen. In between the entry hallway leading to the living room and the kitchen is a hallway leading back towards the front of the apartment. In the hallway is the bathroom and another small closet with and accordion style door. At the end of the hallway is the bedroom. [REDACTED] is an identical but mirror image layout of [REDACTED]

The left side (south) of the entry hallway if looking in from the door, had what appeared to be blood and other bodily material on it in what I would refer to as a “splattered” pattern. This same material (blood and body material), in the same pattern was also found on the door jam and exterior of the apartment outside the apartment on the south side of the landing. The wall/accordion style door in the entryway also had several holes in it. The holes appeared to have been made by the impact of bullets. There were several holes that appeared as though a bullet entered the wall or door in the hallway and exited the wall facing the living room and dining room. On the left side (south) of the door jamb was a bullet, imbedded in the wood.

At the back (west) of the residence, there was a large window in the living room and a sliding glass door in the dining room that lead to a small balcony. The blinds covering the window had a small hole in it and a bullet was later found on the window seal. In the wall, in between the window and the sliding glass door, was another bullet, imbedded in the drywall but still exposed. The right side of the door frame to the sliding glass door also had a small hole in it and a bullet could be seen inside the door frame. The moving portion of the sliding glass door was shattered and there was a hole in the screen door, suggesting a bullet had impacted the glass and exited the apartment to the west. Holes in the wall and the screen of the door, suggested the bullet exited the apartment towards the parking lot and neighborhood to the west/southwest.

A blue, 40mm foam projectile was found in apartment [REDACTED] It was found on the floor at the entrance to the hallway leading to the bedroom. The black plastic cap of the foam projectile was found on the floor in the entry hallway. In the bedroom of [REDACTED] there were two (2) cell phones on the floor next to the bed. One of the cell phones was in a phone case/wallet. Inside the wallet

was an Idaho driver's license belonging to [REDACTED] ([REDACTED]).

One .223 caliber casing was found on the floor in the entry way hallway of [REDACTED] and five (5) .223 caliber casings were found on the landing in front of [REDACTED] and [REDACTED].

Inside [REDACTED] two (2) .223 caliber casings, a black (blood soaked) shirt, law enforcement equipment, a fire extinguisher and several medical items were found.

A total of eight (8) fired .223 caliber casings, two (2) cell phones, a shirt, a 4mm foam projectile, a Taser, knife and four (4) bullets (appeared to be consistency with .223 caliber) were collected. See property invoice submitted by CSI Guess.

After items were collected, I secured the front doors to both apartments and contacted [REDACTED] I informed him of the condition of the apartments, to include the blood on the landing and the shattered glass door in [REDACTED] [REDACTED] acknowledged this and asked me to give the keys to the apartments to [REDACTED] which I did before leaving the scene.

I assisted in taking down the crime scene tape and took possession of the Crime Scene Log from BPD Officer K. Pollow. I have added a copy of the Crime Scene Log to this report in the attachments. The scene was released at approximately 2110 hours.

On 11/12/2024 I met with Detective K. Day at the Ada County Sheriff's Office prior to the CITF de-brief. I was asked to contact [REDACTED] again to collect more information. ago, [REDACTED] contacted Guadalupe and asked him to come to Idaho to work for the same company, which Guadalupe did. A few months prior to this incident, [REDACTED] left the apartment due to medical reasons and had asked Guadalupe to stay in the apartment because [REDACTED] didn't want to give up the lease and Guadalupe needed a place to live. Guadalupe moved into the apartment sometime near the end of July or the first of August, 2024. Guadalupe was supposed to be living at the apartment alone and [REDACTED] didn't know if Guadalupe regularly or ever had anyone over to the apartment.

[REDACTED] worked a lot and did not know any of the other residents at the apartment complex. When I asked him if he knew someone by the name of [REDACTED] [REDACTED] he said no.

I asked him when he first became aware of any issues on the 10th. [REDACTED] told me he had received a call from [REDACTED] Guadalupe's [REDACTED] at approximately 1401 hours. [REDACTED] called [REDACTED] to get the address of the apartment and that she was trying to get police to go to the apartment but didn't tell him what was going on.

[REDACTED] called Guadalupe at approximately 1511 hours. Guadalupe answered the call and said "hello." When [REDACTED] told Guadalupe his name, Guadalupe hung up and would not answer any more calls.

This concluded our conversation.

Narrative

On 11/10/24 at 5:20 pm, I received a phone call from Sgt. Bill Weires regarding an officer involved shooting. Sgt. Weires asked me to respond to the Ada County Sheriff's Office to assist with the Critical Incident Task Force (CITF) investigation. The involved officers were with the Boise Police Department. The lead investigating agency was the Ada County Sheriff's Office. I was assigned to First Contact duties.

I met briefly with several Boise Police Officers to help determine whether they would be considered involved witnesses. We determined that five officers were not considered involved witnesses. Boise Police Officer Jakob Goold was not an involved witness but said there was blood on his uniform from when he rendered aid to the suspect. I photographed Officer Goold. See attached.

The First Contact Team processed the following officers:

- Officer Brady Strodbeck / Boise Police Department (Involved)
- Officer Eric Floyd / Boise Police Department (Involved Witness)
- Sgt. Larry Miles / Boise Police Department (Involved Witness)

Detective Caleb Parsons and Detective Germain Neumann were both assigned to assist with First Contact. They met with Officer Floyd and Sgt. Miles. Overall photographs were taken of both, and round counts were completed. On-Body-Video cameras were collected.

At about 7:13 pm, Detective Parsons and I met with Officer Brady Strodbeck. Officer Strodbeck did not have an On-Body-Video camera. He also did not have any biological transfer to his clothing or equipment. Detective Parsons photographed Officer Strodbeck.

Officer Strodbeck was in possession of a pistol with two spare magazines, a rifle with two spare magazines, and a shotgun. Officer Strodbeck said he carried either 28 or 29 rounds in his rifle magazines and his pistol magazines were fully loaded. The rifle was the only weapon fired. We took custody of those items and took them to a separate area for round count.

I assisted with the round count on the spare rifle magazines and the pistol. I found that Officer Strodbeck's spare rifle magazines each had 28 rounds.

Detective Parsons found that Officer Strodbeck's shotgun had a spent shell in the chamber. I met with Officer Strodbeck and he told me that was how the shotgun was carried, but it was not fired during the incident.

The pistol and shotgun were returned to Officer Strodbeck. We seized the rifle, the magazine with 19 rounds, and the chambered round. I packaged the chambered round and the rifle magazine (with 19 rounds).

At about 8:00 pm, Sgt. Weires told Detective Parsons and I that Officer Eric Floyd just discovered that his .40 mm launcher may have been discharged at the scene. At about 8:12 pm, Detective Parsons and I met with Officer Floyd at the Boise Police Department. Detective Parsons took possession of the launcher, the spent shell casing, and the three spare rounds. We returned to the Ada County Sheriff's Office to package the items.

See Detective Parsons' report for documentation of all round counts.

1830 hours, I was called by Sgt. Bill Weires to assist with the Critical Incident Task Force (CITF) regarding an officer involved shooting (OIS) in Boise.

First Contact:

I arrived at the Ada County Sheriff’s Office and was assigned to help with First Contact duties. First Contact is the process of identifying key information for the investigation. The goal is not to conduct an interview, but to gather basic information and evidence that cannot be collected or documented later. Detective Matt Buie with the Ada County Sheriff’s Office was the lead for First Contact. The following individuals were identified as being involved in the OIS.

- Sgt. Larry Miles – Involved witness – Boise Police Department
- Officer Eric Floyd – Involved Officer – Boise Police Department
- Officer Brady Strodbeck – Involved Officer – Boise Police Department

I conducted the first contact interviews with Detective Neumann (Ada County Sheriff’s Office) and Detective Hartje (Boise Police Department).

Sgt. Larry Miles – Involved Witness - Boise Police Department:

I spoke with Sgt. Miles at about 1829 hours on 11/10/24. I spoke to him in an office at the Ada County Sheriff’s Office. I took overall photographs of Sgt. Miles and collected his body worn camera. Sgt. Miles did not have any injuries or biohazards on his uniform. He was carrying the following at the time of the incident:

Pistol

Officer Eric Floyd – Involved – Boise Police Department:

I spoke to Officer Floyd at about 1850 hours on 11/10/24. I spoke to him in an office at the Ada County Sheriff’s Office. With us was Detective Hartje. I took photographs of Officer Floyd and collected his body worn camera. Officer Floyd did not have any injuries. He did have a small amount of blood on his left shirt sleeve. It was determined by Sgt. Weires that Officer Floyd’s shirt would not be collected as evidence. Officer Floyd was carrying the following at the time of the incident:

Officer Floyd also had a Taser X7 that was deployed on scene. The taser was left on scene.

Initially, Officer Floyd stated the .40mm launcher was slung around his body and was not fired on scene. After the incident, he took the .40mm launcher off and placed it in his vehicle. His vehicle was left on scene and later transported back to the Boise Police Department. After being released from the CITF, Officer Floyd went back to the Boise Police Department to unload his things from his car. He checked the .40mm launcher and found it had been fired. Officer Floyd called to inform us that the .40mm launcher had been fired. At about 2012 hours on 11/10/24, Detective Buie and I

On 11/12/24, I listened to the 911 calls regarding the incident. There are two phone calls to Ada County Dispatch. [REDACTED] [REDACTED] Guadalupe Reyes, calls to report that her [REDACTED] may be under the influence of drugs or alcohol and may be threatening the neighbor. The following is a summary of both calls. All times listed are approximate.

Initial Call:

The initial call is about 13:08 minutes.

- 00:00 - Phone call begins.
- 00:15 - The call comes in as a transfer from another dispatch facility. The dispatcher states the incident is occurring at an unknown address in Boise, Idaho. They provide a call back phone number of [REDACTED] before transferring the caller over.
- 00:34 - The caller identifies herself as [REDACTED]. [REDACTED] tells the dispatcher that she is going to try and look up the address for Guadalupe.
- 01:13 - An unknown male can be heard talking in the background. The audio is difficult to hear. The male can be heard saying something about "we we're both drinking" and "so either we both die right now or..." The remainder of the statement is cut off by the conversation between the dispatcher and [REDACTED]
- 01:30 - [REDACTED] states she is going to try and call [REDACTED] to get his address because Guadalupe is under the influence of drugs or alcohol and is threatening the neighbor.
- 01:49 - Another phone can be heard ringing in the background. The phone is answered by a male. [REDACTED] can be heard addressing him as [REDACTED] and asking for her Guadalupe's address.
- 01:55 - [REDACTED] tells [REDACTED] that Guadalupe is under the influence and threatening to kill the neighbor.
- 02:05 - Unknown music can be heard playing in the background. It is unknown which call the music is coming from.
- 02:15 - [REDACTED] states he isn't familiar with the area, but that Guadalupe may have sent him a text with his address.
- 02:25 - [REDACTED] tells the dispatcher that she was on the phone with Guadalupe.
- 02:30 - [REDACTED] tells the dispatcher that Guadalupe has the neighbor at his house and is threatening to kill the neighbor.

- 02:40 - [REDACTED] states she does not know exactly what is going on but heard another person's voice over the phone when she was talking to Guadalupe.
- 02:45 - [REDACTED] identifies [REDACTED] as Guadalupe.
- 02:50 - [REDACTED] can be heard talking to someone else on the phone but the audio cannot be made out.
- 03:15 - [REDACTED] spells [REDACTED] name and provides his phone number - [REDACTED]
- 03:30 - [REDACTED] says Guadalupe is talking to someone in his room but doesn't know what they are doing.
- 03:40 - Another female can be heard on the phone saying, "oh my god". [REDACTED] and the unknown woman have a conversation about trying to look up the address with Guadalupe's phone number.
- 03:55 - The dispatcher asks if [REDACTED] was able to find the address. [REDACTED] says she is trying.
- 04:03 - An unknown male can be heard in the background saying, "get the fuck out of here before I kill you." Another male responds saying "you wanna kill me?" The first male says something that cannot be made out.
- 04:15 - [REDACTED] says "[REDACTED] he doesn't want to do anything to you." A male can be heard swearing in the background.
- 04:25 - The dispatcher asks again what street Guadalupe lives on and [REDACTED] says she does not know.
- 04:40 - [REDACTED] states Guadalupe's birthday is [REDACTED], and reaffirms he lives in Boise, Idaho.
- 04:55 - [REDACTED] tells the dispatcher that Guadalupe was recently in [REDACTED] for mental health and drug related issues. [REDACTED] says [REDACTED] hung up and that she is going to try and get him back on the line.
- 06:41 - The phone can be heard ringing as [REDACTED] tries to get Guadalupe back on the phone. [REDACTED] speaks with the dispatcher and the unknown female about mail and a potential return address for Guadalupe.
- 06:55 - [REDACTED] tells the dispatcher that the neighbor is unconscious on Guadalupe's bed.
- 07:10 - [REDACTED] tells the dispatcher that Guadalupe is telling his neighbor he will kill him, that Guadalupe is asking the neighbor if he wants to kill him, and the neighbor says no.

7200 W. Barrister Dr. in Boise. [REDACTED] was accompanied by her partner, [REDACTED], and Guadalupe's co-worker, [REDACTED]. I spoke with them in a soft interview room. The soft interview room is designed to interview victims and witnesses. The following is a summary of our conversation.

Background:

Guadalupe, who often goes by Lupe, moved to Idaho for work around October or November of 2023. He moved to Idaho to work with [REDACTED] [REDACTED] [REDACTED] and [REDACTED] at the construction company building the Meta plant, Hensel Phelps. They work with a team of about 20 people and Guadalupe gets along well with the team. They typically work 0600 to 1400 hours. Guadalupe lived at a company house for about a month. Eventually he moved into the Liberty St. apartment. The apartment is under [REDACTED] name, but Guadalupe was living alone.

Guadalupe was not married and not dating anyone. Guadalupe was a heterosexual.

Drug/Alcohol Background:

Guadalupe struggled with alcoholism and methamphetamine use. Since coming to Idaho, Guadalupe drank heavily. [REDACTED] has seen Guadalupe on meth before. She described his behavior when he is high as being paranoid, talking crazy, hallucinating and saying incoherent things.

In the past when Guadalupe had incidents, [REDACTED] was able to drive to Guadalupe's home and help him. [REDACTED] described these incidents as relapsing on drugs or the paranoia because of the drugs. Guadalupe's most recent relapse was in 2021.

Mental Health Background:

Guadalupe spoke of suicide in the past, but [REDACTED] does not know of any prior attempts. Guadalupe has been struggling with depression and with suicidal ideations. His depression became worse when he moved to Idaho because he did not have many friends or family in the area. To their knowledge, Guadalupe was never formally diagnosed. [REDACTED] [REDACTED] Guadalupe has never been placed on a mental hold in Idaho or California.

Guadalupe had talked in the past about not wanting to be around but never made specific threats to kill himself.

Suicide Attempt and [REDACTED]

Around 10/25/24, Guadalupe planned to commit suicide. Guadalupe parked his truck on a street and poured gasoline over himself and his truck. Guadalupe was waiting until a police officer drove by to light himself on fire. No officers drove by, so he went home. The general foreman for Hensel Phelps, [REDACTED] helped Guadalupe get [REDACTED].

Guadalupe never told [REDACTED] why he was waiting for an officer, but she thinks it was his way of trying to reach out for help.

Guadalupe was [REDACTED] on or about November 1st. [REDACTED] had prescribed Guadalupe some kind of medication. Guadalupe picked up the medication on 11/10/24. He was also supposed to have follow up counseling as a result of his stay at [REDACTED]

Week Before Incident:

The week before the shooting, [REDACTED] spoke to Guadalupe several times. She said he was not doing well and was drinking a lot. Guadalupe's tone and demeanor changed after he was released from the hospital. He showed less emotion and was more monotone. It "sounded like he was getting ready to go." Guadalupe reported being tired and not feeling well. Guadalupe told [REDACTED] that he was not struggling with money but was "struggling inside". [REDACTED] urged Guadalupe to come back to California where he could be with family and could live with her. Guadalupe declined the offer but said he would come home for Christmas.

Guadalupe said the hospital counselor removed him from the program because he wasn't "taking it serious".

Events of 11/10/24:

Phone call between [REDACTED] and Guadalupe - 0800 Hours:

[REDACTED] received a call from Guadalupe on 11/10/24 at about 0800 hours. Guadalupe said he

hadn't slept all night because he couldn't drink alcohol. Guadalupe was worried he would be tested for alcohol at work. [REDACTED] was unsure exactly what he meant, but Guadalupe said he didn't want "it" to show up on a test. Guadalupe said he was tired, going through withdrawals and couldn't sleep. [REDACTED] suggested drinking tea or taking melatonin to rest. Guadalupe started sounding sleepy while they were on the phone. [REDACTED] told him to try and sleep and that they would talk on the phone later.

Phone call between [REDACTED] and Guadalupe:

Right after [REDACTED] and Guadalupe got off the phone, [REDACTED] spoke with him. [REDACTED] has a prior suicide attempt and understands what Guadalupe was going through. [REDACTED] told Guadalupe that being around family helped him through his struggles. [REDACTED] offered to have Guadalupe come back to California and live with them for support. Guadalupe said he didn't want to be a burden on anyone. [REDACTED] reiterated to Guadalupe that they love him and want to help support him. Guadalupe promised [REDACTED] that he would come down to visit for Christmas. [REDACTED] thought they ended on good terms when the call ended.

Second Phone call between [REDACTED] and Guadalupe - 1300 Hours:

At about 1300 hours, [REDACTED] was notified by a family friend, [REDACTED] that Guadalupe was not doing well and had a knife. Shortly after, [REDACTED] received a call from Guadalupe who was intoxicated. Guadalupe told [REDACTED] that his neighbor came into his house, went into his bed and fell asleep. Guadalupe also said the neighbor offered to suck his dick. This made Guadalupe angry. [REDACTED] could hear Guadalupe telling someone to get out of his house but that the person wasn't listening. [REDACTED] told Guadalupe that he was upset with him for being intoxicated. [REDACTED] has lost people to drugs and alcohol. Guadalupe then became upset with [REDACTED] and hung up the phone.

Second Phone Call between [REDACTED] and Guadalupe:

[REDACTED] explained the situation to [REDACTED] and her mother. [REDACTED] took their daughter to ride her bike in the neighborhood. [REDACTED] then used Facetime to video call Guadalupe. She was concerned when Guadalupe answered the phone and was rocking back and forth. [REDACTED] said he didn't look good. [REDACTED] said Guadalupe's behaviors on the video call were the same as when he would relapse.

[REDACTED] recognized [REDACTED] bedding and room from prior video phone calls. Guadalupe said

his friend was with him. [REDACTED] asked to see Guadalupe's friend. [REDACTED] initially didn't believe there was another person in Guadalupe's house. Guadalupe turned the phone and [REDACTED] saw a male adult lying on Guadalupe's bed. Guadalupe said the man was his neighbor.

Guadalupe is on one side of the bed and the neighbor is on the other side. Guadalupe is telling the man to get off his bed and to get out. Guadalupe moves over to a table in front of his bed. Initially, [REDACTED] saw Guadalupe pick up a butterknife and a fork. Next, Guadalupe picks up a kitchen knife. [REDACTED] described the knife as one being used to cut vegetables or meat. The knife was black, and the blade was sliver.

[REDACTED] saw [REDACTED] was holding a kitchen knife. Guadalupe tells [REDACTED] that the man was trying to kill him. She then saw Guadalupe try to give the man his knife and said, "kill me, kill me, here." [REDACTED] felt like Guadalupe was trying to get the neighbor to do something to him.

[REDACTED] described the man lying on the bed as being a Hispanic male in his 40s wearing a sweater. The man had a beard and slicked back hair. He was in and out of consciousness. The man would reply but seemed out of it. [REDACTED] did not recognize the man lying on the bed.

[REDACTED] told Guadalupe that the man was sleeping, and he should put the knife down and tell him to leave. [REDACTED] was afraid that [REDACTED] would hurt either the man, lying on the bed or himself. She was also afraid because Guadalupe was trying to get the man lying on his bed to hurt him. [REDACTED] needed help so she called 911. [REDACTED] used her mother's phone to call 911 and stayed on the line with Guadalupe using her phone. [REDACTED] did not know her [REDACTED] address. She called around and was eventually able to provide dispatch with Guadalupe's address.

While on the phone with him, Guadalupe was talking to himself. He was saying things such as, "I'm gonna stick this knife through my throat" and "I'm gonna hurt myself." Guadalupe told the man on his bed that he wanted the man to kill him. The man replied that he didn't want to kill Guadalupe.

For the majority of the video phone call, Guadalupe was showing himself and not the rest of the room.

During the video phone call the neighbor would say he didn't want to hurt Guadalupe.

"definitely had some drinks in him". [REDACTED] said he has never heard Guadalupe that intoxicated.

[REDACTED] explained to Guadalupe that [REDACTED] was concerned about his behavior. Guadalupe said there was a man in his house who was having a hard time. Guadalupe invited him in to help the man out and talk to him. Guadalupe told [REDACTED] that the man in his house offered to perform sexual acts with him. Guadalupe had [REDACTED] on speaker phone. [REDACTED] could hear someone else on Guadalupe's side. Guadalupe told the man, "see fucker, you gotta get the hell out of here." The two men could be heard arguing. [REDACTED] told Guadalupe that he needed to get the guy out of his house and call [REDACTED] back. Guadalupe said he would get the guy out and they hung up.

Conversatoin with [REDACTED] - Guadalupe's [REDACTED]:

On 11/12/24, I called and spoke with [REDACTED]. The following is a summary of our conversation:

Background:

[REDACTED] were married and have children together. They got divorced in 2016. They have stayed in contact since their divorce. Guadalupe would spend a lot time with the children when he lived in California. [REDACTED] was aware of Guadalupe's [REDACTED]. When he was released, Guadalupe was given medication and supposed to have follow up appointments three times a week. Guadalupe told [REDACTED] he was worried about not being able to work and make money if he was in the hospital. Guadalupe does not have any mental health diagnosis but said he suffered from depression. Guadalupe used alcohol to self-medicate his depression. He does not have any prior suicide attempts while he lived in California. Guadalupe never spoke about hurting himself, but when he would get depressed Guadalupe would apologize frequently.

Guadalupe moved to Idaho for a construction job. When Guadalupe moved to Idaho, she noticed his depression got worse. Guadalupe was told by the hospital that he wasn't taking the counseling seriously because he didn't make some of his appointments. After Guadalupe got out of the hospital, he apologized more and told everyone he loved them.

Events of 11/10/24:

On 11/10/24, [REDACTED] spoke with Guadalupe for the first time at about 1000 hours, before she left for church. Guadalupe asked how to make meatballs. Guadalupe said he was tired. He

talked about going to get food and his medications. Guadalupe sounded normal.

Later in the day, [REDACTED] received a message from a friend asking to check on [REDACTED]. [REDACTED] was in the room while [REDACTED] spoke with Guadalupe but did not have any direct conversation. [REDACTED] was attempting to calm Guadalupe down and get help to him.

Conversation with [REDACTED] - Guadalupe's Friend:

On 11/21/24, I called and spoke with [REDACTED]. The following is a summary of my conversation with her:

Background:

[REDACTED] met Guadalupe in 2018 on Tinder. They never had a romantic relationship but did become friends. Guadalupe struggled with depression. She introduced Guadalupe to her [REDACTED] and they all became friends. Guadalupe was a hard worker and often talked about working to provide for [REDACTED].

Events of 11/10/24:

[REDACTED] and [REDACTED] were watching a football game together. [REDACTED] saw that Guadalupe was calling [REDACTED] phone, so she answered. Guadalupe told her someone was either in his bed or in his house (she cannot remember which). Guadalupe wanted to show her and asked to do face time. Initially [REDACTED] thought he meant a girl was in his room but eventually said she would face time with him. Once on face time, [REDACTED] could only see Guadalupe's face. He held up a kitchen knife for her to see. The knife had some kind of colored writing on it. She could not see the handle. [REDACTED] was afraid that Guadalupe might hurt himself, so she hung up and contacted [REDACTED].

Guadalupe has struggled with depression, but [REDACTED] does not know the extent. They would talk over the phone often. Most of the time Guadalupe would be in a good mood when they would talk. Occasionally he would be depressed and talk about missing his family. Guadalupe also had low self-esteem and didn't think he was doing enough for his children. Guadalupe has told [REDACTED] in the past that he is "scared to do it" when talking about suicide. Guadalupe's depression got worse after he moved to Idaho.

Guadalupe was also worried about the company potentially sending him to work in Alabama. In addition to that, Guadalupe's lease was almost up and he was stressed about where he would live. The week before Guadalupe's incident, he was upbeat and doing well.

The day before the incident, [REDACTED] spoke with Guadalupe over the phone. Guadalupe sounded depressed and was drinking. They spoke about their families for a bit. Guadalupe agreed to call [REDACTED] on the following Monday when he was sober, then they ended the call.

Events of 11/10/24:

[REDACTED] was at home in California. He took the garbage out and saw he had a missed call from Guadalupe around 1300 hours. Guadalupe left a voicemail saying he had enough of life, wanted to leave and was upset. [REDACTED] said he had never heard Guadalupe as sad as he was on the voicemail. [REDACTED] shared the voicemail with his sister [REDACTED]. After listening to the message, [REDACTED] decided to give Guadalupe some time to calm down and went into the kitchen to cook. A short time later, Guadalupe attempted to call [REDACTED] phone again. Because [REDACTED] was cooking, [REDACTED] answered the phone and eventually did a video call with Guadalupe. [REDACTED] said she was worried about Guadalupe hurting himself and acting strange. [REDACTED] and [REDACTED] called [REDACTED] to let her know what Guadalupe was doing. [REDACTED] later let them know she had called the police and that Guadalupe had been shot.

Voicemail from Guadalupe to [REDACTED] on 11/10/24:

[REDACTED] sent me a copy of the voicemail that was sent to him, and a screen shot of when the voicemail was sent. The time stamp shows 12:54PM on 11/10/24. It should be noted that [REDACTED] phone is set to Pacific Time while I was calling from Mountain Time. The message is about 2.5

minutes. Guadalupe can be heard talking on the phone call. It is unclear if he is talking to himself, to [REDACTED] or someone else in the room. Guadalupe often repeats himself and some of what Guadalupe says is difficult to make out.

At about 00:11, Guadalupe clearly says "I hate this place. I'm tired of this world. I wanna die. So fucking kill me. You know what I'm saying? You know what I'm saying."

At about 00:46, Guadalupe talks about someone being a good person.

At about 00:50, Guadalupe says something about "we" living or dying tonight.

At about 01:30, It sounds like Guadalupe may be talking to someone and encouraging them to "just fucking do it".

At about 01:36, Guadalupe can be heard saying "if I die, you die."

I had no further part in the investigation.

Incident Statement:

Officer Floyd stated his shift began at 1400 hours and they had briefing until approximately 1440. He recalled checking a computer in the report room and observing this call for service. He stated dispatch “toned it out” and he self-assigned to the call after a few other officers were sent over the air.

Officer Floyd believed he was the fourth officer to assign to the call and went en route “code” from the back lot of the station. He advised that while en route someone asked for a less lethal option, and he chimed up because he had a 40 mm and was the closest. He stated Officers Gardner and Goold arrived on scene first and he was right behind them. Officer Floyd advised he typically starts with a lethal option but grabbed his 40 mm because there were other officers on scene.

Officer Floyd indicated that the incident was at the [REDACTED] apartments and the initial location provided was determined to be the management office. He stated officers eventually determined the apartment in question was “[REDACTED]” and they located it. Officer Floyd advised they set up teams to both sides of the apartment and he was a part of the front side team. He stated officers initially went up the stairs and attempted contact at the door of the apartment but did not get a response and pulled back to the bottom of the stairway.

Officer Floyd indicated they put together a team with assignments to include long gun, breacher, shield, lethal and hands. He stated they had long cover opposite their position. Officer Floyd advised Sgt Miles told them they were treating it as a hostage situation. He stated at some point the suspect was identified as being “Guadalupe” and officers were calling for him to come out with his hands up.

Officer Floyd advised that the received information the suspect was in the bedroom. He indicated they threw rocks at the window multiple times and dispatch was able to confirm the calling party who was on the phone with the suspect could hear the noises in the background. He stated there were 4 apartments in this area and after one was evacuated, they confirmed the remaining were vacant.

Officer Floyd stated that at some point apartment management provided keys to the apartment adjacent to the suspect. He stated the react team decided to move up to this vacant apartment to position themselves closer. He stated they made plans to engage the suspect if he came out and remained on the landing, but that if he went down the stairs the secondary react team would take over.

Officer Floyd indicated the information they had was that the suspect was armed with a knife, but they weren't certain if he had firearms or any other weapons. Due to their new position sharing a plaster wall, they had a ballistic blanket brought up and placed it against the shared wall inside the apartment. Officer Floyd was equipped with the 40 mm but stated the plan was for him to transition to his taser due to the short distance. He further indicated concerns about the use of the taser if the suspect again tried to use gasoline to set himself on fire. He stated a fire extinguisher was located downstairs and brought up to their location.

Officer Floyd stated that while they were setting up, they started hearing movement in the adjacent apartment. He indicated concerns that the suspect was moving furniture to barricade the door or windows. He stated that during this time Officer Floto was providing long cover in an apartment on the opposite side of the complex. He advised them via radio that he also heard a slam and observed the window and wall move.

Officer Floyd advised that Officer Strodbeck arrived around this time and was going over assignments inside the apartment when the door to the suspect apartment opened. He previously observed a photo of the suspect and believed this to be the suspect. Officer Floyd advised the subject was semi-compliant and they gave him commands and proned him out on the landing. Officer Floyd described the landing as being tiny and estimated it to be 2' or 3' wide by 6' or 7' long.

Officer Floyd indicated Officer Strodbeck told him to transition to his taser, so he slung his 40 mm and turned on his taser. He stated the arrest team moved forward and believed it was Officer Goold taking hands and Officer Gardner with lethal coverage. He stated they all got jammed up in the door due to tight quarters and someone advised them to step over the subject and cover the door. Officer Floyd indicated Officer Strodbeck stepped over to cover the door and he was right next to him in the corner.

Officer Floyd stated he confirmed with Officer Strodbeck that he was holding on the door and then realized that his gun holster was stuck in the railing. He decided to reach over the railing to draw his pistol. While doing so he turned, heard the shots being fired and observed the subject falling towards him. Officer Floyd stated he counted 5 or 6 shots in his head.

Officer Floyd recalled verbalizing that he was stuck and quickly ripping himself off the fence. He advised he dropped the taser and now held lethal coverage on the suspect who was at his feet. Officer Floyd advised his taser went off but stated he did not deploy it at the subject. He questioned whether he accidentally pulled the trigger while transitioning or if it went off when he dropped it.

Officer Floyd stated that Officer Strodbeck moved into the apartment to start clearing. He stated Officer Goold said they needed to start medical, and he stopped him to give him gloves to put on prior to. Officer Floyd stated he and Officer Goold moved the suspect out of the doorframe to render aid and as soon as they grabbed him, he could see the knife. He described the knife as being an 8" to 10" kitchen knife, blue handle, white blade, with flowers or butterflies on it. He stated the knife was right underneath the suspect in the corner of the door.

Officer Floyd and Officer Goold then pulled the suspect into the adjacent apartment. He stated they laid him on his back and began rendering aid. Officer Floyd stated he used trauma shears to cut off the suspect's shirt. He stated Officer Gardner applied a chest seal and Officer Goold began giving chest compressions before medics arrived and took over.

Verbal commands given:

Officer Floyd indicated he never gave any commands but identified several that were given throughout the entirety of the incident. He stated normal police hails were given such as "Boise Police Department, occupants in apartment [REDACTED] come out with your hands up and clear." He stated at some point they identified the suspect as "Guadalupe" and began giving specific commands that he was under arrest and to come out. He stated commands were being given using a PA on a patrol car and included instructions to surrender and a K9 announcement. He also advised additional announcements were made while detaining the first subject and prior to the suspect coming out at them.

Identify officers on scene:

Officer Floyd identified the following personnel as being in the area of the apartment at the time of this incident.

- Officer Gardner
- Officer Goold
- Officer Perales
- Officer Turner
- Officer Strodtbeck
- Sgt Miles

Crimes committed by suspect prior to deadly force:

Officer Floyd identified the crimes he believed the suspect committed prior to the use of deadly force as being false imprisonment and aggravated battery with a knife against the other subject and an additional two counts of aggravated assault against himself and Officer Strodtbeck.

Crimes of similar nature in the area:

Officer Floyd was unaware of any similar incidents in the area. He advised previously responding to calls at this apartment complex but stated it was referencing trespassing and a battery incident.

Suspect familiarity:

Officer Floyd was unaware of the suspect prior to this incident. As part of the investigation, he received information that the suspect had recently received [REDACTED]. Officer Floyd advised this was in reference to an incident in which the suspect doused himself in gasoline and threatened to set himself on fire.

Threat concerns:

Officer Floyd expressed concerns for his safety and others due to the suspect’s reported history of pouring gas on himself. He stated that if the suspect was willing to that to himself, he may be willing to do the same thing to someone else. Officer Floyd advised they brought a fire extinguisher up just in case it was needed. He further expressed concern for the safety of the victim in the apartment possibly being held hostage.

Shots fired:

Officer Floyd advised Officer Strodbeck fired 5 or 6 shots and described himself as standing shoulder to shoulder within approximately 6” of him when the shots were fired.

Crime scene alteration:

Officer Floyd indicated he did not do anything to alter the crime scene other than moving the suspect’s body into the adjacent apartment to render aid.

Lighting conditions:

Officer Floyd indicated he could see perfectly and did not believe the lighting had any impact on this incident. He described it as being sunny but slightly darkened due to his position being on an under hang of the apartment.

Weather conditions:

Officer Floyd indicated it was overcast and briefly drizzled but he did not believe the weather had any effect on this incident.

Suspect actions to prevent deadly force:

Officer Floyd indicated that multiple attempts to establish contact with the suspect were made, including loud hails, phone calls from the calling party and law enforcement. He stated the suspect had plenty of time and could have come out with his hands up, put the knife down, laid on the ground and complied with commands in order to come to a peaceful resolution.

Additional information/statements:

After my initial line of questioning to Officer Floyd, Detective Hartje and Joseph Mallet asked him some follow up questions and he provided the following information.

Mallet: When the suspect was shot, where did he land relative to where you were standing?

Officer Floyd stated the door opened and he briefly saw the suspect coming towards him before the shots were fired. He stated the suspect landed directly at his feet and almost on his feet. Officer Floyd stated he transitioned to lethal coverage and was pointed at a 90-degree angle directly down at his feet.

Mallet: What was the distance when he landed at your feet to the rail behind you?

Officer Floyd stated he was pinned with his back against the rail. He described also being pinned against a wall to his left and having Officer Strodbeck to his right.

Mallet: Can you guesstimate from the rail behind you to the threshold of the door how far it was?

Officer Floyd indicated it was 2.5' to 3'.

Mallet: When he got shot, he fell right at your feet?

Officer Floyd stated exactly.

Mallet: Where you able to confirm he had a knife?

Officer Floyd indicated he and Officer Goold grabbed hold of the suspect to move him and upon doing so he could see the knife underneath the suspect by his left hand.

Mallet: Based on what you saw and your training and experience as a police officer, do you have an opinion on what was likely to happen if Officer Strodbeck wouldn't have shot that guy

when he did?

Officer Floyd stated that if Officer Strodbeck wasn't there or hadn't taken action at that exact time, the suspect would have either stabbed him (Floyd) or they would have tumbled backwards over the railing. He indicated there was an approximately 15' to 20' drop to the concrete below.

Mallet: At the time of the shots being fired, were you stuck on the rail?

Officer Floyd said Yes.

Mallet: Would you say that you were very vulnerable at the moment?

Officer Floyd said 100%.

Detective Hartje: You mentioned prior mental health that you were aware of. At some point you guys have a discussion in the adjoining apartment about him being under the influence or abusing substances. Are you a part of that?

Officer Floyd stated there was mention of the suspect being under the influence of meth but that it was third hand information and was not definitive.

The interview with Officer Floyd was then concluded.

Events prior to incident:

Officer Strodbeck was not working at the time of this incident and was called out via text message from home to respond as part of an 8-man partial SOU activation.

Incident Statement:

Officer Strodbeck stated he received a text message regarding the patrol call and requesting an SOU response. He recalled arriving on scene quickly and getting briefed by the lieutenants before going to meet with the react team. Officer Strodbeck stated he coordinated with Sgt Miles to move up to where the team was staged in the adjacent apartment. He was then briefed on the situation and verified their resources.

Officer Strodbeck indicated the information he knew was that the suspect was on FaceTime with [REDACTED] in California and could be seen threatening to kill his neighbor with a knife inside the apartment. He stated the victim was possibly unconscious in the apartment and may have been stabbed in the hand. Officer Strodbeck stated the suspect was possibly under the influence of meth, was seen peeking out of the windows and was not communicating with negotiators.

Officer Strodbeck advised they had a patrol officer setup with a rifle across the courtyard and pointed at the door of the suspects apartment. He indicated directing him to offset his position to avoid any crossfire situation. He recalled communicating with another SOU operator Officer Gross and trying to get him in a position to assist him with entry. He stated Officer Gross set up

a ladder on the back balcony as another possible entry point if the suspect was barricading.

Officer Strodbeck indicated that as they were setting up resources, what they believed to be the suspect came out the front door. He did not have an assignment on the react team when the suspect exited and could not see much initially, as he was positioned towards the back with Sgt Miles. Officer Strodbeck stated they quickly made assignments and officers pruned out the suspect in the breezeway. He stated they were in a tight space, so they only sent a few guys for lethal, less lethal (taser) and hands on.

Officer Strodbeck stated he attempted to keep Officer Floyd back because he is a big guy like himself, but he moved up as they were taking the subject into custody. Officer Strodbeck stated nobody was covering the front door of the apartment and someone asked for it, so he stepped over and positioned himself at the front door. He stated that because they believed the suspect was already out, he pushed open the front door hoping to lay eyes on an innocent or the stabbing victim. He stated that if he observed a lot of blood or a subject down inside, they could call it out and render aid.

Officer Strodbeck stated the intel they had was there was one suspect and one hostage. He believed the suspect was now in custody, which is why he decided to push the door open. He recalled announcing “Boise Police, anyone inside the apartment call out to me now and make yourself known.” He stated there was no verbal response until approximately 10 seconds later a Hispanic male rounded the corner. He stated the suspect was hugging the wall with a big kitchen knife in his hand. He stated it was super tight and the suspect was immediately on top of him within 10 feet.

Officer Strodbeck stated he told the suspect “Don’t move, don’t move” but he kept walking at him. He then took what he thought was 4 to 6 shots, before the suspect dropped down at his feet. Officer Strodbeck stated the suspect wasn’t moving or saying anything at all. Officer Strodbeck stated they needed to get into the apartment to clear it, so he went inside with

Officer Gross and an unknown third person. He stated somebody else started rendering aid and then he was sequestered per CITF protocol.

Verbal commands given:

Officer Strodbeck stated officers were on scene for a couple hours and negotiators attempted to contact the suspect. He further advised loud hails were being given but the suspect never came out or complied. Officer Strodbeck stated when he found himself in the doorway, he gave an announcement similar to “Boise Police anybody inside call out to me now and make yourself known.” He stated there was no response until the suspect rounded the corner with a knife. He estimated the suspect was 10’ from him when he first saw him.

- Officer Floyd (Previously mentioned)

Crimes committed by suspect prior to deadly force:

Officer Strodbeck stated the suspect came around the corner with a knife after hailing, negotiating and I identified myself as police at the threshold. He stated the suspect came at himself, the innocent and other officers with a weapon. He stated this would have been an aggravated assault. Officer Strodbeck further identified a possible kidnapping, aggravated battery based on information that the suspect had stabbed the victim in the hand. He also advised the suspect was possibly under the influence of meth or a controlled substance.

Crimes of similar nature in the area:

Officer Strodbeck was unaware of any similar crimes of this nature in at this location.

Suspect familiarity:

Officer Strodbeck did not know the suspect prior to this incident.

Threat concerns:

Officer Strodbeck identified multiple safety concerns about the suspects actions. He stated the suspect failed to comply, possibly barricaded, should have known the police was there. He stated that after announcing himself as police, the suspect came out armed with a knife and refused commands. Officer Strodbeck stated they didn't have any room and the suspect wouldn't stop and just kept coming at them.

Shots fired:

Officer Strodbeck estimated that he fired 4 to 6 shots. He indicated that he was the only one who fired and stated that he took up the entire threshold and there was no room for anyone else.

Crime scene alteration:

Officer Strodbeck stated he did not do anything to alter the crime scene.

Lighting conditions:

Officer Strodbeck indicated this incident took place during the middle of the day and the apartment was well lit inside. He did not recall if there was natural light or lights on inside the apartment but stated the threshold to the apartment was well lit.

Weather conditions:

Officer Strodbeck stated the weather conditions were clear, no rain, no snow, no wind, and he did not believe they had any impact on this incident.

Suspect actions to prevent deadly force:

Officer Strodbeck advised the suspect could have released the hostage. He could have spoken with negotiators on the phone and came to a peaceful resolution. He advised the suspect could have surrendered himself at any point all the way up to when he pushed the door open and announced himself. Officer Strodbeck stated the suspect did not make himself known or indicate that he was armed. He stated the suspect instead rounded the corner and didn't respond when he commanded him not to move. He stated the suspect kept walking and continued to aggress them with a deadly weapon.

Additional information/statements:

After my initial line of questioning to Officer Strodbeck, Detective Roath and Joseph Mallet asked him some follow up questions and he provided the following information.

Mallet: At the time you shot your weapon, what was immediately to your left?

Officer Strodbeck stated he had the wall or the threshold of the door to his left. He also stated the railing was behind him but that there was another officer between him and the railing. To his right was the innocent and additional officers.

Mallet: Could you reach out and touch the door or wall to your left? Could you reach back and touch the rail behind you? How close were you?

Officer Strodbeck said yes, he could touch them and estimated the distance to the rail was a couple feet.

Mallet: Could you reach forward and touch the door? In fact you did touch the door, right? You pushed the door open.

Officer Strodbeck responded in the affirmative to the questions.

Mallet: So, you were standing there within hands reach to a wall to your left, a door in front of you and a rail to your back. In that space was another officer, Officer Floyd, is that correct?

Officer Strodbeck stated yes to this statement and indicated Officer Floyd was there.

Mallet: Directly to your right on that landing was a proned out suspect, who you thought was a suspect. How many officers were trying to take him into custody?

Officer Strodbeck stated there were at least 3 officers.

Mallet: Could you have retreated or moved anywhere from that place you were standing if you wanted to?

Officer Strodbeck stated there was no retreating options or even an option to find cover without exposing the innocent or other officers to the deadly threat.

Mallet: So behind you, if you would've jumped or fallen over the rail, how big of a fall was it? What was the distance from where you were standing?

Officer Strodbeck estimated this distance as 10' to 12'

Mallet: What was the surface like below you?

Officer Strodbeck stated it was concrete.

Mallet: After you shot him, you said the suspect fell at your feet. Did he fall inside or outside the threshold of the door?

Officer Strodbeck advised the suspect was partially inside and outside.

Mallet: How close was he to your feet when he fell?

Officer Strodbeck stated the suspect was right on him. He was not sure if he was touching him but stated he was at his feet.

Mallet: So, his momentum carried him towards you? If you would've waited another second or half second, would he have had time to reach you?

Officer Strodbeck stated yes to both.

Mallet: You saw very clearly a knife in his hand?

Officer Strodbeck stated it was a large kitchen knife (6" to 8") similar to one used to slice meat or prepare food in the kitchen. He stated the suspect held the knife in his right hand. He described his arm being bent halfway and holding it at his waistline in front of him with the tip pointed towards him (Officer Strodbeck). He stated the suspect held the knife slightly at an angle and came around the corner so tightly that the knife touched the wall.

Detective Roath: Did your SOU turnouts have markings such as police or patches?

Officer Strodbeck advised there were patches on both shoulders, and it said police on the front and back.

Detective Roath: You made a comment that the first male out there, you thought was the suspect.

Officer Strodbeck stated yes that everyone did.

Detective Roath: So, when you opened the door, you thought you were going to see a victim. Is that what you're saying?

Officer Strodbeck stated yes, my intention of pushing the door open was to try and locate a victim. He stated he was attempting to see if there was any blood or evidence of a struggle that would expedite the need to get inside and render aid to a victim.

Detective Roath: Was the person proned out saying anything?

Officer Strodbeck stated he was pretty far back, and he could not hear him.

Detective Roath: You described the suspect when he came around the corner. You explained it was rapidly evolving and it happened so fast. You said he was walking towards you with a knife, and it was a short distance. Was he walking towards you?

Officer Strodbeck stated yes walking.

Detective Roath: You told your attorney he was pointing a knife towards you in an upward motion.

Officer Strodbeck confirmed this statement and advised the knife was 45 degrees at his waistline in front of him.

Detective Roath: Did he have a look on his face? Did he say anything?

Officer Strodbeck stated that people who use meth sometimes do weird things with their necks. He indicated that as the suspect rounded the corner, he was holding his head sideways and he could see the side profile of his face. He stated the suspect didn't really look at him but was looking at him through the corner of his eye and kept walking.

Detective Roath: When did you see the knife?

Officer Strodbeck indicated he immediately saw the knife as it was the first thing that came

around the corner.

Detective Roath: You mentioned barricading, or you believed he was barricading. What made you think he was barricading?

Officer Strodbeck stated there were noises, which he described as 4 or 5 knocking or banging noises. He stated it could have been moving furniture or something against the door. He also thought it could be cabinets or doors slamming.

Detective Roath: What was the thoughts that were going through your head when you saw the knife and he immediately threatened you and other officers near you? Had you not stopped him, what did you think he was going to do?

Officer Strodbeck stated the suspect would have been able to stab a couple of people or one person a couple of times. He stated nobody else was paying attention to the door and they would've been in a situation where the suspect was actively stabbing somebody. Officer Strodbeck stated with their close proximity and having to address the suspect with a lethal threat, they could have potentially ended up shooting other cops or an innocent.

Officer Strodbeck stated he was thinking about the county shooting on the freeway where a cop got shot because he was getting stabbed to death. He stated the cops shot at him because they couldn't just stand there and let him get stabbed. Officer Strodbeck advised that this situation would have played out if he did not address it when he did. He stated the suspect was going to stab him or the person he had been holding hostage.

Detective Roath: The guy coming around the corner with a knife coming at you. You're giving orders for him to stop. What did you say?

Officer Strodbeck stated he told the suspect "Don't move. Don't move."

it was odd. He then went to a computer to read the details of the call and heard the dispatcher explaining it. He advised that the call was regarding someone on FaceTime seeing their family member with a knife standing over somebody else who was laying in bed. He further indicated the person was either threatening to or had stabbed someone.

Sgt Miles got in his patrol vehicle and began driving towards the location. He indicated the call was in the area of Liberty and Fairview, which is on the “bench” and he is the “valley sergeant.” He recalled driving code 3 to the call and was advised by the “bench sergeant” to let him know if he needed to start that way as well.

While en route to the scene, Sgt Miles advised the radio traffic made it sound like officers were having a difficult time locating the incident location. He stated the address where the call originated was the main office. Sgt Miles recalled initially believing it may be a “swatting call.” He stated there was not initially a stimulus in the area, but eventually it was relayed through dispatch that the apartment in question was “█.” As Sgt Miles arrived in this area, he observed several officers at a group of 4 apartments. He stated there were 2 downstairs apartments and 2 upstairs. Sgt Miles advised the officers were upstairs at the left apartment, banging on the door and stated “Boise Police. Open the door.”

Sgt Miles advised they had officers covering around all sides of the apartment and the blinds were closed with no movement seen. He advised instructing officers to come down off the stairs and maintain a position as an emergency react team. Sgt Miles indicated wanting to slow things down and treating the incident as a potential hostage situation.

Sgt Miles indicated Officer Moss was looking into the information from the call and confirmed the names matched the residence. He advised the possible suspect from the residence was taken █ a few weeks prior for attempting to light himself on fire. Based on this information, he believed this to be a legitimate concern and requested dispatch have a California police officer contact the calling party.

While waiting to hear back, Sgt Miles indicated they contacted the neighbors in surrounding apartments to gather further intelligence. He advised the only apartment that was occupied was the downstairs left and officers were able to escort those subjects out the back slider and into the parking lot.

Sgt Miles advised the suspect was identified as Guadalupe Reyes but that they did not have a photograph of him. He advised speaking with an Escondido Police Officer (EPD), who he explained the situation to. A while later, he received a photo of the suspect via email, which he then shared with the team. Sgt Miles indicated Officer Pollow showed the picture to the evacuated neighbor, who confirmed it was the same person residing in the upstairs apartment.

Sgt Miles stated he was re-contacted by the EPD Officer who had spoken with the calling party, who is the suspect's [REDACTED]. He advised they were no longer on FaceTime with the suspect, and he was not answering the phone. Sgt Miles advised the EPD Officer reiterated that the [REDACTED] believed [REDACTED] was on or uses meth, had a knife, and had the neighbor laying on the bed unconscious. He further indicated the suspect possibly stabbed him in the thumb and was threatening to stab him. He also advised that the calling party was more concerned that [REDACTED] would hurt himself than the hostage.

Sgt Miles indicated there was a time delay between when the call was taken and officers responding to the scene. He stated they did not know if the innocent or suspect had left. Sgt Miles indicated that the emergency react team was giving continuous hails to the apartment with the PA system. At some point the EPD Officer and the calling party re-initiated contact with the suspect who was not communicating, but they advised Sgt Miles the hails could be heard over the phone. Sgt Miles advised this confirmed to them that they were at the correct apartment.

Sgt Miles advised the react team was in place and identified the personnel and responsibilities. He advised Officer Goold was lethal with a pistol and shield, his FTO Officer Gardner was lethal with a rifle, Officer Perales had a RAM, Officer Floyd was less lethal with a 40 mm, and Officer Turner was designated as being hands on. He advised Officer Pollow obtained keys to the vacant apartment next to the suspect from apartment management. Sgt Miles indicated Lt Mengel advised him to position the emergency react team inside the vacant apartment.

Sgt Miles advised Officer Floto had a rifle and was positioned for cover in an adjacent apartment to the east. He stated Officer Goold utilized the shield and held lethal coverage on the suspect's door while the team made their way up the stairs and into the adjacent apartment. Sgt Miles indicated they did not hear any noise coming from the suspect apartment until

approximately 10 minutes before this incident ensued.

Sgt Miles indicated they formulated a plan on what to do if the suspect comes out. He stated the plan was that if the suspect ran downstairs that Officer Sealock would address the suspect with his K9 and a couple other officers. Sgt Miles advised that if the suspect gave up, they would prone him out on the landing unless he was uncooperative. He expressed a concern that officers could fall down the stairs if there was a scuffle.

Sgt Miles advised their plan for if the suspect came to the threshold of the door or came out with a knife was for Officer Floto to take a lethal shot. He advised there were concerns for a potential crossfire situation with Officer Floto and they did not want to be fighting in close proximity. Sgt Miles advised they maintained their position while others attempted to negotiate a peaceful surrender, but knew that if they heard someone screaming, they'd have to force entry under exigent circumstances.

Sgt Miles advised he was previously in direct contact with the EPD Officer but had to pass off those duties to someone else so he could deal with the react team. He indicated that based on the suspect's previous history of attempting to light himself on fire, they had a fire extinguisher brought up to them. He advised they continued to hold their position, while awaiting a SWAT response. Sgt Miles advised Officer Strodbeck arrived on scene and was setting things up when they began hearing movement in the adjacent. He stated the sound was believed to be furniture moving and they thought the suspect may be barricading.

Sgt Miles stated as they were waiting, the suspect's door opened. He stated there were a group of officers yelling commands at the suspect and he was at the back of the pack. Sgt Miles recalled getting a look at the suspect as he got on his knees with his hands up. At the time, Sgt Miles believed this subject to be the same person he previously observed in the DMV photo sent to him. He advised the suspect had some blood on his shoulder and he believed he may have killed the hostage.

Sgt Miles advised that Officer Strodbeck was attempting to change assignments during this time. He stated it was a small area, so Officer Strodbeck only wanted to take 3 officers. He stated Officer Goold was lethal cover, Officer Turner was hands on, and Officer Floyd had a 40mm but transitioned to his taser due to the close proximity. Sgt Miles advised as officers

were pushing out onto the landing to take the believed suspect into custody, he told Officer Strodbeck to cover the door to the suspect's apartment.

Sgt Miles stated as he was at the threshold of the adjacent apartment and landing, Officer Strodbeck was standing outside the threshold to the suspect's door. He stated Officer Strodbeck made an announcement similar to "Boise Police. If you're inside, make yourself known." Sgt Miles advised he then started seeing rounds ejecting from Officer Strodbeck's rifle and could feel the concussion of the rifle discharging. He recalled being thrown off by this, because he believed the suspect was already being taking into custody.

Sgt Miles advised Officer Strodbeck's rifle was in an abnormal position, which he described as being at a downward angle and to the left. He recalled seeing the suspect fall outside the threshold of the door and onto the landing with his back towards the guardrail. Sgt Miles stated the suspect was slumped over and he could tell he was done. He indicated having seen a lot of people shot during his career and stated he hit a "light switch." Sgt Miles stated there was no movement, breathing or any response from the suspect.

Sgt Miles advised he then heard a commotion from the guy proned out and believed he was resisting officers. He stated it took a minute to get him in custody, but they realized he wasn't the suspect. Sgt Miles advised they took the subject downstairs to get him away and he followed. Sgt Miles believed there would be additional personnel responding to their location but after communicating on the radio, he went back upstairs.

Sgt Miles stated Officer Goold wanted to get medical started on the suspect, so he and Officer Floyd grabbed hold of him. Sgt Miles advised Officer Floyd hesitated because he could see a knife in the suspect's hand. He stated the guy was obviously dead, so he had them pull the suspect away. Upon doing so, Sgt Miles could see a large kitchen knife covered in blood where the suspect had been laying. He stated officers took the suspect into the vacant apartment and requested medical come in, while other officers were clearing the suspect's apartment.

Sgt Miles indicated it was at this point that things began to slow down, and he started going over CITF. He advised knowing that Officer Strodbeck had fired his weapon and then noted seeing taser wires on the landing, so he believed Officer Floyd tased the suspect. Sgt Miles advised that after he started going through this, he went back to his patrol vehicle to get his

CITF packet and turned things over to other leadership on scene. He was then sequestered a short time later and taken to ACSO by Corporal Kincaid.

Verbal commands given:

Sgt Miles advised he did not give any verbal commands during this incident. He indicated Officers Gardner and Goold were giving commands to who they now know to be the victim. He recalled hearing Officer Strodbeck saying something similar to “Boise Police make yourself known” just prior to rounds going off. Sgt Miles additionally indicated they were on scene for approximately 2 hours and that commands were given over the PA of a patrol vehicle. He stated whoever was giving the announcements said, “Guadalupe Reyes, you’re under arrest. Boise Police Department, come out or pick up your phone. We want to talk to you.” Sgt Miles recalled negotiators Officer Betz and Officer Kane as working and believed they might have been trying to call the suspect.

Crimes of similar nature in the area:

Sgt Miles was not aware of any similar crimes in this area.

Suspect familiarity:

Sgt Miles was not familiar with the suspect prior to this incident.

Threat concerns:

Sgt Miles indicated they were in a close quarter situation with a potentially armed subject threatening to kill somebody. He felt threatened while in his position at the bottom of the stairs if the suspect were to come out with a knife. Sgt Miles advised he’s seen people get shot with knives and knows that it does not stop their momentum. He expressed concern that if the suspect was using meth he could keep driving forward and stab him or another officer. He additionally indicated he was concerned for the safety of the potential hostage.

Shots fired:

Sgt Miles estimated Officer Strodbeck fired 8 to 10 shots.

Suspect actions to prevent deadly force:

Sgt Miles identified multiple actions the suspect could have taken to prevent the use of deadly force including surrendering during PA announcements. He stated he could have come out with his hands up and been taken into custody peacefully. He then stated this could have been avoided if he simply came out without the knife with his hands up.

Additional information/statements:

After my initial line of questioning to Sgt Miles, Joseph Mallet asked him some follow up questions and he provided the following information.

Mallet: You talked about the landing at the top of the stairs. You have a photograph in front of you. Does that appear to be accurate as to the area where the shooting took place. Is that an accurate representation of that apartment building?

Sgt Miles confirmed the photograph to be accurate.

Mallet: If those doors are 36” wide. From Left to right, about how much space would you have

on that landing?

Sgt Miles stated the landing was about 6' wide.

Mallet: From the door to he railing, front to back, how deep is that?

Sgt Miles stated it was about half the width, estimating 3' in depth.

Mallet: In the area where you're proning out the victim, the shooting and everything took place in that little space?

Sgt Miles advised that was correct.

Mallet: Did that create any more danger for you guys that there were limitations on the space?

Sgt Miles stated the space affected them tremendously, to the point where he couldn't move. He recalled only getting one foot outside the threshold of the door where the victim was laying. He stated they took up the entire landing with lethal officers, less lethal coverage, and a hands-on officer. He indicated Officer Strodbeck was covering the suspect's door and it was extremely tight.

Mallet: Were you present when the shooting took place? Did you see where the suspect's body fell?

Sgt Miles indicated he was present and stated the suspect came to rest outside the apartment. He stated his back ended up towards the railing and he was slumped over with his head oriented towards the interior of the apartment. He advised the suspect was in line with Officer Strodbeck's feet.

Mallet: After he was shot and fell, he fell literally right at the feet of Officer Strodbeck?

Sgt Miles confirmed this and advised the suspect was at his feet and to the left.

Agency Case #:

Requested by: Kelly Day	Victim:
Charge: OTHER	Person Involved: Guadalupe Reyes

This report is based on notes that are available upon request.

On Sunday, November 10, 2024, at approximately 1815, I arrived at the [REDACTED] complex located at [REDACTED] N. Liberty Street in Boise, as requested by Sergeant Weires, to assist with an officer-involved shooting. I was then directed to an apartment building within the complex with a different address of [REDACTED] N. Hartman Street. Forensic Lab Manager Natasha Wheatley was already at the scene and was taking overall photographs. Detective Bryant was also present.

The scene consisted of two upper-level, east-facing apartments marked [REDACTED] and [REDACTED] and exterior areas immediately surrounding the building. The interior of both apartments and the exterior areas of the apartment building were visually examined for forensic evidence. I took exterior and interior photographs.

There were multiple red-brown stains observed; these were primarily located on the upper landing in front of Apartment [REDACTED] a knife was also present in this area, and on the interior entry area floor of Apartment [REDACTED]. Several cartridge cases were also observed on the upper landing and entry area of both upper apartments.

The following items of evidence were photographed and collected:
 SG1 Cartridge casing (FC 23 223 REM) from the upper landing near the stairs

- SG5 Cartridge casing (FC 23 223 REM) from the upper landing between Apartments [REDACTED] and [REDACTED]
- SG6 Knife with red-brown stains from the upper landing in front of Apartment [REDACTED]
- SG7 Cartridge casing (FC 23 223 REM) from the entry area floor of Apartment [REDACTED]
- SG8 iPhone from the bedroom floor in Apartment [REDACTED]
- SG9 Phone in a black case from the bedroom floor in Apartment [REDACTED]
- SG10 Cartridge casing (FC 23 223 REM) from the entry area floor of Apartment [REDACTED]
- SG11 Cartridge casing (FC 23 223 REM) from the entry area floor of Apartment [REDACTED]
- SG12 Black shirt from the floor of Apartment [REDACTED]
- SG13 Deployed taser from the ground in front of Apartment [REDACTED] (located below Apartment [REDACTED])
- SG14 40 mm less lethal from the floor of the entry area and near the kitchen wall of Apartment [REDACTED]
- SG15 Projectile from the entry door frame of Apartment [REDACTED]
- SG20 Projectile from the windowsill of Apartment [REDACTED]
- SG21 Projectile from the west wall of Apartment [REDACTED]
- SG22 Projectile from the sliding door of Apartment [REDACTED]

Possible bullet defects were noted during the visual examination of Apartment [REDACTED]. Some defects on the entry wall and closet areas were marked and photographed as Items SG16 through SG19. Attempts were made to retrieve a projectile from near SG16, located on the wall near the entry door opening; however, no projectile was located.

All photographs were uploaded to a secure imaging system. All collected items were properly secured and transported to the Ada County Sheriff's Office Property and Evidence. Evidence requiring forensic laboratory analysis will be submitted to the appropriate forensic laboratory upon request.

NARRATIVE:

On 11/10/2024, I was working as a Detective assigned to Major Crimes with the Ada County Sheriff's Office (ACSO). On the same date at approximately 1712 hours, I received a call from Detective Sergeant Weires regarding an officer involved shooting involving the Boise Police Department (BPD). This resulted in an activation of the Critical Incident Task Force (CITF), with ACSO being the lead agency and myself being the lead detective. I responded to the ACSO emergency operations center and briefed with Sgt Weires and other assisting personnel.

CASE SUMMARY

On 11/10/2024 at approximately 1435 hours, ACSO dispatch received a transferred call from [REDACTED] [REDACTED] via the Escondido Police Department (EPD – CA). [REDACTED] was in California and advised [REDACTED], Guadalupe Reyes ([REDACTED] was at an unspecified location in Boise, ID. [REDACTED] advised dispatch that Guadalupe was inside his apartment, making threats to kill his neighbor and was possibly under the influence. Multiple BPD Officers were dispatched to this “suspicious circumstances” call that was believed to be taking place at the [REDACTED] [REDACTED] ([REDACTED] N Liberty Street, Boise, ID 83704)

Upon arrival officers were initially unable to locate the apartment in question and determined the dispatched address was the apartment management office. It was discovered a short time later that the apartment in question was located at [REDACTED] N Hartman Street # [REDACTED] Boise, ID 83704. Additional information was relayed through dispatch that Guadalupe was recently [REDACTED] due to previous threats of suicide by pouring gasoline on himself and lighting himself on fire. [REDACTED] advised Guadalupe was holding his neighbor ([REDACTED] [REDACTED] hostage in the apartment and threatening to kill him. Guadalupe was seen by the RP on Facetime with a knife and told her he stabbed him.

The initial investigation revealed that while officers were outside the door to the suspect's apartment, Guadalupe presented a knife and approached officers, before being shot by BPD Officer Brady Strodbeck.

FIRST CONTACT

ACSO Detectives Buie, Parsons and Neumann were assigned to first contact with the involved officer and witnesses from this investigation. See their supplemental reports for further details.

CRIME SCENE

As part of this investigation, ACSO Detective Bryant was assigned to assist with processing the crime scene. The Crime scene included the apartments located at [REDACTED] N Hartman Street # [REDACTED] and # [REDACTED] as well as the surrounding areas immediately outside the apartments. Apartment # [REDACTED] was vacant, and Detective Bryant obtained a signed consent to search form from the manager, [REDACTED] to conduct a search of the apartment. Apartment # [REDACTED] where this incident was predominately associated with was determined to be leased to [REDACTED] [REDACTED] [REDACTED] is the former [REDACTED] of Guadalupe. Detective Bryant obtained verbal consent over the phone from [REDACTED] to search the apartment.

ACSO CSI Technicians Guess and Wheatley assisted Detective Bryant with processing the crime scene. During the process, CSI Guess seized 8 rifle cartridge casings, 4 projectiles, a taser, and a 40mm less lethal projectile. Additionally located at the scene was the knife recovered from underneath the suspect (depicted below).

There were also 2 cell phones collected, to include Item #SG8 (iPhone) and Item #SG9 (phone in black case).

For further details regarding the crime scene see the supplemental reports and photographs provided by Detective Bryant, CSI Guess and CSI Wheatley.

HOSPITAL

Detective Hawksley was assigned to the hospital during the initial response to this incident, which was specifically identified as emergency room #10 at St Alphonsus Regional Medical Center (1055 N Curtis Road, Boise, ID 83706). Detective Hawksley advised that Guadalupe was pronounced deceased at the hospital on 11/10/2024 at 1727 hours. Detective Hawksley oversaw the removal of the body from the hospital when it was turned over to Ada County Coroner's Office (ACCO) Death Investigator Noah Webster. During this process, a wallet containing a California Driver's License belonging to Guadalupe was located in a pair of sweatpants that were previously removed from his person by medical staff.

Detective Hawksley attended the autopsy for Guadalupe on 11/12/2024 at ACCO. During the autopsy, he was advised by Dr Garth Warren that Guadalupe had 7 apparent gunshot entry wounds. Those wounds were described as 4 to the middle back, 1 on the right-side chest, 1 on the right bicep and 1 on the left bicep. Dr Warren indicated that all the bullets appeared to have exited, with exception of 2 fragments that were recovered. 1 from the upper right arm and 1 from the chest cavity.

CAD CALL, DISPATCH CALL AUDIO, RADIO BROADCAST AUDIO

On 11/10/2024, I obtained recordings from ACSO dispatch via email from ACSO Captain Walls of 2 calls received regarding this incident. I was additionally provided with multiple audio recordings of the dispatch radio traffic from this incident. Copies of the recordings were uploaded to Evidence.com. Included in the email was a copy of the CAD call for service (Incident #24-0355355). The following are summaries of the information I obtained while reviewing the audio provided, refer to the recordings for specific details.

CAD CALL (INCIDENT #24-0355355)

I reviewed the CAD call from this incident and highlighted pertinent details, which are depicted in the below screenshots. Some of these details include the date, time, location, type of incident, calling party, suspect identity. The call details also include information provided by the calling party (██████████) that ██████████ (Guadalupe Reyes) was threatening to kill his neighbor and was armed with a knife. See screenshots for further.

OFFICER INTERVIEWS

On 11/12/2024 and 11/13/2024, I completed the interviews with Officer Strodbeck, Sgt Miles, Officer Floyd. The interviews were conducted at the Mallet Law Offices (3363 N Lakeharbor Drive, Boise, ID 83703). Refer to my supplemental reports documenting the interview details.

ON BODY VIDEO (OBV)

As part of this investigation, I was provided access by BPD via Evidence.com to numerous OBV from the officers assigned to this incident. Many of the videos had

no direct relevance to the officer involved shooting portion of the investigation. Three OBV's were deemed as being directly relevant due to their close proximity at the time of the shooting. These videos belonged to Sgt Miles, Officer Floyd, and Officer Goold. Please note that Officer Strodbeck was not wearing an OBV at the time of this incident. The following is a summary of my observations during the review of the 3 identified OBV's, refer to the videos on Evidence.com for specific details.

OFFICER FLOYD OBV

I reviewed Officer Floyd's OBV, which is time stamped "2024-11-10 15:00:02" and is 02:14:37 in duration. The video begins with Officer Floyd and other officers walking the premise of the [REDACTED] and attempting to locate/identify the specific apartment associated with this suspicious circumstances call for service. Officer Floyd has a 40mm slung around his neck, which partially obstructs the camera view intermittently throughout the video.

15:05:54 - Officer Floyd arrives on foot at the suspect's apartment ([REDACTED] N Hartman Street # [REDACTED]). He is at the rear of a stack of officers attempting contact at the front door of the suspect's apartment, which is located upstairs. An unknown officer is heard giving verbal commands "Boise Police. Apartment [REDACTED] open the door," while knocking on the door but there is no response. A few moments later all the officers retreat from the staircase and take positions on the ground level. Officers maintain a position on the ground level outside the suspect apartment for several minutes and can be heard coordinating resources.

15:37:17 - Officer Floyd and additional officers go back upstairs and briefly approach the door to the suspect's apartment to see if they can hear anything. Nothing is heard and they go back down after approximately 30 seconds. Officer Floyd and others discuss exigency and tactics for breaching the apartment.

15:53:01 - Officers return upstairs to the apartment door with a shield and ram to make additional announcements. After again not receiving an answer, they go back downstairs after approximately 1 minute.

16:07:52 – Officer Floyd and several other officers form a react team and go back upstairs, making entry into the adjacent apartment (■■■■) using keys provided by apartment management. Once in position in the neighboring apartment, Officer Floyd is seen in a stack of officers behind Officer Goold, who is knocking at the door of ■■■■ and making multiple announcements. Those announcements included “Boise Police” and advising Guadalupe that he was under arrest. Officer Floyd is seen staging inside apartment ■■■■ for several minutes, while announcements are turned over to an officer hailing from a vehicle PA system.

17:04:01 - An unknown officer announces, “door’s open” and then verbal commands are heard for “hands up” and “get on the ground.” The view of Officer Floyd’s OBV is mostly obstructed during this portion, but a male subject later determined to be ■■■■ is briefly seen lying on the ground outside on the upstairs landing outside the apartments. Officers appear to believe ■■■■ is the suspect at the time of initial contact and are referring to him as Guadalupe.

17:04:50 - Officer Floyd exits apartment ■■■■ stepping over the proned out subject and takes a position in front of apartment ■■■■. Officer Floyd is initially facing the apartment door, but then SOU Officer Strodtbeck takes that position and Officer Floyd turns outward towards the stairway and up against the metal railing on the upstairs landing. Officer Strodtbeck can then be heard announcing “Boise Police, anyone inside call out to me and make yourself known.”

17:05:04 - After the announcements are given, several gun shots are heard, followed by a male subject screaming and a taser deploying. Officer Floyd’s OBV is obstructed for a few seconds and then Officer Strodtbeck comes into view. Officer Floyd can be heard saying multiple times he is stuck before repositioning himself.

17:05:27 - At this point the view on Officer Floyd’s OBV opens and the open doorway to apartment ■■■■ can be seen. There is a set of feet belonging to Guadalupe that are visible and pointed inward from the exterior landing through the doorway and into the apartment. Officer Floyd now has his handgun out and

pointed straight downward and the 40 mm can be seen slung on the left side of his body.

17:05:51 - Officer Strodbeck enters apartment [REDACTED] providing cover for officers. Officer Floyd and Officer Goold then put on gloves and Officer Floyd passes off his 40 mm. They go hands on with Guadalupe and Officer Floyd announces “He’s got a knife. He’s got a knife under him.” They then move the suspect into apartment [REDACTED] at which time Officer Goold begins chest compressions and Officer Floyd cuts off the suspect’s shirt.

17:07:36 - Medical personnel arrive in the apartment and begin to take over for Officers. After being relieved, Officer Floyd remains in apartment [REDACTED] He then retrieves his 40 mm, which was lying on the floor and re-slings it. Officer Floyd then provides a safety debrief of the incident to a supervisor before his OBV is turned off at approximately 17:14:39.

OFFICER GOOLD OBV

I reviewed Officer Goold’s OBV, which is time stamped “2024-11-10 15:05:16” and is 02:26:59 in duration. The video begins with Officer Goold and other BPD Officers walking through the apartment complex and approaching the suspect’s residence. Officer Goold’s OBV reflects a similar vantage point and details to that of Officer Floyd, as they are in and around the same area throughout most of this incident.

Officer Goold is seen holding a ballistic shield during much of this video and the OBV point of view is sometimes blocked. Officer Goold utilizes the shield to provide cover for other officers when they go up and down the stairs multiple times attempting contact at the door to the suspect’s apartment. Once officers make entry to the neighboring apartment ([REDACTED]) Officer Goold continues to hold a position with the shield at the doorway, providing cover for other officers. After several minutes of not hearing any movement in the suspect apartment, Officer Goold sets down the shield and takes a break further inside the apartment, while continuing to coordinate with other officers.

17:00:07 - Officer Goold points to the wall between the vacant apartment and suspect apartment. An unknown voice says that movement can be heard in the suspect's apartment. Numerous announcements can be heard via an unknown officer on a loudspeaker during this time. Officer Strodbeck is seen inside the apartment and can be heard coordinating resources inside and outside the apartment while Officer Goold and others standby.

17:04:01 - Multiple voices are heard saying "door's open." Officer Goold takes a position inside the apartment and pulls out his handgun. He is facing eastbound towards the outside of the apartment. A male subject who officers believed to be the suspect (Guadalupe) but was later determined to be the victim (██████████) is seen on the upstairs landing between the apartments. ██████████ is wearing no shirt, dark pants, and shoes. Officer Goold and others can be heard repeatedly telling him to "get on the ground," "lay on your belly" and "put your hands on your head." Officer Goold refers to him as Guadalupe and advises other officers that, "he's got blood on his chest." ██████████ cooperates with commands and Officer Goold and others formulate a plan to move up to the landing and take him into custody.

17:04:48 - Officer Goold is first to exit the apartment and maintains lethal cover with his handgun. Officer Goold and another officer go hands on with ██████████. Two additional officers are partially seen, and it appears to be Officers Floyd and Officer Strodbeck stepping over them and taking positions in front of the suspect's apartment. While Officer Goold was in a kneeling position dealing with ██████████ his OBV provided the best vantage point of the officer involved shooting. The door to the suspect's apartment is initially closed but can be seen open after Officer Strodbeck takes a position in front of it.

17:05:00 - Officer Strodbeck is heard giving an announcement of "Boise Police. Anyone inside call out to me and make yourself known."

17:05:03 - Officer Strodbeck is heard saying "don't move." He simultaneously appears to be falling backward towards the stairway and multiple gunshots are heard. Muzzle blast can be seen coming from Officer Strodbeck's rifle and a taser is heard deploying. During this time, the male suspect (Guadalupe) is seen falling

from inside the apartment and his body comes to rest on the landing outside. He is initially facing outward, but his body turns and upon landing his feet come to rest inside, with his body is in a fetal position curled up back towards the doorway. Guadalupe appears unresponsive and is wearing a black shirt and dark colored pants.

After the officer involved shooting, Officer Goold transitions from [REDACTED] to assisting Officers Strodbeck and Floyd. Officers briefly regroup and coordinate resources. Officer Strodbeck is seen stepping over Guadalupe and into the apartment. Officer Goold then coordinates with Officer Floyd to get gloves on before they move Guadalupe into the adjacent apartment to begin first aid measures.

17:06:30 - Officer Goold grabs hold of Guadalupe's arms and Officer Floyd is heard saying that "he's got a knife." Guadalupe appears lifeless and unresponsive during this time. Upon moving his body, a pool of blood is seen on the ground underneath him, and a large kitchen knife is seen in the pool of blood. Upon moving Guadalupe to the neighboring apartment, Officer Goold has someone hold the Guadalupe's hands and immediately begins doing chest compressions. Officer Goold continues compressions until medics take over and he assists them in moving Guadalupe to a gurney outside.

17:13:45 - Officer Goold gets into his patrol vehicle and follows the ambulance to St Alphonsus Regional Medical Center (1055 N Curtis Road, Boise, ID 83706). The remainder of his OBV is of him in the trauma room observing medical staff working on Guadalupe. The video concludes at approximately 17:32:15, when the OBV is turned off by Deputy Goold.

SGT MILES OBV

I reviewed Sgt Miles' OBV, which is time stamped "2024-11-10 15:03:28" and is 02:10:44 in duration. The video begins with Sgt Miles and additional BPD Officers walking through the courtyard of the apartment complex and attempting to locate the suspect's apartment. Sgt Miles is heard early on expressing concerns over the radio that this may be a "swatting" call due to the out of state caller and limited

information. Other officers on scene locate the suspect apartment (████) and Sgt Miles arrives on foot shortly afterwards.

15:06:10 – As officers are attempting contact at the door to the suspect’s apartment, Sgt Miles advises them to pull back and slow down unless there is stimulus from the apartment. Sgt Miles coordinates resources around the apartment and works with another officer to contact the downstairs apartment neighbors. He then moves away from the apartment and works with dispatch and other officers on scene to attempt to verify the call information. Sgt Miles requests dispatch have an EPD Officer meet with the reporting party to verify the status of the information being received.

15:31:50 - Sgt Miles gets a phone call from an EPD Officer and advises him of the investigation. Sgt Miles requested he contact █████ to confirm the details of their call for service. He additionally requested the officer send him a picture of Guadalupe. While awaiting re-contact from EPD, Sgt Miles coordinates resources on scene and works on formulating a plan of action to deal with various scenarios that may play out. From this point on, Sgt Miles remains at the rear of the react team, while making phone calls and coordinating positions.

15:53:58 - Sgt Miles takes a position on the ground level and provides lethal cover with his handgun pointed at the door to apartment #████ while the react team comes down the stairs after another attempt to contact the suspect.

16:01:20 - Sgt Miles meets with Officer Floto, who is positioned across the courtyard to the east with lethal rifle coverage to the front of apartments █████ and █████. Sgt Miles notifies the occupant of apartment █████ of their activity and attempts contact at apartment █████ but received no answer. Sgt Miles then coordinates with a K9 and additional perimeter officers.

16:05:51 – Sgt Miles meets with Officer Pollow, who is on the phone with █████ (apartment leasee). █████ confirms Guadalupe should be the only person in

the apartment. Officer Pollow also provides Sgt Miles with keys to the suspect apartment () and adjacent apartment ().

16:07:51 - Sgt Miles is at the back of a stack of approximately 6 officers as they go upstairs and make entry to apartment (). Sgt Miles and officers remain stages inside this apartment for several minutes, while coordinating additional resources and to include and SOU activation and contingency planning.

16:57:34 - Talking heard inside target apartment and SOU Officer Strodbeck arrives in adjacent apartment with react team. Discussions amongst Sgt Miles, Officer Strodbeck and others regarding various plans of action. Sgt Miles shows officers in the apartment a photograph of Guadalupe and the react team brief's Officer Strodbeck on information up to this point.

17:00:10 - Additional movement heard in the suspect apartment. Sgt Miles advised team to conduct arrest of suspect upstairs if possible.

17:01:58 - Officer Strodbeck and Sgt Miles discuss repositioning Officer Floto as their sniper to a different location. Sgt Miles then advises react team of the new sniper positioning.

17:04:04 – Someone can be heard saying, “Door’s open heard.” Sgt Miles takes a position at the back of a stack of officers that are addressing a subject () that came out of the suspect apartment. Officer Strodbeck can be seen giving direction to react team officers. Sgt Miles advises someone to cover the suspect’s apartment door.

17:04:58 - Sgt Miles takes position in the threshold of apartment () facing southbound towards (). Officer Strodbeck is seen opening the door to apartment () and giving an announcement.

17:05:04 - Officer Strodbeck is seen jumping backward and several gun shots ring out. Sgt Miles sucks back into apartment () briefly before reemerging, at which

point Officer Strodbeck is seen standing over the suspect, with his rifle pointed downward at him. The suspect is lying on the ground partially on the landing and partially in the threshold of apartment [REDACTED]

17:05:28 - Sgt Miles advises other officers to move the innocent ([REDACTED]) downstairs and away from the area. He additionally requests medical personnel stand by via radio and notifies dispatch that shots were fired. Sgt Miles goes downstairs briefly before returning upstairs and officers can be seen clearing the suspect apartment while others are rendering medical aid to the suspect.

17:06:49 - Sgt Miles enters the suspect apartment with other officers and after it is cleared, he checks on Officer Strodbeck. Sgt Miles instructs Officer Gross to remain with Officer Strodbeck and move away from the area. He then proceeds to brief his supervisors of the situation and determine which officers are involved.

The video concludes at 17:14:12, when Sgt Miles turns off his OBV.

CELL PHONE EXTRACTIONS

[REDACTED] CELL PHONE

On 11/12/2024, Detective Hawksley and I responded to [REDACTED] N Hartman Street [REDACTED], where we met with [REDACTED] and his partner, [REDACTED]. A cell phone belonging to [REDACTED] had previously been seized from the suspect's residence as evidence (Item #SG9) during the initial investigation. The cell phone had a cover with a wallet attached to it. I turned the wallet portion over to [REDACTED] and requested his consent to search the device. [REDACTED] agreed and signed a consent to search form, a copy of which is attached to this report.

On 11/13/2024, I retrieved [REDACTED] cell phone from evidence and noted it to be an Apple iPhone 13, Model #MLML3LL/A, Serial #F64GWQG272. I then completed an extraction of the device utilizing Cellebrite digital forensics software. The data files were saved to a secure ACSO hard drive and a Cellebrite report was

generated. After completing the extraction, I conducted a review of the contents of the device. During my review, I did not locate any information of evidentiary value to this case, and I noted there was no information to suggest a preexisting relationship between [REDACTED] and Guadalupe.

On 11/15/2024, I met with [REDACTED] and [REDACTED] in the lobby of ACSO. During this meeting, I returned [REDACTED] cell phone to him and briefly discussed the case. [REDACTED] expressed having difficulty coping with his emotions following this incident and requested assistance. Due to the fact [REDACTED] was a victim in a BPD investigation, I forwarded his information to BPD Victim Services.

GUADALUPE'S CELL PHONE

An additional cell phone (Item #SG8) was seized from the residence during this investigation and was believed to belong to Guadalupe. Detective Parsons spoke with the suspect's [REDACTED] [REDACTED] and obtained a passcode ([REDACTED]) for the device. On 11/14/2024, I removed the device from ACSO property and noted it to be an Apple iPhone 13, Model #ML9E3LL/A, Serial #F2YT042D9D.

I then completed an extraction of the device utilizing Cellebrite digital forensics software. The data files were saved to a secure ACSO hard drive and a Cellebrite report was generated. After completing the extraction, I returned the device to ACSO property on 11/15/2024. I later conducted a review of the contents of Guadalupe's cell phone. During my review of the device, I located call logs and messages reflecting his correspondence with [REDACTED] and others throughout the day of this incident. No additional noteworthy items related to this investigation were discovered during this review.

OBSERVATIONS

The following observations were made as a result of my review of the items previously discussed in this report as well as additional reports reviewed from other detectives and agencies involved in this incident.

- Guadalupe Reyes was inside his apartment possibly under the influence and was armed with a large kitchen knife.
- Guadalupe held [REDACTED] against his will inside the apartment and was threatening to kill him.
- Guadalupe has a history of previous self-harming behavior and recently [REDACTED]
- BPD Officers surrounded the apartment, made multiple announcements, loud hails and made telephone contact with him in attempt to get him to peacefully surrender.
- [REDACTED] eventually was able to exit the apartment; however, officers initially believed him to be Guadalupe and took him into custody outside the apartment.
- BPD Officer Strodbeck opened the door to Guadalupe's apartment, believing there was likely a downed victim inside and gave a lawful announcement.
- Guadalupe ignored commands by Officer Strodbeck to "don't move" and approached him armed with a large kitchen knife, causing Officer Strodbeck to fire multiple shots from his rifle at Guadalupe.
- Officer Strodbeck's actions stopped Guadalupe, but not before he reached his location and his body came to rest on the ground at Officer Strodbeck's feet.
- Both Officer Strodbeck and Officer Floyd expressed fear that they would be injured or killed if Officer Strodbeck did not use lethal force against Guadalupe at that time.
- Assisting Officers quickly began performing life saving measures on Guadalupe, but he ultimately succumbed to his injuries.

Based on the totality of the circumstances and my observations listed above, the force used in this incident appears to be lawful and justified. I do not believe there to be any probable cause to support criminal charges against the involved officers.

No further details.

CITF SUPPLEMENTAL REPORT:

INITIAL NOTIFICATION AND BRIEFING:

On November 10, 2024, at 1718 hours I was contacted by Lt Klempke of the Ada County Sheriff's Office. I was advised of an Officer involved critical incident that took place at [REDACTED] N Hartman St # [REDACTED] Boise, ID 83704. I was informed that Boise police Department officers were involved, the suspect was being taken to the hospital, and the incident command location would be the Ada County Sheriff's Department Emergency Operations Center (EOC).

At that time, I began responding to the incident command. A short time later I was contacted by Sgt Weires of the Ada County Sheriff's Office. he requested two additional Garden City Detectives to assist with the investigation. I notified Detectives Hughes and Detective Corporal Canfield and had them respond to the Ada County EOC.

Upon arrival I was advised that Boise Police had one shooting officer and had sequestered six additional officers. Several generalized questions were developed to determine which officers would be considered involved, involved witnesses, or uninvolved witness officers. After the questions were asked it was determined that only the shooting officer and two additional involved witnesses would be sequestered.

DETECTIVE ASSIGNMENTS:

Detective Hughes and Corporal Canfield were originally assigned to the first contact processing team. However, after determining that they would not be needed at the first contact processing, both were reassigned to interview the citizen victim in the case and complete an area canvas of the neighboring apartments.

I remained in the EOC incident command until the conclusion. After both detectives had completed those assignments, all Garden City personnel cleared the scene.

CONCLUSION:

This concluded my involvement in this case. Please refer to Detective Hughes' and Detective Corporal Canfield's reports for specifics regarding the interviews and area canvas.

Narrative

CIU Supplemental Report:

On November 10, 2024, at approximately 1730 hours, I was advised of a shooting involving a Boise Police Officer. I was directed to meet at the command post where I would be given an assignment. While at the command post I was asked to conduct an area canvass where the shooting occurred at [REDACTED] Liberty St. Apt # [REDACTED] Boise, Idaho. I was tasked to conduct the area canvass with Det. Ware (Meridian Police Department) and Det. Hughes (Garden City Police Department).

Officer Actions:

Prior to conducting an area canvass we were asked to interview the victim (later identified verbally as [REDACTED] who was sitting in the back of a patrol vehicle on scene. Detective Hughes and I made contact with him. Please refer to Det. Hughes' report for further information regarding his interview.

After interviewing [REDACTED] his partner [REDACTED] arrived on scene. Detective Hughes made contact with him as well. Please refer to Det. Hughes' report for further information regarding that interview.

Area Canvass:

I knocked on several doors and made contact with the following residents in nearby apartments: (Note: Multiple apartments were vacant, or nobody was home at the time)

[REDACTED] Liberty St. # [REDACTED] -

I made contact with a male (later identified as [REDACTED])

During my conversation with [REDACTED] I learned the following:

- [REDACTED] does not know any of his neighbors.
- He doesn't know of any issues in the apartment complex and has not heard anything.
- He has lived in the apartment complex for approximately 6 months.

[REDACTED] Liberty St. # [REDACTED] -

I made contact with a male (later identified verbally as [REDACTED] who was waiting in the parking lot. [REDACTED] provided the following information:

- [REDACTED] said he did not know the suspect's name (Guadalupe) prior to talking to the police officers on scene today.

- He was shown a photo of Guadalupe by a patrol officer and identified him as his upstairs neighbor.
- He learned Guadalupe's name when the police department was making announcements via loudspeaker.
- Guadalupe would frequently walk with a female up to the apartment, but he was not sure if she lived with him.
- [REDACTED] never had any problems with Guadalupe.
- Guadalupe was nice to him and his children.
- [REDACTED] grandmother and his son were at home in his apartment while he went to play basketball.
 - His grandmother's name is: [REDACTED].
 - (Note: Please refer to Meridian Police Department Det. Wear's report for further information regarding what [REDACTED] stated.)
 - His son is [REDACTED] (5yo).
- [REDACTED] never had issues with Guadalupe as a neighbor, but said he would get excited and loud when watching UFC fights.

[REDACTED] Liberty St. # [REDACTED]:

I made contact with a male ([REDACTED]) and a female ([REDACTED]).

- [REDACTED] had been home since 1100 hours, and did not hear anything prior to the police arriving on scene.
- [REDACTED] arrived home at approximately 1620 hours.
- They heard shots being fired so they hid in the bathroom (approximately 7-8 gunshots).
- They said the police knocked on their door, but they were in the bathroom hiding so they did not hear anything.
- Prior to the shots being fired they heard the police department on a megaphone telling the suspect

Garden City PD of an Officer involved critical incident. The incident took place at [REDACTED] N Hartman St. # [REDACTED] Boise, ID 83704 in Ada County. I was requested to show up to the Ada County Sheriff's Office Emergency Operations Center (EOC).

Once I arrived I was given the task of going to the scene and interview a possible victim and completing an area canvas at the surrounding apartments. Det. Cpl. Canfield and I arrived to the incident address and contacted Officers on scene. They advised us that [REDACTED] ([REDACTED]) was in the back of a patrol vehicle ready to be interviewed. I was advised [REDACTED] was with the suspect both before and during the time Officers were on scene.

The following interaction with [REDACTED] was recorded by Det. Cpl. Canfield's handheld recording device.

I contacted [REDACTED] who was in the back seat of a Boise PD patrol vehicle. [REDACTED] had no shirt on and was wearing sweat pants. Upon opening the back door of the patrol vehicle, I could immediately smell the strong odor of an alcoholic beverage emanating from the area [REDACTED] was sitting in. [REDACTED] immediately told me he had to use the restroom. Det. Cpl. Canfield and I walked [REDACTED] to the bushes where he was able to urinate. While [REDACTED] was urinating I was able to use a flashlight and view his bare skin. I noticed the following injuries: dried blood on his left pinky, ring and middle finger, and what appeared to be a laceration on the top of his hand just before his wrist. A small red mark on his left upper chest/shoulder area. Redness to his right collar bone area and right shoulder area. A red line about 3-4 inches on the right center of his back. 5 small scratches to his left lower side. A scratch about 3-4 inches long on the back of his right shoulder. All of these injuries were later photographed with my department issued cell phone and uploaded with this report.

After this, we walked [REDACTED] back to the patrol unit and had him sit inside as it was cold outside and he was not properly dressed for the weather. A following is a summary of what [REDACTED] told me:

- [REDACTED] stated he has problems with alcohol.
- [REDACTED] claimed he does not know "him". When I asked [REDACTED] who "him" was, [REDACTED] stated "I don't know his name to be honest", he then pointed at the apartment of the suspect.
- He explained that he needed some alcohol so he randomly went to the suspect's apartment and asked him for some alcohol. [REDACTED] explained that the suspect gave him some vodka.
- [REDACTED] told me, "All of a sudden, I don't know what the fuck happened, he hurt me". [REDACTED] claimed once Officers were outside, the suspect would not let him leave the apartment.
- Officers arriving on scene caused the suspect to become panicked.
- I asked [REDACTED] why the Officers showed up and he stated he honestly had no idea.
- I asked him if they were fighting with each other and he stated they were not.
- At this time I pointed out the mark on [REDACTED] hand and asked him how it happened and he said

he did not know.

- [REDACTED] explained that the suspect began to get aggressive with him and would not let him leave after they began drinking.
- [REDACTED] stated he was unaware of how long he was in the suspect's apartment prior to Officers arriving on scene.
- When the suspect heard the Officers arriving on scene, he began blaming [REDACTED] stated the suspect made the following statements: "It's your fault", "You set me up", "You called them, you called them".
- [REDACTED] told the suspect that he did not call the police.
- [REDACTED] explained that he attempted to leave several times because he was afraid.
- He stated he was afraid because the suspect was agitated and acting "violent". When I asked [REDACTED] how the suspect was acting violent toward him, he explained that the suspect was pushing him and keeping him away from the door.
- I asked [REDACTED] if the suspect had a weapon, and he said "not that I know".
- I again asked [REDACTED] about the injury to his left hand and he stated it was possibly from when the pushing started.
- He stated the suspect continued to blame him for the Officers on scene and would not let him leave the apartment.
- I asked [REDACTED] how many times he tried to leave. He explained that he attempted to leave quite a few times and the suspect stood in the doorway and pushed him back when he tried to access the door.
- [REDACTED] then stated the suspect did not push him away in an aggressive way, but did not want to leave and was afraid the Officers were going to "come in".
- [REDACTED] said the suspect continued to tell him that "you set me up". [REDACTED] was unable to understand why the suspect thought this.

Det. Cpl. Canfield then began to speak with [REDACTED]

- [REDACTED] told us that he believes the suspect also has a problem with alcohol because he has seen him in the past walking to his apartment with alcohol.
- [REDACTED] stated he did not call or text anyone while he was in the apartment.
- [REDACTED] stated he was in a relationship with another male named "[REDACTED]" and [REDACTED] did not know [REDACTED] was at the suspect's apartment and would probably be mad.
- [REDACTED] claimed he was not romantically involved with the suspect and was not "seeing him" when [REDACTED] was gone.
- [REDACTED] said the suspect locked him in the apartment when Officers were outside.
- [REDACTED] told the suspect that they should go outside and tell Officers that everything was alright. The suspect told him "no".
- [REDACTED] said he had never drank with the suspect before, never talked to him before and had

never been in his apartment before.

- I asked █ if he got locked into the apartment prior the Officers arriving. He said "yeah, he didn't let me go out".
- █ said the suspect only became aggressive after the Officers arrived. I asked him if "everything was fine before the police showed up" and he replied with "yeah" and explained that he had 3 drinks with the suspect during their time together.
- I asked █ what would make the police show up to the apartment. He said he did not know and said the suspect was not aggressive at all prior to Officers showing up.
- █ said he was afraid when the suspect pushed him.
- █ stated he was trying to "keep it cool" because he was afraid of the suspect.
- █ again told us at some point he heard Officers outside. He told the suspect that they should go out and speak with them, but the suspect said "no, you set me up". █ told the suspect "please don't do this".
- █ again claimed that he had no idea why the Officers arrived on scene.
- █ then told us he spoke to the suspect one time in the past when he was working and they spoke in Spanish. He did not explain further.
- █ advised that the injury to his left hand did happen "today"
- █ stated he did not see the suspect with any type of weapon during the altercation.
- █ again said there was no arguing or fighting prior to Officers arriving.
- █ said when he was finally able to exit the apartment, he told the suspect "no I'm going out" and pushed the suspect away from the door.
- This is when the Officers "got me". █ then claimed he believes he heard "shots".
- I asked █ if he was afraid that the suspect was going to hurt him. He agreed and said he thought the suspect was going to hurt him. I asked █ if he thought the suspect was going to kill him. He stated he did not know. Then I asked him how he thought he would have been hurt. He replied with "he would have killed me or something". I asked him if he thought the suspect was capable of killing him. █ said "oh yeah, I honestly think he would have".
- █ stated the suspect was mad. He said the manner in which the suspect would not let him leave was a "big thing to me".
- The suspect never told █ that he was going to kill him.

I concluded the interview at this time.

It should be noted, while speaking with █ I noticed the following signs and symptoms of alcohol intoxication. Bloodshot/ watery eyes, a strong odor of an alcoholic beverage emanating from his breath and person and his speech was slightly slurred. █ was sporadic with his statements and at times hard to follow as he seemed to repeat himself several times.

Det. Cpl. Canfield and I began an area canvas of the surrounding apartments. The following is a summary of who I spoke to and their statements.

- [REDACTED]: Lives in the "[REDACTED]" building apartment [REDACTED] on the lower level just north of the incident location. Left around 0840 hours with her husband and returned at 1530 hours. Did not see or hear anything due to them being gone. Does not know any of the involved parties.
- [REDACTED] Lives in the "[REDACTED]" building apartment [REDACTED] which is the building to the west of incident location. Other than the gun shots, she did not see or hear anything. Does not know any of the involved parties.
- [REDACTED]: Lives in the "[REDACTED]" building apartment [REDACTED] which is the building to the west of the incident location. She stated she did not hear or see anything. Does not know any of the involved parties.
- [REDACTED]: Lives in the "[REDACTED]" building apartment [REDACTED] which is the building to the west of the incident location. He stated he did not hear or see anything other than the gun shots. Does not know any of the involved parties.
- [REDACTED]: Lives in the "[REDACTED]" building apartment [REDACTED] which is located to the east of the incident location. She stated she heard screaming earlier in the day. Then explained it could have been loud talking. She stated she was unable to determine where it was coming from and who it was coming from. Did not know what time of the day she heard this loud talking. She claimed she heard 6 gunshots after Officers were on scene. Does not know any of the involved parties.
- [REDACTED] and [REDACTED]: Live in the "[REDACTED]" building apartment [REDACTED] which is located to the east of the incident location. They stated they heard Officers commands over the loud speaker and then 7 gun shots. Does not know any of the involved parties. [REDACTED] stated she took a video of the when the shots were fired. She showed me the video. The video does not show anything, but gun shots can be heard. The video was uploaded with this report.

I attempted contact at the following apartments with no answer.

-Apartments [REDACTED].

While interviewing [REDACTED], a silver sedan pulled into the parking lot and drove through the police caution tape. The driver and sole occupant of the vehicle was contacted and identified by Idaho DL as [REDACTED] identified himself as [REDACTED] partner.

Det. Cpl. Canfield and I spoke to [REDACTED] and the following is a summary of what he relayed to us:

- [REDACTED] stated he and [REDACTED] have been in a dating relationship for about 15 years.
- [REDACTED] stated he left his apartment around 1030 hours, returned at 1100 hours, and left again at about 1130 hours. He had not returned until our contact with him which was about 2008

Probable Cause

On 11/10/2024 at approximately 1435 hours, Ada County Dispatch received a call for suspicious circumstances. Boise Police Officers located the involved parties at [REDACTED] N. Hartman St. apartment [REDACTED] in Boise. [REDACTED] was in Guadalupe Reyes' apartment. Guadalupe was armed with a knife. Both parties were believed to be intoxicated or under the influence. Guadalupe was in possession of a knife and made threats toward [REDACTED]. During the course of this incident, Officers attempted to hail and contact Guadalupe with negative results. [REDACTED] eventually emerged from the apartment, initially mistaken to be Guadalupe. Officers ordered [REDACTED] to the ground and proceeded to cover the front door of the apartment. During this time, Guadalupe charged at Officers while armed with a knife. An Officer fired his duty weapon at Guadalupe, and Guadalupe collapsed to the ground in front of the Officer, landing just outside the apartment door. The following reports are synopses of Meridian Police Department's investigative involvement for the related Critical Incident Task Force (CITF) investigation.

Critical Incident Task Force (CITF) Activation

On 11/10/2024, at approximately 1723 hours, I received a notification for a CITF activation advising there had been an Officer Involved Shooting (OIS). The involved agency was identified as Boise Police Department, and the suspect was being transported to the hospital.

At approximately 1743 hours, Sgt. Bateman contacted me requesting I respond to the Command Post, designated to be at the Ada County Sheriff's Office (ACSO), and ACSO was the lead investigating agency. Initially, I was assigned to First Contact, however; while responding, Sgt. Bateman informed me Detectives were needed for Area Canvas.

Command Post Information

Upon arrival to the Sheriff's Office, I learned one (1) Officer fired his duty weapon and there were two (2) Involved Witness Officers. The Officers and their roles were identified as follows:

- Involved Officer: Officer B. Strodbeck
- Involved Witness Officer: Officer E. Floyd
- Involved Witness Officer: Officer L. Miles

• Victim: [REDACTED]

• Suspect: Guadalupe Reyes

• Calling Party: [REDACTED]

• Scene location: [REDACTED] N. Liberty # [REDACTED]

• Hospital: St. Al's

Incident Times:

- Call for service: 1454 hours
- Shots fired: 1705 hours
- Time Of Death: 1727 hours

Area Canvas

Prior to leaving the Command Post, I was informed Garden City Detective D. Canfield, and Garden City Detective J. Hughes were on scene, assigned to Canvas, and they would be my point of contact. The address for the location of the incident was identified to me as [REDACTED] N. Liberty St. in Boise.

Once I arrived in the area of Liberty St., I contacted Detective Canfield by phone. Detective Canfield directed me to the location of the scene, later determined to be [REDACTED] N. Hartman St., apartment [REDACTED]

While in the apartment parking lot, Detective Canfield and Detective Hughes informed me they had spoke with a male, identified as [REDACTED] was currently seated in a Boise Police Department patrol vehicle. I was informed [REDACTED] was an involved party. Subsequent information relayed to me at this time, indicated [REDACTED] had been in apartment [REDACTED] and the involved resident was Guadalupe Reyes. I was told [REDACTED] resides in apartment [REDACTED]. It appeared [REDACTED] had gone to Guadalupe's apartment for alcohol, an altercation had occurred which prompted Police response. Additionally, I learned Guadalupe was deceased, and [REDACTED] was currently intoxicated.

At around 1942 hours, Detective Canfield, Detective Hughes and I entered the crime scene area to initiate the Canvas. We were informed building [REDACTED] apartments [REDACTED], [REDACTED], [REDACTED] (Guadalupe's apartment), [REDACTED] had been evacuated. At this time, Crime Scene personnel were still processing the scene. I observed the apartments to be configure with the odd numbers being the lower level apartments, and the even numbered apartments to be the second floor apartments of the two story structures. The [REDACTED] apartments faced East, and numbers [REDACTED], and [REDACTED] were located on the southern quadrant while [REDACTED] and [REDACTED] were on the northern quadrant of the shared structure.

Having been told the aforementioned apartments were evacuated, we proceeded to make efforts to contact residents in the apartments North of the previously mentioned apartments. Upon attempting to speak with residents at [REDACTED] and [REDACTED], we received no response from these residents.

At this point, we were informed some of these residents may be located outside the scene perimeter. After locating some residents in the 1300 block of N. Hartman St., Detectives attempted to seek any information from the residents who may have relevant/ witnessing information

regarding what transpired relative to this investigation.

While speaking with residents, Officer Canfield and I contacted Trevor Penrod. Detective Canfield conducted the interview. As Trevor spoke with Detective Canfield, I heard him identify apartment [REDACTED] as his residence.

The next person Detective Canfield spoke with identified himself as [REDACTED]. As [REDACTED] spoke with Detective Canfield, I heard him advise he resides in apartment [REDACTED]. Detective Canfield primarily conducted this interview with [REDACTED]. As I listened to [REDACTED] I heard him advise he arrived home around 1500 hours. He went on to say Police requested they evacuate the apartment. [REDACTED] indicated he was frustrated with this request, further stating his grandmother and son ([REDACTED]) were there in the apartment. [REDACTED] identified his grandmother as [REDACTED]. [REDACTED] indicated his grandmother was no longer/ currently on scene, and he provided us with her phone number. When I asked [REDACTED] to confirm he did not witness anything having occurred prior to Police arrival, he agreed. [REDACTED] confirmed Police were already on scene when he returned home.

After speaking with some residents, we observed a sedan drive through the crime scene tape and park inside the crime scene perimeter. We rushed to the driver to initiated contact. Ultimately, I learned the driver was identified as [REDACTED], [REDACTED] boyfriend.

While Detective Canfield and Detective Hughes spoke with [REDACTED] I attempted to contact [REDACTED] by phone in an effort to speak with her and determine whether or not she witnessed any events relevant to this investigation. At this time, [REDACTED] did not answer her phone and I proceeded to leave her a voice mail message requesting a return phone call.

Once Detectives were able to speak with [REDACTED] we returned to our Canvas assignment by making efforts to contact residents in Building [REDACTED] through [REDACTED] units [REDACTED] through [REDACTED]. At this time, Detectives divided our contacts by building numbers. My designated area for contacts were building [REDACTED] and [REDACTED].

Apartment [REDACTED] - I asked [REDACTED] whether or not he witnessed any events during the Police presence earlier this date. [REDACTED] responded in the negative. [REDACTED] told me when he returned home the Police were already on scene. [REDACTED] inquired as to what transpired, and I told him I could not answer his question at this time. When I asked [REDACTED] to confirm he did not witness anything, or hear anything, he responded in the affirmative. [REDACTED] continued to say he went to let his dog out, and "that was it". Ultimately, [REDACTED] advised he did not witness any events to assist with the investigation.

Apartment [REDACTED]: A male adult answered the door, he appeared to be unclothed as he peered his head around the door while he maintained the positioning his body behind the cover of the door. I

inquired as to whether or not he witnessed any events relevant to this investigation. The male responded in the negative and advised he had been watching television and he did not see or hear anything. The male indicated his wife was home and offered to ask her as well. When the male's wife came to the door a short time later, I asked her whether or not she witnessed any disturbances or otherwise related to this incident. She responded in the negative and apologized for not being of assistance. Both parties denied having witnessed anything related to this investigation.

Apartment [REDACTED]: The resident in this apartment identified herself to me as [REDACTED]. As I spoke with [REDACTED] I informed her I was seeking information from any available witnesses who may have knowledge of what transpired. [REDACTED] went on to tell me she had been watching through her balcony window when she observed Police Officers "go in there", she heard them say, "put your hands up", "get on the ground" and she heard gun shots. [REDACTED] continued to say she watched Officers walk "over there" she heard them calling "his name", ordering him to "come out", "put your hands up", and "we're trying to contact your phone". [REDACTED] stated she was pretty much there for the whole thing. When I asked [REDACTED] to confirm she observed the Police interactions, she went on to say she did not see as to what transpired in the home. When I asked her whether or not she heard anything prior to this, she responded in the negative, and stated she did not know anything was happening. I asked [REDACTED] if she could see who the Police were talking to, or who they were attempting to address. She clarified she only observed the Police Officers, not the suspect, and she did not hear any response from the suspect.

Apartment [REDACTED]: The residents in this apartment identified themselves to me as [REDACTED] and [REDACTED]. While speaking with [REDACTED] I asked her whether or not she witnessed the events in question. She responded saying, "We saw it, but like nothing crazy or anything." For clarification, I asked her what she saw. [REDACTED] pointed to the apartment where the incident occurred. I asked her if she saw or heard anything having occurred prior to Police arrival. [REDACTED] responded in the negative. She explained they had been sleeping when she was awoken to the Police announcements, a "mega-phone thing". I asked her to tell me what she witnessed after hearing the announcements. [REDACTED] went on to say there was "some random guy standing over there, they kept yelling at him to leave, but he would just stay there". I asked [REDACTED] to clarify this was a citizen, and she replied in the affirmative. I asked if this was an involved person and she said she did not think so. She went on to say the Police "re-taped off the stuff". She continued to say she could see other Officers, and possibly SWAT Officers, in "the other apartment". I asked her what else she saw or heard. [REDACTED] said, "Um, we just heard the shots fired". When [REDACTED] looked to [REDACTED] he stated something about the breaching, and what sounded like he was articulating Officers' commands to the suspect to show his hands. [REDACTED] talked about hearing Police commands to the suspect, if there was anyone inside, to come out. When I asked [REDACTED] and [REDACTED] whether or not they could see the person Police were addressing, they responded in the negative.

The next apartment building we made contacts at was building [REDACTED] through [REDACTED] apartments [REDACTED] through [REDACTED]. The apartments I contacted, or attempted to contact included [REDACTED] and [REDACTED].

Apartment [REDACTED]: The resident in this apartment identified herself to me as [REDACTED]. [REDACTED] told me she arrived home after 1500 hours. She heard the Police intercom, she heard the verbal commands from Officers, and she heard the shots fired. [REDACTED] denied having seen any of the interactions. [REDACTED] expressed having anxiety during the event, while articulating it having been very stressful for her hearing what was happening. I asked [REDACTED] about her neighbors, and she told me she did not really know them, but the tenant upstairs she knew as [REDACTED]. She articulated [REDACTED] as having some form mental health issues.

Apartment [REDACTED]: The resident in this apartment identified himself to me as [REDACTED]. While speaking with [REDACTED] I asked him whether or not he was home when this incident occurred. [REDACTED] confirmed he was home during the entire event. I asked [REDACTED] if he heard, or observed anything prior to Police arrival, and he responded in the negative. [REDACTED] went on to tell me he did not know anything had occurred until he heard Police Officers banging at the door. When I asked [REDACTED] what he saw or heard, he told me the only thing he heard was what was happening across the street, and at some point (noting he was in his bedroom during most of this time) Police had "the guy out", "then there were a few gun shots". [REDACTED] advised this was what he could recall, as he too articulated this having been a very stressful event for him as well. [REDACTED] advised this incident occurred over the course of several hours, and "at some point, they went in there". I asked [REDACTED] if he heard what the suspect was saying, or if he could hear any response. [REDACTED] replied in the negative and stated he could not hear the words, all he heard was the Police going in, the gun shots, and "the guy screaming". When I asked [REDACTED] if he could hear what the Police were saying, he responded in the negative. [REDACTED] told me no one else was home with him during this incident.

Apartment [REDACTED]: The resident in this apartment identified herself to me as [REDACTED]. While speaking with [REDACTED] she told me she did not see anything with regards to what transpired during this incident. I asked her whether or not she witnessed anything prior to Police arrival, and she responded in the negative. I asked [REDACTED] whether or not she was home during this incident, and she replied in the affirmative. When I asked [REDACTED] if she heard what was happening at the time, and she told me she just heard the gun shots. When I asked her whether or not she heard any yelling, or communication, she responded in the negative. Ultimately, [REDACTED] advised she heard the gun shot and witnessed nothing else.

Apartment [REDACTED]: No residents answered the door.

Nearing the conclusion of this Canvas, I observed a male walking along the sidewalk toward the area of apartment [REDACTED]. I asked him if his name was [REDACTED] and he responded in the affirmative,

however; he clarified he did not reside in apartment [REDACTED]. [REDACTED] identified himself to me as [REDACTED]. While speaking with [REDACTED] he told me he resided in apartment [REDACTED]. During further discussion, [REDACTED] told me he heard Police commands, he heard gun shots, and at some point, he saw the "door kicker" (presumably an Officer breaching a door). [REDACTED] provided no additional statements for having knowledge of any other events correlated with this incident.

At this point, the Canvas Team concluded our on scene investigation.

While off duty [REDACTED] [REDACTED] left me a voice mail message. When I returned to duty on 11/12/2024, I returned her phone call. While speaking with [REDACTED] I explained I wanted to talk with her about anything she may have seen, or heard, involving the neighbors and Police during this incident. [REDACTED] went on to tell me she didn't really see or hear anything. [REDACTED] explained she and her great-grandson were in the house (apartment) when there was a knock on the door by the Police. She went on to say there were three Officers who told her there was something happening upstairs. At this point, she seemed to articulate having been instructed to keep the door closed until Officers knocked to let her know it was safe. After sitting down for five to ten minutes, there was a knock on the door and Officers advised her they need to have her evacuate, and she agreed. [REDACTED] stated it was after this point she observed a large Police presence, and she had no idea as to what had transpired. She explained Officers walked her over to [REDACTED] car, and [REDACTED] was there. [REDACTED] stated she did not hear anything having occurred upstairs prior to this evacuation, noting this was "scary". Ultimately, [REDACTED] advised she did not hear or witness anything related to what occurred.
