Applying or as a team?

Single applicant

Entrant Name

Caleb Kalousek

Email

kalo7004@vandals.uidaho.edu

Phone Number

(208) 800-3070

If applying as a team, please provide the first and last name of each additional applicant.

Upload Your Submission

Add a PDF file with up to four (4) pages, 24"x36" horizontally oriented. Please use the following file name format: boise_design_lab_submission_2026_lastname(s).pdf

boise_design_lab_submission_2026_k...pdf

Record of Neighborhood Design Engagement

The applicant shall complete and submit to the City a detailed summary of community engagement discussions. This will include: A written, detailed summary of the approach to gathering feedback. Include: How did you share your materials and communicate the design intent? What feedback did you receive from the community? What changes to the design were made as a result of the feedback?

Provide your answer below:

This project introduces compact, stackable housing to increase density while preserving open space and neighborhood character. By elevating units and organizing them around shared landscape, it creates a flexible, community-oriented living environment.

Which Design Standard(s) is the design proposing alternatives to?

Referencing the [Design Standards PDF](#), list 3 standards from each provided section. Please specify the Design Standard number listed in the tables.

Which General Standards? (Standards for All Development)

Parking minimum.

Which Housing-Type Specific Standards?

Provide any additional information for your submission, if needed.
