

BOISE CITY CONSTRUCTION SITE EROSION CONTROL ORDINANCE FEE SCHEDULE

Construction Site Erosion Control Ordinance Fee Schedule, Permit Fees. As referenced in the Boise City Construction Site Erosion Control Ordinance, fees shall be assessed in accordance with the provisions of this Construction Site Erosion Control Ordinance Fee Schedule and as set forth in the included fee table depicted as Table C(1).

1. Permit and Administrative Fees

- A. The City maintains the right to prescribe and regulate the fees or charges associated with obtaining a permit pursuant to this Ordinance.
- B. The City shall set reasonable fees for the application for a permit. Such fees shall be required upon initial application, as well as for any requests for modifications of erosion control plans and requests for variances. If, after review of the plan, it is determined by the Director an incorrect fee has been collected, the fee will be adjusted to the correct amount.
- C. The required permit fees are based on the nature or size of the permitted area and are for the purpose of providing administration and enforcement of the provisions of this Ordinance. The permit and administrative fees shall be as follows:
