

Residential Trade Permit Process

Case Prefix: ELE, MEC, PLM

Public Version

Notes:

- Electrical, Mechanical, and Plumbing trade permits can be obtained online, over the counter, by fax, or calling in to the Permit Technician Counter

- Homeowners are required to come in to the Planning & Development Services office to obtain trade permits and pay fees.

- Where applicable, trade permits need to be attached to the appropriate Building Permit

Note:

-Inspections are required at various stages throughout construction.
