

DEPARTMENT OF ARTS & HISTORY

MAYOR: David H. Bieter | DIRECTOR: Terri Schorzman

January 24, 2018

Dear Kate Walker,

Thank you for your interest and time in submitting a proposal for the opportunity to have your project funded during Treefort Music Fest 2018. For this inaugural opportunity, we had eleven artists across the three opportunities apply. It was an absolute pleasure to see the response from the community and review the variety of ideas and projects that were submitted.

The selection panel consisted of three members who served to represent the Arts & History Commission, Treefort Music Fest, and the local arts community. The members convened to review each proposal and make recommendations on which projects would receive funding.

On behalf of the selection panel, I am sorry to inform you that your project has not been selected. This outcome was largely due to the proposal missing a budget, which consequently lowered the overall score.

We truly appreciate the time and effort that you put into your proposal and genuinely hope that you will consider applying to other projects in the future; we are excited to be able to offer this type of artist opportunity on an annual basis. Please do not hesitate to contact me with any questions you may have.

Thank you for your contribution to the cultural community in Boise!

Sincerely,

Catina Crum
