

## DEPARTMENT OF ARTS & HISTORY

MAYOR: David H. Bieter | DIRECTOR: Terri Schorzman

January 24, 2018

Dear Kyle Morck,

Thank you for submitting a proposal for the opportunity to have a project funded during Treefort Music Fest 2018. For this inaugural opportunity, eleven artists, three in each category, applied. It was an absolute pleasure to see such a positive response from the community and to review the variety of ideas and projects that were submitted.

The selection panel consisted of three members that served to represent the Arts & History Commission, Treefort Music Fest, and the local arts community. The members convened to review each proposal and make recommendations on which projects would receive funding.

On behalf of the selection panel, I am happy to inform you that your project proposal has been recommended for funding!

We are very much looking forward to scheduling a meeting with you to review the details of your project, such as the contract and the project's final location.

In the meantime, please confirm that you are still available and interested in pursuing your proposed project by providing us with multiple dates and times you are available to meet. Please, let us know if you have any questions.

Thank you for your contribution to the cultural community in Boise!

Sincerely,

Catina Crum  
Public Arts Assistant
