

## Department of Arts & History

April 13, 2017

Dear Applicant,

I extend my sincere gratitude for your application to the 2017 Traffic Box opportunity. We were overwhelmed with the incredible number and quality of applications received. We deeply appreciate your interest and willingness to contribute to the cultural vitality of Boise and applaud the dedication to your art making practice.

This year we received eighty-nine applications! A panel made up representatives from the community, Capital City Development Corporation, Arts & History Commission, and Arts & History Advisory Team, and representative from Boise neighborhoods reviewed the submissions. The panel gave each application serious consideration and chose twenty-three Idaho artists working in a variety of styles and mediums.

Thank you for your interest in applying your creative skills to Boise's public spaces. I am very appreciative of your creative work and initiative. If you have questions, please contact me at [kleclair@cityofboise.org](mailto:kleclair@cityofboise.org) or call me at 208.608.7044.

Sincerely,

Karl LeClair  
Public Art Manager
