## Arts & History

March 23, 2017

Dear Proposer,

Thank you for your Boise Comic-Con mural application. The applicants exhibited an amazing reservoir of talent. Eleven artists submitted their artwork for review. Styles ranged in very different directions, which gave the panel a plethora to choose from and made the process very competitive.

The selection panel, made up of five members representing the local arts community, Arts & History Commission, Library board and staff, and the Arts & History Advisory Team selected three finalists.

The three artist finalists are:

- Adam Rosenlund
- Dame Darcy
- Jessica Surline

I would like to remind you that this is our inaugural year of this project and we do plan on issuing an annual call for this project.

Thank you for your interest in making a contribution to the cultural vitality of Boise. We hope to see you at Comic-Con 2017.

Please feel free to contact me if you have any questions.

Sincerely,

Karl LeClair  
Public Arts Manager
