Safety Tips

The Greenbelt is a safe and popular place enjoyed by thousands of people annually. It should follow these simple common-sense guidelines:

• Stay Alert. Take off your headphones and be aware of what is going on around you.
• Trust your instincts. If something or someone makes you uneasy, leave the area.
• Travel in well-lit areas. Avoid walking through wooded areas, parking lots, isolated pathways or alleyways.
• Call 911. Keep your location handy and dial 911 for assistance.
• Report to the police any unsafe conditions or contacts by stranger. Be able to describe the person accurately.
• Walk with a companion.

In case of emergency, dial 911.

History of the Greenbelt

Along the path of the Greenbelt, you can see the river, the trees, the flowers, and the birds. In the summer, there is usually something blooming, but in the winter, there are usually some flowers to see. The river is always flowing, and the trees are always changing. The flowers are always blooming, and the birds are always singing. The Greenbelt is a place where you can relax and enjoy the outdoors.
