Notice of Cancellation: RFP 15-243, Vehicle Towing & Impound Services, Office of the City Clerk

Dear Bidder,

Thank you for your interest and participation regarding RFP 15-243, Vehicle Towing & Impound Services. To date, this project has been subject to multiple protests and appeals from various proposers. The City engaged in serious consideration of the issues raised in each protest and appeal and has decided to cancel the Request for Proposal for this project, reassess its scope and issue a new RFP.

The City recognizes the inconvenience that may result from this cancellation. Hopefully it will not deter you from future participation in City projects.

Thank you for your interest in this project thus far.
