2021 Seasonal Concessions
Request for Proposal

BOISE
CITY OF TREES

PARKS AND RECREATION
CONCESSION SPECIFICATIONS

Annually, the City, through its Parks and Recreation Department, seeks to fill seasonal concession opportunities in Boise City parks, as they come available. For 2020, the City is seeking food vendors to provide concessions for a number of parks and facilities. The selected vendor(s), based on the written proposal and interview process as the best qualified vendor for the services herein described, will be requested to enter into contract negotiations with the City of Boise.

If compensation or other terms cannot be agreed upon with the best qualified proposer, the City may terminate negotiations with that proposer and enter into negotiations with the next most qualified proposer.

The selected vendor shall agree to all of the terms and conditions as set forth in the professional agreement with the City “Exhibit B – Self-Contained Concession Licensing Agreement Sample,” and be ready to execute same at time of award.

Concession Permit: The successful proposer(s) shall meet all concession permit requirements and obtain a Boise City Vending License. If this requirement is not met, the City will award the contract to the next most qualified proposer. This permit is not required at the time of this application, but will be required if proposer is awarded the contract. Proposer will need to indicate if this permit will need to be obtained.

Prime Vendor: The vendor(s) awarded a contract shall be the operator of the concession being proposed. No subcontractor, consignment or other transfer of concession responsibilities to another party is allowed without the approval of Boise City.

Intent: The City’s intent in awarding the concession contract is to provide courteous, efficient service to the public with a maximum monetary return to the Boise Parks and Recreation Department.

Contract Award: A concession contract shall be awarded to the responsible vendor(s) submitting a proposal which provides the best service to the public, and/or greatest income potential to the City. The term of the contract shall be for an initial term of one (1) year, with an option to renew for additional years.

Applications can be accepted throughout the year, with first consideration being for applications received by January 31, 2020. If vacancies occur in existing locations, applications on file will be reviewed with the same consideration, process and requirements.
Structure/Cart and Operations: Some concession areas are located within Boise Parks and Recreation Facilities (Natatorium/Hydrotube, Ivywild Pool, Willow Lane Athletic Complex), in which some electrical and water may be available for use.

Locations not in existing facilities will require a concession/vending cart be fully self-contained and removed from the park each evening, unless otherwise negotiated and agreed upon by both parties. Electricity and water are not available at these locations, requiring the vendor to be responsible for providing their own electricity and water. Power provided by a generator must meet current sound ordinances.

Products for Resale/Merchandise: The vendor shall include products for resale such as: Coffee and espresso drinks, snow cones, soda, sandwiches, candy, and other approved food and beverage products that are geared to the clientele at Boise City parks. Vendors must honor existing contractual agreements the City holds with current vendors, i.e. beverage products.

Healthy Food Policy: The vendor shall provide a menu that is compliant with the City of Boise’s Healthy Food Policy (Exhibit A). The City shall approve all proposed products in writing.

Billing: Vendors must submit payments on a monthly basis. Checks shall be made payable to the Boise Parks and Recreation Department. Payments are due on the first day of each month. Payments may be mailed or hand-delivered to the Department of Parks and Recreation Administration Office, 1104 Royal Blvd, Boise, ID 83706.

Limitations: Vendor contracts do not guarantee participation in community or department sponsored events, or activities held within the vendor’s designated area. If selected to participate in a community or department sponsored event, vendor is responsible for all fees and stipulations of the named event.

Public Information: Proposals may be considered a public record after the award of the contract. Confidential information will not be accepted on this project without prior written authorization.

Indemnification and Insurance: Vendors shall indemnify and save and hold harmless CITY from and for any and all losses, claims, actions, judgments for damages, including consequential damages, or injury to persons or property and losses and expenses caused or incurred by vendor, its servants, agents, employees, guests, and business invitees, or by failure of the equipment
provided by vendor, and not caused by or arising out of the tortuous conduct of city or its employees. The limits of insurance shall not be deemed a limitation of the covenants to indemnify and save and hold harmless city; and if city becomes liable for an amount in excess of the insurance limits, herein provided, vendor covenants and agrees to indemnify and save and hold harmless city from and for all such losses, claims, actions, or judgments for damages or liability to persons or property. Vendor shall provide city with a certificate of insurance or other proof of insurance naming the City of Boise as an additional insured and evidencing vendor's compliance with the requirements of this paragraph and file such proof of insurance with the City.

Additionally, vendor shall maintain, and specifically agrees that it will maintain, throughout the term of the agreement, product liability insurance. This is not required at the time of application, but will be required if proposer is awarded the contract. Application needs to indicate if insurance is current or needs to be obtained.

Additionally, the vendor shall have and maintain during the life of this contract, statutory Workers Compensation, regardless of the number of employees, or lack thereof, to be engaged in work on the project under this agreement (including self). In case any such work is sublet, the vendor shall require that subcontractor to provide Workers Compensation Insurance for himself and any/all the latter's employees to be engaged in such work. Proof of insurance must be provided to the owner. This is not required at the time of application, but will be required if proposer is awarded the contract. Application needs to indicate if worker's compensation is current or needs to be obtained.

**CLARIFICATION/PROTEST/CHALLENGE PROCESS**

Clarification and/or Protest of Bid Requirements, Standards, Specifications, or Process: Any Vendor who wishes to request clarifications about or protest the requirements, standards, specifications, or process outlined in this Request for Proposals may submit a written notification to the Boise Parks and Recreation Community Programs Coordinator, 1104 Royal Blvd, Boise, ID 83706, to be received no later than three (3) working days prior to proposal opening. The notification shall state the exact nature of the clarification request or protest. In the case of a protest, vendor shall describe the location of protested portion or clause in the proposal document and explaining why the provision should be struck, added, or altered, and contain suggested corrections. In the event of a protest, the project Manager may deny the protest, require that the proposal be modified, modify the proposal, and/or reject all or part of the protest.
Clarification and/or Protest of Contractor Selection or Contract Award: Any actual or prospective proposer who is aggrieved in connection with the selection of a firm or award of the contract or proposal may submit a protest to the Purchasing Agent. The protest shall be submitted in writing within seven (7) calendar days after such aggrieved person knows or should have known the facts which give rise to the protest. The protest must set forth in specific terms the alleged reason the Vendor selection or contract award is erroneous. Any protest addressed to the Mayor or City Council will be referred to the Purchasing Agent.

THE CITY OF BOISE RESERVES THE RIGHT TO REJECT ANY AND ALL PROPOSALS, TO WAIVE ANY IRREGULARITIES IN THE PROPOSALS RECEIVED, AND TO ACCEPT THE PROPOSAL DEEMED MOST ADVANTAGEOUS TO THE BEST INTEREST OF THE CITY. THE CITY WILL ALSO CONSIDER WHETHER THE PROPOSER IS A RESPONSIBLE PROPOSER AS DESCRIBED IN BOISE CITY CODE 1-11.

The provisions of this section shall be deemed to be a separate contract between the parties and shall survive the expiration or any default, termination or forfeiture of this License.

- Bodily Injury by Accident $100,000 each accident
- Bodily Injury by Disease $500,000 policy limit

And if Licensor becomes liable for an amount in excess of the insurance limits herein provided, Licensee covenants and agrees to indemnify and save and hold harmless Licensor from and for all such losses, claims, actions or judgments for damages or liability to persons or property. Licensee shall provide Licensor with a Certificate of Insurance or other proof of insurance evidencing Licensee’s compliance with the requirements of this paragraph and file such proof of insurance with Licensor’s Risk Manager and Department of Parks and Recreation.
