

STAGED REOPENING OF CITY FACILITIES AND SERVICES

The Mayor will decide when the City of Boise will change stages (forward or backward) based on data and science, including information about the spread of the virus, healthcare capacity, and our public health system's ability to test and isolate rapidly. The facility and service openings outlined here are tentative and could change.

City of Boise outdoor pools will not open for the Summer 2020 season.

STAGE 1	STAGE 2	STAGE 3	STAGE 4
<ul style="list-style-type: none"> The following Curb It services reopen: <ol style="list-style-type: none"> Glass collection sites Household Hazardous Waste mobile collection sites Compost pick-up sites Warm Springs Golf Course opens for advanced tee times booked over the phone Boise Whitewater Park phase 1 adjustable wave reopens City Council, Planning and Zoning, Design Review and Historic Preservation meet remotely with public testimony.
